GEORGE C. WARD, TOWN CLERK.
REPORT OF THE
SANBORNTON MUTUAL
FIRE INSURANCE COMPANY.

Amount at risk January 1, 1904, $135,182 00
Premium notes held by the Company on policies in force January 1, 1904, $6,759 10
Balance in favor of the Company as per Treasurer's report January 1, 1904, $478 95

OTIS S. SANBORN, President.

OTIS S. SANBORN,
THOMAS O. TAYLOR,
CYRUS SWAIN,
JAMES W. SANDERS,
GEORGE B. LANE,

ALBERT M. OSGOOD, Treasurer.

HERBERT J. L. BODWELL, Secretary.

The attention of every policy holder is called to the following:—

By vote at the annual meeting of the Company held January 7, 1901, policy holders wishing to remain away longer than thirty days may keep the insurance on their property good, by applying to the Secretary for a permit to leave their premises unoccupied for such time as they may specify, paying for the same five cents per month for every one hundred dollars for which they are insured.
REPORT OF THE
SCHOOL BOARD.

The school board appreciates the interest and co-operation of the district in their work. There has been a disposition to provide for and make the most of school privileges. The truant officer has had no work during the past year. Some, after improving the twenty-six weeks of schooling provided for the town, have supplemented it by overcoming long distances. This interest and co-operation is commendable, and has a bearing in more than one direction; it has given us more schooling, made our schools more efficient in their work, and given us the favorable consideration and financial aid of state school officers. An average of twenty-six weeks for the schools of our town contrasts very favorably with our fifteen weeks when we came under the town system. Although not as great an average as some of the towns around us have, it is a substantial gain to us of eleven weeks.

Three schools the first term, and two the second, were disturbed in their work by sickness. This was a hindrance to their progress, but could not be avoided. The terms were subsequently pieced out as best we could. The sickness and scare attending it necessitated a change of teachers and made broken work.

The school year was divided into two terms of eleven and fifteen weeks each. There was a vacation of one week during the last term.
Teachers have been employed as follows: Mattie E. Locke, at Calef Hill; Dr. G. C. Ward, at the Square; Mattie Smith, at Hunkins the first term and a part of the second, T. J. Cate and Mattie E. Locke, the remainder of the second; Alice W. Leavitt, at the Meadow; Pearl Colby, at the Bay the first term and a part of the second, Mrs. Livonia Hunkins and Mattie Smith the remainder of the second; Nettie B. Woodman, at Morrison; Mary A. Emerson, at Gaza the first term, Alice M. Currier the second term; Mary N. Redding, at Chapel the first term, Mrs. Jennie Blake the second; Nellie E. Brown, at Osgood the first term, Elizabeth Gokey the second; Stella Thomas, at North Sanbornton. All but three of these teachers had had experience; the larger part of them had been long in the work. They were generally faithful and successful; some of them at their closing examinations showed excellent work.

Montgomery's Histories of the United States were introduced at the opening of the first term, and a good interest was awakened in the study. Classes in some of the schools completed the first book and were well advanced in the second. This exchange had long been needed, the old books being incomplete and radically deficient respecting the industrial growth of our country. The New Medial Writing Book has been introduced in some of our schools, and received with great favor.

Since our last report, eighteen students have availed themselves of high school privileges under the law granting the same at the expense of the town. They were in institutions as follows: five in Laconia High School, five in Tilton Seminary, five in New Hampton Institution, three in Colby Academy.

It is in every way fitting for parents and guardians to
look in upon our schools. A large number of visitations is recorded for the past year.

The Roll of Perfect Attendance is not all that could be desired; but we must remember that, in some of the schools, it was affected by sickness.

For facts of importance, your attention is invited to the statistical table.

The old names and numbers are used for convenience of reference.
