**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

**SUMMARY OF FINDINGS AND
RECOMMENDATIONS**

January 30, 1958

Board of Selectmen
Whitefield, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Whitefield for the fiscal year ended December 31, 1957, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library Treasurer, Municipal Court and Trustees of Trust Funds.

Financial Statements

**Comparative Balance Sheets: December 31, 1956-
December 31, 1957: (Exhibit A-1)**

Comparative Balance Sheets as of December 31, 1956 and December 31, 1957, are presented in Exhibit A-1. As indicated therein the Net Debt decreased by \$20,705.90 during 1957.

**Analysis of Change in Financial Condition: (Exhibit
A-2)**

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with

the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt	
Long Term Note Paid	\$ 3,333.33
Net Budget Surplus	12,487.34
Deficiency Appropriation	5,000.00
	<hr/>
	\$20,820.67
Increase in Net Debt	
Decrease in Cash in Hands of Collector—a/c Interest	\$ 1.51
Decrease in Highway Accounts Receivable	113.26
	<hr/>
	114.77
	<hr/>
NET DECREASE	\$20,705.90

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1957, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$9,751.75, plus a revenue surplus of \$2,735.59, resulted in a net budget surplus of \$12,487.34.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary of receipts and expenditures for the fiscal year ended December 31, 1957, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1957, is indicated in Exhibit B-2.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

General Comments

Current Deficit:

It is noted that the current deficit (excess of current liabilities over total assets) decreased by \$17,372.57, from \$19,472.22 to \$2,099.65 in 1957, as shown herewith:

	Dec. 31, 1956	Dec. 31, 1957
Total Current Liabilities	\$113,152.93	\$106,232.99
Total Assets	93,680.71	104,133.34
	\$ 19,472.22	\$ 2,099.65

Selectmen's Accounts:

The Selectmen's record of receipts and expenditures should be kept on a current basis with receipts from all sources entered therein, rather than only those receipts which pass through the hands of the Selectmen. Inasmuch as the classified expenditure columns in this book serve the purpose of an appropriation ledger it is important that it be kept up to date in order that a comparison between appropriations and expenditures may be made at any time.

Treasurer's Accounts:

The treasurer's cash book should be kept so that it would reflect the actual treasury balance at all times. At the present time neither the Selectmen's or Treasurer's records do this.

All receipts should be broken down in detail, indicating the remitter, source of receipts, etc. In the case of remittances on account of tax collections and redemptions from tax sales, the year of levy and type of tax (property—yield—poll or head) should be indicated.

All checks should be countersigned by the Treasurer and entered in the cash book at the **time of issuance** rather than after they have been returned to the bank and cancelled. A monthly reconciliation between the cash book and bank balance should also be made.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Whitefield for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER
Director

MORRISON HOSPITAL SUPERINTENDENT'S REPORT

Year 1957

Number of Patients in house Jan. 1, 1957	12
Number of Patients admitted during year (excluding newborn)	463
Newborn this year	21
Total Patients treated this year	496
Patients discharged this year (excluding deaths)	457
Deaths this year	20
Total Patients Dec. 31, 1957	19
Number of operations this year	91
Number of laboratory tests performed	3,871
Number of X-ray and fluoroscopic examinations	891
Number of patients treated in Emergency Room	457

We wish to thank Mrs. Mae Morrison for her many gifts and her great interest in the hospital.

Our thanks are extended to the members of the Morrison Hospital Auxiliary for their generous help in sewing and mending, their gifts and moral support throughout the year. These many gifts and donations are listed in a separate report, headed—Report from Morrison Hospital Auxiliary.

The townspeople are cordially invited to visit their hospital to see the newly remodeled kitchen and the many other improvements so willingly given by the Auxiliary, citizens, visitors, and hotel people.

The laboratory, with its yearly donation by Mrs. Paul Appenzellar and the raffle of the electric stove by our laboratory technician, John King, has many additions and improvements making it a very modern laboratory.

The X-ray department has been greatly improved by a generous donation, in memory of the late Edward F. Breed, by his friends and business associates. This has made possible the complete remodeling of the film processing laboratory and viewing equipment which our radiologist states is the best in the North Country. An important attachment for the mobile X-ray unit was made possible thru the donations by other summer residents.

This year the Episcopal Guild, the Morrison Hospital Alumnae, the Mountain View House and the Bretton Woods have painted, refurnished and repaired their various rooms. A donation was made for the painting of the maternity rooms. The family of the late Mrs. Frank Simmons has generously donated a wheel chair and lifter.

Patients and personnel have greatly appreciated the attractive tray favors and Christmas ornaments made and donated by various children's organizations.

Thanks are extended to all hospital personnel for their cooperation throughout the year.

Respectfully submitted,

MARION W. LaDUKE, R.N.
Superintendent

REPORT FROM MORRISON HOSPITAL AUXILIARY

During the past year, the Morrison Hospital Auxiliary has played an important part in helping to carry on the services the hospital renders to the community.

In addition to meeting once a month to do the necessary mending and sewing, it has made many substantial contributions and improvements. The biggest project was the complete renovation of the kitchen, an improvement which was badly needed. Besides this major undertaking, several rooms have been re-decorated, operating room equipment purchased, and a new non-conductive floor installed in the operating room. A patient lifter, new dishes, bed linens, patient linens, and an emergency lighting system were among the many other contributions made. The total amount spent by the Auxiliary to make these improvements was over \$6,600.00.

Membership in the Auxiliary is voluntary, and as one reads this list of accomplishments in one year, it is with a sense of satisfaction, and the realization that this is a very worthwhile organization.

Forest Fire Prevention is Everybody's Business

New Hampshire faces a continuing challenge in its forest fire problem—97 percent of all our forest fires being man-caused and preventable—a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Carelessness and perverseness, however, continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles, by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires—all result in serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need YOUR thoughtful and cooperative effort—the rules are simple.

1. Don't burn at home—use your town dump and avoid all fire problems.
2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.
3. Be sure that all lighted material—cigars, cigarettes and matches—are completely out before discarding them. Use ash trays in automobiles.
4. Make certain that your debris, camp and cook fires are completely out before leaving them.

- 5. Insist that others be careful and comply with burning requirements.
- 6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER—the fire you prevent might be the one which could burn YOUR property.

REMEMBER—FOREST FIRE PREVENTION is EVERYBODY'S BUSINESS and our MOST IMPORTANT UNDERTAKING.

Report from the White Mountains Region Association

“Twenty Years of Progress”—1938-1958

It is a pleasure to be able to report on the twentieth year of successful operation of your Region Association. Reaching this milestone shows a solid record of accomplishment and mutual cooperation between the towns and the Association.

For a long time nobody knew exactly how to **prove** that real **hard cash** was coming into the area from our efforts. However, for the last three years we've run an annual survey of people previously contacted in some way, to find out if they ever did come here and spend any money. Much as we've always believed in this work, we were still amazed at the extent of income indicated by the survey returns. Every time, just a few parties out of the survey sample would prove to have spent around three times as much in this region as the total of all the town appropriations! Careful estimates indicate over half a million dollars a year are being spent here by people contacted through Region publicity. If that sounds like baloney, remember that the whole state does a 210-million dollar vacation business!

Demands on our literature—in which every town is represented in every folder—have never been so heavy. To cite one example, our Fall Foliage promotion (remember those bright red 'leaves' you saw on the roads? We put 'em up) got attention from as far away as Texas and California, and we had to print up an extra 3000 foliage maps in a hurry. A card we had placed in Samsonite luggage stores across the country brought in another 3,000 replies in addition to our usual requests for Region folders. All told we've sent out as usual around 100,000 pieces of material, plus pictures, news stories, radio and TV 'plugs.' We've helped all we could to promote community events here at home, while spending a good deal of time at shows and exhibitions in major cities (we are adding a new one this year, Cleveland).

The 4-H Awards Program continues to be successful and popular, and over 75 clubs throughout the region are helped and encouraged through it in this very worthwhile work by cash awards, trophies, and magazine subscriptions to clubs, members and leaders.

A lot of work has been done on transportation, a very serious situation here. Active work has been done trying to save what we can of our rail passenger service. Much correspondence and attendance at hearings have been aimed at improving the airline service. We have been working with the bus companies planning a campaign with them, since the rail situation seems to be so shaky. We have kept in close touch with the highway situation, hoping Region roads may receive necessary attention.

The items above are brief highlights, and there is much more going on continuously. This is a full-time, year-round effort aimed at benefiting **you** and **your town**—that's the only reason this Association exists, to bring about conditions that bring in money that eases the tax 'bite' on your pocketbook. Your support makes it possible, and we thank you for it.

Respectfully submitted,

DAVID S. CASSEDY
Executive Secretary
