Town Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Clarksville in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Clarksville on Tuesday, the 11th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the town.
4. To see if the town will vote to authorize the Selectmen to hire such sums of money as may be necessary to defray Town charges in anticipation of taxes.
5. To see what action the town will take in regard to finishing the garage and raise money required for this purpose.
6. To see if the town will vote to authorize the Selectmen to buy a second hand plow for the town truck and raise money for the same.
7. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 24th day of February, in the year of our Lord nineteen hundred and fifty-eight.

ALBERT BIRON,
HENRY RICKER,
FONROE CHAPPELL,
Selectmen of Clarksville

A true copy of Warrant—Attest:

ALBERT BIRON,
HENRY RICKER,
FONROE CHAPPELL,
Selectmen of Clarksville.

School Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of
Clarksville qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said
District on the 11th day of March, 1958, at 2 o'clock in the
afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the en-
suing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School
Board and Truant Officer and fix the compensation of any
other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees,
or Officers chosen and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in rela-
tion to any subject embraced in this warrant.
8. To see what sum of money the district will vote to
raise and appropriate for the support of schools, for the sal-
aries of district officials and agents, and for the payment of
statutory obligations of the district, and to authorize the
application against said appropriation of such sums as are
estimated to be received from the state equalization fund to-
gether with other income; the school board to certify to the
selectmen the balance between the estimated revenue and
the appropriation, which balance is to be raised by taxes by
the town.
9. To see if the school district will vote to hereafter use
a checklist for the election of its officers, beginning with the
1959 annual district meeting, and will adopt as its school
check-list the Town check-list, as provided in RSA 197:12a,
as inserted by Laws of 1957, chapter 57.
10. To transact any other business that may legally
come before this meeting.

Given under our hands at said Clarksville this 6th day of
February, 1958.

Signed: ALINE Y. POND

GLADYS V. RICKER
S. ELSIE FURGERSON
School Board

Superintendent's Report

To the School Board and the Citizens of the School District
of Clarksville:

Foreword

By the successful launching of satellites, Russia may well have done us a good turn, much as we may hate to admit to her "beating us to the gun" in the accomplishment of this technological feat. The ensuing grave concern for our survival for very long, epitomized by the intensity of the current debate on the role of science in our national life, may prove to be most beneficial in spotlighting what are believed to be the shortcomings in our educational system. Certainly there has been a marked upsurge in the demands from both educators and laymen alike that more attention be given to the education of the gifted, and that the science program be intensified. Parallel to these demands, although perhaps not quite as insistent, has been the call for a redefinition of what the schools are expected to do, and to recognize the fact that they cannot be all things to all men.

It is noted, however, that in all that has been said and written on the urgent need for more attention to quality, more emphasis upon science, and for a more confined curriculum, in no instance has there been a suggestion that the educational system, which has brought America to where she is today, be abandoned. Criticism has not been of that long-standing dream of our society of universal education at least through high school. Rather it has had to do with the fulfilling of this commitment effectively. And as we begin to steady down a bit in our thinking and "once more get our feet on the ground" in making our judgments, we may find that we are not as badly off as during the past few months we may have been lead to believe.

With a little time now taken out for meditation, it may be easier for us to see the position we hold in the overall educational achievements in this day and age. When this prime requisite is once known, it will be possible to proceed to the second step in the solution of our problem, the determination of goals. After these are finally decided upon, the selection of the subject matter believed essential for their attainment, and the most effective way of teaching it, will logically follow. Where science takes us, how much the humanities try to control it, what is done with the talented, how successful

we are in fostering in both parents and children a fuller appreciation of the values of intellectual endeavor, the extent to which pupils are made to work harder, the degree to which they work up to their capacities, provision for individual differences, establishment of definite objectives, subjects retained in the programs of studies to attain these objectives, depth we are willing to dig into these subjects, extent to which their content is brought to life, extra-curricular and extra-class activities we are induced to drop, and what is done to improve the status of teachers will all be decided upon from the standpoint of one or more of these categories. And the signs of the times are, if what is being done about defense is indicative of America's way of doing things, that what improvement is made in the overall educational program of our schools will be directly proportional to how much we really want and are willing to pay for it.

Teachers

The fact that it has not been possible to employ a full time teacher in the upper grade room for the current year well illustrates the seriousness of the prevailing acute teacher shortage. We are indeed fortunate to have Mrs. Alma B. Chappell, a veteran teacher, return to teach Grades 1-4, and to have Mrs. Kate Lord and Mrs. Harriet Plante, also teachers with several years of experience, to alternately teach Grades 5-8.

School Nurse — Health

With the administration of polio immunizations, complete physical examinations given every four years after entering school, the conducting of pre-school and X-ray clinics, special attention and help given individual cases where needed, plus constant check-ups on height, weight, hearing and eyesight, and continuous supervision of the overall health of our pupils, the importance of all that is done by our school nurse in contributing to what is accomplished in our schools is readily seen.

The need for a dental clinic, however, is more urgent each successive year, and unless something can be done to provide this vitally important health service, it is feared that the lack of it will become increasingly evident as time goes on. It is believed, also, serious consideration should be given to the possibility of administering the customary immunizations against smallpox, tetanus, and diphtheria at the pre-school clinics.

Building — Equipment

Such miscellaneous repair work as has been necessary to do during the past year has been minor in nature, thanks to the continued policy of keeping the equipment, building and grounds in a good state of maintenance. Due to the same practice, also, most items of equipment purchased in this same period have been confined to those customarily obtained for instructional purposes.

Enrollment and Attendance

For the fourth successive year the number of pupils enrolled in our school has increased, as there are now 39 in comparison to enrollments of 33, 26, and 25 respectively for each of the preceding years. The average percentage of attendance during the past year was 94.25 for Grades 1-4, and 91.66 for Grades 5-8, while the average number of tardiness per pupil for each of these groups taken in the same order was .09 and 1.78.

Like the number of pupils attending school inside the district, the number attending outside is also the largest that it has been for four years, as there are 11 as compared to nine each for the preceding three years. Of the present number of tuition pupils nine are at Pittsburg High School, one at Pittsburg Elementary School, and one at Colebrook Academy. The cost of the tuition of the elementary pupil is paid by the parents.

Notes on the Budget

The School Board's budget for 1958-59 is \$16,335.00 as compared to \$13,941.00 for the current year. This amount is decreased by anticipated state aid of \$1,500.00, plus an estimated balance of \$500.00, which leaves \$14,335.00 to be raised by taxes by the town. Examination of the budget breakdown printed on subsequent pages of this report will show that, for the most part, provision for higher salaries, and greater tuition costs, explain the increase in the budget.

Conclusion

Again, I wish to thank the members of the School Board, parents, teachers, and citizens for all the help and cooperation received in our work together to provide good schools. It is only with the assistance of you all that high standards can be achieved and maintained.

Respectfully submitted,

ERNEST B. DANA,
Superintendent of Schools

| Transportation | 2,464.00 | 2,520.00 | 2,520.00 |
| Tuition | 1,326.81 | 2,300.00 | 3,950.00 |
| Special Activities and Special Funds | 5.45 | 25.00 | 25.00 |
| *Retirement and OASI | 416.40 | 447.00 | 500.00 |
| Insurance, Tr. bonds & exp. | 165.40 | 36.00 | 175.00 |
| Land and New Buildings | 720.00 | | |
| New Equipment | 65.72 | 10.00 | 10.00 |
| Total | \$13,791.00 | \$13,941.00 | \$16,335.00 |

*The starred items are required by law to be raised as determined by the proper authorities. The salaries of the district officers are determined by the district. A relationship which takes into consideration school membership and assessed valuation, determines the proportionate share of the salaries paid by each district for personnel employed by the Supervisory Union. The State Treasurer reports the amount of the Per Capita Tax. The Retirement Board assesses the amount for Teachers' Retirement.

Estimated Income —1958-59

| | |
|-------------------------|-------------|
| State Aid | \$ 1,500.00 |
| Balance | 500.00 |

Health Report

Elwin J. Ladd, Town Clerk
Clarksville, N. H.

To the Citizens of Clarksville:

During the year 1957, four Salk Vaccine Clinics were held in Colebrook, sponsored by the N. H. State Department of Health, in cooperation with the local School Nurse, and the Superintendent of Schools. Fifty-seven children from Clarksville attended these clinics, 11 received first injections, 21 received second injections, and 25 received third injections. In June 1958 we will hold the last clinic in Colebrook, and I hope any who have not taken advantage of this opportunity to date, will do so at this time.

In the Spring of 1957, Triple Toxoid Clinics for the Immunization of Whooping Cough, Diphtheria and Tetanus, were held, and only three Infants received their series of 3 injections. We will again hold these clinics in 1958, and I would like to urge the parents of pre-school, and school children, to take advantage of these clinics, especially since none of your children received Booster injections last year.

It has been a pleasure to work with the Citizens of Clarksville, and at this time I would like to thank them for their cooperation, and at any time I hope they will feel free to call on me if I can be of any service to them.

Respectfully submitted,

ELEANOR D. KENNEY,
N. H. State Dept. of Health
Public Health Nurse
serving Coos County

December 30, 1957
