Commissioners' Report

To the Citizens of Grafton County :

Your Commissioners herewith submit the report for the year ending December 31, 1916, of the County Commissioners, Sheriff, Solicitor, Clerk of the Court, Jailer and Treasurer and the Auditors and Superintendent, Physician and Chaplain of the County Farm and a statement of the financial standing of the County at the close of the year.

We are gratified to report that Mr. and Mrs. Phillips are still in charge of our institution at Horse Meadow and that Miss Hemeon continues with them as nurse at the Hospital.

Their services are most highly appreciated by the Commissioners as well as by all who are in a position to appreciate the value of faithfulness and efficiency in these positions.

The inventory at the County Farm is larger than it has been before and the stock is the best that the County has ever owned. The herd of cattle is composed of registered and high grade Holstein and Durham with considerably more of the former.

Notwithstanding the increased cost of labor and supplies the Treasurer's report shows that our surplus was increased \$8,621.34 during the last year.

The valuation of the County property is as follows :

County Farm buildings and land	\$110,00 00
Jail	17,000 00
Woodsville Court House and land	32,500 00
Plymouth Court House and land	21,500 00
Equipment and furniture in the Court houses and personal property at County farm	50,000 00

You are cordially invited to inspect the property of the County and to visit the County Farm, and we trust that our management will meet with your approval.

Respectfully submitted,

ORA A. BROWN,
HARRY E. MORRISON,
GEORGE H. TURNER,
Commissioners.

Selectmen of Towns and Overseers of the Poor.

Your attention is called to the following extracts from the laws of 1903

CHAPTER 42, SECTION 1

SECTION 1. Any town or county furnishing any assistance to any person within six years preceding his death shall be entitled to recover from the estate of such persons the sum or sums paid out for such assistance, the said claim to be a preferred claim against his said estate after the payment of funeral charges, expense of last sickness and expenses of administration, provided he leaves no widow or minor children living at his decease.

CHAPTER 106, SECTION 1, as amended

"SECTION 1. No town shall be liable for the support of any person unless he, or the person under whom he derives his settlement, shall have wholly gained a settlement therein during the ten years preceding the last date of application for support; provided that no person having a settlement in any town in this state upon arriving at the age of seventy years shall lose that settlement on account of being exempt by law from paying a poll tax, if he still resides in said town."

CHAPTER 110, SECTION 1, last clause as amended

"Also to Chapter 67 of the laws of 1903, Chapter 84 of the Public Statutes, Chapters 1 and 71 of the laws of 1907, relating to paupers, and the following from Chapter 110, Public Statutes, relating to 'assistance to persons in quarantine.'"

SECTION 2. All expenses thus incurred, or such part thereof as the board may determine, shall be deemed a legitimate expenditure for the protection of the public health and shall be charged to the account of incidental expenses, but not to any indigent pauper account, nor shall such expenditure be construed to mean a public aid to the person or persons so quarantined and assisted unless such person or persons are already paupers as defined by the Public Statutes.

Total cost of supporting paupers at County Farm for the year ending December 31, 1916	\$13,627 13

In accordance with chapter 30, Section 1 Public statutes, the Superintendent of the County Farm shall make up his report to January 1, annually, and also Section 2 of said chapter requires that the Superintendent's report shall contain in addition a list of paupers actually supported at the farm and the number of weeks each was supported, also a statement of the average cost per week for each pauper with an explanation of the basis upon which said calculations were made.

The whole number of persons supported and partially supported for the year ending December 31, 1916 was 77. The number of weeks' board is ascertained by taking the number of days between the day of admittance and the day of departure of each individual and dividing that number by seven which gives the total number of weeks each was supported.

The whole cost of supporting paupers at the farm for the year ending December 31, 1916, was \$13,627.13. This sum divided by the whole number of weeks furnished, viz: 4021+ gives \$3.38⁺ as the price per week.

As each succeeding year rolls on we feel more deeply the debt of gratitude we owe to the Board of County Commissioners, Chaplain, Physician, and all connected with the institution who have so faithfully performed their duties in this work for humanity.

The inmates were generously remembered on June 9th by the W. C. T. U. and at various times throughout the year, especially at Christmas by kind friends to whom I extend my most sincere thanks.

Respectfully submitted,

HENRY C. PHILLIPS,
Superintendent.

We, the undersigned, hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the County of Grafton, for the year ending December 31, 1916, and find the same to be properly vouched and correctly cast.

ORA A. BROWN,
HARRY E. MORRISON,
GEORGE H. TURNER,
Commissioners of Grafton County

Chaplain's Report

To the Grafton County Board of Commissioners :

It is with pleasure that I present this my fifth annual report to your Honorable Body.

After these years of pleasurable service it is my candid and impartial conviction that all the departments of our County Farm life, are in the very best possible condition.

How could it be otherwise with such painstaking and sympathetic leaders at the forefront as our efficient Superintendent and Matron, Mr. and Mrs. Henry C. Phillips. In them we have two persons who are constantly looking for the material betterment and prosperity of the entire plant.

One is strongly impressed with the fact that above and beyond, all else their chiefest aim is the contentment, happiness, and moral uplift of all within the inner life of the home.

Whatever other activity is emphasized the spiritual part of the institution is not for a moment overlooked.

It has been my privilege to have free access to any place in the home where counsel, prayer and song were needed.

Once in two weeks a Sabbath service has been held in the attractive and homey chapel.

The attendance here has averaged not less than sixty per Sabbath.

On these occasions every possible help is given the Chaplain by our excellent County Farm Choir under the direction of Mrs. H. C. Phillips as leader and Miss Blanche Hemeon as organist.

Besides the many other pleasurable occasions which come to the dwellers of our home here throughout the year there are two events which everyone looks forward to with keenest

interest. The annual flower day in June by the W. C. T. U. when the visiting ladies and their guests carry cheer, sunshine and uplift to every part of the institution.

The Christmas exercises in the chapel when the discouraging things of life are forgotten and hearts made truly glad.

This year the presence of our County Commissioners who are always interested in the highest degree to make this a happy and prosperous home, the visitation of that much loved former Commissioner, Henry F. Hoyt, the recitals by Miss Luvia Mann of Woodsville, and the instrumental music by her nieces, made this an evening long to be remembered.

From two heavily laden trees came remembrances to each person present.

It would be impossible to state how much I have enjoyed working through all these years with Mr. and Mrs. Henry C. Phillips or to express the full pleasure of being associated with men of such excellent calibre as our County Commissioner.

The following is a brief summary of services held throughout the year :

Sabbath gatherings	25
Funerals	8

Respectfully submitted,

ALBA M. MARKEY

Report of County Physician

The physician-in-charge of the Grafton County hospital respectfully presents the following report for the year 1916 :

The record of the work of the hospital during the past year has been such that we allude to it with just pride. Many a stubborn illness has been successfully combated and many a patient nursed back to health by tender and solicitous care.

Our first aim has been the care of patients, but we have also endeavored to make the hospital cheerful, comfortable and homelike, which is particularly desirable since most of the patients are advanced in years and suffering from chronic diseases.

The improvements in construction and sanitation which were made three years ago have continued to be of increasing benefit and a tribute to the sagacity of the Board of Commissioners.

I desire to express my fullest appreciation of the cooperation of the Honorable Board of Commissioners, Superintendent and Mrs. Henry C. Phillips and also of the high character of the work of the nurse, Miss Blanche Hemeon.

The following statistics include only those cases who have occupied beds in the hospital, besides these there have been many out-patients in the Jail, House of Correction and Almshouse, who have been attended in their rooms or have come to the hospital for daily treatment.

Respectfully submitted,

ELMER M. MILLER,

County Physician.
