MARION L. KELLY

Marion Kelly was born in Woodland, Aroostok County, Maine. She received a Bachelor of Science Degree from the University of Maine in 1942. In 1970, Marion, her late husband Donald, and their three children moved to Newton from New Jersey after his retirement.

In 1972, Marion was appointed as a Selectmen's Clerk until being elected Town Treasurer in 1973. She has since been re-elected for four consecutive three year terms.

Marion Kelly's active pace includes being: a Board Member for Child and Family Services from 1979 - 1986, Treasurer and Sunday School Teacher with the First Baptist Church for five years, a member of the Ladies Aid Society, and a member of the League of Woman Voters from 1960 - 1973.

Marion is a dedicated and conscientious employee who has fulfilled her obligations to the highest of standards and provides a valuable service to the citizens of Newton.

WE THANK YOU FOR ALL THAT YOU HAVE DONE FOR OUR COMMUNITY!

TOWN WARRANT

1986

The State of New Hampshire Town Warrant

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:30 P.M.

To the inhabitants of the Town of Newton, N.H., in the County of Rockingham, in said State, qualified to vote in Town Affairs: you are hereby notified to meet at the Town Hall, in said Newton, on Tuesday, the eleventh day of March next, at ten o'clock in the forenoon, to choose all necessary Town Officers for the ensuing year by official ballot, and to take other action required to be inserted on said ballot; the polls to be open at ten o'clock in the forenoon and to close not earlier than seven-thirty o'clock in the evening, and thereafter to reconvene at the Sanborn Regional Middle School in Newton, on Wednesday, March 12, 1986, at seven o'clock in the evening for the purpose of acting upon all other matters to come before the Meeting.

1. To choose all necessary Town Officers for the year ensuing.
2. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

To amend Section XIII General Provision Zoning Ordinance as proposed by the Newton Planning Board:

No junkyard or place for the storage of discarded machinery, vehicles, or other scrap materials shall be maintained in any Residential Zone. In Commercial or Industrial Zones junkyards may be allowed only after Planning Board Site Plan Approval. Licensing approval shall be in compliance with RSA 236-111 thru 129 inclusive related thereto.

3. Are you in favor of the adoption of Amendment No. 2 as proposed by petition of the voters for this town?

Upon petition of 25 or more registered voters, are you in favor of amending Section XII, Industrial Zone area regulations, Article 2; of Newton, New Hampshire Zoning Ordinance to:

2. All site plans shall be submitted to the Planning Board and to the Industrial Development Commission. Commencement of any construction shall be subject to local, State and Federal Regulations and shall be contingent upon review and final approval of the site plan by both the Planning Board and the Industrial Development Commission.

The Newton Planning Board disapproves of this amendment.

4. Are you in favor of the adoption of Amendment No. 3 as proposed by petition of the voters for this town?

Upon petition of 25 or more legal voters, are you in favor to change the zoning classification from Residential "A", presently a two family, to Developer's zoning of the property currently known as the Madore property. Deed description as follows:

Northerly, Easterly and Westerly by land of Oscar F. Hoyt,

now or formerly; Southerly by the highway leading from Newton Junction to Newton Village, and known as Highland Street. Containing three and one-half (3½) acres, more or less.

The Newton Planning Board disapproves of this amendment.

5. Are you in favor of the adoption of Amendment No. 4 as proposed by petition of the voters for this town?

Upon petition of 25 or more legal voters, are you in favor of rezoning a tract of land 11.13 acres bordered by Bartlett Street and the B & M Railroad presently owned by Mrs. Laura Day from Industrial to Residential A?

The Newton Planning Board approves of this amendment.

6. Are you in favor of the adoption of Amendment No. 5 as proposed by petition of the voters for this town?

Upon a petition of 25 or more legal voters, are you in favor of adding the following to Section XI, Industrial Zone Uses, of Newton, New Hampshire Zoning Ordinance?

The following are uses allowed in an Industrial Zone with Planning Board Site Plan approval:

- 1) Business and professional offices and data processing facilities.
- 2) Research laboratories and related facilities for research, development and testing including prototype production facilities or the related assembly of high technology equipment or components, but excluding biological or chemical laboratories, accessory production facilities shall not exceed forty (40) percent of the gross floor area of such structures.
- 3) Heavy equipment and heavy distribution and sales including the repair and maintenance of said equipment.
- 4) Temporary structures provided the permit for such use shall be limited to a term not to exceed ninety (90) days and a bond is posted to ensure removal.
- 5) Lumber yards, lumber and contractor storage and sales.
- 6) Hospitals including psychiatric hospitals provided that said hospitals shall have received a certificate of need from the State of New Hampshire but excluding psychiatric hospitals for the care and treatment of the criminally insane.
- 7) Any commercial use as defined under Section IX, Commercial Zone Uses, of Newton's Zoning Ordinance.
- 8) Any customary accessory uses incidental to above, including parking and parking structures, support and maintenance shops, concessions and services located within a principal building with no exterior evidence of such concessions and services, and recreational facilities for the use of employees in Industrial Districts.

Any other Industrial or Commercial Use, not specifically defined in items one thru 8 (1-8) above, shall be allowed only after Planning Board Site Plan approval, then be placed on the official Town Ballot for town vote. Voter approval is required.

Where an Industrial Zone Use is to be resolved by both Planning Board Site Plan approval and Town vote, abutters of zone have the

right to file a "Protest Petition" as defined in RSA 675:5. When "Protest Petition" is filed, Town votes for approval must exceed 2/3 of total cast.

The Newton Planning Board approves of this amendment.

7. On petition of ten or more legal voters, to see if the Town will vote to adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000.

8. To see if the Town will vote to approve the formation of a Solid Waste Management Planning Committee to fulfill the requirements and responsibilities set forth in N.H. RSA 149-M:13 and N.H. RSA 149-M:17.

I. Said Committee's responsibilities shall be to:

- a) Select a name for the committee.
- b) Select committee officials (i.e. chairman, vice-chairman, secretary, treasurer, etc.).
- c) Set up a guideline to meet the requirements of N.H. RSA 149-M:13 and N.H. RSA 149-M:17 specifically and N.H. RSA 149-M in general.
- d) Prepare and submit a budget to implement guideline articles.

II. Said Committee's membership shall consist of 11 members, who must be residents of the Town of Newton. Members are to be selected by the following procedures:

- a) 3 members are to be appointed by the Newton Selectmen in the following manner:
 1. Initially - three members appointed from the town, one to serve a one year appointment, one to serve a two year appointment and one to serve a three year appointment.
 2. When an initial term expires, it shall be replaced with an individual and this term shall expire three years from appointment date.
- b) 4 member positions shall be filled by one representative of each of the following Boards:
 1. Newton Conservation Commission
Newton Board of Health
Newton Planning Board
Newton Selectmen
 2. The above mentioned Boards may select, change or rotate their representative at any time and in any manner.
 3. The representatives of the above mentioned Boards shall not be allowed to serve as Chairman, Vice-chairman, Secretary, Treasurer, or any other official position of said committee.
- c) The town's official representative to the Southeastern Rockingham County Solid/Sanitary Waste Management District (S.R.C.S.S.W.M.D.) shall be a member ex-officio of said committee. The district representative shall be granted all committee membership rights exclusive of voting and the ability to hold an official position.

III. Said Committee's system of voting shall be as follows:

- a) Each member shall have one equal vote with the exception of the S.R.C.S.S.W.M.D. representative having none.
- b) A quorum of at least five voting members must be present to vote on any item.
- c) An item shall be considered passed, adopted, or approved if greater than fifty percent of the present voting members approve the item.

9. To hear reports of Town Officers and pass any vote relating thereto.

10. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes.

11. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by Tax Collector's deed by public auction (or advertised sealed bid) or in such manner as determined by the Selectmen as justice may require.
RSA 80:42

12. To see if the Town will vote to authorize the Selectmen to sell any property of the Town, excluding Real Estate, not used for public purposes by advertised sealed bids.

13. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-B.

14. To see if the Town will vote to appropriate and authorize the withdrawal from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon:

Appropriation	Amount

18. To see if the Town will vote to accept and expend State of New Hampshire Highway Block Grant Aid in the sum of \$33,306.06 for the maintenance, construction and reconstruction of Class IV and Class V highways.

19. To see if the Town will vote to raise and appropriate a sum not to exceed \$4,500.00 for the construction of a fire pond and dry hydrant at 74 Pond Street.

20. To see if the Town will vote to raise and appropriate the sum of \$11,500.00 to be used for renovations to the Town Hall Auditorium.

21. To see if the Town will vote to raise and appropriate the sum of \$750.00 to pave the driveway to the new addition of the Central Fire Station.

22. To see if the Town will vote to raise and appropriate the sum of \$800.00 to paint the trim on the Central Fire Station.

23. To see if the Town will vote to raise and appropriate the sum of \$4,650.00 to renovate part of the second floor of the Gale Library as a Children's Room, and to do necessary chimney repairs.

24. To see if the Town will vote to raise and appropriate the sum of \$2,100.00 for the purpose of having Rockingham Planning Commission, in conjunction with the Town Planning Board, develop a Capital Improvements Plan for the Town of Newton.

25. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be placed in a Capital Reserve Fund to be used for the future purchase of Police vehicles and equipment for said vehicles.

26. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to be placed in a Capital Reserve Fund to be used for the future purchase of fire apparatus and equipment.

27. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the future addition to or renovation of the Gale Library.

28. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be placed in a Capital Reserve Fund to be used for the construction of "Future Town Buildings".

29. To see if the Town will vote to pay the Deputy Fire Chief a salary of \$1,500.00.

30. To see if the Town will vote to raise and appropriate the sum of \$3,868.00 as their share of the budgeted 1986 costs associated with the Southeastern Rockingham County Sanitary/Solid Waste Management District as required under N.H. RSA 149-M.
31. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to be used to sample and analyze water in Country Pond during the summer months of 1986. This monitoring is to occur per the recommendation of the State of N.H. Division of Public Health Service as cited in the Health Risk Assessment for Recreational Activities, Country Pond, New Hampshire.
32. To see if the Town will vote to authorize the Conservation Commission to expend up to \$4,500.00 of its Special Survey Account money accrued from the woodcutting program for the purpose of surveying the Town-owned Stronach property (so-called). All work will require a minimum of three (3) sealed bids.
33. To see if the Town will vote to raise and appropriate the sum of \$3,420.20 for the support of the work of the Center for Life Management.
34. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for membership in the Family Mediation Program of Southern Rockingham County.
35. To see if the Town will vote to raise and appropriate the sum of \$1,409.00 to assist the Rockingham County Community Action Program.
36. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the purpose of defraying costs incurred by A SAFE PLACE / Seacoast Task Force on Family Violence, a private, non-profit organization, in providing emergency shelter and support services for battered women and their children to the residents of Newton.
37. On a petition of ten or more legal voters, to see if the Town will vote to raise and appropriate the sum of \$1,000.00 to keep the Vic-Geary Center open and to keep the hot noon meals and meals on wheels operating out of there. Due to changes this fall, The Vic-Geary Center is no longer self-supporting; and needs additional funds to keep it open. The site services the following towns: Plaistow, Atkinson, Hampstead, Newton, Kingston, Danville, and Sandown. Last year out of the Center, the Program provided 21122 meals, 8596 at the Center, and delivered 12526 to the area's homebound. 284 area elderly from all 7 towns received meals and services. Over the year, from the Town of Newton that included 27 people going to the Center, and 20 receiving meals on wheels in their homes.
38. To see if the Town will vote to raise and appropriate the sum of \$500.00 as a contribution for the expenses incurred by the Vic-Geary Center.
39. To see if the Town will vote to raise, appropriate and authorize the Selectmen to expend up to \$2,000.00 for consultant fees to develop a Matrix System of wages & job descriptions for Town employees.

40. To see if the Town will vote to raise and appropriate the sum of \$646,463.59 to defray Town charges for the ensuing year, including all charges as shown in the Town Budget as posted with the Town Warrant.

41. To see if the Town will vote to adopt the written Welfare Guidelines as proposed by the Board of Selectmen. Chapter 380 of the Law of 1985 requires the Town to adopt written Welfare Guidelines prior to April 1, 1986.

42. On a petition of ten or more legal voters, to see if the Town will vote to designate Thornell Road a scenic road as provided under the State Law RSA 231:157 and RSA 231:158.

43. To see if the Town will vote to accept all new streets and roads that have been completed, met all Town specifications and have been approved by the Road Agent.

Roads included are: Csongor Drive, Kerry Drive and Priscilla Lane.

44. We, the undersigned, being legal voters in the Town of Newton do hereby petition the Board of Selectmen of that town, to place the following article on the warrant for the 1986 annual meeting.

HIGH LEVEL RADIOACTIVE WASTE WARRANT ARTICLE

To see if the town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the town of Newton and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the US Department of Energy's (DOE's) present plan to dispose of radioactive waste and into the DOE's competence to carry out such a plan.

- - - - -

The record of the vote on this article shall be transmitted to the Governor of New Hampshire, the New Hampshire Congressional Delegation, and to the President of the United States.

45. To transact any other business that may legally come before the meeting.

Given under our hands and seal this 10th day of February in the year of our Lord nineteen hundred and eighty-six.

Article 2. Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

6. INTERIM GROWTH MANAGEMENT SECTION XIII

A. Authority and Purpose

Pursuant to RSA 674:23, the Town of Newton hereby enacts Interim Growth Management Regulations for the period of one year commencing from March 12, 1985. The purposes of this Article are:

1. to insure that the rate of growth of the Town experienced in the coming year does not unreasonably interfere with the

Town's capacity for planned, orderly expansion of its services to accomodate such growth and,

2. to provide time for the Town to update the Master Plan and develop a Capital Improvement Program and growth management process under RSA 674:22.

B. Definition

DWELLING UNIT - means a building or that portion of a building consisting of one or more rooms designed for living and sleeping purposes, including kitchen and sanitary facilities and intended for occupancy by not more than one family or household.

C. Regulations

1. Permits for non-dwelling construction, or permits for the expansion, alteration or replacement of existing dwelling units shall be exempt from the provisions of this Article.
2. Subdivisions consisting of two building lots or less are exempt. These subdivisions may be issued up to two (2) building permits total in this period.
3. The maximum number of building permits issued for the construction of new dwelling units shall be limited to twenty-seven (27) for the period in which the Interim Growth Management Regulations are in effect.
4. A separate building permit shall be required for each dwelling unit proposed for construction.
5. Permits for new dwelling construction shall be granted according to the following schedule:

March -- 2 permits	August -- 3 permits
April -- 3 permits	September -- 3 permits
May -- 3 permits	October -- 2 permits
June -- 3 permits	November -- 2 permits
July -- 3 permits	December -- 1 permit
	January -- 1 permit
	February -- 1 permit

In the event that less than the allotted permits are issued in any month, the unused permits shall be applied to the following month's allotment.

6. Permits shall be issued on a lottery basis; lottery to be conducted at the second Selectmen's Meeting of each month. No building permit shall be granted under this Article until the Building Inspector has determined that the proposed construction complies with all other applicable regulations and ordinances of the Town.
7. In the event that an application is selected for a multi-dwelling structure, sufficient permits shall be issued for completion of the number of units in the structure. Where such issue exceeds the monthly allowance, the exceeding number shall be issued and withdrawn from last eligible months of above schedule. Under no circumstances shall total number of permits under this regulation exceed twenty-seven (27).

YES 409

NO 210

Article 3. Are you in favor of the adoption of Amendment No. 2 as proposed by petition of the voters for this town?

To allow the Planning Board to regulate the conversion of undeveloped areas, currently zoned residential, in land areas of not less than several contiguous acres and with soil quality and slope conditions in compliance with state and federal guidelines to allow construction of cluster type housing such as townhouses, condominiums or other cluster-type dwellings (excluding multiple dwellings of the rental/lease type) to be consistent in all other respects with town zoning and building rules and regulations. This amendment to be otherwise consistent with all other regulations and rules applicable.

The Newton Planning Board disapproves of this amendment.

YES 203 NO 429

Article 4. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

Under Town Zoning Regulations Section XIII add, "The Board of Selectmen may issue temporary trailer permits in Residential and/or Commercial Zones (not Industrial Zones), only if house is rendered uninhabitable for any reason."

"Total length of time for all permits shall not exceed nine months. The Board of Selectmen have the authority to revoke subject permit if reason or reasons for issuance have ceased."

YES 516 NO 130

Following the counting of the ballots, the meeting was adjourned until Wednesday, March 13, 1985 at 7:00 PM at the Sanborn Regional Middle School.

The meeting was called to order by the Moderator at 7:10 PM. Results of the voting on Tuesday were read.

Article 5. To hear reports of Town Officers and pass any vote relating thereto.

Moved and seconded.

Mr. William Baker noted that on page 2 of the Town Report, the Fire Chief for 1984 was Roland D. Estabrook.

Mr. John Marden questioned the Police budget as having paid Estabrook's Garage \$8,375.30. Officer Marino answered that \$6,669.00 was for gas and the remainder was repairs. He would like a more detailed report in the future.

Mr. John Swasey asked that the Report contain an index as opposed to a table of contents.

The article was approved by voice vote.

Article 6. To see if the Town will authorize the Board of Selectmen to borrow money in anticipation of taxes.

Moved and seconded. Carried by voice vote.

Article 7. To see if the Town will vote to authorize the Board of Selectmen to transfer tax liens and convey property acquired by Tax Collector's deed by public auction (or advertised sealed bid) or in such manner as determined by the Selectmen as justice may require. RSA 80:42.

Moved and seconded. Carried by voice vote.

Article 8. To see if the Town will vote to authorize the Board of Selectmen to sell any property of the Town, excluding Real Estate not used for public purposes, by advertised sealed bids.
Moved and seconded. Carried by voice vote.

Article 9. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-B.
Moved and seconded. Carried by voice vote.

Article 37. Mr. Swasey took up this article at this time for the convenience of the speaker for the Center for Life Management.
To see if the Town will vote to raise and appropriate the sum of \$3,336.90 for the support of the work of the Center for Life Management.
Moved and seconded. Carried by voice vote.

Article 10. To see if the Town will vote to appropriate and authorize the withdrawal from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon.

Fire Department	9,000.00
Highway Maintenance Summer	4,500.00
Winter	4,500.00
Total	<u>\$27,000.00</u>

Moved and seconded. Carried by voice vote.

Article 11. To see if the Town will vote to grant a discount of 2% on property taxes if paid within fifteen (15) days of the date of tax bill.
Moved and seconded. Carried by voice vote.

Article 12. To see if the Town will vote a twenty-five cent (.25) per hour increase for all Town employees as included in the printed budget, effective March 1, 1985.
Moved and seconded. Carried by voice vote.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 as included in the Police Budget, in order to increase the Police Chief's salary from \$17,000.00 to \$20,000.00 per year.
Moved and seconded.

REPORT OF THE FINANCE COMMITTEE

The Finance Committee again met with the departments to review their budgets for the year and the following are our recommendations.

ARTICLES REVIEWED FOR 1986

- #16. The employees pay raise of .25¢ per hour, which is less than 5% is highly recommended.
- #17. We recommend that the Town Elected and or Appointed Officials seeking a pay increase should receive only a 5% increase until a Matrix System has been developed.
- #20. Renovations to the Town Hall: Rather than make a recommendation on the expenditure of monies for the renovation of the Town Hall, we are recommending that the Selectmen review the necessity and priority of work to be done.
- #25. Capital Reserve Funds: We recommend the Capital Reserve
- 28. Fund for Police, Fire and Gale Library be approved.
We feel the fund for Town Buildings be more specific as the Library, which is a Town Building, has a Capital Reserve Fund of its own. And also, to state if the fund is to build a new building or for renovations or both.
- #39. Matrix System is recommended.
- #19 Fire Pond is recommended.
- #21. Paving of added drive at fire station is recommended.
- #22 Painting trim on fire station is recommended; cost is questionable.
- #31. Testing of Country Pond is not recommended.
- #34. Mediation Program is not recommended. The State will pay cost of court ordered referrals.
- #35. Rockingham County Community Action is recommended.
- #36. A Safe Place is recommended.
- #33. Center for Life Management is not recommended. Duplication of services.
- #37.
- &38. Vic-Geary Center not recommended.
- #29. Deputy Fire Chiefs Salary. It is the recommendation of the Finance Committee that the Deputy Fire Chief receive 50% more per hour than regular fire fighters instead of a salary.

Police Budget: It is recommended that the Lieutenants pay be limited to the 5% increase recommended for all employees. The overtime pay should be decreased by 50% and the monies for training be utilized to train officers to cover the expertise of the full-time officers.

Library Budget: We are not making a recommendation on the Library Budget, but we bring to your attention the fact that with the Warrant Article to renovate the upper hall, their budget is up 30% over last year and that salaries are up 10%.

We do not recommend an assistant for the Health Officer because we received no information to warrant one.

Respectfully submitted,
Newton Finance Committee

REPORT OF THE CHIEF OF POLICE

As I look back over 1985 I can see that the growth in the town has had a dramatic effect on the Police Department. By reviewing the recapitulation at the end of the statistical data, we see that the demand for police service has increased 33%. Naturally, that increase places a much greater demand on the Police Department. However there are other factors and changes which increase the responsibilities and work load of the Department. The trend throughout the country, which is clearly apparent in Newton is changing the nature of the police function and its role in the community. Citizens are requiring more social service functions of their police. This creates new problems and requires new training and techniques. When citizens receive assistance from police officers, the officers have an opportunity to build a bridge between them and the public.

The policy of the Newton Police Department since 1983 has been to provide a wide range of human services, many of which are unrelated to crime prevention and crime control. This policy holds that real police work includes assisting the injured, counseling victims, calming landlord tenant disputes, assisting people that are distressed and helping in a number of other situations in which people's lives are endangered or merely inconvenienced. In summation, the officer on patrol is being viewed as the professional who safeguards the health and welfare of the social body. Today more than ever the traditional police role is changing.

It is clear that this change in the public's perception of the police officer's function created a new challenge to provide the best service possible within traditional budget restraints. In viewing the proposed 1986 budget we tried to anticipate and project the continuing growth of the community. For example, in reviewing the calls for service between midnight and 8:00 a.m. we find an increase of 65%. In addition, over the last year the social service-oriented calls require increased man hours. The 1986 budget reflects a 28% increase. Given the current tax rate, the total Police budget represents \$1.78 per assessed \$1,000.00. That figure represents a cost to the average homeowner of \$8.16 per month for police service which is available to you 24 hours a day.

Dollars and cents and changing roles notwithstanding, I feel I would be remiss if I did not acknowledge the outstanding contributions of the dedicated and loyal employees of your Police Department. They are Lieutenant Kathleen Marino, Sargent William Murphy, Corporal Robert Rubino, Officer Stephen Cushing, Officer Richard Platts, Officer Richard Gordon, Police Clerk Sue Sheppard and Matrons Brenda Cook and Norma Moore.

NEWTON FIRE DEPARTMENT

This is my first report to you as Fire Chief.

The men and women of the department continue to train for the emergencies that we are called upon.

The total number of calls answered by the department was up from the previous year. It has been stated in past town reports how many of these calls could have been prevented, with properly working smoke detectors, properly installed appliances, safety checks of your home, and good common sense in teaching the family the hazards of fire. In case of a fire, have your family meet at a designated area safely away from the building.

Please remember the emergency phone number, 382-5212, is for emergencies only. All other calls must go through the fire department business number, 382-8811.

In calling for assistance, please help us by giving your name, house number, and street. Have someone outside to make sure we are at the right location. Give the fire department personnel any information you can.

During the past spring, the fire department spent many hours extinguishing woods and brush fires, defective railroad and off the road vehicles, and careless disposal of smoking material were the causes of these fires.

The Central Fire Station received a 14' x 45' building addition. This addition was constructed and donated by the Newton Fire Company.

The Newton Junction Fireman's Association also donated two pieces of equipment: a roof ladder for Engine 2 and a strobe light control box for Forestry 3.

I would like to thank these organizations for their generous gifts given to the Town of Newton. Also I must say thanks to the members of the department for their help given me during my first year as Fire Chief.

Respectfully submitted,
Robert Davenport, Jr.
Fire Chief

GALE LIBRARY
TRUSTEE'S REPORT

1985 has been a good year for the Gale Library, continuing our policies of broadening and strengthening our programs and services, and maintaining our building so that it continues to serve the community's needs most efficiently. The trustees' heartfelt thanks go to all of the staff members: Irene Nally, Susan Peterson, Betty Standing, Marie Carrabba, Jean Grogan, David Waltz and Ruth Bragg, for their creative, caring work in 1985.

This year, the handicapped ramp at the rear of the building and the front stairway were repaired, and the Gale and Lovering Trust Fund monies were used to carpet the entry and work areas of the first floor.

In 1986, the Library is planning to renovate the Trustees' Room on the second floor, currently an inefficient L-shaped room, into a large square room to be used as an area for the youngest children. Using this room as a children's room would give much-needed space on the first floor for a quiet place so adults wishing to read or do quiet research at the library could do so. We feel that the added space will delay the need for an addition for a few more years. This area is the last place in the building which is not used to its best advantage. It could also be used as a small meeting room, and for story hours, movies, and as a reading room. A warrant article covering the cost of this renovation will be considered at Town Meeting.

The trustees are also asking for another \$5,000 addition to the Library's capital reserve fund. After meeting with the Master Plan Committee, and using population projections from Rockingham Planning, and Library Space Needs Standards, we are developing our plans for facilities necessary for the next ten years. Current projections suggest that between five and ten years from now, population growth and demand for Library services will make an addition necessary.

In 1986, the Gale Library will actively pursue membership at the entry, or "Associate" level in the Statewide Library Development Program under their new standards. The membership will make the Library eligible for available State and Federal assistance.

The Gale Library is a strong public library today because of the caring and support of Newton's townspeople. We thank you all.

GALE LIBRARY

This year, at Gale Library our primary aims were to continue to improve services, to add to the reference collection judiciously, and to ascertain the scope and breadth of the collection. We feel that we were successful in all three. Response to the Young Adults', the Children's, and the Adult collection has been positive. As you can see by the statistics, not only has the circulation count risen; but the number of new patrons has increased. We certainly appreciate your enjoyment of the library facility and thank you for your support. An active library is an excellent measure of the community it serves.

In book purchases, reference resources were a major consideration. Reference volumes are expensive and it is difficult to keep an accurate record of the number of times they are used but they are the core of a good collection. Though Gale Library is small, we want to be able to provide information and answers for as many questions as you have. The reference collection, while not complete, has been updated, and new resources have been added while out-of-date materials have been weeded.

Finally, in order to accurately measure the collection, we took inventory of the entire Adult section. Library staff gave up one entire weekend to check each book on the shelves against the master catalog. In the process, we discovered that there are many volumes missing and that there are many volumes that had not been cataloged according to the present system. This is by no means an indictment of past practices; it is merely a fact of life in all libraries. We plan to inventory all collections at least every two years to keep track of the volumes we have as well as to examine and evaluate every book for its place in the collection and its condition.

Our goals for the coming year are to continue to offer our patrons the information and resource services they require and to provide the recreational reading materials they enjoy. We also hope to increase our efficiency and to fully utilize every available space option in our lovely building. We also hope to see all of you at the Gale Library.

INDUSTRIAL DEVELOPMENT COMMISSION

The Industrial Development Commission met four times in 1985. The veteran members were pleased to welcome Dr. William Branting and Selectman William Cook as new members. Russell Estabrook, Jr. was appointed an alternate member also.

Inquiries about the Industrial Zoned areas of town were addressed by the Board and taken under consideration. No action initiated by the inquiries necessitated any further performance from the Board.

REPORT OF ANIMAL CONTROL OFFICER

In November, 1985, I was appointed your new Animal Control Officer. My name is Judith Sargent and my phone number is 382-8144. I am looking forward to assisting you in any problem you may have relating to animals. I am asking for your help and co-operation as it will make your life a lot happier and my job a lot easier. If we work together, we can get the job done. Thank you.

There have been 365 dogs licensed for 1985 and my goal for 1986 is to have all dogs licensed. Court summons will be served to all dog owners who do not license their dog(s).

REPORT OF BUILDING INSPECTOR

To the residents of the Town of Newton:
Building permits for new homes have increased from 25 in 1984 to 32 in 1985. All other permits have gone from 46 in 1984 to 73 in 1985. An increase in total permits of 33%, showing a general trend toward suburban living. Newton has not been affected by this trend as greatly as other surrounding towns. However, the saturation of other towns will and has caused the value of buildable land to rise and subsequently the sale of valuable property in Newton for residential construction. We can expect this trend to continue and will require the establishment of a more comprehensive building code in the near future, addressing the basic aspects of public safety in the building environment such as; Structural Safety, Fire Safety, Facilities for Public Health, and Orderly Community Development.

Thank you

REPORT OF MASTER PLAN COMMITTEE

New Hampshire RSA 674:3 states: "The Master Plan shall be made with the general purpose of guiding and accomplishing co-ordinated and harmonious development which will, in accordance with existing and probable future needs, promote health, safety, order, convenience, prosperity, or the general welfare as well as efficiency and economy in the process of development".

The Master Plan includes objectives, present and future, land use proposals, housing needs, transportation and public service requirements, community facilities (schools, libraries, historic sites, etc.) recreational facilities, conservation requirements and the foundation for capital improvements. In summary, the Master Plan is a tool to guide Newton from the present into the future.

During 1985 the Newton Master Plan Committee delivered approximately 2,300 citizen surveys asking for citizen input. We received back approximately 350. Many of our meetings were spent reviewing and tabulating these surveys. The results of these surveys became the foundation of the Master Plan.

On June 29, members of the committee attended a Master Plan Seminar given by the New Hampshire Municipal Association.

With the assistance of Geri Weiseman, Assistant Director of the Rockingham Planning Commission, the committee has developed drafts of the following sections:

- 1) Community Profile
- 2) Tabulation of the Community Survey
- 3) Goals & Objectives
- 4) Housing
- 5) Roads and Transportation
- 6) Community Facilities
- 7) Cultural & Historic Resources
- 8) Existing Land Use Section & Map
- 9) Recreation / Open Space
- 10) Natural Resources

We will be working on the draft for Future Land Use in early 1986.

Public Hearings were held with various Town Officials dealing with Community Facilities. These hearings gave valuable information that will be reflected in this section.

The committee anticipates completion of the Master Plan by early spring. Citizen input is welcome and needed. Please attend our meetings.

Respectfully submitted,
Anthony S. Pennisi, Chairman

NEWTON PLANNING BOARD REPORT

The Newton Planning Board held 33 meetings; 23 of which were Public Hearings and 4 were work sessions.

Seven plans were presented for subdivisions and were approved and signed. There were a total of 14 lots released for building, five of which were from subdivisions of a previous year. One subdivision of 10 lots has approval pending a Road Bond, at which time the lots may be released. There were 2 subdivision applications returned to applicants. Two plans of transfer of land were signed for recording purposes. One proposal for a non-commercial Residential A Junk Yard permit was denied.

Other areas of work attended to by the Planning Board members were:

- 1) Work in conjunction with the Selectmen's Office to incorporate the Wetlands Zoning Ordinance, Zoning Ordinance and Building Codes into one booklet.
- 2) Review and amend the Excavation Regulations.
- 3) Draft revisions of the Subdivision Regulations.
- 4) Contract with Rockingham Planning Commission to guide the Master Plan process.
- 5) Redraft the Junk Yard Zoning Ordinance, which will be voted on in March 1986.
- 6) Review all draft copies of Master Plan work.

There were 5 Non-Residential Site Plans submitted. Two were denied, one received conditional approval, one placed on file and one was approved. There is one Non-Residential Site Plan requested by the Planning Board which remains outstanding.

In the past, the Planning Board was able to hold work sessions every other meeting date, however, the work load has increased so that we can no longer do this. The number of subdivisions has held constant, yet as the process becomes more sophisticated, and in an effort to protect the wetlands and consider soil types, time is expended - time well spent.

Another area of meeting time used is the Non-Residential Site Plan Review process. It's an exhaustive process that takes many hours to complete. The framework to process a plan is a working tool, which could use some updating when time allows, yet as the Planning Board uses this tool we become more aware of the fact that the enforcement requires exceptional vigilance and perseverance for the process to become successful.

Elections were held on June 11, 1985. Kip Kaiser was voted Chairman; Leo Axtin, Vice-chairman; Suzanne Ryan, Secretary. Kenneth Pelletier and Steven Anderson resigned. Charles Melvin was voted a full-time member. An application from the Planning Board for the appointment of an alternate member was sent to the Selectmen and was denied.

There are many challenging and difficult land-use issues facing the Planning Board and Newton's residents. It is a fact that towns all around Newton are facing the chain reaction of events that occur with rapid growth, growth that is at our doorstep. We must work together to prepare for this growth and not just react. We must work together as townspeople who care, to preserve Newton's future.

The Board meets the 2nd and 4th Tuesdays of the month at 7:30 PM in the A. Marian Hatch Building, 22 South Main Street. The Board looks forward to your support and participation at our meetings; all meetings are open to the Public and your input is very valuable to the overall decision-making process. Please feel free to come and participate.

Suzanne Ryan, Secretary

RECREATION COMMISSION REPORT

Last year the Recreation Commission enlarged the facilities at both the town beach and the Heath Street recreational areas.

The town beach was thoroughly cleaned, a new raft was provided, two chemical toilets were put on the premises, and two outdoor all weather picnic grills were cemented into the ground to provide all day functions at the beach.

The Heath Street area was also cleaned and a chemical toilet was provided for that area. The ball field has a good start now, at being in order for use as we have a group that would like to start using it in the spring. A new playground has been started at this area which now includes a sandbox, a swing set, and a coil spring aluminum animal for the little tots.

In the coming year, we hope to add to both areas by having a lifeguard at the town beach as well as another outdoor charcoal grill. At the Heath Street area we are hoping to enlarge the new playground and finish (if possible) the ball field, and install another outdoor grill for the use of anyone who wants to enjoy a day out-of-doors.

The townspeople as a whole, used the facilities of both areas quite extensively last year and we hope for their continued support and enjoyment.

I would like to especially thank those people in town who have helped to make the programs a success. Robert Bartlett, who built the new raft for the beach; Ginny Bartlett, for her help with the Swim Program, and Skip Cheney for his help at the town beach.

I would also like to thank the Downs family for their gift of a jungle-gym which will be erected at the Heath Street area and also the Sanborn Regional School District for their donation of a set of see-saws.

As in the past few years, we again have financially supported the Summer Youth Program (NCYP).

Respectfully submitted,
Leslie Hollinrake, Chairman

NEWTON CONSERVATION COMMISSION REPORT

There have been several changes in the Newton Conservation Commission in 1985 with the resignation of two members and the addition of two new ones. The Commission regretfully accepted the resignation of Peter Colby and Ronald Skovron. Frank Dluzniewski and Edward Foy have been appointed and we welcome them.

Peter Colby was Chairman in 1985, but because of having to spend time in and out of the hospital, he felt he could not do justice to the position. Ronald Skovron has been a member for a number of years and agreed to resume the chairmanship when Peter left. Then to our dismay found the press of business would not allow him to continue. We hope both of these gentlemen will be able to return to the Commission soon. Both have been diligent and hard working on behalf of the Town.

Peter Mears was voted the new Chairman. Peter was one of the youngsters sent to Conservation Camp by the Commission and has attended Commission meetings regularly since. When he reached voting age, the Selectmen were asked to appoint Peter to the Commission. We are thankful for Peter's work and look forward to many more years of his service.

The Town property bounded by Maple Avenue and Currierville Road has been surveyed. Funds for this survey were provided by the tree-cutting program.

The firewood program was postponed until more definite boundaries were determined, so the Commissioners have been walking bounds with adjacent property owners. The project has now been reinstated.

Clean-up Day was spread over several weeks because of rainy Saturdays last spring. The Commission expresses much appreciation to all who helped, especially to those who drove their trucks and to those who helped on the trucks in spite of the rain. Also, our thanks goes to Ken Blackden and the Boy Scouts who are ever ready to lend a hand.

Several meetings were held in conjunction with other Town Boards and an increased effort of cooperation and coordination is realized.

Respectfully submitted,
Myrtle B. Rogers, Secretary

Budget proposal was for \$485.00. The 1985 tree planting program was cut because there were no trees available from the State Nursery. There were no youngsters interested in going to camp in 1985.

Received from Town \$250.00

Expenditures:

Clean-up day	\$ 6.00
Mowing Triangles	55.00
Phone Calls	1.65
N.H. Assoc. of Conservation Com.	95.00

HEALTH OFFICER REPORT - 1985

During 1985, many health related issues faced the Town of Newton. We continued to observe actions taken by State and Federal Government as it pertained to the hazardous waste site in Kingston and how chemicals from this site may effect Country Pond and neighboring wells. We will participate with the Town of Kingston and the State to continue to monitor the lake for recreational uses.

Along with 12 other local towns, we have begun the process to plan for short and long term disposal of solid waste and septage. Last May we participated in the 1st annual Homeowner's Hazardous Waste Day, held in Southern Rockingham County. As part of our town's effort to deal with waste, the Selectmen appointed an advisory committee to examine Newton's situation. At Town Meeting we will ask you to formalize this committee.

Plans are in the works to hold several public meetings this year to address health issues within the Town of Newton. Many areas of concern to residents of Newton have been addressed over the past year:

Septic System Repairs - 16	Food Poisoning - 1
Septic System Complaints - 6	Neighbor Complaints - 13
Dog Bites - 7	Landlord Complaints - 11

ROCKINGHAM COUNTY COMMUNITY ACTION PROGRAM, INC.

Rockingham County Community Action Program, Inc. is a private, non-profit agency which has been dealing with the needs of low-income people since 1965. Our activities are of two kinds:

- (1) those directed at serving immediate individual needs, and
- (2) those designed to involve communities in developing solutions to meet the specific needs of their local areas.

As an anti-poverty agency, Community Action addresses the needs of the low-income community by providing direct services, mobilizing community resources and encouraging people to advocate on their own behalf. Our outreach efforts are conducted primarily through Community Action outreach centers located in Portsmouth, Seabrook, Raymond and Salem.

While the goal of Community Action remains constant, the specific services offered vary somewhat from year to year in accordance with local needs and the availability of funding. The programs offered to Rockingham County residents during the past year include the following:

FUEL ASSISTANCE PROGRAM - 57 Newton residents received \$28,641.00
Description: The Fuel Assistance Program provides a financial grant to income-eligible households to assist with energy-related expenses.

WEATHERIZATION PROGRAM - 1 Newton resident received \$631.00
Description: The Weatherization Program provides quality materials and a trained staff to weatherize homes of income-eligible individuals in order to reduce heating costs and conserve energy.

HOME REPAIR PROGRAM - 1 Newton resident received \$970.00
Description: The Home Repair Program provides home repair work not covered by the Weatherization Program such as major roof repairs, foundation repairs and minor structural repairs for low-income homeowners.

WOMEN, INFANTS AND CHILDREN (WIC) PROGRAM - 27 Newton residents
received \$9,720.00

Description: The WIC Program offers supplemental nutritious foods, nutrition education, breast feeding support and health care referral to eligible pregnant women, nursing mothers, infants and children up to age five (5).

CENTER SERVICES - 70 Newton residents received \$301.00

Description: Center Services include a wide range of services offered by the outreach center personnel such as information and referral, advocacy, direct client assistance and crisis services.

ADDITIONAL SERVICES

(1) Commodity Foods - Our agency Outreach Program provides a multitude of families with needed staples including cheese, butter, flour and rice.

(2) Food Pantry - Area Outreach Centers provided families that needed food assistance, a nutritious selection from their food pantries.

(3) Clothes Closet - Local businesses and residents have generously donated new and used clothing to our "closet" making them available for residents needing this assistance.

The total value of assistance to Newton residents received during 1985 was \$40,263.00.

NEWMARKET REGIONAL HEALTH CENTER

The Newmarket Regional Health Center will complete its fifteenth year of service in the Spring of 1986. The Center continues to operate the Senior Citizen Transportation Program. Three of the five busses are equipped with hydraulic lifts to provide services to the handicapped. The transportation service enables senior citizens to remain independent, self-sufficient and active by providing the means to needed services, including medical, food shopping and recreational trips. For further information call toll free 1-800-582-7279.

The Newmarket Regional Health Center wishes to express its deepest appreciation for the support of the Town of Newton.

ROCKINGHAM PLANNING COMMISSION REPORT

The Rockingham Planning Commission is a voluntary local public organization funded by, sustained by, and tied directly to local governments. The Commissioners, appointed from each of the member communities, set policy, make money decisions, and determine in what work the Commission will become involved. The official purpose of the Commission is to guide, coordinate and promote the orderly, long range affairs of the region in order to preserve and promote the health, safety and citizens of the region.

Newton has received a great amount of assistance relating to the Master Plan from Geri Weisman, Assistant Director of the staff. She has been working directly with the Solid Waste Committee.

The Planning Board has been helped with their Site Plan Review, and the Conservation Commission has also sought guidance from time to time.

The disastrous fire that struck the Loaf and Ladle Restaurant, destroyed much of the Commission's Office located directly above the restaurant. The fire was on a Saturday and none of the staff was working in the office. The following days were a real dilemma as the staff endeavored to sort out what could be saved from the charred and water soaked ruins; but carry on they did. When all was said (and not yet quite done) they found themselves about two weeks behind in their day-to-day work. Somehow deadlines were met and with a brief stay in the basement of the Exeter Office Building, they are now relocated to 121 Water Street, Exeter, N.H.

Kip Kaiser, Planning Board Chairman, found it necessary to resign from the Commission because of the press of business and Mary Allen was appointed to replace him. Mary Allen and Myrtle Rogers attended the Legislative Get-Together Program on Solid Waste held at the William Rosenberg Conference Center in East Kingston. Myrtle Rogers attended the Northeast Region 1 Planning Commissioners Annual Session in Burlington, Vermont.

A Cultural Resources and Historic Preservation Program is proposed for the near future and it is the hope of the Commissioners that many of the residents of the Town will be interested in and participate in the project.

Respectfully submitted,
Myrtle B. Rogers

FAMILY MEDIATION PROGRAM

Family Mediation of Southern Rockingham County has continued to provide essential, cost-effective services to the communities of Atkinson, Danville, Hampstead, Kingston, Newton and Plaistow during 1985. The program serves as a juvenile court diversion program for juveniles and their families who are experiencing conflict at home, at school or in the community. It also operates as an effective alternative to court-ordered placements of juveniles.

In 1985 the program worked with fifty-six area juveniles and their families. Services provided included not only mediation but referrals, case management, advocacy and crisis intervention. Funded by the six communities and the Hampstead-Timberlane United Fund, the program is able to offer these services to any area juvenile and family free of charge. As a direct result of this, many families have utilized the program successfully, resolving issues without the need for court intervention and/or possible placement of the juvenile outside of the home. Placements not only affect the family and community financially, but emotionally as well.

At this time I would like to acknowledge the tremendous work being accomplished by the program's mediators and Board of Directors, all of whom are area residents who give their time and efforts voluntarily. The success of their program is firmly based on their concern and dedication to preserving families in their communities, and without them this program could not function.

We look forward to another year of involvement with local families and hope that area residents will continue to support the work being done by this program.

Respectfully submitted,
Dawn Krygeris
Program Coordinator

ROCKINGHAM COUNTY NUTRITION PROGRAM

Following is the 1985 update of services provided by the Rockingham County Nutrition Program. Services to your town's elderly have also been highlighted.

The Nutrition Program is a local nonprofit organization that provides services to the elderly of the county. Group lunches are provided for persons 60 years of age and older, and their spouses, Monday through Friday. Thirteen locations dot the county and serve that town and surrounding towns as well. Hot balanced meals following nutritional guidelines are cooked specifically for the elderly, and served around noon. Menu substitutions are made for those on diabetic, salt and/or calorie restricted diets. Meal site participants also enjoy such specials as soup bars, dessert bars, picnics, salad bars, special holiday dinners and the like. In addition, hot balanced meals are sent from the centers and delivered to the homes of certified needy, elderly or handicapped, homebound persons. Every town of the county is served.

The Nutrition Program is an important community resource which helps to keep the elderly in their communities and in their homes; and out of much costlier nursing homes. Many needy people have been, and are being served.

We are funded by the Older Americans Act, the Social Service block grant, the county, 4 United Ways, some towns, fundraising, donations for the meals, and volunteer time, which we use extensively. Some of our funds have been cut by the N.H. State Council on Aging, and we have been told by them to anticipate same for next year. However, our board plans to continue to serve elderly meals to all towns and cities of the county as long as we are able.

Specifically in Newton, 47 elderly were served year ending September 30, 1985. In this area, the meals are provided out of the Vic-Gearry Center in Plaistow. Currently, about 85 meals are served daily; 55 eat at the center, while 50 meals on wheels are sent out. Last year 21,122 meals were served. The Plaistow site covers Kingston, East Kingston, Plaistow, Atkinson, Sandown, Danville, Hampstead, Newton, and parts of Fremont. In addition to

the meals, activities; line dancing, crafts, sing-a-longs, pool, holiday parties, and the like are run by us. It is quite a lively place.

If you know of anyone who could benefit from this service, or if you are interested in visiting or knowing more about the program involving your area, fell free to call us at 679-2201, or call your local meals manager, Sue Bonagura, at 382-5995 from 10:00 - 1:00.

Debra Perou-Hermans
