COL. J. FRANK DRAKE

Col. J. Frank Drake died on December 20, 1976, and his passing was a grievous loss to family, friends and Pittsfield as a community. Col. Drake was born in Pittsfield and had a genuine love for this community and his hometown. He was keenly interested in the progress and welfare of the town, and over the years he contributed to many town improvement projects. He was concerned about education and gave generously to the schools. He assisted financially in all types of recreational projects and was particularly close to the operations of Drake Field. He organized and gave generous financial assistance to the Pittsfield Cemetery Association. For many years he sponsored summer band concerts at Dustin Park. He helped to develop the Pittsfield Town History, founded the Pittsfield Historical Society, and was the inspiration for the creation of a proud memorial to Pittsfield's War Veterans.

Col. J. Frank Drake was a man of the world, compassionate, with an agile mind and high degree of business acumen, but he was always a gentleman.

Thomas B. Dustin died January 4, 1977. He was an active resident of Pittsfield for 50 years. He was owner of Dustin's Store for 30 years. "Tom" was president of the former Pittsfield Savings Bank, a former director of the Pittsfield National Bank, and a trustee and corporator of the New Hampshire Savings Bank for 7 years. He was former treasurer and director of the Pittsfield Aqueduct Company, a former member

of the trustee of trust funds for Pittsfield, a member of the New Hampshire Historical Society, and a trustee of the Pittsfield Cemetery Association. Tom's many activities were very beneficial to our community.

Adelard R. Pelissier died November 24, 1976 at the Veterans Administration Hospital after a long illness.

He was born in Pittsfield, was an Army veteran of World War I, a charter member and past commander of Peterson-Cram Post, American Legion No. 75, a charter member and former secretary of the Pittsfield Rotary Club, a trustee and president of the former Pittsfield Savings Bank.

He was Pittsfield's town moderator for 40 years holding that position when he died. He was active in school sports being a member of the state championship basketball team of 1917. He ran a meat and grocery store on Depot Street for several years. He then went into the garage business and had the Ford Agency for 38 years. He was also proprietor of Farm Implements, Inc.

"Del" Pelissier took an active part in many worthwhile town projects, giving freely of his time. His help and sound advice will be missed.

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Pittsfield, in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the TOWN HALL in said PITTSFIELD on Tuesday, the eighth day of March next, at Ten of the clock in the forenoon and at GREENLEAF AUDITORIUM at EIGHT OF THE CLOCK in the evening, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing. (Polls shall be open at 10:00 A.M. and not to close before 6:00 P.M.)

2. We the undersigned registered voters of Pittsfield, request that the article "To see if the town will vote to raise and appropriate sufficient funds to replace the existing guard rail on Tilton Hill Road with a steel cable and post rail or one of equally sturdy construction which will deflect the impact of a loaded school bus." (Submitted by Petition). (Without Recommendation of Budget Committee).

3. We the undersigned registered voters, hereby petition the town of Pittsfield to place the following article in the town warrant: "To see if the town will vote to raise and appropriate the sum of \$412.48, for the continuation of services to the low-income and elderly residents of Pittsfield through the Suncook Area Center of the Community Action Program, Belknap-Merrimack Counties Inc." (Submitted by Petition). (Without Recommendation of Budget Committee).

4. We the undersigned legal voters in the Town of Pittsfield do hereby respectfully request the following article be placed on the 1977 Town Warrant: "To see if the Town will vote to accept in full the section of road known as Siel Road (approximately 1800' long, 50' wide) located on the North Side of Daroska Road to the Shaw Road." (Submitted by Petition).

5. We, the undersigned registered voters of the Town of Pittsfield respectfully petition the Annual Meeting of the Town of Pittsfield 1977 to open to Town maintenance a

section of the road called Thompson or Johnson Road, presently closed subject to gates or bars, for the distance of 1800' from the present end of maintenance at the Emerson property and residence on said road. (Submitted by Petition).

6. To see if the (Town) (School District) wishes to exclude from its Social Security plan services performed by election officials or election workers for each calendar quarter in which the remuneration paid for such services is less \$50.00.

7. To see if the Town will vote to authorize the Board of Selectmen to transfer and expend the following capital reserve accounts:

Road Equipment	\$258.18
Fire Equipment	\$154.52
	<hr/>
	\$409.70

8. To see if the Town will vote to authorize the Tax Collector to accept payments in prepayment of taxes according to RSA 80:52-a.

9. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon:

APPROPRIATION	AMOUNT

TREE WARDENS REPORT

We had a bad year on town trees as far as elms go. Because of budget cuts the account was not large enough to incorporate the extra load of dying elm trees; therefore we had to exceed our budget in order to prevent the danger of falling limbs.

This year was not a total loss, however. Because of Bicentennial money (\$500), and help from Johnson's Nurseries, we were able to plant approximately thirty new Linden trees in various areas around town.

Although we have had quite an expensive time with the elm trees, it looks like we may be making some progress.

Throughout the years that I have been tree warden, there seems to be years that are worse than others. This last year happened to be one of three very bad ones. We noticed this by the increase in the overrun in the tree account.

SELECTMEN'S REPORT

During 1976 we as a town helped to observe and celebrate our nation's 200th birthday. It was truly a memorable event, and in Pittsfield one which will be remembered. Acknowledgement must first be made to that group of individuals who successfully undertook to schedule and co-sponsor the many activities and events which took place during the year. This group, known as the Pittsfield Bicentennial Committee, is named individually at the end of our report in order to say thank you for their efforts with a very successful celebration. A sincere thanks should also be extended to those many organizations which sponsored these events. One project which was undertaken by this committee and accomplished was the establishment of Pittsfield as a Bicentennial Community and so recognized by the National Bicentennial Commission in Washington, D. C. This goal was achieved when in May of 1976 we received our Certificate and flag at ceremonies held in Dustin Park. The certificate is now on display at the Selectmen's office and the flag can be seen at the Pittsfield Historical Society. This flag was flown throughout the year at Dustin Park. All documents pertaining to this celebration are going to be kept at the Historical Society meeting room in order that those interested might review them and possibly use them as a guide for the formation of similar celebrations at Pittsfield's 200th birthday to be held in 1982.

Two projects which were funded in part with state and federal monies were the planting of liberty trees and the development of an historical photo display of Pittsfield. These two projects are lasting accomplishments and were undertaken in part to help meet the requirements of being named a Bicentennial Community. The liberty tree project involved the planting of 33 Linden trees throughout the compact area of Pittsfield. The photo display is a series of photos showing the development and growth of Pittsfield. This display is now housed at the Pittsfield Historical Society.

During 1976 the Selectmen's office was renovated and the town clock faces were painted. It is hoped that each year a project is undertaken to improve or maintain the usefulness and beauty of the Town Buildings.

At the March town meeting, the citizens voted to establish a tax map and reassess the town. Both contracts have been awarded with the John O'Donnell & Co. of Auburn, Maine receiving the tax map bid on their proposal of \$17,000.00. The reassessment contract was awarded to Pattern Appraisal Inc. of Portland, Maine. Their proposal being \$24,900.00.

In October of 1976 the Towns of Barnstead, Chichester, Epsom, and Pittsfield voted favorably to enter into agreements to develop a solid waste facility which is to be located in Pittsfield at the existing dump site. This operation is going to involve incineration with partial separation at the household level. This separation will encompass the placing of glass and metal by-products into one container and all other refuse into another. This facility is to be built and operational in 1977.

THE REPORT OF THE RECREATION COMMISSION

Three members of the Recreation Commission resigned this past year after many years of service. The new commission members would like to thank them for their past service and their help in getting us started this year.

After a confusing start, the Doctor Forrest B. Argue Memorial pool had a very productive and enjoyable year. Red Cross certified Water Safety Instructors Maryellen Childs and Christine Comeau instructed over 250 children from the Pittsfield and Chichester area. Achievement certificates were awarded in Beginners, Advanced Beginners, Intermediates, Swimmers, Basic Rescue and Water Safety, and Advanced Life Saving courses.

Events at the pool included preparation and entrance of a float "The Boston Tea Party" in the Old Home Day Parade and an exciting Pool Day with competition in swimming events and the crowning of Mr. and Miss Pool, 1976; Andy Charron and Tammy Nickerson.

With a year's experience behind us, we're looking forward to a good summer ahead. We'd like to see more whole families take advantage of their Family membership, especially Moms and Dads. Suggestions would be appreciated as to how we could make the pool more appealing to family swimming groups.

CARPENTER MEMORIAL LIBRARY ANNUAL REPORT — 1976

During the year, various successful displays were seen at the Library: Eskimo carvings, early classic car models, art work by the Brownie Troop and the Grammar School children, and crafts by the Extension Group. Poetry Week was noted, as was the Bicentennial, both by a collection of 1876 artifacts and of memorabilia under the title, Pittsfield Yesterday. Our Book Bank was splendidly decorated with red, white and blue flags to emphasize the patriotic theme.

Following the Annual Summer Book Sale, a year-round free Paperback Book Exchange was instituted, which seems to grow in popularity. During the summer, the Library again co-operated with the Arts Council in bringing the Little Red Wagon to Drake Field. Good attendance was noted at a free lecture on Genealogy given by an expert from Salt Lake City. A Vacation Reading Program was tried in the summer with a small but enthusiastic following, and wound up its activities with a Nature Hike and Picnic.

The Library was represented at meetings in Franklin, Sandwich and New Hampton as well as at the NHLA conference at Bedford. Re-accreditation by the New Hampshire State Library Commission was received.

During the fall, the Third Grade started weekly book-borrowing visits to the Library, as well as monthly film programs. While we are happy to welcome extensive community use of the Jenkins Room it must be stated that the phenomenal increase in fuel prices is putting our budget under considerable strain.

Our thanks to all those who remember us with memorial gifts as well as those who give us money and books through the year. Special thanks to Mr. and Mrs. Arthur Hurd for a handsome new outdoor flag.

In these days of ever-rising prices we can surely agree with Lady Mary Wortley Montague:

“No entertainment is so cheap as reading nor any pleasure so lasting”.

PITTSFIELD FIRE DEPARTMENT

The department answered 51 alarms during 1976, representing over 900 hours of firefighting and emergency first aid.

Emergency medical first aid equipment has been purchased with money donated to the memory of Capt. Edward Riel. The department is now able to administer first response medical aid in conjunction with the Center Barnstead Fire Department Ambulance.

Two successful raffles were held last year with proceeds being used to purchase Plectron home receivers for every member of the department. Another raffle will be held to buy protective firefighting clothing for all members and toward the purchase of portable radios to be used on fire scenes. In the past two years we have raised over 14,000 dollars through the carnival, raffles, dances and public suppers. The department wishes to take this opportunity to thank all those people who have supported us in our money raising endeavors. All proceeds have been used to purchase equipment with which to make our fire department more effective in keeping our town fire safe.

This past year we experienced severe damage to the fire alarm system when it was struck by lightning, and many hours were spent on its repair. During the time the system was out of order, the department was still able to function effectively through the use of our newly purchased Plectron receivers which are activated through our red phone answering service.

Eight department members attended firefighting classes sponsored by Lakes Region Mutual Aid in Gilford and classes in Fitzwilliam sponsored by the N.H. Fire Chiefs Association.

More firefighters are needed to fill our roster. Anyone interested in firefighting and training should contact this department.

To report a fire call 435-6522.

Respectfully submitted,
Frederick T. Hast, Chief

PERAMBULATION OF TOWN LINES

Pursuant to RSA. 51:2 — 51:5, the Town of Pittsfield was duly notified and December 20, 1976 was set for the day of perambulation.

Selectman Paul A. Golden of Barnstead met with Selectman Wayne Emerson and Selectman Lester Emerson of Pittsfield, New Hampshire and proceeded with perambulation of Barnstead and Pittsfield town lines as follows:

Beginning at a point from the cement leader of the controlled outlet point of Adams Pond, turning to a course of approximately $41\frac{1}{2}$ degrees Southeasterly, proceed for a distance of approximately 400 yards, guided by hemlock and hardwood trees, marked with white and red paint, to a point marked by a stone two feet high near a wire fence at the foot of a ten inch pine, 20 feet Southwest of a 24 inch pine on the brow of a hill near the edge of a ledge. This marker blazed in 1856, 1884, 1890, 1940 and 1947, has the letters "S" & "B" with other markings and is spray painted and 1976 embedded. stone was again spray painted and 1976 embedded. From this marker the line courses the county boundaries of Belknap, Merrimack and Strafford, and on a bearing of approximately $41\frac{1}{2}$ degrees Northwesterly courses Adams Pond in half.

Proceed back to a point of beginning and continue direction of travel around the Southerly shore of Adams Pond by a recently constructed auto road to a point on this road where a large Hemlock tree stands up on the left bank from the road and is marked with a red and white "P" & "B." This tree is in the course of $41\frac{1}{2}$ degrees Northwesterly.

Continue direction of travel coming out of the Boy Scout Campgrounds to a point of residence of the Ranger and the Main Province Road, turn left and traveling to a point of the intersection of the Province Road and the George Merrill Road so-called.

Turning left onto the Merrill Road travel to a point of approximately 300 yards beyond the dwelling of Robert Strickland until you come to a large boulder on the right of the road. This boulder is blazed with "X" 1898, 1910, 1926, 1933, 1947, 1969 and 1976 as well as being marked with red and white paint. This compass reading is approximately 41½ degrees Northwesterly, and in the event of the large boulder becoming dislodged from it's base, a stone wall prevails along this course sufficient for a line marker.

Return to the junction of this Merrill Road and Province Road, turn left and proceeding up Province Road in the direction of Barnstead Parade. Continue this route of travel for approximately one mile turning left onto the Roland Smith Road. Pass through the woods on either side of the travelled way and at the edge of the woods at the end of the stone wall on the Northwesterly side is a gray granite boulder, moss grown with a bastard grain. It is marked "X" 1906, 1926, 1940, 1947, 1969 and 1976 and bears marks of red and white paint.

Return to the Province Road and turn left, travel to the next road leading off from the Province Road, to the left, in a course toward the Suncook River and the Old Iron Bridge (Bosco Bell) coming to the newly constructed Route 28. Turn left on this route and proceed in the direction of Pittsfield until you cross the brook flowing under Route 28 to a point of approximately 100 yards east of Edward Gray's house where the line crosses Route 28 at right angles. This marker is a concrete diamond pointed post maintained by the State at the end of the stonewall on the right side of Route 28 in the direction of Pittsfield Village. From this point the line courses along the stonewall and emerges at the North end of the cement bridge on the Pittsfield-Laconia Road, Route 107, at the farther end of the Pittsfield Town Dump.

Due to adverse road conditions it was agreed not to travel the road coursing the Northwesterly side of Lily Lake, and the bound so described in past perambulations was not visited as of this date.

The last and final bound designating the four corners of Pittsfield, Barnstead, and Gilmanton and formerly referred to as the Buckhorn tree was readily made available today. The Buckhorn tree is situated in the pastureland of the Montgomery property, otherwise known as the Diamond Slash Ranch and now owned by Steven Bosiak. An access road through the yard and field of Mr. Towle was traversed with Mr. Towle joining the perambulation party and giving a guided tour by motor vehicle from the main highway to the historic Buckhorn tree. The legend of the Buckhorn still exists, however, the present day markings are found in two well embedded rocks bearing the inscriptions such as 1771—L—G—B—1850—05—12—19—26—33—40—47—54—61—68—76, with a large G—P—B chiseled on a rock. A large 14 inch Hemlock tree shadows the respective boundry location.

It was agreed by this survey party that where points of access crossed the bearing of any line that every endeavor would be made to erect permanent markers to expedite future perambulating of said Town Lines. Should Route 28, at any time in the future, be diverted from its present course along Town Lines, new markers will also be erected.

In witness whereto, we have set our hands this 20th day of December, 1976.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Pittsfield School District, I respectfully submit my eleventh annual report as your Superintendent of Schools.

Your school board has worked many, many hours this past year in three major areas: (1) Renovations at the Grammar School; (2) Teacher Negotiations; and (3) Annual School Budget.

School Improvement

For several years, citizens of Pittsfield have debated the need for new modern elementary school facilities which has always fallen short of bringing about a change. Your school board re-examined the issues involved and decided to do whatever was possible to improve existing facilities. The 1976-77 budget included a sum of \$16,615.00 for improving the Grammar School. This school now has storm windows throughout, along with valve controls on the radiators, which will, in the long run, result in a savings of energy and better comfort for the learner. The basement resource room was completely enlarged and renovated as well as the reading room on the second floor. The toilet facilities were greatly improved, along with some electrical work and painting throughout. Parents became involved through the PTO who supplied paint and painted over one hundred desk tops and other classroom furniture. Citizens attending the September 12th open house were greeted with a bright, clean, pleasant upgrading for the Grammar School.

Teacher Negotiations

A new statute makes it possible for a group of employees to organize as a bargaining unit and thus has to be recognized by the school board for the purpose of negotiating in good faith on wages, hours and other conditions of employment. The teaching staff of Pittsfield became organized and negotiations began last August. Your school board and administration have held eleven (11) meetings to date with the Education Association of Pittsfield and their representative. A great deal of progress has been made in reaching tentative mutual agreement on the total master

contract. Some issues appear to be at an impasse and when this occurs, a mediator becomes involved in the process. At the time of this writing, the two parties have involved a mediator. If everything cannot be resolved through this process, then there is provisions for fact-finding. It is the sincere wish on the part of the school board, as I am sure it is on the part of the teachers, to settle the remaining differences without going to the “nth” degree. The process has placed a great deal of demand, time wise, on the school board, especially since this is the first time a master agreement has been developed.

Budget 1977-78

The general economy continues to place a heavy demand on the school budget. Fuel and energy costs continue to rise as well as the continued increase in other products, such as paper supplies, custodial supplies, and new equipment. New laws concerning the education of the handicapped is effecting the budget. After deliberating on these items, the school board then has to attempt to keep salaries on parity. These budget problems are faced annually but the need to continue a maintenance program and upgrading of facilities cannot be ignored. The 1977-78 budget will be as reasonable as possible in light of these issues.

In closing, I wish to thank the members of the School Board for their patience, understanding, and dedication. Also, my appreciation to the citizens, parents and school personnel for their continued interest and support in your school system.

Respectfully submitted,
Damon A. Russell
Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Pittsfield School District, I respectfully submit my fifth annual report as your Superintendent of Schools.

I have selected the following areas to report on: (1) Title I; (2) Recruiting; and (3) Education of the Handicapped.

I

This is the fourth year of a Title I Cooperative Early Childhood Project with the School Districts of Barnstead and Alton. The primary objective of the program is still to develop instructional programs to meet the individual needs of Title I children. Five part-time teaching assistants implement these programs under the supervision of Mrs. Judith Bush, Program Director.

This year a close working relationship was established with the Spaulding Youth Center. Spaulding provided pupil evaluations and recommendations for individual programs. In addition, in-service training was provided for the teaching assistants and some teachers.

II

Twelve teachers were recruited for the Pittsfield Schools this year compared with three last year and twelve the year before. Despite the availability of teachers, the turnover rate in Pittsfield remains extremely high.

III

On November 25, 1975, President Ford signed into law the Education for All Handicapped Children Act, P.L. 94-142. The basic provisions of this act are as follows:

(1) To insure that all handicapped children have available to them a free appropriate public education which includes special education and related services to meet their unique needs.

(2) To insure that the rights of handicapped children and their parents are protected.

This year the School District has been in the process of completing a census of "handicapped children". "Handicapped Children" means those children evaluated by

qualified professionals as being mentally retarded, hard of hearing, deaf, speech impaired, visually handicapped, emotionally disturbed, orthopedically impaired, or children with specific learning disabilities. There is a statutory limit of 12 percent on the number of handicapped children identified.

An individualized education program is required for each child identified as handicapped. This program must be based on a formal evaluation. Parental consent must be obtained prior to a formal evaluation, placement of a child, or change of placement. If parents are not in agreement with the program being proposed for their child, there is a formal appeals process.

To assist with the increased costs of this legislation, each state is entitled to an amount equal to the number of handicapped children aged 3 through 21 (who are receiving special services) multiplied by the applicable percentage of the national average per pupil expenditure (approximately \$1,250.00). The percentages are:

Fiscal 1978	5 percent
Fiscal 1979	10 percent
Fiscal 1980	20 percent
Fiscal 1981	30 percent
Fiscal 1982	40 percent

The above legislation has serious budgetary and staffing implications for the Pittsfield School District in the next few years.

It has been my pleasure to enjoy the support and friendly cooperation of the Pittsfield School Board, Principal Ferguson, and the School Faculty.

Respectfully submitted,
Elton S. Knowles
Assistant Superintendent of Schools

REPORT OF THE SUPERVISING PRINCIPAL

To the Members of the School Board, the Superintendent of Schools and the Citizens of Pittsfield, I respectively submit my fourth annual report as Supervising Principal of the Pittsfield Schools.

On Wednesday, September 8, with summer vacation at an end, 736 young people returned to classes as we began the 1976-77 school year. A breakdown of enrollment by grade shows: Grade 1-67; Grade 2-42; Grade 3-44; Grade 4-59; Grade 5-59; Grade 6-48; Grade 7-74; Grade 8-59; Grade 9-68; Grade 10-83; Grade 11-66; Grade 12-67.

Eleven teachers have joined our staff. They are: Miss Nancy Arezzini, Grade 1; Mrs. Anne Colby, Grade 4; Miss Nancy Steinberg, Grade 3; Mr. Thomas J. Rand, Elementary Music; Mrs. Joan Leonard, Special Education; Mrs. Deborah Liskow, English; Mr. Mark Rickettson, Industrial Arts; Mrs. Joan Stollings, English; Mr. Michael Trojano, Music; Mr. Frank Walker, Science; Miss Vicki Wright, Grade 5 and 6.

During the summer extensive alterations were made at the Grammar School, painting was done at the Memorial and High schools. Both staff and students have expressed a feeling of optimism for the year ahead, and we look forward to many positive accomplishments.

All youngsters in Grade 1 were screened in September to determine their eligibility for the Title I program. The information gathered will also be used by teachers to help meet individual student needs.

Art, Physical Education and Music are being taught on a regular basis in Grades 1 through 4. Art and Physical Education by community volunteers, and Music by a part-time addition to the teaching staff.

The Social Studies Department adopted the Holt, Rinehart and Winston system for grades one through six. This system consists of textbooks and information banks called data banks. Each textbook series for each grade level has a data bank multi-media information system that provides research projects, taped interviews, maps and graphs, photo-cards, filmstrips, games, and class activities. Each system is

designed to be used to stimulate additional research and questioning of the area being studied. By the close combining of the readings in the textbooks and using the information systems the student finds himself involved in active participation with the subject under study.

Grade one will cover the topic of People; Grade two, Communities; Grade three, Cities; Grade four, Cultures; Grade five, American History; Grade six, Technology and Economics. We hope that this total system will provide the student at each grade level with the needed information in a better manner.

Our in-house task force, the Right to Read Council has completed the needs assessment and has determined the areas of greatest needs in reading. The task force prioritized these needs and has mapped out a long range plan for the improvement of reading in the Pittsfield School District. Presently our Right to Read task force is analyzing each area of need to determine what the problem is, what caused it, who is affected, and the courses for and against its resolution. The goal in each case is to achieve the Criterion of Excellence.

The exploratory program in Grade 7 and 8 has been expanded to include quarter courses in physical education, home economics, industrial arts and art.

I would like to express my thanks once again to the Members of the School Board, Superintendent Russell, the Members of the Faculty, Staff, Parents and Citizens of Pittsfield for their continued support.

Respectfully submitted,
Edward S. Ferguson
Principal

DRAKE FIELD SUMMER ATHLETIC PROGRAM 1976 PITTSFIELD, NEW HAMPSHIRE

The spacious and beautiful Drake Field served the youth of the Pittsfield area well during the 1976 Summer Athletic Program. The area provides a three net tennis court, a basketball court, an area with playground equipment for small children, and large fields for various sports and games.

Each year, equipment is supplied which promotes skill, sportsmanship and fun for the children. The balls, bats, rackets, hockey sticks, and other sporting equipment are made available for those interested in team activities. Game boards, horseshoes, and croquet are a few of the items which the children use for small group activities.

The program opened for its eight week season on June 21. Supervised activities continued weekdays from 9 a.m. to 4:30 p.m. until August 13. Paula Finnegan was assisted in the program by Wendy Potter.

Two field trips were sponsored. On July 12, a bus load of children were transported to Wolfeboro where they enjoyed "Circus Kingdom". In August, the children in the program spent a day in Ogunquit Beach, Maine at the ocean. The Little Red Wagon provided entertainment one day during the 1976 summer program. With us again this season was Peter Tobin who gave Karate Lessons to a number of children.

The swings, rings, and teeterboards which had been ordered prior to the season did not arrive until the last week of the program. This sturdy new equipment will be installed for the 1977 Summer Athletic Program.

Respectfully,
Paula A. Finnegan
Director

**ANNUAL SCHOOL MEETING
PITTSFIELD SCHOOL DISTRICT
PITTSFIELD, N.H.**

On March 11th, 1976, the Annual School District Meeting was held at the Greenleaf Auditorium at 8:00 p.m. The Moderator, Henry Stapleton, opened the meeting with the reading of the warrant and the certification of posting.

The Moderator then asked that those wishing to be heard should speak loudly or use the microphone. Also, if new in town, you will be asked to make yourself known.

Article 1 "I move that the salaries of School District Officers be approved as follows: Moderator \$15.00; Clerk \$15.00; School Board Chairman \$250.00; School Board Members \$200.00 each; Treasurer \$350.00; Auditors \$30.00; and Truant Officer \$75.00." Vernon Lawton made the motion seconded by Mary Osgood. Vote in the affirmative.

Article 2 "I move that the reports of Agents, Auditors, and Committees of the School District be accepted as printed in the Annual Report." Mary Osgood made the motion seconded by Roland Drolet. Vote affirmative.

Article 3 To see if the district will vote to authorize the School Board to permit the voluntary recitation of the Lord's Prayer in the elementary schools of the District in accordance with RSA, 194:15-a of the State of New Hampshire. After the Moderator read the Article, Gordon Weldon spoke for the Board.

Mr. Weldon spoke about the U.S. District Court decision prohibiting voluntary recitation of the Lord's Prayer in the Rochester public schools. He further added that the Board was in full agreement with the Article if the legislature passes a law to allow it.

Don Bergeron then made a motion that at such time it is allowed the School Board be authorized to permit the voluntary recitation of the Lord's Prayer as stated in the Article. Mary Siel seconded. Vote affirmative.

Article 4 To see if the District will vote to increase the present three member school board to a five member board and to elect at the 1977 Annual School District Meeting two members to a three year term, and one member for a two year term. The Moderator read the Article and Gordon Weldon spoke on behalf of the Board.

Gordon Weldon announced that the Board unanimously opposed the Article and wished to go on record as same. He referred to last year's meeting at which time it was voted that the School Board be instructed to put this issue in the warrant this year.

John Barto made a motion that we retain the three member School Board. Louis Houle seconded.

Willard Bishop spoke in favor of the larger Board. He felt that it was asking too much of just three people to administer such large sums of money. A five member Board would help relieve some of the pressure.

Janet Milne asked how it would be initiated to get a five member Board. Gordon explained that if voted, next year we would elect two members to a three year term and one member for a two year term to increase the Board to five members. He then addressed himself to Mr. Bishop's previous remarks. Mr. Weldon feels it is difficult to get three people together now, and would be much more so to get five together.

June Chase spoke in favor of the larger Board stating she felt in making decisions it would be better to get 3 of 5 opinions in agreement rather than just 2 of 3.

Discussion continued with those in favor of the five member Board stating that it would make the workload easier and five ideas would be better than three. Opponents said five members would be harder to gather for meetings and they did not feel the workload was that heavy.

The Moderator asked for a voice on the motion to retain the three member board and it was ruled questionable. Ann Mousseau then asked for a standing vote and the results were as follows: In favor of a three man board 57; and Against three man board 62. Motion defeated.

Sharon Higgins then made a motion to accept the article as printed in the warrant. Douglas Blackwood seconded. Voted affirmative.

Article 5 "I move that the District raise and appropriate \$792,799.00 for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District." Paul Metcalf made the motion and John Barto seconded.

It was noted that this amount was the School Board's budget figure as well as the amount recommended by the Budget Committee.

Fred Hast asked reason for the substantial increase in the Maintenance of Plant item. Gordon Weldon explained that repairs to the Grammar School caused this increase.

Sharon Higgins asked if the Board had ever taken a survey of salary schedules in comparison to other towns the size of Pittsfield. Gordon Weldon answered that such a survey had never been taken.

Blanche Vien asked for a ballot vote on the motion. The Moderator stated that a petition signed by five people is required for a ballot vote if it is to precede a voice vote. If the voice vote is ruled out for any reason, then legal to act on a motion for the ballot vote.

Moderator read the motion again and it was voted affirmative.

Article 6 "I move that the District authorize the School Board to make application for and receive in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereinafter be forthcoming from the United States Government, the State of New Hampshire, or any Federal or State Agency." Vernon Lawton made the motion and John Barto seconded. Vote in the affirmative.

Article 7 Don Bergeron made a motion that the money raised for textbooks and teaching supplies be used for just this purpose and that they be here in September when school starts. Gordon Weldon asked that the motion be amended to

say that the supplies be ordered and here if possible, and if not possible, an explanation be made. Douglas Blackwood seconded. Vote affirmative.

Paul Metcalf made a motion that we adjourn the meeting. Motion seconded by Arnold Wells and voted in the affirmative at 8:40 p.m. Officers were sworn in.

Respectfully submitted,
Frances A. Marston, Acting Clerk
in the absence of Roberta Maxfield,
Clerk
