

ANNUAL TOWN REPORT

TROY, NEW HAMPSHIRE

1988

YEAR ENDING DECEMBER 31, 1988

DONALD M. RAITTO, SR.

DONALD M. RAITTO, SR.
FORMER CHIEF OF POLICE TOWN OF TROY

This past year the Town of Troy was saddened by the passing away of Donald M. Raitto Sr., a former police chief of Troy.

Don was born in Quincy, Massachusetts, moved to Fitzwilliam then to Troy where he spent most of his life. Prior to World War II, he was employed at Troy Blanket Mills and served as the Town Police Chief during this time. A dedicated man to his town and its residents, he was well respected and maintained law and order to the benefit of the residents.

During this period Troy was a mill town with a lot of hard-working people, most of them poor, who worked hard to support their family, to make sure their children received an education and attended school. Don made sure the environment was right for the children in town and that school was attended by those that went - not many were tardy - or the parents knew.

Don brought up two sons and five daughters in Troy and was a dedicated loving father to all of them.

As the world was in turmoil and building up to World War II, Don went to work in Quincy Ship Yard building ships much needed by the Merchant Marine to ship supplies to Europe.

Although he would never have had to serve his country because of his age, he volunteered for service in the Navy and became a Seabee of the Navy. There he served in a Navy Construction Battalion in the Far Pacific with the Marines in the battles to retake the islands held by the Japanese.

Upon returning to Troy, Don returned to his profession as a carpenter and joined the American Legion and Veterans of Foreign Wars, where he was always an active member in their endeavors and charities.

One of Don's favorite organizations was the Independent Order of Odd Fellows Fraternal Lodge in Troy where he participated faithfully to the end.

He cared for his home town and watched over it from his house on the hill. Often he would comment on the progress of the Town and rural style of life but quietly was very dedicated to helping those who were in need.

Don was very charitable to those whom he could help by donating his life-long skills when needed and assisting in other ways not known to many. A great many donated hours were put forth by Don to repair or maintain different things in Town that got broken or were damaged. He was proud of Troy.

Yes, Don did his share in Troy for the Town and its people. He will be missed. We are certain his wife and children who miss him are also very proud of him as a husband, a father, and a fine man.

Selectmen of Troy

A Purple Heart Recipient

**THE STATE OF NEW HAMPSHIRE
TOWN WARRANT**

To the inhabitants of the Town of Troy in the County of Cheshire in said State, qualified to vote in the Town Affairs.

You are notified to meet at the Town Hall in said Town on Tuesday, the 14th day of March next at 10:00 A.M. in the forenoon for balloting upon matters specified in Articles listed below and you are hereby further notified to meet at the Troy Elementary School on Wednesday, the 15th of March next at 7:30 P.M. to act upon the remainder of the listed warrant.

ARTICLE 1: To bring in your vote for one Selectman for three years and all other Town Officers elected by ballot as passed by Town Meeting or State Statutes for the specified number of years.

ARTICLE 2: To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray the following Town expenditures.

	<u>Recommended by Budget Committee and Selectmen</u>
a. Town Officers Salaries	\$33,300.00
b. Town Officers Expenses	17,000.00
c. Elections and Registrations	1,500.00
d. Town Hall	12,150.00
e. Insurance	65,936.00
f. Social Security	16,500.00
g. Interest - Temporary Loans	9,000.00
h. Memorial Day	1,100.00
i. Landfill	30,000.00
j. Street Lighting	15,000.00
k. Legal	7,500.00
l. Planning Board	4,258.00
m. Board of Adjustment	900.00
n. Emergency Management	5 000.00
o. Conservation Commission	750.00
p. Common	1,600.00

ARTICLE 3: To see if the Town will vote to raise and appropriate such sum of money as may be necessary to support public services as recommended by the Budget Committee and Selectmen.

a. Health Related Programs	\$25,236.00
b. War Memorial Programs - Recreation	17,180.00
c. Meadowood County Area Fire Department	1,000.00
d. Southwestern NH Regional Planning Commission	2,158.00
e. Arts Festival & Grand Monadnock Arts Council	1,500.00
f. Gay Kimball Library	24,665.00
g. Forest Fire Suppression	1,500.00
h. Senior Citizens	2,000.00

ARTICLE 4: To see if the Town will vote to raise and appropriate such sums as necessary to support Town Departments as recommended by the Budget Committee and Selectmen.

a. Highway Department - Summer & Winter	\$70,000.00
b. Police Department	61,500.00
c. Fire Department	26,875.00
d. Welfare	16,000.00
e. Dog Control	1,650.00
f. Special Police	5,000.00
g. Industrial Development	2,500.00

ARTICLE 5: To see if the Town will vote to raise and appropriate such sums of money as may be necessary for the care of the cemeteries. Budget Committee and Selectmen recommend \$10,000.00. \$9,000.00 to come from Trust Funds.

ARTICLE 6: To see if the Town will vote to raise \$166,500.00 for the Water/Sewer Department. Recommended by Budget Committee and Selectmen.

ARTICLE 7: To see if the Town will authorize the Selectmen to expend the Highway Block Grant of \$30,000.00 that the Town will receive from the State for the calendar year 1989 for maintenance, construction, and reconstruction of Class IV and V Highways. Recommended by Budget Committee and Selectmen.

ARTICLE 8: To see if the Town will vote a sum of money \$160,196.44 for the payment of Sewer Bonds. Income from the State of New Hampshire and FHA will be \$110,757.69.

ARTICLE 9: To see if the Town will vote to raise and appropriate \$4,500.00 for the purchase of a used dump truck for the Highway Department. Recommended by the Budget Committee and Selectmen.

ARTICLE 10: To see if the Town will vote to raise and appropriate \$11,000.00 to fence in the Town property on Dort Street where the new fuel tanks are located and future site of the Highway Department. Recommended by the Budget Committee and Selectmen.

ARTICLE 11: To see if the Town will vote to raise and appropriate such sums of money necessary to install a new heating system and rebuild a chimney at the Town Hall. This amount not to exceed \$20,000.00. Recommended by the Budget Committee and Selectmen.

ARTICLE 12: To see if the Town will vote to raise and appropriate such sums of money as may be necessary to repaint the Town Hall. This amount not to exceed \$12,000.00. Recommended by the Budget Committee and Selectmen.

ARTICLE 13: To see if the Town will vote to raise and appropriate \$25,000.00 as recommended by the Landfill study Committee for the

purpose of acquiring equipment needed for recycling, and to prepare an area at the landfill for a recycling operation in the best interest of the Town. Budget Committee recommended \$15,000.00. Selectmen recommended \$25,000.00.

ARTICLE 14: To see if the Town will vote to raise and appropriate the amount of money listed below to be placed the the Capital Reserve Fund of each Department for the purpose of purchasing vehicles or additional equipment when voted by the Town.

- a. Police Department \$4,000.00
- b. Highway Department \$3,000.00

Recommended by the Budget Committee and the Selectmen.

ARTICLE 15: To see if the Town will vote to raise and appropriate \$12,500.00 for a new police cruiser. \$10,000.00 to come from the Police Department Capital Reserve Fund. Recommended by the Budget Committee and the Selectmen.

ARTICLE 16: To see if the Town will authorize the Selectmen to hire Professional outside Auditors to audit the Town Books. Amount to be raised and appropriated is \$5,000.00 which is an estimated cost. Recommended by Budget Committee and Selectmen.

ARTICLE 17: To see if the Town will vote to use the unexpended amount of \$4,000.00 from Article 19 of the 1988 Town Warrant, together with a gift received by the Town of Troy in the amount of \$5,000.00 to establish a Trust Fund in the amount of \$9,000.00. The Trust Fund to be used only for the study, development of plans, construction or renovations for a future Youth Center. The Trust Funds to be administrated by the Selectmen of the Town of Troy.

ARTICLE 18: To see if the Town will vote to creat a General Cemetery maintenance Trust under the provisions of RSA 31:19-a, the income to be used for general cemetery maintenance. Recommended by the Trustees of Trust Funds.

ARTICLE 19: To see if the Town will vote to change the manner in which the Planning Board members are selected from appointment by Selectmen to elected by the town meeting annually. (By Petition).

ARTICLE 20: To see if the Town will vote to change the manner in which the Board of Adjustment members are selected from appointment to elected by the town meeting annually. (By Petition).

ARTICLE 21: To see if the Town will vote that the "Administrative Assistant" be a part time position and filled by a qualified person other than an elected Selectperson. The Administrative Assistant duties will include secretarial & clerical work for the selectmen, to take the paperwork load off them for more important things and also secretarial work for the planning board meetings and Board of adjust-

ment meetings. His or her ours will be approx. 4 hours a day for the selectmen and to attend the Monday night meeting to take the selectmen notes, also to attend the (2) meetings a month for each the planning board and board of adjustment. (By Petition)

ARTICLE 22: To see if the Town will vote to reopen a section of road at the end of the Town maintained road on South Main Street from the present road Closed to Gates and Bars sign for a distance of 1,200 feet. Only one house will be built on the Lepisto Property and that will have a 200 foot frontage on this road. (By Petition).

ARTICLE 23: To see if the Town will vote to classify South Street as a "Scenic Road" as provided under RSA 231. Recommended by Selectmen. (By Petition).

ARTICLE 24: To see if the Town will vote to allow 250 feet of the Class VI road at the end of Richmond Road to be used as access to an existing, legal building lot of 13 acres, Map 31, Lot 008. Access for delivery and emergency vehicles will be much shorter and safer. The Town will not be responsible for any improvements, or maintenance of this 250 ft. section and the "Gates and Bars" sign will remain where where it is. No additional building lots will be created. Improvements to this section of 250 ft. will have to be approved by the immediate neighbors and by the Town, and will be paid for by the owner of the 13 acre lot. (By Petition).

ARTICLE 25: To see if the Town will vote to authorize and direct the Selectmen to begin a voluntary recycling program at the Troy Landfill. The recycling program will be set up to operate under the guidance and direction of the Landfill Study Committee. Passage of this article will give the full approval of the Citizens of the Town of Troy to authorize the Landfill Committee, with the Approval of the Selectmen, to establish rules and regulations and procedures for operating the landfull and recycling center.

ARTICLE 26: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31-95B.

ARTICLE 27: To see if the Town will vote to authorize the Selectmen to borrow money to pay charges and the interest thereon.

ARTICLE 28: To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by Tax Collector's Deed by public auction (or advertised sealed bid) or in such manner as determined by the Selectmen as justice may require.

ARTICLE 29: To see if the Town will vote to authorize the Selectmen to enter into agreements with the Southwest Regional Planning Commis-

sion, the State Office of Emergency Management, the State Planning Commission, and other State agencies, when money becomes available for feasibility studies, grants, and agreements in the best interest of the Town. This to be done by the Selectmen, with the approval of the Town Budget Committee, after consultation with the Conservation Commission, Planning Board and Industrial Development Committee. Recommended by Budget Committee and Selectmen.

ARTICLE 30: To hear reports of committees, agents or officers heretofore chosen and take any action relative.

Given under our hands and seal this 23rd day of February in the year of our Lord nineteen hundred eighty-nine.

William R. Matson
Gerald D. Callahan

REPORT OF TROY WATER/SEWER DEPARTMENT

The year 1988 has been another good year doing the daily regular work, making repairs and also some changes and more improvements in both departments.

The Treatment Plant has been working well with the new floating surface aereators. However, the system which is now over five years old is requiring minor repairs.

The Hydro Group - Lane New England Well Company has been hired to install our new gravel pack well located on the Olsen property. They have been working on it this winter and it will be completed this spring.

There have been repairs and new installations of water service lines this year and also three new hydrants have been installed. It is the Water Department's goal to replace five hydrants this coming year.

Our monthly meetings are held on the 2nd Wednesday of each month and these meetings are open to the public.

Respectfully submitted
 Water/Sewer Commissioners
 Frederick Lawrence, Chairman

Some T.E.A.S.I. workers grabbed shut eye whenever and wherever possible!

REPORT OF THE ROAD AGENT

The winter of 1988 and 1989 has produced several freezing rain storms but very little snow.

With the money from the Highway Block Grant, work was done on South Street.

I would like to thank Peter Mattson for his services, some above and beyond the call of duty, and wish him well in his new employment.

My new assistant is Jim Dicey of Monadnock Street. Jim was brought up in Troy and knows the area well.

This year's work is planned for the lower portion of Richmond Road, High Street and the bottom half of West Hill Road.

Harlan R. Mitchell
Road Agent

Honor to a Dedicated Librarian

REPORT OF THE GAY-KIMBALL LIBRARY

1988 saw some changes at the Gay-Kimball Public Library. On June 1, Shirley Lang, our town librarian for six years, retired. In July a reception was held at the library in her honor. Two evergreen shrubs were donated and planted near the front steps to commemorate the occasion.

The library office was painted and updated with a new work counter, file cabinet and adjustable shelving. All of the labor was done by volunteers so costs were kept to a minimum. Special thanks to Bill Morrill, Ronald Sargent and Erv Doyle for contributing their time to the project.

New shelving was made to fit the fiction side of the library and to increase out total shelf space. Since the collection is growing every year it had crowded the old lower shelves to the point that nothing could be added.

Two very successful book sales were held this year thanks to the efforts of many volunteers and the trustees. The third planned sale had to be cancelled because of bad weather but we were able to sell some of the books inside the library during the weeks before Christmas. Our sincere appreciation goes to Wade Greeley and Bill Matson whose help made 1988 the biggest book sale year ever! Book sale proceeds were used to purchase more new books for all areas of the library and for the new shelving.

About 500 new books were purchased for the library and about 300 donated books were added to the collection. The video collection now numbers fifty tapes. We continue to subscribe to more than thirty magazines each year.

Troy Mills again donated generously to the library to support the growing Troy Mills Business Collection which includes books, magazines and videos relating to business, world finance and personal finance.

During the school year there were several class visits from the Troy Elementary School, Troy Christian School and The Tencier Shepherd Kindergarten.

The annual summer reading program was very well received this year with eighty-four children signed up to participate. Many of those readers were able to be present at the August party where games, paintings, bubble-blowing and refreshments were enjoyed by all.

Early in the year, an open house was held to honor donors to the Library of America Collection. Thirty of the sixty books in the set have been published and were on display in the Ripley Room.

The trustees and I hope all Troy residents will take a few minutes to visit the town library in 1989 to look over the collection and the

attractive children's room, the Ripley Reading Room, the fiction and non-fiction rooms. We would appreciate suggestions and help for programs in the future.

Respectfully submitted,

Darcy Doyle, Librarian

TROY CEMETERY COMMITTEE

The Cemetery Committee spent another busy summer upgrading and improving the appearance of the cemeteries. Grave lots and some roads were repaired, more fertilizing was done and brush was cut.

A gazebo was added and a tool shed was built.

Thanks to Bill Paju and Mike Sullivan who did a good job in assisting in the mowing and general maintenance work.

REPORT OF LANDFILL COMMITTEE

Last year at Town Meeting, the voters passed Article 36. The Article was, "To see if the Town will vote to encourage the people in the Town of Troy to recycle the refuse that is taken to the dump." No further action was taken, no appropriation was made and no facilities were provided at the dump for recycling.

This year the Landfill Committee is asking the Town to go two steps further. First, we are asking that you reaffirm last year's vote and pass the Article setting up a voluntary recycling program. Second, we are asking you to vote for an appropriation so that facilities can be made at the dump to receive the materials that you have separated for recycling.

It is becoming increasingly important to establish some sort of a procedure to conserve space at the landfill. The State monitors our landfill and when they tell us that it is full and can no longer be used, we shall have to transport our trash to some other facility, either a landfill or an incinerator. This will cost far more than recycling. Every single thing that can be recycled out of the landfill saves valuable space for the trash that cannot be recycled.

The committee would like to begin the recycling process by having you separate from the rest of the trash, glass, aluminum, newspaper and rags. To explain the whole process in the the Town Report would take up too much space, so come to Town Meeting, listen to the proposal, ask questions, make up your mind and then vote.

Respectfully

Landfill Committee
 James F. Sears, Chairman

TROY POLICE DEPARTMENT

Last year, the Troy Police Department appealed to residents to take part in the Neighborhood Watch Program. We would like to report that the program has been highly successful. We strongly encourage anyone seeing anything that may appear out of the ordinary to report it by calling 352-1100 or 242-7992.

Also, during 1988, we reached a record high in motor vehicle accidents. In many of these accidents, speed was determined to be a contributing factor. In an effort to reduce speed related accidents, the Troy Police Department, with approval of the Selectmen, borrowed a radar unit for a trial period of two months. The unit was used on many town roads as well as Route 12. Although only a few summonses were issued because it was a trial period, many warnings were issued. Over half of the vehicles stopped were found to be from out-of-town and a number were also found to be under the influence of alcohol.

Our use of the radar unit, when word got out, helped considerably in slowing down speed violators. Some people do not realize the seriousness of excessive speed violations and think we are wasting time and money in enforcing the speed limits. The majority of people, however, understand that excessive speed causes accidents.

Traffic through our town has risen substantially within the past few years. We have been especially concerned with the early morning, noon-time and mid-afternoon traffic when children are waiting for or getting off buses and walking to and from school.

We must employ adequate means to control speed and in a method most appropriate for use in our court system. In this endeavor, the Troy Police Department is planning to purchase a radar unit as part of our department's standard equipment.

We would like to ask the citizens of Troy to please recognize and adhere to the speed limits and help us make our streets safer for ourselves and our children.

Respectfully submitted,

Elmer E. Gladding
Chief of Police

SELECTMEN'S REPORT

The town has in the opinion of the Selectmen had a year that has been progressive to the town but allowed us to still maintain our small town style of life.

We are very excited over the "TEASI" Troy Ambulance volunteer project of constructing their own facility. It not only enhances the area around the Town Hall but will provide the members with a modern facility to house the ambulance, a meeting room and a place to train.

A reminder to those of you who are new to Troy, TEASI is a strictly volunteer organization, with members from Troy and Fitzwilliam. The service is "free" and operates on donations. It is impossible to praise this organization highly enough, to express everyone's thanks for the hours of dedication given by these volunteer members, for training and responding to calls at all hours. "THANKS TEASI".

A special thanks to Carrie Mattson TEASI's fundraiser and spark plug that keeps the building project in progress. Her Fall auction was fun, outstanding and productive. Wait until you see her Spring auction. Donated articles are being accepted now.

If you can find time and interest, they are always looking and need new members, EMT's are a vital part of a community.

Our recreation program, the War Memorial Program, went exceptionally well this year. Thank you Kathy Marrotte and committee. We have a new committee this year, and always need more members. What has been drawn up for a recreation program looks promising.

As in everything in a small town, volunteers are needed. The children are the ones who benefit; and, to make the program interesting and beneficial, we do need volunteers. Parents, we need you on the committee a night or two a month. Your children are only young once; and, in this increasing world, a couple of hours a month could help in a happy childhood. The Co-Chairmen this year are Gary Jardine and Alan "Sonny" Grimshaw. They welcome whatever time you can give.

As you read the Town Report, please look at the Landfill Report. Jim Sears and his committee have put in many hours to find the best solution to extending our landfill life, and we believe that their recommendations for the future are in the best interest of the Town. Paul Theroux, the landfill attendant, is making progress and he and his help ask that you please try to place different types of trash in the right location. The Committee, Paul and the Selectmen are doing their best to operate the landfill as inexpensively as possible.

We, as all the other towns, are waiting for directions from the State as how to proceed and meanwhile keep in operation. This is a major problem and we feel that we need everyone's cooperation at the Landfill. Your help is appreciated.

Because of our strange weather and lack of snow, it has not been an easy winter; the amount of sand and salt that has had to be purchased is double of last year.

We have one sander and at times we realize that this has been inconvenient but assure you that the Highway Crew have tried to do their best. We just purchased a second hand one-ton truck to put the sander on, as the old one is just about done in. Hopefully this one will serve us as well as the one we retired.

We are very fortunate for the orderly growth in town; we have not become overwhelmed by developers to become an overbuilt community and lose our small town character.

A lot of thanks to the Planning Board who put in many hours, attended many seminars, and have one of the most complicated committees to serve on. We in Troy are fortunate to have people volunteer to serve and probably get blamed for building projects that some do not like. We personally thank them; they realize that they have to follow the laws and do the best of their ability.

We look forward to another grand Art Festival this summer and invite you all to join in.

Thanks to those of you who have come forward to assist and serve to keep this town the place it is, a typical small New Hampshire town.

We had a sad moment this year when a lifelong resident of Troy, Ernest L. Woodbury, passed away. A native of Troy, he was in management at Troy Mills for 50 years as Vice President and Treasurer. A very fine dedicated citizen of Troy who loved the town and lived his final years with his wife Jerry in the shadow of Mount Monadnock and Gap Mountain.

Selectmen of Troy -	William R. Matson
	Gerald D. Callahan
	Thomas A. Walsh

REPORT OF TROY FIRE DEPARTMENT

The members and officers of the Troy Fire Department wish to thank the citizens of Troy for their Co-operation and help in keeping fires down to a minimum for this year. The fire trucks are in pretty good shape this year. We will be updating some fire gear for the men this year as regulations change.

Respectfully yours,

First Chief Clifton Cole
1st Deputy Fire Chief William May
2nd Deputy Fire Chief Raymond Dickey

A Moment of Silence at Village Pond

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FIREST RANGER

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603) 271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

FOREST FIRE STATISTICS - 1988

<u>Number Fires Statewide</u>	<u>Acres Burned Statewide</u>	<u>Cost of Suppression Statewide</u>

Respectfully yours,

Clifton Cole - Warden

WELFARE DEPARTMENT

Troy Welfare continues to assist the sick, elderly and others that qualify for an emergency helping hand.

Troy Welfare is in possession of two "Life-Line" units. These units are available for use by persons living alone and confined to their homes. The units are available to Troy residents only and at no charge.

One unit was purchased by the Senior Citizens and one unit was purchased by Troy Welfare.

If you know of anyone in need of this service, contact the Troy Welfare.

Elmer E. Gladding
Welfare Officer

ANNUAL REPORT OF TROY ANIMAL CONTROL

This year again has been busy with numerous dog calls. Owners are again reminded that their pets have to be licensed and restrained. Those that are not will be picked up and taken to the Monadnock Region Humane Society.

Owners are required to have their dogs vaccinated against rabies before they can be licensed. I hope to have a clinic at the Town Hall some time this year.

We also urge any one who knows of an animal being abused to report it.

As most of you know, Charlie Adams our former dog officer died this past spring. He will be missed. Charlie performed his duty in snow, sleet and hail and almost always with a smile on his face.

I may be reached at 242-3053 or through Mutual Aid 352-1100.

Respectfully submitted

Alan (Sonny) Grimshaw Jr.
Animal Control Officer

CONSERVATION COMMISSION

The Troy Conservation Commission has its meetings at 7:00 PM on the third Tuesday of each month in the Ripley Room of the Gay-Kimball Library. All meetings are open to the public, with no executive sessions.

Our mission, as stated before, is concerned with issues of pure air; pure water; preservation of natural wonders, historic sites and scenic roads; and, above all else, education of our citizens (especially youth).

Our accomplishments, although not earthshattering in fact some would say "none", have actually been many. We have learned to work collectively together, establish records, set goals, set up agendas, have guest speakers, attend workshops and establish communications with the Selectmen and Planning Board.

We have set directions in the following areas: Land Trusts, State acquisition of certain tracts of land, scenic roads ordinances, education of our citizens on conservation, water resources, underground tank identification and sharing information with neighboring towns concerning area concerns.

Although we are concerned about the character of our town for the citizens of the town and would like to see certain parts of the town preserved for future generations, we are not against development as long as it is in character with a Master Plan of the town where everyone gets to share in the beauty and riches of our town with its views, trails, hills, water resources, historic sites and spirit.

Respectfully submitted

Robert Harkins, Chairman

PLANNING BOARD REPORT

The Planning Board continues to meet on the first and third Wednesday of each month at 7:30 p.m. in the Town Hall. Any interested residents are encouraged and welcome to attend the meetings.

The Planning Board this year had a busy year with quite a few activities on its agenda.

We are still in the process of updating the Master Plan. We have also put forth some proposals for amending the Zoning Regulation and have a completed Sign Ordinance.

The Board received three subdivision and two site plan reviews and approved all requests.

As is the case every year, there are meetings that are relevant to the Board's function to which the majority of the members attended, to keep abreast of the changes in State regulations and also to learn how to address some of the more intricate problems that could arise at a future date.

Chief among the sessions were the Law Lecture series which describe in detail the pitfalls the Planning Board could encounter.

This second year as chairman has broadened my view to the aspects and horizons that are inherent in the functioning of a Planning Board.

I would like to thank all the members of the Planning Board for their dedication this past year and look forward to working together in the upcoming year.

The Board also welcomes our new members who are as follows:

Cara Leary, Secretary, Alan Grimshaw Jr, Peter Breen Jr and Debra Stone

Respectfully submitted

Gideon Nadeau
Chairman, Planning Board

REPORT OF THE SOUTHWEST REGION PLANNING COMMISSION

In 1988 the Regional Planning Commission continued to provide various services to the town of Troy. Work on the Master Plan proceeded; to date the Population & Housing, Natural Resources and Community facilities sections of the Plan have been submitted to the Planning Board for review and comment. In addition, preliminary maps for the Land Use section, as well as the field work and road inventory for the Transportation section have been completed. The final reports and maps should be ready within a few months.

In January of 1988 the Town of Troy contracted with the Regional Planning Commission for a Public Facilities Feasibility Study--an analysis of sidewalks, dry hydrants & fire ponds, police & fire protection, and water & sewer capabilities. The existing facilities were examined and needs for expansion were discussed. The study was submitted in December to the Office of State Planning for review.

The Troy Planning Board also received some direct assistance in 1988 from the Commission through the Planning Board Assistance Program. This provided the Board with advice on various subdivision reviews as well as zoning questions and amendments.

There were 14 meetings in Troy with persons from this office to work on the Master Plan or for Planning Board Assistance.

The Big Catch

MONADNOCK FAMILY & MENTAL HEALTH REPORT

AGENCY HISTORY

Monadnock Family Services was organized in 1959 following a joint study by the Cheshire County Community Services Council and the League of Women Voters (Keene and Peterborough). Originally named Monadnock Area Family Service, the agency was organized through a merger of the Bureau of Public Service and the Keene Mental Hygiene Association. The service operated in this form through 1966, expanding in a five year period to a staff of two full-time social workers with psychiatric and psychological consulting support.

In 1967, following a study during the previous two years, a community mental health clinic service was organized providing direct psychiatric and psychological services. This program added two psychiatric consultants, a clinical psychologist and one social worker to the agency staff.

Now, in 1988, Monadnock Family Services has grown from providing only outpatient services in its early years to providing a much broader range of services in response to community needs. MFS operates out of four district offices; Keene, Peterborough, Winchester and Walpole. We serve the 38 towns of the Monadnock Region. Our services now include the following:

Counseling Services for Adults	Housing
Adolescent and Children's Treatment	Client Service Management
Elderly Services and RSVP	Partial Hospitalization
Psychological Testing	Vocational Services
Emergency Services	Volunteer Center
Parenting Programs	

KEENE and WALPOLE DISTRICT OFFICES

The Keene and Walpole District Offices of Monadnock Family Services provides outpatient services for children and adults living in the town of Keene, Alstead, Chesterfield, Fitzwilliam, Gilsum, Marlborough, Marlow, Nelson, Roxbury, Stoddard, Sullivan, Surry, Swanzey, Troy, Walpole and Westmoreland. Included among these services are individual, group, family, and marital psychotherapy, as well as twenty-four hour crisis intervention. In addition, the Keene District Office provides special services for the Elderly, Vietnam Veterans, Sexual Abuse victims, and Pregnant teenagers and adolescent parents.

Monadnock Family Service is also continuing its alcohol and drug abuse prevention project in the Fall Mountain School District, Keene Junior High and Keene High School. This project provides consultation to teachers, administrators, parents and students around ways to address the problems of substance abuse and chemical dependency.

The staff of the Keene and Walpole District Offices are all trained professionals who are committed to meeting the mental health needs of the communities they serve.

Meals-On-Wheels	3,279 Meals	3,279 Meals

Total Unduplicated Residents Served: 72

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1988 with all funding sources is projected to be \$34,878.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town. In 1988, town support is projected to be \$4,879.00 for home care services and \$2,650.00 for the Meals-On-Wheels Program.

We recommend an appropriation of \$23,500.00 to continue home care services and \$1,650.00 for the Meals-On-Wheels Program to continue services at the current level.

Thank you for your consideration.

INDUSTRIAL DEVELOPMENT COMMITTEE

Tel. 603-242-7722

P.O. Box 215 Troy, New Hampshire 03465

In view of the many industrial client and associated contacts this committee has made in 1988 the feeling is strong that selected industry(s) will locate in Troy in the near future. The natural gas pipeline project should provide increased revenue for the town. In addition to the regular monthly meetings this committee in part or as a whole has had in excess of twenty face to face meetings with area, state, and business representatives. There has been direct communication with the following concerns: Yankee magazine, P C Connection, Kollmorgan Applied Technology Group, Swift River Hafslund, Thermo Electron, Harrisville Designs, Atlantic Packaging, and Applied Color. Your committee is working closely with the Office of Economic Development in Concord and has joined the New Hampshire and Northeastern Associations for Industrial Development.

The necessary chore of site description, survey, appraisals, improvement, access, and promotion continues as all loose ends are tied together to provide an attractive sales package for prospective clients. All town lots have been zoned industrial and litigation continues on some 40 acres in question. Feasibility studies are being undertaken by the Southwest Region Planning Commission to extend water/sewer lines to the outlying areas that are zoned industrial. An exploratory meeting will be held with representatives of the Champlain Pipeline Company (the natural gas project) in the near future.

Committee members made themselves available for information and input at a table at the 1988 Town Meeting, through a brief questionnaire at the same meeting, and with a RV "booth" at the Troy Arts Festival. Residents are certainly aware of Troy's growth in the passing months in the form of: The Village Gathering, Briar Patch Crafts, Golden Oak Realty, Arrow Variety, The Sportsmen's Den, renovations to the old post office, and construction of the Cranberry Hill Apartments. It becomes imperative that citizens communicate with their Planning Board and this committee in insure that Troy's growth continues at the rate and quality level in keeping with our town's best interest.

On a final note, residents should be cognizant of the less-than-ideal road access to the intended Industrial Park on Dort Street and the capacity limitations of the existing sewer plant.

Robert A. Hall
Chairman

WAR MEMORIAL RECREATION COMMITTEE

The Recreation Committee oversees the activities and programs for the War Memorial at Sand Dam. Originally, this living memorial was created to ensure that all Troy youths would have the opportunity to learn to swim. Since then, the concept has been expanded to become an 8-week summer camp program. This program includes activities such as arts and crafts, field trips and of course, swimming. It is available to all Troy youths from age 6 to 16. The program is run by a qualified director and other trained personnel who ensure a happy and safe environment for our children.

The 1988 summer program went smoothly with Julie Bernier as our director. The staff provided an interesting and fun program for the children of Troy which included swimming lessons, arts & crafts, boating safety and several field trips. Attendance was very good, with an average of 60 children each day. The committee was pleased with the success of the summer program.

The job of the Committee is to plan the season, prepare Sand Dam and other facilities, hire the director and oversee the program. The Committee is completely a volunteer organization made up of parents and other Troy residents concerned about the future of our children. The members of the 1988 committee were:

Eileen Breckell
Linda Jakubowicz
Gary Jardine

Kathy Marrotte
Elaine Merrifield
Margaret Rouleau
Marion Sargent

The continuation of this program is completely dependent upon the support of the community. We thank all those who have volunteered their time and energy. We hope to see you in the future.

REPORT OF YOUTH CENTER STUDY COMMITTEE

This committee was formed in April of 1985 to conduct a study for a youth center for the Town of Troy.

During this period of time, this committee has researched several areas concerning recreation and youth activities.

With the help of volunteers, this committee has implemented programs to extend the town's recreation program to a yearly program.

At the end of our third year, the members of this committee wish to make the following recommendations:

(1) The Youth Center Study Committee and the War Memorial Committee be joined as one and that programs implemented continue.

(2) Money raised from roller skating and other programs be placed in a trust fund for the sole purpose of a building fund.

(3) Money from past appropriations also be transferred to the trust fund.

(4) A community center should be considered for all age groups to enjoy.

With careful planning and dedication from those involved, the dream of many can become reality.

To all parents who serve as chaperones and to all members involved with this committee, I would like to personally thank each of you for a job well done.

Respectfully submitted
Gideon Nadeau, Chairman

REPORT OF THE BOARD OF ADJUSTMENT

It is the responsibility of the Board of Adjustment to hear and decide cases where it is alleged that there is an error in an order or decision made by the Selectmen.

The Board heard a number of requests for variance and special exception in 1988.

The Chairman commends the Board members for their contribution of time and energy.

All Board of Adjustment meetings are open to the public and citizens are urged to attend.

David Rollins, Chairman
Troy Board of Adjustment

Memorial Day Observance

ASHUELOT VALLEY REFUSE DISPOSAL DISTRICT

Annual Report 12/88

1988 has been a year of growth. The search for a double lined landfill has been an interesting but discouraging process.

As a result for the landfill search, three (3) communities have voted to withdraw from the District, those being Jaffrey, Gilsum and Swanzey leaving 16 municipalities in the 53B District. Hinsdale is in the process of reconsidering its status and Westmoreland will be looking for direction between now and town meeting.

The remaining communities are diligently pursuing any and all alternatives to resolve the trash problems as they are increasing, as you well know.

In October the search for a double-lined landfill and a waste reduction facility was turned back to the 149M District, they being the planning entity. The 149M District will be holding informational, educational meetings shortly asking for input and backing from all of the communities.

The budget for 1989 has been established and sent to all towns for their 1989 budgets. Anyone wishing to contact me concerning this matter is welcome to do so at 363-4320 after 4:00 p.m.

I wish to thank all of the towns and their representatives who have given so diligently of their time and efforts through a difficult year. We are looking forward to affirmative action in 1989 with major decisions to be made as the clock is running for all communities.

Respectfully,

Joan Dittrich
Chairman

TROY SENIOR CITIZENS REPORT 1988

We are starting our 11th year and wish to thank all the members for being so faithful in attending meetings and working on all our money making projects, June Bazaar and Arts Festival.

We have done our usual trips, luncheons, picnic at Verburg Farm, Thanksgiving baskets for shut-ins and cards for the sick.

Each year we give a donation to T.E.A.S.I. also this year we gave a "Life Line" for the use of the elderly and home bound.

This year we were able to get the Odd Fellows Hall to hold our meetings in, etc. Being more centrally located, we hope to get more seniors to join us.

We wish to thank East Hill Farm for giving us space for our meetings for so many years, also the Selectmen for their interest in our affairs, to Elmer Gladding for his personal contribution to our annual Baraar and to Ina and Maurice Clark for the work done on the flower garden on the South end of the Common and anyone else who has helped us in any way.

Our meetings are held on the fourth Wednesday of every month and all Senior Citizens are welcome.

Respectfully,

Winona Girouard, President

Troy Arts Festival

REPORT OF TROY ARTS FESTIVAL COMMITTEE

Each year Troy hosts the Troy Arts Festival which features craftspeople, musicians and artists from ours and neighboring communities. This year marked the twelfth such event. The Festival seeks to build community spirit by having all the local organizations participate.

This year's Festival began on a Friday evening with a concert on the Common. It proved to be a festive evening accompanied by balloons, popcorn and ice cream and an attendance of more than 200 people. The event continued Saturday with assorted entertainment, numerous participants and the same festive atmosphere.

Although many of the participants had joined us in the past, we were pleased to welcome a number of new participants. This was the first year for the Display Only area. The intent of this area was to allow Troy residents, who may not be interested in selling, to show their talents. The response shown by residents was positive and we will continue this display area next year.

The 1988 committee members and volunteers were:

Clif Cole	Lori Hale	Peg Huckins
Deb Daniels	Betty Harling	Lisa Lohman
Jody Descoteaux	Warian Hawkins	Minnie Mattson
Erv Doyle	Wendell Hawkins	Christy McCulley
Claire Drake	Bob Hebert	Betty Verberg

We give a heartfelt thank you to the committee members, volunteers, individuals and organizations who participated to make this event so successful. We look forward to seeing you again next year.

Sincerely,

Lisa Lohman - Co-Chairperson
Christina McCulley - Co-Chairperson

GRAND MONADNOCK ARTS COUNCIL

The Arts Council is a major community arts organization, with services that benefit people in towns throughout the Monadnock Region. Some of the services we provide are to:

- Act as a clearinghouse and resource center for arts information.
- Administer the Arts for Special Audiences program, funded by the Monadnock United Way, which sends performers and artists to nursing homes, Friendly Meal sites, day care centers, senior citizens groups and organizations that help mentally and physically handicapped.
- Administer Arts in the Library services, a reading incentive program that travels to all the regional town libraries and offers rich cultural experiences with no admission charge and free quality books to participating children. This program is funded in full by First Northern Bank of Keene.
- Present, with the Horatio Colony House Museum, a cultural series which is free to the public.
- Produce a beautiful Fine Arts Calendar showcasing the work of Regional Artists which is sponsored by regional businesses.

The Grand Monadnock Arts Council is continually working to live up to its name as regional arts agency. We do need and greatly appreciate your support. Thank you in advance for listing the Arts Council's request in your 1989 Warrant. If you have any questions, please feel free to call.

Sincerely,

Janis McCord
Director

T.E.A.S.I. Building Work Bee

TROY EMERGENCY AMBULANCE SERVICE INC.

This year, we realized the need for a new ambulance building. A place to call HOME. It would provide a place to garage our ambulance, hold training on a regular basis and a meeting room to hold regular meetings. The estimated cost of the building is \$75,000 and to date we have raised over 50% in donated money, labor and materials!

The building is located in back of the town hall and we invite you all to stop by and see our "Building in Progress".

In May we will be holding an auction to help raise funds for the building project. We ask you to remember us when you get ready to "Spring Clean". Call any member if you have items to donate for this fund-raising event and we will arrange pick up service. Donations are still being accepted at the Monadnock Bank, C/O Jane Derosier, Box 777, Troy, NH 03465. Checks should be endorsed to T.E.A.S.I. "Building Fund".

We take this time to thank you, our many friends for your continued support of our service. Your response to our needs has been fastastic and received in grateful appreciation. Your generous unselfish giving has encouraged us to go on!

We hope that you enjoy the pictures placed through-out your town report. They show only some of our "work bees" with volunteers from both our squad and the community.

We will continue to work hard to provide you with not only emergency ambulance service, but also transfer service. Because of the generous support of our community friends both from Troy and Fitzwilliam, we will continue to provide a service without taxes or charge to the user. For this, we are grateful.

Thanks, and a Very Happy New Year!

Raymond Woods
President

REASSESSMENT OF TOWN OF TROY 1989

This summer the Department of Revenue Administration Property Appraisal Division will be in the Town of Troy to revalue the buildings and land; this brings the assessment up to 100% of valuation.

Reassessment was last done in 1976 and completed in 1977. Since that time our equalized valuation has dropped to 40% as of 1988.

Prior to them coming to Town, the Selectmen will be doing the following which will reduce the cost of the revaluation.

Taking pictures of every house in Troy, they requested this be done for identification.

Checking measurements on buildings that have been added to or modified.

Making up new Tax Cards with Map & Lot number, Name and Address of the owner, and matching them up in Map and Lot number numerical sequence for easy access and identification to the assessors.

The more of this that we can do will save on the total expense for the revaluation.

Every one will be notified when they come to Town hopefully with a schedule as to where they will begin and how they will notify you when they do your property.

When the revaluation is completed in the late fall or early 1990, there will be a public hearing for questions that arise and corrections if necessary.

We have found from past experience and by checking with other towns, that it is the general opinion throughout the State that the assessors from the State Appraisal Division do a fine job and are very professional in their assessing.

Selectmen of Troy

MINUTES - TOWN MEETING MARCH 9, 1988 - TROY, N.H.

The polls were opened at 10:00 AM on Tuesday March 8, 1988 by acting Moderator Thomas Britton at the Troy Town Hall. The Polls remained open until 7:00 PM.

The meeting to take up the warrant was opened by acting Moderator Thomas Britton at the Troy School Auditorium on School Street at 7:40 PM on March 9, 1988. The salute to the flag was led by the Troy Boy Scout Troop #309. Invocation was given by Rev. Mark Pride of the Trinitarian Congregational Church.

ARTICLE 1: To bring in your votes for one Selectmen, for three years and for all other Town Officers elected by ballot as passed by Town Meeting or State Statutes for the specified number of years.

Budget Committee for three years	Sally C. Birch
Budget Committee for two years	L. Bruce McCulley
Budget Committee for one year	Gideon L. Nadeau, Sr.
" " " " "	Jean M. Whitcomb
Supervisor Checklist for six years	Carolyn Mattson
2nd Deputy Fire Chief for three years	Raymond W. Dicey

ARTICLE 2: Are you in favor of the adoption of the following amendments as proposed by the Planning Board for the Town Zoning Ordinances as follows:

Amendment #1: Amend the Troy Zoning Ordinance Article III: General Provisions, Section B by deleting the existing Section B language and inserting the following as Section B:

B. No new structure shall be erected or placed within limits of the Town of Troy without a building permit from the Board of Selectmen, so as to ensure compliance with Town, State and Federal laws relative to Water supplies, sanitation, fire, health and safety, unless said building or structure is less than two hundred (200) square feet and serves as an accessory use to an existing residence.

Yes 243 No 57

Amendment #2: Amend the Troy Zoning Ordinance Article IV: Village District Section 2 by deleting existing Section 2 language and inserting the following as Section 2:

(2) Lodging, rooming and boarding houses; group homes; motels, hotels, bed and breakfasts, nursing homes and health care facilities for the elderly; and other accommodations for overnight guests, shall be allowed only by special exception granted by the Board of Adjustment when the Board determines that said use meets the requirements imposed by Article X, Section D; and the provisions of the Town of Troy Site Plan Review Regulations.

Yes 221 No 79

Amendment #3: Amend the Troy Zoning Ordinance Article IV: Village District Section 7 & 8 by deleting the existing Section 7 & 8 and replacing them by inserting the following as Section 7, renumbering subsequent items accordingly;

(7) Home occupation activities, including professional offices, shall be permitted only as Special Exception granted by the Board of Adjustment when said Board is satisfied that such use meets the requirements imposed by Article X, Sections D & G1.

Yes 202 No 92

Amendment #4: Amend the Troy Zoning Ordinance Article IV: Village District Section 9 by deleting existing Section 9 language and inserting the following as Section 9:

(9) Conversion of existing single-family dwelling to a two-family dwelling or the conversion of an existing single-family or two-family dwelling to a multi-family dwelling shall be permitted only by special exception from the Board of Adjustment provided that the Board determines that such uses meets the requirements imposed by Article S and G3.

Yes 235 No 72

Amendment #5: Amend the Troy Zoning Ordinance Article VI: Rural District Section 11 by deleting existing Section 11 language and inserting the following as Section 11:

(11) Conversion of existing single-family dwelling to a two-family dwelling or the conversion of an existing single-family or two-family dwelling to a multi-family dwelling shall be permitted only by special exception from the Board of Adjustment provided that the Board determines that such uses meets the requirements imposed by Article X & G3.

Yes 224 No 69

Amendment #6: Amend the Troy Zoning Ordinance Article VI: Rural District Section 9 & 10 by deleting the existing Section 9 & 10 language and replacing them by inserting the following as Section 9, renumbering subsequent items accordingly:

(9) Home occupation activities, including professional

offices, shall be permitted only as Special Exception granted by the Board of Adjustment when said board is satisfied that such use meets the requirements imposed by Article X, sections D. & G1.

Yes 119 No 78

Amendment #7: Amend the Troy Zoning Ordinance Article VII: Industrial District Section B by replacing language pertaining to Minimum stories with the following language pertaining to Maximum stories and replacing language pertaining to minimum of open lot to the following language pertaining to minimum of lot left as open space:

- B. Maximum stories (buildings) 2 1/2
Minimum of lot left as open space 25%

Yes 222 No 58

Amendment #8: Amend the Troy Zoning Ordinance Article IX: Administration and Enforcement by deleting the existing Section B and inserting the following as Section B.

- B. It shall be unlawful to erect and use any structure, alter the size of any existing building, remove or demolish any existing structure or relocate any building in any district within the Town of Troy without first obtaining a building permit from the Board of Selectmen or their agent, unless such structure is less than two hundred (200) square feet and serves as an accessory use to an existing residence.

Yes 200 No 78

Amendment #9: Amend the Troy Zoning Ordinance Article VIII: Non-Conforming Uses and Non-Conforming Lots of Record by inserting the following as Section D.

- D. Non-conforming Lots of Record (Grandfather Clause).
- a. In any district in which single-family detached dwellings are permitted, such a dwelling and customary accessory buildings may be erected on a vacant lot which was a lawful lot of record as of the date of the zoning regulations making said lot non-conforming. Such buildings may be erected even though the lot does not conform to the area of frontage requirements of this ordinance.
 - b. The applicable district requirements for setbacks and other requirements not involving area of frontage shall still apply to non-conforming lots of record.
 - c. No structure or building shall be erected on a non-conforming lot of record unless the septic system requirements of both the State of New Hampshire and the Town are complied with.

Yes 208 No 67

Amendment #10: Amend the Zoning Ordinance Article X: Board of

Ajustment Section G (3) by inserting the following as item a:
a. The property has received Site Plan Approval from the Planning Board.

Yes 212

No 58

ARTICLE 3: Are you in favor of the adoption of the following Amendments as proposed by the Planning Board for the Town Zoning Ordinances as follows: These are additional definitions to be added to Article XVI; Definitions, and will be added alphabetically and renumbered accordingly.

1. BED AND BREAKFAST (GUEST HOUSE) FACILITY. An existing residential building that is used as a residence and which contains not more than six (6) sleeping rooms, with or without individual sanitary facilities, for rental accommodations for tourists, for durations less than two weeks, which serves breakfasts to guests and may serve other meals to guests. An accessory building to a residence is not a Bed and Breakfast.
2. CONVERSION APARTMENT. The remodeling of a single-family dwelling unit into two or more separate dwelling units, or, the conversion of an existing two family dwelling unit into three or more separate dwelling units.
3. DWELLING: A building designed or used as the living quarters of one or more families. The terms "Dwelling", "single-family dwelling", "two-family dwelling" or "multi-family dwelling" shall not be deemed to include "motel", "hotel", or "group home", "boarding house" or "nursing home".
4. DWELLING TYPE:
 - a. Single-family. A dwelling unit accommodating a single family, detached from any additional dwelling units, with two side yards.
 - b. Two-Family (Duplex). A building having two (2) dwelling units each with its own exterior entrance and containing no more than two families. The dwelling units may be either semidetached with one (1) family living on each side of a common party wall or stacked with one family living over the other.
 - c. Multi-Family. A building containing three (3) or more dwelling units and designed to be occupied as a residence by three (3) or more families living independently of each other and each having its own exterior door or entrance from an interior hall. For the purpose of this code Townhouses (Row Dwellings) shall be considered multi-family dwellings.
 - d. Townhouse (Row Dwelling). Three or more dwelling units accommodating three or more families which are attached side by side through the use of common party walls and which may have side yards adjacent to each unit.
5. DWELLING UNIT. Any building or portion thereof which is designed and used exclusively for residential purposes of one

(1) family, and includes complete kitchen and bathroom facilities.

6. FAMILY.

- a. An individual, or two or more persons related by blood or marriage or adoption, living together in a dwelling unit; or
- b. A group of not more than four persons who need not be related by blood or marriage or adoption, living together as a single housekeeping unit in a dwelling unit and sharing common facilities as considered reasonably appropriate for a family related by blood, marriage or adoption; in either case exclusive of usual servants.

Yes 219 No 80

ARTICLE 4: To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray the following Town expenditures.

a. Town Officers Salaries	\$32,650.00
b. Town Officers Expense	12,000.00
c. Election & Registration	2,200.00
d. Town Hall	12,150.00
e. Insurance	60,000.00
f. Social Security	15,000.00
g. Interest on Temporary Loans	6,000.00
h. Memorial Day	1,100.00
i. Landfill	30,000.00
j. Street Lighting	15,000.00
k. Legal	5,000.00
l. Planning Board	1,790.00
m. Board of Adjustment	845.00
n. Emergency Management	5,000.00
o. Conservation Commission	520.00
p. Common	1,600.00

Passed

ARTICLE 5: To see if the Town will vote to raise and appropriate such sums of money as may be necessary to support public services as recommended by the Budget Committee and Selectmen.

a. Health Related Programs	\$30,000.00
b. War Memorial Programs - Recreation	14,400.00
c. Meadowood County Area Fire Dept	1,000.00
d. Southwestern N.H. Regional	2,050.00
e. Arts Festival & GMAC	1,250.00
f. Gay Kimball Library	19,400.00
g. Forest Fire Suppression	1,500.00
h. Senior Citizens	1,100.00

Passed as written

ARTICLE 6: To see if the Town will vote to raise and appropriate such sums as necessary to support Town Departments as recommended by the Budget Committee and Selectmen.

- a. Highway - Summer & Winter \$70,000.00
- b. Police Department 58,500.00
- c. Fire Department 24,375.00
- d. Welfare 16,000.00
- e. Dog Control 1,650.00
- f. Special Police 5,000.00
- g. Industrial Development 7,400.00

Passed as written

ARTICLE 7: To see if the Town will vote to raise and appropriate such sums of money as may be necessary for the care of the cemeteries. Budget Committee and Selectmen recommend \$10,000.00. \$9,000.00 to come from Trust Funds. Passed as written

ARTICLE 8: To see if the Town will vote to raise and appropriate \$4,000.00 to continue the update of the Comprehensive Plan and to continue planning assistance to the Planning Board. Passed as written.

ARTICLE 9: To see if the Town will vote to raise \$156,000.00 for the Water/Sewer Department. Recommended by Budget Committee and Selectmen. Passed as written

ARTICLE 10: To see if the Town will authorize the Selectmen to expend the Highway Block Grant of \$30,000.00 that the Town will receive from the State for the calendar year 1988 for maintenance, construction, and reconstruction of Class IV and V highways. Recommended by Budget Committee and Selectmen. Passed as written

ARTICLE 11: To see if the Town will vote to authorize the Selectmen to close out the Revenue Sharing account and place the closing into the Police Department Capital Reserve Fund. The amount is approximately \$1,200.00 which will be added to funds for purchase of a new cruiser when voted. Recommended by Budget Committee and Selectmen. Passed as written.

ARTICLE 12: To see if the Town will vote a sum of money \$162,345.00 for the payment of Sewer Bonds. Income from the State of New Hampshire and FHA will be \$122,405.47. Recommended by Budget Committee and Selectmen. Passed as written.

ARTICLE 13: To see if the Town will vote to authorize the Selectmen to administer the Capital Reserve Fund established for the revaluation of the Town of Troy. Recommended by Budget Committee and Selectmen. Passed as written.

ARTICLE 14: To see if the Town will vote to raise and appropriate up to \$20,000.00 for the purchase of a new one-ton dump truck with plow.

\$10,000.00 to come from the Highway Department Capital Reserve Fund. This is to replace the present 1984 one ton truck and plow. The 1984 truck to be sold by bid process with the proceeds of the sale to go into the Highway Dept. Capital Reserve Fund. Passed as written.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of \$100,000.00 for the installation of a new well for the Water Department and to authorize the issuance of not more than \$100,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Town officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. Recommended by Budget Committee and Selectmen. Passed by ballot vote Yes 66 No 0

ARTICLE 16: To see if the Town will vote to authorize the Water/Sewer Commissioners to withdraw from the Troy Water Department Capital Reserve Fund the amount determined by the Water/Sewer Commissioners to be applied to the issuance of the bonds and or notes for the installation of a new well, to reduce the amount need to be borrowed. Recommended by Budget Committee and Selectmen. Passed as written.

ARTICLE 17: To see if the Town will vote to raise and appropriate the amount listed below to be placed in the Capital Reserve Fund of each Department listed for the purpose of purchasing vehicles or additional equipment when voted by the Town. Recommended by Budget Committee and Selectmen.

Fire Department	\$6,000.00
-----------------	------------

Passed as written.

ARTICLE 18: To see if the Town will vote to authorize the withdrawal of \$12,000.00 from the Fire Department Capital Reserve Fund to purchase a 1975 International Tanker with front end pump from the Town of Peterborough. Recommended by Budget Committee and Selectmen. Clif Cole requested that the amount be amended to \$12,275.00 to cover the interest on a loan taken for this purpose. Passed as amended.

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for the purpose of establishing programs and continued study and development of plans for a Youth Center in the Town of Troy. The Selectmen, Moderator and Budget Committee chairman will appoint six (6) residents of Troy to a committee to over see the Youth Center Study Committee. Recommended by Budget Committee and Selectmen.

Gideon Nadeau requested that this article be amended to delete the last sentence which sets 6 more persons to oversee the present committee. He stated that the committee feels that 6 more persons could set up road blocks for programs planned for the next year. Wendell Hawkins asked why do we need 6 more persons. Selectman Walsh stated that the liability to the town in case of damage to persons or property was extremely high and selectmen feel that there would be a

better handle on this with more persons involved along with the insurance coverage. Amendment defeated. Original article passed by hand vote Yes 44 No 15

ARTICLE 20: To see if the Town will vote to authorize the Selectmen to negotiate with Eugene Beauregard to acquire the parcel of land Map 11 Lot 2A .11 acres on the east side of Dort Street extension at the Sewer Plant gate and to further adjust the land between the Town Road, Dort Street extension and land of Eugene Beauregard. Upon acquisition this .11 acre parcel is to be added to Town owned map 11 Lot 5. Recommended by Budget Committee and Selectmen. Acreage amended to read 3.11 acres. Passed as amended.

ARTICLE 21: To see if the Town will vote to zone the remainder of Map 11 Lot 5 as Industrial. This is town land acquired by Tax Deed in May 1986. Only a portion of the land has been zoned Industrial by prior vote of the Town. Recommended by Planning Board and Selectmen. Yes 237 No 67

ARTICLE 22: To see if the Town will vote to authorize the Selectmen to sell, transfer and convey property described as the Timothy P. Brown Map 11 Lot 5, partially zoned Industrial and to be totally zoned Industrial, located on Dort St. on recommendation of the Industrial Development Committee and approval of any other committees involved in the Town of Troy, if it is in the best interest of the Town. Recommended by Planning Board and Selectmen. Passed as written.

ARTICLE 23: To see if the Town will vote to zone Map 13 Lot 7 as Industrial. This is town land acquired by Tax Deed and is designed as Town Forest. It is zoned as Business District. Yes 206 No 101

ARTICLE 24: To see if the Town will vote to authorize the Selectmen to sell, transfer and convey property described as Town Forest Map 13 Lot 7 to be zoned Industrial, located off Route 12 South on recommendation of the Industrial Development Committee and approval of any other committees involved, if it is in the best interest of the Town. Passed as written.

ARTICLE 25: To see if the Town will vote to authorize the Selectmen to sell, transfer and convey property described as the Webby Hayes Map 11 Lot 2 Lot, which was purchased by the Town in 1978 and is located off Dort St. Passed as written.

ARTICLE 26: Shall we adopt the provisions of RSA 80:58-86 for a real estate lien procedure? These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may

acquire a tax lien against land and buildings for unpaid taxes. Recommended by Budget Committee and Selectmen. (By petition)

Gary Lang stated that he felt that with this type of procedure, the taxpayer was losing a year in which to pay off the taxes. Selectman Callahan stated that this would close the open bid procedure and the town will purchase all liens and there will be no outside bidders. The Tax Collector stated that the 1987 unpaid taxes would go to lien in the spring of 1988 and tax deed would be in 1990, thus allowing the three year period, or 2 yrs & 1 day from lien. After much more discussion, this article was passed by ballot vote. Yes 67 No 9

ARTICLE 27: To see if the Town will vote to authorize the Selectmen to close out the Sewer account with the EPA and the State of N.H. and accept a sum of money that will be returned to the Town. To use that sum to close out the Sewer Construction account and turn the remaining money over to the Water/Sewer Commissioners to be invested and to be used for future capital products related to the Sewer Dept. Passed as written.

ARTICLE 28: To see if the Town will vote and authorize the Water/Sewer Dept. to withdraw the Capital Reserve accounts now established for the Water Dept. and for the Sewer Dept. that are in Capital Reserve accounts and to place them in separate accounts with the Town Treasurer where they can be invested and used as needed in an emergency. Recommended by Selectmen. Passed as written.

ARTICLE 29: To see if the Town will vote to classify Mackey Road as a "Scenic Road", as provided under RSA 231. Recommended by Selectmen and Conservation Committee. (By Petition)

James Callahan asked why just Mackey Road and not other roads in town. Selectman Matson stated that this article was supposed to include all roads subject to gates and bars. John Callahan Sr. and Robert Harkins only had time to get this one done this year. The Town Clerk is required by Law to notify all persons whose property abuts any road designed as "Scenic Road." All this article means is that you will need permission from the Planning Board for a building permit. You cannot cut down large trees or move stone walls. Permits will have to come in two weeks prior for notice to be put into the paper for a public hearing. They then will have to give you permission to move stones for a driveway or trees which may be needed to be removed for same. It does not interfere with any private property. It is just to protect back roads and the Conservation Commission is going to do it to all roads. Passed as written.

ARTICLE 30: To see if the Town of Troy will abolish the Resident Tax. Not recommended by Selectmen or Budget Committee. (By petition)

Selectman Callahan stated that this article was brought in by Petition. Selectmen had the right to put this on the warrant before, but chose not to. In several cases in the town, this is the only income from

people we receive. In one instance in the past year, the recordkeeping involved in this tax was supportative evidence to get us out of a \$20,000 liability. This makes us keep a fairly accurate census. Article defeated.

ARTICLE 31: To see if the Town will vote to allow the Troy Ambulance Service "TEASI" to construct a building to house the ambulance and provide a meeting room on Town land behind the Town Hall. The old town barn will be taken down. There is no estimated cost to the town as the project will be done by a fund-raising effort by TEASI and others who wish to participate. The process required by our Zoning Ordinance of Site Plan Review and the Board of Adjustment will be followed prior to the mechanics of fund raising. Recommended by Selectmen. Passed as read.

ARTICLE 32: To see if the Town will vote to authorize the Board of Selectmen to transfer any unencumbered funds from the Welfare Department appropriation to the Capital Reserve Fund, at the end of the current year. This money to be used only for any large welfare case that should come up in the future. (By Petition) Not recommended by Budget Committee or Selectmen. Article defeated.

ARTICLE 33: To see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the conservation fund for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said donated funds and state matching funds may be expended by majority vote of the conservation commission. Recommended by Conservation Commission and Selectmen. Passed as written.

ARTICLE 34: To see if the Town will vote to authorize the Board of Selectmen to trade, sell or otherwise dispose of any unusable vehicles or equipment, of any of the departments of the Town, or to take any action thereon. Recommended by Budget Committee and Selectmen. Passed as written.

ARTICLE 35: To see if the Town will vote to reopen a section of road at the end of the town maintained road on South Main St. from the present Road Closed to Gates & Bars sign for a distance of 1,200 feet. Only one house will be built on the Lepisto Property and that will have a 200 foot frontage on this road. Culverts, if needed, will be put in by the owner.

There was much discussion as to what a Class 6 road was and the width of same. Fred Lawrence made the statement that it made it possible for more building if road was upgraded to Class 5. Bruce McCulley

wished to amend the article to read that any reopening be made contingent upon approval of Selectmen and Town Road Agent upon completion of road to State specification of a Class 5 road. Amendment passed. Elmer Gladding asked when this road was brought up to class 5, what would be the width of it. Buzzy Mitchell stated that any new road in town would be the 50' that the state requires, even if it meant taking some of the land near the road to do so. Fred Lawrence was in favor of reopening the road only after it had been brought up to state standards. No vote taken. He also requested that the article be voted on by a yes - no vote and was seconded by Gary Lang.

Yes 30 No 39 Article defeated.

ARTICLE 36: To see if the Town will vote to encourage the people in the Town of Troy to recycle the refuse that is taken to the dump. The landfill to be set up so that specific areas are designed for recyclable materials. With the present problems and fast rising cost of landfills in New Hampshire and the country, we will need everyone's cooperation to do our best to save space, protect the environment, the water table and to keep cost down. It is possible that in the future recycling will become mandated; we need everyone's help.

Carl Beede made the comment that he felt that there were too many rules at the landfill. Some people have three stickers and some have only one. Martin Nolan commercial hauler is paying only 3.00 per truck for his stickers, and Carl felt that he should be charged more. Selectman Walsh stated that the Selectmen have never set a fee for Commercial Haulers, but are working on it. If anyone has any suggestions, they would be more than happy to hear of them. Carl then said that he would not put his sticker on his vehicle until the people at the Town meeting voted that that was what should be done. He also asked where the \$3.00 was going.

Selectman Callahan said that the decision to go to paid stickers was not decided as easy as it sounds. There were 17 people asked to be on a dump committee and they suggested a fee of anywhere from \$2.00 to \$10.00, Selectmen chose \$3.00. The question as to do the Selectmen have a right to charge a fee and there is a RSA which uses words "to regulate" therefore gave power to Selectmen or a dump committee to make fee. There has been a 10-15% reduction in usage at landfill. The metals pile has stopped growing. At one time there was a lot of carcasses being left at the dump and that has stopped. This leads the Selectmen to believe that who ever was doing this was not entitled to use our dump. All monies derived from the sale of permits goes into the General Fund.

Wendell Hawkins stated that we need specific places for recycling. Bins, cans or equivalent for cans, bottles, papers, etc. He also feels that there should be someone there to be sure that everyone does recycle and it is put into proper places.

Warren Hawkins made the statement that recycling would become mandatory within a couple of years and we should start now, as it would be easier when the law does become effective.

Passed as written.

ARTICLE 37: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31-05B. Passes as written.

ARTICLE 38: To see if the Town will vote to authorize the Selectmen to borrow money to pay charges and the interest thereon. Passed as written.

ARTICLE 39: To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by Tax Collector's Deed by public auction (or advertised sealed bid) or in such manner as determined by the Selectmen as justice may require. Passed as written.

ARTICLE 40: To see if the Town will vote to authorize the Selectmen to enter into agreements with the Southwest Regional Planning Commission, the State office of Emergency Management, the State Planning Commission, and other State agencies, when money becomes available for feasibility studies, grants, and agreements in the best interest of the Town. This is to be done by the Selectmen, with the approval of the Town Budget Committee, after consultation with the Conservation Commission, Planning Board and Industrial Development Committee. Recommended by Budget Committee and Selectmen. Passed as written.

ARTICLE 41: To hear reports of committees, agents or officers heretofore chosen and take any action relative.

Fred Lawrence chairman of committee to decide what, how and where a new town barn should go stated that he had done nothing this past year, but planned to get the committee together during 1988 and see if they could come up with any plans.

Gid Nadeau made a motion that Article 19 be reconsidered and Gary Jardine seconded this motion. Moderator Britton stated that this motion was out of order as someone who voted in the majority must make a motion to reconsider an article.

Meeting adjourned at 12:15 AM.

Respectfully submitted,

Raelene Cummings
Town Clerk

CHARLES E. ADAMS

At this time the Selectmen of Troy pay tribute to "Charlie" Adams for the years of dedication to the Town of Troy and its citizens as a police officer and dog officer, who was in the performance of his duties respected by all.

Charlie came to Troy from Saxonville, Mass., where he was a professional full-time police officer. Upon retiring and moving to Troy, Charlie was appointed a police officer, where his past experience and knowledge was an asset to the Police Department.

Through our troubled times of the seventies, his dedication to duty and his personality did a lot to overcome some of the problems that were around in those years.

Always with a smile and a joke, Charlie went out of his way to help and advise the youth of the Town. He had great respect from the youngster, their parents and the elderly. He was always available for advise or to solve a problem. In return, they respected him.

Charlie retired as a police officer but went on to remain as the town dog officer. Again his love for people showed through when he picked up a stray animal and, most of the time, returned it to its owner, if known, instead of the pound. His personality was such that he got along with everyone; and when help was needed, he was there.

At the time of his passing away, he had nine children, twenty-two grandchildren and two great-grandchildren.

Charlie is missed by all.
