Commissioners' Report.

TO THE CITIZENS OF CARROLL COUNTY:

In accordance with the requirements of the Public Statutes of the State of New Hampshire, the Commissioners of Carroll County herewith submit the following report of their business transactions for the year ending December 31st, 1918, together with the report of several of the other County Officers.

Mr. Geo. B. Reed, as Superintendent, and Mrs. Reed, as Matron, remain in charge of the Farm and Almshouse.

We believe they look carefully after all the interests of the county, also the welfare of those committed to their care.

You will note that the county is not omitted in the "high cost of living" conditions, to which we are all subjected. The report shows an increase in the cost per week at the home, from what it was a few years ago, not all due to increase in the cost of supplies; the number of inmates being less advances the cost per person, as 75 can be supported at the same price as 40 for all their needs except food and clothing.

Many county dependents would be under better conditions at the Farm than they are when away. However, law forbids in some cases and public sentiment in others, so that a large number are cared for outside who would receive better care at the farm.

We wish to thank the Superintendent and Matron at the County Farm, and all County Officers and Overseers of the Poor for their earnest labor during the past year,

STATEMENT SHOWING COST OF PERMANENT IMPROVEMENTS
FOR THE YEAR ENDING DEC. 31, 1919

Gentlemen: In presenting to you this our fourth annual report, we beg to express our thanks and appreciation for the continued cooperation in the care and management of this institution. The difficulties of the past year, we believe are more or less familiar to all and need not be enumerated here; we will say, however, that we have met the situation as best we could under the circumstances and trust that our efforts have met with your approval.

On account of the high cost of material and labor conditions, little has been done in the way of repairs or permanent improvements. We laid new floors in parlor and reception rooms, made some repairs on windows, built new screen doors and windows for both buildings. We find the foundation of the barn is giving away and should be attended to as soon as it is practical to get at it. The heating plant in the main Almshouse is in a deplorable condition and should receive attention at an early date.

Our help and inmates were attacked by influenza about Oct. 1, and nearly prostrated our whole working force, only for the timely assistance of Commissioner John E. Perkins in securing a nurse, and the faithful attention of our physician, Dr. E. W. Hodsdon, we hardly dare to guess the result; however, we came out of it with only one

death and none really suffered for want of care or nourishment.

Mrs. Mary Buswell again remembered the inmates with a generous donation for a Thanksgiving dinner; this thoughtful kindness is much appreciated by all.

To our doctor, E. W. Hodsdon, our Chaplain, Rev. Daniel McIntyre, our employees, and all who have contributed towards the comfort of the inmates and the success of the institution, we extend our thanks and appreciation.

Respectfully submitted,

GEO. B. REED, Superintendent.

Chaplain's Report.

TO THE COMMISSIONERS OF CARROLL COUNTY:

I submit to you my annual report as chaplain. The regular monthly service has been given at the usual time on the second Sunday afternoon. On account of the influenza this service for October was rendered on Thanksgiving Day. All Protestant inmates, in fact all connected with the institution, are in attendance. Visits to the jail, and calls on the aged, the sick and dying have been made at the request of the superintendent and matron. Three funeral services, one less than last year, have been attended, a marriage solemnized and a darling child dedicated to Him. At the thirty-nine services since my labor began there has been a growing appreciation and a mutual feeling that the hours spent together in the month supplies an aspiring want.

Cordially yours,

DANIEL McINTYRE,

Pastor of Second Congregational Church.

AID TO PERSONS QUARANTINED.

It sometimes becomes necessary to assist a family when quarantined on account of scarlet fever, diphtheria, etc, by reason of its being deprived of the opportunity to earn wages or from other causes, and to provide for which the following law was enacted by the legislature and approved March 11, 1899.

SECTION 1. Whenever any person or family is placed in quarantine by a board of health, to protect the public against small pox, scarlet fever, diphtheria or any other dangerous, infectious or contagious disease, it shall be the duty of said board to assist such person or family while in quarantine in such a manner as in the judgment of the board may be deemed wise and necessary.

SECT. 2. All expenses thus incurred, or such part thereof as the board may determine, shall be deemed a legitimate expenditure for the protection of the public health and shall be charged to the account of incidental expenses, but not to any indigent pauper account, nor shall such expenditure be construed to mean a public aid to the person or persons quarantined and assisted unless such person or persons are already paupers as defined by the Public Statutes..

The above law would seem to solve, in a thoroughly satisfactory way, a question which heretofore has been considerable of a problem in some localities. The entire matter is left to the judgment of the local board of health, and whatever aid the board may deem to be wise and necessary to extend to the families in question must be paid by the town and charged up as provided for in section 2.

Public Statutes.

CHAPTER 84.

LAWS IN RELATION TO AID FURNISHED TO INDIGENT SOLDIERS, AND PROVIDING FOR ENTRANCE TO THE SOLDIERS' HOME IN CERTAIN CASES.

SECT. 9. Whenever any person resident in this state, who enlisted in the quota of this state, and was reckoned and served as a soldier or sailor from New Hampshire in the army or navy of the United States, in the War of the Rebellion or in the Spanish or Philippine wars, and who received an honorable discharge, not being under guardianship or legal restraint, shall become poor, and unable to provide maintenance for himself and dependent family, such person, his wife widow or minor children, or such of the children as are unable to maintain themselves shall be supported at the public expense in the town or city of their abode, at their own home or any such place, other than a town or county almshouse, as the overseers of the poor or county commissioners shall deem right or proper, but no person shall receive aid under the provisions of this section unless he has resided in this state three years or more before making application for such aid, and no person shall, while receiving aid under the provisions of this section use intoxicating liquor to an extent which shall render him incapable of working at his usual occupation and no person receiving aid under the provisions of this section shall sell any article furnished him, nor exchange them for intoxicating liquors, nor share any such aid with any persons other than those above named as being entitled to the benefit of these provisions. Any person receiving aid under the provisions of this section, who receives a pension from the United States government, shall, while

receiving such aid, apply the pension to the support of himself and dependent family, and shall, when requested, furnish to the overseers of the poor or the county commissioners satisfactory proof that such pension has been so applied. Any person applying for such aid, shall, when requested, furnish to the county commissioners or the overseers of the poor the certificate of a reputable physician, resident in the county in which he lives, as to the incapacity on his part to perform manual labor. Neglect by any person applying for or receiving aid under the provisions of this section to comply with the foregoing provisions and conditions of this section so far as such person is concerned, and such person may be supported at the town or county almshouse.

SECT. 10. The expense of support furnished under the provisions of the preceding section shall be kept and reported in a separate account under the head of "aid furnished to dependent soldiers and their families," and not in the general pauper account, but shall be recoverable of the person, town or county liable therefor as in other cases.*

SECT. 11. The county commissioners or the overseers of the poor of any town may require any person applying for aid under the provisions of Section 9 of this chapter, who is eligible for admission, to make application for admission to the New Hampshire Soldiers' Home, in case he has no family or settled place of abode, whenever in their discretion they deem it best; and if such person refuses to make such application, or if admitted refuses to go to said Soldiers' Home, the county or town shall be relieved from the provisions of the preceding sections so far as such person is concerned, and he may be supported at the county or town almshouse.

AN ACT

TO PROVIDE FOR THE PUNISHMENT OF PARENTS FOR THE
ABANDONMENT OF THEIR FAMILIES IN CERTAIN CASES.

* This section was passed by the house and senate, but was omitted from the engrossed bill. Such references are made to it in the engrossed bill that it is evident the legislature intended it should be a part of the law.

Be it enacted by the Senate and House of Representatives in General Court Convened:

SECTION 1. That as used in this act the word "children" shall be limited to mean children under sixteen years of age and also such children over sixteen years of age and under twenty-one years as by reason of physical or mental infirmity are incapable of supporting themselves; and further that separation within the meaning of this act shall include, in addition to the cases embraced within the usual meaning of the word, every case where a husband has caused his wife to leave him by conduct on his part which would be ground for divorce and also every case where by extreme cruelty or other conduct it becomes improper for children to remain with their father and have for this reason become separated from him.

SECT. 2. If any husband or father being within the limits of this state shall hereafter separate himself from his wife or from his children or from his wife and children without reasonable cause and shall wilfully neglect to maintain his children, and his wife, when such wife is destitute or dependent wholly or in part on her earnings for adequate support he shall be guilty of a misdemeanor, and on conviction thereof be sentenced to jail or the house of correction for a period of not more than six months, and to pay a fine not exceeding twenty dollars or either or both at the discretion of the court; such fine if any to be paid or applied in whole or in part to the deserted wife or children as the court may direct.

Provided no such conviction, payment of fine or undergoing imprisonment shall in any manner effect the obligation of any order for support theretofore made against the defendant.

And provided further that upon conviction the court may suspend sentence upon and during compliance by the defendant with any order for support theretofore made against him as already made or as may theretofore have been modified in the manner now provided by law; and if no such order shall have been made then the court trying the defendant may make such order for the support by the defendant of his wife and children or either of them which order shall be subject to modification by the court on cause shown and the court may suspend sentence upon and during compliance by the defendant with such order as originally made or as subsequently modified by the court.

SECT. 3. If any woman or mother shall separate herself as the term is defined in section 1 of this act from her husband without cause, or from her children, she shall be guilty of a misdemeanor and upon conviction thereof shall be sentenced to the county jail or the house of correction for a term not exceeding six months and to pay a fine not exceeding twenty dollars or either or both as the court may determine, the fine if any to be applied in the discretion of the court to the benefit of the deserted husband or children or both.

SECT. 4. All acts and parts of acts inconsistent with this act are hereby repealed.

SECT. 5. This act shall take effect upon its passage.

Approved, March 22, 1907.

AN ACT

FOR THE PROTECTION OF CHILDREN.

Be it enacted by the Senate and House of Representatives in General Court Convened:

SECTION 1. If any person shall abandon an infant under four years of age, or being its parent and having made contract for its support, shall abscond or fail to perform said

contract if of sufficient ability, shall neither visit nor remove such infant nor notify the proper authority of the town, ward or city in which he resides of his or her inability to support such infant, he shall be punished by imprisonment not exceeding two years; or if the infant dies by reason of such abandonment, by imprisonment not exceeding thirty years.

SECT. 2. If any person, knowingly and with wrongful intent shall aid or abet in the abandonment of such infant he shall be punished by a fine not exceeding one hundred dollars or by imprisonment not exceeding two years, or both.

SECT. 3. This act shall take effect upon its passage.

Approved, January 31, 1907.
