ARTICLE 29. To see if the Town will vote to adopt the following Resolution A pertaining to the National Flood Insurance Act of 1968:

RESOLUTION A: WHEREAS, certain areas of RINDGE are subject to periodic flooding from STREAMS, RIVERS, LAKES, causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Town Meeting to require the recognition and evaluation of flood hazards in all official actions relating to land use in the floodplain

## ANNUAL REPORT

areas having special flood hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to New Hampshire RSA Chapter 31,36,156 and 156A.

NOW, THEREFORE, BE IT RESOLVED, That this Town Meeting hereby:

1. Assures the Federal Insurance Administration that it intends to enact and maintain in force for those areas having defined flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

2. Vests the Board of Selectmen with the responsibility, authority, and means to:

a. Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites.

b. Provide such information as the Administrator may request concerning present uses and occupancy of the floodplain.

c. Cooperate with Federal, state, and local agencies and private firms which undertake to study, survey, map, and identify floodplain areas, and cooperate with neighboring communities with respect to management of adjoining floodplains in order to prevent aggravation of existing hazards.

d. Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development and implementation of floodplain management measures.

3. Appoints the Board of Selectmen to maintain for public inspection and to furnish upon request a record of elevations (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

4. Intends to take such other official action within its power as may be reasonably necessary to carry out the objectives of this program.

ARTICLE 30. To see if the Town will adopt the following floodplain building regulation pertaining to the National Flood Insurance Act of 1968:

1. The Board of Selectmen shall review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site

## ANNUAL REPORT

is in a location that has a flood hazard, any proposed new construction or substantial improvement (including prefabricated and mobile homes) must (i) be designed (or modified) and anchored to prevent floatation, collapse, or lateral movement of the structure, (ii) use construction materials and utility equipment that are resistant to flood damage, and (iii) use construction methods and practices that will minimize flood damage.

ARTICLE 31. To see if the Town will vote to raise and appropriate the sum of \$ 500.00 to make repairs to the Clock and Steeple at the Meeting House.

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of \$ 1,250.00 to electrify the Town Clock.

ARTICLE 33. To see if the Town will vote to accept certain gifts to be donated by the Rindge Fire Company.

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of \$ 437.50 which represents one-half the cost of insulating the ceiling area over the sanctuary and foyer at the Meeting House; providing that the 1st Congregational Church and Society raises a like amount.

ARTICLE 35. To see if the Town will vote to eliminate the Valuation of Real Estate section of the Annual Town Report and vote to authorize the Board of Selectmen to have this section printed every third year.

ARTICLE 36. To see if the Town will vote to raise and appropriate the sum of \$ 300.00 to purchase a Dog Kennel for the use of the Rindge Dog Officer.

ARTICLE 37. To see if the Town will vote to have the Board of Selectmen authorize the New Hampshire Housing Commission to operate a lease-housing program in the Town of Rindge.

ARTICLE 38. Shall the provisions of Chapter 287 of the New Hampshire Revised Statutes Annotated relative to playing games of Beano be adopted in the Town of Rindge. (BY BALLOT).

ARTICLE 39. Shall the provisions of Chapter 72:43A of the New Hampshire Revised Statutes Annotated relative to Expanded Elderly Real Estate Tax Exemptions be adopted in the Town of Rindge. (BY BALLOT).

ARTICLE 40. To see if the Town will vote to amend the zoning ordinance of the Town of Rindge as proposed by the Planning Board and printed as follows: (BY BALLOT).

4. Signs - No sign shall be closer than fifteen (15) feet to the lot line or right-of-way.

5. Lot Size - Each lot shall contain an area of no less than sixty-five thousand (65,000) square feet.

ARTICLE VIII

Nonconforming Uses

A. When any existing nonconforming use of land or buildings has been discontinued for one year, the land or buildings shall thereafter be used only in conformity to this ordinance.

B. Any existing nonconforming use shall not be changed to another nonconforming use.

C. No motor vehicle and machinery junk yard may continue as a nonconforming use for more than one year after the effective date of this ordinance, except that a motor vehicle and machinery junk yard may continue as a nonconforming use if within that period it is maintained in accordance with the standards set and enforced by New Hampshire Statutes Annotated, 1955, Chapter 267, Section 1-4, and also in accordance with the standards required by the Board of Selectmen.

ARTICLE IX

Enforcement

A. It shall be the duty of the Board of Selectmen and this Board is hereby given power and authority to enforce the provisions of this ordinance.

B. The Board of Selectmen shall issue any and all building and sign permits requested when such is in accordance with the provisions of this ordinance. A reasonable charge for such permits may be made by the Board of Selectmen. All such permits shall be valid for a period not exceeding one year. Permits for all business signs shall be renewable each year on July 1st.

## ANNUAL REPORT

C. After passage of this ordinance, it shall be unlawful to erect any building or structure or alter any building structurally or relocate any building in any district without first obtaining a building permit from the Board of Selectmen.

D. Upon any well-founded information that this ordinance is being violated, the Board of Selectmen shall take immediate steps to enforce this ordinance by seeking an injunction in the Superior Court, by seeking a conviction for such violation in the District Court, by taking any other legal action authorized by New Hampshire Revised Statutes, Annotated, 1955, Chapter 31:88, or by a combination of such measures.

## ARTICLE X

Board of Adjustment

A. Creation: A Board of Adjustment is hereby created and its members shall be appointed by the Board of Selectmen in accordance with, and shall have the terms and powers hereby conferred upon the Board of Adjustment by, the provisions of New Hampshire Revised Statutes Annotated, 1955, Chapter 31, and as may be amended.

B. Adoption of Rules: The Board of Adjustment shall adopt rules to govern its proceedings in accordance with the provisions of this ordinance, and the provisions of New Hampshire Statutes Annotated, 1955, Chapter 31, and as may be amended.

C. Interpretation: The Board of Adjustment may hear and decide a case where it is alleged there is error in any order, requirement, decision, or determination made by the Board of Selectmen or their agent in the enforcement of this ordinance.

D. Special Exceptions: The Board of Adjustment may in appropriate cases, and subject to appropriate conditions and safeguards as determined by the Board, grant a permit for a special exception. The Board, in acting on an application for a special exception, shall take into consideration the following conditions:

1. The specific site is an appropriate location for such use.

2. The use as developed will not adversely affect the adjacent area.

3. There will be no nuisance or serious hazard to vehicles or pedestrians.

4. Adequate and appropriate facilities will be provided for the proper operation of the proposed use.

5. The proposed use shall comply with all the frontage, setback, minimum land area, sanitary protection, signs, and parking requirements for itself or its most similar use, except where specifically waived by the Board, the reasons

ANNUAL REPORT

---

for such waiver to be set forth in writing by the Board.

E. Variances: The Board of Adjustment may authorize a variance from the terms of this ordinance only where the Board finds that all of the following conditions apply:

1. There are special circumstances or conditions applying to the land or structure for which the variance is sought (such as, but not limited to, the exceptional narrowness, shallowness, or shape of the property in question, or exceptional topographical conditions) which are peculiar to such land or structure, and the application of the requirements of this ordinance will deprive the owner of such property of a reasonable use of it and will impose upon such owner a hardship not shared by the owners of other property in the same district.

2. The specific variance as granted is the minimum variance that will grant reasonable relief to the owner and is necessary for a reasonable use of the land or structure.

3. The granting of the variance will be in harmony with the general purposes and intent of this ordinance and with the convenience, welfare, and character of the district within which it is proposed and will not be injurious or otherwise detrimental to the public welfare.

F. Appeals

1. An appeal shall not be taken to or granted by the Board of Adjustment for both a special exception and variance at the same time or concurrently for the same case, use, structure, or lot.

2. Appeals to the Board of Adjustment may be taken by any person aggrieved or by any officer, department, board, or bureau of the Town of Rindge affected by any decision of the administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the Board, by filing with the officer from whom the appeal is taken and with the Board a notice of appeal specifying the grounds thereof. The Board of Adjustment shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as notice to the parties interested, and decide the same within a reasonable time. Upon the hearing any party may appear in person or by agent or attorney.

G. Requirements for Granting Specific Exceptions

1. A home occupation may be allowed providing that such use meets the following criteria:

a. The use of the dwelling unit for the home occupation or profession shall be clearly incidental and subordinate to the structure's use for residential purposes.

b. The home occupation or profession shall be conducted wholly within the dwelling.

c. No stock in trade shall be maintained unless kept

## ANNUAL REPORT

within a building.

d. The number of persons employed at any one location shall not number more than one person in addition to the owner or tenant.

e. No signs shall be closer than fifteen (15) feet to the lot line or public street right-of-way.

## ARTICLE XI

Amendments

This ordinance may be amended by a majority vote of any Town Meeting when such amendment has received a preliminary public hearing and a final public hearing by the legislative body, which hearings have been advertised and given a legal fifteen (15) day notice, or as otherwise required by New Hampshire Revised Statutes Annotated, 1955, Chapter 31.

## ARTICLE XII

## BUDGET COMMITTEE REPORT

The Budget Committee met once a week in December, except for Christmas week, and has met once a week thereafter, to and including the date of this report. Thanks to the consolidation of records and new office equipment, Mrs. Speckman was able to furnish the Committee in December with expense figures, by departments, through November, and shortly after the first of the year final expense figures for 1975 were available.

The Committee was able to match budget requests for 1976, when made, against actual expenditures for 1975. This was most helpful in discussing the proposed budget with the Selectmen and department heads.

The first four recommendations made by the Committee in its 1975 report, dealing with centralized purchasing and record control and greater supervision by Selectmen, have been carried out. It is believed that substantial economies have been effected, but the constantly increasing costs of services and materials make this difficult to prove. Also there are start-up costs, such as paying for a new tank and pumps for gasoline used by all Town agencies. This cost of \$ 2,699 is being met by a 6¢ per gallon charge to the expense account of each using agency, and at present rate of consumption, this equipment should be paid for in about 2½ years.

The Committee reaffirms its recommendation with respect to a full time professional police chief and full time officer. At the same time it commends Chief Coffin for being able to keep within his budget allowance, without reducing the efficiency or services of his department, which compares very favorably with others in the area.

The Highway Department continues to be the largest spender and biggest problem area, but the Committee has no specific recommendation at this time. The over-runs which occurred in all divisions of the department were mainly due to ever-increasing material costs, but in Winter Maintenance we were the victims of very adverse weather conditions. Removal of an ordinary snow-fall from the roads can be measured by so many man-hours, or truck-hours, per inch of precipitation. When icing conditions set in all calculations are out. Equipment is more subject to freak accidents and man-hours and truck-hours multiply. Last winter almost every snow storm was either accompanied or closely followed by icing conditions. Some maintenance or construction can be deferred, but roads must be kept open regardless of expense. The Committee is satisfied that Mr. Crosby did a good job under trying conditions.

The other recommendations in last year's report are no longer pertinent.

The Committee strongly recommends that the line item budget, jointly proposed by it and the Selectmen, be adopted in its entirety. It represents the minimum cost of keeping the Town's various offices, departments and agencies in operation. As we see it, none of these items can be eliminated or cut back without impairing the minimum services the residents of the Town have a right to expect. It was compiled after careful study of the expenditures of the last two years as well as the estimates and budget requests for 1976.

## ANNUAL REPORT

When comparing the 1976 Budget with the 1975 Budget and 1975 expenses, certain book-keeping changes must be kept in mind. The State auditors, who set up the account classifications, have dictated certain changes and we have made others. The "County Tax" is omitted from the line item budget by State order. "Oil and Solvay", which was omitted from the line item budget last year (it was voted to use revenue sharing funds for the purpose) has been restored to the line item budget. Certain items, formerly covered by special appropriations, have been included in this year's budget. Since the State allows no depreciation account, additions to the capital reserves for truck and vehicle replacements have been put in the line budget. Planning and Zoning is a new line item and such expense formerly was carried under Town Officer's accounts. Finally, certain refunds and receipts which would reduce line item expenses may not be netted against expense. Total expense must be calculated in fixing budget figures. All refunds and reimbursements must be carried in general receipts. The accompanying exhibit may prove helpful in comparing the two budgets.

The Committee recommends all of the special article appropriations, save that for the Monadnock Region Association, and takes no position with respect to Thomas Road. While it is felt that each of these items is most desirable, it is recognized that the Town could still function without the adoption of many of them. Particular emphasis, however, should be put on three special articles for the Fire Department and the article for Reassessment of the Town.

The Committee favors the withdrawal of Capital Reserve Funds for the purchase of a new fire truck, together with \$ 9,000 of Revenue Sharing Funds. It also approves using \$ 9,000 of Revenue Sharing Funds for construction of a Sand and Salt Storage Shed, \$ 8,000 for the purchase of a pick-up truck for the Highway Department, and \$ 4,000 for replacing the Abel Road bridge with culverts.

The Committee has a few new recommendations. Ever increasing fuel costs, for both heating oil and gasoline, and insurance coverage are our immediate concerns.

1. Fuel. The prices of all fuels, and with them the price of electricity, may be expected to continue to rise for the foreseeable future. Present problem areas may become matters of major concern.

a. The Selectmen should establish maximum temperatures for all public buildings, limit hours or days of public access (particularly with respect to the Town Hall) and devise some effective means of enforcing such regulations.

b. The Selectmen should cause a study to be made of installing more effective insulation, window stripping, storm sash and similar heat retaining devices in all public buildings. The Fire Department is to be commended for its success in holding down fuel consumption at the fire house in 1975, but the peculiar construction and use of this building create special problems that require further study. The Town Hall also presents a special problem.

c. Now that the gasoline for all departments is obtained from central pumps, a log book should be kept for each vehicle showing gasoline consumption and miles operated, and these log books should be supervised and periodically inspected by some motor expert representing the Selectmen. In this way excess fuel consumption caused by motor malfunction

## ANNUAL REPORT

---

or unauthorized vehicle use could be quickly detected.

2. Insurance. The Selectmen have been aware of problems in this area and made a review of the Town's insurance policies last summer, resulting in some increased coverage. Never the less, when substantial losses though theft of portable equipment occurred last year, there was no insurance coverage. It is also felt that several structures are still underinsured. It is suggested that an independent insurance expert be engaged to survey the whole coverage.

In closing, the Committee would like to point out that the budget making is not an exact science. It is an art, mainly based upon making educated guesses. If events prove us to have been in error, we ask your forbearance.

## HIGHWAY AGENT'S REPORT 1975

The usual and normal maintenance was carried out in the cemeteries, parks and playgrounds, on the highways and at the dump.

Mix was laid, leveled and sealed for one mile on Old Ashburnham Road and for one mile on East Lake Monomonock Road. Sealing was accomplished on Candlelight Road and Old New Ipswich Road.

Robbins Road was rebuilt for .08 miles. Funds used for this project were provided by the Town appropriation, Highway Subsidy and Town Road Aid.

Culverts were replaced on Knights Road, Thomas Road, Robbins Road, Abel Road, Cross Road and Kimball Road.

Shoulder and ditch maintenance was carried out on the following roads: Hampshire Road, Old Ashburnham Road, East Lake Monomonock, Cutter Hill, part of Old New Ipswich Road, Payson Hill Road, Lord Brook Road, Middle Winchendon Road, Paradise Island, Abel Road, Woodbound Road, College Road, part of Mountain Road and West Rindge village roads.

Respectfully submitted,  
John B. Crosby, Jr.  
Road Agent

## REPORT OF TOWN AUDITORS

We have examined the accounts, records and investments of the Town of Rindge 1975. Our examinations were made in accordance with generally accepted auditing standards.

In our opinion the accompanying statements present fairly the revenue and expenditures for the year 1975 subject to confirmations of the uncollected balances and the stated value of the Trust Funds as of December 31, 1975.

We have prepared the Annual Reports of the Tax Collector, per the available information, to the best of our ability. This was done because of the failure of the Tax Collector to submit to the Selectmen balanced annual reports for the year ending December 31, 1975.

We beleive that this is a result of the Tax Collector's failure to maintain a Cash Receipt Journal on a daily basis. We feel that this is an absolute necessity in order to properly account for the collections. This Cash Receipt Journal should be totaled and balanced at the end of each month. Cash discounts should not be allowed on partial payments; only on full payments within the discount period.

We recommend that quarterly summary reports from the Tax Collector be submitted to the Selectmen on all collections for the period, showing uncollected tax balances at this time.

At this time the State Auditors from the State Department of Revenue Administration are conducting a complete audit of the Tax Collector's books.

## Report of the Trustees 1975

The year 1975 saw the completion of our redecoration plans for the Library. The Children's Room now has its new furniture, shelves and carpetting. The Symond's Room has a new chandelier and, thanks to the Friends of the Library, will have two new standing lamps. We think that the two rooms are much more inviting and attractive.

Money's used in this redecoration were not from Town appropriations, but rather from contributions, our earnings from the annual flea market and the generous support of the Friends of the Library. We are deeply indebted to Lawrence Peabody for his advice and assistance in this redecoration effort. Effective with this achievement the Library Trustees have turned management of the flea market over to the Friends of the Library and have closed the separate Improvements and Furnishings account which supported the modifications.

The new addition and redecoration of the Library appear to have lured new patrons. Our circulation has increased by a considerable amount. No small portion of this is attributable to the energetic children's program promoted by the Library both in the summer and throughout the school year. We are indebted to all the volunteers who have made this possible.

Our Librarian, Mrs. Elizabeth Sampson, was unable to work full time for about half the year. Thanks to the excellent work of the assistants, Mrs. Laura Green and Mrs. Janeal Ravndal, and the support of Mrs. Elsie Chase, Mrs. Betty Todd and Mrs. Mildred Semonite, we have been able to continue to provide unimpaired service.

Volunteers from the Friends of the Library have allowed us to keep the Library open on Saturday afternoons. At the same time volunteers from the Rindge Historical Society have kept the museum open during the same hours and by appointment on other days. The interest in the Bicentennial has lured a number of visitors from out of town to the museum. We are grateful to both Mrs. Clara Seymour and the Friends of the Library for supporting these two efforts.

Last available statistics (1974) show that of thirteen New Hampshire towns in our population group Rindge ranks number 11 in the number of books read per capita. We have increased the book budget each year over the past three years and now have available many of the latest books. We urge you to visit the Library to see its new look and to patronize our selection. We think that you will become a regular customer.

## ANNUAL REPORT OF THE LIBRARIAN

1975 has been a productive and constructive year. With the help of the Trustees and "Friends" we have become an "Accredited Library in the State of New Hampshire". Your Librarian received her personal accreditation in July, as a result of 8 courses at the University of New Hampshire representing 200 hours of instruction in Library Techniques.

Your Librarian wishes to thank Mrs. Laura Green for her efficient care of the library business during her enforced absence in the summer. Mrs. Green was in charge when N.H. South Library District met here. She has nearly finished her accreditation requirements.

Mrs. Janeal Ravndal, valuable assistant, has chosen many new children's books. She has conducted 35 story hours with a total of 599 children served. Average attendance 19. She, also, held a reading program during the summer. The Rindge Woman's Club furnished refreshments for the story hours. She wishes to thank Mrs. Robert Arlin and her volunteer readers. These programs together with the completion of the renovation of the Children's Room have been a delight to the young patrons.

The Meeting Room has been a busy place with 14 organizations conducting 90 meetings.

The Saturday hours continue to be successfully covered by Mrs. Clara Fraser, Mrs. Gail Smith, Mrs. Betty Todd, Mrs. Heidi Zacharais, Mrs. Mildred Semonite, Mrs. Louise MacNeil and Mrs. Elsie Chase who is now in charge of the volunteers. Recently, Mrs. Anne Olson and Mrs. Barbara Nichols have volunteered their services.

Mr. Ralph Green continues his efficient, helpful custodial services to the Library and to the Town.

No small library can really be of service without a "Friends of the Library" organization. The librarian wishes to thank Mrs. Helen Snow and her committees for their gracious hospitality and their generous disbursement of funds for library improvement. We welcome Mrs. Gail Smith, the new chairman.

"The world of books is the most remarkable creation of man. Nothing else that he builds ever lasts. But in the world of books are volumes that live on, still young, still fresh as the day they were written, still telling men's hearts of the hearts of men centuries dead"

## RINDGE CONSERVATION COMMISSION 1975

During the past year, members of the Conservation Commission inspected the Town Forest with John Ferguson, the County Forrester, to determine proper management for the area and with Gale Shelley, scout leader and Recreation member, to discuss possible scout involvement in the thinning of trees and in using the property for camping.

Tom Chrisenden also visited the Town Forest with an eye to the soils. He met with the Commission and showed a slide program on urban development and soil problems and led a walk to observe and identify different soil types. As a result, members learned how to better understand the significance of soil maps.

The Conservation Commission attempted to find a candidate for Conservation Camp, but no expressed an interest.

The Commission completed about two-thirds of a wetlands survey for use by the Town Planning Board and participated in the Rindge Clean-Up Day.

## WELFARE OF THE COMMUNITY

The Fire Company has had a very busy and productive year. The septic system has been completed. The top half of the outside of the building and all doors have been painted. The paint for this project was donated by Belletete's, Inc. of Jaffrey and the painting done by the members of the department. Storm windows were installed and the interior insulated. This work was also done by the department members. Countless hours have been put in on other projects and on maintenance of equipment.

The members are receiving more specialized and advanced training; comprable to any training done in the state.

As the town population increases, the calls to this department increase. Also, with more people burning wood these days the number of chimney fires are increasing.

In 1976 the department intends to embark on a fire prevention program which, hopefully, will help prevent the loss of life and property in the years ahead. The house numbering system we expect to be completed this year.

With the help of donations we are adding more equipment to our rescue vehicle. Also note that we now have two resusitators as Mr. George Baker generously donated the money to purchase a new one.

The Fire Company wishes to thank everyone for their support which enables us to continue to serve the Town of Rindge.

Respectfully submitted,  
Walter J. Young, Chief  
Rindge Fire Department

## RINDGE HISTORY COMMITTEE

## REPORT FOR 1975

In March 1956, the Town voted to "raise and appropriate the sum of \$ 500 to gather and preserve historical records, data, and personal reminiscenses with a view of facilitating the preparation and publication of a History of the Town of Rindge at some future date". Appropriations have been made periodically since then. A moderate quantity of genealogical records and historical material is being gradually accumulated and is stored at the library.

Most of the material has been filed and stored in special envelopes and puches. The Committee is helping on the Bicentennial projects of researching the genealogies of the 54 April 19,1775 Rindge revolutionary soldiers and genealogies of other colonial families, as well as researching the records of several old houses in Rindge.

The Committee is requesting that the unexpended balance of \$ 426.41 appropriated for our Committee be retained and used to defray costs of the above projects and others. No request for additional funds is being made.

## RINDGE NATIONAL BICENTENNIAL COMMITTEE

After the appropriation of \$ 1500 at the March, 1975 Town Meeting the Committee, appointed by the Selectmen to plan Rindge's participation in the National Bicentennial, began its active function.

On April 19th we sponsored a parade and ceremonies on the Common which commemorated that day 200 years earlier. Scouts and Memorial School children portrayed townspeople and the 54 militiamen who mustered that day to march to the assistance of their Massachusetts fellows. As they responded to their names and biographical data, we were transported in thought back to the hardiness of that earlier day. Thereafter lunch was served at the Memorial School. With this successful program Rindge was the first community in the area to start its Bicentennial program.

To qualify as a National Bicentennial Community, Rindge had to plan a program covering Heritage '76, Horizons '76 and Festival '76. We debated projects for Horizons '76 until August. Finally we settled on two projects. First, to put the oldest portion of the Old Cemetery into shape so that it can be mowed and maintained. Second, to redecorate the Town Hall portion of the Meeting House.

Our application as a Bicentennial Community was approved on September 25th. In ceremonies on December 13th we received our Bicentennial flag and certificate. These ceremonies, excellently planned by Mrs. John B. Rice, included the Franklin Pierce Bicentennial Chorus and decorations and refreshments by the Rindge Woman's Club.

We have tried to hold down the cost of our program by encouraging volunteer labor. To date we are deeply indebted to the Scouts and the Meeting School for their support. We will need much more assistance in the year 1976. In addition, we have sponsored sale of items and raffle of the clock donated by the New England Clock Co. of Bristol, Conn. to generate funds for these projects. The yield from these two sources is about \$ 1,000. We have also received a grant through the State of N.H. for \$ 1,000 for our Bicentennial projects. Two of the six sconces for the Town Hall have been donated by an anonymous source and one by the Woman's Club. We hope that we can get support in the form of work, tools or contributions from many more.

Our next big celebration is the week-end of May 28th to 31st, 1976. The program is not yet firm, but we ask that you save that week-end to share with us the culmination of our Bicentennial celebration. On May 30, 1776 all "mail" citizens in Rindge signed a pledge of support for the Continental Congress, the so-called Association Test. There were few towns in New Hampshire in which "they all did sign". We hope we can involve all the Town in this Festival '76.

## REPORT OF THE MEETING HOUSE COMMITTEE

At the Town Meeting in 1975 the voters of Rindge approved a resolution to review the agreement between the Town and the First Congregational Church and Society. The agreement renewed in 1965, extends for 199 years and defines the allocation of space in the Rindge Meeting House and the division of operating and maintenance costs between the Town and Church.

Town Moderator, David Tower, appointed a committee composed of three church members, three non-church members and one Selectman to conduct this review. Church members are: Armas Fillback, Ralph Green, Elizabeth Sampson and her alternate, Gertrude Ward. Non-church members are: David Crocker, Chairman, William West and Elizabeth Dingman. Jean White is the Selectman representative. The committee met five times from July to December 1975.

The detailed report of the committee is on file in the Town Office and available there to those interested in studying it. In the interests of economy the conclusions and recommendations are summarized herein.

## CONCLUSIONS

1. That joint occupancy of the Meeting Houses, this one and its predecessor, by Town and Church in Rindge dates from 1764. The present building was thusly used since 1796. This unbroken history is quite rare in present day New Hampshire towns and is worthy of preservation.
2. That the use of the Town Hall in Town business has dwindled to use as a voting place and for occasional Board Meetings. That use of the Town Hall as a convenient meeting place for groups of citizens has mushroomed to the point where it need be carefully monitored.
3. That past bookkeeping practices do not adapt themselves to a detailed analysis of the division of costs between Town and Church. Recent changes in these practices should ease this analysis and put it on a basis where constant review by the Selectmen and Church Trustees is feasible. Such close liaison is essential to carrying out the agreement.
4. That the existing agreement provides the basis for continuation of the Town-Church relationship. Renegotiation of some details within the agreement, particularly insurance coverage and settlement provisions, is necessary to meet today's situation.
5. That Town and Church should jointly institute a program to minimize heating loss and other measures to cut operating costs to a minimum.

## RECOMMENDATIONS

1. That the Town maintain its interest in the Meeting House as a concession to the unbroken history of the building and for its usefulness as a convenience to the taxpayers of Rindge.

ANNUAL REPORT

---

2. That the existing Town-Church agreement with slight modification continue to provide the basis for the division of space, operating and maintenance costs. The execution of this agreement to be carefully supervised by the Selectmen.

3. That measures described in the detailed report be instituted by the Selectmen to reduce operating costs and to reduce the burden on the taxpayers of Rindge.

## RINDGE PLANNING BOARD 1975

In 1975, the Planning Board held 12 monthly meetings, 2 workshops, 13 hearings on applications for subdivision approval, and 2 hearings on proposed revisions of the Zoning Ordinance. The 1975 proposed Zoning Ordinance was narrowly defeated; in 1976 a similar proposal, reflecting the suggestions at public hearings, will be presented for vote. Upon the resignation of Lawrence E. Donovan, Stanley R. Taylor became Chairman of the Board in September and Arthur E.W. Pyhala became a member of the Board. Other current members are Marshall S. Danforth, Carlton G. Dingman, Vice Chairman, Oscar P. Thrasher, and Redvers G. White, representing the Board of Selectmen. All interested persons are urged to attend Board meetings, held at 7:30 P.M. the first Monday of each month at the Town Office Building.

## REPORT OF THE TOWN RECREATION COMMITTEE 1975

The Committee has completed its third full successful year of providing recreation for the youth of Rindge. The program followed the same basic outline as in 1974 with 109 members registered.

The committee is now looking forward to an expanded program which will include all of our citizens especially with the full utilization of the new recreation area. Although the first year will be need to start clearing and landscaping, we should be able to use some of the areas later on in the summer for our athletic programs. In the fall and winter periods we will stress outdoor recreation with picnic facilities, nature trails and a cross country skiway. Hopefully, we will have a skating rink in operation.

As ever, we need volunteers to help run our programs and ask everyone that has an interest to contact one of the committee members for information. We ask that everyone watch the local newspapers and bulletin boards for information concerning our programs.

The committee wishes to thank the voters for their continued support and interest and extend a very special thank you to the Rindge Womens Club for their continued financial support and leadership in providing a wonderful Summer Recreation Program.

Respectfully submitted,
