February 20, 1906.
Supplementary Report of the Selectmen as concerning the "Slide Road" and Pemigewasset Power Company.

In accordance with a vote of the town passed March 14, 1905, we report the completion of our negotiations with the Pemigewasset Power Company:

The highway previously flooded by the dam of the Company has been rebuilt at their expense by contract with Frank R. Woodward, of Hill, and under our personal supervision, according to plans and specifications agreed upon. A small extra portion of land required for widening the road has been purchased by the Pemigewasset Power Company of the Franklin Light & Power Co., and deeded as right of way to the town.

We have accepted from said Company the road as now opened to the public, conditioned only with said Woodward for the filling of the plank forms of the abutments of "the bridge at the willows," with cement, by July 1, 1906, (as better done in warm weather;) agreement of security by Woodward. In consideration of a full compliance with all the terms and conditions of the triple contract, viz., the Town of Sanbornton, Pemigewasset Power Company, and Frank R. Woodward, contractor, we have released the Company from further liabilities as pertaining to the "slide highway" by the maintenance of their dam at Franklin at its present height.

We have also received from said Company, reimbursement for the cost of raising and grading certain bridges on the New Hampton road near Hill, the same having been rendered too low by rise of the river.

We have had clear and straightforward dealings with the Company's counsel, without litigation, and have expended nothing beyond the incidental expenses attending our official duties in this matter. Papers of all transactions filed.

GEORGE B. LANE, TOWN CLERK.
REPORT OF THE
SANBORNTON MUTUAL
FIRE INSURANCE COMPANY.

Amount at risk December 31, 1905, $129,830 00
Premium notes held by the Company on policies in force December 31, 1905, $6,491 50
Balance in favor of the Company as per Treasurer's report January 1, 1906, $718 39

OTIS S. SANBORN, President.

OTIS S. SANBORN,
THOMAS O. TAYLOR,
CYRUS SWAIN,
GEORGE B. LANE,
GEORGE A. LEAVITT,

Directors.

ALBERT M. OSGOOD, Treasurer.
HERBERT J. L. BODWELL, Secretary.

The attention of every policy holder is called to the following:—

By vote at the annual meeting of the Company held January 7, 1901, policy holders wishing to remain away longer than thirty days may keep the insurance on their property good, by applying to the Secretary for a permit to leave their premises unoccupied for such time as they may specify, paying for the same five cents per month for every one hundred dollars for which they are insured.
SCHOOL REPORT.

We have supported ten schools for the year, and each of them has had twenty-eight weeks of schooling. It was divided into two terms of twelve and sixteen weeks. During the last term, fall and winter, sixteen weeks, there was a vacation of one week. The schools at the Square and Chapel had short breaks in their work because of the illness of teachers, but the time was subsequently made up.

We have not occupied the school sites,—Stone Bridge, New State, Brook, Morrill, but have resorted to carriage, and accommodated these pupils in other localities. Those of New State were schooled in the town of Hill.

Teachers have been employed as follows: M. Pearl Colby, Calef Hill; Carrie M. Ward, Square, first term, Eva M. Sanborn and Millie F. W. Wilson, the second; Mattie E. Locke, Hunkins; Alice W. Leavitt, Meadow; Nettie B. Woodman, Bay, first term, Florence E. Stone, second; Martha Oviatt, Morrison, first term, Nettie B. Woodman and Elizabeth W. Chesley, second; Mary N. Redding, Gaza; Inez M. Wadleigh, Chapel; Stella M. Thomas, Osgood; George W. Gilman, North Sanbornton.

Some of these teachers brought to their work Normal training; others, training of the secondary schools. All but two had had experience as teachers. They were generally faithful and successful. With one or two exceptions they were punctually on time in the performance of their duties, thus giving their pupils timely assistance, and an object lesson in punctuality.

We have had, during the year, pursuing a High school course twenty-two pupils. They were in schools as follows: one at Bristol High School; two at Colby Academy; two at Franklin High School; three at New
Hampton Literary Institution; four at Laconia High School; ten at Tilton Seminary. Their tuition, at the expense of the town, was five hundred thirty dollars and sixty cents.

The records of school visitation show more than usual interest in the work of the school room.

The roll of perfect attendance compares favorably with that of other years.

Facts of importance will be found in the statistical table. Old district names and numbers are used for convenience of reference.
