REPORT OF HEALTH OFFICER

February 7, 1952

The only remarkable incident occurring during 1951 concerning public health was the extreme flu epidemic during the winter months. During the month of March the epidemic got out of hand to the point of necessitating closing the schools, churches, theatre and all other public places for one week.

A public nuisance occurred on Cooper Hill concerning the sewer. This was reported to the Town Fathers and has been partially corrected. Further measures will have to be taken with the return of warm weather.

Respectfully submitted,

RANDALL H. BROOKS, M. D.

REPORT OF THE SIDEWALK COMMITTEE

In November of 1951, the Committee made a survey of the town and found that there is approximately 2,000 yards of streets without sidewalks of any kind, as follows:

	Yards
Bridge Street	528
Spring Street	352
Union Avenue	88
Paul Avenue	176
Monadnock Street	176
Parsons Street	176
Lombard Street	264
North Main Street	260

This creates a situation that is very dangerous to the children going to and from school.

After conferring with the local contractors, we estimate the cost of new sidewalks at \$10,000.

The Committee also found that many of the present sidewalks were in very poor condition and unsafe to walk on after dark. Also, we are all aware of the fact that the sidewalk on Main Street is much in need to extensive repairs.

After due consideration of the above survey, your Committee recommends that there be established a ten year program and the amount of \$1500 be appropriated each year to be spent on the building of new sidewalks and the repairing of the old ones.

Respectfully submitted,

MRS. HAROLD GEORGE
 MRS. CARROLL M. COLBY
 MAX H. WOODROW

AUDITORS' REPORT

This is to certify that we have audited the records of the Tax Collector for the current year, and find all taxes accounted for. We have checked the revenue received from the Town Clerk for motor vehicle permits and dog licenses. The Selectmen's orders and receipts were checked with the vouchers, and the Treasurer's cash book were found correct. The Treasurer's balance in the Farmers and Traders National and Savings Bank was reconciled with the Selectmen's cash book balance and found correct.
