SUPERINTENDENT'S REPORT

To the School Board and Citizens of Jackson:

Two excellent teachers, Miss Stevens and Miss Hackett, resigned during the summer to accept higher salaries elsewhere. Miss Elizabeth Sanborn at Jackson and Miss Aimee Stevens at Dundee were chosen as their successors. Both have maintained the high standards of their predecessors. Miss Sanborn is a graduate of both the junior high and elementary courses at Gorham Normal school, and Miss Stevens has had a wide and successful experience as a teacher.

The statistics for last year disclose an inexcusable record of tardiness and a percentage of attendance of 93 which is too low. There is undoubtedly considerable absence for trivial cause.

The medical inspection also showed a large number of defects with very little remedial work. The services of a nurse who will have time to do some home work is very desirable.

The school at Dundee is the largest for many years. A modern heater was installed which was the gift of the dissolved Livermore district. The school is now so large that modern sanitary toilets are needed. The cost would be at the outside about \$150.

The amount of the per capita tax for next year is \$120. In order to qualify for state aid the district would have to raise and expend for elementary purposes only

under an approved budget \$3,813.18.

Respectfully submitted,

JOHN H. FULLER,

Superintendent.

February 3, 1936.
