Spring 2018

BACKGROUND

- John H. Chaffee Foster Care Independence Program
Self sufficiency- the state of not requiring any aid, support or interaction for survival

CHALLENGES

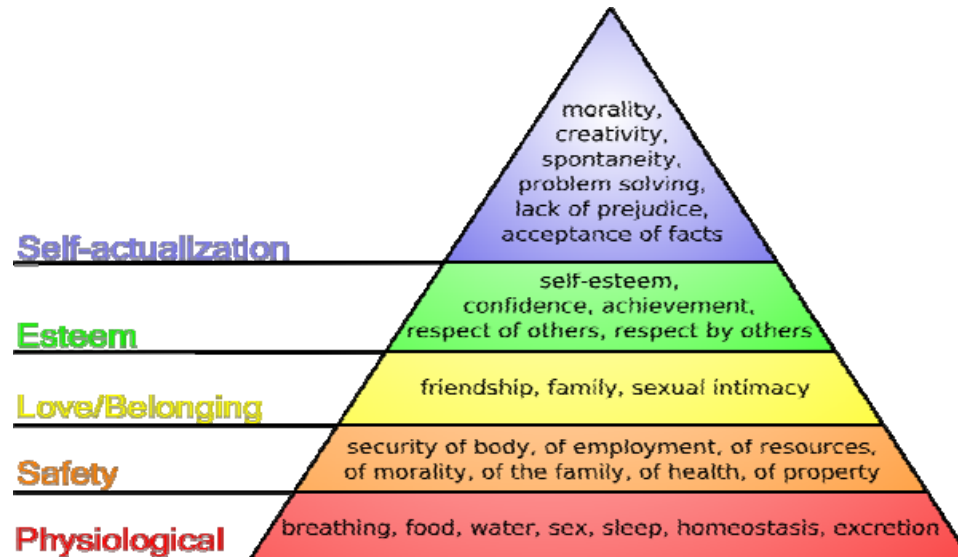

- Significant challenges as they transition from foster care system to independence

THEMES

- Lack of connection to a positive adult role model
 - Lack of basic skills for self sufficiency
- Lack of awareness and knowledge of resources available to them through foster care for education

- Maslow's hierarchy of needs- overcoming survival mentality
- Recommendations: Foster care youth would benefit from mentorship-positive/consistent adult role models
