**THE STATE OF NEW HAMPSHIRE
TOWN WARRANT 1983**

To the Inhabitants of the Town of Tamworth, County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Kenneth A. Brett School in said Tamworth on Tuesday, the Eighth day of March, next at Ten of the clock in the forenoon, to act upon the following subjects:

ARTICLE No. 1. To choose all necessary Town Officers for the year ensuing.

The Meeting will be in two parts.

I. In order that the preceding article may be legally voted on by Non-Partisan ballot, you are hereby notified that the polls will be open for this purpose at 10:00 of the clock on said Tuesday, March 8. Polls shall not close earlier than 7:00 P.M.

ARTICLE No. 2. To see what time the polls shall be closed.

Following action on Article 2 the meeting will be recessed until 7:00 P.M. on March 9 next.

II. The Meeting will reconvene at 7:00 P.M. on March 9 next at the Kenneth A. Brett School to see what sums of money the Town will vote to raise and appropriate for the following purposes and to transact any other business which may legally come before this meeting.

Finance Committee Vote 8 Yes 0 No

ARTICLE No. 46. To see if the Town will vote to reduce the Police Department to a part time basis in view of the fact that the State Police Troop E is now situated in Tamworth.

ARTICLE No. 47. To see if the Town will vote to authorize the Board of Selectmen (1) to provide leisure time services in the Town pursuant to N.H. RSA 35-B, and (2) to exercise the powers granted by that chapter.

ARTICLE No. 48. To see if the Town will vote to authorize the Selectmen to convey the old South Tamworth Fire Station and lot to the Union Hall Association.

This article has the approval of the Tamworth Fire Department.

ARTICLE No. 49. To see if the Town will vote to adopt the following Fire and Safety Regulations pursuant to RSA 31:60-a entitled REGULATIONS OF UNVENTED SPACE HEATERS and RSA 31:39.

Fire and Safety Regulations

1. Unvented Space Heaters

The purpose of this section is to establish a procedure

and permit system for the use and sale of unvented space heaters as defined by RSA 158:28.

2. Permit Required

Pursuant to R.S.A. 158:28 1 a permit (TFD Form No. A-03) issued by the Tamworth Fire Chief or his designee shall be required for the purchase of any unvented space heater that is to be used or operated in the Town of Tamworth.

2.1 Fee

The fee for said permit shall be two dollars(2.00).

3. Permit Use

It shall be unlawful to operate an unvented space heater:

3.1 In places of public assembly such as educational facilities, medical facilities, day care centers and kindergartens.

3.2 In areas used for sleeping accommodations either in a home, motel, hotel, dormitory or boarding house.

3.3 In any multiple Family Dwelling.

3.4 In any mercantile, business, industrial or storage facility.

3.5 In any building without approved smoke/heat detectors and fire extinguishers installed.

4. Inspection required.

Upon application for a permit pursuant to RSA 158:28 the Fire Chief may require a fire prevention inspection of the area where said unvented space heater is to be used.

5. A person violating any provisions of this chapter shall be punished by a fine of not more than one hundred (100) dollars for each offense.

ARTICLE No. 50. To see if the Town will vote to authorize the Selectmen to negotiate and enter into an

agreement pursuant to RSA 53-A upon such terms and conditions as they deem appropriate with the Towns of Freedom, Effingham and Ossipee for the purpose of forming a Solid Waste Management District or subdistrict in order to comply with the requirements of RSA 149-M and the Selectmen shall be authorized to sign such agreement and deliver all documents and take all action as may be necessary to carry out the purpose of this Vote.

Article No. 51. To see if the town will vote to make it mandatory for our Town Officials to seek and get approval from the Towns Planning Board before engaging in any project which infringes upon the rights of other property owners.

ARTICLE No. 52. To see if the Town will vote to make it mandatory for our Town Officials to make known to all abutters by certified mail, with return receipt required, of their intentions prior to their actions concerning any Town property.

ARTICLE No. 53. To see if the Town will vote to limit the expansion of the Town Land Fill to the following limits.

1. Undeveloped Property: A One Hundred (100) foot natural barrier will be maintained from the said Town property line and no land fill trench or open pit of any kind will be dug within fifty (50) feet of said natural barrier.

2. Developed Property: A one hundred fifty (150) foot natural barrier will be maintained from said Town property line and no land fill trench or open pit of any kind will be dug within fifty (50) feet of said natural barrier.

3. The Town will at no time expand the Town Land Fill by an area larger than what would be required for a maximum of two years.

ARTICLE No. 54. To see if the Town will vote to raise and appropriate the sum of 50,000 dollars said sum to be used to obtain by purchase from the owners or by use of Eminent Domain (RSA 498-A) a strip of land 200 feet wide, from all private land abutting the present Town land (Tax Map No. 3-B-46) used for solid waste disposal. If Article No. 51 is not passed, please vote to table this article.

ARTICLE No. 55. To see is the Town of Tamworth will vote to elect its Town Planning Board consisting of seven members in accordance with RSA chapter 228, 36:4 II (b).

ARTICLE No. 56. To see if the Town of Tamworth will vote to approve that all **future** changes (additions, deletions or redefining of terms) in the Town Planning Board Regulations are to be voted upon as Articles at annual or Legal Town Meetings.

ARTICLE No. 57. To see if the Town of Tamworth will vote to accept the roadway in the so-called Levy Subdivision in the Town of Tamworth. This would be for 10 lots, lots numbered 2,3,6,7,8,9,10,15, and 16 are recorded in the Carroll County Registry of Deeds on book 648, page 341.

Lot numbered 17 is recorded in the Carroll County Registry of Deeds in book 648, page 342.

This road begins at Kelly's Gem Shop, running approximately 1800 feet and back to Route 16 in Tamworth, New Hampshire. This road was built to Town specifications and signed by the Selectmen's Office of the Town of Tamworth on August 7, 1980. This acceptance is necessary before anyone can be considered for an FHA loan in this area.

ARTICLE No. 58. To see if the Town will vote to **not deduct** Social Security payments from Town Officials salaries for work related to Town and other governmental elections.

ARTICLE No. 59. To see if the Town will vote to authorize the Selectmen to withdraw the future Town Garage Land Capital Reserve Fund plus accrued interest to date of withdrawal, when and if needed.

ARTICLE No. 60. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend funds from the State, Federal, or any other Governmental unit, or any private source which might become available during the year in accordance with the procedures set forth in RSA 31:95b.

ARTICLE No. 61. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE No. 62. To see if the Town will vote to authorize the Selectmen to dispose of any property acquired by Tax Collector's deeds.

ARTICLE No. 63. To transact any other business that may legally come before the meeting.

REPORT OF THE FINANCE COMMITTEE

1. The Finance Committee held five meetings during which every warrant article involving a proposed appropriation was reviewed. Proponents of petitioned articles and representatives of organizations were given the opportunity to present reasons for their requests. After all requests were discussed, the Committee voted on all articles. The results of our vote are shown with the appropriate articles in the Town Warrant.

2. The Finance Committee notes with pleasure the continuing effort to reduce or to contain cost on the part of those who are requesting appropriations from the Town. Also praiseworthy is the number of successful private fund raising drives carried out by an increasing number of organizations. These fund raising drives have the effect of saving the taxpayer thousands of dollars.

3. At the same time, there are some budget requests which are higher than last year. The Finance Committee, however, finds itself in the uncomfortable position of being asked to render a judgment on certain requests of substantial size which are not accompanied by a detailed "line item" budget submission, in which the various proposed expenditures are specifically indentified by expenditure category. To make our point the Committee unanomously decided to abstain in the case (see article 19 below). We strongly recommend that the Selectmen require all Town Department budget requests be prepared in sufficient detail to permit the Finance Committee to better meet its responsibility to the Town.

4. Comments on specific articles are given below:

Article 5. Police Department

While a majority of the Committee voted to support the Police Department budget proposed by the Selectmen, three members voted against the request because they believe the cost is too great for one full-time police officer force.

Article 13. Tamworth Recreation Director.

The Committee voted that other Town employees would not be receiving a similar raise to cover the cost of increased medical insurance premiums. We have abstained to allow the proponents of this article and/or the Selectmen to clarify the issue at Town Meeting.

Article 19. Fire Department (Maintenance).

See paragraph 3 above. This request has risen to \$16,000, an increase of 27% over last year. While the Committee, of course, supports the need for the Fire Department to have an operating budget of appropriate size, we believe that the Fire Department (and other Town Departments not already doing so) should in the future be required by the Selectmen to submit detailed budget requests. We do not believe that a discussion with the Fire Chief on a request of this size provides us with an adequate basis for a recommendation to the Town- hence our abstention.

Article 28. Lakes Region Planning Commission.

While a majority of the Committee voted to support this request, three members voted against the request because they do not believe the benefits of this service are worth the cost.

5. The Finance Committee wishes to express its appreciation to the Selectmen and to the many townspeople who have provided their cooperation and assistance to the Committee in its work.

Respectfully submitted,
JULIEN LeBOURGEOIS

TAMWORTH POLICE DEPARTMENT

To the Honorable Selectmen and Citizens of the Town of Tamworth:

In 1982 as in past years the Police Department tried to provide the best possible services to the community within our budget and limited man power. In 1983 with the additional money and hours requested for the use of our certified special officers, if voted at town meeting will be broken down to include the normal use of our special officers in the summer and something new this year, the coverage on my days off by one of our own officers. Hopefully this will assist the community with the necessary coverage that we need.

Respectfully,
ROGER A. WATSON
Chief of Police

REPORT OF TAMWORTH FIRE DEPARTMENT

The Tamworth Fire Department had 44 emergency runs in 1982:

4 Dump Fires	6 Mutual Aid Runs
12 Chimney Fires	7 Vehicle Accidents
2 Vehicle Fires	4 Structural Fires
4 Electrical Fires	5 Others

The Department held 12 regular monthly drills. Thirteen firefighters went to the Ossipee Valley Mutual Aid Association Fire School in May. We also participated in two mutual aid drills. This comes to a total of 477.5 hours of training.

The Department wishes to thank all those who helped make the new South Tamworth Fire Station a reality.

The passing of articles 27 and 28 at Town Meeting, which were proposed by the finance committee, made it possible for us to purchase Engine 5 when it was offered to us. It is a very worthwhile addition to the Department.

Although the number of chimney fires is down there are still too many. Chimneys and stove pipes must be checked often.

Signed,
DAVID A. BOWLES, Chief

1982 REPORT OF EMERGENCY SERVICES TAMWORTH RESCUE SQUAD

1982 has been a year of many changes for the rescue squad. The state has authorized EOA and mast Toruser use by National EMT'S which several of our squad members attended classes for, along with our constant on going work for continuing education credits to keep our EMT Status current.

Our mass casualty in May with our fire dept., Madison Rescue in conjunction with Memorial Hospital went off without any difficulty.

The end of 1982 left us short another member with the resignation of our former President Skip Grinnell. Again this brings us to a plea for new members. The census increasing in town leaves us in need of more people. Anyone interested please contact a current member.

STATISTICS FOR 1982

68 runs

average response 3 $\frac{1}{2}$ minutes

average run time 1 hour

average members on each run 3

Type of runs

10 motor vehicle accidents

42 medical emergencies

16 fires

TAMWORTH TOWN PLANNING BOARD ANNUAL REPORT 1982

The Planning Board continues to hold regular meetings on the fourth Wednesday of each month-Town Office Building-7:30 P.M., exceptions being November (the third Wednesday) and none in December as voted by the Planning Board.

Much time at these meetings was spent in consideration of subdivision applications. Several properties were divided into from two to five smaller lots. Eleven applications were approved and three are still under consideration.

Wayne Feuerborn, Alternate, resigned in November due to the fact that he was unable to attend many meetings. He was sincerely interested in the work of the Planning Board and the Board accepts his resignation with regrets. Want to be an alternate? Please contact the Selectmen.

Planning meetings were generally held on the second Tuesday of each month and were devoted to the details of a simple Zoning Ordinance for Tamworth, thus justifying the added time for study and consideration. We now have a draft of the "Zoning Ordinance for Tamworth" with copies printed by Lakes Region Planning Commission. Interested persons are urged to obtain a copy from Ruth Beckwith, Town Clerk.

After our February 8th. planning meeting members will be contacting the various town organizations with the idea of attending their next meeting to discuss and receive input from members concerning the Zoning Ordinance. After the suggestions from these meetings have been considered public hearings will be held, with input carefully considered before finalizing the ordinance for a Town Meeting vote of the townspeople.

To quote from last year's report, "Please join us, pro

or con, and help with some ordinances which will bring us nearer to the realization of the goals of the Master Plan, thus protecting the rural atmosphere and scenic beauty of Tamworth for which we are striving and which, we believe, is the desire of all members of the Tamworth community.”

Respectfully submitted,

1982 REPORT OF THE TAMWORTH CONSERVATION COMMISSION

One of two major projects of the Conservation Commission was the beginning of a long range plan to protect as much of Mill Brook as possible by easements, each individually drawn up with the basic intent to protect the streamside from structures, signs, dumping, and dredge and fill. Positive responses have already been received from four landowners in answer to a letter sent out on the subject. And, just recently, Lakes Region Planning Commission has announced that some grant money is available to defray 75% of survey, legal and other costs of such easements. Grant aid has been applied for.

The Town owns, under management of the Conservation Commission, two pieces of land on Mill Brook: The Earle H. Remick Natural Area, aquired in 1979, a 16-acre tract with frontage on Mill Brook across from the town land now used for landfill. And land adjacent to a development planned on the south side of Depot Road, part recently acquired by tax sale and part a gift to the town from the developer, a small point of land which includes an esker.

The other major project is the designation of Prime Wetlands, now permitted by State law, thus giving towns greater control over State Wetlands Board authorizations for dredge and fill. In May two members of the Commission met in Concord with the Conservation Commission representative on the Wetlands Board to discuss application of the new law. The Conservation Commission already has a full wetlands survey and, based on recommendations in this survey, the ten key wetlands will be mapped in relation to the tax map and fully described. The next step, which may be carried out over a period of several years, is to gain vote of acceptance by the Town, after appropriate hearings and full discussion of what is involved.

During the past year there have been four applications for dredge and fill, all relatively minor, on which the Com-

mission has checked, approved, and so notified the Wetlands Board.

Work has been done to maintain the footbridge across Swift River; blowdowns on Big Pines Trail have been cleared; additional directional arrows and blazes placed on the Spur Trail to Great Hill and on Jackman Pond North Trail; the little bridge on Jackman Pond North improved; and Black Spruce Ponds trail brushed out. The guide to Big Pines and Spur Trails has been updated.

The Commission, in conjunction with Tammworth-Sandwich Garden Club, again gave a scholarship for a Tamworth student to attend Youth Conservation Camp sponsored by the Society for the Protection of N. H. Forests.

Members of the Commission attended the annual meeting of the N. H. Association of Conservation Commissions, and a regional meeting in Tuftonboro with members of the State Wetlands Board, on the subject of Conservation Commission responsibilities in regard to dredge and fill applications, responsibilities which are gradually being increased.

June - Up-date on Herpes - meeting held at St. Andrews Church.

September - Nutrition - held at Huggins Hospital

* * * *

Community Projects:

On April 6, 1982, we initiated a much-needed service called "Good Morning - Good Evening." A list was compiled of people living alone - especially the elderly - and with their permission they are phoned twice a day by one of our volunteer callers (there are also 3 substitute volunteers). If a call is not answered, after a reasonable length of time a check is made to that person by the nurse or Roger Watson, Police Chief.

Meals on Wheels is beginning its fourth year. During 1982 our number of clients averaged between 4 - 7. The meals are prepared by the Ossipee Concerned Citizens, Inc., and delivered by their volunteers to Flanders Motel; from there they are picked up and distributed by Tamworth volunteers to our recipients. A sincere thank you to our drivers, and to Charlotte Remick, Volunteer Coordinator.

Young at Heart (YAH), our senior citizen group which now numbers about 40, had a monthly get-together on the second Thursday at 2:30 p.m., at a pre-determined location from March to December. No meetings were held in January and February. Activities were as follows: March - Priscilla LeBourjeous showed and explained the rubbings on Memorial Brasses in Belgium: April - we visited with Ginny off the Baja Penninsula (via slides) to pat the friendly Gray Whales; May was our annual covered dish luncheon, and Joy Check, rental agent for Remick Acres was our guest speaker. In June Peg King was our guide (via slides) on a trip to Norway. July was YAH annual trek - this time up the Songo River by paddle boat. A pasture picnic - minus the cows- was held at Frances Damon's in August. Joanne Cave was our hostess for the September meeting, and Bob Dustin of Sandwich described his hobby - American Indian Artifacts. Russia (via slides) was shown to us by Janine Coolidge where she traveled with the Women's International League for Peace and Freedom. Dolls - antique and new - with their story made their appearance with Becky Nelson of Wolfeboro at our November meeting. And in December we had our Christmas party, with a live Mrs. Santa (Irene Norcross). Needless to say we appreciated and enjoyed all the speakers. Most of our functions are held at Cook Memorial Library - for which we are grateful.

Due to the Ladies Prepetual Help and Women of St. Andrews Episcopal Church, I was able to deliver baskets filled with food to four families for Thanksgiving dinner.

Santa Claus (Ralph Ames) and his helper delivered

presents, food, and goodies to 42 individuals, and Christmas dinner baskets to 8 families on Dec. 22. All of this would not have been possible if it weren't for the thoughtfulness, caring and generosity of our town people. The many individuals who contributed and to the Student Council of Kenneth A Brett School, Ladies of Perpetual Help Church in Chocoura, Women of St. Andrews Church, and Tamworth Guild - our heart-felt thanks to you.

This year the T.C.N.A. acquired - by gift - a professional scale for weighing. Two medi-alert units have been added to the equipment that we loan out. The equipment used includes a small pendant worn around the neck. If emergency assistance is needed, the pendant is touched. The transistor-like device installed in the home sends an alert signal through the telephone wires to Knight Security's computers in Wolfeboro. When an alert signal flashes on the screen, help is soon on the way.

To Ethel Mykland, our valuable secretary, Peg Damon, R.N. and Eleanor Homeyer, R.N., who covered the service while I was on a split vacation, please accept my sincere thank-you.

VIRGINIA W. DAMON, R.N.

ANIMAL CONTROL REPORT 1982

During 1982 I responded to 120 calls involving animals in the Town of Tamworth. In so doing I travelled 940 miles and logged 70 hours. This is an increase in services when compared to 1981. However I represented the town in only two court cases which would seem to indicate that continued enforcement of and concern for the dog ordinances is successful. The cooperation of Tamworth residents and the various law enforcement departments has been most gratifying and helpful.

I was able to place 4 unclaimed dogs in good homes and took a fifth to the Humane Society in Meredith Center. Only one dog required euthanasia.

In April a rabies Clinic was held at the Tamworth Town House with Tevis Kraft DVM officiating. This is a yearly service to the Town and represents a considerable savings over an individual office visit. Please make an effort to attend this spring.

Periodically I receive the complaints that I am unreachable or my number is unknown. At times this situation is inevitable. I can offer a partial solution. There are two Town Dog Pens at my house. Any person finding a stray dog and unable to reach me may bring a dog to my house and place him in a pen. Please leave written information about where and how the animal was found. My phone number is listed in the phone book under my name, it is also on the back cover of this Town Report.

I continue to greatly enjoy my job as your Animal Control Officer and I appreciate your help and your cooperation and your support. My thanks too to the Selectmen, Chief Watson, Ruth Beckwith, Troop E and the Sheriff's Dept. whose assistance and cooperation facilitate the effectiveness of my job.

Respectfully submitted
JOAN PHENIX
Animal Control Officer TPD

COOK MEMORIAL LIBRARY

We are pleased to note that the additional library space for books and study and the increase in hours and days the library is open have brought specific results: more patrons using the library, more books and materials circulating and more community groups meeting at the library. We are particularly pleased with the increase in the circulation of children's books and materials. Apropos of the increase in the use of the library by the children and to further this growth, we are very happy to announce the formation of a fund - "The Marjorie True Gregg Children's Fund" - the interest to be used annually for the purchase of children's books. This fund was founded by the family and friends of Marjorie True Gregg to honor her memory and her dedication to and sympathy and understanding of the children of Tamworth of an earlier generation. Donations to this fund are being accepted by the Trustees of the Cook Memorial Library.

Merle Dunn who has been a library volunteer during my tenure as librarian of over 10 years (and for years before that) has moved away - and it is our loss. I miss her as do her fellow workers Elizabeth Spicer and Bertha Eastwick. Other volunteers, Isabel Hoag and Ruth Flaccus, have been carding and shelving books for me all year and I bless them and thank them for freeing me for other work.

If you have been in the new meeting/conference room. I hope you noticed the beautiful curtains made by Peg Damon. Our thanks to the Garden Club for keeping our window boxes filled with attractive and appropriate seasonal plantings. We thank our friends and patrons for gifts of books, paperbacks, magazines, newspapers, financial donations and memorials. Any material we cannot use is placed in our annual book sale.

Our displays during the year include the following: Herb Damon's water colors of Maine and New Hampshire, books (which were allowed to circulate) on American Indians - courtesy of Dorry Reilly of North Sandwich. The Brett School children's stories composed for "State Young

Authors' Conference" - (Jason Lloyd was the Brett School winner in 1982.), the Pre-School exhibit of "animules", Indian drums, teepees and cliff dwellings, Steve Damon's beautiful photographs of whales, porpoises and butterflies, Eugene Koch's fine line drawings, Polly Bowditch's lovely water colors and her son's (Jim) beautifully detailed drawings, Mac Lloyd's excellent water colors, Kit Semmes colorful paintings of butterflies and reflections and, to end 1982, Sue MacCarthy's fine acrylics. Marjory Deo's two vivid paintings (created especially for the library) were also shown at different times in the year.

In August the library held its annual book sale with the highest return of any year (\$351.52). On a very warm July night Trustee Peg King gave her slide show on New Zealand with great photos accompanied by her own humorous and knowledgeable dialogue.

"The Friends of the Cook Memorial Library" meets on the 4th Tuesday of each month (except the winter months) at the library and new members are always welcome. The Friends do so much for the library and the Librarian and Trustees appreciate the time, energy and dedication of the entire group. Under the chairmanship of Pat Trask, the Friends raised money through raffles and by selling calendars, stationery, prints (designed and donated by Willey Fromm), bird ornaments, baked goods, etc. at the Flea Market in July, at the Book/Bake sale in August and at the Silver Tea in November. They purchased for the library two books: "Old Maps of Carroll County, N.H. 1892" and "Staffords in the Field Cookbook". They also bought 4 essential library chairs, a carpet sweeper and a depressible book drop. These costly items were much needed and greatly appreciated. In addition, the Friends again sponsored the Summer Reading Program for children. This 6 week program was ably directed by Donna Whipple and Louise Wroblewski who utilized some of our talented local citizens to teach class. Classes averaged 15 children per week. The Friends again decorated the library inside and out for Christmas and a festive and joyous atmosphere filled the library for the holidays.

Once again the library received a Certificate of Merit

from the New Hampshire State Library in recognition of the quality of library services provided to our patrons. The Library won a 1st place ribbon as most original and a 3rd place ribbon as the most beautiful for the 4th of July parade. Our thanks to Ned Behr for his truck, to Larry Davis for driving it and to Isabelle Bookholz (a marvelous Mary Poppins'.) and all the children who portrayed different characters from children's books. The Librarian and Trustees attended monthly Board meetings, workshops, meetings of the New Hampshire State Library Forum, New Hampshire Library Trustees, Friends of the Library, Bearcamp Neighborhood Libraries Cooperative and the Northern Carroll County Cooperative. The Library Board meets on the 2nd Monday of each month at 4:00 P.M. at the library and the public is always welcome.

1982 statistics show patrons made 5,623 visits to the library to borrow 8,606 books, magazines, tapes, records and other materials. Pre-School classes visited the library weekly during the school year. We borrowed 1,426 books from the State Bookmobile to supplement our collection. We received 314 books and records on Inter-Library Loan at the request of individual patrons. We purchased or were given 326 books, 4 tapes and 4 records. We supplied film from the State Library for 77 showings for Day Care, Tamworth Recreation, Horseaholics and the Summer Reading Program and we offer this service to any responsible community group. The library serves as a storage center for the town movie projector, speakers and screen as well as for slides (1966 and 1976 Bicentennial celebrations), cassette players and cassette tapes (oral history tapes and some Historical Society tapes). The tapes and players may be borrowed by our patrons. The projector may be borrowed by any town organization (\$1.00 maintenance fee) by contacting Trustee Bernard Ulitz. The projector was used in 1982 10 times by 4 different town groups. The Cook Memorial Library was used as a meeting room in 1982 70 times by 16 different organizations. Any responsible local group may reserve the meeting room by calling Trustee Bernard Ulitz. Other services to the public include Large Print books and magazines, talking books,

cassette tapes and records for the visually handicapped.

New books are publicized in Mabel Hidden's column in the Carroll County Independent, on the bulletin board at the Tamworth Post Office and at the library. Please note that either Chocoura Public Library or the Cook Memorial Library are open part of every day of the week except Friday:

Monday -	1:00 - 5:00	Chocoura Library
Tuesday -	9:30 - 11:30	Cook Memorial Library
Wednesday -	1:30 - 5:00	Cook Memorial Library
	7:00 - 9:00	Cook Memorial Library
Thursday -	1:00 - 7:00	Chocoura Library
Friday		
Saturday -	1:15 - 4:45	Cook Memorial Library
Sunday -	2:00 - 4:00	Chocoura Library

The telephone number for Cook Memorial Library is 323-8510; Chocoura Library is 323-8610.

If you have never been in your library, please come in and look around. We are a center of information, research and leisure reading. If we do not have what you need, we shall make every effort to obtain it. Books and materials go out for two weeks and can usually be renewed. Our goal is to improve our book collection and our services so that we may help our citizens of all ages with their needs and requirements.

Respectfully submitted,
JEAN ULITZ
Librarian

TAMWORTH FOUNDATION

1982

The annual public meeting of the Tamworth Foundation was held Monday August 30, 1982. Chairman John Finley called the meeting to order at 8:00 PM in the meeting room of the Town House. There were 38 people in attendance.

--The Secretary's report was presented by R. McA. Lloyd. It was accepted as presented.

--The Treasurer's report was presented by G. T. Gallagher. It was accepted.

--It was reported that Marjorie B. Perry's term as a director was up. She was nominated from the floor for a five year term. There were no other nominations. She was duely elected.

--Chairman Finley opened the meeting for grant requests.

--Peg King spoke for the Cook Memorial Library and requested \$200 for book purchases.

--Chairman Finley reported that Wayne Mock, Tamworth School Board requested \$3000 for special education program in the school.

--Nancy Coville reported for the Pre School program and requested a grant of \$4300. This is composed of their regular request of \$3000 plus a "bail out" for their 1981/82 year of \$1300 resulting in a cut back of USDA Nutrition support funds in January.

--Mrs. Tostivan requested \$200 for the school library and hoped that the grant would be a little higher.

--Marion Nickerson reported on the project of preseving old town records and requested \$3983. This would bring all records prior to 1851 protected under this on-going program.

--Dom Bergen reported for the Recreation Department and requested \$895 for portable soccer goals.

--Dom Bergen also requested \$1170 for the rescue Squad. This will be for the purchase of 2 portable emergency receivers.

--Dave Bowles reported on the progress of the South Tamworth Fire Station. He expects a total cost of approximately \$33,000. (\$18,000 was voted at Town Meeting). He requested \$5000 from the Foundation. Subsequent to the meeting Selectman Olton requested a little flexibility in this figure in case unexpected costs are incurred.

--Ned Behr reported for the Tamworth Outing Club and requested \$900 for the Ski Instruction Program and \$1450 for the Red Cross swimming program.

--Chairman Finley and Katy Thompson reported the activity is straightening out the legal and tax status of Union Hall in South Tamworth. There was also talk of having the present fire station in back of the hall given to the Union Hall trustees so that enough land for a septic system and water could be obtained.

Meeting adjourned at 9:05.

REPORT OF RECREATION DIRECTOR 1982

In 1982 the Recreation Department has continued its past activities sponsoring such programs as Pee Wee sports and adult volley ball, supervising the Teen Center, and coordinating the use of the facilities at the Town House. Throughout the year we have sponsored or co-sponsored several special events. The Recreation Department is guided by seven members of the community and staffed with one full time Recreation Director.

The Recreation Department has traditionally been responsible for Pee Wee sports at the 4th, 5th and 6th grade levels. The sports include softball, basketball, cheerleading, volley ball and soccer. Our soccer program has expanded to include all grades in elementary school. We play against children in the same grade category from neighboring towns. The basic skills of the game are taught and teamwork is emphasized. All of the children play during the games.

The special events put on by the department were: 4th of July Parade, and a summer program consisting of summer gymnastics, trampoline, soccer clinics, tennis clinics for children (24 enrolled) and adults (12 enrolled). Adult pick-up softball was very popular throughout the summer, and softball for junior high and high school girls. We held a very successful X-Country ski race for local races last February. Children and adults participated in a loop race and then racing teams competed in a X-Country run from the Hemingway Forest on Great Hill to the Tamworth Inn.

The Recreation Department and the Outing Club has combined forces to put on a Winter Carnival during the February vacation.

The winter of 82-83 so far has been the winter that never happened except at the skating rink behind the Post Office. After pouring over 18,000 gallons of water on it

(donated by the Tamworth Fire Department) the weather finally co-operated and we got a good base. The rink has seen a lot of activity and has been the training ground for our new Pee Wee Hockey Team.

Two new activities at the Town House are: Tai-Chi class on Wed. evenings at 6 p.m. and Dance Classes on Wed. afternoons.

Operating the Teen Center in the basement of the Town House is another function of the Recreation Department. The Teen Center is open Friday and Saturday evenings. Pool, ping pong, pin ball and films from the N.H. State Library are offered.

The facilities of the Town House are utilized in the following manner:

- Craft groups
- Boy Scouts
- Various Club Groups
- Sunday School classes
- Tops
- Cultural performances
- Aerobic exercise classes
- Tai-Chi
- Dance Classes
- Yoga
- Square dances
- Wedding receptions
- Parties
- Public hearings
- Voting

Respectfully submitted,
DOMINIC BERGEN
Recreation Director

**WARRENT FOR ANNUAL MEETING
OF THE TAMWORTH SCHOOL DISTRICT**

To the inhabitants of the School District in the Town of Tamworth, County of Carroll and State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet in the Kenneth A. Brett School on Friday, 11 March 1983, at 7:30 p.m. to act upon the following articles:

ARTICLE 1. To see if the District will vote to authorize the school board to apply for, accept and expend in the name of the School District, such gifts, advances, grants in aid, or other funds for educational purposes as may be available or forthcoming from any source during the fiscal year, in accord with and upon such terms as are found in RSA 198:20-b.

ARTICLE 2. To see if the School District will vote to raise and appropriate the sum of \$5,000.00 for consultants fees, expenses, field testing, and any other incidental expenses involved in continuing the study of the development of a local high school program for Tamworth students, grades 9-12

ARTICLE 3. To see if the School District will vote, in accord with RSA 35:16, to change the purpose of the Capitol Reserve Fund (Plumbing) to that of Capitol Reserve Fund (Boiler and Heating System).

ARTICLE 4. To see what sum of money the School District will vote to raise and appropriate for the repair and/or replacement of the boiler, controls, and associated plumbing of the heating system of the Kenneth A. Brett School; and to determine whether the voters will authorize the withdrawal of \$6,000.00, or some other sum, from the Capitol Reserve Fund (Boiler and Heating System) to be

applied to the repair and/or replacement of the boiler, controls, and associated plumbing of the heating system of the Kenneth A. Brett School; and to authorize the Trustee of the Capitol Reserve Fund (Boiler and Heating System) to withdraw said monies and all other interest accrued and to pay the same over to the School District Treasurer on July 1, 1983.

ARTICLE 5. To see if the School District will vote to raise and appropriate the sum of \$13,200.00 to replace windows in the Kenneth A. Brett School to make the building more energy efficient.

ARTICLE 6. To see if the School District will vote to raise and appropriate the sum of \$8,940.00 to fund all cost items relating to teacher salaries and benefits for the 1983-84 school year, which resulted from negotiations with teachers and represents the negotiated increases over this year's salaries and benefits.

ARTICLE 7. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, other than negotiated increases in salaries and benefits payable to teachers, and for the payment of the statutory obligations of the District.

ARTICLE 8. To transact any other business that may legally come before this meeting.

Given under our hands, this 9th day of February, 1983.

DONNA WHIPPLE
WAYNE K. MOCK
AUDREY BERRY
School Board of Tamworth, N. H.

**WARRANT FOR ANNUAL MEETING
OF THE TAMWORTH SCHOOL DISTRICT**

To the inhabitants of the School District in the Town of Tamworth, qualified to vote at District Affairs:

You are hereby notified to meet in the Kenneth A. Brett School in Tamworth on Tuesday, 8 March 1983, to elect the following School District Officers. The polls will be open for this purpose from 10:00 a.m. to 7:00 p.m.

ARTICLE 1: To elect a Moderator for the ensuing year.

ARTICLE 2: To elect a Clerk for the ensuing year.

ARTICLE 3: To elect a member of the School Board for the ensuing 3 years.

ARTICLE 4: To elect a Treasurer for the ensuing year.

ARTICLE 5: To elect Auditors for the ensuing year.

Given under our hands, this 2nd day of February, 1983

DONNA WHIPPLE
WAYNE MOCK
AUDREY BERRY
School Board of Tamworth, N. H.

SUPERINTENDENT'S REPORT

By Robert B. Kautz and David Stickney

The districts of School administrative Unit No. 9 have seen a great deal of activity on the part of the staff of their local schools and the SAU office in activities which have led to the continued provision of quality education. The recently completed evaluation of elementary schools, which was combined with the State Department of Education's review of how well the schools met minimum standards, gives the citizens of SAU No. 9, as well as the staff a great deal to be proud of in terms of the education it affords the children who live here. The support that the community has provided the schools and the teaching staff is greatly appreciated and has helped facilitate quality education in School Administrative Unit No. 9.

The staff of the individual schools of SAU No. 9 have begun to implement, for all grade levels, a drug and alcohol abuse program. This program has been developed in response to a growing national as well as local need to provide children with the skills to make proper decisions regarding the use of alcohol and drugs. The program is being developed in conjunction with the alcohol and drug abuse section of the New Hampshire State Department of Education. It is hoped that the community is aware of the seriousness of this problem, and we encourage you to accept your responsibility in dealing with this issue. It is through school and community cooperation that we will be able to provide a healthy environment for our children.

Computers, it seems, affect every phase of our daily life. It is currently estimated that 85% of all employment has some contact with a computer. To meet this challenge microcomputers are being purchased for our schools. At the elementary level children are learning about the use, history, and resources of the computer as well as being assisted in their classroom instruction by computer programs. On the secondary level a computer programming course has been instituted. The continued development of

computer curriculums and the use of the computers will prepare youngsters to not only be computer literate but also give them the skills to compete in the world they face upon graduation.

Activity continues on the goals established by the SAU No. 9 school boards in the spring of 1981. Specifically, a computer curriculum for grades K-8 will be implemented this spring to improve the math curriculum. Teachers will continue to stress improvement in the curriculum area of writing. Also, the principals and teaching staff in conjunction with our office will be working together to develop a plan for monitoring each individual child's academic progress for the major curriculum areas. The realization of these goals has been accomplished after many staff hours of planning, attending workshops, and training.

Purchase of diesel buses has proven to be a major saving undertaking. Many of the districts will realize a substantial savings in fuel costs. Another cost saving project which has been undertaken during the past year was the modification of school buildings to improve their energy efficiency. The insulating of windows and changing of lighting to more energy efficient types were but two of the projects which will result in lower energy costs to the school districts. The concept of providing a quality education at a fair and realistic cost is a goal that is being achieved and will continue to be a goal.

In closing, I, as Superintendent, wish to thank all my fellow educators, citizens, and students for the courtesies, considerations and cooperation extended to me in the school districts that I have represented since July of 1976. It has been a pleasure to have served you all and to have had the opportunity to work along side such a number of professionals that I deeply admire and respect.

Our goal has been to constantly improve the educational opportunities for all of our children, and through a lot of hard work and cooperation this has been occurring. It is my hope that everyone within all of our communities

will work together and accept their individual and collective responsibilities to make this beautiful valley a fine, wholesome place to live and work. It is my hope that parents will reawaken in themselves and their children the true spirit of family and become acutely aware and concerned with what their children are doing in their personal lives as well as in their educational program. It is my hope that persons will work to contribute to the community, both as elected officials as well as supporters of community activities in order that life for all becomes better. Let everyone work from a positive aspect, and with this, much will be achieved.

Our children are a valuable resource. Our schools are striving to improve themselves and, therefore, improve the education for children. We need the cooperation and concern of the community together with the schools in order to assure a brighter and more secure future for everyone. It is my hope that I have contributed to that and that this effort shall continue to grow and prosper. Thank you sincerely for having had the opportunity to serve the communities of School Administrative Unit No. 9.

SPECIAL EDUCATION DIRECTOR'S AND TITLE I COORDINATOR'S REPORT

by Elaine M. Woodman

It is the purpose of the State of New Hampshire to insure that the State Board of Education and local school districts of this State provide a free and appropriate public education for all children. Included in this is the education of all handicapped children. Special education means instruction specifically designed to meet the unique needs of the educationally handicapped student. This instruction is team designed; is delivered in a variety of settings; and services the youngsters in our community ages 3-21 years of age no matter what the diversity of need.

Tremendous support was given in the SAU No. 9 communities concerning federal changes in the special education law. The sensitivity and caring for the well-being of others was demonstrated; and parents, teachers, and friends addressed the continued need for special education to the legislature.

One of the largest areas of growth has been the efforts in the early childhood area. To ensure early intervention, monthly diagnostic pre-school screening programs have been developed. A team of individuals skilled in a variety of disciplines observe, assess, and prescribe a plan to help these youngsters. Three center-based programs have been implemented in the locations of Tamworth, Conway and Bartlett. Home-based support services and inter-agency communications have all been strengthened. This will develop a cooperative effort in addressing the needs of our children and provide them with the support they need as early as possible. The major benefit of this program is prevention of learning problems.

At the elementary schools, programs vary from consultation and program modification in the regular classroom structure to the varied amounts of resource room specialized programming. We are attempting, to the best of our ability, to make sure that the program fits the child's needs rather than the child fit the existing program.

The goal for the entire special education department this year has been to bridge the gap between regular education and special education. If children learn best from modeling their peers, then the least restrictive environment, the mainstreamed classrooms, offers an appropriate learning experience for students. Whenever possible, children receive the expertise of both special and regular educators.

Staff development is an ongoing process in special education. Special education teachers are constantly pur-

suings results from current research studies on working with both the handicapped and children with minimal learning deficits. This is highly commendable and ensures that these specialized programs for children constantly improve rather than maintaining the same.

Parents, as the first and primary teachers of their children, play a significant role in the success of any school program. Their involvement in special education is twice as valuable.

Title I serves approximately 200 children in grades 1-8 in SAU No. 9 who need extra help in reading skills. With the Federal funds granted to SAU No. 9 schools, specialists and trained tutors are hired for each of the elementary schools and the junior high school to write and implement educational plans for remediation of reading difficulties. Emphasis is on supplementing basic reading skills while creating a positive attitude of confidence in students.

When a decision has been made that a child needs Title I services, the Title I staff will receive permission from the parent to test and work with the child. Staff members confer with the classroom teachers and individualize instruction. Title I activities enrich and supplement, but do not take the place of, classroom reading. Students work at their own pace on materials geared to their own diagnosed needs and abilities.

In conclusion, it is with much pleasure that I share with you our efforts in special education and Title I. It is because of parents, teachers, students, board members, and the community - working, supporting and trusting one another - that has resulted in quality special education programs for handicapped children and Title I support programs in our schools.

PRINCIPAL'S REPORT

by Andree B. Tostevin

The 1982-83 school year has seen some new faces joining the K.A. Brett staff. New staff include: Elizabeth Cochran, grade 1; Cathy Westervelt, grade 5; Barbara Spofford, 7th & 8th grade English and literature; Jody Hutchinson, special education tutor; and Marilyn Hidden, assistant cook. No longer with our staff is Everett Chase who had given so many faithful years driving the school bus. Our thanks to him. Our 2 new bus drivers are Dickie (Charles) Austin and Bill Wroblewski. The addition of one bus has eliminated the need for an early and late bus route.

The impact of this change has been positive for students, staff and parents.

Our student population has remained fairly constant with grade enrollments as follows: Readiness-10, grade 1-17, grade 2-18, grade 3-27, grade 4-21, grade 5-21, grade 6-29, grade 7-29, grade 8-28, grade 9-23, grade 10-22, grade 11-25 and grade 12-15. There are 3 additional Tamworth students attending other programs in the S.A.U. Therefore, the total R-12 student population is 288. As you can see by the totals, the larger classes are still in the K.A. Brett junior high programs.

The structure of the junior high programs has seen some major revisions this year with the emphasis on providing better utilization of space, staff, and our knowledge of child development. The 6th grade is a more self-contained situation. They spend the bulk of their day with one teacher on language, reading, and social studies. The 7th & 8th grades are getting more time each week in English and science. In addition, the 5th-8th grade students and staff have spent a lot of time revising and creating more accountable discipline policies. Also new this year is a daily activity period for 7th & 8th grade students. This time provides students an opportunity to explore a variety of activities without the pressure of grades. Some topics available this year have been stamp collecting, the "Tigers Eye" newspaper, computers, arts and crafts, intramurals, science, and ski maintenance. We look forward to seeing this activity expand to include

many more topics. The other major change has provided in-school study time for all students in grades 7 & 8. It is still too early to judge the total effectiveness of these changes; however, the responses have thus far been positive for students, parents and staff.

In the lower grades the shift has been towards improving curriculum and building a team approach to problem solving. The 4th & 5th grade chorus has been turned over to Mrs. Stoneman who brings a wealth of musical talent to this endeavor. This change has allowed more time for our other music programs to expand.

In grades R-3 the staff has inventoried their materials to prepare for the changes in the math program which will occur next year. Last year we were able to purchase, through state funding, 3 Commodore computers. I am happy to report that most of our children in grades 2-8 have had some access to them. Next year a computer curriculum entitled "Computeronics" will be available for many students in grades 5-8. The mathematics curriculum will also expand to provide a systematic monitoring of each child's progress in this area.

Our state monies this year have been spent on the continuation of the individualized language arts program (I.L.A.) started in 1980. All of our staff members have now been trained in I.L.A. and we are already seeing great improvements in our students' writing abilities. I am also happy to report that we have been asked to be a model I.L.A. site. This means that teachers from other parts of the state will be sent to the K.A. Brett School to observe our successful I.L.A. program.

Another portion of our block grant monies have been spent on training 2 of our staff members in alcohol and drug prevention programs. It is hoped that community members will become involved in this project as more information becomes available.

The remainder of our block grant monies will be spent on purchasing additional computer components. We are hoping to be approved to purchase the print-on component and the disk drive. These additional pieces of equipment

will be utilized by staff and students in all areas of the curriculum and on class management.

Special thanks to the Tamworth Fire Dept. for providing fire safety materials for our staff and students. We look forward to beginning the program in the spring.

Several staff members have held class suppers this year which have been well received and which we hope to continue in the future. Parents and community members can again look forward to the 2nd annual K.A. Brett School art festival and school picnic. These 2 projects were held last spring for the first time and were greeted with many rave reviews.

Plans have been underway to expand our library program to provide time for students to utilize the Tamworth and Chocorua libraries. This program continues to grow as we search for better ways to use our available resources. This year Nancy Marsden, Nancy Hanson, Pat Noonan and Kathy Johnson have graciously volunteered to service as our library aides. Our special thanks go to them for this service. We must also thank Rayetta Streeter who also served as a library volunteer for many years but who moved on to new ventures.

It has been an exciting year for education in Tamworth. My personal thanks go to the staff, parents and the community members who have put so much of their energies into providing quality education for Tamworth students.

What does the future hold for Tamworth children? This is a major question the citizens of Tamworth will have to address in the next several years. Communities nationwide are faced with the same question and many agree that the look of the educational systems of the future will be quite different than they are today. The prospects are very exciting, and I urge the community to continue to research alternatives and to discuss the issues.

**SCHOOL ADMINISTRATIVE UNIT NO. 9
AUDITORS' OPINION**

To the Members of the
School Administrative Unit No. 9 Board
Conway, New Hampshire

We have examined the combined financial statements of the various funds of the School Administrative Unit No. 9 as of and for the fiscal year ended June 30, 1982, as listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As we described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements referred to above present fairly the financial position of the School Administrative Unit No. 9 at June 30, 1982, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The accompanying financial information listed as supporting schedules on the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the School Administrative Unit No. 9. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole
