THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

Cheshire, ss.

To the inhabitants of the Town of Walpole qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town on Tuesday, the 14th day of March next 1961, at nine o'clock in the forenoon, to act on the following subjects:

Article 1. To choose a Town Clerk, one Selectman for three years, Auditors, Town Treasurer, Road Agent, Collector of Taxes, Trustees of Public Funds, Surveyors of Wood and Lumber, Fence Viewers and all other necessary officers.

Article 2. To raise money for the support of the town poor, for town library, for cemeteries, to build and repair highways and bridges, and for such other current expenses as may accrue.

Article 3. To see if the town will vote to authorize its selectmen to raise money on notes of the town for current expenses in anticipation of taxes.

Article 4. To see if the town will vote to allow a discount on taxes as has been the custom in previous years.

Article 5. To see if the town will authorize its Selectmen to administer and dispose of and deed any real estate acquired by the town by tax collector's deed after being advertised.

Article 6. To see if the town will vote to raise and appropriate a sum of money not to exceed \$8,500.00 for the purpose of constructing and equipping an addition to the Bridge Memorial Library building. By petition.

Article 7. To see if the town will vote to raise and appropriate not more than \$850.00 for the preparation and purchase of a bronze plaque containing names of Walpole residents serving in the armed forces during World War Two. By petition.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$500.00 (\$250.00 for North Walpole and \$250.00 for Walpole) to support the recreation programs in each end of the town. By petition.

Article 9. To see if the Town will raise and appropriate the sum of \$315.00 as its fair share of the operating cost of the Elliot Community Hospital.

Article 10. To see if the town will vote to raise and appropriate the sum of \$496.00 (1/100th of 1% of the valuation of the town) to the Monadnock Region Association of Southwestern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising and by other means calling attention to the resources and natural advantages of the town, in cooperation with the other thirty-seven towns of the Monadnock Region.

Article 11. To transact any other business that may legally come before said meeting.

Polls to remain open until 6 p.m. or later if so voted.

Given under our hands this 17th day of February, 1961.

LAWRENCE W. GRAVES,
HAROLD T. KILLEEN,
LOUIS S. BALLAM,
Selectmen of Walpole

REPORT OF TOWN LIBRARY TRUSTEES

Bridge Memorial Library

Total circulation:	
Adult	5,382
Junior	2,829
Magazines	248
New books acquired	303

North Walpole Branch

Total circulation:

Adult and Junior	4,800
------------------	-------

New books acquired	210
--------------------	-----

Some major improvements in the property have been made. The interior of the Bridge Memorial Building was redecorated and new fluorescent lights were installed in the book room. A wooden box has been placed on the porch for the convenience of persons who wish to return books when the Library is not open.

The North Walpole Branch is now open an additional afternoon as a convenience for the younger children in the community.

With library groups from several neighboring towns we are participating in a cooperative plan for the exchanging and buying of books which results in a substantial saving.

The Bookmobile comes to the Library on a regular schedule and many books are borrowed from this source, as well as others by mail from the State Library.

Miss Fanny Jennison presented a gift to the Library in memory of her sister, Mrs. Marion Weymouth. This was a fine painting of Sir Robert Walpole, the work of a local artist, Mrs. David Allan Reed.

Both Libraries have received gifts of books from time to time and these are appreciated.

Mrs. Mary Van Demark who served very capably as trustee and as chairman of the trustees resigned the position when she moved from the town. Miss Dorothy Rising was appointed by the Selectmen to replace her.

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district of the Town of Walpole qualified to vote in district affairs:

You are hereby notified to meet in the Walpole High School, Hubbard Gymnasium, in said district on the 14th day of March, 1961, at 8:00 in the evening to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose two members of the school board for the ensuing three years.
4. To choose a treasurer for the ensuing year.
5. To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.
6. To choose agents, auditors and committees in relation to any subject embraced in this warrant.
7. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officials, and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
8. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

9. To see if the district will authorize the school board to enter a contract with the school district of Rockingham, Vermont, for payment of high school tuition.

10. To see if the district will vote to raise and appropriate the sum of three thousand, three hundred dollars (\$3,300.00) for the purpose of engaging the services of the firm of educational consultants, Engelhardt, Engelhardt and Leggett to make a complete study of the Walpole School System.

11. To see if the district will vote to elect its school district officers by an official ballot and to adopt the Non-Partisan Ballot System as provided in Sections 77-87 of Chapter 59 of the Revised Statutes Annotated for such election.

12. To transact any other business that may legally come before this meeting.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Walpole:

I herewith submit my annual report as your superintendent of schools:

The amount of knowledge available as factual information is approximately doubling during each decade. A reasonable percentage of this accumulation of knowledge should be imparted to our youth during their school years and this causes a considerable problem for the school. How can more be taught and taught better in the same span of time?

Our school year has increased steadily. State requirements are now 180 days as compared to 172 less than four years ago. Next fall a three-day teacher workshop is planned before school opens. These days do not count in the 180 day requirement. High school graduation will take place after school closes in June this year.

Last year the "Joplin Reading Program" was introduced in grades 4, 5, and 6 and this year expanded to include grade 7. The Walpole Arithmetic Plan, an adaptation of the "Joplin Plan" applied to the arithmetic area was also introduced last year and expanded to include grade 8 this year. Both of these efforts have resulted in improved achievement shown by standard test results. Results of the mid-year tests just completed is most encouraging.

A further step planned this year which is a result of the progress spoken of in the previous paragraph will be to start a "Track Program" at the high school level modified to meet the needs of this school.

This program will provide the opportunity for those pupils who will benefit to start Algebra in the eighth grade and continue the study of mathematics through grade twelve. It will also provide for an extra year of science and additional experiences in English.

In order to make this advance it will be necessary to add one faculty member at the high school level and to temporarily have only one section of grade one using the services of a teacher aid if the size of the class warrants. The anticipated enrollment in grade one next year is only thirty three which is considerably smaller than the past three or four years.

The kindergarten has operated on a one session basis this year. Next year the anticipated enrollment will again require two sessions.

During the 1959-60 school year there were several joint meetings of the school boards of Alstead, Acworth, Marlow, Langdon, Walpole and Westmoreland for the purpose of discussing the possibilities of forming a cooperative district. This year the school boards of Gilsum and Surry have also attended the meetings.

Interest last year was directed toward the formation of a grade 7-12 cooperative. However, information presented by Superintendent Keach and Mr. Russell from the State Department of Education indicated that a grade 1-12 cooperative would be more beneficial than the 7-12 cooperative.

Considerably more study is needed to gather factual material that is needed by the school boards of each community in order that they may have information to aid them in making their recommendations and also to aid the citizens of each district in their decision as to what is the best educational pattern to follow.

Each board is planning to include an article in the school district warrant that gives the opportunity for the

district to decide whether or not to take part in an educational survey.

An educational survey will cover every major aspect of the school situation in each town including an analysis of existing facilities, forecasts of future enrollments, study of the educational needs, suggested curriculum offerings, a review of the advantages of establishing a cooperative school district, and an analysis of the financial problems and tax implications of a cooperative system versus continuing as a separate unit.

Three of the school districts mentioned above send their high school pupils to Keene as tuition pupils. It would appear that these communities should have available alternate plans in the event that Keene decides to discontinue their present policy of taking tuition pupils from surrounding communities.

I strongly recommend that each district vote to take part in this educational survey. The survey will enable the district to make a decision on the basis of factual information.

Walpole teachers plan to take part in a Supervisory Union Workshop to be held next August 30, 31 and September 1st at the Walpole High School. It is planned to study methods of improving teaching techniques in Science, Arithmetic and Reading with the help of outstanding consultants in each field.

The 3 day workshop is in addition to the 180 day school year for pupils, as is the day allowed in the schedule for the annual teacher convention in October.

The 1959-60 average daily membership instructional cost for high school pupils was \$454.19 compared to a state average of \$436. This cost is computed from the combined cost of tuition and regular attendance pupils. The average for elementary pupils is \$274.50 compared to a \$265. state average.

The estimated average salary of Walpole classroom

teachers for next year (1961-62) is \$4,661 which is \$95 above the state average for 1959-60. We have made very good progress in teachers' salaries, however, we will still be somewhat below the state average next year.

The high school principal was recently notified that Walpole High School had been elected to continuing membership in the New England Association of Colleges and Secondary Schools as a result of the evaluation completed last year. A report of progress in regard to recommendations is to be given at the end of two years and a follow-up will be made by the association at the end of five years. Some of the recommendations already accomplished are a fire door exit for the cafeteria, a garbage disposal unit in the cafeteria, a written sick leave policy for employees, school liability insurance, rearrangement of period eight activities, provision for academically talented pupils, expansion of guidance program, increased number of reference materials, an inclusion of regular health instruction as a part of the physical education program.

Progress is made by good leadership and cooperation of a strong faculty. We have been fortunate in both respects. The change in principals that is to occur by the resignation of Mr. Harris will necessitate a period of adjustment that would have occurred at any period of the year. It has been a pleasure to work with Mr. Harris. His efforts and contributions to the progress that has been made are sincerely appreciated.

Inability to find a part-time art teacher has been a disappointment this year. Every effort will be made to employ one this coming year.

The contributions of the Parent-Teachers Association are very much appreciated. The improvement of the school library would not have progressed as rapidly without this assistance.

The sum of \$1500 was accepted from the state for one and three quarters acres of land owned by the school district to be used for the new limited access highway.

A new 60 passenger school bus was purchased this past year at a saving of approximately \$1,000 in comparison to the budget estimate. This was accomplished by buying a new 1959 body and chassis that had not been delivered to a prospective customer the previous year.

A new school bus is needed this year as the one now in use has given ten years of service and should be replaced.

Safety of children is the concern of everyone. We have a traffic problem that needs the cooperation of each individual who drives a car on the school grounds. To alleviate the problem would entail a major expenditure as the changes would have to provide for peak traffic that occurs principally on stormy days. Thoughtfulness, courtesy and cooperation by drivers will materially reduce the hazard.

Teacher changes in the Walpole Village Schools:

Mr. Richard Brown replaced Mr. Anthony Rando as music supervisor. Mr. Brown received his degree from State Teachers College in Lowell, Mass. and did his practice in the Lowell and Billerica schools. Mr. Wallace G. Clark was employed as a social science teacher, grades seven and eight and took over the duties of Mrs. Mary Fredette. Mr. Clark received his degree from Keene Teachers College and did his practice teaching in Walpole. Mrs. Fredette replaced Miss Elizabeth Jason as social science teacher in grades nine—twelve. Mr. Otis Howe replaced Miss Marie Ludgate as sixth grade teacher. Mr. Howe formerly taught in Hanover. Mrs. Donna Levesque replaced Mr. Mario Falsani as mathematics and physics teacher. Mrs. Levesque received her degree from Keene Teachers College and did her practice teaching at Conant High School in Jaffrey, N.H. Mrs. Edith Gassett was employed as a teacher aid for grade three. Mrs. Kathleen Aldrich replaced Mrs. Hester Morrissey as fifth grade teacher. Mrs. Aldrich received her degree from Keene Teachers College and was a former teacher in Rye, N.H. Miss Joyce Mann replaced Mrs. Elizabeth Staples

as teacher of grade five. Miss Mann received her degree from Keene Teachers College and did her practice teaching at Wheelock and Tilden schools in Keene. Mr. Richard McCarthy replaced Mr. Edward Lithgrow as teacher of Auto Driving, Physical Education and Coach. Mr. McCarthy formerly taught General Science and Mathematics in grades seven and eight. Mr. Richard Mulcahy replaced Mr. Wilbur Weston as Guidance Counselor. Mr. Mulcahy received his bachelor degree from Boston University and his master degree from Keene Teachers College. He formerly taught in the Springfield, Vermont school system. Mrs. Helen Murray replaced Mrs. Frances Bolles as Home Economics teacher. Mrs. Murray received her master degree from Keene Teachers College and did her practice teaching at Keene Junior High School. Mr. Charles St. Pierre took over the duties of Mr. McCarthy as teacher of General Science and Mathematics in grades seven and eight. Mr. St. Pierre received his degree from State Teachers College at Salem, Mass. and did his practice teaching in the Salem school system. Miss Elizabeth Wyman replaced Mrs. Jane Edwards as fourth grade teacher. Miss Wyman received her degree from Keene Teachers College and did her practice teaching at Walpole and Keene.

Teacher changes in the North Walpole Elementary School:

Mrs. Lacea Wilson replaced Miss Mary Moynihan as fourth grade teacher on January 3, 1961. Mrs. Wilson taught the third grade during the second semester last year. Mrs. Elizabeth Staples replaced Miss Josephine Fitzgerald as third grade teacher. Mrs. Staples formerly taught at the Village School. Mr. Herbert Werden, Jr. replaced Miss Mary Fitzgerald as fifth grade teacher. Mr. Werden received his degree from Keene Teachers College and did his practice teaching in Keene and Harrisville.

It may be of public interest to know that the Village School facilities have been utilized by the following organ-

izations this year: Parent Teachers Association, adult education group, Town basketball team, Boosters Club, Youth Pilgrim Fellowship Group, Tri-Hi-Y Organization, Young Farmers of Cheshire County, Future Farmers of America Parliamentary Contest, P.T.A. Dancing Class Mrs. Houghton's piano recital, Boy Scouts and Cub Scouts.

The North Walpole Elementary School facilities have been used by the Altar and Rosary Society and the C. Y. O.

I would like to take this opportunity to thank the school board, teachers, parents, pupils and citizens for their cooperation.

ELLIOTT W. KEACH,
Superintendent of Schools

REPORT OF THE SCHOOL NURSE FOR WALPOLE AND NORTH WALPOLE

The following is my report for the year ending June 30, 1960

342 pupils were examined by Dr. Tatem

The following defects were noted and reported:

2 vision

4 wax plugs

2 herinas

4 heart

49 need dental care

747 pupils had vision tests given by the school nurse

31 pupils received vision notices

397 pupils had hearing tests given by the school nurse

752 pupils were weighed and measured by the school nurse

728 pupils attended the polio clinics

38 pupils attended pre-registration clinic

75 pupils were checked for smallpox vaccination, and
necessary follow-up done

1 pupil attending orthopedic clinic

1 pupil attended guidance clinic

355 pupils were patched for TB test

Within our school health program we attempt to attain health improvement of each individual within the group. No two children are exactly alike, each child has distinctive characteristics and special needs. Today we have

better understanding of nutrition, new methods of instruction, materials for instruction are more plentiful, interest in mental health has a deserved prominence, school environment is improving in most areas, and with continued cooperation and interest a child's total development will benefit from the school health program.

I wish to take this opportunity to thank you all for cooperating with the school nurse, Mrs. Damon during my leave of absence.

Respectfully submitted

MRS. ELLEN PEARCE,

School Nurse

PRINCIPAL'S REPORT WALPOLE VILLAGE SCHOOLS

Mr. Elliott W. Keach
Superintendent of Schools
Walpole, New Hampshire

Dear Mr. Keach:

I herewith submit my annual report:

Organization

The basic organizational changes this year were as follows:

1. A single session of kindergarten.
2. Removal of the first grade partition allowing for two sections of grade one.
3. Combining both sections of grade three with the employment of a teacher-aid.
4. The employment of a part-time secretary in the principal's office.

Curriculum:

There have been no curriculum changes in the primary area. The intermediate grades are operating on the Joplin-Walpole Plan in reading and arithmetic. The arithmetic phase has been expanded to include grade seven this year. Grades seven through twelve are operating on the same schedule and curriculum as last year with the exception of the S R A Developmental Reading Program, period eight.

Evaluation

This project was completed last May 9, 10, and 11 when the New England Association of Colleges and Secon-

dary Schools sent a visiting committee to evaluate the Walpole High School.

The results were most gratifying and confirmed previous statements relative to the educational opportunities available in the school. Many recommendations were made by the committee and the staff is presently studying them as to priority.

In the final analysis, the evaluation will be an excellent guide-line report. It should prove to be very valuable to curriculum, physical plant, and staff studies.

School Lunch Program

The following summary figures are given to show the comparison between the years 1956-1960 as of June 1960.

	Total Receipts	Total Expenditures	Total Reimb.
1956-57	\$20,930 82	\$20,641 33	\$3,259 76
1957-58	20,232 43	22,599 55	2,646 17
1958-59	22,617 09	22,244 41	2,746 41
1959-60	26,097 50	24,969 52	4,047 53

There were 67,186 student and 5,056 adult meals served in 1959-60.

Title III and Title V Funds

As my last report indicated, the science, mathematics and modern foreign languages and guidance departments were planning to expand the equipment in their various areas by means of the federal funds made possible through the National Education Defense Act. They purchased four filmstrip projectors, many arithmetical filmstrips, an overhead projector, several items of scientific equipment, group guidance textbooks, a tape recorder, earphones, and reference materials.

This year we plan to further expand the equipment in the department by the purchase of additional science

equipment, science reference books, and another tape recorder.

I sincerely hope that additional funds will be forthcoming to further strengthen these areas as well as the possibility of aiding the other major academic areas.

It is my personal opinion that this is one of the better programs designed to supplement the educational areas that are considered to be in need of improvement.

Guidance

The guidance director has recently conducted a community survey of the employment opportunities available to the graduates. It indicates that there were seventeen businesses surveyed in Walpole.

Testing Program

With the interest on educational tests the following explanation of the annual testing program as developed for the Walpole School children is given.

Mental Ability

Grade	Name of Test
1	Otis
3	Otis
5	Otis
7	Otis
9	S R A
10	Psych.
11	S R A
K-12 individual Wechsler	

Grade	Name of Test
K	Reading Readiness
1	Reading Readiness
1-8	California Battery
4-6	American Arithmetic & Iowa Reading
8	State Test
9-12	Cooperative Standardized
9	U.N.H.

10	U.N.H.
11	U.N.H.
11-12	College Boards
12	Employment Aptitude Tests

The mental ability tests are usually administrated in November with an individual Wechsler given when confirmation of a score is desired.

The reading readiness tests are given either in May for the Kindergarten or October for pupils in grade one. The California Battery is usually given in April with the American Arithmetic and Iowa Reading given to the pupils in the Joplin-Walpole Reading and Arithmetic Program in January.

The Grade Eight Testing Program

The Pintner General Ability Test is given in November with the Metropolitan Achievement Battery consisting of ten areas. The Test service and Advisement Center at Dunbarton administers the scoring procedures.

The Cooperative Standardized Tests for grades nine through twelve are given the last few weeks of the school year. The U.N.H. Test Battery for grades nine and eleven are given in the fall and measure interests, aptitudes, and scholastic ability.

The college board tests are given at various times through-out the year. A schedule of the dates and places is available in the guidance office. These tests are intended for pupils in grades eleven and twelve seeking admission to institutions of higher learning.

The employment tests are given by a representative of the employment division for the purpose of determining a pupil's aptitude for employment as an aid in selection of Vocations.

There are other special tests which are not explained because they are not considered a significant part of the Walpole testing program.

Adult Education

One of the services which a school can render to a community in addition to the primary education of its youth is an adult education program. At Walpole, this has been possible through the interests of two members of the P.T.A., Mrs. John Hillier and Mrs. Ralph Potter, who were instrumental in the organization of the present program.

Courses in typing, sewing, and modern short stories were offered last semester. A course in investments is being given at the present time and it is planned to continue the program with additional courses next semester.

It has been established that at least twelve members are needed to warrant offering a course, that the courses will carry no credit, attendance will not be taken, and that cultural improvement is the primary aim of the voluntary program.

Pupil Activity Program

One of the areas that received considerable attention by the visiting evaluation committee was the pupil activity program. It has also been of great concern to the staff due to the problems connected with it.

The greatest problem in this program seems to be what should be offered for activities. It is our opinion that only activities which are closely associated with the educational program of studies should be sponsored. Therefore, we have the following activities scheduled period eight on the days indicated.

MONDAY

Band
Public Speaking
Personal Typing H.S.
Yearbook
S.R.A. Reading
Driver Education

TUESDAY

Chorus H.S. & J.H.S.
Public Speaking
Personal Typing H.S.
Yearbook
S.R.A. Reading
Driver Education

WEDNESDAY

Band
 Public Speaking
 Personal Typing J.H.S.
 Yearbook
 S.R.A. Reading
 Driver Education

THURSDAY

Chorus, H.S.
 Public Speaking
 Personal Typing J.H.S.
 Yearbook
 S.R.A. Reading
 Driver Education

FRIDAY

Thespian Club
 Future Homemakers of America
 Future Business Leaders of America
 Science Club H.S.
 Science Club J. H.S.
 Intro-Mural Program H.S.
 Assemblies
 Class Meetings
 Homerooms

Each pupil is to participate in at least one activity per week excluding assemblies, class meetings, and homeroom. The majority of the pupils enroll in two activities and a few have permission to take part in three activities.

One of the recommendations suggested by the visiting committee was to consider offering the activities band, chorus, public speaking, and driver education on a five period a week basis and consider them as a regular credit subject. Since this is directly opposed to our interpretation of these activities and our philosophy concerning them, I simply wish to express our feeling regarding this program.

Enrichment Program

My 1958 report mentioned the formulation of an enrichment program to supplement the subjects in grades four, five, and six. Last year we expanded the program to include grades seven and eight.

At the present time we are offering three courses in modern foreign languages, two in French and one in Span-

ish. There are fifty pupils enrolled in the enrichment classes and, after two years of successful operation, I feel that serious consideration should be given to the possibility of making these courses a definite part of the elementary curriculum.

Miscellaneous

Two of the areas receiving consideration at the time of this report are an expansion of the mathematics and science program in the high school curriculum. It is planned to offer Algebra I to grade eight pupils and Biology to grade nine pupils. Future plans probably will also include expansion of the language, English, and social science areas. Such expansions will mean additional staff members and space and are directly connected with projected enrollment figures.

In Summary

It is my opinion that the Walpole Village Schools offer an excellent educational environment and that the efforts of the parents, townspeople, school board, staff, and administration have been well planned to offer such a curriculum to the pupils of Walpole.

I wish to take this opportunity to thank the Superintendent, School Board, staff, pupils, and parents for their cooperation.

Sincerely Yours,
LAURIE L. HARRIS, JR.

Principal

REPORT OF PRINCIPAL NORTH WALPOLE SCHOOL

Mr. Elliott W. Keach
Superintendent of Schools
Walpole, New Hampshire

Dear Sir:

I submit herewith my annual report as Principal of the North Walpole School.

Scholarship

Our reading program, judging from the number of books being read by each grade, and from the results as reported by the teachers, is proving very successful. The number of books read by the school children this year has increased over the same period last year. This increase is due to the fact that a number of students who did little or no reading before, are now reading three or four books per marking period. This is substantiated by the reading charts which are kept in each grade. In order to take care of this increase in reading, our conversation periods now meet twice a week. Oral reports on the books read by the children are given during these periods, as well as other topics of interest to the class. Those books, not reported on orally, are summarized on forms prepared by the teacher.

The Mathematics program, scheduled at the same time in grades one through six, permits interchange of pupils whenever the teacher deems it best for the pupil to do so.

Teachers' meetings are held on the average of once a month. Our first meetings this year were spent in for-

mulating a Philosophy of Education for the school. Each teacher submitted his or her Philosophy of Education and these were then discussed at length. From the discussions the Philosophy of Education of the North Walpole School was arrived at.

The program in science has progressed quite rapidly, as the teachers have become more familiar with the program instituted a few years ago. Evidence that the program is achieving some success is shown by the interests of the children and the increase in the number of experiences and experiments that the teachers are presenting in their classrooms to the students. Favorable comments on the school science program were received from Mr. Herbert Wagner, Director of Elementary Science for the State Department of Education, when he visited the school in December.

The Physical Education classes are being carried on as in other years, meeting twice each week under the guidance of the teacher in each grade. All of the teachers have been provided with a book, "Physical Education in the Elementary School" which covers games and exercises for each grade level.

Our testing program, covering intelligence quotients and achievements, was administered by the teachers of each grade. The results were of great help to the teachers in making their groups for instruction purposes and their daily lesson plans.

Two teachers, Mr. James Quinn and Mr. Herbert Warden have finished an extension course in Guidance given at Claremont, New Hampshire during the first semester. They are to be congratulated for seeking advancement in their chosen profession.

Organization

The Hobby and Science Exhibits held last May were enthusiastically received by the people that viewed them.

In Science, each grade exhibited a unit of its choice plus any individual project accepted by a committee selected for that purpose. The Hobbies of the pupils consisting of paintings, needle work, and useful articles made of wood were placed on exhibition in the various classrooms. These exhibits, from the comments received and from the interests of the children, have come to play an important role in the education of the pupils in this end of the town.

The Public Relations Program of the school is carried on by Our General Assemblies, Reports of School News in the Weekly Newspaper, and other activities such as One-Act Plays and Operettas.

General Assemblies are held once a month with each grade in turn being responsible for the Program. The public is cordially invited to attend these programs, and many of the parents and others interested in the school, take advantage of this opportunity to visit the school and talk with the teachers concerning their children or the work the school is trying to accomplish.

The School News is written by two different grades each week and is being handled by topics this year. The people of the community are thus informed on what each grade is doing in the various subjects.

The Operettas and One-Act Plays were both well attended by the citizens of the village. The participants and directors are to be commended for their efforts, in providing fine evenings of entertainment.

The Yearbook of 1960 was highly recommended by our advertisers, parents, and friends. I wish to congratulate the pupils from grades seven and eight, and their advisor, Mr. James Quinn, for their splendid volume last year.

In athletics the school had a successful season, winning the majority of its games in basketball and baseball. The basketball team was runner-up in the annual Junior High Tournament held at Bellows Falls.

The boys join with me in thanking Mr. Paul Aumand for his gift to the school of practice basketball jerseys. The school is also indebted to Mr. Aumand for a clothes rack he constructed so that the boys could hang up their uniforms to dry after each game.

In conclusion, I wish to thank the School Board, Superintendent, Teachers, Parents, and Pupils for their co-operation and support given me during the past year.

Respectfully submitted,

JOSEPH Z. DUBE,

Principal

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

November 23, 1960

Board of Selectmen
Walpole, New Hampshire
Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Walpole which was made by this Division, acting under authority of Chapter 71, Section 27, of the Revised Statutes Annotated, which provides in part as follows:

“Audit on Motion of Commission. The (Tax) Commission may cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such audit. . . .”

This audit covered the fiscal year ended December 31, 1959, and the period from January 1st to October 24th, 1960. Exhibits as hereafter listed are included as part of the report. Also included is a Statistical Table presenting a Ten Year Statement of Indebtedness, Valuation and Taxes.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Highway Department.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1958—December 31, 1959: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1958 and December 31, 1959, are presented in Exhibit A-1. As

indicated therein the Surplus increased by \$5,162.67 during the fiscal year ended December 31, 1959.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Surplus	
Net Budget Surplus	\$6,048.69
Decrease in Surplus	
Deficiency of Actual Under estimated Amount of Railroad Tax (1958)	886.02
Net Increase	<hr/> \$5,162.67

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1959, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$4,007.85, plus a revenue surplus of \$2,040.84, resulted in a net budget surplus of \$6,048.69.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1959, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of October 24th, 1960, is indicated in Exhibit F.

GENERAL COMMENTS

Indebtedness, Valuation and Taxes:

Table I presents a Ten Year Statement of Indebtedness, Valuation and Taxes. It will be noted that during the period from December 31, 1949 to December 31, 1959, the Surplus increased from \$7,513.67 to \$11,103.17. There were no outstanding bonds or notes during this period.

During the same period the assessed valuation of taxable property increased from \$4,139,345.00 to \$4,910,381.00 or 19%. The amount of the annual tax levy increased from \$167,006.00 to \$371,454.00 or 122%.

The average local tax rate increased from \$4.03 to \$7.52 per hundred, compared to the average rate for the State which increased from \$4.31 to \$5.37 during this period.

Town Treasurer:

Town checks should be countersigned by the Treasurer only after they have been issued and signed by the Selectmen.

Tax Collector (Walpole):

All additional Head and Poll taxes should be charged to the Collector and taxes removed from Head and Poll Tax Warrants only through proper abatement procedure.

The Collector's cash book should be kept up to date and remittances to the Treasurer made at least monthly as required by law. Such remittances should include total collections made since the date of previous remittance.

Tax Collector (North Walpole):

All abatements should be entered in the warrant books with the date and amount of the abatement indicated in each case.

Town Clerk:

All funds received by the Town Clerk from the issuance of motor vehicle permits and dog licenses should be remitted to the Treasurer monthly in accordance with the provisions of Chapter 260, Section 31, of the Revised Statutes Annotated.

Seals on Tax Warrants:

All tax warrants should contain either the imprint of the Town Seal or separate legal seals affixed after each Selectmen's signature.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Walpole for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER,

Director

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Joseph W. Boudreau,
O. Maurice Oleson,
Auditors

Hugh J. Cassidy, Accountant
