The State of New Hampshire

TOWN WARRANT

To the Inhabitants of the Town of Deerfield in the County of Rockingham in said State, qualified to vote in town Affairs:

[L. s.]

You are hereby notified to meet at the Town Hall in said Deerfield on Tuesday, the tenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will raise and appropriate the sum of \$3,000.00 to be expended on Mountain Ave., the State to contribute \$6,000.00.
4. To see if the Town will vote to raise and appropriate a sum not exceeding \$28,000.00 for the purpose of completing the Federal Aid Secondary Road known as Mountain Avenue in Deerfield. Such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 241, New Hampshire Revised Statutes Annotated 1955 and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and

to determine the rate of interest thereon and to take such other steps as may be necessary to negotiate such bonds or notes. This to be necessary only when the State and Federal Government have their funds available.

5. To see if the Town will raise and appropriate the sum of \$1,160.06 for Town Road Aid, the State to contribute \$7,733.73.

6. To see if the Town will vote to instruct the Selectmen to hire money in anticipation of taxes.

7. To see if the Town will vote to authorize the Selectmen to sell property acquired through Tax Collector's Deeds.

8. To see if the Town will vote to restrict the use of Veasey Park to residents, property owners and part time residents of the Town of Deerfield and their guests.

9. To see if the Town will vote to instruct the Selectmen to require a bond from all commercial timber operators cutting timber in the Town of Deerfield.

10. To see if the Town will vote to create the office of Chief of Police.

11. To see if the Town will vote to elect three Park Commissioners for a term of three years, according to specifications in the deed.

12. To see if the Town will vote to accept the following Trust Funds: David Polkki \$100.00; William G. Cate \$100.00; James W. Fife \$100.00.

13. To see if the Town will vote to prohibit the use of trailers, mobile homes or portable buildings used as dwellings

in the town unless equipped with running water, sanitary and bath facilities to include toilet.

14. To see if the Town will vote to prohibit any land or building use in the Town that is not residential or seasonal residential, except for official Town use, within 3000 feet of the high water mark on the shore of Pleasant Pond, so-called, and on Northwood Lake, so-called.

15. To see if the Town will vote to prohibit any junk yard or place for the storage of discarded machinery, vehicles, or other waste materials in the Town except in officially designated place or places. Private disposal grounds and machinery or vehicles which are not used commercially shall not be included if they are stored in such a manner as not to be detrimental to the neighborhood.

16. To see if the Town will vote to prohibit any land or building use that may be obnoxious or injurious by reason of the production or emission of odor, dust, smoke, refuse matter, fumes, noise, vibration or similar conditions, or that are dangerous to the comfort, peace, enjoyment, health, or safety of the community or lending to its disturbance or annoyance. The normal agricultural production which now exists in the Town is not to be considered as a violation of the above.

17. To see if the Town will vote to have the Advisory Budget Committee act in a planning capacity as a standing committee to study and recommend action to the Town on future planning and zoning needs as they may develop.

18. Proposed Building Regulations:

1. The Inspector of Buildings shall be appointed by the Selectmen annually and shall be the administrative officer

of this Ordinance, with an annual salary of one dollar (\$1.00).

2. No application for a certificate required by this Ordinance shall receive action by the Building Inspector unless made in writing and accompanied by a sketch or plan for the proposed building.

3. Upon receiving such application it shall be the sole duty of the Building Inspector to take action within 19 days and issue the certificate in writing over his signature. If, however, he finds the proposal in any conflict with the law or this Ordinance he shall reject it. The applicant upon rejection may appeal to the Selectmen.

4. No building or structure shall be erected, unless in compliance with the following:

a. FOUNDATIONS: All structures shall be set on solid foundations of concrete, brick, stone or other acceptable masonry except that in special cases where buildings are to be used for accessory use, seasonal use, industrial use, warehouse and the like, the Building Inspector may waive the requirements of this section and permit the use of wood, metal or masonry piers.

b. BUILDINGS: Must be framed according to good building practices and outside walls shall be covered with permanent materials customarily used such as wood, or fire resistant shingles, sidings, clapboards, bricks stucco, concrete or cinder block or other acceptable materials.

c. ROOFS: No roof of any building shall be covered in whole or in part save with non-combustible or fire resistant roofing materials.

d. CHIMNEY CONSTRUCTION: Chimneys shall extend at least 3 feet above the highest point where

they pass through the roof of a building and at least 2 feet higher than any portion of a building within 10 feet. No chimney shall be built, erected or altered below the roof so that wood or other combustible material is within one inch of the chimney and no chimney shall have its base resting upon any floor or beam of combustible material. All chimneys shall be lined according to acceptable building practices. No furnace or mechanical heating device shall be installed or connected to a chimney unless it conforms with the basic standards for safety of life and property. Factory-built chimneys that are approved as a result of tests and listing by a nationally recognized testing laboratory shall be installed in accordance with the condition of the approval.

e. **ELECTRIC WIRING:** All electrical wiring shall conform with approved methods and practices for safety to life and property. Compliance with the National Board of Fire Underwriters, shall be *prima facie* evidence of such approved methods and practices.

f. **SEWERAGE:** All dwellings and all commercial, public or industrial buildings shall be connected to private sewerage disposal system or systems, approved by the Health Officer.

g. **EXCEPTIONS:** Alterations, repairs and general upkeep of existing buildings together with small portable buildings shall be exempt from the provisions of this Ordinance.

5. **AMENDMENT:** This Ordinance may be amended by a majority vote of any legal Town Meeting when such amendment is published in the Warrant calling for the meeting.

6. **ENFORCEMENT:** Upon any well-founded information that this Ordinance is being violated, Selectmen shall, on their own initiative, take immediate steps to enforce

the provisions of this Ordinance by seeking an injunction in the Superior Court or by any other appropriate legal action. The Selectmen shall have authority to allow variances from the specific terms of this Ordinance where it can be shown that unnecessary hardship would otherwise result. Whoever violates any of the provisions of the above regulations shall be punished upon conviction by fine not exceeding ten dollars (\$10.00) for each day of each violation.

7. TAKES EFFECT: This Ordinance shall take effect upon its passage.

19. To see if the Town will vote to establish a water system and works in Deerfield.

20. To see if the Town will vote to acquire the water rights to Pleasant Lake.

21. To see if the Town will elect three Water Commissioners to serve for three years each, except that the initial Commissioners shall be appointed by the Selectmen, one to serve for one year, one to serve for two years, and one to serve for three years; and thereafter to be elected by the Town at its annual meeting.

22. To see if the Town will vote to request the New Hampshire Water Resources Board to acquire the dam at Pleasant Lake.

YOU CAN HELP PREVENT FOREST FIRES

Twenty-five per cent of all forest fires in New Hampshire are caused from careless debris burning — brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc., cut on your property. Eliminate the hazard of burning yourself. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty. Use your town dump.

To the Selectmen of Deerfield:

In accordance with an article in the 1958 Town Warrant, to find out what can be done by the Town of Deerfield to encourage new industry; a committee of three was chosen, namely: Charles Richardson, Russell Bowden and Ken Nay. The following is the report on the findings.

Information was sought at the State Planning and Development Commission in Concord and the Industrial Commissions in Manchester and Nashua, N. H.

The Industrial Development Commissions in both Manchester and Nashua, which operate full time working for new businesses, have worked hard, but their results are far from successful.

The state also has no favorable results to report as a total of only fourteen (14) new businesses have been established in New Hampshire during the last two years.

A number of small towns in New Hampshire have taken steps to get new businesses, by establishing an Association to evaluate their town's assets and to go after prospective businesses, with much money spent. There is no report that any of this work has brought results.

When the assets of Deerfield were evaluated, it was found that Deerfield has a very limited supply of skilled labor and a limited supply of unskilled labor. The natural resources include woodland. The most important asset that Deerfield has is that it is a clean, typical farm community in New Hampshire.

The drawbacks of establishing an industry in Deerfield are:

No modern buildings available.

Available labor within the town is very limited.

No town water.

No town sewerage.

Insurance on property is very high.

No rail transportation.

All telephone calls made out of town are toll calls.

Educational facilities are no better than other communities.

Based on the findings of the work done, the following suggestions and opinions are made.

The town of Deerfield is very fortunate in having the P. K. Lindsay Co. located here as it is one of the largest, new, small industries to be located in New Hampshire.

The element of "luck" constitutes about 100% of the reason a small business locates in a small N. H. town; meaning that one person likes the town and decides personally to locate there — bringing his business with him.

The town of Deerfield should do all it can to protect itself with adequate zoning laws and develop itself into a farm residential community for people who wish to live here and work in Manchester, Concord, Dover, Portsmouth, Exeter, etc.

It would be advisable for Deerfield residents to make an effort to attract retired and summer residents who may be instrumental in fostering some business here.

The town of Deerfield should keep a standing committee working on the development of forest industries.

The people of Deerfield should realize that the idea for and the development of new business must be originated by someone within the town itself.

CHARLES D. RICHARDSON,
KENNETH W. NAY,
RUSSELL W. BOWDEN.

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Deerfield, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 7th day of March, 1959, at 1:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of statutory obligations of the district as determined by the school board in its annual report, presented to the Advisory Budget Committee, and approved by them.

9. To transact any other business which may legally come before this meeting.

9. 2—c. If the School District will vote that the income from the Jenness Educational Fund voted by the Special Town Meeting of November 21, 1870, "to be in addition to the amount annually voted to be raised by said Town for the support of schools," be in fact treated annually "forever" as voted in 1870 as being in addition to the appropriation voted for schools at each Annual School District Meeting.

RUTH B. PENNELL,
WADSWORTH WINSLOW, JR.,
CORNELIUS P. SHORT,
School Board.

Unless otherwise voted by the district, the articles in the warrant will be taken up at 2:00 P. M., with the exception of the election of officers, which will start at 1:00 P. M., as stated.

ANNUAL REPORT
OF THE SUPERINTENDENT OF SCHOOLS

February 1, 1959

To the School Board of Deerfield, New Hampshire:

May I present my twelfth annual report of the school in Deerfield at this time and express my appreciation to the Board for its indulgence during the past year.

Probably the high light of the new school year and another era in the school system of Deerfield, was the addition of a fifth teacher and the building of another school room. It is interesting to look back a few years to the time when the George B. White school was to be constructed. You will remember the controversy which developed as to whether or not a basement should be included in the plans. The foresight of those individuals who had the courage of their convictions have become justified. The cost of construction of the new room in the building would have been almost impossible had no space been available in the basement of the school.

The Board through its Chairman, Mrs. Ruth B. Pennell, is to be commended for its economy as well as its educational planning in building this modern classroom in the face of rising costs. The town has been congratulated many times for its effort in completing this project from other towns and the department of education as a job well done.

Our staff has been increased by one teacher. We now have five full time instructors. This increase was due to the in-

crease in the number of children in Grades 1-2 although this situation will continue through Grades 3-4 another year. Mrs. Ramona Stevens returned to teach in Grade 1; Mrs. Anne Yeaton of Epsom was elected to take Grade 2; Mrs. Constance Smith was unable to start the year, but the Board was able to engage Mrs. Alice Gfroerer, a veteran of the schools of Massachusetts, as a substitute until November when Mrs. Smith returned. In Grades 5-6 Mr. Michael Santavenero of Penacook and the University of New Hampshire was elected while Mr. Charles F. Griffin returned as the teacher in Grades 7-8 and the principal. Mrs. Reed was continued as the music teacher and has been on the job since school opened together with Mrs. Ruth Dearborn, the school nurse.

The school board has remained constant during the past year although Mr. Short comes up for re-election in March.

Again this year we are faced with an increase in tuition and teachers' salaries. These two items make up nearly 80% of the entire budget, not only in Deerfield, but also in nearly every other district where children are sent to high school and teachers are elected. There are two or three reasons for this situation. One is due to the increase in the number of children attending high school. A second is the fact that the rate per pupil has grown very rapidly. And a third reason is that more and more teachers are demanding higher starting salaries which in turn jumps the cost of veteran teachers. Underlying all the other reasons is the basic fact that the cost of living is still increasing.

Let us look at the figures. Last February we estimated that there would be 44 children attending high school in the fall. At that time the tuition rate per pupil in Manchester was quoted as \$371; at Coe-Brown Academy it was \$367; at Concord, \$375; at Pembroke Academy, \$330; and at Raymond the rate was \$312. This February, the estimated number

to be attending high school in September is 54 and at the same time the tuition rate per pupil is \$400 in Manchester, \$388 at Coe-Brown, \$385 in Concord, \$360 at Pembroke Academy, and \$312 at Raymond. What a difference just 10 more pupils are going to make in the total tuition cost. And to add to this dilemma we have to consider the foster children and those youngsters who are attending schools in other states which are approved by our own state department of education.

In searching for teachers we again are faced with the ever mounting costs. In December visits were made to every college in the state plus colleges in Maine, Vermont, Massachusetts, and even New York to look over and line up teachers in this Union for next fall. These visits will continue as always during January, February, March and even up to the time school opens in September if necessary. In fact, our last teacher was hired just a week before school opened last fall. It might be enlightening to know that in our own teachers' colleges the price for beginning teachers is \$3700. It is a very difficult task to sell teaching positions especially in most of the smaller towns for \$3400, \$3500, or even \$3600. And then, what shall we pay the veteran teacher with one, two, or three years experience?

Certain recommendations have been made to the School Board such as schedules for painting and repairing both inside and outside the building, improvements to the playgrounds, and various other repairs which are necessary to the maintenance of the building.

Some thought should be given to the expansion of our music program. At the present time Mrs. Reed is in Deerfield one day a week. It would seem that with the part music plays in the world today this one day a week program is far from adequate. Have you given any thought to instrumental

music and band? This is being accomplished in at least three schools in this Union and the school districts are paying the bill.

As we plan for a new school year, may I express my appreciation to the School Board, the teachers, and the children for their many kindnesses toward the school in the efforts of the people to improve and develop a good educational system in Deerfield.

Respectfully submitted,

MURRAY H. WATSON,
Superintendent of Schools.

Explanation of Purchases Under Item Numbers

Items, 1, 2, 3, and 4 are self explanatory.

Item 5, includes expenditures for travel, telephone, and for supplies of materials used for administration as well as freight and cartage thereon. The usual supplies are ink, carbon paper, printed forms, vouchers, ledgers and other materials which once used are actually consumed, or do not last more than five years.

Item 6, includes teachers' salaries, plus withholding tax, retirement, Blue Cross, etc.

Item 7, includes cost of books for pupils, cost of films, film strips, pictures, charts, maps, photograph records, sheet music, globes, small musical instruments, and other instructional aids that last more than two years.

Item 8, includes workbooks, tests, chalk, ink, pencils, pens, fasteners, carbon paper, rubber stamps, typewriting supplies, magazines, newspapers, etc.

Item 10, includes diplomas, expenditures for graduation, speakers, repair and replacement of maps, reference books, flags, flag ropes, flag staffs, rentals of instructional materials, testing services, travel, and freight and cartage on the same.

Items 11 and 12 are self explanatory.

Item 13, includes light bill, janitor's supplies; for example, electric light bulbs, toilet supplies such as soap, paper, towels, sweeping compounds, brooms and mops.

Item 14, includes painting, replacing broken windows and all repairs to mechanical equipment such as plumbing, heat, light, ventilation, and repairs to pipe lines, and heating plants. It includes repairs to equipment not built into the building such as desks, chairs, projector, etc. Also includes all labor not performed by regular custodial staff.

Item 15 includes all expenditures for medical, dental, and nurse service in the nature of inspection, first aid, weighing, etc.

Items 16 and 17 are self explanatory.

Item 18 is the hot lunch program.

The balance of the items are understandable, with the possible exception of Item 23, which includes bookcases, chairs, desks, filing cabinets.

AUDITOR'S CERTIFICATE

This is to certify that I have examined original vouchers, cancelled checks, and other evidence as recorded by the treasurer and find all records in proper order and in balance.

WILLIAM C. MAXWELL,
Auditor.

July 14, 1958.

Deerfield, N. H.
July 22, 1958

Mrs. Ruth Pennell
School Board
Town of Deerfield

DEAR MRS. PENNELL:

As auditor of the school district I have gone over the records of the Hot Lunch Program as submitted by Mrs. William Cray and find them to be in good order and with the following results:

School Year Ending June 30, 1958

Receipts

Bank Balance July 1, 1957	\$	105.72
Town of Deerfield		300.00

State of New Hampshire	639.50	
Lunch Sales	1,697.23	
Miscellaneous, Supper, P.T.A., etc.	48.59	
		————— \$ 2,791.04

Expenses

Food*	\$ 2,169.89	
Labor*	850.50	
Equipment	21.61	
Gas	40.50	
Miscellaneous	1.00	
		—————
Total Expenses		\$ 3,083.50
		—————
Loss from operation of Program		\$ 292.46

* Includes unpaid bills shown below.

Manchester Dairy	\$ 258.87	
Evelyn Cray, labor	108.00	
		—————
		\$366.87
Bank balance per June 19, 1958 statement	\$ 178.64	

Less outstanding checks:

No. 211 American Grocery	\$ 92.60	
No. 212 State of New Hampshire	27.67	
		—————
		120.27
		—————

Balance in bank July 22, 1958	\$ 58.37
Undeposited cash, Mrs. Cray	16.04
	<hr/>
Balance available to reduce deficit	\$ 74.41
Net deficit to be made up by district	292.46
	<hr/>
Total as Above	\$ 366.87

I note that between the yellow sheets as submitted to the "Union" and the "white" to the state that there is a difference in the number of lunches reported. This apparently means that the district has been over-reimbursed by the state. I make this note because Mrs. Cray spoke of it. The correction of this matter with the state I leave to the board and Mrs. Cray.

M. C. MAXWELL,
Auditor for the District.
