DEDICATION

CLIFFORD J. CHAPMAN

1932 - 1988

Clifford J. Chapman was born May 5, 1932 in Haverhill, Massachusetts. He moved to West Newbury, Massachusetts with his family and was educated in the West Newbury school system.

In 1955, Cliff was honorably discharged from the United States Air Force, serving his country for four years. He then married Dorothy Cadorette and moved to the Town of Newton where he resided at 135 North Main Street, raising a family of two boys and two girls.

Cliff was an asset to the Town of Newton where he served his community as a police officer during the years of 1962 - 1971. He held the position of Deputy Police Chief during the years of 1966 and 1967. Cliff was also elected as Road Agent for the Town of Newton during the years of 1969 and 1970.

Cliff passed away on December 5, 1988. He will be sadly missed by the community and his many friends.

NEW HAMPSHIRE HOUSE OF REPRESENTATIVES
DECLARATION

Saluting Boy Scout Troop 91 of Newton, New Hampshire

WHEREAS, in the Year of Our Lord, Nineteen Hundred and Fifty-Five, did begin the illustrious history of Newton, New Hampshire Boy Scout Troop 91, and

WHEREAS, on that same noteworthy date the Newton Junction Baptist Church became the sponsor of Boy Scout Troop 91, a union that has endured for thirty-three years right up to this very day, and

WHEREAS, the community of Newton has long considered Boy Scout Troop 91 a source of great pride, watching with esteem, affection and gratitude as, through the years, the scouts carried out numerous community service projects, and

WHEREAS, in this present year of 1988, from the fourteenth through the sixteenth of October, Boy Scout Troop 91 will host a Camporee at the Lone Tree Scout Reservation in Kingston, and

WHEREAS, the membership of Boy Scout Troop 91, under the diligent leadership of Scoutmaster Fred Ellis, Sr., admirably decided on Public Safety as the Camporee's theme, and

WHEREAS, this event of 1988 will mark the second time that Boy Scout Troop 91 has ever hosted a Camporee, while simultaneously marking the first time that the Troop's present members have hosted such an event, now therefore be it

DECLARED, by the Speaker of the House, that the present members of Newton, New Hampshire Boy Scout Troop 91 be congratulated and saluted for hosting the 1988 Camporee, and be it further

DECLARED, that all scouts in attendance at the Camporee be recognized for their committment to the principals of scouting, and that a suitable copy of this Declaration be prepared for presentation to Troop 91.

Douglas Scamman, Jr.
SPEAKER OF THE HOUSE

TOWN WARRANT
1989

The State of New Hampshire Town Warrant

THE POLLS WILL BE OPEN FROM 10:00 A.M. to 7:30 PM.

To the inhabitants of the Town of Newton, N.H., in the County of Rockingham, in said State, qualified to vote in Town Affairs: you are hereby notified to meet at the Town Hall, in said Newton, on Tuesday, the fourteenth day of March next, at ten o'clock in the forenoon, to choose all necessary Town Officers for the ensuing year by official ballot, and to take other action required to be inserted on said ballot; the polls to be open at ten o'clock in the forenoon and to close not earlier than seven-thirty o'clock in the evening, and thereafter to reconvene at the Sanborn Regional Middle School in Newton, on Wednesday, March 15, 1989, at seven o'clock in the evening for the purpose of acting upon all other matters to come before the Meeting.

1. To choose all necessary Town Officers for the year ensuing.
2. Are you in favor of the adoption of Amendment No. 1 to the Zoning Ordinance as proposed by petition of 25 or more legal voters for this Town?

"To rezone a tract of land currently owned by V & M Associates Trust, identified by Newton Tax Map 012, Block 04, Lot 001-1 from Residential A to Commercial. Land is opposite a Commercially Zoned Development and abutts a Commercially Zoned Parcel."

THE PLANNING BOARD DISAPPROVES OF THIS AMENDMENT

3. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town of Newton Zoning Ordinance as follows:

To amend SECTION IX COMMERCIAL ZONE USES, to add:

4. Office building(s)

4. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town of Newton Zoning Ordinance as follows:

To amend SECTION X COMMERCIAL ZONE AREA REGULATIONS, to add:

7. No more than 60% of any lot in the Commercial Zone shall be covered.

5. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town of Newton Zoning Ordinance as follows:

To amend SECTION XII LIGHT INDUSTRIAL/COMMERCIAL ZONE AREA REGULATIONS to add:

3. No more than 60% of any lot area in the Light Industrial/Commercial Zone shall be covered.

6. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town of Newton Zoning Ordinance as follows:

To amend SECTION X COMMERCIAL ZONE AREA REGULATIONS, to read:

4. Lot Area: Each lot shall have not less than 200 feet continuous frontage on a Class I, II, III, IV, or V Highway and an area not less than 60,000 square feet. (Currently, this section reads: "....200 feet frontage on a street or way....")

7. Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town of Newton Zoning Ordinance as follows:

To amend SECTION IV RESIDENTIAL A ZONE AREA REGULATIONS, to add:

4. Height Restriction: No building or structure shall be more than two and one half (2½) stories high nor have an aggregate height greater than 35 feet. (These restrictions do not apply to radio or television receiving antennas.)

To amend SECTION VI RESIDENTIAL B ZONE AREA REGULATIONS, to add:

4. Height Restrictions: No building or structure shall be more than two and one half (2½) stories high nor have an aggregate height greater than 35 feet. (These restrictions do not apply to radio or television receiving antennas.)

To amend SECTION VIII RESIDENTIAL C ZONE AREA REGULATIONS, to add:

3. Height Restriction: No building or structure shall be greater than 15 feet high. (This restriction does not apply to radio or television receiving antennas.)

To amend SECTION X COMMERCIAL ZONE AREA REGULATIONS, to add:

7. Height Restriction: No building or structure shall be more than three (3) stories high, nor have an aggregate height greater than 35 feet. (This restriction does not apply to elevator machinery rooms, air conditioners, heating systems, communication antennas, or radio or television receiving antennas.)

To amend SECTION XII LIGHT INDUSTRIAL/COMMERCIAL ZONE AREA REGULATIONS, to add:

3. Height Restriction: No building or structure shall be more than three (3) stories high nor have an aggregate height greater than 35 feet. (This restriction does not apply to elevator machinery rooms, air conditioners, heating systems, communication antennas, or radio and television receiving antennas.)

To amend SECTION XIII GENERAL PROVISIONS, to add:

6. All building heights shall be measured according to BOCA Code.
7. Church spires or towers of Public Buildings may exceed the height restriction by no more than 40%.

8. To hear reports of Town Officers and pass any vote relating thereto.

9. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes.

10. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by Tax Collector's Deed by public auction (or advertised sealed bid) or in such manner as determined by the Selectmen as justice may require. RSA 80:42.

11. To see if the Town will vote to authorize the Selectmen to sell any property of the Town, excluding Real Estate, not used for public purposes by advertised sealed bids.

12. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in Revised Statutes Annotated 31:95-B.

13. To see if the Town will vote to grant a discount of 5% on property taxes if paid within fifteen(15) days of the date of the tax bill.

14. On a petition of 10 or more legal voters, to see if the Town of Newton will vote to elect its Planning Board pursuant to RSA 673:2 II (b). Said Statute states "The local legislative body may decide, by majority vote at the Town Meeting, that Planning Board Members shall be elected. If this procedure is adopted, the Selectmen shall choose one Selectman as an ex-officio member and the remaining planning board positions shall be filled at the next regular town election pursuant to RSA 669:17. Thereafter, a Planning Board Member shall be elected for the term provided under RSA 673:5, II".

Said Planning Board will consist of six elected members plus the single Selectmen's ex-officio as per above Statute. Terms of office shall be in conformance with RSA 673:5 II. Alternates shall be appointed by the Planning Board as per RSA 673:6 II. Any vacancies shall be filled as per RSA 673:12 I and II.

Next Town Meeting's ballot shall list six positions. Two positions for three year terms, two positions for two year terms and two positions for one year term.

15. On a petition of 10 or more legal voters, to see if the Town will vote to prohibit the Board of Selectmen and/or Town Counsel from expending further money from the legal reserve fund, or any other fund to pursue the issue over the driveway at 6 South Main Street, Newton, N.H., previously lost to the town in arbitration. (The article refers to the case pending against Michael and Kathleen Wrobel.)

16. On a petition of 10 or more legal voters, to see if the Town will vote to authorize the establishment of an educational voucher system which will provide reimbursement up to \$2,000.00 for each child eligible to attend Sanborn Regional School District from the Town of Newton, N.H., who chooses to attend an approved

educational system other than Sanborn Regional School District. This program will be administered by an independent administrative body of elected volunteers consisting of 5 members.

17. To see if the Town will vote to raise and appropriate the sum of \$1,117,478.82 to defray Town charges for the ensuing year, including all charges as shown in the Town Budget as posted with the Town Warrant.

18. On a petition of 10 or more legal voters, to see if the Town will vote to raise and appropriate the sum of \$1,500.00 to increase the salary for the three Selectmen from \$2,000.00 to \$2,500.00 per year.

19. To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for the purchase of a personal computer, printer and software for use in the Selectmen's Office. (Per Selectmen's Bid Policy)

20. To see if the Town will vote to raise and appropriate the sum of \$3,996.00 to pay for the "Circuit Rider" program from the Rockingham Planning Commission to assist the Planning Board in the updating of Subdivision Regulations and Non-Residential Site Plans plus meet with developers to discuss their plans and ensure accurate and complete applications.

21. To see if the Town will vote to raise and appropriate the sum of \$1,650.00 to make the clock in the Town Hall tower functional.

22. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for land engineering costs for the Newton "Senior Center" building.

23. To see if the Town will vote to raise and appropriate the sum of \$30,000.00 to be placed in a Capital Reserve Fund for reassessment in 1990 of all real property in the Town.

24. To see if the Town will vote to authorize the Board of Selectmen to join a sub-district under the provisions of RSA 149-M:18, within the existing 149-M district and draft a Solid Waste Management Plan for the sub-district by October 1, 1989. The direction of the plan shall be to set up a solid waste implementation district under the provisions of RSA 53-A. The district will potentially include five (5) member towns as follows: Newton, East Kingston, Exeter, Hampstead, and Kingston.

25. To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for the payment of the Town's share of the planning sub-district (149-M) budget (1st year).

26. On a petition of 10 or more legal voters, to see if the Town of Newton will vote to join a 149-M Planning Sub-district within the existing 149-M District for the purpose of creating a regional solid waste district under State of N.H. RSA 53:A. The Planning District will report back to town meeting for acceptance of the plan and proposed agreement (& budget) within one (1) year. The Plan will include the selection & siting of facilities within the sub-district with the emphasis on reduction, reuse,

and recycling of as much waste as possible. The facilities to be sited include: recycling center, also known as a MRF (Materials Recovery Facility - a facility set up to process glass, cans (aluminum & steel), paper, plastics and other items into resaleable material for remanufacturing), a yard and wood waste processing center (to include stumps); a co-composting center (for septage, organic fraction of Municipal Solid Waste (MSW), sewerage treatment plant sludges and byproducts from yard waste) septage treatment/dewatering facility and a landfill (to include study of landfill mining). Also to be undertaken is an analysis of the collection & transportation network to service the communities and facilities. The sub-district is to devise a plan to handle its waste without the use of incineration and develop plans for a landfill that will not accept ash from a mass burn incinerator. The sub-district will be made up of the following towns and will be formed if at least two of them vote in the affirmative - Exeter, East Kingston, Kingston, Newton & Hampstead. If other towns request to join the 149-M planning sub-district they will be considered and assessed on a case by case basis.

27. To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for the payment of the Town's share of the planning sub-district (149-M) budget (1st year).

28. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to construct an enclosure to cover the stairs leading into the Police Station and authorize the withdrawal from the Capital Reserve Fund established in 1987 for improvements to Town Buildings. (Per Selectmen's Bid Policy)

29. To see if the Town will vote to raise and appropriate the sum of \$14,300.00 to purchase a new Police Cruiser; to withdraw the Principal of \$5,975.07 plus accrued interest from the Capital Reserve Fund established for this purpose, and to appropriate a sum of \$8,324.93 less accrued interest. (Per State Bid)

30. To see if the Town will vote to raise and appropriate the sum of \$5,700.00 for the purchase of fifteen (15) Motorola Pagers for the Fire Department. (Per Selectmen's Bid Policy)

31. To see if the Town will vote to raise and appropriate the sum of \$4,200.00 for the purchase of 1,000 feet of 4" Hose for the Fire Department. (Per Selectmen's Bid Policy)

32. To see if the Town will vote to raise and appropriate the sum of \$1,060.00 for the purchase of 1,000 feet of 1½" Forestry Hose for the new Forestry Truck.

33. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to be placed in a Capital Reserve Fund for the future purchase of fire apparatus and equipment.

34. To see if the Town will vote to adopt the Provisions of the National Fire Protection Association No. 54 - National Fuel Gas Code.

35. On a petition of ten or more legal voters, to see if the Town will revoke Warrant Article 18 passed at the 1987 Town Meeting. (This article was originally tabled, but taken off the table and acted upon after Article 22.) The amended article stated: "To see if the Town of Newton will vote to compensate the owners of businesses at the rate of \$20.00 per hour, per person, for Fire and Rescue Personnel who would be responding to day-time emergencies Monday through Friday, from 8:00 AM through 5:00 PM. This article to become effective January 1, 1987".
36. To see if the Town will vote to raise and appropriate the sum of \$50,000.00 for the resurfacing of Whittier Street Extension and Heath Street.
37. On a petition of 10 or more legal voters, to see if the Town of Newton will vote to raise and appropriate the sum of \$800.00 to initiate a "HOPE INSTEAD OF DOPE" Drug Prevention Program to introduce young people in our communities to individuals who have been successful in endeavors and could serve as an inspiration and encouragement to avoid involvement in drugs and to engage in activities that help them build success and self-esteem in their own lives.
38. On a petition of 10 or more legal voters, to see if the Town of Newton will vote to raise and appropriate the sum of \$1,200.00 to initiate a "NATURAL HIGH" Drug Prevention Program to provide young people and families in our community with healthy and fun activities throughout the year to help provide alternatives against the use of drugs and alcohol.
39. On a petition of 10 or more legal voters, to see if the Town of Newton will vote to support a "ZERO TOLERANCE WAR AGAINST DRUGS" effort in our community. To encourage our Police, School and other authorities to take the following kinds of measures and send a clear message that we don't want drugs in our towns:
- We support active Police Patrol of all juvenile gathering places;
 - We support thorough Police Investigations of all suspected drug activities in our communities;
 - We support periodic random as well as suspected specific-case pocket and locker searches and drug testing in the schools;
 - We encourage the local press to heavily publicize every drug arrest in our communities newspapers;
 - We support maximum prosecution of anyone caught dealing drugs to kids.
40. On a petition of 10 or more legal voters, to see if the Town of Newton will vote to raise and appropriate the sum of \$800.00. This money is for the Police Department to use towards the purchase of various items at the discretion of the Chief of Police, in the Town's "ZERO TOLERANCE WAR AGAINST DRUGS".

41. On a petition of 10 or more legal voters, to see if the Town of Newton will vote to raise and appropriate the sum of \$3,200.00. This money is for the Police Department to use in the Town's "ZERO TOLERANCE WAR AGAINST DRUGS" to hire an undercover police officer under the supervision of the Chief of Police.
42. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the purchase of air conditioners for the Gale Library.
43. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be placed in a Capital Reserve Fund for the future addition to or renovation of the Gale Library.
44. To see if the Town will vote to raise and appropriate and authorize the Board of Selectmen to expend up to \$1,500.00 for sampling and analysis of Country Pond in conjunction with the Town of Kingston, the State and the EPA in order to insure the safety of our residents who use the pond for recreational uses and draw their drinking water (indirectly) from the pond.
45. To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for the development of the new portion of Highland Cemetery.
46. To see if the Town will vote to raise and appropriate the sum of \$5,647.32 to purchase Visiting Nurse Services for the residents of Newton from the Medicare certified EXETER AREA VISITING NURSE ASSOCIATION, INC.

54. To see if the Town will vote to raise and appropriate the sum of \$2,213.00 to assist the ROCKINGHAM COUNTY COMMUNITY ACTION PROGRAM.
55. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to defray a portion of the cost of service rendered by the AREA HOMEMAKER HOME HEALTH AIDE SERVICE, INC., a non-profit organization.
56. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to construct a bridge on Town Recreational Land, the old railroad grade, known as the "Peanut Trail". The bridge will be constructed to allow passage of the Newton Fire Department forest fire vehicle. (Per Selectmen's Bid Policy)
57. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be used for the surveying of Town Property as determined jointly by the Conservation Commission and the Board of Selectmen.
58. To see if the Town will vote to deposit fifty percent (50%) of the revenues collected pursuant to RSA 79-A (The Land Use Change Tax) into the Conservation Fund in accordance with RSA 36-A:5 III as authorized by RSA 79-A:25 II.
59. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to be placed into a Capital Reserve Fund for the aerial mapping of the Town for purposes of preparing updated assessors and town maps, natural resources inventories, and long-term land use planning.
60. On a petition of 10 or more legal voters, to see if the Town of Newton will vote to raise and appropriate the sum of \$5,000.00 to be placed in a Capital Reserve Fund for the purpose of acquiring land for R.O.W.'s and other easements and the maintenance, repair and reconstruction of such.
61. On a petition of 10 or more legal voters, to see if the Town of Newton will vote to raise and appropriate a sum, not to exceed, \$5,000.00 to pave a boat ramp and install a fence (to separate the swimmers and boats) at the Town Beach so called, near Wenmark's Grove.
62. On a petition of 10 or more legal voters, to see if the Town of Newton will vote to raise and appropriate a sum, not to exceed \$4,000.00 to pave a boat ramp at the Town Beach so called, near Wenmark's Grove, and in order to show that the Town or its Board are not prejudice, and to give the boaters the same privileges that the bathers have had for approximately 10 years, "Close the beach to bathing so that swimmers do not interfere with boaters".
63. On a petition of 10 or more legal voters, to see if the Town of Newton will vote to convert to the use of recycled paper, for use in all departments.

64. To see if the Town will vote to authorize the Board of Selectmen to accept Birch Road, Anthony Circle and Crystal Lane as Town roads. The roads have been constructed to town specifications and have subsequently been approved by the Town Road Agent.

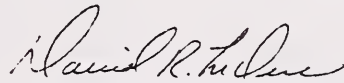

65. To see if the Town of Newton will vote to authorize the Board of Selectmen to accept Durgin Drive and the Fire Pond (Lot 24A) at such time as construction, in accordance with the specifications, is complete.

66. To transact any other business that may legally come before the Meeting.

Given under our hands and seal this 10th day of February in the year of our Lord nineteen hundred and eighty-nine.

FINANCE COMMITTEE REPORT

The Finance Committee, having met with the departments and organizations seeking funds, presents for your review the following recommendations:

The Matrix System is in force. The department heads were not notified prior to the Budget process. The Matrix System is not complete, many positions and job descriptions are missing.

BUDGETS

TOWN OFFICERS EXPENSE

APPROVED

Selectmen's Assistant not under Matrix System - this position must be reflected in their budget, budget shows health benefits but not salaries.

ELECTION & REGISTRATION

APPROVED

Not under Matrix System.

GENERAL GOVERNMENT BUILDINGS

APPROVED

Decrease due to full-time maintenance reduced to part-time.

PLANNING BOARD

APPROVED

HEALTH DEPARTMENT

NOT-APPROVED

We do not support increase. Not part of Matrix system. Fee breakdown: Town 5%, Secretaries 15%, Health Officer 25% and Inspector 55%.

POLICE DEPARTMENT

Budget in excess of needs.

FIRE DEPARTMENT

APPROVED

Increase in Budget due to upgrading and preventative maintenance.

CARE OF TREES

APPROVED

HIGHWAY DEPARTMENT

APPROVED

Road Agent not under Matrix System, paid as laborer. This is one of the few departments which has good fiscal management.

SOLID WASTE DISPOSAL AREA - Transfer Station

This department had expenditures which are not shown on Budget sheet - Heated Open-Top Box ordered in 1988. The increase is due to contracted services.

ANIMAL CONTROL

APPROVED

Not in Matrix System. Excellent service.

GENERAL ASSISTANCE

APPROVED

Not under Matrix System. It is obvious that concerted effort is made to keep budget down.

LIBRARY

APPROVED

RECREATION

APPROVED

Not part of Matrix System. We did not receive actual expenditures.

CONSERVATION COMMISSION

APPROVED

REPORT OF THE TOWN AUDITORS

This is to certify that we have carefully examined the accounts of the Selectmen, Treasurer, Tax Collector, Town Clerk, Boat Tax Collectors, and the Gale Library and found them to be complete. We found the Treasurer, Tax Collector, Town Clerk, Boat Tax Collectors, Trustees of the Trust Funds, Deputy Tax Collector, Deputy Town Clerk, Deputy Treasurer and the Road Agent to be properly bonded.

We hereby certify that we have also examined the accounts of the Trustees of the Trust Funds and Revenue Sharing Funds of the Town of Newton, New Hampshire, and found them to be accurate, well documented, properly vouchered, and yielding highest attainable revenues.

REPORT OF THE CHIEF OF POLICE

1988 was a busy year for the Newton Police Department. We had over 1,000 court cases this year. Corporal Bruce Campbell graduated from the State Police Academy and Sergeant Rick Labell graduated from Police Prosecutors School.

Through a grant from New Hampshire Yankee, at no cost to the Town, we received \$10,000 worth of radio equipment, which was desperately needed. Through two grants from the State Highway Safety Agency, we managed to get a radar worth \$1,600, (the Newton Police Benevolent Association donated 50% of the money for the purchase of the radar) and 18 D.W.I. patrols worth \$2,000 (no cost to the Town). Through friends, Don Briggs, Jr. (Kingston Police Dept.) and Mel Keddy (East Kingston Police Dept.) we managed to get some decent furniture donated to our police station. Thanks to Warren Johnson of Kingston, NH and New England Precast of Amesbury, MA, we now have a nice new set of concrete stairs to the police station, no cost to the Town. We managed to do much more updating of the Police Department over the past year, which should make for a more safe and smoother operation in the future.

My thoughts on the future are to get the public interested in helping the Police Department. "Please join the war on drugs!!!" Through your help we can have a safer and better community.

NEWTON FIRE DEPARTMENT

In 1988 the Fire Department responses were up 27% over 1987. The rescue calls went from 116 to 150 and the fire calls went from 55 to 84.

You have a new Fire Chief, David A. Baker and two new Deputy Fire Chiefs, William E. Ingalls and William H. Standing, Jr. There are approximately thirty volunteer men and women on the roster; fifteen of which have just completed the New Hampshire Certified Fire Fighters Level I Course; one has completed the Certified Level II Course; and three have been recertified as First Responders. The Fire Department has recruited two day-time fire fighters and two day-time E.M.T.'s. The Fire Department has sponsored a six Town Mutual Aid Drill in March and co-sponsored a fifteen Town Interstate Mutual Aid Drill in November.

An automatic computerized Mutual Aid Program has been installed at Rockingham Dispatch. The new Forestry Truck that was appropriated at the 1988 Town Meeting has come on line and is a great asset to the Town of Newton. The Department has worked with the Boy Scouts in Newton on two projects.

The Members of the Fire Department would like to express their thanks to the Police Department for all their help and cooperation.

I would also like to thank all the members of the department for their help given to me during my first year as Fire Chief.

Please remember: "SMOKE DETECTORS SAVE LIVES!"

GALE LIBRARY

Meeting the library needs of the community remains the number one priority of the entire library staff. The Board of Trustees, Librarians, and Staff members alike, work toward that goal. They create policy, establish goals and objectives, work hard to make available the most current and broadest collection of titles and materials the budget will allow. If you are a new resident of Newton, or have not been an active patron in recent years, please give us the opportunity of introducing you to what is available at your library. A handicapped ramp is available at the entrance nearest the parking lot.

An up-swing in library use, noted early in 1988, continued throughout the year. While circulation figures do not reflect this increase, use of the Reference Collection and other reference resources has grown substantially. The adult and children's Reference Collections have been updated extensively. A new program initiated by Newton and Kingston Librarians, and the School District Librarians, will ensure that students and teachers will be aware of the availability of area library resources.

Our sincere thanks to the Friends of the Gale Library for their generous donations, a refrigerator, and an Apple IIE Computer, an Imagewriter Printer, and the many hours of effort needed, to plan and execute these programs, to raise money for this equipment. We thank Norman E. West, Jr. for donating two paintings, in memory of Clifford R. Bryer, former Trustee of the Gale Library, 1966 - 1977. We also thank Ruth Bragg for volunteering many hours to the library community.

The generous nature of the community as a whole was clearly evident during the 1988 holiday season. Our 3rd annual "Angel Tree" program was a success because you cared. We appreciate your support all year long and will continue to put forth our best effort.

<u>NAME</u>	<u>ADDRESS</u>
Merrimac Valley Tool	South Main St.

During 1988, the Planning Board spent many work sessions completing the present version of the Sub-division Regulations. These regulations were adopted by the Planning Board during the year.

At the annual election it was voted to not fill the position of "Secretary" and fill the positions of Vice-Chairman and Treasurer. George M. Moore, Jr. was elected Chairman, Richard E. Monahan was elected Vice-Chairman and Nancy J. Marden was elected Treasurer.

The Planning Board holds its regular meetings on the second and fourth Tuesday of each month on the second floor of the Town Hall. The Planning Board invites the public to attend these meetings. All Public Hearings for the subdivision of land and Non-residential Site Plan Reviews are scheduled for the fourth Tuesday of the month.

Meeting Notices and agendas for the meetings are posted in the Town Hall and the both Post Offices at least twenty-four (24) hours prior to a meeting.

Respectfully submitted,
George M. Moore, Jr.
Planning Board Chairman

BUILDING INSPECTOR REPORT

1988 has resulted in fewer new homes but of higher quality construction. The adoption of the B.O.C.A. Building Codes is a forward step in assuring that the new home buyer gets good value for his dollar.

Contractors and Builders have been cooperative and I am sure this trend will continue. The opening of the Plaistow Bank and Trust is a service long needed. This Bank and the Atlas Truck Terminal are commercial assets that we need more of and we welcome them to Newton.

NEWTON CONSERVATION COMMISSION

The Newton Conservation Commission has had a good developmental year. The Commission continues to meet on the first, third and fifth Thursdays of each month. Field observations and walk overs are usually conducted on Saturdays and Sundays.

The Commission is continuing to work on the wetlands map of the town. The map is being developed from surveys supplied by developers as well as our own observations of town and private properties. We try to contact the property owner to request permission to observe a specific parcel.

We estimate that the members of the Conservation Commission have put in an excess of 400 hours of volunteer time for projects, meetings, and site plan review sessions. If the Town had to pay a consultant for these hours, we estimate that over \$20,000.00 would have been spent.

The Commission wishes to thank those members who have resigned. We will especially miss Myrtle Rogers who has been a Conservation Commission Member since it was first formed in 1972. Several new members have joined the commission this year and will continue to keep the town's best interests in mind. We welcome your suggestions as concerned citizens and your participation in our meetings or projects. Anyone interested in the Conservation Commission may submit an application for membership.

The Planning Board and the Conservation Commission continue to work together to bring a level of thorough review to town development. The Commission reviews subdivision and development site plans. The review considers the long term effects of dredging and filling wetlands, septic system placement, and impacts on drinking water supply sources. This year we have sponsored several changes and additions to the Town Wetland Ordinance. These changes will bring the ordinance up to date with currently accepted conservation practices.

The members of the Commission are still participating in the Continuing Education Programs at both the State and Local levels. Some of the topics at these seminars have included: "Ground Water Protection", "Land Use Planning" and "Identification of Wetlands".

Information that recently came to the attention of the Commission is that land areas of less than 10 acres may be assessed at Current Use values by applying to the Planning Board for a Discretionary Easement for a specified period of time. The Current Use Law is designed to encourage the preservation of open space land. This is done by assessing and taxing a qualifying parcel based on its present use (wetland, forest, or farmland) instead of its zoned use potential (residential or industrial). Current Use classifications include wetland, forest land, and natural preserve land. Consider preserving your part of Newton for the future; consider placing a portion of your lot into Current Use. We can assist you in the application process. The Commission is also able to accept gifts of land or donations to help preserve open space in town. A donation may be deductible on your federal taxes.

Do your part and support the activities of your Conservation Commission. Help keep Newton "GREEN AND CLEAN"!

Respectfully submitted,
Robert E. Fox, Chairman
Conservation Commission

ANIMAL CONTROL OFFICER REPORT

I would like to thank all dog owners that got their dogs licensed in 1988. I am asking for your help and cooperation in 1989, as my goal again this year is to get all dogs licensed and to enforce the restraining law in the Town of Newton.

We have a new disposal system for animals this year. The Town of Newton purchased a freezer and I have a contract with a company to empty it when needed.

I am looking forward to assisting you again in 1989 with any problems you may have relating to animals. I can be reached at (603) 382-8144 or located at 42 Harriman Road in Plaistow, N.H. 03865.

BOARD OF APPEALS

The Board of Appeals has heard seven (7) appeals and held several informal sessions to hear the feasibility to requests during 1988. Some requests were not followed up by the applicant because the request would require a Special Exception which is not allowed.

Thomas F. Grogan resigned from the Board after becoming Moderator and the alternates capably filled in until the appointment of a permanent member. Daniel Mastrioanni was appointed in November.

You are reminded that the Board meets monthly and is available for preliminary discussions to help you determine your needs.

Respectfully submitted,
Robert Gleichauf, Chairman

BOARD OF HEALTH

Again the steady growth in population in Newton has done most to effect the activities of the Board of Health. As more homes and businesses are built around town, we all become closer neighbors. This inevitable leads to complaints about junk cars, solid waste, septic odors and many other things. A word of advice from the Board of Health is to talk to your neighbor first before involving any town agency in mitigating the situation. By no means am I asking you not to ask for assistance in any health related matter.

Many individuals sought information on health related matters for which we were able to provide assistance and/or were able to obtain assistance from a state agency. These problems or inquiries involved many areas of public health including - smoking in public places, bats, radon, water problems, communicable diseases, solid waste and indoor pollutants.

As Health Officer, I continued to be involved with Civil Defense drills for Seabrook. Newton currently needs individuals to be trained as assistant RADEF Officers.

Cleanup has begun over at the Kingston Steel Barrel Site and we will continue to monitor this and other factors affecting water quality of Country Pond.

Many regulations regarding septic systems have changed at the State level regarding septic system design, installation and repair. A summary of these regulations is available at the Selectmen's Office. During 1988 Newton began requiring that all well and septic system installers be registered with the Town. Also, a permit from the Board of Health must be obtained at the Selectmen's Office prior to installing or repairing a well or septic system.

Robert Leverone was appointed as Assistant Health Officer in September and has been under going training over the past few months. He will be assisting with the inspections this year while still furthering his training.

If you have any health related questions or concerns, please do not hesitate to call or write and we will continue to try to assist you as best we can. Where we can't provide immediate assistance we have the backup of both the State Department of Public Health and Department of Environmental Services to call on.

SOLID WASTE (149-M)

The year began with the 149-M District's Plan being accepted by the District in January and subsequent State acceptance in February. This is not the end of 149-M. The District is responsible to annually review its Plan and update it as needed and to review and comment on any proposed private or public solid waste facilities within the District (21 municipalities). Also in 1988, the State Legislature passed a law requiring all plans to be updated and revised to current conditions by October 1, 1989.

At Town Meeting last year, Newton voted not to pursue membership in the 53-B proposed District and revoted at a Special Town Meeting in August again in the negative. We continued being members of the Planning Board until the end of August when it went out of existence and the 53-B District was formed by 11 towns.

The increasing difficulties in getting rid of solid waste has become very evident as a visit to our transfer station would tell any of us. The mounting scrap metal pile and growing pile

of tires is only part of the problem. Anticipated increases in tipping fees were announced by Kingston at the end of the year changing the current rate of \$13.00 per capita to \$60.00 per capita in July. This brings this years rates averaged out for the whole year to \$36.50/capita (nearly triple last years rates) with anticipated increases next year.

Newton, as with the other towns that did not join the 53-B District, is responsible to provide to the 149-M District its plans (short & long term) for the various solid waste streams (septage, scrap metal, brush and general solid waste). This must be submitted in time for the District to complete a report for 10/01/89. Efforts on this behalf have started with Newton meeting with four other local towns in preparation to forming a 149-M subdistrict to stress recycling, composting, septage treatment and mining of the Kingston landfill to further its life.

NEWTON FOOD PANTRY

1984 - 1988

The Newton Food Pantry located in the Town Hall has supplies of emergency food to help individuals and families who are temporarily in need.

This is not a grocery store and can not be used as one. I am here to give out food and show people other resources. The service is free to Newton residents and confidentiality is assured. In the past, I have received and filled about 54 requests including Thanksgiving and Christmas baskets.

The pantry is stocked with non-perishable food stuffs which have been donated by local churches, Boy Scouts, Girl Scouts, Brownies and individuals or purchased with contributed funds. I am a member of the Northern New England Food Bank, received grant money from the Federal Emergency Management Association and United States Department of Agriculture Surplus Foods when available.

ARTICLE 3 of the WILL OF EMMA GALE HARRIS

"For the benefit of my native town of Newton, Rockingham County, New Hampshire, I give and bequeath to Harris Trust and Savings Bank, its successor or successors and its or their assigns, the sum of Twenty-five thousand dollars (\$25,000) to be known as the "Gale Memorial Fund" in memory of my parents, Dr. Jonathan Greeley Gale, who there practiced medicine for forty years, and my mother, Susan Shaw Gale, whose noble character and unselfish love were an inspiration to all who knew her, said fund to be held by my said Trustee upon the following trusts, that is to say:

"From time to time to disburse the net income from said Trust Fund for the benefit of the sick poor of said community, or in any other way which shall accomplish the greatest good for said town, upon the recommendation of the Board of Selectmen of said Town of Newton, subject, however, to the approval of my sons, Hayden Bartlett Harris and Stanley Gale Harris, or the survivors of them."

ROCKINGHAM COUNSELING CENTER

During the past year we experienced many changes. We changed our name from Rockingham Child and Family Services to Rockingham Counseling Center. We feel that our new name more accurately reflects our commitment to provide counseling to all individuals who may be experiencing difficulties. Additionally, our kind and generous landlord of several years, Phillips Academy, was unable to renew our lease. This necessitated our move to a new location at 9 Hampton Road, Exeter. We also expanded our service; with an office in the "Hospital Hill" complex in Portsmouth and a satellite office in Raymond.

What has not changed, is our commitment to provide counseling services to all individuals experiencing problems such as drug and alcohol abuse, divorce, depression, child abuse, etc. In the past year we provided over 2700 hours of counseling to those in need of help. One of the reasons our clients come to us, is due to their inability to pay the hourly fees of \$50.00 to \$75.00 per hour. We provide private and group counseling regardless of their ability to pay. We evaluate each client's financial capacity and adjust billings on a sliding scale basis.

Sources of revenue include; The Seacoast United Way, patient fees, charitable contributions, fund raising events and the support of the State, County and the various towns of Rockingham County. The town contributions are a primary source of funding, representing approximately 30% of our operating budget.

Should you need additional information, please contact myself at 430-9393 or Paula Ciolko at 772-3786.

Respectfully,
Janis C. Kern
Rockingham Counseling Center

A SAFE PLACE

A SAFE PLACE provides emergency shelter and support services to battered women and their children from Rockingham and Strafford Counties, New Hampshire and southern York County, Maine. We depend on funding from our local communities in order to continue providing these vital services to over 1,000 women and children yearly.

During the first ten months of 1988, we served seven Newton residents with a total of nineteen units of service, such as peer counseling, crisis intervention through our 24-hour hotline, battered women's support groups, and court advocacy. The total units of service projected for this year (1989) is twenty-five.

Thank you for your support of our work with battered women from the Town of Newton. If you need assistance please call us at (603) 436-7924.

Respectfully,
A SAFE PLACE

LAMPREY HEALTH CARE

Lamprey Health Care marks eighteen years of service in 1989! Two medical offices, one in Newmarket and one in Raymond, provide primary medical care, preventive health services, community outreach, social services and short term counselling with referral to mental health agencies.

Services also provided by Lamprey Health Care include the Senior Citizen Transportation Program and the Rockingham County Info-Center, information and referral service.

The medical team at Lamprey Health Care consists of six physicians: Sarah C. Oxnard, MD is a Pediatrician and is the Medical Director of Lamprey Health Care. Edward G. Benoit, MD is a Family Physician and is Associate Medical Director at our Raymond facility. Karen O. Brainard, MD is a Family Physician practicing in Raymond. Paul E. Friedrichs, MD and Micki A. Kantrowitz, MD are both Family Physicians at the Newmarket Center. Cynthia A. Rasmussen, MD is an Obstetrician/Gynecologist who directs the Prenatal Program operated by Lamprey Health Care and provides gynecological services. Also on staff at Lamprey Health Care are Michael C. Lewis, Certified Physician's Assistant, Barbara Janeway, Nurse Practitioner and John Mark Blowen, Nurse Practitioner. Registered and Licensed Practical Nurses and a Medical Assistant round out the medical team.

The addition of physicians in recent years has allowed Lamprey Health Care to respond to the growing demand for services in this area.

Lamprey Health Care continues to operate the Senior Citizen Transportation Program. The transportation service enables senior citizens to remain independent, self-sufficient and active by providing a means to needed services such as food shopping, pharmacy, meals, medical appointments and recreational trips. Three of the busses are equipped with hydraulic lifts to provide services to individuals in wheelchairs.

Lamprey Health Care also operates the Rockingham County Info-Center which provides information and referral services to the residents of the area. Information and referral is available to callers through a toll-free number on a wide range of subjects. The toll-free number is 1-800-582-7214.

Lamprey Health Care wishes to express its appreciation to the Town of Newton for its support.

Respectfully,
Ann H. Peters
Executive Director

FAMILY MEDIATION & JUVENILE SERVICES

As of July of this year, along with the hiring of a new program coordinator, "Family Mediation of Southern Rockingham County" has expanded into "Family Mediation & Juvenile Services" so as to service more of your town's juveniles and families.

At this time, the program not only serves as a resource for families experiencing conflicts but as a referral source for

other services, a crisis intervention program, a liaison to the police department and the Plaistow District Court, as well as offering these new programs:

COMMUNITY RESTITUTION: An alternate diversionary program to the already established Family Mediation program, in which a juvenile may "work off" his sentence and/or fine at a work site in the town where the offense took place.

PRISON TOUR: (of the Rockingham County Jail in Brentwood) This program is targeted at the "borderline" juvenile. That is a youth who has been enmeshed in the court system but yet has not done anything to prevent him/herself from continuing down the same self-destructive path. The program consists of two phases. First, an individual tour of the jail by Lt. Charron. He portrays to the youth the realities of life at and after the County Jail. Second, a one-on-one discussion with an inmate that is hand picked by Dr. Mary Greene, Substance Abuse Counselor at the jail. The goal being that by providing a realistic view as to what consequences the youth will face if he/she continues with the socially unacceptable behavior, the youth will be motivated to seek out help in order to resolve those issues that lead to that sort of behavior.

DRUG ABUSE REDUCTION TRAINING: (DART) This program is targeted at those youths who are brought to the attention of the court and/or police for being in possession of, or under the influence of, or committing a crime under the influence of alcohol and/or other drugs. The idea behind DART is to provide educational support in which an emphasis is on self-evaluation in a safe and supportive peer environment. DART gives participants the tools with which to understand substance abuse so that they can make positive decisions about the role of alcohol and drugs in their lives.

I hope that you are pleased with the addition of the aforementioned programs and that we are now able to target more of the needs of your town's juveniles and families. I sincerely hope that you will continue to support the program, and I look forward to continued work with residents from your community.

Respectfully,
Marta Modigliani
Program Coordinator

EXETER AREA VISITING NURSE ASSOCIATION, INC.

1988 was our thirtieth anniversary year as a Visiting Nurse Association. During those thirty years, the Association has offered in-the-home health care for illness on a continuous basis. In addition, the EAVNA has also offered a variety of adult health services and child health services.

The continued viability of our community health services are dependent upon town monies which enable us to provide special programs and services e.g. flu immunizations, well child clinics.

The following is an unaudited report of the service statistics for 1988:

Home Care Services

Nursing visits to the home - registered nurses provide skilled nursing care during illness or after hospitalization. 192

Home visits by physical, occupational and speech therapists - licensed personnel provide therapy during illness or after hospitalization. 38

Home visits by health aides - certified aides provide personal care to those unable to do so. 193

Other home visits. 11

Adult Health Services

Blood Pressure Screenings - clinics for detection of abnormalities, monitoring, counseling and referral. 9

Blood sugar and iron screenings - clinic for detection and referral for diabetes mellitus and iron deficiencies. 3

Footcare Clinic visits - clinic provides assessment, referral and direct footcare to senior citizens. 37

Flu immunizations - influenza vaccine administered to high risk individuals. 26

Walking Club - twice a week opportunity for residents to enjoy, under supervision, this most useful form of exercise. 1

Home visits to mother and children - visits by registered nurses to assess newborns and new mother and provide anticipatory guidance. 7

Well-child Clinic visits - provide well child physical exams, and guidance for children from birth to six years of age. 28

Total Units of Service 545

Total Monetary Value of Services \$24,235.00

We look forward to continuing the provision of home health services in your town during 1989.

ROCKINGHAM COUNTY COMMUNITY ACTION

July 1, 1987 - June 30, 1988

Rockingham County Community Action Program (RCCAP) is a private, non-profit corporation, officially designated as the anti-poverty agency to serve the low-income population of Rockingham County. Its mission is to serve the multitude of needs of the area's low-income residents by assisting them in coping with the hardships of poverty, giving them the tools to lift themselves out of poverty, and seeking to eradicate the root causes of poverty. RCCAP has now been effectively serving those needs for more than twenty-three years.

As a county-wide organization, linked to state and national service networks, the agency seeks to mobilize all available local, state and federal resources, both private and public, to bring to bear on the problems of poverty. As an agent of change, RCCAP encourages low-income individuals to attain the skills, knowledge and motivation to become self-sufficient. And as advocates for the poor, we strive to create a general community awareness of and responsiveness to the needs of the disadvantaged.

Our efforts are conducted through Outreach Centers and Program Sites located in Exeter, Portsmouth, Raymond, Salem and Seabrook, as well as intake, clinic and/or distribution sites in 19 of the county's 37 communities.

Community Action currently provides a range of services, unduplicated elsewhere in the county, which: 1) meet immediate, frequently critical, individual crises, and 2) provide the means to help prevent or eliminate the pervasive causes and effects of poverty. These include:

1. FUEL ASSISTANCE: 48 Newton Residents - \$24,281.00.
Provides financial grants of up to \$500 to income-eligible households to assist with energy-related expenses. Severe hardship recipients also qualify for up to \$150 of additional aid through a number of supplemental assistance programs.
2. WEATHERIZATION: 6 Newton Residents - \$13,364.00.
Provides high quality energy conservation materials and a trained staff to weatherize homes of income eligible individuals in order to reduce heating costs and conserve energy.
3. SUPPLEMENTAL ENERGY PROGRAMS: 5 Newton Residents - \$8,846.00.
Provides home repairs and repair or replacement of furnaces and heating units for low income home-owners.
4. CHILD CARE RESOURCE & REFERRAL: 5 Newton Residents - \$238.00.
Compiles current data on all available child care options, provides child care referrals to employees of participating companies as well as to the general public, and expands the supply of quality child care by recruiting, training and assisting new providers.
5. WOMEN, INFANTS AND CHILDREN (WIC): 22 Newton Residents - \$10,505.00.
Offers supplemental nutritious foods, nutrition education, breastfeeding support and health care referral to eligible pregnant women, nursing mothers, infants and children up to age five.

6. CENTER SERVICES: 41 Newton Residents - \$314.00.
Include a wide range of services offered by outreach center personnel, including information and referral, advocacy, direct client assistance and crisis intervention services.
7. CRISIS ASSISTANCE (FEMA FUNDS): 1 Newton Resident - \$695.00.
Provides a one-time financial grant to eligible households for the payment of rent, mortgage, electricity or fuel for those in emergency situations (those who face evictions, foreclosures, utility terminations or lack of fuel). Funds are provided by the Federal Emergency Management Agency.
8. LIFE LINE (EMERGENCY RESPONSE SYSTEMS): 4 Newton Residents - \$1,673.00.
Offers emergency response systems that help homebound elderly or disabled persons to maintain their independence; helps to ensure the safety and quality of life of the elderly and handicapped and provides immediate access to community medical responders.
9. SURPLUS FOOD DISTRIBUTION: 243 Newton Residents - \$3,302.00.
Disseminates USDA Commodity Foods, including cheese, butter, flour, dried milk, cornmeal and rice to thousands of low-income households as a supplement to their diets.

In addition to these major programs, much of our staff time is devoted to working with people who come to us seeking help. During the past year, we received 41 calls or visits from Newton residents, many of which were crisis calls involving fuel or utility problems, the lack of food or clothing or general financial needs. By working closely together with local and state welfare administrators, fuel and utility companies, other human service agencies and interested clergy and civic groups, we are able to link those in need with the services available to them.

Since the services we offer greatly relieve the towns we serve from the full burden of providing for the needs of their low-income residents, we ask every community we serve to make a financial contribution to our agency based upon the level of service we have provided to its residents. The amount we request equals 3.5% of the total dollar value of services provided during the previous fiscal year, which means that we request \$3.50 for every \$100.00 we provide in direct services.

From July 1, 1987 through June 30, 1988, Community Action provided \$63,218.00 in services to Newton residents. We are therefore requesting the Town of Newton to contribute 3.5% of this amount, or \$2,213.00. The Town of Newton has contributed to our agency for many years, and we extend our appreciation to you for your continued support.

Respectfully submitted,
Amy Mueller-Campbell, Director
Greater Raymond Community Action

ROCKINGHAM PLANNING COMMISSION

Newton received a variety of assistance from the Rockingham Planning Commission during 1988. The most significant help came in the form of on-site technical assistance during January, February, and March. The Circuit Rider Planner provided services such as reviewing and critiquing subdivision and site plan applications; assisting in preparation of land use ordinances and regulations; giving advice to residents and developers in preparing applications; assisting the Planning Board with the administration of Newton's land use regulations.

The following assistance was also rendered to Newton during calendar year 1988:

1. Provided six afternoons of on-site technical assistance at the A. Marian Hatch Building.
2. Attended three public hearings for development plans.
3. Attended two work sessions and one public hearing to consider the Planning Board's proposed zoning amendments.
4. Drafted various documents on behalf of the Planning Board including: a public hearing notice for the Board's zoning amendments; a public hearing notice for changes to the Subdivision Regulations; a memo to the Board which was critical of a citizen's zoning amendment petition that would have allowed special exceptions for frontage, lot size, and setbacks; prepared warrant articles for proposed zoning amendments.
5. Entered the Newton Zoning Ordinance and the Building Regulations into the RPC computer, also incorporating zoning amendments from the 1988 Town Meeting. Distributed 10 copies to the Planning Board. A new set of adopted Subdivision Regulations was subsequently entered into the RPC computer.
6. Provided the Planning Board with the following: two examples of Capital Improvements Programs; and copies of the Town's Base Map and Zoning Map (for updating).
7. Provided technical consultation to the Planning Board Chairman and Secretary. Issues and topics include the following: selling of lots on unapproved subdivisions; zoning enforcement; the proposed Post Office site; frontage variances; car dealership licensing; solid waste recycling; commercial zoning along the Plaistow border; stump dumps; subdivision and site plan review procedures; the proposed wetlands ordinance; and maximum site coverage.
8. Attended two Finance Committee meetings to discuss RPC services.
9. Completed the revised Zoning Map and submitted same for the Town's final review before its reduction for the Zoning Ordinance.
10. Met with Bob Prokop of the N.H. Wetlands Board to discuss a subdivision plan.

We look forward to continuing to provide planning assistance to your community in the coming year.

Respectfully,
Cliff Sinnott, RPC

VIC GEARY CENTER

The Vic Geary Center, 18 Greenough Road, Plaistow, is a non-profit organization incorporated and registered with the New Hampshire Charitable Trust. The Center serves as a senior center for the Towns of Plaistow, Hampstead, Newton, Atkinson, Kingston, Sandown and Danville. Operation of the Center is administered by a Board of Directors representing the Towns it serves. Newton is represented by Charlene O. Pinkerton, Welfare Administrator for the town.

Five days per week, the Rockingham County Nutrition Program provides a hot noon meal for senior citizens in the center's dining room and meals on wheels are delivered to the 7 towns for elderly and disabled residents of those towns. Frozen meals are delivered for weekends and holidays and blizzard bags containing canned meals are provided in case of inclement weather. Dietary restrictions such as diabetes and salt restrictions are considered. 17 Newton residents received meals on wheels this past year.

Funds for operating the Center are solicited from seven aforementioned towns, private donations, fund raising activities and rental of the facility to private sector and other non-profit organizations. Several senior organizations hold their monthly meetings at the Center free of charge. These organizations include the Merry Travelers and XYZ (Extra Years of Zest).

Social activities are an important part of the daily routine at the center. These include dance classes, walking club, cards, pool, games and beano. Guest speakers on current topics are regularly invited. Clinics are held throughout the year such as: blood pressure each month and regular sight, hearing and foot clinics which are conducted by Derry Visiting Nurses with doctors in attendance. Annual programs such as free tax assistance and fuel assistance intakes are also offered.

The Nutrition Program Manager at the Vic Geary Center is always available to provide information on all aspects of senior citizen related problems, counseling those persons wishing such information and helping access them to proper channels to handle these problems.

18,553 units of social service was provided this past year, 1,045 units of transportation was provided, and 3,107 hours were donated by volunteers working at the Center.

The Center is a pleasant, spacious place for senior citizens to gather to participate in all activities. We would appreciate your continuing support.

Respectfully submitted,
Sue Bonagura
Secretary
