RESEARCH, ECONOMIC ENGAGEMENT AND OUTREACH UPDATE

June 23, 2021

ANNOUNCEMENTS

National Science Foundation Reference

NSF just released a handy reference table for [Pre-award and Post-award Disclosures Relating to the Biographical Sketch and Current and Pending Support](#) . This resource can help you identify where these disclosures must be provided in proposals as well as project reports to NSF. NSF is planning to release a revised Proposal and Procedures Guide (PAPPG) next week which will be effective October 4, 2021, and will include this resource. NSF encourages applicants and recipients to begin using this resource now.

COVID-19 Funding and Research Resources

See [COVID-19 Funding Opportunities, Research Priorities, and Resources](#) and the [Quick Guide - Resources Supporting COVID-19 Research](#).

Institutional Biosafety Committee

The next Institutional Biosafety Committee meeting is scheduled for July 15 and protocols are due by July 1 for consideration at the meeting. Meeting and due dates for 2021 and 2022 can be found on the [Institutional Biosafety Committee](#) webpage.

Research Integrity Services Drop-In Zoom Office Hours

Research Integrity Services (RIS) will continue to offer drop-in Zoom “office hours” through the month of July. Stop by any weekday between 3:00 – 4:00pm, June 28 through July 30 (except 7/1, 7/2, and 7/5), with your questions about using [Cayuse Human Ethics](#) for IRB applications, using [Cayuse Outside Interests](#) for external activity disclosures, or general research compliance matters. Click the hyperlinks for more information, including the current Zoom link and up-to-date schedule.

Limited Submission Programs to Act on Now

Because some sponsors limit the number of applications from an institution, please contact [Mark Milutinovich](#) as soon as possible if you are interested in applying to any of the following. Be sure to watch for our email at the start of each month for a more comprehensive list or check [current LSP Deadlines](#).

UNH Open Access Publishing Fund

This fund supports UNH authors who want to make their scholarly work available to all readers immediately upon publication by paying reasonable publication fees required by many open access publication venues, providing up to \$1,000 per publication. A maximum of \$2,000 can be awarded to an individual author in the course of a fiscal year (July 1 - June 30). Refer to the [guidelines](#) for details and applicant and journal eligibility requirements. Deadline: Open until fiscal-year funds are used up. Questions? Contact [Eleta Exline](#), Scholarly Communication Librarian.

Fall Courses of Interest

INCO 791/GRAD 981 — National Science Foundation (NSF) Graduate Research Fellowship Preparation (GRFP): This fall 2021 course is designed to enable seniors and graduate students to receive information, guidance, and support in applying for the NSF GRFP. Undergraduate student [registration](#); graduate student [registration](#).

GRAD 930 — Ethics in Research and Scholarship (offered online in fall 2021): This is an interdisciplinary graduate seminar where students explore a wide range of issues related to the ethical conduct of research and scholarship. This course helps prepare students to conduct themselves as researchers in accordance with today's standards for scientific integrity and professional ethics. Classes are predominantly discussion-based, relying on case analysis; guest speakers address topics from a variety of perspectives. Completion of this course meets the graduate school's incoming PhD student RCR training requirement as well as the NSF's and the USDA National Institute of Food and Agriculture's RCR training requirement. More information [here](#), or contact the instructors, [Julie Simpson](#) or [Maria Emanuel](#).

EVENTS

Communications Forum Postponed

Communications and Public Affairs (CPA) has postponed its university-wide Communications Forum, originally scheduled for tomorrow, until a date to be announced. CPA's DIY Toolkit, with self-serve downloadable logos, PowerPoint and MS Word templates, marketing and event materials and more, is available [here](#). Q & A sessions are scheduled throughout the summer.

Mass Spectrometry Analysis Workshop

July 14, 9 am – 4:30 pm

Fee: \$20 (includes parking)

This workshop is suitable for beginners and those familiar with applications of mass spectrometry (MS) in biological and environmental sciences. Topics include MS fundamentals, ionization, instrumentation, sample preparation techniques, MS-based proteomics and sample molecule analysis. Participants will have opportunities to interact with experts in MS at UNH and gain hands-on experience with their submitted samples.

Requirements: Proof of completed COVID-19 vaccine or negative PCR COVID-19 test within 72 hours prior to event. Attendees are expected to provide and wear their own face coverings during the event and adhere to UNH's COVID guidelines including social distancing.
