STATE OF NEW HAMPSHIRE

(L. S.) To the Inhabitants of the Town of Shelburne, in the County of Coos, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in Shelburne on Tuesday, the eighth day of March next, at 6 P. M., Polls open 6:15 P. M., close 10:15 P. M., to act on the following subjects:

Art. 1. To choose all necessary town officers for the ensuing year.

Art. 2. To hear the reports of town officers heretofore chosen and pass any vote relating thereto.

Art. 3. To hear the report of the budget committee and act thereon.

Art. 4. To raise such sums of money as may be necessary to defray town charges for the year ensuing and make appropriation of the same.

Art. 5. To see what sum of money the town will vote to raise and appropriate for the maintenance of town highways and bridges.

Art. 6. To see what sum of money the town will vote to raise and appropriate for police.

Art. 7. To see what sum of money the town will vote to raise and appropriate for fire protection.

Art. 8. To see what sum of money the town will vote to raise and appropriate for fire trails.

Art. 9. To see what sum of money the town will vote to raise and appropriate for insurance.

Art. 10. To see what sum of money the town will vote to raise and appropriate for the library.

Art. 11. To see what sum of money the town will vote to raise and appropriate for public welfare.

Art. 12. To see if the town will vote to observe Old Home Week during 1960 and raise and appropriate a sum of money therefore.

Art. 13. To see what sum of money the town will vote to raise and appropriate for the general care and upkeep of the Town Memorial Forest.

Art. 14. To see what sum of money the town will vote to raise and appropriate for the care of cemeteries.

Art. 15. To see if the town will vote to raise and appropriate the sum of \$1,000.00 for a furnace in the Town Hall.

Art 16. To see if the town will vote to raise and appropriate the sum of \$100.00 for the Gorham Recreation Center.

Art. 17. To see what sum of money the town will vote to raise and appropriate for the town's share of cooperative participation in the White Mountains Region Association.

Ar. 18. To see what sum of money the town will vote to raise and appropriate for the use of the Roadside Improvement Committee for the care, improvement and upkeep of the town's roadsides.

Art. 19. To see what sum of money the town will vote to raise and appropriate for Civil Defense.

Art. 20. To see what sum of money the town will vote to raise and appropriate for interest on temporary loans.

Art. 21. To see if the town will vote to adopt a plan for extending to employees of the town the benefits of title II of the Federal Social Security Act (Old Age Survivors and Disability Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapter 301 and 332 of the Laws of 1955 and to raise and appropriate the sum of \$150.00 to defray the town's share of the cost thereof.

Art. 22. To see if the town wishes to exclude from the plan services in any class or classes of positions filled by popular election.

Art. 23. To see if the town wishes to exclude from the plan services in any class or classes of posititons the compensation for which is on a fee basis.

Art. 24. If a plan for Social Security coverage is adopted, to see if the town will authorize the selectmen to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the town will designate the Selectmen (Chairman) as the officer to be responsible for the administration of the plan.

Art. 25. To see if the town will vote to discontinue certain parcels of road on Route 2 beginning at the State Line running west 1.394 miles.

The sections are:

A. Between Station 16-00 and Station 30-50.

B. Between Station 57-00 and Station 61-00.

C. Between Station 67-50 and Station 77-00.

Art. 26. To see if the town will vote to legalize the game of Beano in the town.

Art. 27. To see what sum of money the town will vote to raise and appropriate for the building of a public ice skating rink.

Art. 28. To see what sum of money the town will vote to raise and apropriate to cover the balance on state aid bridges.

Art. 29. To see if the town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the town through tax collector's deeds.

Art. 30. To see if the town will authorize the Selectmen to distribute the inventory blanks when taking inventory.

Art. 31. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Art. 32. To transact any other business that may legally come before said meeting.

Given under our hands and seal this sixteenth day of
February in the year of our Lord nineteen hundred and sixty.

SHELBURNE LIBRARY

In March of this year Mrs. Lucy Hayes retired as Librarian after many years of service to the Town in this capacity. The Library Committee wishes to record its appreciation for all that she contributed to the life of the town over this period. Mrs. Carleton Frank was appointed to succeed Mrs. Hayes.

The sale of books discarded from the library in the clean-up that has been under way during the past two years brought in \$59.30. This money was added to that available in the annual appropriation for the purchase of new books. Purchases were for the most part limited to children's books, reference books, and to books of local historical interest. Eighty-five books were given to the library and the Committee wishes to thank Mrs. Edgar Brideau, Mrs. Maurice Gerrior, and Dr. and Mrs. Lowell Reed for these gifts. The total number of new books added to the library was 138.

Through a gift to the library from Dr. and Mrs. Reed, the Committee has been able to paint the library room and rearrange the book stacks.

Several new forms of service have been provided by the library:

The library is now open from 2 to 4 every Saturday afternoon and for an evening hour preceding the regular meeting of the Grange.

Sessions for reading aloud to groups of children have been inaugurated, the groups being made up according to the age and reading interest of the children.

During the summer, the librarian ran a reading contest open to all children of the Town and arranged a showing on September 12th of films made available by the State Library, on which occasion prizes for the reading contest were awarded.

Items of interest in connection with the library have been publicized in the Berlin Reporter and through the use of the library window as a show case. The towns-

people should watch these two places for news of the library.

Use of the Bookmobile operated by the State Library has been greatly increased and during the year we have had on our shelves 230 books from this source. It is possible to make available to the people of Shelburne any of the books that the State Library owns and it is the Committee's plan to extend this activity markedly. To accomplish this the Committee will need to know more of the reading interests of the people of the Town and we hope that you will inform us of books that you would like to read.

Respectfully submitted

LOWELL J. REED
MARIE L. WHEELER
NANCY C. PHILBROOK

This is to certify that we have audited the records and books of the town of Shelburne for 1959 in accordance with instructions from the New Hampshire State Tax Commission and have found them complete and correct to the best of our knowledge and belief.

**REPORT OF THE
SHELBURNE ROADSIDE IMPROVEMENT
COMMITTEE**

Our Committee has cooperated with the State Highway Department this year in cutting and removing dead trees along the highway as well as along the North Road in Burbank Park.

We participated in the dedication ceremonies at the Frederick A. Gardner State Wayside Area and entertained those present with the Sokokie Chiefs Marching Band and a supper at the Town Hall. This expense was met by the proceeds from previous Hunters' Breakfasts.

The Hunters' Breakfast was a great success this year and many more attended than in previous years.

The entrance signs were completely refinished this year.

Prizes in our Roadside Garden Contest were awarded to the following:

	Adults	Children
\$5 1st	Mrs. Geneva McLain	Alan & Martin Frank
3 2nd	William Faulk family	Nora McLain
2 3rd	Mrs. Christie Greenier	Marlene & Melanie Hayes

Any recommendations that anyone would care to make for future projects would be greatly appreciated.

We wish to thank everyone for their help and cooperation this year.

A PROFILE OF THE WHITE MOUNTAINS REGION ASSOCIATION

January, 1960

WHAT IS IT? The WMRA is a voluntary, non-profit organization established in 1928 to promote the growth and prosperity of that section of New Hampshire known as the White Mountains Region which includes the towns of Albany, Bartlett, Bath, Benton, Bethlehem, Campton, Carroll, Chatham, Clarksville, Colebrook, Columbia, Conway, Dalton, Dummer, Easton, Ellsworth, Errol, Franconia, Gorham, Hart's Location, Haverhill, Jackson, Jefferson, Lancaster, Landaff, Lincoln, Lisbon, Littleton, Lyman, Milan, Monroe, Northumberland, Piermont, Pittsburg, Randolph, Shelburne, Stark, Stewartstown, Stratford, Thornton, Warren, Waterville, Wentworth's Location, Whitefield, Woodstock, and the city of Berlin.

WHO ARE ITS OFFICERS AND DIRECTORS? President, J. Arthur Sullivan, Berlin; Vice Presidents, George T. Noyes, Bethlehem, Frank D. Silvey, North Conway, Alf Halvorson, Berlin; Clerk, H. Holland Whitney, Jackson; Treasurer, Arthur Drake, Lancaster; Directors, Reginald M. Colby, Littleton, John H. Boothman, Randolph, Leonard Vancore, Colebrook, Randall E. Spalding, Whitefield, Wilbur M. Schurman, Lancaster, Joseph B. Dodge, Conway, Henry C. Waldo, Lincoln, Richard R. Rutherford, North Haverhill, Vernon R. Hawes, Pittsburg, Enzo Serafini, Sugar Hill; Executive Secretary, Donald E. Sanborn, Jr., Lancaster.

WHERE IS IT LOCATED? Its business office is in the National Bank Building, 5 Middle Street, Lancaster.

WHAT DOES IT DO? Through its officers, directors, committees, town councilmen, and executive secretary, and by means of publicity and promotion, it works to improve those conditions upon which the North Country's economy depends.

SUCH AS? The North Country's principal economic factors are industry, recreation and agriculture. Anything that contributes to the welfare and improvement of these

general areas of business is the concern of the WMRA. It works independently and in cooperation with various trade associations, chambers of commerce, clubs, and local, state and federal agencies. Some recent WMRA activities include petitioning the Civil Aeronautics Board to reconsider its recent findings in air service to Berlin and North Conway; attendance at travel and sports shows in Springfield, Massachusetts, Hartford, Connecticut, and Montreal, Quebec, to sell the White Mountain Region to out-of-state tourists and sportsmen; contributing cash and prize awards to deserving North Country 4-H'ers; helping develop the New Hampshire page in the "Travel U. S. A. 1960" portfolio; setting up and conducting an industrial realtors' tour of the Region; answering hundreds of inquiries monthly and publishing and distributing six different folders annually (approximately 100,000 copies total) to promote travel to the Region.

IS THIS ALL? No, indeed. These are merely representative activities. If you wish further information, we will be glad to send you our annual report, or discuss the matter with you personally.

REPORT OF TOWN MEMORIAL FOREST COMMITTEE

Because we were able to get a large quantity of loam for free from the State Highway Department—a large part of our appropriation was spent in top dressing and grading the area about the Memorial. This in turn necessitated more fertilizer and grass seed.

One of the sign standards was totally unfit so a new metal one was made to replace it.

A lot of time was spent at the new picnic area. By moving the tables to the new location just east of the monument we were able to create a picnic area which has been of service to more persons, a more attractive area and a more useful one. The old spot by the brook is still a convenient turnout for persons making a short stop and for the hundreds of photographers passing thru. That the change struck at least one responsive chord is indicated by the following citation, accompanied by a check for twenty-five dollars, from the New Hampshire Roadside Improvement Associates to your committee for "Completion of the best work on any picnic area and the excellent idea of painting the trash cans black and white going so well with the white birches." When you realize that this was in state-wide competition and was the top award made, the town may, we think, be very proud of their Birches. It is only fair in passing to note that credit for the black and white trash cans goes to the first Town Roadside Committee of some years ago for suggesting them and to Mr. May our State highway division engineer for carrying out the suggestion. Incidentally it is planned to use the \$25 for some special project in connection with the Memorial Forest to be decided upon later.

**NEW HAMPSHIRE
STATE DEPARTMENT OF HEALTH**

January 11, 1960

Mr. Lawrence E. Philbrook
Town Clerk
Shelburne, N. H.

To the Citizens of the town of Shelburne:

During the year 1959, 7 visits were made to the town.
These visits were as follows:

Adults	1	Regard Polio	2
Mental Hygeine	2	Tuberculosis	1
Preschool	10	Well Child Conference	1

In September a Well Child Conference was held attended by 16 children, and each child was given a physical exam, 4 vaccinations, 9 triple Toxoid Boosters, 2 Triple Toxoid Immunizations, and 6 Salk Vaccine injections were administered.

It has been a pleasure to work with the Citizens of Shelburne, and at this time I would like to thank them for their cooperation.

Respectfully submitted,

ELEANOR D. KENNEY, R. N.
Public Health Nurse, Coos County

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Shelburne qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said Shelburne on the 9th day of March, 1960 at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a member of the school board for the ensuing three years.
4. To choose a treasurer for the ensuing year.
5. To determine and appoint the salaries of the school board and truant officer and fix the compensation of any other officers or agents of the District.
6. To hear the report of agents, auditors, committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose agents, auditors, committees, in relation to any subject embraced in this warrant.
8. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the District and to authorize the application against said appropriations of such sums as are estimated to be received, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the District will vote to send its secondary school pupils to Gorham High School on a contractual basis,

said contract to last for three years, and to authorize the School Board to negotiate the provisions of the contract with the Gorham School District.

10. To see if the School District will vote to elect its officers by an official ballot and to adopt the non-partisan system as provided in Chapter 5-:73, 79-86 RSA.

11. To transact any other business that may legally come before this meeting.

Given under our hands at said Shelburne this 17th day of February, 1960.

FRANK GREENIER, Chairman

Retirement	277.99	339.70	345.75*
Insurance, Treasurer's Bonds and Expenses	218.72	125.00	115.00

Capital Outlay:

Lands and Buildings	26.60		50.00
New Equipment	31.65	75.00	50.00

Debt and Interest:

Principal of Debt	900.00	900.00	900.00
Interest on Debt	135.00	108.00	81.00

Totals	\$20,105.73	\$23,017.83	\$23,755.11
Total School Budget	19,997.54	23,017.83	
Raised by Local Taxation	17,863.52	23,017.83	
Requested Appropriation, March 1960			\$23,755.11

* The starred items are required by law to be raised as determined by the proper authorities. The District determines the salaries of the District officers. The Supervisory Union Board decides the local share of the Superintendent's salary and other Union expenses. The share paid by the several Districts toward the Superintendent's salary for 1959-60 is as follows: Dummer, \$185.50; Gorham, \$3,672.90; Jefferson, \$466.40; Milan, \$545.90; Randolph, \$174.90; Shelburne, \$254.40. The State Treasurer also reports the amount of the per capita tax, while the Teacher's Retirement Board assesses the amount for the teacher's retirement and the State Employees' Retirement Association assesses the amount for the Superintendent's retirement and other District employees that belong to the system. In those towns that are under Social Security, the amount to be paid by the District is established by law.

The amount of appropriation requested will be reduced by the amount of balance left at the end of the year and by the amount of state aid due the District.

REPORT OF THE SUPERINTENDENT

To the School Board and Citizens of the Shelburne School District:

The reason I include part of the same foreword in my report to this school District as Randolph and Gorham is the fact that progress, changes and problems that effect the Gorham schools effect your children for the most part, particularly when all the pupils in the District attend school in that town from the fourth grade through the twelfth.

I am now completing my fifth year in Gorham as its superintendent and I would like to take this means to review the progress made, if any, and to express some feelings about my experiences during that time.

When I arrived to take over the position on May 1, 1955, the District had just voted to construct the new elementary school building and had authorized a bond issue of \$275,000. The site had been purchased, which I feel has proved to be a good one from the standpoint of centralization. Only time will tell if the high water that concerned so many will ever bother us. The School Board had also just awarded the bid for a school bus, the first to be owned by the District. Plans for the new elementary school were completed during the early part of the summer of 1955 and contracts were let for the site development and construction of the building. The building was completed during that year and summer of 1956, and the pupils occupied the structure in the fall of 1956.

A full-time art supervisor and a guidance counselor were added to the system in the fall of 1957. The expense of this latter program was shared with the State Department of Education for three years. Starting this coming fall, Gorham has to bear the full expense of the program. It is planned to have the guidance counselor teach some courses allied to his field.

A committee was authorized at the 1957 District meeting to study the needs of the high school and to make necessary recommendations at the next annual meeting. A \$205,000.00 bond issue was authorized at the 1958 District meeting to construct an addition to the high school and Ann Lary buildings. This addition included two new science rooms, a new shop, an enlargement of the gymnasium, new locker rooms, a new activity room that could be used for a cafeteria, remodeling of the old shop into a new home economics department, remodeling the old home economics room into an art workshop and classroom, and installation of a new and more efficient heating system. Construction on this addition started in June 1958 and was completed in March 1959. Full use of the facilities was not possible until September of 1959. A rearrangement of teacher assignments made it possible to add four years of physical education without adding to the size of the staff.

I feel that I should stop at this point and express my appreciation to the citizens of Gorham and also, at this same time, commend them. Even though these changes were effected for the most part during my five years here, the only credit I can take is for pointing out what I felt were apparent needs to improve our system. The District was fortunate in having school boards and advisory committees that were forward looking and willing to express their convictions.

The voters of the District are to be commended on the fact that they have supported the changes, even though there has been some concern about higher real estate taxes. I would have to be totally oblivious to outside stimuli if I did not recognize the fact that some individuals feel too much money is being spent on the education of our young people, and directly or indirectly point toward this office as the cause for the added burden. However, "good education costs money," the same as anything else, and there is no better investment in the future than in our young people. I am most appreciative of the fact that the changes have been supported by the majority of voters and I feel confident that the added services will prove themselves, as has been evidenced by the quality of our programs, both in and out of the classroom.

I don't feel that I should conclude this foreword without mentioning some of our local problems that we must

attempt to meet and solve during the next decade. To aid in achieving and maintaining higher scholastic standards, it is recommended that we have a full-time science teacher in courses for the college or technical student. This will enable the principal to assume full-time responsibilities for his administrative position. We are going to be faced with the problem of being able to secure and keep good teachers. The increased enrollments, the willingness to pay, and increased opportunities elsewhere are a few of the reasons why this problem will remain with us. Constant vigil of our present program will be necessary, as well as an evaluation from time to time of our progress. We must keep up with the ever-changing demands on and by our young people.

In closing, I feel that parents have got to take a more active role in demanding higher standards of our school and more especially of their children. The time has come and gone when schools are a place for people to attend when there is nothing better to do. One thing that has been a discouragement to me as a school administrator is the lack of interest that parents take in school and records of their children while in school. This has also carried over into the field of school activities.

Previous to this year, students in dramatics, band or in the chorus were fortunate if there were as many people in the audience as on the stage. One of the things that has given me the most satisfaction since my arrival in Gorham was the audience that attended the Christmas concert this year. The reception of the program by those who attended has certainly given our boys and girls a deep feeling of appreciation and confidence. Programs of this type take time and energy, but I am sure that all agree the quality of the program and the results were well worth the efforts. Parents can do much to help the school in these endeavors, as well as in the demands of the classroom on your boy or girl. Expect and insist that your child do his best and if his record is not satisfactory, talk the situation over with the teachers or others of the school staff. Generally, people, including our own children, will do about what we set up for standards.

The background that the pupils in the Shelburne School receive during the primary grades prepares them adequately for the work to be encountered in Gorham. While one or two

have been retained in the fourth grade in Gorham, the pupils from Shelburne rank very high, for the most part, in their respective grades in Gorham.

The training in art and music certainly has been a good thing for the pupils in the Shelburne School. Nearly all of the children coming to Gorham who have had the benefit of this background stand well in their classes. For the most part, a greater proportion of students from Shelburne take instruction on an instrument than any other group. Pupils from Shelburne have always been and continue to be very active in school plays, band, sports, and other activities.

Budget

The proposed budget for 1960-61 is \$23,755.11 as compared with the 1959-60 budget of \$23,017.83. The increase of approximately \$740.00 can be explained as follows: An increase is asked for the teacher's salary, the transportation expense is up due to estimated increase for tires and repairs. Other item in the budget are the same as this past year, or only very small increases have been included due to increased prices.

The total amount asked for will be reduced by any balance at the end of the year. While the School Board is not required to give an estimate of the balance, it expects at the end of the fiscal year, it is estimated that between \$500-\$800 will be in the general fund, come July 1, 1960. This figure can be changed if an emergency comes up or some other unexpected expenses that cannot be foreseen at this time.

Warrant

The only special article in the warrant this year calls for the District to authorize the School Board to enter into a tuition contract with the Gorham School District for secondary school pupils. The reasons for this request are as follows: under a contract arrangement with Gorham for tuition purposes, the high school in that District becomes the high school for Shelburne, thus making it compulsory for all students to stay in school until they are sixteen years of age. (At the present time this is not necessary due to a loop-hole in the school attendance law.) It also protects the District in that the District will be liable only for tuition payment up

to the amount charged in Gorham, if the student chooses to go elsewhere to high school. This is not an exclusive contract and if parents or students wish, the child may go to another school. The contract would be for a three year period with the tuition rates being established each year according to state law.

Tuition

Shelburne has at this writing 13 pupils in the high school at Gorham, 5 in the junior high school and 18 in the grades, 4-6. Next year it is anticipated that 14 will start high school and 27 will attend grades 4-8. The tuition rates for this coming year are explained below:

By law the tuition rates are established as follows: the receiving District can charge the state average costs for the previous year or its own per pupil cost, whichever is lower. Transportation and tuition items are not figured in determining these costs. The following are figures for costs for the past year, 1958-59:

	State Ave. cost	Gorham's per pupil cost
High School	\$399.00	\$415.44
Elementary	262.00	239.04

In addition to these figures, \$399.00 for high school and \$239.04 for elementary, 2% rental charge is allowed by law for capital expenses.

The rental charge for the high school figured out to be \$19.99 per student and in the elementary grades the figure was \$14.52. The Gorham School Board rounded off the rates as follows for 1960-61:

High School	\$415.00 (\$20.00 more than last year)
Elementary	
(Gr. 1-8)	\$255.00 (Same as last year)
Kindergarten	\$125.00 (Same as last year)

The above information was reviewed the approved by the Shelburne School Board.

Buildings and Equipment

Among the improvements that have been added to the school house during the past year, other than the normal

cleaning and maintenance, was the replacement of the bubbler in the hall with a new sink and combination bubbler-faucet. This means that the children will not have to go to the basement as often during the day for washing their hands. A new storage cabinet with file drawers was purchased for the teacher and new storage shelves were purchased for the basement. The table in the basement was covered with masonite to give a better surface for art work. Our building is in good condition and our equipment is quite adequate, and only normal replacement seems necessary for the present.

A sign was painted and put up signifying the building as the Shelburne School.

Additional materials have been added for both recreational and research types of reading. The teacher can now use as many as three basic readers for help with the pupils.

Teacher

Mrs. Gutowski continued as teacher during this past year and the District is fortunate in having such a competent person for its teacher. She plans to take additional courses at the Plymouth Teachers College this coming summer.

As stated under the section on budget, a raise for the teacher has again been included in the budget. The average salary for elementary teachers in New Hampshire for this past year was \$4200 or more than \$600 higher than the salary paid our own teacher. As stated last year, Shelburne has been giving raises each year, but other Districts in the state have given larger raises, so we continually fall farther behind the state average.

Calendar

School must be in session 180 school days each year, starting in September 1960. This new amendment to the law eliminates convention, workshops, and institutes from counting toward the number of days required for a school year. This will mean a shorter vacation at Christmas and possibly a later closing date in June, depending upon the time lost during the year.

SCHOOL CALENDAR 1960-61**Union No. 20****First Term**

September 6, Tuesday, School Opens
December 21, Wednesday, School Closes
School Term in Day — 73

Second Term

January 3, Tuesday, School Opens
February 17, Friday, School Closes
School Term in Days — 34

Third Term

February 27, Monday, School Open
April 21, Friday, School Closes
School Term in Days — 39

Fourth Term

May 1, Monday, School Opens
June 16, Friday, School Closes
School Term in Days — 34

Days Out

(None Counted Toward 180 School Days)

Teachers' Convention — October 20-21

Thanksgiving — November 24-25

(School dismissed 12:30 P. M., Wednesday, Nov. 23)

Good Friday — March 31

Memorial Day -- May 30

ENROLLMENT

January 4, 1960

Grade 1	7
Grade 2	8
Grade 3	3
	<hr/>
Total	18

Conclusion

I would like to thank the members of the School Board, Mrs. Gutowski, the pupils, parents and friends for their help and interest in the school at Shelburne and also to the parents who have shown considerable interest in the activities of their children who are in Gorham.

Respectfully submitted,

GORDON R. TATE

Superintendent of Schools
