TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

[L. s.]

To the Inhabitants of the Town of Barnstead in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Barnstead on Tuesday, the 8th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. As recommended by the Budget.

3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

4. To see if the Town will vote to allow a discount on property taxes paid on or before the first Saturday of August next.

5. To see if the Town will vote to authorize the Selectmen to buy Liability Insurance on Town Labor and pay same out of Highway Dept.

6. To see if the Town will vote to accept the following Trust Funds: \$100.00 will of Charles R. Towle, Parsons Lot, So. Barnstead Cemetery, \$300.00 Estate of Grace Hillsgrove, care of Lot in Riverside Cemetery.

7. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 3rd day of February, in the year of our Lord nineteen hundred and forty-eight.

JOHN M. SARGENT,
JOHN C. VARNEY,
JOHN O. EMERSON,
Selectmen of Barnstead.

A true copy of Warrant—Attest:

JOHN M. SARGENT,
JOHN C. VARNEY,
JOHN O. EMERSON,
Selectmen of Barnstead.

AUDITORS' REPORT

We, the undersigned Auditors for the Town of Barnstead, certify that we have examined and audited the books and accounts of the Selectmen, Tax Collector, Town Clerk, Treasurer, Trustees of Trust Funds, Road Agents, and Library Trustees for the year ending December 31, 1948.

We find them correctly cast, properly vouched and balanced.

HARRY F. SEWARD,
RAY C. THOMPSON,
Auditors.

REPORT OF THE FOREST FIRE WARDEN

Your local organization to prevent and extinguish brush and woods fires is glad to report a good year of forest protection in 1948. In spite of danger conditions nearly equaling at times those of 1947 when great losses were suffered in New Hampshire and New England, fire damage and loss this year have been gratifyingly low.

With the continuing cooperation of all the people, we can hope to have another successful year in 1949. Let us remember that in any year, over 90% of all fires are caused by carelessness and that all of these man-caused fires are preventable.

Today, we have more slash and uncut grassland than for many years in the past. Smokers, campers and tourists who use our outdoors are also more numerous than ever before. We must therefore be ready for fires which might occur but, above all, prevention by everyone is the greatest need.

A few simple precautions taken by every citizen will help, as follows:

- (1) Always get a written permit from the warden before kindling a fire outdoors when the ground is not covered with snow.
- (2) If you smoke, always extinguish matches and tobacco before dropping or throwing them down. In automobiles, always use the ash trays.
- (3) Report fires and smokes to the warden without delay.

The observance of these and other simple rules will go far to insure safety from fire damage and your cooperation in this way is earnestly solicited.

1948 Fire Record:

Number of Fires—1

Acreage Burned—1

Number of Fire Permits Issued—36

Respectfully submitted,

ARCHIE N. CANFIELD, .

Forest Fire Warden

THOMAS J. KING,

District Fire Chief

ANNUAL REPORT
of the
SCHOOL DISTRICT
of
BARNSTEAD
NEW HAMPSHIRE

For the School Year Ending June 30, 1948

AN APPRECIATION

Whereas,

The termination of our esteemed fellow citizen, Mr. Coran K. Davis, from the office of school board, presents a suitable opportunity for expressing the esteem in which we hold him as a faithful and courteous public servant; therefore, be it,

Resolved,

That the thanks of the citizens of Barnstead are due to Mr. Davis for the able and impartial manner he has uniformly and faithfully performed his public duties. He started a teaching career at the early age of eighteen and has, for sixty years, served the Town of Barnstead, in various capacities, for the advancements of Education.

Resolved,

That he carries with him, on leaving the position which he has so satisfactorily filled, the regards and good wishes of all who had occasion to transact official business with him.

Resolved,

That his many friends who have served with him throughout his nearly twenty years as a school board member regard his return to private life as a loss to them, while they sincerely hope that it will prove a gain to him, and trust that his future will be as bright and prosperous as he can anticipate or desire.

Resolved,

That Mr. Davis be made a school board member Emeritus, of the School Board of Barnstead.

Resolved,

That the Members of this Committee be requested to transmit to him the preamble and resolutions adopted on this occasion and embody the same with Mr. Davis's picture in the next annual report.

Signed

LINN M. DENNETT
CHESTER W. CHANDLER
JOHN L. COTTON

January 23rd, 1949

To my many friends in Barnstead:

I wish to express my deepest gratitude to all for the thoughtful resolutions which were presented to me at the close of my term of office as a member of the School Board of Barnstead.

At my election to the first of the many offices I have held in town, one of my good friends said, "You will not have as many friends at the end of the term of office as you have now". But the prediction has never come true.

I have only pleasant recollections of the many with whom I have had the pleasure to serve.

Space only allows me to mention one, Enos George, a veteran of the School Board during my earlier years, who often said, "What shall we do, Coran"? The same question still remains to be answered. I have always endeavored to think what I would do if I were in the other fellow's place and it has proved helpful.

My mother once said to me, "I have nothing to give you but a good name, so try to keep it". I have endeavored to live up to her admonition.

I also wish to extend my best wishes to the school children with whom I have come in contact and those who may come after.

Again I say, thank you and God bless you.

CORAN K. DAVIS

B. REPORT OF THE SUPERINTENDENT

1. Problems and Conditions General to the Union

"It seems almost needless for me to take time and space to impress on you the fact that the greatest crisis to American democracy is the teacher problem, when every paper and magazine is teeming with data confirming this statement." Thus began Frederick T. Johnson's annual report to the several town in this Union in January, 1920.

For the past two years, my reports have called your attention to a similar situation. This year I am pleased to report that our children and our schools have fared better. Two years ago, twenty new teachers were hired; a year ago, twenty-six, five of whom were additional teachers; and this year, only eleven new teachers were needed, and two of these were additional teachers.

Teachers throughout this Union are receiving salaries equal to the average for the state. Improved housing conditions, cooperative parents, and better school facilities, along with better salaries, have helped to stabilize our faculty situation, thereby improving the continuity of instruction for the students. It is to be hoped that the districts in this Union can continue to hold these gains.

I must remind you, though, that our country faces a tremendous increase in school enrollment in the next five years as a result of our so-called War babies. This increase which will reach a million a year for the next five years will demand more teachers from an already limited supply. While the increased enrollment will not be evident in most of this area, the demand for additional teachers exists in other areas and will be felt here where replacements are necessary. Whether our children will continue to have well-trained teachers will depend upon our ability to hold the gains which have been made in the past two years.

Buildings

All of the districts in this Union have continued to recondition present buildings. Three schools have new heating units. Improved lighting has been added in four schools. Running water has been installed in two schools, so that all schools in this Union now have running water and drinking fountains. All buildings now have some rooms which have been repainted in the past two years. Three buildings have had all rooms and corridors painted. New window shades have been installed in several buildings, and others are on order.

School Lunches

Hot Lunch programs continue to operate in five of the six districts in this Union. Three districts improved their lunch room facilities during the past year. Paid adult workers are now employed in all of these programs. In two schools, these programs gross over a thousand dollars a month.

The Federal Government pays nine cents toward each meal served, if the $\frac{1}{2}$ pint of milk is provided.

Several thousand dollars worth of surplus commodities have been received for use in these programs. The distribution and the handling of this material has been no small task. On one occasion, this Union received one hundred twenty-five 100 pound sacks of potatoes. Since September, the participating schools have shared, proportionally, the following: 30 cans of orange juice, 14,500 pounds of potatoes, 18 cases or 450 pounds of apricots, 1,680 cans of applesauce, 214 boxes of dried milk, 204 boxes of honey, 17 cases or 510 pounds of dried prunes, 900 cans tomatoes, 180 5-lb. boxes cheese and 15 cases or 480 pounds of dried raisins. It should be noted that, for schools to share in the surplus commodities, the lunch program must meet certain Federal requirements.

Instruction

All of the worn and out-dated text-books should be replaced by next September. If you have seen any of these new books, you can realize that publishers and authors are giving the children outstanding products today. Committees from all of the schools in the Union have been working on the selection of text-books and subject material.

For two years now, all of the students in grades one through eight, except grade three, have been given standardized tests so that their achievements can be compared with those of other children throughout the nation. Parents have been encouraged to see the results of these tests and to learn where their children stand in comparison with other children in the same grade level.

Your school boards have studied these results also, with a view to evaluating the job being done in the several classes. Committees of teachers already selected plan to meet in the coming months to consider the findings of the testing program, to evaluate the subject matter taught and to recommend revisions where warranted.

As a preliminary step to setting up a guidance program, files are being purchased for all schools and individual folders on each student are being built up.

All teachers in the Union attended an Art Workshop for three days in December, under the direction of Dr. Mildred Landis, Director of Art for the State Department of Education of New Hampshire. The workshop has done much to stimulate interest and to develop latent abilities in art.

The previous spring, an afternoon and evening workshop in Physical Education was held in Pittsfield for all of the teachers of the Union. These sessions were under the direction of Miss Grace Felker, Supervisor of Health and Physical Education for the State Department.

Modern devices of instruction, such as moving-picture machine, radios, and victrolas are available in all of our schools. Two school districts have tape recorders and one school has radio reception in every room.

Forty-six percent of the teachers in the Union took extension courses either last summer or during the previous term.

Through teacher visitation, bulletins, and meetings, your teachers are being encouraged to constantly improve their instruction. To further encourage this growth, a professional library has been established for their use.

Recommendation

This is a crucial year in Education. Both the State and National legislative bodies are in session, both have many bills before them which can benefit our children. As interested citizens, it is our duty to study the many problems and to make known to our duly elected representatives our opinions on these various issues.

Your continued interest and support of the schools is essential to their success.

2. The Local Situation

With the installation of a new oil furnace in the Parade School, both of your buildings now have automatic heat. This type of heating not only provides uniform temperatures but saves on janitorial services. Insulation has been applied to the ceilings of both schools and should show a saving in heating cost.

Through the cooperation of Mr. Simeoni, running water has been provided children in the Parade School, affording them modern drinking fountains as well as adequate supply for general use.

Radios have been placed in both schools with speakers in each room. This enables the teachers to choose for the students some of the splendid educational programs now being offered, one of which, "Listen and Learn", 9:45-10:00 A.M., over WBZ, is particularly noteworthy.

Three of your teachers again took extension courses during the previous year. Your children are now having the advantage of music instruction by a professionally trained

teacher at district expense. Those of you who heard the students at Christmas know that much has been accomplished already by Mrs. Grau.

Barnstead continues to be the only district in this Union which does not make hot lunches available to its students.

Your school board has spent many hours in taking care of your schools and seeing that the most is received for every dollar spent.

To the Board, parents, interested citizens and teachers, I should like to express my appreciation of the progress which has been made.

PART II. INSTRUCTION

(A) Teachers as of February 1, 1949

<i>Teacher</i>	<i>Position</i>	<i>Enrollment</i>
Marguerite Alden	Center, Prin. & Grs. 7 & 8	26
Dorothy Cotton	Center, Grades 1-4	32
Doris Griffin	Parade, Grades 5 and 6	25

PART V. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

(a) Report of School Health Work

*To the Townspeople, School Board, and Superintendent of
Schools:*

For two winters in succession Barnstead has suffered from wide spread epidemics. Last year it was chicken-pox just at Christmas time, which made it difficult to decide how many children could safely participate in the holiday celebrations. This year it was measles, which hung on until the same time and created a similar problem. Because of the more serious complications of throat, ear, lung, and cerebral spinal involvements, many and constant home visits were made in these measles cases. It was found helpful in many cases to advise the serum to be used where there had already been an exposure to keep the resulting illness as mild as possible. Several of the younger children were thus prevented from being as severely sick.

Plans are now made to go on with the Barnstead School Dental Clinic, deferred during the severe epidemic. Many parents have already had all necessary work done for their children. Dr. Biron will see pupils by appointment on Monday, Wednesday or Friday afternoons. All parents who can accompany their children or others are urged to do so to save time on clinic supervision. It is interesting to note that most dental corrections now involve the use of sodium floride treatments to help prevent 40% of the dental decay. Four paintings of the teeth a week apart, several times in the growing period of the child's life, is desirable. This florine treatment series should be started as early in a child's life as it is seen that the baby teeth are in to be most effective. It is noticeable that dentists are complaining about the wide use of "bubble gum", which is partially undoing the good work of florine treatments and definitely increasing dental decay where no florine has been used.

Tuberculosis patch tests were made on all pupils and teachers and three reactors were noted. These were referred to the Laconia Chest Clinic for X-Rays. No active cases were found.

Corrections were obtained on nearly all vision cases needing glasses. One case required special examinations and treatment at the Boston Eye and Ear Department of the Massachusetts General Hospital. Several required examination of specialists in Dover and Concord. In all, ten were fitted to glasses. With the nine pairs of glasses already worn, this makes nearly all of the vision cases corrected. During this process, two children were referred for ear examinations. One case of potential loss of hearing was cured with treatments. Another was found to have a 100% loss of hearing with a permanent nerve deafness. Speech training must be started at an early age.

Cases of underprivileged children were helped where necessary and several were referred to welfare workers where the difficulty seemed to require special study.

It was a privilege for me, as well as for the Barnstead teachers, to be able to take the Harvard-Boston University course in Juvenile Delinquency, held at Concord for eighteen weeks during the winter and spring months. This course will be of lasting benefit to all of us in helping parents with problem children. New legislation is being studied for passage, this year, in the General Court, to help us all in solving some of the problems becoming more prevalent in New Hampshire.

When the dental work has been completed on the Barnstead children, these pupils will be among the best cared for in this area. The general health is good as a whole.

Following will be found a statistical report of the school health work:

Visits to schools	166
Visits to homes	390
Total visits	556
Days spent	45.4

Days due	33
Hours spent	396:02
Travel time	93:54
Miles driven	3480 — cost at .056c
	— \$194.88
Examined	119
Defects found	121 — 1.1 per pupil
Defects corrected	46 — 32% of defects
Without defect	51 — 42% of pupils

<i>Defects</i>		<i>Corrections</i>	
Vision	13	10 — glasses already worn —	9
Teeth	70	20	
Tonsils	47	8	
Adenoids	8	8	
Speech	2		

Protection against communicable disease:

Small pox vaccination	115
Excused	2
Unsuccessful vaccination	2
<hr/>	
Total	119 — 100%
Diphtheria immunization	91 — 76%

Work with pupils:

Vision tests	129
Hearing tests	121
Weighed	550
Classroom inspections	1705
Individual inspections	143

PART VI. SCHOOL CALENDAR FOR 1949-1950

1949

- Sept. 1 Principals' Meeting
- Sept. 2 Registration of new pupils
- Sept. 6 Teachers' meeting
- Sept. 7 School opens
- Oct. 12 School closed—Columbus Day
- Nov. 11 School closed—Armistice Day
- Nov. 23 School closes at 1:00 P.M.—Thanksgiving recess
- Nov. 28 School reopens
- Dec. 21 School closes at 1:00 P.M.—Christmas vacation

1950

- Jan. 2 School reopens
- Feb. 17 School closes at 3:00 P.M.—Mid-winter vacation
- Feb. 27 School reopens
- April 14 School closes at 3:00 P.M.—Spring vacation
- April 24 School reopens
- May 30 School closed—Decoration Day
- June 16 School closes for summer vacation

(Days lost on account of bad weather will be made up beginning June 19 if necessary to complete 180 days of school.)

(Teachers may attend State Teachers' Conventions 2 days, appropriate County Institutes and Workshops totaling 5 days. These days are counted as part of the 180 days of school required by law.)

PART VII. WARRANT FOR SCHOOL
DISTRICT MEETING

THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School District in the Town of
Barnstead, N. H., qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the 19th day of March, 1949, at 2:00 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To chose Agents, Auditors, and Committees, in relation to any subject embraced in this Warrant.
8. To see if the district will vote to raise and appropriate (\$300) dollars for the purchase of new equipment.
9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are

estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

10. To transact any other business that may legally come before said meeting.

Given under our hands at said Barnstead, N. H. this 18th day of February, 1949.

JOHN L. COTTON,
DAVID PERKINS,
WILLIAM JENISCH,
School Board.

A true copy of Warrant—Attest:

JOHN L. COTTON,
DAVID PERKINS,
WILLIAM JENISCH,
School Board.
