Annual Report

For the Town of

BENTON, NEW HAMPSHIRE

Year Ending December 31

1963

COVENTRY - BENTON

On January 31, 1764, His Excellency, Benning Wentworth, Esquire, Governor and Commander-in-Chief of the Province of New Hampshire, etc., granted to Theophilus Fitch and sixty-four other proprietors a new township named Coventry.

Now, two hundred years later, this township, renamed Benton in 1840, has a resident adult population somewhat fewer in number than the original proprietors. Yet for many generations, we have sent sturdy people outside our boundaries, and all over the United States there are descendants of Coventry-Benton families.

As we start the third century of our history, we feel that it is fitting to take some small notice of our past. It is for this reason that plans are being made to celebrate the Coventry-Benton Bicentennial during the year 1964.

ROLL OF PERFECT ATTENDANCE

Deborah Elliott — Grade 4

REPORT OF SUPERINTENDENT

To the School Board and Citizens of Benton School District:

I herewith submit my twenty-first annual report as Superintendent of Schools.

The total enrollment of the Benton Street School in 1962-1963 was 12, the average membership was 12.0 and the percent of attendance was 96.0. There were fifteen pupils enrolled in other districts; three at Haverhill Academy, one at Woodsville High School, five at Woodsville 7th Grade, two at Warren Elementary School and four at Haverhill Elementary.

At the Benton Street School this year the total enrollment is 15, grades 1 through 6. There are five elementary pupils and two high school pupils attending Haverhill, six pupils attending Woodsville Elementary and one pupil attending Woodsville High School.

There is one Benton pupil graduating from high school this year, David Harris.

Mrs. Patten tells us that she will be unable to teach at Benton next year. We have been very pleased with Mrs. Patten's work and feel Benton has been exceptionally fortunate to have her as a teacher for the past two years. We wish she could stay longer.

From the standpoint of good education and economy, the time has come when Benton will wish to consider transporting all of its pupils to Woodsville or Haverhill. There is very little chance that you will be able to replace Mrs. Patten successfully. The children have done well in the other schools. It appears that you can pay tuition and bus fare with the amount you are raising to maintain the Benton school.

We are faced with the problem of inadequate water

supply. It would appear that an artesian well or some other good water supply is necessary.

It is expected that Benton School District will be aided by funds from the New Hampshire Sweepstakes next year. At the present time there is no way of accurately estimating the amount of money the district will receive toward next year's budget.

I certainly appreciate your cooperation in all matters pertaining to the welfare of your children. Your School Board meets when needful. They are attentive to their duties and are most helpful in the operation of the school system. Thank you.

Respectfully submitted,

RONALD A. PERHAM

Superintendent of Schools

SUPERVISORY UNION NO. 34
REPORT OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #34, during 1963-1964, received a salary of \$9,800.00 which was made up as follows: \$4,750.00 paid by the State Department of Education from the per capita tax and \$5,050.00 prorated among the several school districts. Allowance of \$1,300.00 for travel within the Union was also prorated as stated above.

The table below shows the proration of salary and travel charged to each school district.
