THE STATE OF NEW HAMPSHIRE
TOWN WARRANT

To the Inhabitants of the Town of Carroll, in the County of Coos, and State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town, on Tuesday, the 12th day of March, next, at ten o'clock in the forenoon, to act upon the following subjects:

1. To elect all necessary town officers.
2. To raise and appropriate such sums as may be necessary for:
 - a. Town Officers' Salaries
 - b. Town Officers' Expenses
 - c. Electing and Registration Expense
 - d. Expenses Town Hall and Other Buildings
 - e. Police Department
 - f. Fire Department
 - g. Health Department — Town Dump
 - h. Vital Statistics
 - i. Auto Permit Fees
 - j. Highways and Bridges
 1. Road Maintenance—Summer
 2. Road Maintenance—Winter
 3. General Expenses of Highway Department
 4. Sidewalk Construction and Repairs
 5. Town Road Aid, Class 5
 - k. Street Lighting
 - l. Libraries
 - m. Town Poor, Old Age Assistance, Child Welfare and County Poor
 - n. Advertising & Regional Association
 - o. Memorial Day and Honor Roll
 - p. Cemeteries
 - q. Legal Expenses

 - s. Moth and Blister Rust Extermination and Ragweed
 - t. Insurance
 - u. Interest and Loans
 - v. Printing Town Reports
 - w. Payment on Long Term Notes
 - x. Civil Defense
 - y. County Tax
3. To see if the Town will authorize the Selectmen to bor-

row money by temporary loans in anticipation of taxes.

4. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Collector's deeds or otherwise.

5. To see if the Town will vote to authorize its fire department to respond to fires outside its municipal limits and further authorize said department to become associated with the Twin State Firemen's Association, a corporation duly organized under the laws of the State of New Hampshire, and further to accept and agree to abide by the by-laws and regulations of the said corporation.

6. To raise and appropriate to the White Mountains Regional Association for its program of Advertising, etc., as a part of the cooperative investment by Regional Towns, and amount equal to \$.10 per \$1,000.00 for the assessed valuation for 1962.

7. To see if the Town will vote to raise the sum of \$100.00 as the Town's share in the White Pine Blister Rust Control Program and to raise and appropriate money for same.

8. To see if the Town will vote to raise the sum of \$600.00 to be used for the operation and maintenance of the Twin Mt. Lake and Recreation Area, and to raise and appropriate money for same.

9. To see if the Town will vote to raise the sum of \$2,000.00 to be used by the Board of Trade for advertising and to raise and appropriate money for same.

10. To see if the Town will vote for the establishing of Zoning Regulations and Restrictions, for promoting health, safety, morals, and the general welfare of the community under the provisions of Chapter 51 of the Revised Laws of New Hampshire, and amendments thereto, known as the Zoning Law.

11. To transact any other business that may legally come before this meeting.

Given unto our hands and seal of the Town of Carroll this 5th day of February 1963.

PHILIP F. McKENNA
WILLIAM J. McGEE
EARL O. MINOR
Selectmen of Carroll

SUPERINTENDENT'S REPORT

The new chlorination system is now in operation at both the Little River and Cherry Mt. Reservoirs.

The State requires that the system be inspected every third day.

Respectfully submitted,
OVILA LEDOUX,
Superintendent

Health Report

New Hampshire State Department of Health

December 27, 1962

Irvan W. Johnson, Town Clerk
Carroll, N. H.

To the Citizens of the Town of Carroll:

During the year of 1962, 219 visits were made to the town. These visits were as follows:

Administration and	Hearing & Vision Testing	1
Promotion	Heart	1
Adults under 65	Infants	12
Adults over 65	Preschool Clinic	1
Antepartum	Preschool	29
Communicable Disease	Post Partum	1
Crippled Children's Serv.	School	17
Diabetes	Sabin Clinics	3
Hearing and Speech	Sight Conservation	14

In June, under the chairmanship of Mrs. Alice McGee, a house-to-house canvas was conducted for Sabine Vaccine Immunization for children 6 weeks to 6 years of age. In June 30 children were immunized with Type I; in July, 32 children received Type III; and in August, 32 children received TYPE II. At this time I would like to thank each individual who in any way helped to make this program a success.

On June 18, 65 school children received Type I Sabin Vaccine; July 16, 89 received Type III, and on August 23, 75 received Type II. The response to this program was amazing, and your school, and preschool population should be well protected. It is hoped that the adult population will avail themselves of this program before the next polio season.

In June, 10 children were examined at the Preschool Conference, and 2 children have attended the Pediatric Clinic in Littleton.

It is gratifying to again see the Dental Program in operation for the school children, and I hope in 1963 that we can institute such a program for the preschool children.

It is always a pleasure to work with the Citizens of Carroll and I would like to thank them for their cooperation.

Respectfully submitted,
ELEANOR D. KENNEY, R. N.
Public Health Nurse, District No. 2
N. H. State Dept. of Health

Board of Trade

To the Taxpayers and Voters of the Town of Carroll:

Following is a summary of the income and expenditures connected with the appropriations voted upon, last Town Meeting:—

Town Appropriation	\$1,500.00
From Board of Trade Treasury	37.46
	<hr/>
	\$1,537.46

Expenses

Frost Agency—for newspaper and magazine ads	\$1,227.46
Crawford Notch Folder	50.00
Road sign repairs	36.00
Envelopes	24.00
Postage	200.00
	<hr/>
	\$1,537.46

In addition to the above, the Board of Trade by means of personal assessments, personal gifts, personal manpower and personal attention—almost 100% without pay—was able to open and supervise the Recreation Area, establish the needed Information Booth, plan for a new Directory Sign at the crossroads, distribute over 10,000 Town Folders, gain welcome publicity, arrange with the Whitefield Savings Bank on the Bathhouse note, arrange for the installation of a year-round public phone booth at the crossroads, have one of the Chamber's members appointed on the Council of the North Country Industrial Council for Industrial Expansion, and otherwise conduct itself in a manner fitting to this growing, strong recreation Town.

In keeping with the growth mentioned, the name of the organization is being changed to the "Chamber of Commerce". Under this new name, your Chamber intends to (in the words of our past president)—"represent all types of business to promote increased business through activities based on enlightened selfness which at the same time benefits the entire community".

Your Chamber of Commerce asks for your continued support regardless of your particular situation. Some own large enterprises. Others work in those enterprises. Others

enjoy lower taxation BECAUSE most of the tax bill is picked up by the large enterprises. Without the stimulation of an active Chamber of Commerce there could be a drying up of growth—of up-grading—of opportunity in the Town.

Your Chamber asks that you be an active, participating friend in the continued effort to make this, indeed, the Fastest Growing Town in the White Mountains.

Respectfully submitted,
LEWIS ROBERTS,
President

School Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of
Carroll qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District on the twelfth day of March, 1963 at 10:00 o'clock in the forenoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year,
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a Member of the School Board for the ensuing three years.
5. To hear the reports of Agents, Auditors, Committees, or Officers heretofore chosen, and pass any vote relating thereto.
6. To see if the district will vote to accept the services of an Art Instructor in Supervisory Union Number 31 and to raise and appropriate the sum of Four Hundred and Fifty Dollars (\$450.00) as the district's share of the expenses of this service.
7. To see if the district will vote to accept the services of a School Librarian in Supervisory Union Number 31 and to raise and appropriate the sum of Four Hundred and Fifty Dollars (\$450.00) as the district's share of the expenses of this service.
8. To see if the district will vote to accept the services of a Guidance Counselor in Supervisory Union Number 31 and to raise and appropriate the sum of Four Hundred and Fifty Dollars (\$450.00) as the district's share of the expenses of this service.
9. To see if the district will vote to construct and install a sewage system that will prevent pollution of the Lower Ammonoosuc River and to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500.00) for the same.
10. To see what sum of money the district will raise and appropriate for the support of schools, for salaries of school district officials and agents and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the School Board to certify to the selectmen

the balance between estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Given under our hands at said Carroll this thirteenth day of February, 1963.

JOHN F. WRIGHT, Chairman
CHARLES RICARDI
ERMINE McGEE
School Board of Carroll, N. H.

School Board Report

To the Citizens of the Town of Carroll:

The annual report of the School Board of the School District of Carroll is duly submitted:

This year could be called the "year of repairs" and improvements because all sorts of repairs had to be made. These include the repair and replacement of parts of the boiler and the heating plant, painting of the outside of the building and gymnasium, the repair of the leaky roof, the sealing and waxing of the interior of the gymnasium, the smoothing of the driveway and the blacktopping of a portion of the school yard, and the installing of a new fuse box to begin a complete renovation of the school building's outmoded wiring system. Further work on the wiring system and the heating plant must be completed in the coming year. Another major item of maintenance facing the community in the coming years is the installation of a sewage system to comply with the laws regarding sewage and water pollution.

The Board is happy to state that our new Superintendent, William Grass, Jr., is a most competent administrator. Mr. Grass is a North Country native and knows well North Country school problems. We are fortunate indeed to have such an able, friendly man as our Superintendent.

When the opportunity presented itself for our school to have a lunch program, the Board felt, that despite risking a financial pinch, the chance was too good to pass up. On October 29th the lunch program began operation with Mrs. Lillian Mansfield in charge. In spite of having to cut corners here and there on other programs your Board feels that the lunch program is well worth the effort. It is especially beneficial for the children to have a hot lunch during the cold winter months. Now that the program is successfully underway, with most of the children and staff participating, the program is paying its own way.

Many words of thanks are due to all who graciously donated time and items to the launching of the lunch program. The Carroll Parent-Teachers Organization donated the sinks, Public Service Company the electric stove, Mr. and Mrs. Charles Ricardi materials and labor for the counters and shelves, and Mr. Charles McGee donated labor for the installation of the sinks. A Placque has been framed in the cafeteria in grateful recognition of the contributions of many people. Our deep thanks are extended to all who helped.

The Board wishes to thank the principal, the teachers, and

the administrative staffs for the fine work they have done in the past year to keep our school standards so high.

You, the townspeople, are invited to visit the school at any time and see how the school is functioning. After all it is your school so it behooves you to inform yourself regarding the school's problems and promises.

Respectfully submitted,
JOHN WRIGHT, Chairman
ERMINE McGEE
CHARLES RICARDI, SR.
Carroll School Board

Superintendent's Report

To the School Board of the Town of Carroll:

"I view education as the most important subject we as a people can be engaged in."—Abraham Lincoln

It is a pleasure to present this report to you, the citizens of Carroll.

When a change in superintendents takes place, as it did last July in Carroll, people become interested in his position, the place this office holds in our community and the state, and in the work that is done. It is because of this interest that the following report is presented.

At the present time there are 48 Supervisory Unions in New Hampshire. In other words, there are 48 different combinations of school districts and each employs a superintendent of schools. Our Union is made up of Carroll, Lancaster, and Whitefield and is known as Supervisory Union No. 31. The superintendent is a state employee working directly under the local school boards and, in general, for all of the people in our three communities.

The superintendent's office works with the school staff, school administrators, and for the school board in such areas as financing, building programs, transportation, health, budgeting, purchasing, maintenance. These are but a few of the general areas that are covered throughout the year. As we all know, more and more federal and state funds are becoming available and with these funds more controls; many reports are necessary. It is important that the school board be informed and assisted in any way they wish to utilize these benefits. In these areas it can generally be said that the superintendent's office assists, guides, and counsels the Carroll School Board and then carries out its directions.

The above areas are very important, but basically they are and should be secondary to your superintendent. It is still the primary function in Carroll for the superintendent to work with the staff, school board, and others interested in the improvement of education such as, curriculum developments, supervision, and orientation. Newer methods of teaching are forthcoming as never before, and these ideas must be evaluated. New staff members must be oriented and their effectiveness as teachers determined. Teaching machines, team teaching, Joplin type reading, guidance, language laboratories are already with us and only through continued effort on the part of your school board and the of-

office of the superintendent can we all realize these benefits as well as the benefits yet to come. Only the strengthening of our schools will give the all important "CLIMATE FOR LEARNING".

The Carroll School Board has been working with your Principal, Mr. Evin Foley, an able administrator, and the office of the superintendent these past months in the development of the 1963-64 budget. As you well know, much effort has also been put into our Cooperative School Study between the School Districts of Bethlehem, Carroll, Dalton, Jefferson, Lancaster, and Whitefield.

Our school board, as well as many interested citizens of Carroll, have since early fall made one of the most comprehensive Cooperative School Studies in the history of New Hampshire education. Reports of their findings are forthcoming at the present, and before long each of you will have an opportunity to judge the merits of this study. May I say only this regarding this important study — cost of operation is increasing, as each one of us knows, but only with larger units, more efficiency, and continued diligent efforts can we continue the fine "education climate" that we have today.

Enrollment

The National Education Association Research Division in its study of school statistics for 1962 reports the following:

"Enrollment in public elementary and secondary schools reached 38.6 million in the current school year, an increase of over 1.1 million or 3%. This is the ninth consecutive year in which enrollment increases have exceeded one million. From 1960-1961 to 1961-1962 high school enrollments grew at a rate more than double that for the elementary schools."

During this school year public schools in the United States will enroll more than 40 million students. We are growing most rapidly in our expensive areas: colleges and high schools.

The only point in mentioning the above is to emphasize the fact that what is happening nationally is happening here, also. The 1962 census report is as follows:

**Anticipated Future Enrollment in Grade I
According to Census Reports
Five Year Summary**

Anticipated Enrollment Year	Year Census was taken (September)				
	1958	1959	1960	1961	1962
1962	5	5	3	10	
1963	4	6	4	5	5
1964	4*	6	6	6	8
1965		7*	8	10	9
1966			6*	3	5
1967				5*	5
1968					2*

* This figure includes only children born before September 1 of that calendar year as the census is taken at that time.

Insurance

Your School Board, in conjunction with the Lancaster and Whitefield School Boards, once again offered to all pupils in their towns the opportunity of participating in a Special School Child Accident Policy for \$2.00 per pupil. This year it was possible for a student to obtain additional year-round coverage at a cost of \$10.00 per year. This is the tenth year that the pupils attending the Carroll School have had this opportunity. Previous to this time the expense of an accident was borne directly by the parent. This policy became effective September 15, 1962 and will continue until September 15, 1963.

Retarded Class

One of the first regularly scheduled classes for these handicapped pupils was established here in the North Country in Supervisory Union No. 31 during October 1962.

The combined efforts of Supervisory Union No. 31 and the North Country Association for Retarded Children has made this service possible. The class meets regularly on a limited basis at the Lancaster Methodist Church under the direction of Mrs. Kathleen Cardinal, teacher, and is supported jointly by the School Boards of Supervisory Union No. 31 plus the Association for Retarded Children. There are at the present time seven pupils active in this program.

The New Hampshire State Legislature during the 1961 session noted the need for this type of classroom instruction in our public schools with passage of several acts and limited financial assistance.

It is because of this concern at both the local and state level that our limited program has been established and

found to be very successful. Without doubt this type of education will increase in length of time, scope of program, as our knowledge and understanding of these mentally handicapped children increases.

Hot Lunch Program

The new cafeteria school lunch program established through the combined efforts of the Twin Mountain School Board and the Twin Mountain Parent Teachers Organization and others interested in the Twin Mountain School Program, has been highly successful this past year. Nearly all the children enrolled have taken part in this program that is supported to a large degree by the Federal and State Agricultural programs. Surplus foods have been quite plentiful to date and with this and management skill of Mrs. Lillian Mansfield, this program can well become one of New Hampshire's outstanding small school lunch programs.

In closing it is well for the people of Carroll School District to know that the recent change in superintendents took place smoothly. This was true only because the faculty, administrators, school board, and Mrs. Helen Smith of the superintendent's office were all well informed and interested in your school. They have all been most helpful. This firm understanding of your local school system will continue to assist all of us in Supervisory Union No. 31, as we continue the effort to develop even better schools.

WILLIAM J. GRASS, JR.
Superintendent of Schools

Principal's Report

To the Citizens of the Town of Carroll:

The report on the program and activities of the Twin Mountain School is herewith submitted.

As I am new to the Twin Mountain School and my report can only cover the months of September through December 1962 it will, of necessity, be brief.

Mrs. Lucy Bond teaches grades 1, 2, and 3 and Mrs. Eileen Worsley grades 4, 5, and 6. Mrs. Clara Hall has charge of the music program. Besides the regular music program, she is teaching the elementary grades the fundamentals of playing the flutophone and has a rhythm band.

Twin Mountain can be pleased with the competency of the above teachers and the education of the Twin Mountain School children would compare favorably with others in the area.

Programs in Educational Television are incorporated into the curriculum four days a week with especially excellent programs in art, science, and mathematics.

The State Bookmobile visited the school earlier in the year and again in January, 1963.

New to Twin Mountain School is a Hot Lunch Program conducted by Mrs. Mansfield that is very well received by students and teachers with almost 100 percent participation.

Mrs. Alice McGee, school nurse, and Dr. deVillafane conducted physicals of the students in November.

Again this year, the Dental Clinic was held with excellent results.

Softball, volleyball, touch football, bowling, and other games and sports, and exercises make up the physical education program. Ski instructions are given every Thursday afternoon with approximately 50 percent of the students attending.

Grades 4 through 8 visited the Planetarium in St. Johnsbury, Vermont.

Incorporated into the seventh and eighth grade curriculum are field trips. Thus far they have been to the Littleton Public Library, the Fish Hatchery, Fairbanks Museum, Mittersill and Garneau's Garage.

All the children in grades 4 through 8 have been taught how to play chess. Most of them are quite proficient and it would be good to see the parents encourage this skill as it has carry over benefits in other areas. (Mathematics, critical and analytical thinking, etc.)

Special praise should go to Superintendent Grass, the School Board, and the Parent Teacher Organization. Much has been accomplished because of their hard work. Among these would be: Dental the Clinic, the Hot Lunch Program, the Ski Program and others.

While these people do not seek recognition, they certainly deserve it for their 'good works'.

A very successful Christmas Program and Party were held with all the children participating and most parents in attendance.

Repeating that I am new at Twin Mountain School, the following are some observations that I have made of the student body.

With the reading skills of the students developed to such a high degree the parents should try to help the teachers as much as possible in putting good books and periodicals in the hands of their children.

Along with the Twin Mountain Library and Whitefield Library, a Littleton Public Library card can be had for two dollars and books kept out for three weeks. Use of reference works should be encouraged at home, and good newspapers and periodicals should be provided.

More children should be participating in the Ski Program, and the ones who are, should have the opportunity to visit the various slopes in the area along with their lessons.

This is proving to be a very successful school year for Twin Mountain. For this, special thanks should go to the parents, friends, the School Board, the Parent Teacher Organization, and all others who have contributed in any way. Our special thanks go also to Mr. William Grass, Jr., Mr. Charles Ricardi, Mrs. Charles E. McGee, Mr. John Wright, Mrs. William McGee, Mrs. Lillian Mansfield, Mr. Edward Jordan, Mrs. Arlene Lemieux, and Mrs. Hazel McGee.

We hope that you will visit us at any time.

Respectfully submitted,

EVIN A. FOLEY

Principal

Report of Supervisor of Music

Mr. William Grass, Jr.
Superintendent of Schools
Twin Mountain School
Carroll, New Hampshire

Dear Mr. Grass,

It is with pleasure that I submit this report to you on the work that is being done in music at the Twin Mountain School.

The five-point program of Singing, Playing, Creating, Listening, and Dancing is being carried out with satisfactory results in each grade.

Rote songs and singing games are used in the first and second grades with much stress given to rhythmic drill such as clapping, marching, skipping, galloping, etc. Rhythm band instruments are also introduced in the first, second, and third grades. The rhythm band is helpful in that it gives a good rhythmic foundation to music, and it gives much enjoyment to the young musician.

In the third, fourth, fifth, and sixth grades, we are introducing syllable reading and two-part singing. In these four grades, we are continuing our work with the flutophone. The flutophone is helpful as it aids in teaching the child to read music and develop a sense of rhythm. Fundamentals of the fingering are based on the idea of the clarinet.

The seventh and eighth grades have singing, music theory and music appreciation.

Parents and friends of the school are cordially invited to visit these classes at any time.

To the teachers, I extend my thanks for their fine co-operation, and sustained interest, and excellent program which they have made possible at the Twin Mountain School.

Respectfully submitted,
CLARA L. HALL
Supervisor of Music

Health Report

Mr. William Grass
Superintendent of Schools
Whitefield, New Hampshire

Subject: Health Report

Dear Mr. Grass:

I wish to submit the following health report of the students of Twin Mountain School for the period from December 1961 to December 1962.

There was a preschool clinic held in June at which three pupils were examined and given the necessary vaccinations and triple booster shots.

In September all pupils were examined for general health, height, weight and condition of skin and scalp. All children appeared in good health.

All pupils were given a physical examination in October by Doctor Jorge de Villafane. The only defects found were tonsils which needed to be checked by their family physician.

There were three Sabin Oral Polio Vaccine clinics held during the summer. Sixty-five type I doses were given; seventy-five type II and seventy-three type III. This was an excellent response from a Town of this size. The parents are to be commended for their cooperation at this time.

Visual testing was done on all pupils in October. Seven students were found to have defects and five of these have been corrected already. The others it is anticipated will be corrected soon.

Maico Audiometer tests were also given and no hearing defects were found.

Dental Clinics were held each Wednesday morning for five weeks. The children had their teeth checked and twenty-eight fillings and twelve extractions were done. The dentist reports that the children of Twin Mountain, on a whole, have excellent teeth when compared with other schools.

There have been twenty-two home calls made since I became school nurse this fall. I wish to thank all the parents for their excellent cooperation in matters regarding their children's health.

May I also commend the new School Lunch Program which should be a great help in maintaining good nutrition and giving the pupils a much needed warm meal during our cold winter months.

My thanks to Mr. Grass, the School Board, Mr. Jordan, the Faculty and Miss Eleanor Kenney for their cooperation this year.

Respectfully submitted,
ALICE H. McGEE, R. N.
 School Health Nurse
