ARTICLE 2. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow money on the credit of the Town in anticipation of taxes.

A motion was made to accept Article 2 as read; passed.

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of \$980.00 in support of the Monadnock Family and Mental Health Services.

A motion was made to accept Article 3 as read; passed.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of of \$3,000.00 in support of the services of Home Health Care and Community Services, with \$500.00 going immediately for membership fee and the rest paid as it is used.

A motion was made to accept Article 4 as read; passed.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$1,397.00 as the Town's share for the studies and operations of the Southwestern New Hampshire Regional Planning Commission.

A motion was made to accept Article 5 as read; passed.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the support of the Grand Monadnock Arts Council.

A motion was made to accept Article 6 as read; passed.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$385.00 for the support of Camp Holiday.

A motion was made to accept Article 7 as read; passed.

ARTICLE 8. To see if the Town will vote to designate and proclaim April 22, 1990 as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment".

A motion was made to accept Article 8 as read; passed.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$2,217.08 as the Town's share of the operating budgets of the 149-M District and 53-B Subdistrict Regional Refuse Disposal District approved by the Town under Article 3 - 1985 Town Meeting.

A motion was made to accept Article 9 as read; passed.

A motion was made to consider Article 22 before Article 10. The motion passed.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for the construction of a Recycle Center Building.

A motion was made to accept Article 22 as read. A motion was made to table Article 22 until after article 11 was voted on. This motion did not pass. Article 22 passed as read.

ARTICLE 10. To see if the Town will vote to authorize the Selectmen to apply for, negotiate for, contract for, accept and do all things necessary to obtain such Federal, State, or other assistance (financial or otherwise) as may be available to the Town. (RSA31:95-b).

A motion was made to accept Article 10 as read; passed.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$64,500.00 for Capital Reserve to be allocated as follows: Highway Equipment - 15,000.00, Dump Closing - 22,000.00, Fire Equipment - 15,000.00, Police Cruiser - 2,500.00, and Highway Building Reconstruction/ Renovation - 10,000.00. (RSA 35:1)

A motion was made to accept Article 11 as read.

A motion was made to amend Article 11 to read as follows:

To see if the Town will vote to raise and appropriate the sum of \$67,000.00 for Capital Reserve to be allocated as follows: Highway Equipment - 15,000.00, Dump Closing - 22,000.00, Fire Equipment - 15,000.00, Police Cruiser - 2,500, and Highway Building Reconstruction Renovation - 12,500. (RSA 35:1)

A motion was made to amend Article 11 to exclude \$15,000, making the total \$62,000.00. This motion was seconded, but not passed.

Article 11 was passed as first amended for the total of \$67,000.00.

ARTICLE 12. To see if the Town will vote to accept \$100.00 received for perpetual care on cemetery lot at Island Cemetery for the lot of Christopher Smith.

A motion was made to accept Article 12 as read; passed.

ARTICLE 13. To see if the Town will vote to accept \$100.00 received for perpetual care on cemetery lot at Willard Hill Cemetery for the lot of Charles Swasey.

A motion was made to amend Article 13 to read:

To see if the Town will vote to accept \$100.00 received for the perpetual care on cemetery lot at Willard Hill Cemetery for the lot of Paul Bolton.

Article 13 was passed as amended.

ARTICLE 14. To see if the Town will vote to maintain, year round, the section of so-called "Yellow Wings Road" that runs Southeasterly from Sunset Hill Road, down the hill to the drive on the left that leads to the home of Allan N. & Polly G. Kendall as well as the beach houses of W. W. Wells and David Kennard. The length of road being considered is more than 300 feet, but less than 400 feet. (By petition.)

A motion was made to accept Article 14 as read. Article 14 did not pass.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$2,330.00 for the purchase of six Regency, 16 Channel, Model 256, radios, five of which will be equipped as mobile units and one as a base

unit for the Highway Department.

A motion was made to accept article as read.

A motion was made to amend Article 15 to read:

To see if the Town will vote to raise and appropriate the sum of \$2,330 for the purchase of four Motorola, two channel, 40 watt radios, three of which will be mobile units and one of which will be a base unit for the Highway Department.

A motion was made to accept Article 15 as amended; passed.

ARTICLE 16. To see if the Town will vote to create the position of building site inspector, to be appointed by the Selectmen. The duties of the site inspector will be to see that all zoning and building site requirements of the Town are followed. And furthermore, that the Selectmen be authorized to charge a \$25.00 fee for each site inspection.

A motion was made to accept Article 16 as read; passed.

ARTICLE 17. To see if the Town will vote to raise and appropriate the matching sum of \$2,500.00 for the purpose of conducting an engineering feasibility study of a sewerage district. This district to serve the properties within the central village of Harrisville.

A motion was made to accept Article 17 as read; passed.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$40,000.00 for the repair of the 1914 bridge near the Library and to authorize the issuance of not more than \$20,000.00 of bonds and notes in accordance with the provisions of the Municipal Finance act (RSA 33) and to authorize the Town officials to issue and negotiate such bonds and notes and to determine the rate of interest thereon with balance of \$20,000.00 to be raised by general taxation. (2/3 vote by paper ballot.)

A motion was made to accept Article 18 as read.

A motion was made to amend Article 18 to read:

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 for the repair of the 1914 bridge near the Library and to authorize the issuance of not more than \$15,000.00 of bonds and notes in accordance with the provisions of the Municipal Finance act (RSA 33) and to authorize the Town officials to issue and negotiate such bonds and notes and to determine the rate of interest thereon with balance of \$10,000.00 to be raised by general taxation.

A motion was made to accept Article 18 as amended. The result of the ballot vote as follows: Yes-80, No-7. Article 18 was passed as amended.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$18,000.00 for the reconstruction of the roof of the Harrisville Highway Garage and to authorize the withdrawal of \$18,000.00 from the Highway Building Capital Reserve Fund for this purpose.

A motion was made to accept Article 19 as read.

A motion was made to amend Article 19 to read:

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$43,500.00 for the reconstruction of the roof and an addition to the Harrisville Highway Garage and to authorize the withdrawal of \$43,500.00 from the Highway Building Capital Reserve Fund for this purpose.

A motion was made to accept Article 19 as amended, and Article 19 was passed as amended.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$17,000.00 for the resurfacing of Sunset Hill Road.

A motion was made to accept Article 20 as read. Article 20 was not passed.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$30,000.00 for the preparation of a Tax Map and to authorize the issuance of not more than \$20,000.00 of bonds and notes in accordance with the provisions of the Municipal Finance act (RSA 33) and to authorize the Town officials to issue and negotiate such bonds and notes and to determine the rate of interest thereon with balance of \$10,000.00 to be raised by general taxation. (2/3 vote by paper ballot.)

A motion was made to accept Article 21 as read. The results of the ballot vote as follows: Yes-15, No-55. Article 21 was not passed.

ARTICLE 23. To see if the Town will authorize the Selectmen to sell to Lawrence Rathburn lot 20-77-2 for the sum of \$5,000.00.

A motion was made to accept Article 23 as read. Article 23 did not pass.

ARTICLE 24. To see if the Town will continue to plow the driveways of those residents who have reached the age of 70 and the clergy.

A motion was made to accept Article 24 as read. A motion was made to vote on Article 24 by voice vote instead of paper ballot. Article 24 passed by voice vote.

ARTICLE 25. To raise \$356,791.00 to defray Town charges for the ensuing year and make appropriation of same.

A motion was made to accept Article 25. A motion

was made to amend the budget, but was not seconded.

Article 25 passed as read.

ARTICLE 26. To hear reports of Agents, Committees, and Officers chosen and pass any vote related thereto.

A motion was made to accept the reports as published in the Town Report. Article 26 passed.

ARTICLE 27. To transact any other business that may legally come before this meeting.

No new business was brought up.

The meeting was recessed to count the ballots. Results as follows:

Moderator for Two Years

John Colony III 148 votes; declared elected

Town Clerk

Gretchen Poisson 155 votes; declared elected

Fire Chief

Rand Duffy 155 votes; declared elected

Cemetery Agent

Bryan Trudelle 154 votes; declared elected

Results of the ballot were read and the meeting was adjourned.

Respectfully Submitted,
Gretchen Poisson, Town Clerk

TOWN WARRANT
The State of New Hampshire

The polls will be open from 10:00 AM to 8:30 PM

To the inhabitants of the Town of Harrisville in the County of Cheshire in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Wells Memorial School in said Harrisville on Tuesday, the twelfth day of March next at seven of the clock in the afternoon to act upon the following subjects:

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

ARTICLE 2. Are you in favor of the adoption of Amendment 1 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 1: To change ARTICLE II, relating to Districts, to read:

"DISTRICTS. For the purpose of this Ordinance, the Town of Harrisville is divided into the following Districts:

- (1) General Residential and Agricultural District;
- (2) Commercial District;
- (3) Industrial District;
- (4) Lakeside Residential District;
- (5) Village Residential District;

Additional constraints may be placed on properties within any district by the following overlying Districts:

- (6) Historic District(s);
- (7) Wetlands Conservation District.

The boundaries of these districts are hereby established as shown and defined on the Zoning Map of the Town of Harrisville as revised and adopted by the Planning Board. This map is filed with the Town Clerk."

Are you in favor of the adoption of Amendment 2 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 2: To change ARTICLE III, GENERAL PROVISIONS, to read:

"ARTICLE III. GENERAL PROVISIONS. In the event that the provisions of one section of these Ordinances are

found to conflict with others provisions of these Ordinances, the more restrictive shall apply. All Districts are subject to the following provisions: No owner or occupant of land in any District shall permit fire ruins or other ruins to be left but shall remove them within one year as required by State Law. The establishment or use of facilities for the production, storage and/or disposal of hazardous wastes (as defined by RSA 347) or of radioactive wastes (as defined by the Atomic Energy Act of 1954, as amended) is prohibited. Uses that may be obnoxious or injurious to the community, or incompatible with the comfort, peace, enjoyment, health, safety of the community are prohibited. Each lot used for the erection of a building shall meet the minimum dimensions required by the Zoning Ordinance for the District and shall contain the minimum land area required in that District for the use or uses proposed. A building permit is required for any construction or alteration of any structure. Building permits shall be issued by or under the authority of the Selectmen upon determination that the proposed building or structure does not violate existing ordinances, laws, or regulations. No existing seasonal residence shall be converted to year round residential use unless an approved septic system is provided. No more than one building used for dwelling purposes shall be erected or placed on a lot, unless such construction is part of a multi-family development approved by the Planning Board and is a permitted use in the district. No lot shall be occupied or used for more than one principal use. One or more detached accessory buildings may be located on the same lot as the principal building provided that no more than twenty-five percent (25%) of the lot area, excluding the area occupied by the principal building, shall be occupied and that all other requirements are met. No chattel or structures (permanent, temporary or portable) shall be located within ten(10) feet of property lines (excluding fences). No accumulation of junk is permitted. No lot on which a structure is located shall be reduced or changed in size or shape so that the use fails to comply with these ordinances. This provision shall not apply when a portion of the lot is taken for public purposes. Site plan approval by the Planning Board is required for the following: Any non-residential use, any multi-family use, any Cluster Development.

Are you in favor of the adoption of Amendment 3 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 3: To change ARTICLE VII, section A, items 1 and 2, relating to frontage requirements and minimum lot size requirements, respectfully, in the Lakeside Residential District:

1. ARTICLE VII, section A, item 1 to read:

"Each lot shall have a minimum waterline frontage of two hundred (200) feet and a minimum frontage on its right-of-way of two hundred (200) feet. See ARTICLE X, Definitions."

2. ARTICLE VII, section A, item 2 to read:

"Minimum Land Area: No single-family dwelling or single-family manufactured dwelling shall be located on a lot containing less than forty three thousand, five hundred sixty (43,560) square feet. No such dwelling shall be located within fifteen (15) feet from any property line."

Are you in favor of the adoption of Amendment 4 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 4: To change ARTICLE IX, relating to Cluster Development as follows:

1. ARTICLE IX, section C, item 1 to read:

"Cluster residential developments may be permitted by Special Exception from the Board of Adjustment provided that the following conditions are met"

2. ARTICLE IX, Section C, item 1b to read:

"The maximum number of dwelling units in a cluster development shall be computed by subtracting the area required for public roads within the development, seventy-five percent of the area of any poorly-drained soils mapped as part of the Wetlands Conservation District, and any areas of open water, marshes or streams from the total acreage of the tract and dividing the remainder by the density permitted in the underlying district. The permitted number of dwellings shall be rounded up in the case of fractions of units."

3. ARTICLE IX, Section C, item 1c. Strike this item.

4. ARTICLE IX, Section C, item 1e to read:

"Each lot in a cluster development which abuts property that is not within the cluster development shall have a side or rear yard not less than the larger of the required side or rear yard required by the abutting property or the district within which the cluster development lies."

Are you in favor of the adoption of Amendment 5 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 5: To allow the insertion of new definitions for the following to ARTICLE X of the Zoning Ordinance:

Accessory building, Accessory use, Agriculture, Alley, Alterations - structural, Alteration, Amendment, Animal hospital, Apartment, Apartment - "in-law", Approved septic system, Area - lot, Area - building, Automobile repair shops, Basement, Bed and breakfast, Billboard, Building, Building line setback, Building line, Building height, Bulk storage, Carport, Cellar, Certificate of occupancy, Cluster development, Commercial vehicle, Commercial, Common land, Comprehensive plan, Conditional Use, Condominium unit, Conversion apartment, Covenants, Coverage - building, Density, District or Zoning district, Dormitory, Drive-in use, Dwelling, Dwelling units, Essential services, Family, Farm, Frontage, Garage - private, Garage - public, Gasoline station, Group residence facilities, Guest room, Hardship, Health care facility, High intensity soils map, Historic site, Home produce, products and crafts, Horticulture, Hospital, Hotel, Illuminated sign, Industrial, Institutions, Junk automobile, Junk, Junkyard, Kennel, Laundromat, Loading space or unit, Lot area, Lot depth, Lot lines, Lot of record, Lot width, Lot - interior, Lot, Manufacturing, Mineral extraction, Mobile home park, Mobile home, Motel, Motor vehicle dealership, Non-commercial outdoor recreational activity, Nonconforming structure, Nonconforming, Nursing home, Open space, Parking space, Planned residential development, Plat, Porch, Prefabricated or modular dwelling unit(manufactured), Principal use, Private club, Privately-owned school, Professional office, Public notice, Public-right-way, Qualified soil scientist, Recreation facility, Research and development laboratory, Restaurant, Riding academy, Right-of-way, Screen planting, Seasonal residence, Senior center, Setback, Sign, Special exception, Story - half, Story - height of, Story, Street line, Street, Structure, Subdivision, Subdivision - minor, Tourist home, Trailer, Use, Variance, Warehousing, Wholesaling.

Are you in favor of the adoption of Amendment 6 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 6: To reserve an Article of the Zoning Ordinance for the Historic District, but not to create a new Historic District and to number this Article XVII.

Are you in favor of the adoption of Amendment 7 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 7: To add ARTICLE XXI, SIGN ORDINANCES to the Zoning Ordinances as follows:

ARTICLE XXI, SIGN ORDINANCES to read:

"Internally illuminatd, gas filled tubular or flashing electric advertising signs are prohibited. Externally illuminated signs are permitted by Special Exception. No sign shall be closer that ten (10) feet to any public right-of-way and no closer than fifty (50) feet to any side property line. No free-standing sign shall extend more than fifteen (15) feet above the ground. No sign shall be placed in such a position as to endanger traffic by obscuring a clear view or by confusion with official signs or signals. Advertising billboards are prohibited. Advertising signs in the General Residential and Agricultural Districts shall not exceed six (6) square feet each. Advertising signs in the Commercial and Industrial Districts are not to exceed twenty-four (24) square feet each and their combined areas shall not exceed thirty (30) square feet. Signs pertaining to the lease or sale of a lot or building shall not exceed a total area of six (6) square feet or one sign for each two-hundred (200) feet of frontage and must be placed on the property offered for lease or sale."

Are you in favor of the adoption of Amendment 8 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 8: To allow the Planning Board to make spelling and syntax corrections to the text of the Zoning Ordinance.

Are you in favor of the adoption of Amendment 9 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 9: To allow the renumbering of all ARTICLES of the Zoning Ordinance to promote organization and sequence to the text of the document.

(Vote by official ballot.)

ARTICLE 3. Are you in favor of the adoption of Amendment 1 as proposed by the Planning Board for the Town of Harrisville Growth Management Ordinance as follows:

AMENDMENT 1: Section 5, paragraph g, Growth Permit selection process of the Growth Management Ordinance:

Add: "In the event that the full number of growth permits has not been granted by the end of a permit period, the Board of Selectmen is empowered to grant on a first-come, first-serve basis until the allowable limit for the preceding period has been filled."

Are you in favor of the adoption of Amendment 2 as proposed by the Planning Board for the Town of Harrisville Growth Management Ordinance as follows:

AMENDMENT 2: Section 7, Transferability:
Strike the last sentence of Section 7 of the Growth Management Ordinance and substitute the following:

"A growth permit granted on land which has been transferred within the previous 12-month period, cannot itself be transferred."

(Vote by official ballot.)

ARTICLE 4. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow money on the credit of the Town in anticipation of taxes.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$966.00 in support of the Monadnock Family Services.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of of \$3,000.00 in support of the services of Home Health Care and Community Services, with \$500.00 going immediately for membership fee and the rest paid as it is used.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$981.00 as the Town's share for the studies and operations of the Southwestern New Hampshire Regional Planning Commission.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the support of the Grand Monadnock Arts Council.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of Camp Holiday.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$1,640.05 as the Town's share of the operating budget of the 53-B Subdistrict Regional Refuse Disposal District approved by the Town under Article 3 - 1985 Town Meeting.

ARTICLE 11. To see if the Town will vote to authorize the Selectmen to accept gifts of land and other real property.

ARTICLE 12. To see if the Town will vote to authorize the Selectmen to issue Property Tax bills on a twice yearly basis, adopting R.S.A. 76:15-a.

ARTICLE 13. To see if the Town will vote to authorize the Selectmen to apply for, negotiate for, contract for, accept and do all things necessary to obtain such Federal, State, or other assistance (financial or otherwise) as may be available to the Town. (RSA31:95-b).

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$56,500.00 for Capital Reserve to be allocated as follows: Highway Equipment - 15,000.00, Landfill Closing - 22,000.00, Fire Equipment - 15,000.00, Police Cruiser - 2,500.00, and Tax Map - 2,000.00. (RSA 35:1)

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for the purchase of a Cives HP50 baler for plastics, newspapers, corrugated cardboard and aluminium cans, bale size 60" x 30" x 42-48", bales weighing 900-1200 lbs. for recycling.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the purchase of Lot 30-42-2, 2 1/2 acres from Edward Bottomley.

ARTICLE 17. To see if the Town will vote to designate the Sargent Camp Road as a Scenic Road under the provisions of R.S.A. 231:157. (By petition.)

ARTICLE 18. To see if the Town will vote to authorize the Selectmen to issue "Occupancy Permits".

ARTICLE 19. To see if the Town will vote to ask the Selectmen to accept the recommendations of the Sewer District Study Committee, with regard to the creation of an independent Sewer District in and around the Harrisville Village District, for the purpose of reducing the economic and environmental impact of ongoing sewage disposal and septic system problems.

ARTICLE 20. To see if the Town will vote to have the Selectmen negotiate with Public Service Company of New Hampshire for the possible purchase by the Town of Public Service land opposite the Town Landfill. Uses of the land by the Town might include: septic disposal, recreational, conservation and other uses to be determined by the Town.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 for the purchase of a one-ton, dump-body truck, with plow and to authorize the withdrawal from the Highway Equipment Capital Reserve Fund for this purpose.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$3,650.00 for the purchase of a Frink 609 CK 111 fixed angle one-way plow and to authorize the withdrawal from the Highway Equipment Capital Reserve Fund for this purpose.

ARTICLE 23. To see if the Town will vote to authorize the Selectmen to sell the Jeep pick-up which is in the Highway fleet.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to re-roof the Fire House.

ARTICLE 25. To see if the Town will vote to authorize the Selectmen to negotiate with the abutters to the Rail Road bed, Lot 20-77-2, for the purpose of allowing the use of the abuttment and roadway to the abuttment, with no liability or expense to the Town.

ARTICLE 26. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriation of same.

ARTICLE 27. To hear reports of Agents, Committees, and Officers chosen and pass any vote related thereto.

ARTICLE 28. To transact any other business that may legally come before this meeting.

Given under our hands and seal this twenty-first of February in the year of our Lord, nineteen hundred ninety-one.

January 8, 1991

Board of Selectmen
Town of Harrisville, New Hampshire

We have audited the financial statements of the Town of Harrisville, New Hampshire for the year ended December 31, 1990, and have issued our report thereon dated January 8, 1991.

In planning and performing our audit of the financial statements of the Town of Harrisville, New Hampshire for the year ended December 31, 1990, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

The management of the Town of Harrisville, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of polices and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories.

- Budget
- Cash and investments
- Revenue and receivables
- Expenditures for goods and services
and accounts payable
- Payroll and related liabilities
- Debt and debt service expenditures

For all of the control categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

We noted certain matters involving the internal control structure that we consider to be reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that could, in our judgment, adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of Town officials in the financial statements.

In certain instances the Tax Collector did not consistently follow the guidelines of the Commissioner of the New Hampshire Department of Revenue Administration in performing the duties of her office. We believe that the body of laws, regulations and guidelines promulgated by the State of New Hampshire provide an excellent system of internal accounting control for the tax collection function and we urge that it be consistently followed.

A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material to the financial statements may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be reportable conditions and accordingly, would not necessarily disclose all conditions that are considered to be material weaknesses as defined above. However, we do not believe the reportable condition described above constitutes a material weakness.

This report is intended for the information of the Board of Selectmen. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Vachon, Cleary & Co., PC

OFFICE OF SELECTMEN

We note with regret the passing of Wesley Tarr, who was the Town's Road Agent since 1966. He is much missed. We are pleased that Wesley, Jr. agreed to accept his father's position, and note that the highway crew is continuing the good work of recent years, including the resurfacing of Sunset Hill Road and re-ditching of Skatutakee Road on the south side.

Events of interest this past year include replacement of the bridge by the Library with a new timber span, enlargement of the Town Barn, and, of course, completion of the addition to the Wells Memorial School. Our thanks and congratulations to all who worked so hard to bring these projects to a satisfactory conclusion. In December, Highland Communications started the installation of cable TV in Town, and many homes are now on the system.

Our thanks to volunteers at the Landfill, for their many hours of labor, and to the townspeople, for their cooperation with the recycling program.

Our thanks, too, to the volunteers who serve on various committees, boards, and commissions, and to the Town employees, all of whom work to make Harrisville a good place to live.

The Selectmen

REPORT OF TAX COLLECTOR

I am pleased to have this opportunity to serve the residents of Harrisville and am excited about the prospect of the Town converting to semi-annual billing of the taxes. This will save the Town, as well as the taxpayer because the twice-a-year billing will help to keep the Town from borrowing monies to operate and, therefore, save substantial interest charges.

During these difficult economic times, it is sometimes hard to keep current on taxes. I would like the residents to know that they have the ability to make payments on their taxes and may reach me, Monday through Friday from 3:30 to 8:00 PM at 827-3307. Should this be inconvenient, please just contact me and I will be happy to set up an appointment to accomodate any schedule.

Meredith Ritchie,
Tax Collector

TOWN CLERK'S REPORT - 1990

There were fewer cars and dogs registered in Harrisville in 1990. Only 152 dog tags were issued, compared to 160 in the previous year. Some of that decrease may be due to older dogs passing on, but we have no way to verify that. There was a drop of 53 auto registrations during the same time period. Except for people moving out, and a declining economy I can find no good explanation for that phenomena either. Because of the overall decrease in revenue, I have become a New Hampshire Boat Agent. There is a part of the boat fee that can stay in the municipality where the registration is issued. I have not yet decided if I will sell bait, tackle, and fishing licenses...

There may be fewer cars and dogs in Harrisville, but there is no dearth of tiny children. The graduating class of 2002 from the new Wells Memorial School will certainly be a large one.

I plan to become a Municipal Agent in April, making the Town Clerk's office one-stop shopping for auto registrations and license plate decals. My hours will continue to be Monday nights, 7:30 to 9:00, and Wednesday afternoons, 4:00 to 8:00.

My thanks to Jean Girard for her continuing help, and my thanks to you in Harrisville for making this job so enjoyable.

Gretchen Poisson, Town Clerk

RECYCLING REPORT 1990

In 1990 we shipped out 10 containers of scrap iron and 7 of aluminium to Advanced Recycling in Concord. This was 52.697 Tons, at a cost of \$786.16. We got rid of 10 loads of newspaper. Some went for animal bedding and some was recycled into paper products. We also shipped out 3 truckloads of glass. For this, we received \$50.00.

Hopefully, if we can purchase a baler when we move into our new building, we will be able to bale cardboard, paper, and plastic. Equipment purchased this year included a used Towmaster Forklift at a cost of \$500.00.

Roland Knight, Recycling Chairman

FIRE DEPARTMENT REPORT FOR 1990

During the year your Fire Department responded to a record number (76) of emergency calls. A close look at the accompanying statistics clearly reveals both the variety and number of situations faced. Emergency Medical Service calls (30) continued to top all categories, while Mutual Aid responses numbered only four - reflecting a dramatic decrease from the previous year. I am happy to report that there was only minimal dollar fire loss and no related deaths or injuries.

Once again this year we were able to purchase several safety equipment items - including four Personal Alert Safety Systems (PASS) for our interior fire-fighters. We were also able to continue the "piece meal" approach to replacing protective clothing which meets NFPA 1500 standards. When it became obvious that operating budget limitations would not allow the purchase of badly needed radio equipment, the Fire Company voted to fund the necessary \$5,850. This gift to the town obviously enhances our capabilities - and helps save tax dollars. I'm grateful to both the Company and those who support the Annual Equipment Fund Drive.

As Chief, I am extremely proud of our department, and hope you also share this pride. The dedication and loyalty of our people is outstanding. During the year our emergency responses continued to be at a high level, both in number of responders and response time. Every Sunday morning the station is cleaned, and each piece of apparatus and its related equipment and radios are checked. Training continues to be a high departmental priority, in spite of the time requirements. During the year, our 28 members compiled over 1,000 volunteer man-hours in fire, rescue, hazardous materials and medical training. In this regard, I would like to recognize the contribution of Deputy Chief Ed Rogers, who for the past 15 years has coordinated this training. Ed gave up this segment of his responsibilities effective December 31st.

No finer moment is achieved in the fire service than when a life is saved. Last fall this department experienced both the challenge and exhilaration of such an event. In the hope that you too will want to share in our pride, I share with you the following highlights: At 2:02 AM on November 17th, we were "toned out" for a search and rescue call on Lake Skatutakee. The Dispatcher advised only that there was, "an unknown number of subjects in the water somewhere near #99 Hancock Road".

Thanks once again to our individual pagers, we had an excellent response (19), with units on the scene in nine minutes! Without trying to be too specific, let it suffice to say that with personnel functioning efficiently in all phases of the search, rescue, and

emergency medical services we were successful in saving the lives of three young men. They were transported to Cheshire Hospital by Marl-Harris and Keene ambulances. Most importantly it should be noted here that this effort undoubtedly would not have been successful without the help of Paul and Barbara Haggblad. Their alertness, personal assistance, and opening their home for the emergency care segment, were vital to the ultimate success. THE FIRE DEPARTMENT HIGHLY COMMENDS THESE CITIZENS FOR THEIR CARING AND ASSISTANCE.

And finally this. I feel compelled to once again emphasize the urgent need for more people to step forward NOW and join this department! Our current membership stands at 28 (on a 35-person roster). Two of these people are in the Limited Duty category, and we ultimately face the inevitable loss of some of our older, more experienced members. If this town is going to continue providing fire/rescue service to its residents, NEW MEMBERS MUST STEP FORWARD AND BE TRAINED TO FILL THESE VACANCIES!

Rand E. Duffy, Chief
Harrisville Fire Department

CONSERVATION COMMISSION

This past year's roadside cleanup was combined with a celebration of Earthday on April 22nd, 1990. It was most successful cleanup effort ever, and we hope to build on that success this year.

The Conservation Commission acts in an advisory capacity to the other town boards, and to the N.H. Wetlands Board. We spend a good deal of time reviewing Dredge and Fill applications for recommendations to the Wetlands Board. Dredge and Fill permits are required for any actions or alterations that take place below the high water mark in a body of water. These actions include the installation of dock pilings, replenishing or creating a beach, and dredging for boat access. Recent increases in application fees, and changes in the law, have made the goals of voluntary and even-handed compliance with wetland regulations a difficult task for the Commission.

The Commission has contributed to the ongoing town master plan review and update, and has sponsored a zoning change in the lakeside district. Although we have not successfully completed any land protection projects to date, we continue to work on this important issue.

Among the projects we hope to advance this year are improving the Monadnock-Sunapee trail in Harrisville, and working closely with the lake associations to protect water quality.

We look forward to working closely with our town boards in the coming year, and we thank the community for their support and encouragement.

ZONING BOARD OF ADJUSTMENT

Report to the Town of Harrisville
for the year ending December 31, 1990

The number of requests for variances or special exceptions we heard in 1990 was similar to that of the previous year. The Board heard one appeal for relief from an administrative decision of the Historic District Commission; this appeal was denied. Five request for variances were heard, of which four were denied. Rehearings were requested in two cases; only one was granted.

The most controversial hearing involved a special exception to permit a gravel pit operation in Eastview; after several public hearings this special exception was granted.

This year the Board adopted more formal Rules of Procedure, which will permit a greater consistency in the manner in which the Board business is conducted, even as the membership changes. The Board also voted to begin regularly scheduled meetings. At this time, the Board meets on the third Wednesday of each month. Meeting locations are posted, as are any applications which might be heard.

Respectfully submitted,

Charles Michal, Chairman

Lawrence Rathburn, Selectman
Libbey VanEtten
Linda Potter
George Saunders
John Stinchfield, Alternate

REPORT OF THE PLANNING BOARD

In a year which we all saw a down turn in the economy and particularly with a depressed real estate market, the Board fully expected to focus a great amount of time and energy on planning matters. However, this was not the case. The Board heard a large number of subdivision requests and was involved in a lengthy excavation application. I share the frustration of all Board members in not being able to accomplish more on important planning issues.

The planning issues that were addressed can best be characterized as housekeeping matters of a non-controversial nature. With much thanks to Charles Michal, we have an up-dated Zoning Map. The Board began the process of up-dating the Master Plan and we adopted Site Plan Review Regulations for Commercial and Multi-Family Housing. We have also presented for voters at this year's Town Meeting, a proposed amendment to the Growth Management Ordinance to allow the issuance of unused Growth Permits between application periods. In addition, we are presenting a reorganization of and clarification of the Zoning articles.

My sincere thanks to the dedicated Board members, our administrative secretary and interested Townspeople who make the Planning Board process work.

Jay Jacobs, Chairman

POLICE REPORT 1990

1990 was an average year for the Police Department. Serious crime was down and petty complaints were up.

We still have a problem with personnel on the Department which I attribute to the lack of office space for Officers to work out of.

I will try to give the Town the proper coverage that is needed, the best way possible with the lack of help and facilities. I do have to ask your understanding that there will be times your Police Department will not be able to cover every complaint.

At this time I would like to thank the Fire Department, Sheriff's Department and the Taxpayers for all their help in the past year.

Michael Sundstrom, Chief of Police

MARL-HARRIS AMBULANCE REPORT 1990

As the doors of 1990 closed, Marl-Harris had chalked up 156 runs, put on nearly 3100 miles transporting to Cheshire Hospital in Keene, Monadnock Community Hospital in Peterborough and Hitchcock Hospital in Hanover. There were 152 emergency patient transports which included 17 accidents (boating, OHRV, pedestrian, motor vehicle and motorcycle), 7 transfers under doctor's orders, 8 no transports, 1 drill, 1 parade and Harrisville Old Home Day.

In-house training is more necessary than ever. Outside training and new classes are getting fewer, due to lack of instructors, state financial aid being cut off, which results in higher costs per class that now must be paid for by the squad or the individual. We have a mandatory 6 month refresher on defibrillation, there are annual and biannual refreshers with written and practical testing in order to be licensed, there is a 48+ hours of mandatory continuing education biannually for EMT's etc.. Therefore, in-house training has become even more important than ever.

We wish to thank the Fire Departments, Police Departments and Selectpersons of both towns for their assistance. A big thanks to Ed Wheeler who continues to keep us on track with insurance and to Police Chief Bashaw for his efforts to have police on the scene on many of our runs. His assistance has been of great value, for which we are most grateful.

To the townspeople who support us monetarily, give us moral support and care, a very special thanks because you make the difference.

Geri Dunn,
Marl-Harris Reporting Officer

REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER

During calendar year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control, and rekindled fires. All of these fires are preventable, but only with your help.

Please help your Town and State forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hookset.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System(ICS), an incident management system for all types of emergencies. In 1991, the Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

Forest Fire Statistics - 1990

	State	District	Town
Number of fires	489	51	1
Acres burned	473	15.5	spot

Robert Stewart, Forest Ranger
Alton Chamberlain, Forest Fire Warden

HISTORIC DISTRICT COMMISSION

The Historic District Commission (HDC) received, reviewed and acted upon twenty applications for repairs, renovations and remodeling from property owners in the District during the past year.

In August the Historic District Commission adopted a set of guidelines for skylight windows. The Commission worked for over a period of several months with a historical preservation specialist. In addition, we reviewed guidelines available from national and state historic agencies and heard input from residents. The purpose of the new guidelines is to have in place a set of common criteria by which all future skylight applications to come before the HDC can be considered. Residents wishing to obtain a copy of the guidelines can contact the HDC or the Selectmen.

All property owners within the Historic District are reminded that you must make application to the HDC before undertaking any work on your property, including repairs.

One member of the HDC, Paul Harris, resigned during the last year. The board members of the HDC, and the community as a whole, are indebted to Paul for his years of dedicated service to the Commission. He was particularly helpful to us all in his efforts to establish uniform guidelines for use in the deliberations of the HDC.

Finally, each of the board members deserves a special note of thanks for their many hours of dedicated service to the HDC. Many hours go into preparing for meetings and reviewing the applications that are received.

Members of the Board of the Historic District Commission include:

Dan McWethy	Henry Taves
Leslie Voiers	Peter Temple
Marilyn St. Peter, for the Selectmen	

Respectfully submitted,
Janet Calhoun, Chairman

HARRISVILLE PUBLIC LIBRARY

Using the interest money from its Bemis gift, the Library made another major equipment purchase - a Hyundai computer, complete with printer and modem. It is being used to update our patron registration file, calculate circulation statistics, do general clerical work, and with the modem, search the State Union Catalog for interlibrary loan requests. Book orders will be electronically processed and overdues will be handled in a more timely fashion.

Our holiday craft program for young patrons has been expanded to include Valentines, May Baskets and a Friendship project. Youngsters eagerly participated in our Summer Reading Program, "The Little Engine That Could". And the Annual Library Tea and Book Sale added to the festivities of Old Home Day.

Members of the Monadnock Writers' Group presented a poetry reading this past Winter. Wooden radios from the thirties and forties proved to be a popular exhibit. We thank Leandre Poisson for sharing his collection with us. If you have any suggestions for programming or exhibits, please let us know. We are always looking for new ideas.

With 187 volumes added, and 35 withdrawn, the Library now has 5145 volumes in its regular collection. We have also acquired 11 books on tape from an anonymous donor. Best sellers are always a welcome addition to the Library, but this year's winner is our collection of 41 video tapes. In addition to books and tapes the Library also has available 20 magazine titles. The Peterborough Town Library provided us with 144 titles on long-term loan. It also filled 9 special requests. The New Hampshire State Inter-Library Loan System filled 5 requests. Circulation for the year was 7676.

Thank you for your support. A special thank you to our Volunteers.

The Library Staff and Trustees

Sewer District Study Committee Report

Shortly after last year's Town Meeting, we drafted a proposal that asked for the services of an engineering firm to prepare a sewer district feasibility study.

This proposal was sent to six engineering firms asking them to submit their recommendations for suitable collection and treatment systems for the immediate village area. After meeting with each firm and reviewing their proposals, the firm of Costello, Lomasney & deNapoli, Inc. (CLD) of Manchester, New Hampshire was selected.

A number of collection and treatment systems were discussed with CLD including:

1. Conventional sub-surface leach fields
2. Treated sewage surface water discharge
3. Lagoon/Marshland discharge
4. Aquatic treatment greenhouses

Because of the difficult terrain, ledge content of the soils, and fragile wetland areas that surround the village, easy septic treatment applications are difficult.

A large conventional sub-surface leach field system was finally chosen since it was the least expensive and offered the least impact to the environment. A parcel of land opposite the town dump and owned by PSNH was identified as potentially suitable for a sub-surface system large enough to receive flow from most of the village.

After further field tests, the final feasibility study has been completed. CLD has suggested that additional field investigation needs to be completed to ascertain if the identified parcel is as appropriate as it now seems.

HARRISVILLE OLD HOME DAY 1990

Harrisville Old Home Day was scheduled for Saturday, August 11, 1990. Unfortunately, the rains came, and with the exception of the Street Dance, which quite a few brave souls attended, all other activities were postponed to Sunday.

It turned out to be a perfect day. The activities started off with a parade from Johnson's Field and around the Town, and past a reviewing stand where the Judges carefully deliberated on all the entrants and awarded ribbons. The Judges were Jennie Main, Gertrude Richardson, Toivo Saari, Richard Upton, and Foster Wilder. Also on the reviewing stand were out two honored guests, Anna Trudelle and Frankie Laine. John Stinchfield was the Grand Marshall for the parade. Following the parade, there was a delightful concert by the Jazz Express. While the concert was being enjoyed, hot dogs, soda, and pop corn were available at the food table. Small children played games and received prizes. Balloons, face painting, and pony rides were other highlights of the day for small fry. For adults, there were tables of crafts with many interesting items for sale. In the afternoon, the annual Library Tea and Book Sale was held. Finally, in the late afternoon, a Children's Pet Show was featured and this was so much fun for the little ones.

Activities were ongoing at Johnson's Field. Historic Harrisville had a most informative display. Games, such as, Tug-of-War, sack races, horse shoes, and volley ball, kept the teenagers busy. The Firemen served their delicious Bar-B-Que and the Marlborough Town Band put on a wonderful band concert. The drawing for the raffle prizes ended the festivities at Johnson's Field.

The Committee wishes to thank all the volunteers who gave of their time and talents and made this such a fun and successful event.

ASHUELOT VALLEY REFUSE DISPOSAL DISTRICT 53B
SOUTHWEST SOLID WASTE MANAGEMENT DISTRICT 149M

This has been a disappointing year for the two districts. After major costs for professional consultation and requests for proposals, and extensive study of the results, 149M recommended to 53B further investigation of Bedminster Bioconversion as the least expensive and most efficient composting process that would also result in the least environmental objections to Trash Management.

On November 20, 1990, 53B voted 15 - 3 to negotiate with Bedminster after a resolution of support is received from Keene. The city, along with 7 towns using its landfill, representing about half of the district waste, has reservations about the composting process and is under state orders to close its landfill by November 1992. They currently favor hauling trash to another location.

The District is therefore rethinking its options, since losing a major participant affects tonnage, fiscal support, and, consequently, final cost per ton to any vendor.

In the meantime, we must improve our recycling and we again recommend staying in the District to take advantage of any major plan and cost benefits that are possible. It should be noted also that before leaving the District, the Town would be required to present its own plan to solve its solid waste disposal. The State can also summarily order that any landfill be closed at an earlier date.

Respectfully submitted,
Louis C. Carey, Delegate
John W. Sutcliffe, Alternate

MONADNOCK FAMILY SERVICES
Town of Harrisville

Monadnock Family Services provides a full range of treatment for individuals who need counseling or who are experiencing a mental disorder. There are no restrictions based on diagnosis or age, and we continue to offer services to clients with little or no income. The Peterborough District Office is open five days and three nights every week. The Jaffrey District Office is open three days and one evening each week. We provide 24 hour emergency services, 7 days a week, 365 days a year. As a part of the coverage, Monadnock Family Services staff also provide crises services to Monadnock Community Hospital emergency room and to patients admitted to the medical units upon physician request.

It is our goal to maintain quality services to residents of our catchment area, and to provide for the identified counseling needs of the community.

Last year the Monadnock Family Services served over 840 individuals in your area with more than 16,884 visits for direct treatment. Also available through our agency are psychiatric, case management, housing and day treatment services. This figure is reflective of open cases and does not contain those individuals who may have been seen as adjunct member of treatment (i.e., family members, school personnel, legal or other sources of referral).

This past year for the Town of Harrisville we provided 810 visits for direct treatment. Of the 38 open cases, 14 were male and 24 were female, 8 were under the age of 18, 27 between the ages of 19 and 59, and 3 were 60 or older. Five of these were certified as chronically or severely mentally ill, as per New Hampshire Department of Mental Health guidelines. The average fee for service, paid for by the client, was \$.90 per hour. Primary referral sources were as follows: self-referred, physicians, social service agencies, schools, and courts, in that order.

The dollar amount requested from your Town to help us continue offering these services is arrived at by multiplying the 1990 Census Bureau population figure by \$1.00. This per capita amount includes no increase from last year despite significant funding cuts by the State of New Hampshire. The amount we are requesting is \$966.

MFS Adult Care Center was open over 870 hours in 1990, with an average daily attendance of approximately 18 clients. Therefore, we provided over 15,660 hours of service to elderly residents and their families. Many of the clients in the program have Alzheimer's Disease or related illnesses due to aging.

We thank you for your support.

HOME HEALTH CARE AND COMMUNITY SERVICES, INC.

In 1990, Home Health Care and Community Services continued to provide home care and community services to the residents of Harrisville. The following information represents a projection of HHCCS's activities in your community in 1990. The projection is based on actual services provided from January through September 1990 and an estimate of usage during October, November and December.

SERVICE REPORT

SERVICES OFFERED	SERVICES PROVIDED	SERVICES SUPPORTED PARTIALLY OR TOTALLY BY THE TOWN
Nursing	24 visits	13 visits
Physical therapy	25 visits	0 visits
Homemaker	21 hours	21 hours
Home Health Aide	27 visits	0 visits
Office visits	3 visits	2 visits

Total unduplicated residents served: 13

Categories of services also available include child health nursing, speech pathology, occupational therapy, medical social worker, and nutritionist.

In addition to the above activities, regularly scheduled blood pressure clinics, child health clinic, and telephone consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1990 with all funding sources is projected to be \$4,508.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your Town. In 1990, Town support is projected to be \$1,140.00.

For 1991, we recommend an appropriation of \$3,000.00 to continue home care services at the current level.

Thank you for your support.

GRAND MONADNOCK ARTS COUNCIL

The Grand Monadnock Arts Council began 14 year ago as part of a national Bicentennial project. From the beginning it was the founders' intention to create an organization that filled a perceived cultural need in the community of the Monadnock region and which would continue long past the Bicentennial celebrations. So it was that this organization came into being and it continues today to advocate, promote, and support the arts throughout the region.

Arts for Special Audiences is a grant-funded program through the Monadnock United Way, the New Hampshire State Council on the Arts and the National Endowment on the Arts. We arrange and pay for performing and visual artists to perform for those citizens who are unable to attend publicly presented events because of issues concerning physical and/or mental health, age and economics.

Arts in Public Places provides local and regional visual artists the opportunity to display their work in various facilities that attract the public. Current locations include the Cheshire County Courthouse, the Peterborough Savings Bank and the Folkway.

First Night Keene is a community-wide celebration of the New Year that offers a range of positive alternatives to traditional New Year's revelry and broadens the public's appreciation for the performing and visual arts, drawing on the talents of local and regional artists. The Arts Council has the responsibility of producing the event, working with local city government, non-profit agencies, civic groups, public schools, churches and local retailers and businesses and a cadre of volunteers from the region.

The Arts Council serves as an Arts information and referral service and as a booking service for private parties, clubs, corporations, schools, towns and anyone seeking the services of local and regional artists.

The Grand Monadnock Arts Council is continually working to live up to its name as regional arts agency. We do need and greatly appreciate your support. Thank you for your support in 1991. If you have any questions, please feel free to call.

Historic Harrisville, Inc.

Report for 1990

The high point of last year was our hosting the town's Old Home Day- firemen's picnic in the Johnson field. This was a celebration of our efforts to conserve one of the most critical open spaces in town and the beginning of the public's use of it. The town picnic is just the kind of use we had envisioned for the site and we are happy that so many people expressed their pleasure in being there. The event gave us an opportunity to display some of the artifacts that Roberta Wingerson and Craig Brown have been collecting in town and to introduce people to our organization. We appreciate the efforts of firemen to insure the success of what has become an important town event and we are happy that we could make the field available.

We have begun the restoration of the Abel Twitchell House (formerly Herb and Alma Allen's) and we hope to complete the initial stages during the summer of 1991. The National Trust for Historic Preservation is helping us finance this work through a low interest loan that we were awarded last year. The archaeological survey work that we have done on the site has raised questions in our minds that the structure may not in fact be as old as we have always assumed. Further investigation will hopefully give us a clearer idea of how and where the Twitchell property was developed when the town was first settled. Our plan is to put the house on the market once the initial, mostly exterior, restoration work is complete.

On October 28th, we observed the 20th anniversary of the closing of the Cheshire Mills by inviting all former employees to a reception at the Harris Sorting and Picker House. The day included tours of Filtrine and Harrisville Designs and a group discussion about what it was like working at the Cheshire Mills. It was a very successful event and has put us in touch with many people who shared in an important part of the town's history.

Organizing and cataloging information and artifacts in the Archives continues. We are thankful for all the donations people have made to our collection and we welcome anyone who has photographs or information to share them with us. We can easily copy photographs so your treasures can become part of our collection and still remain in your hands.

Historic Harrisville, Inc. is a public, non-profit foundation and we welcome anyone to join us in our work or at our meetings that are usually held on the last Saturdays of October and April.

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at the Wells Memorial School in said District on the 12 day of March, 1991, Ten O'Clock in the forenoon to bring in your votes for the election of school district officers. The polls will be open at 10:00 a.m., nor close earlier than the time of closing the polls for the election of town officials.

ARTICLE 1. To choose all necessary school district officers:

- A member of the school board for the ensuing three years
- A moderator for the ensuing year
- A clerk for the ensuing year
- A treasurer from July 1, 1991, for the ensuing year
- An auditor for the ensuing year

Given under our hands at said Harrisville, this 12th day of February, 1991.

Alton A. Chamberlain, Chairman
Earl H. Horn
Robert Kingsbury

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

Phillip G. McCormack, Ed.D
Superintendent of Schools

STATE OF NEW HAMPSHIRE
SCHOOL WARRANT

To the inhabitants of the school district in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at the Wells Memorial School in said District on the 12 day of March, 1991, at 6:00 p.m. to act upon the following articles:

- ARTICLE 1. To hear the reports of agents, auditors, committees or officers chosen, and to pass any vote relating thereto.
- ARTICLE 2. To see if the District will vote to authorize the school board to expend, without further action by the School District Meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the 1991-1992 school fiscal year provided that such expenditure be made for purposes for which a school district may appropriate money, and that such expenditure not require the expenditure of other school district funds. Further, that the school board hold a public hearing prior to spending such money (pursuant to R.S.A. 198:20-b).
- ARTICLE 3. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the District.
- ARTICLE 4. To choose agents and committees in relation to any subject embraced in this warrant.
- ARTICLE 5. To transact any other business which may legally come before this meeting.

Given under our hands at said Harrisville, this 12th day of February, 1991.

HARRISVILLE SCHOOL DISTRICT MEETING
Wednesday, March 7, 1990

The Harrisville School District Meeting was opened at the Wells Memorial School at 7:00 p.m. by Moderator Jane Dunn.

ARTICLE 1: To see if the District will vote to appropriate the sum of One Million, One Hundred Ninety-Seven Thousand, Five Hundred (\$1,197,500.00) Dollars for the purpose of designing, constructing an addition, renovations to the Wells Memorial School, and related costs, in accordance with plans and specifications on file with the Office of the Superintendent of Schools in Keene, New Hampshire, and to raise One Million, One Hundred Forty-Four Thousand, Five Hundred (\$1,144,500.00) Dollars by the issuance of bonds or notes of the District, pursuant to the provisions of R.S.A. 33, the terms and conditions of said bonds and notes to be determined by the school board, and by transfer of Fifty-Three Thousand (\$53,000.00) Dollars from available Capital Reserve Funds. And further, to specifically appropriate and authorize the District to expend any funds that may be acquired as a result of the issuance of the bonds including premiums or interest on the funds used for any purpose directly related to the building addition and renovations, or take any other action in relation thereto.

Motion moved and seconded that the District appropriate the sum of \$1,197,500.00 for the purpose of designing, constructing an addition and effecting renovations to the Wells Memorial School, in accordance with plans and specifications on file with the Office of the Superintendent of Schools in Keene, New Hampshire, and to raise said sum by the issuance of bonds or notes of the District in the amount of \$1,144,500.00 pursuant to the provisions of R.S.A. 33, the terms and conditions of said bonds to be set by the school board, and by transfer of \$53,000.00 from the Capital Reserve Fund established by the voters of the District at its annual meeting held March 11, 1986, and to specifically appropriate and authorize the District to expend any funds that may be acquired as a result of the issuance of the bonds including premiums or interest on the funds used for any purpose directly related to the building addition and renovations.

A short discussion followed a presentation by the Building Committee and the architect.

Ballot vote by checklist on Article 1 was opened at 7:50 p.m.

ARTICLE 2: To hear the reports of agents, auditors, committees or officers chosen, and to pass any vote relating thereto.

A motion was moved and seconded that the District receive the report of agents, auditors, committees and officers chosen as printed in the annual report.

The Moderator pointed out that the printers had omitted the March 20, 1989 minutes in the Warrant. Copies of these minutes were made available to the public.

The motion was passed.

ARTICLE 3: To see if the District will vote to authorize the school board to expend, without further action by the School District Meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the 1990-1991 school fiscal year provided that such expenditure be made for purposes for which a school district may appropriate money, and that such expenditure not require the expenditure of other school district funds. Further, that the school board hold a public hearing prior to spending such money (pursuant to R.S.A. 198:20-b).

A motion was moved that the District adopt Article 3 as printed.

The motion was seconded and passed.

ARTICLE 4: To see if the District will authorize the school board to transfer all or any portion of its unencumbered surplus funds, if any, remaining on hand at the end of the fiscal year, June 30, 1990, to the Capital Reserve Fund established by the voters of the District at its annual meeting held March 11, 1986, under Article 6 for the purpose of financing construction or reconstruction of building and grounds at the Wells Memorial School.

Motion to pass over Article 4 until after the Bond Issue ballots were counted.

Motion was seconded and passed.

ARTICLE 5: To see if the District will vote to raise and appropriate the sum of One Hundred Thousand (\$100,000.00) Dollars to be placed in the Capital Reserve Fund, established on March 11, 1986, for the purpose of financing construction or reconstruction of building and grounds at the Wells Memorial School, or to take any other action in relation thereto.

Motion to pass over Article 5 until after the Bond Issue ballots were counted.

Motion was seconded and passed.

ARTICLE 6: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the District.

Motion to pass over Article 6 until after the Bond Issue ballots were counted.

Motion was seconded and passed.

ARTICLE 7: To choose agents and committees in relation to any subject embraced in this warrant.

Motion was made to table Article 7.

Seconded and passed.

ARTICLE 8: To see what action the District will take in relation to the following resolution:

We, the residents of the Harrisville School District, find the State of New Hampshire to be negligent in the funding of public education, thus creating an undue burden on the local property taxpayers. We demand that the State of New Hampshire Legislature begin in earnest to study methods for substantially increasing state aid to education.

Motion was moved that the District approve this resolution, by a show of hands, and that the results be recorded and sent to the Governor and the Legislative leadership.

Motion passed by a show of hands with no descending votes and so declared.

ARTICLE 1: Polls were closed at 9:10 p.m. A two-third's vote was needed: 257 votes were cast, 198 - yes, 59 - no. Article 1 was passed.

ARTICLE 4: Moved to pass over, seconded, and passed.

ARTICLE 5: Moved to pass over, seconded, and passed.

ARTICLE 6: A motion was made and seconded that the District raise and appropriate the amount of Nine Hundred Fifty-Thousand, Eight Hundred Seventy (\$950,870.00) Dollars for the support of schools, the payment of salaries of school district officers and agents, and for the payment of the statutory obligations of the District.

A discussion followed and a motion to amend the article to include in the budget an additional \$400.00 to the school board's expenses, that \$400.00 be passed along to the Claremont School District to support their legal challenge against property taxes as a way of funding education. The motion passed.

A motion for the amended article to read Nine Hundred Fifty-One Thousand, Two Hundred Seventy (\$951,270.00) Dollars was seconded and passed.

ARTICLE 9: To transact any other business which may legally come before this meeting.

Motion was moved that Wells Memorial School be made available for town or townspeople use subject to rules or regulations established by the school board.

The motion was seconded and passed.

The school board made recognition of the years of service made by Charles (Chuck) Larracey.

A plaque was presented to Ralph Rieth by the school board for his three years of service as a board member.

A motion was made and seconded that the meeting be adjourned.

Meeting was adjourned at 9:50 p.m.

Respectfully submitted,

Charlotte Chamberlain, Clerk
Harrisville School District

ADMINISTRATIVE REPORT

The completion of the Wells Memorial School addition this year certainly has been exciting and culminates the efforts of so many people within the school community. The generosity and support of the Harrisville voters has provided necessary space for the school program and community activities. This new addition will be a source of pride for many years to come.

The school staff, under the able leadership of Dotty Frazier, continues to provide quality instruction to all students and certainly is excited about the new space and its potential. Preparations are being made for the implementation of the Kindergarten program next fall. Having the Kindergarten children as a component of the public school program will be advantageous in terms of continuity of instruction for Kindergarten through grade six, and will allow the entire staff to better understand the needs of this most important group of children.

I extend my appreciation and thanks to the Harrisville School staff for their efforts on behalf of the Kindergarten children over the past years. Their cooperation and understanding during this transition period was most helpful.

The future of the Harrisville School District certainly appears to be bright and I am confident that the voters will continue to support all of the many positive aspects of the school program on March 12th and throughout the year.

Mark Genovesi
Assistant Superintendent for Towns

PRINCIPAL'S REPORT

We opened the 1990-1991 school year with 75 students. Currently there are 72 students enrolled in the following grades:

Grade 1	5 students
Grade 2	17 students
Grade 3	13 students
Grade 4	9 students
Grade 5	19 students
Grade 6	9 students
TOTAL	72 students

Our teaching staff is as follows: Multi-age - Patricia Gould and Jeanette Yardley; Grades 4-5 - Karin Pratt and Kathleen Frick; Grade 6 - Dorothy Frazier; Special Education - Alexandra Heatley; special needs aide - Katherine Staples. BeAnn Lake continues to be our secretary and library aide, and Edward Beauregard continues to be our custodian. Monica Bemis has joined our staff as our new cook.

We have continued to use our Chapter II federal grant money to purchase useful and needed equipment. This year we are purchasing a "Grow Lab" for the intermediate science program, an overhead projector, and a new set of encyclopedias.

With the cooperation of the Combined Parish, we were able to offer a successful summer program to our students needing intervention in the reading-related areas. We were unable to have the program at Wells Memorial because of the construction project. The Combined Parish allowed us to make arrangements to use the Blombach Chapel. Our students, under the guidance of their teachers, Miss Heatley and Mrs. Gould, were able to enjoy being in the center of town. Many thanks to the Combined Parish, and we also thank Connie Boyd for facilitating our use of the town's library.

Our students and staff, along with the entire community, watched and waited with anticipation as the addition to Wells Memorial was completed. The project was finished on time, and is now being used in its entirety. It has been a thrill to our young people to be able to eat lunch together and to have physical education classes in the multi-purpose room. Our speech therapist and other related service people have enjoyed having a quiet, private place to offer their individual instruction. We are using the Kindergarten space as a music/art room for the remainder of the school year. We are looking forward to the Kindergarten program joining our school in September.

We are looking forward to sharing the additional space with the community. It is our hope that many of you will be able to join us for special events and programs.

On behalf of the entire staff,

*Dorothy Frazier, Teaching Principal
Wells Memorial School*
