Cover Picture--The Old Meeting House at Jaffrey Center has been aptly termed the town’s "proudest possession". It stands a unique symbol, having been raised less than two years after Jaffrey was formed with full power to assess taxes. Its raising in June, 1775, during the Battle of Bunker Hill, was the town’s first community project. The ceremony was typically both impressive and gay. John Eaton stood on his head on the ridgepole. The building has been improved or restored several times, most recently in 1923. Its tower is lighted at night, now, by vote of the 1958 Town Meeting.

REPORT OF THE SELECTMEN

The year 1958 has passed, and we respectfully render the following report to the taxpayers and citizens of Jaffrey.

Mr. Albert J. Morin, who has served as our Secretary as well as Town Clerk and Town Treasurer, resigned as of September 1st, and has moved to his new home in Tucson, Arizona. Mr. Morin was a very efficient and conscientious public servant and we greatly regret his leaving, but we are fortunate in obtaining Mr. Jason C. Sawyer in his place.

The Christmas lighting of the streets of Jaffrey and Jaffrey Center was accomplished by the committee appointed for that purpose and we feel they rendered a service that was highly commendable and we sincerely hope they will continue with this program again this year.

The widening of the Main Street Bridge has been completed, eradicating the "bottle neck" which existed before. It was a very difficult and slow process in removing the cement rail but we are sure that due to the good planning of our highway agent, Mr. Henry Belletete the entire undertaking cost much less than it would have, had it been placed out to bids to some outside contractor. It gives the whole street a better appearance as well as providing much needed additional space for traffic and parking.

Town Road Aid was applied on the road leading from Gilmore Pond westward, to the Fitzwilliam Road and a great improvement was made beginning at the Pond and extending to a point near the residence of Mr. Harold Ixoyce. This road accommodates quite a volume of traffic, especially in the summer months, and it also is a school bus and mail route. We trust that this improvement will be of great benefit to the people in that area.

Peterborough Street was finally completed and where trees had to be removed young trees have been planted by a committee appointed for this purpose. This committee, consisting of Mr. Ray Whitehead, Mr. Charles Chamberlain, Mr. David Sawyer, Mrs. Ann Gordon and Mr. Homer Forcier did a commendable job and we deeply appreciate not only their generosity in giving their time, but also the public spirited attitude they displayed.
The sewer project is about finished, except for the completion of the lagoon. The pumping station, adjacent to the lagoon, is about completed, and considering the purpose of this type of equipment, it appears to us to be an attractive looking building, both inside and out.

In the process of the arrangement for the bond issue to pay for the sewer project there was considerable delay due to an error beyond our control, and because of this delay we were extremely irritated, but when all the legal aspects were overcome we found that we could get a lower rate of interest on the bonds than we could have obtained had we been able to float them at the previously expected date. Due to this incident the Town will save a very substantial sum of money in interest charges on these bonds. This just goes to show that what sometimes appears to be an oppression is simply a blessing in disguise.

We deeply appreciate the co-operative spirit that exists on the part of all the departments with the Selectmens Office, and we are proud to say that these departments are as efficiently managed as any we know of, and we are grateful for the support given us by the citizens of Jaffrey.

Selectmen of Jaffrey
TOWN MEETING WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Jaffrey, in the County of Cheshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Conant High School Auditorium on Stratton Road, in the village of Jaffrey, in said Town on Tuesday, the tenth day of March next, at nine o'clock in the forenoon, (polls to remain open until six o'clock in the afternoon) to act upon the following subjects:

Article 1. To choose a Town Clerk, Selectman for three years, Tax Collector, and all other necessary Town Officers.

Article 2. To hear all reports except that of the Budget Committee, and act thereon.

Article 3. To hear the report of the Budget Committee, and to raise and appropriate such sums of money as may be required for the support of the poor, building and repairing highways and bridges, fire department, police department, Memorial Day, street lights and all other town charges.

Article 4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 5. To see if the Town will vote to close the Contoocook Lake Road subject to gates and bars at a point east of the bathing beach, or act in any other way relating thereto. (By petition)
Article 6. To see if the Town will vote to raise and appropriate a sum not to exceed $1200.00 to widen and improve Stratton Road from the Boston & Maine Railroad tracks to the intersection of Ellison Street.

Article 7. To see if the Town will vote to have a committee appointed to investigate the need of a parking lot, and to have the committee secure prices from property owners for possible parking lots, or to act in any way relating thereto. (By Petition).

Article 8. To see if the Town will raise and appropriate a sum of money not exceeding $800.00 for the purpose of graveling, draining and surfacing 400 feet on Bradley Court, or act in any way relating thereto. (By Petition).

Article 9. To see if the Town will vote to sell and convey to the Monadnock National Bank, a banking corporation with a place of business at Jaffrey, all the right, title and interest, if any, it may have in, to, or over any portion of the land bounded on the south by Main Street, on the west by North School street, on the north by land of Goodnow Bros. Co., on the east by a right of way extending from said Goodnow land to Main Street, and more especially to a strip of land extending from North School Street eastwards to the aforementioned right of way over, through, or bounded by land of said Monadnock National Bank; and to authorize the Selectmen to execute, acknowledge and deliver in the name of the Town a deed thereof in such form and description as to them shall appear proper and to accept the sum of Fifty Dollars in payment thereof, or to take any further or other action in the matter.

Article 10. To see if the Town will vote to raise or appropriate a sum of money to continue construction of side walk from front of residence of Raymond J. Desmarais to Ridgecrest Road, or to act in any way related thereto. (By Petition).
Article 11. To see if the Town will vote to authorize the Selectmen to sell the parcel of Swamp land adjoining Lake Contoocook to Armand DelRossi, said land being on the corner of the Lake Road and Woodbound Inn Road, or act in any way relating thereto. (By Petition).

Article 12. To see if the Town will vote to raise and appropriate the sum of $147.60 for the installation of six (6) street lights on Old Peterborough Road, beginning at a point near the residence of Arthur G. Paradise and continuing along said road to the Letoile house. (By Petition).

Article 13. Shall the provisions of Chapter 287 of the Revised Laws of 1955, annotated, relating to games of Beano be accepted in this Town?

Given under our hands and the seal of the Town of Jaffrey this 20th day of February, A. D. 1959.

This fund was left to School District No. 8 by the will of Amos Fortune for the use of that school (located on the site of the present home of Armand DeGrandpre), and was used by that District as long as it existed as a sub-division of the town’s educational system. When the districts were abolished, and became consolidated under the Jaffrey School District a special act of the Legislature provided that the fund become the property of the town, with the income to be used still for the No. 8 school.

After the closing of the No. 8 school the income of the fund was allowed to accumulate, although a Judicial decision rendered the income available for general school purposes.

The Town Meeting in March, 1938 adopted the following motion: Voted, "That when the so-called Amos Fortune Fund shall have reached the amount of One Thousand Dollars, the Selectmen be and hereby are authorized and directed to pay to the School District, the annual income of said fund, to be awarded for prizes to pupils of the seventh and eighth grades and the High School, for annual contests in public speaking, to be held under the direction of the School Board, to be open to the public without charge, and to be known as the "Amos Fortune Prize Speaking", also to establish and maintain a series of prize spelling matches for pupils of the lower grades, upon such conditions as the School Board may prescribe.

SCHOOL DISTRICT REPORTS
The District One schoolhouse, which still stands beside the Turnpike Road, was the third one built for that district. The first, raised in 1788 or soon after, was only twelve by sixteen feet. The second, raised in 1797, cost $16.50. It burned in 1814 and the present building was completed two years later.

(Above left) The District One schoolhouse as it appeared while still in use. The original of this picture is owned by Judge Jason C. Sawyer.

This building, the Little Red Schoolhouse, is located about one mile from Jaffrey Center on the Dublin Road. It is 20 feet by 22 feet and was built in 1822 by David Gilmore Jr. at a cost of $200.00. Its use was discontinued in 1887. It contains some of the original benches, is now owned by the Town and kept in repair. Teachers here received as high as $1.25 per week in cash, and were "boarded around".
Melville Academy opened its doors as a private school in 1834, its incorporation papers having been signed by New Hampshire's only President, Franklin Pierce, who was then speaker of the House of Representatives.

It continued as a private school until about 1857, was empty for a few years, and became Jaffrey's District Seven schoolhouse in 1863. It housed Conant High School from 1870, when it was founded, until 1897.

This Academy is located in a quiet village at the base of the Monadnock, and is happily removed from those excitements, which are so apt to divert the minds, and corrupt the morals of young students.

COURSE OF STUDIES.

CLASSICAL DEPARTMENT.

The necessity of a thorough study of the classics has been deeply felt, and often urged upon those who have been preparing themselves for higher seminaries of learning.

In Latin, the text books have been,—Adams's, or Andrews's and Stoddard's Grammar; Andrew's Reader; Ainsworth's, or Leverett's Lexicon; Leverett's Tutor; Anthon's Horace; Sallust; Cicero's Select Orations; Gould's, or Cooper's Virgil; Anthon's Classical Dictionary; Folsom's Livy; Fiske's Classical Literature; Fiske's System of Pronunciation; Tacitus.

In Greek,—Fisk's, or Goodrich's Grammar; Jacob's Reader; Testament; Donnegan's, Groves', or Pickering's Lexicon; Xenophon's Anabasis.

In French,—Levizeau's Grammar; Boyer's Dictionary; First Class Book; Telemachus; Charles XII.

ENGLISH DEPARTMENT.

Adams's New Arithmetic; Pond's, or Smith's Grammar; Paradise Lost; Malte Brun's Geography; Comstock's Philosophy; Comstock's Chemistry; Wilkins' Astronomy; Watts on the Mind; Abercrombie's Intel-

Excerpts from a Melville Academy catalog for 1841, indicating some changes in education since that time. The original is owned by Mr. and Mrs. Rennie Saville.
lectual Philosophy, with references to Locke, Stewart and Brown; Day's Algebra; Euclid; Flint's Surveying; Newman's Rhetoric; Sullivan's Political Class Book; Hall's History of the United States; Goldsmith's History of England; Porter's Rhetorical Reader; Webster's Dictionary; Mrs. Lincoln's Botany; Smellie's Philosophy of Natural History; Davies' Legendre; Davies' Bourden. There is a weekly exercise in Declamation and English Composition, which has been deemed very important, inasmuch as the power of convincing and moving others is scarcely less to be coveted than the power of thinking justly ourselves.

The Apparatus belonging to the Institution is sufficiently extensive to aid in the illustration of all the simpler principles of Chemistry and Natural Philosophy. There is a small Library of nearly a hundred volumes, to which additions will from time to time be made, and which will at all times be open to the students. Maps have been purchased and suspended in the school room for the benefit of classes in Geography and History.

The year is divided into four Terms of eleven weeks each, separated by vacations of two weeks each.

The Winter Term will commence November 29; Spring Term, February 27.

EXPENSES.

Board, in good families, near the Academy, $1.33 per week, including room-rent and washing. Tuition,—in common English branches, $3.50; in the Latin and Greek Languages, $4.00. For French, an Extra charge of $1.00 is made.

Through the kindness of literary and scientific gentlemen in the vicinity, Lectures have been secured on various subjects of interest and importance.

The Academy will remain during the present year under the charge of its present Principal.

I. Each teacher will earn at least 6 approved credits every 5 years.

II. Sick leave of 10 days per year shall be granted accumulative to 50 days as currently in effect, earnable 1 day per month of service.

III. Extra pay for extra curricula activities shall not be a part of this schedule but may be considered by the Board under certain circumstances.

IV. After three successive years of successful teaching in Jaffrey the teacher will be placed on continuing contract.

V. Teachers who are "behind schedule" will receive annual increments up to $500.00 each, if sufficient funds are appropriated.

VI. This schedule does not apply to the principals, guidance director, physical education teachers and supervisors of art and music.

VII. Credit will be given for military service up to 2 years.

VIII. This schedule is not a contract, but shall be regarded only as a statement of the School Board’s policy. This schedule is subject to revision at any time by vote of the School Board and whenever practical any revisions will be discussed with the teachers before definite action is taken by the Board. Salary increases are granted only by vote of the School Board.
IX. This salary schedule shall go into effect for the school year 1959-60.

X. A teacher obtaining a higher degree shall be placed on the higher salary on September 1, following completion of requirements for that degree.

C. No-School Signal

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the fire alarm system at 7:00 A.M., and by having it announced over radio station WBZ at the same time approximately. When the No-School signal is given it means that there will be no school all day.

E. Report of District Clerk

At a legal meeting of the School District of Jaffrey at the Conant High School Gymnasium in said Town and on the 10th day of March, 1958, at 7:30 o’clock in the evening, and pursuant to the foregoing warrant:

Meeting was called to order by the Moderator, Jason C. Sawyer, and the warrant was read by him with the return of the same.

First five Articles voted by ballot.

Article 6: Mrs. Mary Brown Davis moved that the salaries of the School District officers for the ensuing year be as follows:
Each School Board Member $20.00
Treasurer 50.00
Clerk 5.00
Moderator 5.00
Each Auditor 20.00
Each Bailor Clerk 5.00

Seconded and unanimously carried.

Article 7: Mr. Charles Burrage moved and it was seconded that the reports as printed be accepted and placed on file with the Clerk. Carried.

Article 8: Mr. Ernest J. Pratt moved and it was seconded that the Auditors chosen at Town Meeting March 11, 1958, be Auditors for the School District of Jaffrey. Carried.

Article 9: Mr. Ernest J. Pratt moved that the School District raise and appropriate $264,342.00 and to authorize and direct the School Board to apply against said appropriation such income as is estimated by the School Board exclusive of State Aid, and upon the determination of the amount of State Aid to be received by the School District during the next fiscal year, to authorize and direct the School Board to apply against such appropriation the sum to be received from State Aid and with the School District Clerk certify to the Selectmen the balance as an assessment to be raised by the Town for school purposes. Discussion. Seconded and unanimously carried.

Article 10: Mrs. Anne B. Gordon moved to rescind the action taken at the March 12, 1945, meeting of the School District, whereby it was voted to "instruct the Trustees of Trust Funds to retain annually from the income of the Durant Fund the sum of $2,500.00 to be used by the School Board to provide additional educational and recreational facilities for the students of Conant High School, the uncalled for balance of said fund to be reinvested by said Trustees and held as a special fund for additional High School facilities until its expenditure is authorized by vote of the School District and that the items of expense should be printed in the Durant Fund report of the Trustees of Trust Funds" and to vote to instruct the Trustees of Trust Funds to pay over annually to the School Board the sum of $2,500.00 from the Durant Fund, to be used by the School Board to provide additional educational and recreational facilities for the students of Conant High School and that the items of expense be printed in the School District Report under the title of the Durant Fund. Seconded. Discussion. Carried.
Article 11: Mr. Charles Burrage moved that the School District adopt as its School check-list the Town check-list, as provided in RSA 197: 12a, as inserted by Laws of 1957, chapter 57; this provision to be effective for the 1959 and subsequent Annual District Meetings. Seconded and carried.

Mr. Ernest J. Pratt moved that we give Mr. Lester B. Badger, Superintendent of Schools, a vote of thanks for the great help that he has been to the School Board for the past twelve years. All were in favor, and all present rose, commending Mr. Badger for his faithful assistance and service to the School District of Jaffrey.

Following officers were elected:
Myrtle J. Hazleton, School District Clerk
George C. Robinson, Member of School Board for Three Years
Anne B. Gordon, Member of School Board for Three Years
Charles D. Burrage, Member of School Board for One Year
Lawrence W. Brown, School District Treasurer
Jason C. Sawyer, School District Moderator

Those present took oath in open meeting.

Voted to adjourn at 10:15 P.M.

A true copy.

Attest: S/MYRTLE J. HAZLETON
School District Clerk

To the Inhabitants of the School District in the town of Jaffrey qualified to vote in district affairs:

You are hereby notified to meet at the High School Auditorium on the 9th day of March, 1959, at 7:30 o’clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose two members of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.

9. To see if the school district will raise and appropriate the sum of $4,600.00 to provide additional teacher salary increments for the school year 1958-59, such funds to be made available prior to June 30, 1959.

10. To see if the School district will raise and appropriate the sum of $1,800.00 for repairs to the front steps of Union Hall.

11. To see what sum of money the school district will raise and appropriate to be used in conjunction with monies available under the National Defense Education Act of 1958 in certain areas of instruction.

12. To see what sum of money the district will vote to raise and appropriate to be used as a Capital Reserve Fund for replacement of school bus.

Given under our hands at said Jaffrey this 21st day of February, 1959

There were several changes in the staff at Conant High School with the opening of school in September, 1958: Mr. Henry L. Bremner replaced Mr. Elson S. Herrick as Principal. Other changes were Mrs. Micheline D. Broadhead, Grade 6; Mrs. Alyce L. Dubina, Girls' Physical Education; Mr. Edward E. Dufresne, Guidance & Civics; Mr. William R. Hotin, Science, Grades 10-12; Mrs. Kate D. S. Kendall, English; Mr. Basil B. MacLeod, Jr., Social Studies and Science, Grade 8; Mr. Robert Mallat, Jr., Mathematics, Grade 8 and Science, Grades 7 and 8; and Mr. Andrew J. Norton, Boys' Physical Education.

Two new teachers joined the faculty in September at the Grade School, Miss Emily J. Holbrook, Grade 1, and Mrs. Cynthia A. Cote, Grade 2. Both were graduated from Keene Teachers College in June, 1958.

Mr. Lawrence F. Woodward is the new music supervisor and Mr. Ormsby J. Buck the new art supervisor.

B. School Program

1. Report of the Grade School Principal

School opened in the fall with eleven teachers on the staff. It was possible this year to operate without a combination grade.

The faculty continued to show professional growth this year with Priscilla Davis, Geraldine Wallace, Olive Lynch, Dorothea Hammond, Dorothy Kendall, Abbie Brown, and Louise Belletete completing the extension course "Language Arts in the Elementary School" given by Dr. B. Alice Crossley of Boston University. Principal Clayton Craig attended a two-day workshop on "Testing" held at Milford, New Hampshire, and also the New England Reading Conference at Poland Spring, Maine.

The Complete Battery of the Iowa Tests of Basic Skills was administered to all fourth and fifth grade pupils in November, 1958. The results of these tests were forwarded to all the parents. A series of teachers' meetings have been held with Helping Teacher Ronald Scott to evaluate the results and to discover the weaknesses and strengths of the pupils and classes. As a school the results were above the national average for this test.
The Ginn Science Series was adopted this fall as the basic text in Grades 1 through 6. With the introduction of this series, all the texts are recent editions. This is the result of long range planning. We will now be able to purchase additional books to enrich the subject areas and better care for the individual needs of all the pupils.

The Stone and Smalley Basic Handwriting System was also introduced in Grades 1 through 6. Miss Caroline Emerson, consultant for this system, came to Jaffrey to work with both pupils and teachers, guiding them in its introduction.

Mr. John Harmes, school psychologist, who is employed two days a month, has continued to give valuable service to pupils, teachers, and parents. He has been most concerned with youngsters achieving below their capacity. Much time has been spent administering individual intelligence and personality tests to children who have difficulty adjusting to scholastic requirements. Following each test a report and a plan designed to continue future assistance was made to the faculty and in some cases to the parents. We feel fortunate that this type of service is available in Jaffrey, especially since it is almost impossible to secure this help at the state level because of the demands being placed upon the existing agencies.

Teachers, principal, helping teacher, and superintendent are all constantly evaluating the present procedures and practices, making changes where they will provide sound elementary education for the boys and girls of Jaffrey.

CLAYTON CRAIG
Principal

2. Report of the Conant High School Principal

It is with great pleasure that I, on behalf of the faculty of Conant High School, submit my first report to the people of Jaffrey. Our year has been a full one--our activities have been many; we've met many interesting people; and we've shared many educational experiences.

The high school band continues to progress under the very capable direction of Mr. Edward Hamilton. The junior high students, not to be outdone by the older students, showed their talents by forming their own band, also under the direction of Mr. Hamilton. The two bands were enthusiastically received by the public at a concert given at the High School during Education Week. The Glee Club, under the direction of Mr. Lawrence Woodward, rendered several selections at a Christmas concert prior to the Christmas vacation.
We can be justly proud of our athletic teams. The soccer team, under Mr. Andrew Norton, although not in the win column in its eight games, played hard and creditably. The basketball team, however, met with greater success. Though not blessed with height, which seems to be so essential in basketball, they on many occasions completely outplayed their taller opponents. The basketball team was guided by Mr. William Hotin. Mr. Boucher looks forward to a banner season in baseball with fifteen veterans returning.

The junior high grades were organized into "opportunity groups" this year. This, in a sense, means that the young people are grouped homogeneously to facilitate better teaching and certainly better learning. The teachers, the principal, the guidance director, and the helping teacher spent several afternoons studying the group placement of each student. Factors such as classroom achievement, intelligence, and achievement test results and social adjustment were given equal consideration in an effort to make proper assignments. If this type of grouping proves successful, it is hoped that it can be carried into the high school classes another year.

Our school assembly programs have been varied this year. The Durant Fund has made it possible for us to present the following programs from the School Assembly Service, Rochester, New York:
The Williamses (The Wonders of Liquid Air)
Kenneth A. Wheeler (The New York Stock Exchange)
C. Sheldon (The Adventurous Yankee)
Ray V. Maple (Painting with Sand)
Pruth McFarlin (Noted Concert Tenor)
The Roscos (Rodeo Roundup)

This year thirty-two students are enrolled in the Driver Training program. Arrangements were made with Raymond A. Moore Motors of Jaffrey for a 1959 Ford sedan for the course. Mr. Charles Chamberlain continues to be instructor.

The Iowa Tests of Educational Development were administered to grades nine through twelve for a second time. Better than average achievement was shown in the four grades in most areas over a similar test a year ago. Individual achievement cards were sent to the parents. Unlike last year's results, where science and English were the fields of highest achievement, this year's results showed that the social studies and mathematics were the points of highest accomplishment.

These are but a few of our activities thus far this year. I would say that we've had a successful year. This certainly could not have been so without the cooperation of all. This, I've had, and I am sincerely appreciative.

HENRY L. BREMNER
Principal
Our limited period of service in the Jaffrey Schools prohibits a detailed report at this time. However, certain observations should be made in this report.

Reading: The results of the fall testing program were quite enlightening in evaluating our curriculum and the development of the individual pupil. We have directed considerable attention to the test results in reading. On the whole the pupils in our schools are reading at their grade level, but we have numerous cases on the high school level where pupils are not reading up to their level of intelligence.

The problem appears to have several facets. On the one hand, reading in average high schools is an incidental part of the English program, and for the most part the reading skills are not purposefully kept before the student. On the other hand, we have pupils who are reading at grade level, but who, with a systematic developmental reading program, could improve their capacity to a point to more nearly approach their individual native capacity. Again we recognize that we have many pupils who are not reading at grade level in our high school group who are in need of a specific program. We feel that we should seriously consider a reading program to strengthen and raise the reading abilities of our pupils separate from and in addition to our present English program.

Physical Education: Due to the increasing number of pupils at Conant, the physical education program at the Grade School has necessarily been curtailed. With a larger group in the high school building next fall, even less can be accomplished in the elementary grades. Physical education, we feel, is an important part of the overall development of the child, and some provision should be made in the near future to reinstate an adequate program in the Grade School.

Guidance: The work of the Guidance Department has shown steady growth and progress. However, due to the fact that seventy percent of the director's time is spent in classroom teaching and study hall assignments, it is not possible to carry on the testing program and the individual pupil guidance conferences as effectively as his talents warrant. We strongly feel that he should be relieved of certain classroom duties in order to carry out an effective guidance program.

Improvements and Equipment: Included in the proposed budget of the School Board are several items worthy of special attention. As reported by the Grade School principal eight folding cafeteria tables were purchased this year, with the expectations that the remaining tables will be replaced next year.
The tarred area to the rear of the Grade School should be recoated with hot top in order to make that area more functional in inclement weather. Attention should also be given to the driveways and parking area at Conant.

The Board has included in its budget provision for an additional teacher at the high school. Our entering group of pupils is considerably greater than our present senior class, and additional sections in certain fields will be needed. This factor, together with the need to reduce the teaching load of our guidance counselor, makes the need of an additional teacher necessary.

Also included in the budget is an item to set up a science unit for instruction of the junior high group. The installation of a science instructional unit would increase the effectiveness of our science program at that level.

In conclusion: It is our genuine opinion that Jaffrey is fortunate in its corps of teachers. The group is not only capable, but the spirit manifested by its members on numerous occasions, stamps it as a highly professional group, and one in which it is our pleasure to be associated.

LEWIS F. FOOTE, Superintendent of Schools
RONALD P. SCOTT, Helping Teacher

PART III. SCHOOL PLANT

A. Repairs

There were several improvements made this year at Conant High School. The major improvement was the waterproofing of the front and one end of the old building. This now completes the work to be done in this area.

A new chain link fence was installed on the north boundary line in October adding a great deal to the appearance of the grounds.

Other outside work included the repairing of the front and back steps of the old building.

New acoustical tile ceilings were installed in the library and in the northeast corner room. Windows were also repainted in both of these rooms.

A roll-a-way gate was purchased for the corridor of the top floor of the addition in order to keep people attending events at the gymnasium from wandering through the school building.
Two water coolers were purchased this year, one for the old part of the building and the other for the new part.

Besides the general cleaning and repair work which is done each year a rubber tile mopboard was installed around the cafeteria in the Grade School, four classrooms on the lower floor were repainted, additional bulletin board space was added in each classroom, and a large bulletin board was installed in the lunchroom.

An outstanding improvement this year was the purchase of eight roll-a-way tables in the cafeteria to replace the antiquated benches and tables.

Outside work included tarring a strip of the play area, waterproofing the base of the outside walls, and repairing the front steps.

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. Health

Except for seasonal colds and stomach upsets, the general health of Jaffrey pupils has remained very good. The only contagious diseases reported were 37 cases of mumps. Only 167 ill pupils had to be returned home from school by the nurse for the safety of the ill child and the protection of other pupils.

Dr. Franklin Sterling continues his duties as school physician, examining the odd numbered grades and the athletic participants each year. He is active in initiating any modifications in the school health program and in recommending health policies.

The school nurse conducts the vision and hearing tests and the general checks for obvious correctable conditions, and makes recommendations to the parents, with satisfactory results.

The Dental Clinic, sponsored by the Jaffrey Woman’s Club, is being continued annually. It has a limited budget so that only pupils in the lower grades can benefit, and only those who would not receive complete dental corrections in any other way may be included. This fund paid for 13 half days with 84 appointments. Included in the work done were 17 cleanings, 21 X-rays, 120 fillings, and 11 extractions. Dr. Raymond Moore did the work in his office. There were still many pupils left on the waiting list but money was not available to complete the project.

The pupils in need of glasses and not able to afford them were helped by a fund set aside by the Jaffrey Community League. Many pupils were fitted with glasses which improved their school work.

Most of the Jaffrey pupils have now received protection from Polio. Dr. Sterling gave 386 shots, probably ending this program.

Every two years Jaffrey pupils have the privilege of having the T. B. patch tests. This year 581 pupils had this test, while 60 pupils and school personnel had chest X-rays. No positive cases were found.

In early June two days were needed for the annual pre-school registrations and examinations. Fifty-seven children were registered. At this time health histories are taken, birth certificates noted, record systems set up and classroom and school bus needs figured. Children are checked for vision and hearing difficulties and other possible defects for summer correction and vaccinations. An opportunity is provided for pupils and parents to become familiar with the school and the teachers as well as regulations, facilities, administrative personnel, and the school calendar. This program results in less fear and confusion in the fall for these beginning pupils and their parents, and enables school administrators to make definite plans for their needs.
Necessary professional meetings, conferences and workshops were attended by the nurse. These took 9 days' time, much of it on weekends and during vacation weeks. Places of meetings were at Walpole, Laconia, Manchester, Keene and Concord.
