## PLYMOUTH MUNICIPAL AIRPORT

---

As John Webster has indicated in his "Tiedowns" Column the Plymouth Airport is being utilized at an increasing rate. During the period October 1 to December 1, 1971, 700 aircraft used the facility; of the 700 flights, approximately one third were for business purposes. As the airfield is improved its utilization will continue to increase.

There are those who have asked about the cost of running the airfield. At present, the income for operational purposes comes from two major sources. The town provides \$500 annually and the pilots and aircraft owners contribute \$900. (There are also occasional gifts and they are applied directly to capital improvement.) It costs \$700 to operate the field. (Lights, heat, telephone, plowing and mowing). The balance is used for capital improvement.

Improvements to the operations building this year include a cement floor, ceiling tiles, furniture, telephone, lights, electrician outlets and furnace.

Plans for next year project the installation of a gas pump, runway lights, and continued improvement on the building.

HENRY FRACHER, Manager  
Plymouth Municipal Airport

## Report for Year of 1971

---

Total calls made 82

Breakdown of Calls:

Box Alarms	26
Out of Town Alarms	9
Squad Calls	17
Silent Alarms	27
Mutual Aid Alarms	1
Misc. Calls	1
False Alarms	1

We have extended our fire alarm system about one and a half miles out Highland St. and up Tenney Mountain Highway.

Three boxes have been installed on this line.

The state has put into regulation N. F. P. A. #101 life safety code, N.F.P.A. #54 gas appliances and combustibile liquids code, #30 and national electrical code #7 N.F.P.A.

If we can be of any help to you on these regulations call us, don't wait until someone finds something done wrong.

Respectfully submitted,  
Louis A. Sleeper, Fire Chief

## Report Year 1971

---

Total Calls Made	189
Local Runs, Residents	61
Local Runs, Non-residents	21
Out of Town Runs	107
Of these runs 33 were auto accidents	

1971 has seen new laws in the State of New Hampshire governing ambulances and their crews, our local machine and crews are in compliance with State Regulation at this time.

Many thanks should be given to the men who dedicated themselves to this service. Their cooperation helps to keep this service economically feasible.

## DONATED FOOD PROGRAM

Year Ending December 31, 1971

---

The donated foods program is designed to supplement needy individuals' diets by providing them with many staples such as flour, dried eggs, powdered milk and canned meats and vegetables. This year the Town of Plymouth was able to help 147 individuals (48 different families). The total cost to the Town of Plymouth was only \$367.55 as the entire program is run by volunteers and storage facilities are donated by the Plymouth Congregational Church.

We wish to thank the following people for their help:

The Congregational Church

The Service Committee from Holderness School

Plymouth Boy Scouts and Explorers

Lambda Chi Fraternity of P. S. C.

Nutrition Aids of the Cooperative Extension Service

The Denzil Smith Family

The William Dupuy Family

Albert Reitsma, Jr.

Anyone on public assistance or those with incomes as listed below are eligible to receive the foods:

No. of Persons in Household	Maximum Allowable Monthly Net Income
1	\$170.00
2	230.00
3	260.00
4	300.00
5	340.00
6	380.00
7	405.00
8	445.00
9	470.00
10	495.00

Certain hardship cases such as medical bills and excessive shelter costs may also qualify individuals to receive the foods. If anyone has any questions concerning the program feel free to contact us.

Respectfully submitted,

# PLYMOUTH PUBLIC LIBRARY

## Annual Report—1971

---

To the Trustees:

The use of other materials beside books was evident in 1971. More magazines and recordings were borrowed than ever before. This seems to indicate that a larger share of our funds should be used in this area.

The Young Ladies' Library Association has provided storm sash for our building, which make it far more comfortable in winter weather. They have also given \$300.00 which was used for books, and funded two series of story hours for pre-school children, with ten sessions in each series. Mrs. Patricia Topham very successfully conducted these story hours.

The summer reading program was coordinated with the town Recreation Program activities. Twenty-seven children participated.

Mrs. Aria Roberts loaned pictures and pamphlets about the astronauts and their space flights for an exhibit.

The Friends of the Plymouth Library disbanded and gave the \$140.00 remaining in their treasury to the library. It was used to buy recordings. Twenty-one records of interest to young people were purchased from the book fund.

The librarian attended two professional meetings and made a visit to the library in the new Plymouth Area School.

## PLYMOUTH CIVIL DEFENSE REPORT—1971

---

The Plymouth CD shelter stocking program is complete as far as present National Plans provide. There are 1,063 spaces fully stocked and equipped in the town. There are Civil Defense men available and trained in radiological monitoring to man these shelters. Further training is planned for this Unit as it becomes available. This program is carried on at no cost to the town.

The CD Police Auxiliary augmented the Plymouth Police Dept. throughout the year, both on regular town patrol and on extra duty assignments at various public functions held in the town. Much training was accomplished on-the-job as well as in classroom instruction through the cooperation of Chief of Police John Cloud and the regular police officers of the town.

The Plymouth Civil Defense Unit also accounts for a large part of the Plymouth Ambulance Service personnel, and many hours were spent by the men of this Unit either on call or actually in service. Training in this field is a continuing process. Three men from the CD Unit attended an Emergency Medical Technician School held at Harvard University in 1971. The school is sponsored by the American Academy of Orthopedic Surgeons and the instructors are some of the finest specialists in this country. Further training for the complete ambulance group is currently being conducted by Dr. Glenn W. Bricker on a bi-weekly basis.

The men of the Plymouth Civil Defense Unit have given hundreds of man-hours to participate in these various training programs and will continue to do so as long as the townspeople give the unit the support they deserve.

## REPORT OF PARK AND RECREATION DIRECTOR

---

In 1971 the Plymouth Park and Recreation Commission provided 30 different activities. It recorded a cumulative attendance of 15,476 and an average attendance of 33.9 per session.

The most significant achievement of the year was adoption of a cooperatively developed written policy on Park and Recreation use of the Plymouth Elementary and AREA High School building and grounds. The policy provides the Commission with office and storage space in the AREA High School and permits it to use the gym, locker rooms, exercise room, toilets, lecture hall, multi-purpose room and outdoor facilities anytime they are not being used for school purposes. Thanks to the School Board the Park and Recreation Commission finally has some facilities to work with.

Looking backward, we've come a long way in the 31½ years this director has been in Plymouth; looking forward, we've still got a long way to go. The next big task, the one we'll be working hardest on in 1972, is finding the leadership that will enable the Park and Recreation Commission to expand its program and take advantage of the newly won opportunity to make maximum use of school facilities.

A larger force of volunteer workers is essential. Further growth without substantial budget increases is dependent upon more people, youth and adults, investing some of their time in Park and Recreation activities.

WILLIAM H. BROADRICK, JR.

Park and Recreation Director

Board of Selectmen  
Town of Plymouth  
Plymouth, N. H.

Gentlemen:

The Information Booth was opened June 26, 1971 and closed September 5, 1971 attended by Hazel Downing who operated it in her usual efficient manner.

She serviced 3,335 cars, 1,577 less than in 1970 and 10,735 people, 31,898 less than 1970.

Inquiries were from tourists from every state in the United States except Idaho, North and South Dakota, and Wyoming. People from twenty-two foreign countries (not including Canada) and seven out of the ten provinces of Canada.

The Chamber of Commerce wishes to thank the voters of Plymouth for their assistance in supporting the booth.

PEMI-BAKER HOME HEALTH AGENCY, INC.  
ANNUAL REPORT TO THE TOWN OF PLYMOUTH

---

During the 1971 operating year a total of 1,747 visits were made by the Agency's nurses to Plymouth residents. Of this number 91 visits were made by the physical therapist and 1,656 by the nursing staff.

In order for the Agency to continue its work among the citizens of Plymouth and the surrounding member towns, additional support is required. This year the Agency requests the sum of \$2,430.00 from Plymouth. This request for greater local financial backing has been made necessary by the withdrawal of federal participation from many types of cases.

Should you wish to receive a visit from one of the Agency nurses, make your needs known thru your own physician.

## ANNUAL REPORT

---

The achievements of 1972 are now history, among these Plymouth's own subdivision rules and regulations come into being through monumental efforts of this planning board and many of Plymouth's citizens, in order that our community might grow orderly—not just happen.

Other facets in various stages of planning are: Revamping and Updating zoning rules and regulations—Airport study and the “New Town” concept which is the latest and newest planning program for community development, in our case it means alleviating downtown traffic flow and to facilitate shoppers' parking; to aid and abet our present shopping area. You should hear a great deal more about this in the ensuing year.

The Plymouth Planning Board also wishes to remind you we meet every second Thursday of each month, and the public is most cordially invited to attend.

## AUDITORS' REPORT

---

As prescribed by law, we have examined the books and records maintained by the Selectmen, Town Treasurer, Town Clerk, Trustees of the Trust Funds, Treasurer of the Library Trustees, Treasurer of the Park and Recreation Commission, Justice of the District Court and Tax Collector.

The records of the individual receipts were found to be correctly cast and properly vouched. We have verified cash balances and reconciled bank statements for such officials as have town business accounts.

We have examined the securities in the Trust Funds. We have inspected the surety bonds of the Town Treasurer, Tax Collector, Town Clerk, Trustees of the Town Trust Funds, Road Agent, Chief of Police, and Clerk of the District Court.

# REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

---

## LEST WE FORGET — IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong, dry, hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellarholes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand—a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic be sure open fires are allowed and if they are, put them **dead out** when leaving.
4. **Most Important**—instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year—1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered to ask others to heed Smokey's message.

---

To the Inhabitants of Plymouth Village Fire District qualified to Vote in District Affairs:

You are hereby notified to meet at the Auditorium of the Area High School on Thursday, the 16th day of March, next, at 7:30 o'clock in the afternoon to act upon the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Treasurer for the ensuing year.

Article 4. To choose Auditors for the ensuing year.

Article 5. To choose a District Commissioner for the ensuing three years.

Article 6. To see what sum of money the District will vote to raise for fire protection for the ensuing year. (Hydrant rental.)

Article 7. To see if the District will vote to authorize the Commissioners to borrow such sums of money as may be necessary to pay debts of the District and to give notes therefore, countersigned by the District Treasurer.

Article 8. To see if the provisions of an act of the General Court of 1971 entitled 'An act changing the name of the Plymouth Village Fire District to the Plymouth Village Water and Sewer District, be adopted.

Article 9. To see if the District will vote to authorize the Commissioners, in their discretion, to execute on behalf of the District an agreement with the Riverbrook Trust, or its nominee, under Rule 21 of the Regulations of the Plymouth Water Department relating to main extensions, to supply water outside of the District from a point to be designated by the Commissioners near the terminus of Birch Wood Drive, near the Guy Kenneson property, to the former Hatch property on Route 25 in West Plymouth, a distance of approximately 2,000 feet, the cost of such extension to be borne by the Riverbrook Trust or its nominee. (By Petition)

Article 10. If Article Nine is voted in the affirmative, to see if the District will vote to authorize the Commissioners to extend a 12" water main from the terminus of Birch Wood Drive approximately 800 feet to a point on the northerly side of Route 25 in conjunction with Riverbrook Trust or its nominee for a sum not to exceed \$10,000.00, the District's share to be raised in whole or in part by a note or notes of the District, pursuant to the Municipal Finance Act or to apply against said cost, income from water revenue in an amount to be determined by the Commissioners to be in the best interest of the District.

Article 11. To transact any other business that may legally come before said meeting.  
Given under our hands and seals this 1st day of March, in the year of our Lord nineteen hundred and seventy-two.

To the Inhabitants of the School District in the Town of Plymouth in the County of Grafton in said State qualified to vote in District Affairs:

You are hereby notified to meet at the Lecture Auditorium in the Area High School in said district on Thursday, the second day of March, 1972, at eight o'clock in the afternoon of said day to act on the following subjects:

Article 1. To hear the reports of agents, auditors and committees or officers chosen and to pass any vote relative thereto;

Article 2. To choose agents, auditors and committees in relation to any subject embraced in this Warrant;

Article 3. To see if the District will raise and appropriate the sum of Nine Hundred Eighty Thousand Four Hundred Fourteen Dollars (\$980,414.00) for the support of schools and for the payment of statutory obligations of the District and to authorize the application against said appropriation of such sums as are estimated to be received from State Foundation Aid Fund, together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation which leaves an estimated balance of Five Hundred Thirty-Six Thousand Seven Hundred Twenty-Three Dollars (\$536,723.00) to be raised by taxes by the Town;

Article 4. To see if the District will vote to authorize the School Board to make application for and to accept on behalf of the District any and all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States;

Article 5. To see if the District will establish a contingency fund to meet the costs of unanticipated expense which may arise during the year in an amount not to exceed One Thousand Dollars (\$1,000.00), all in accordance with Revised Statutes Annotated 198: 4-b;

Article 6. To see if the School District will authorize the School Board to negotiate and execute such tuition contracts as they may deem advisable for non-area School Districts;

Article 7. To see if the District will vote to increase the number of members of the School Board pursuant to Revised Statutes Annotated 197:15 and to determine the number of members to be elected each year in accordance therewith;

Article 8. To transact such other business which may legally come before said meeting.

Given under our hands and seals this 14th day of February in the year of our Lord nineteen hundred and seventy-two.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

It does not seem possible that we are so rapidly approaching the end of another school year and the second one in which the new school has been occupied. There is hardly a week that goes by when some mention is not made about the beauty and functionality of the building. Plymouth and the surrounding towns who participated in the AREA School can be rightfully proud.

This is the first year in which the entire school program, Kindergarten through grade 12, has been operated by the school district. The elementary school has a number of new programs that are of interest. A McGraw-Hill Science program is being planned for next year. Called the ESS Science, it will be characterized by an emphasis being placed on "how and why" with less emphasis on the textbook approach. Teachers who will be using this approach will have attended 30 lectures at Plymouth State College prior to the beginning of classes next September. The College through the help of their Science Department has been most cooperative and helpful.

Another area where changes have been made is the testing program. The S. R. A. program for evaluation has been adopted. The tests are machine scored, and through the use of computers averages by child, subject and grade can be readily ascertained. This allows individual teachers to make evaluations of child needs and teach toward them. As time goes on and annual results are obtained we can establish our own norms which should result in more effective teaching.

It is hoped next year something can be done with Basic Adult Education courses. When it has been determined what the areas of need are, if there is sufficient demand they can be offered as Evening Courses. We are already involved with some Vocational Training and hope to expand that also. Young people get a type of "On the Job Training" which helps prepare them for the job market.

The School population is growing as was predicted before the building was completed. The elementary school to date has not increased as rapidly as the high school but that too shows growth. Several years ago the high school had an enrollment of about 420 pupils. According to present estimates next year there will be close to 470. This represents a rate increase beyond what was anticipated and there is no indication the end is in sight.

It was unfortunate that the State could not meet its commitment to the District in terms of School Building Aid and Foundation Aid for this year. In spite of this the School Board has tried to prepare a budget which does not affect the taxpayer too adversely. There is some hope that Building Aid or part of it will be restored for next year by the Special Session of the Legislature. If this happens, the projected tax rate for next year will be decreased. In any event, citizens should give considerable thought as to whether or not they want their schools supported by property taxes or some other method.

The support of the School Board and the staffs of the elementary and high school has been appreciated. It is through a spirit of cooperation and mutual fairness and understanding we can best establish the type of education I am sure you want your children to have. At the present time your school would be rated as one of the best in the State and you can be assured everything possible will be done to keep it that way.

Respectfully submitted,

M. WAYNE BOWIE

Superintendent of Schools

## EXPLANATION OF SUPERINTENDENTS' SALARY

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the Superintendent and Assistant Superintendent of Schools as per the following quotation: "Reports. Each superintendent salary paid to the superintendent, showing in detail the amount paid by the state and each local school district, and their share of same. Said report shall be filed with the school board of each school district involved and shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrators, if any is in service in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuations. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$14,500, which was received by the superintendent of schools of Supervisory Union No. 48 during 1970-1971 was made up as follows: \$2,500 paid by the State of New Hampshire and \$12,000 was prorated among the several School Districts. Allowance for \$1,000 travel within the Union was also prorated as stated above.

The salary of \$12,000 for the assistant superintendent during 1970-1971 was made up as follows: \$2,700 paid by the State of New Hampshire and \$9,300 was prorated among the several School Districts. Allowance for \$1,000 travel within the Union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

# PLYMOUTH AREA HIGH SCHOOL

## Principal's Annual Report

---

I hereby submit my twentieth annual report as Principal of Plymouth Area High School.

Our staff has six new teachers this year: Miss Montana - Art; Mrs. Linda Garland - Freshman English; Miss Satterthwait - Girls' Physical Education; Mr. Lenahan - Boys' Physical Education; Mrs. Stearns - Business, and Mr. Enos - Woodworking.

Several workshops have been held and many more are planned to help our teachers in planning a better school for our students.

This Spring we are going to self-evaluate our high school before the New England Association of Colleges and Secondary Schools make the "Evaluation" in November 1972. This is the only sectional accreditation institution in New England.

Hundreds of people from all fields have visited our plant and they are all impressed with its beauty and locality.

Our staff and students are very pleased to have these wonderful facilities to work together.

The estimated enrollment figures for the school year 1971-1972 are as follows:

Class 1972	99
Class 1973	104
Class 1974	117
Class 1975	119

### Graduates of the Class of 1971

Four Year College	28
Two Year College	11
Armed Forces	3
Employment	35
Post Graduates	2
Unemployed	6

I wish to express my appreciation to the School Board, Superintendents Bowie and Smith, teachers, students, and citizens for their help and cooperation during the past year.

Respectfully submitted,

GEORGE C. ZOULIAS

Principal

## PRINCIPAL'S REPORT

February 4, 1972

---

The Plymouth Elementary School has made a number of changes this year. We have several new faculty members, and we have some new programs. For the first time, the junior high school has been a part of the elementary school program.

We had a very successful series of parent meetings at each grade level where our programs were discussed and where we were able to meet the parents. We plan to have more meetings of this sort and hope to involve the community in many of the things we are doing.

Our emphasis, this year, has been placed on our reading program; and each child is being constantly evaluated and placed at a level where he can meet with success.

Physical education has been added to the activities of the Middle Room (5th and 6th grades); and as soon as the ski tow is in operation skiing will be offered during an activity program once a week.

We have had a number of mothers who have volunteered their services as "aides" in our school program; they have helped in many areas, including our special education program and in our activity programs in the Middle Room. Through these aides we have been able to offer cooking, sewing, crocheting, crafts, French and Spanish to some of our students.

In addition to parent-aides, we have had several students from Plymouth State College volunteer their services and talents to our school. We have continued to have the help and cooperation of Plymouth State College. Many students are here as student teachers and participators in our programs, and we feel that this is a wonderful experience for the students in our school.

The junior high school, through its student council, is evaluating its program and is discussing ways and means of making a more meaningful school day.

Lastly, with the coming of Spring, we hope to do some studying of our environment, since one of the greatest assets of our school is the wonderful land around it. One of our aims is to help conserve the natural beauty of our surroundings.

Respectfully submitted,

MARION CLARK

Principal

## REPORT OF THE SCHOOL NURSE

---

The following is a report of the health program for the Plymouth schools for 1971:

Dr. F. D. McIver, school physician, completed physical examinations for 375 pupils, including athletic teams, and 39 pre-school children.

A Rubella immunization clinic was held in March and Dr. McIver administered vaccine to 79 children (Kindergarten to 12 years of age.) He was assisted by: Mrs. Arlene Bownes, Mrs. Eileen Mayhew, Mrs. Edna Brown, R. N., and Mrs. Barbara McGlone, R. N.

In April Miss Constance Martin, R. N. of the N. H. Tuberculosis and Health Association, administered the Heaf skin test to 79 members of the faculty and staff of the Plymouth schools. Eight reactors were found and four of these received the Mantoux test while the remaining four were referred to their own physicians.

Kindergarten registration was held in April this year. Dr. F. D. McIver, assisted by Mrs. Louize Jordan, R. N., examined 39 pre-school children. Mrs. Herberta Stark, R. D. N., of the Bureau of Dental Public Health also participated in this program.

The American Cancer Society sponsored the showing of two films in May. Dr. Brian Johnson was present for a question and answer period following the program which was attended by 60 Senior girls, mothers and faculty members.

During the year the Salvation Army Fund contributed \$15. for the purchase of boots and shoes for one child.

The Matching Fund Dental Health Program, using contributions made last year, provided four appointments with Dr. Donald Whitesell. The Lindsay Fund, administered by the American Red Cross, provided four appointments with both Dr. E. B. Crowell and Dr. Allen Naves.

The Plymouth Lions Club furnished glasses for one child and the Crippled Children's Services provided a hearing aid for one child.

Mrs. Jane Hartman, Speech Therapist, continues to work at the school on a more limited schedule.

The Lakes Region Mental Health Clinic, with offices at Speare Medical Park, is available to Plymouth pupils as well as residents of the surrounding area.
