$204 00

Our report shows unusual prevalence of contagious diseases, the past year. By the closing of school where the outbreak early occurred, quarantine and disinfection, the several cases of diphtheria did not spread beyond their original vicinity.

We count: one case tuberculosis, long standing and fatal; one case scarlet fever, (child) recovered; eleven cases diphtheria, (eight children, three adults,) all well recovered excepting one adult, 74 years, dying from diphtheritic paralysis. Modern treatment in all cases. Antitoxin has been freely used in diphtheria. At present we know of no communicable illness in this comparatively healthy town.

Yours with sanitary wishes,

George C. Ward,
Charles H. OdeLL,
Edwin W. Lane,

Board of Health.
## Vital Statistics.

TO THE BOARD OF SELECTMEN OF THE TOWN OF SANBORNTON: In compliance with an act of the Legislature passed June Session, 1887, requiring "clerks of towns and cities to furnish a transcript of the record of births, marriages and deaths, to the municipal officers for publication in the annual report," I hereby submit the following:

GEORGE B. LANE, TOWN CLERK.

Amount at risk January 1, 1909, $112,420.00
Premium notes held by the Company on policies in force January 1, 1909, $5,621.00
Balance in favor of the Company as per Treasurer's report January 1, 1909, $123.63

OTIS S. SANBORN, President.

OTIS S. SANBORN, THOMAS O. TAYLOR, CYRUS SWAIN, GEORGE A. LEAVITT, GEORGE B. LANE, Directors.

ALBERT M. OSGOOD, Treasurer.

HERBERT J. L. BODWELL, Secretary.

The attention of every policy holder is called to the following:—

By vote at the annual meeting of the Company held January 7, 1901, policy holders wishing to remain away longer than thirty days may keep the insurance on their property good, by applying to the Secretary for a permit to leave their premises unoccupied for such time as they may specify, paying for the same five cents per month for every one hundred dollars for which they are insured.
School Report.

Since we came under the town management of schools, the number has decreased from fourteen to nine; this has been accomplished by concentrating pupils by transportation. As it is desirable to support as few schools as is consistent with economy and the best work, the question has been frequently raised as to carrying the principle still farther. It could be done without making our schools over large; but, as yet, being unable to fix on centers which could be reached timely, it has been regarded as impracticable.

We have had thirty weeks of schooling for the year, divided into two terms of thirteen and seventeen weeks each; thirteen for the spring and summer and seventeen for the fall and winter. Near the middle of the fall and winter term there was a vacation of one week.

The work of our schools has been pursued without any serious interruption from sickness, except at North Sanbornton. That school was closed a number of weeks the last term from diphtheria; the work was resumed, however, and the term completed.

We have had represented in our teaching force, one college graduate, two normal school graduates, the remaining number, graduates of high schools and academies. All but two had had experience as teachers.

Three of our schools would have done better work with better discipline; the work of the other six was very satisfactory.

Teachers were located as follows: Harriet E. Works, Calef Hill, first term, Clarissa Hanson, second; M. Pearl Colby, Square, both terms; Ethel C. Ward, at Hunkins, first term, Blanche Favor, Carrie E. Ward, Mildred Stearns, the second; Alice W. Leavitt, Meadow, first term, Iva A. Eastman, the second; Ruby E. Lane, at Bay, both terms; Rev. Irving H. Gray, at Gaza, first term.
Irma L. Worthen, the second; Norma M. Sargent, Chapel, first term, Mildred Stearns, the second; Kate L. Thompson, New State, both terms; Mary N. Redding, North Sanbornton, both terms.

We are glad that the patrons of our schools have so largely visited and inspected them during the year.

Eleven persons from this town have been pursuing high school course in schools as follows: at Laconia High School, Gladys L. Johnson, Harold C. Hill, Van E. Leavitt, Arthur J. Leighton; at Tilton Seminary, Jonathan M. Bodwell, Joseph C. Bodwell, Eldred L. Sanborn, Clarissa Hanson; at New Hampton Literary Institution, Blanche N. Howe, Bertha A. Smith; Franklin High School, Robert W. Dearborn.

We invite attention to the roll of perfect attendance and to the statistical table.

Old district names and numbers are continued for convenience of reference.

OTIS S. SANBORN, TREASURER.
Auditors' Report.

We have examined the accounts of the selectmen, treasurer, overseer of the poor, board of health, library trustees, treasurer of the school board, officers, etc., of the town of Sanbornton, for the year ending February 15, 1909, and find them correctly cast and properly vouched, and the financial statement true.

We have also examined and found correct, the report of the Sanbornton Agricultural and Mechanical Association.
