Town Warrant

State of New Hampshire

Carroll SS.

To the inhabitants of the Town of Sandwich, in said County and State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town, on Tuesday, the eleventh day of March, next, at ten o'clock in the forenoon, to act upon the following articles:

1. To see if the town will determine by vote the salary to be paid any of its officers or agents.

2. To see if the town will authorize the selectmen to borrow money in anticipation of taxes.

3. To see if the town will vote to authorize the selectmen to act as agents in matters relating to town property for the purpose of granting easements and making conveyances.

4. To raise and appropriate money to pay the interest on School Fund Note. The sum required is \$133.92.

5. To see if the town will vote to raise and appropriate money for the support of the library in addition to the amount required by law. The sum recommended to be raised by vote is \$420.00.

6. To see if the town will vote to raise and appropriate money for the observance of Memorial Day and the Christmas Tree. The sums recommended are \$130.00 and \$25.00 respectively.

7. To see if the town will vote to raise and appropriate money for the observance of Old Home Week. The sum recommended is \$150.00.

8. To see if the town will vote to raise and appropriate the sum of \$117.00 to the Lakes Region Association of New Hampshire, for the issuance and distribution of printed matter, calling attention to the resources and natural advantages of the town, in cooperation with other towns in the Lake Region.

9. To see if the town will vote to raise and appropriate money for the repair of the Notch and Dale Roads. The sum recommended is \$500.00.

10. To see if the town will accept State Aid for the construction of Class II roads, and raise and appropriate

TOWN OF SANDWICH

for that purpose the sum of \$1,774.00, the State contributing a like amount, or accept Class V assistance and raise and appropriate for that purpose \$840.93, the State contributing \$3,363.72.

11. To see if the town will authorize the selectmen to apply for State Aid Assistance to construct a new "Chase Bridge" and to raise and appropriate \$1,100.00 and borrow the sum of \$1,000.00, to be paid in 1942, said sums to match the State's contribution.

12. To see if the town will vote to raise and appropriate the sum of \$100.00 for additional repairs on the Roller Houses.

13. To see if the town will vote to raise and appropriate money for the repair of Highways and Bridges and for winter care for the year ensuing, and pass any vote relating thereto. The sum recommended is \$9,000.00.

14. To see if the town will vote to raise and appropriate a sum not exceeding \$1,000.00 to match such sum or sums as may be available from the State, or others, for the construction of Class II Highways and authorize the selectmen to make satisfactory arrangement for same, if possible.

15. To see if the town will vote to raise and appropriate money for the support of either the Laconia Hospital or the Huggins Memorial Hospital, at Wolfeboro, or both. The sums recommended are \$150.00 for Laconia and \$50.00 for the Huggins Memorial.

16. To see if the town will vote to raise and appropriate money for the support of the Fire Department. The sum suggested is \$500.00.

17. To see if the town will vote to raise and appropriate money for the eradication of the white pine blister. The sum recommended is \$100.00.

18. To raise by vote such sum of money as shall be necessary to pay Town Charges for the ensuing year. The sum recommended is \$2,550.00.

19. To raise by vote such sum of money as shall be necessary to pay the expense of general government. The sum recommended is \$2,418.00.

20. To raise and appropriate \$1,000.00 to pay the third annual payment on the Sandwich Town and Grange Fair note.

21. To see if the town will vote to raise and appropri-

T O W N O F S A N D W I C H

ate money for the care of cemeteries. The sum recommended is \$300.00.

22. To hear the report of the zoning committee and take any vote relating thereto.

23. To see if the town will vote to raise and appropriate money to purchase and install a new fireproof door for the vault containing the Town records. The sum recommended is \$400.00.

24. To hear the report of the winter sport and ski trail committee and to raise and appropriate a sum of money that may be voted by the town for such activity.

25. To see if the town will vote to petition the State Tax Commission to have an audit made by the division of Municipal Accounting and to make an appropriation to cover the expense of such audit.

26. To choose all necessary town officers for the year ensuing.

Given under our hands and the seal of the Town of Sandwich, this twenty-fourth day of February, A.D. 1941.

W. LEROY WHITE,
MARSHALL W. VITTUM,
WILLIAM J. O'BRIEN,
Selectmen of Sandwich.

4,088.05

T O W N O F S A N D W I C H

NOTE:—This fund was used in stabilizing with Calcium Chloride a part of the Whiteface Road, Beede Hill and road to Top-o-the-World. Class V Roads improved were as follows: Frank Martin's to L. H. Read's, three sections on Mt. Israel Road, Whiteface Road, Chase Road. Roy Parris' to Tamworth Town line, Middle Road, Tilton Hill, Vittum Hill, a short piece on Red Hill Pond Road, and guard posts set along the bank on Cold River Road. The program to widen the Mount Israel Road should be continued for the sake of safety and for snow removal and additional posts should be set along unprotected sections of the Cold River Road.

2,052.95

NOTE:—In order to meet a situation which was about to cause large expenditures for direct relief, your Selectmen arranged with Mr. Millard Fillmore for the privilege of cutting cord wood in his woodlot at 75 cents per cord for stumpage. Altogether, about 29 men, at various times during the spring worked on the lot, generally in groups of 2 or 3 and by agreement payment was made to some member of the group. Where such an arrangement existed, the account as stated above shows the fact by the words "et al." after the leader's name, meaning "and others." Most cutting was done at \$2.00 per cord, but since there must be a foreman, Clarence R. Plummer was put in charge and his group necessarily worked on a time basis. As a result of this work, the Relief Load was cut by several hundred dollars and we believe that the project will be self-liquidating and a saving to the town, as well as being conducive to preserving the self respect of our citizens.

Operating Account may be summarized as follows:

PAYMENTS

| Special Appropriation by Town | 600.00 | |
| Excess Expenditure | 104.75 | |
| | | 704.75 |

NOTE:—Since this bridge was showing signs of rusting and had been an expensive one to maintain because of difficulty in holding planking and their shattering under present traffic conditions, engineers of the State Highway Department were consulted relative to the work to be done.

Arrangements were made whereby a State Highway bridge crew came on and thoroughly cleaned the bridge, painted it with coats of red bridge paint and aluminum. Structural defects wherever found were remedied so that now the bridge is supposed to be in good condition. A new deck was constructed by spiking together in sections, 2x4's placed on edge and previously dipped in creosote as a preservative. It is hoped and expected that this new deck will last for several years, at least. It has solved the noise problem and reduced vibration so that both the life and carrying capacity of the bridge are supposed to have been increased.

GRANT BRIDGE

| | |
|-------------------------------|-------|
| Ralph Q. Peaslee, Agent, Self | 27.93 |

| C. L. Hale Const. Co., loading I beams | 12.00 |
| State of New Hampshire, I beams | 294.00 |

439.98

NOTE:—Although this bridge had been built only about six years, it was discovered in spring of 1940 that the stringers had rotted and that trusses were also unsafe.

In rebuilding, the State Highway Department sold the Town second hand I beams which are expected to be serviceable for at least fifty years, with a carrying capacity of fifteen tons. The old trusses left in original position carry no load and serve simply as guard rails. We now have a bridge capable of carrying traffic which may develop from White Mountains National Forest, and of a type in which maintenance cost has been much reduced.

No provision had been made by the Town for rebuilding this bridge because its condition was not discovered until several months after the Annual Meeting. Consequently, its cost had to come from the general funds of the Town, but with the approval of the Tax Commissioner, your Selectmen increased the "Overlay," above normal, sufficiently to meet the entire expense of rebuilding.

CHASE BRIDGE

| So. Tamworth Industries, Materials | 7.79 |

43.62

NOTE:—Twice during 1940, this bridge gave way under heavy traffic on "Chase Road" which is a part of the highway designated as the State System. It is now perfectly apparent that the old style A truss bridge as constructed in Sandwich is not economical and safe for present day trucking when loads weigh fifteen tons and even more. Bearing in mind that the maintenance cost for Chase Bridge in 1940 had been approximately \$100.00, your Selectmen consulted with the engineers of the State Highway Department and they have advised that the Town

T O W N O F S A N D W I C H

and State build a new concrete bridge at an estimated expense of roughly \$4,000.00. If such action is approved the cost to the town will be one half and the maintenance cost reduced to a minimum, as also liability for damages due to injury at the bridge. By agreement with the State, if the Town votes for State Aid in building this bridge, cost of repairs last fall, as enumerated in the foregoing account, will be charged as a part of the cost of the new bridge. Your Selectmen recommend the building of this bridge and suggest that the expense be distributed over a period of two years by arranging for a loan from Sandwich Town and Grange Fair Association for one half of the Town's share of the cost.

Report of Auditors

We, the auditors of the Town of Sandwich, have examined the accounts of the Selectmen, Road Agents, Treasurers of the Library Trustees, of Veterans' Association, of Old Home Week Association, of Trustees of Trust Funds, of Lewis H. Currier, Collector of Taxes, and of Perley C. Knox, Town Clerk, and found them correct and properly vouched, and in the hands of Mabel E. Ambrose, Treasurer of Library Trustees, \$209.39 on deposit in Meredith Trust Company; in hands of Beatrice Burrows, Librarian, \$2.11 in cash; in hands of William H. Forristall, Treasurer of Veterans Association, \$3.74; in hands of James H. Beede, Treasurer of Old Home Week Association, \$52.09 on deposit with Meredith Trust Company and \$5.70 cash in hand; in hands of William Heard, Treasurer of Trustees of Trust Funds, an unexpended income amounting to \$3,234.54 in various Savings Banks and trust fund principals amounting to \$84,447.40 in bonds and bank deposits and Allen Quimby Fund of \$100.00 in hand; in hands of James H. Beede, Town Treasurer, a total balance of \$5,801.17 in cash and deposit with Meredith Trust Company; in hands of Ryvers F. Ainger, Fire Chief and Treasurer of Sandwich Volunteer Fire Company, \$232.35; in hands of Perley C. Knox, Town Clerk, nothing; in hands of G. Roland Smith, Manager of Town Hall, nothing; and Tax Warrants of Lewis H. Currier, Collector of Taxes, settled in full.

H. W. CLARK,
ALISTON H. GRANT,
Auditors.

SANDWICH CHAPTER OF THE
AMERICAN RED CROSS

The people of this town have responded very generously to the Roll Call this year, thus providing the Red Cross with money to carry on a great work, not only in the community but the world over.

Sewing meetings, held at Mrs. Leon Read's, resulted in the making of many new pieces of clothing for needy families in the community.

Five dollars was voted for hot lunches at the Center School, glasses were purchased for a child, and it was voted to sponsor a dental clinic again.

Nearly one hundred and fifty articles of clothing have been made for the war refugees of Europe. The women of Sandwich, Moultonboro, and Center Harbor gathering at the Home Industries building and in their homes to sew and knit, under the guidance of Mrs. Joseph Coolidge, have accomplished this tremendous task.

This fine spirit of helpfulness deserves our thanks and appreciation. Your membership in the Sandwich Chapter makes it possible to carry on the work.

VERA T. PRESBY,
Secretary.

TOWN OF SANDWICH

FORESTRY

White Pine Blister Rust control as conducted in this town during 1940 by the State Forestry & Recreation Department and the Federal Bureau of Entomology was a part of a nationwide program of protecting white pine growth from a bark disease, which, though not spectacular, represents a very serious menace to this tree if not controlled. Throughout the northeastern states, where white pine is especially important, counties, towns, cities, and individual owners have cooperated with State and Federal agencies. In the Far West, upon the National Forests and holdings of large lumber companies, Blister Rust control is recognized as a necessary practice in growing white pine. Recently, the Federal Government reaffirmed and emphasized the need of White Pine Blister Rust control by the passage of an act authorizing financial assistance to such states as are carrying on control measures. All towns and their citizens are strongly urged to cooperate with the State and Federal governments in their efforts to maintain control of this destructive disease.

The following financial statement shows expenditures made in this town during 1940 for Blister Rust control by the agencies indicated. Persons interested in the detail of control work and the life history of Blister Rust may receive a circular by applying to the State Forester, Concord, N. H.

TOWN OF SANDWICH

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Sandwich qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eighth day of March 1941, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the district will authorize the School Board to sell, repair or otherwise dispose of the Red Hill and East Sandwich school houses.
10. To transact any business that may legally come before said meeting.

Given under our hands at said Sandwich this 18th day of February 1941.

GRACE E. AINGER,
ALICE D. SMITH,
ROBERT S. QUINBY,
School Board.

TOWN OF SANDWICH

Report of School Board

We, the School Board of the District of Sandwich, hereby submit the following report for the year beginning July 1, 1939, and ending June 30, 1940.

RECEIPTS

| | | |
|-----------------------------------|-------------|-------------|
| Amount raised at District Meeting | | |
| by taxation | \$12,741.99 | |
| Dog tax | 220.09 | |
| School Fund note | 133.92 | |
| Smith Hughes Fund | 885.30 | |
| George Read Fund | 605.36 | |
| University of N. H. | 450.00 | |
| | <hr/> | |
| Total receipts | | \$15,036.66 |
| Cash on hand July 1, 1939 | | 1,371.09 |
| | | <hr/> |
| Grand total | | \$16,407.75 |

PAYMENTS

TOWN OF SANDWICH

REPORT OF SUPERINTENDENT OF SCHOOLS

SAFETY EDUCATION

The topic of education for safety, including prevention of highway accidents, fire prevention, and the practice of care in avoiding accidents at home and on the playground, has been a subject of special study at our teachers' meetings this year. In this field of teaching, the test of success seems to be a negative one; if the lessons have been mastered, no accidents happen, and if our pupils look back in future years and see that the habits of care and watchfulness now being formed have helped to keep them out of danger, we can then feel that our educational program has been successful.

EDUCATION FOR DEFENSE

A wave of patriotic fervor is sweeping across our broad land, this spirit has encouraged some to enlist as soldiers, and others to go to school at night to develop their skill at various mechanical trades. The duty of our elementary schools, at this time, is to give boys and girls a better understanding of our democratic institutions, and to instil in their hearts a greater loyalty to our flag and the republic for which it stands. We must realize, young and old, that the greatest service to our country may not demand that we bear arms in her defense, but must require of each of us that measure of tolerance, of thoughtfulness of others, of self-sacrifice for the common good, and of intrinsic honesty that will make impossible the evils of greed and self-seeking that are the real dangers to our democracy.

WHAT OUR SCHOOLS ARE DOING

The Grammar grades of the Center School have enjoyed the use of a radio this year. This has made it possible for them to listen to the music appreciation hour conducted by Walter Damrosch. Workbooks were provided for this course and it was received by the children with great enthusiasm. This radio also made it possible to hear President Roosevelt's Congressional address and the Inauguration ceremonies.

During the year the pupils have exchanged letters, printed matter, pictures, and samples of school work with many schools throughout the United States. These have added much interest to the geography in grades five and six. Holiday programs have been enjoyed. A bird feeding project has been carried on and weather charts kept by the science classes.

Part of the time for art work has been devoted to

handicrafts. Attractive articles of cork and felt have been made.

The Sandwich Primary School has carried on a Safety Contest. The children seem to become more conscious of which side of the road to walk on.

The pupils keenly enjoyed practicing and presenting an operetta, "The Dolls' Christmas." It was well attended.

With the help of the School Board a piano has been provided. This adds much to the musical part of the school program. Mr. Cleveland Weed kindly donated his services in moving the piano into the schoolroom.

An Arithmetic Contest has created more interest in that subject. The losing side gives a party to the winners.

The Chick's Corner School reports that grades three and four carried on an interesting and enlightening Indian project by making of booklets and the use of the sandtable. Holiday programs were enjoyed, Columbus Day being observed by entering in Sandwich Fair the usual school float, representing the making of our first flag, for which we were awarded second prize. Book week was celebrated by a small display of work in the Wentworth Library. Health and safety have been taught by means of new reading books used in all the grades. A feeding station for birds was made in connection with nature study. Interdependence of nations and tolerance for people of other countries have been stressed in the teaching of Social Studies.

From North Sandwich fine progress is reported this year. For the Christmas pageant two-part music was introduced. The result was successful. The pupils kept up the work on two-part music not because the teacher advised it but because it is so much more fun. If all goes well they hope to make use of their two bass voices and sing in three parts before June. One guitar played by a seventh grade girl as an accompaniment to the songs makes the music period more interesting.

The children at Whiteface School built a feeding box for the birds, and put it back of the schoolhouse. It is placed under a window so that it can be seen easily. Every day the children bring food and put crumbs in the box for the birds. The two kinds of birds which are most common are the chickadees and bluejays. For drawing lessons the pupils have drawn pictures and posters of birds. For language, stories have been written stating why we should feed and protect the birds. The posters and stories have been distributed around the room. The children have also discussed orally, how we can protect our birds. Early in the Spring the pupils will start a bird chart. On the chart will be given the names of the first birds seen, date when seen, and by whom.

The children also have a wild flower garden. Last Spring they worked in the garden and many wild flowers grew. Some of the flowers were: violets, honeysuckles, trilliums, lily-of-the-valley, jack-in-the-pulpit, wild oak, ladies' slippers and several others. This year seeds are going to be planted around the schoolhouse for cultivated flowers. A flower chart is going to be made also, which will be similar to the bird chart. Excursions were made into the woods, hunting for wild flowers and learning their names.

At Lower Corner School, because of the cooperation, enthusiasm, and friendly spirit of the children some very interesting and profitable units have been carried on.

They keep the classroom as bright and cheerful as possible with exhibitions of work in art, and colorful borders are in keeping with the time of the year. They have had exceptionally good results with papier mache maps and miniature bird cages, made of macaroni and variegated yarn. Other units have included plaster of paris plaques, Egyptian scrolls, designs for clothing, rugs, curtains, etc. They found paper crystals difficult to make as were the initial letters. Pins were made for Christmas gifts; they also worked out and painted their own Christmas cards. Art work has been correlated with all subjects, even to the arranging of the Bulletin Board, which keeps the pupils supplied with items and pictures concerning the news of the world.

CONCLUSION

In conclusion I wish to thank you, the members of the School Board and our fellow citizens for the broad-minded interest and patience extended to the schools in our dealing with our very human problems. Our objective is to help children develop a responsible and sane attitude toward the problems of life in and out of school. In this matter the home has the greatest responsibility, and the general home cooperation with our work is in a large measure responsible for the success of the year.

Respectfully submitted,

ALMON W. BUSHNELL,
Superintendent.

TOWN OF SANDWICH

REPORT OF SCHOOL NURSE FOR YEAR 1940-1941

This report is a summary of the work done by the school nurse from January 1, 1940 to January 1, 1941.

| | |
|-------------------|-----|
| Pupils examined | 160 |
| Visits to schools | 98 |
| Visits to homes | 123 |
| Business calls | 56 |

Dr. Robert S. Quinby, the school physician, examined every child in each school; so each child had the benefit of a complete physical examination. No evidence of serious contagion was found in any child at the time of examination. All children were measured once, and weighed several times during the year. Vision tests were made on all the children. Individual inspection on each pupil was done several times during the year.

Various clinics were made use of through the year:

Three children attended an eye clinic by Dr. J. A. Hunter, of Dover, N. H. Eye examinations and lenses were prescribed and obtained for these children.

Eight children attended several orthopedic clinics, during the year, at Laconia, N. H.

Seven children were taken to see doctors, while three children were accompanied to the hospital.

An excellent dental clinic was held from May 7th to June 5th, 1940. Dr. A. F. Pottle, of Meredith, did the work at special rates. A summary of the clinic shows 39 pupils were treated, with a total of 156 operations being done. The clinic was financed through private funds, Sandwich Red Cross, and the Carroll County Commissioners.

The milk and cod liver oil used in the schools last year, showed to what excellent use it was put. The average gain in weight, for this group, was 6½ lbs. each. Largest gain by a single child was 13 lbs.; smallest gain by a single child was 2 lbs. It is hoped that each parent will make a special effort to see that each child, at least from November to May of each year, will consume at least one pint of milk daily, plus two tablespoons of cod liver oil. The above statement proves its benefit for growth, plus the unseen body-building which goes with it.

The cooperation of the superintendent, members of the school board, teachers and parents of the community has been very much appreciated.

Respectfully submitted,

RUTH R. ALLEN, R.N.

VITAL STATISTICS as prepared by the Town Clerk

Births Registered in the Town of Sandwich for the year ending December 31, 1940.

| Date | Name of the Child | Sex and Condition | | No. of Children | Color | Name of Father | Maiden Name of Mother | Residence of Parents | Occupation of Father | Birthplace of Father | Birthplace of Mother |
