1931

A TRIBUTE TO FRANK M. JEWELL FROM HIS FELLOW TOWNSMEN

It is given to but few men to have and to hold the respect and esteem of their fellow townsmen for two generations as has Frank M. Jewell.

Mr. Jewell was born June the 6th, 1852, a descendant of one of the first families to settle in this town. On October 29th, 1872 he was united in marriage with Miss Mary Brown and for more than a half century together they worked for the best interests of the town.

At the Town Meeting held in March, 1882 he was elected a member of the Board of Selectmen and three years later in March, 1885 he was elected as Treasurer of the town which office he has held for forty-six years, making, lacking one year, fifty years of continuous service to this town.

He was elected to the office of Representative to the General Court at Concord in 1891 and again in the year 1895. During the year 1912 he was a delegate to the Constitutional Convention. From 1906 to the present time he has served the town as Moderator. In all the offices of trust and responsibility he has served with honesty and ability. He has always held the esteem and good will of his fellow citizens and now as he is to retire from political life after 49 years of continued service we can say in the words of our Superior Officer, "Well done thou good and faithful servant."

School Warrant

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School district in the town of South Hampton qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 10th day of March, 1931, at 1 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

SCHOOL REPORT

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of the public schools and the payment on the statutory obligations of the district, as determined by the school board in its annual report.

Given under our hands at said South Hampton this 18th day of February, 1931.

GUY SMITH,
ANNIE L. CURRIER,
ELLA J. CURRIER,

School Board.

Auditors' Certificate

This is to certify that we have examined the

books, vouchers, bank statement and other financial records of the treasurer of the school district of South Hampton, of which the above is a true summary for the fiscal year ending June 30, 1930, and find them correct in all respects.

ARTHUR M. FRENCH,
THOMAS P. CURRIER,

Auditors.

July 15, 1930

Report of the Superintendent of Schools

To the School Board and Citizens of South Hampton:

It is a pleasure to present to you my fourth annual report as Superintendent of the South Hampton schools. A report is also presented by Miss Helen Thomas, School Nurse.

There were 46 pupils enrolled in our schools last year (this is 6 more than during the year ending in June, 1929). The attendance averaged 95.7% of the membership. This figure is slightly above the average for the state during this period. Two pupils were neither absent nor tardy during the year. In the matter of tardiness our record was not so good.

Your attention is called to the table of statistics at the end of this report. It contains detailed information about the schools not easily printed in any other form.

The following table shows the attendance in the South Hampton schools during the last five years and is presented to show the trend of our school population:

Number of pupils enrolled in 1926	42
Number of pupils enrolled in 1927	51
Number of pupils enrolled in 1928	59
Number of pupils enrolled in 1929	40
Number of pupils enrolled in 1930	46

There were no changes in the teaching staff at the opening of the present school year and I feel that we are fortunate in being able to retain our present teaching staff.

It is gratifying to know that the health instruction offered in the schools is actually improving the health of the pupils and the parents, teachers, school nurse, and pupils are removing many of the physical defects that hinder the mental and physical growth of the boys and girls in our schools. Local organizations have often assisted the school nurse financially in her work. This assistance has been used to remove adenoids and tonsils, glasses have been secured in a few cases. Statistics concerning this work will be found in the school nurse's report.

It is continually necessary to buy new text books. As old books wear out they are replaced by those that better meet the general educational conditions. We have during the past year bought new Health books, Geography, History and Reading books.

Schools are continually changing in curricula, methods, and management. If this were not so the educational system of a community would soon lose the support and confidence of its people. The Program of Studies for grades 1-6 has been revised by the State Board of Education and was distributed during the Fall of 1930. This new program is greatly appreciated by the teachers.

According to our tests, steady improvement is being made in the routine work of the schools. Our principal difficulties are in adapting the work to the individual differences found among the children. Both achievement and mental tests have been given. These tests are of great help to the teachers and give them a better understanding of both class and individual needs.

The two rooms at the Barnard School are now equipped with a fine type of adjustable desks. The grounds about the building have been greatly im-

proved by the gravel surface, put on last summer. The school plant is being steadily improved each year due to the very helpful cooperation of the Trustees of the Barnard School Fund.

At institutes held in various parts of the state last Fall, a Headmaster of a High School was among the speakers. These Headmasters were all of the opinion that the product from the Rural School found in High School is equal in general ability to that coming from the Village Schools. They believed it surpasses it in responsibility, in power to work independently and in general ambition.

The work in all our schools appears to be of a good grade this year. This is due chiefly to the ability of the teachers in no small degree, also to fine spirit and interest shown by the citizens as well as the school officials. In closing I wish to express my thanks for the hearty support of parents, teachers and school board in the work of the past year.

Respectfully submitted,

WILLIAM J. NELSON,

Superintendent of Schools.

Report of School Nurse

CONTENTS

Town of South Hampton:

I herewith submit my annual report for the year 1929-1930.

Number pupils examined, 42.

Number pupils underweight, 3.

Defective vision, 4.

Nervous condition, 1.

Defective second teeth, 18—7 treated since last exam.

Defective breathing, 2.

Diseased tonsils, 12—2 treated since last exam.

Enlarged glands, 9—2 treated since last exam.

There is great need of a dental clinic here, if funds could be obtained to finance one. Children would be asked to pay their own bills, if possible, and a small fund would be needed for charity work.

Number of visits, schools, 36.

Number visits, homes, 7.

Children weighed each month.

Weight charts placed in each room.

Weight records sent home to parents.

Health talks and stories in the primary rooms.

Weight and clean teeth contests held. Gold stars awarded.

Respectfully submitted,

HELEN W. THOMAS, R. N.,
School Nurse.

**Brief Summary of Work For Entire Union of
Six Towns**

Total number children examined	1,228
