## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Stoddard :

I herein submit my ninth annual report as superintendent of schools.

These days of business depression forcibly impress on us conditions that are difficult to meet. However, we can cope successfully with our environment if we adopt the slogan of economy, thrift and efficiency.

Let us remember that renewed interest should be focused at this time upon the need of efforts to encourage and assist the young people to remain in school. Let us remember the splendid spirit put forth by the teachers of our entire country during this period when financial conditions have caused great hardships. Their attitude has been one of the bright spots in the depression.

Let us not forget that functions of our schools must revolve about the creative interests of the child. In the words of President Hoover, "We approach all problems of childhood with affection. Theirs is the province of joy and good humor. They are the most wholesome part of the human race, the sweetest, for they are fresher from the hands of God."

These beautiful words should give us courage and inspiration to carry on and prepare the growing generation in such a way that it may successfully cope with the conditions that await it.

### HEALTH ACTIVITIES

William M. Robb, M. D., medical examiner, examined in the month of January, 1931, 17 pupils with the following results:

Defective vision,	3
Defective teeth,	15
Diseased tonsils,	7
Adenoids,	5
Enlarged glands,	1

### PROMOTIONS

The following numbers of promotions in respective grades were made in June :

Grades	I	II	III	IV	V	VI	VII	VIII
	0	1	1	0	5	1	5	2

The above promotions were made on the five point basis, viz: Regularity of attendance, term rank, standard tests, judgment of teacher and judgement of superintendent. Stanford's Achievement Tests were given at mid-year and in June. The Otis Standard Graduation examinations for elementary schools was given to the eighth grade.

Judging from these tests the grades maintained creditable standing.

Ethel Sibley and Elinor Jennings having completed their Eighth Grade continued their work in high school last September; Miss Jennings entering the Keene High School and Miss Sibley entering the Milford High School.

### TEACHER FOR YEAR ENDING JUNE 30, 1931

Miss Marion E. Russell continued her service through the year. Miss Russell having successfully taught this school for two and one-fourth years decided to resign last June.

Miss Marjorie Record, graduate of Keene Normal, three year Junior High School Curriculum, was selected for this position.

Miss Record has the school well organized, is receiving the cooperation of parents. Judging from the progress of the school at present, it gives promise of a successful year.

In conclusion, I wish to thank the school board, teachers, parents and citizens for their cooperation and support.

Respectfully submitted,

FREDERICK T. JOHNSON,

Superintendent of Schools.
