REPORT OF THE SUPERINTENDENT OF SCHOOLS IN MADBURY, N. H.

TO THE SCHOOL BOARD AND CITIZENS OF MADBURY:

I am submitting my sixth annual report. On July first Milton was added to Supervisory Union No. 56, which is now composed of Somersworth, Rollinsford, Durham, Madbury and Milton. This enlarged territory has necessitated a revision of time given to Madbury but as a rule both of your schools are visited each week, and never less than once in two weeks. I believe in frequent short visits rather than in long ones far apart. Both of the teachers this year are new to the work in Madbury but I can truthfully say that they are maintaining the standards set by the teachers who preceded them. Both of the school buildings are in reasonably good shape. The teacher and pupils have worked hard at the Center School to improve their yard. I wish that at some time we could get the good cooperative spirit working and have a "bee" at this school to make a school yard to compare favorably with DeMerritt Square. This could also be done at the North School where a good playground could be made better. We also need swings and tecter boards.

All last winter milk was distributed to pupils who needed it to build up strong bodies and the money was provided from Federal funds. In November of this year the fund was renewed and will be continued, probably until June 1. Six bottles per day are provided for each school.

No State Aid was received in December of this year but it is hoped that a small amount will be received next

year. Since Dover charges a high rate of high school tuition, nearly one-fourth of the school funds provided go for this item.

At the time of this writing a coal grate is being installed at the Center School and we hope that this will enable the children to have a more even and comfortable temperature in their school room. The outside door is an improvement.

The report of the School Nurse follows.

Respectfully submitted,

HOWARD L. WINSLOW

ELLA CYNTHIA CANNEY (widow of H. Edsell Canney), daughter of George W. Young, Barrington, N. H., and Cynthia E. Moody, Tamworth, N. H. Aged 82 years, 11 months, 18 days.

MRS. ELLA CYNTHIA (YOUNG) CANNEY

In July of this present year came the sad news that Mrs. Canney had passed away after an illness of several weeks.

Mrs. Canney was born August 10, 1851 in Dover, N. H., and was the daughter of George W. Young and Cynthia E. Moody. On June 24, 1880 she married Herman Edeil Canney. For several years the couple lived in Clarksville, Virginia, coming to Dover, N. H., to make their home for over forty years.

In 1900 Mr. and Mrs. Canney came to Madbury to live in the old Paul Chesley home. Here Mrs. Canney led a quiet, useful life to the present time. She was kind to neighbors and all who came in contact with her. In her home she was most efficient and "looked well after the ways of her household."

Three children survive her—Herman C. Canney, Mabel Canney, and Elmer Canney.

MRS. ELLEN MARIA WEEKS HAYES

The town has lost another valued citizen in the passing of Mrs. Hayes. For many years, as the wife of Mr. Charles W. Hayes, she was a prominent and useful citizen of Madbury.

She was born in Strafford, N. H., April 29, 1843 and was the daughter of William and Maria (Clark) Weeks. When about five years of age she moved with her family

to Barrington, N. H., where she made her home at the Weeks homestead until she married Mr. Hayes, November 8, 1866 and came to live in Madbury. She was prominent and influential in all church, educational and social affairs of the town. In later years she made her winter home with her oldest daughter, Mrs. George E. Crosby, in Allston, Massachusetts, spending each summer at her home in Madbury in the usual activities with her many friends.

She passed away at the advanced age of 90 years, 3 months and 27 days. There are three daughters born in Madbury to mourn her loss. Mrs. George E. Crosby, Allston, Mass., Mrs. Charles S. Fuller, Cambridge, Mass., and Mrs. Lorenzo E. Baer, Rollinsford, N. H.

For a number of years Mr. and Mrs. Hayes lived in Dover, N. H., keeping the old home and farm in Madbury. During this time both became members of the First Parish Church and the Historical Society called the Northern Colonists.
