There have been three cases of diphtheria successfully attended to as above; the same necessitating the disinfection of two family houses, and two schoolhouses, and requiring the suspension of the schools a few weeks. Formaldehyde has also been used, by request and advisedly, in the purification of dwellings where cancer and other diseases have prevailed.

We have noticed twenty-six cases of measles, the past year, in mild form, recovered.

GEORGE B. LANE, TOWN CLERK.

Amount at risk Dec. 31, 1909, $108,345 00

Premium notes held by the Company on policies in force Dec. 31, 1909, $5,417 25

Balance in favor of the Company as per Treasurer's report January 1, 1910, $295 38

OTIS S. SANBORN, President.

OTIS S. SANBORN, THOMAS O. TAYLOR, CYRUS SWAIN, GEORGE B. LANE, GEORGE A. LEAVITT, Directors.

ALBERT M. OSGOOD, Treasurer.

HERBERT J. L. BODWELL, Secretary.

The attention of every policy holder is called to the following:

By vote at the annual meeting of the Company held January 7, 1901, policy holders wishing to remain away longer than thirty days may keep the insurance on their property good, by applying to the secretary for a permit to leave their premises unoccupied for such time as they may specify, paying for the same five cents per month for every one hundred dollars for which they are insured.
The School Board hereby submit their report for the year ending Feb. 15, 1910.

We have had thirty-one weeks of schooling, except at the Bay school. There, owing to the inability of the teacher to complete the last term, there were but thirty weeks.

School at North Sanbornton was in session only one term,—spring and summer. At the opening of the fall and winter term, the pupils were few, and, conveyance was provided for their schooling at Gaza.

The pupils in the Osgood neighborhood for the spring and summer term were conveyed and schooled at the Chapel. For the fall and winter term a school was supported at the Osgood.

The school work has been pursued with little interruption from sickness except at Calef Hill and Gaza. Both of these schools were closed for a short time by the board of health on account of diphtheria,—the first during the spring and summer term, the last during the fall and winter term. The lost time, however was subsequently made up in both schools.

Teachers were employed and located as follows: Calef Hill, Claris Hanson, both terms; Square, M. Pearl Colby, both terms; Hunkins, Iva A. Eastman, first term. Ruby E. Lane, second; Meadow, Ruby E. Lane, first term, Jennie L. Sanborn, second; Bay, Ethel Ward, both terms; Gaza, George W. Gilman, both terms; Chapel, Mildred Stearns, first term, Kate L. Thompson, second; New State, Kate L. Thompson, first term, Mildred Stearns, second; Osgood, Mary N. Redding, fall and winter term; North Sanbornton, Mary N. Redding, spring and summer term.
These teachers, all, had previous experience. They have been industrious, faithful and successful.

The patrons of our schools have shown considerable interest in the school work by frequent visitation.

Facts of interest will be found in the statistical table.

We call attention to the roll of perfect attendance.

We estimate that for the ensuing year, seventy-five dollars will be needed for text-books, and twenty dollars for supplies.

Pupils have attended high schools and academies as follows: at Laconia High School, Gladys L. Johnson, Van E. Leavitt, Harold C. Hill; Franklin High School, Robert W. Dearborn; Tilton Seminary, Joseph C. Bodwell, Jonathan M. Bodwell, Luther G. Lougee, Porter G. Perrin; New Hampton Institution, Blanche N. Howe, Bertha A. Smith, Earle E. French, Horace L. Howe, Ida G. Emerson; Bristol High School, Susan J. Hanson; Colby Academy, Clarence J. Woodman, Dorothy Frost.

For the year ending with the winter term of 1909 and 1910, the town has paid high school tuition amounting to $409.51. We recommend the appropriation of $500, for the ensuing year, to cover high school tuition.

OTIS S. SANBORN, TREASURER.
Auditors' Report.

We have examined the accounts of the selectmen, treasurer, overseer of the poor, board of health, library trustees, treasurer of the school board, officers, etc., of the town of Sanbornton, for the year ending February 15, 1910, and find them correctly cast and properly vouched, and the financial statement true.

We have also examined and found correct, the report of the Sanbornton Agricultural and Mechanical Association.
