ANNUAL REPORTS

1985

TOWN OF
TAMWORTH
NEW HAMPSHIRE

UNIVERSITY OF NEW HAMPSHIRE
LIBRARY

**EVA B. "SHORT" SEELEY
(1891 - 1985)**

On June 12, 1981, her ninetieth Birthday, Eva B. "Short" Seeley was honored and recognized by the Senate of New Hampshire for her outstanding contributions to the Granite State and to the world in the fields of breeding, training, exploration and military assistance of Malamute and Siberian Husky dogs.

TOWN HOUSE STONE WALL

The granite slabs recently placed in front of the Town House had formed the foundation of the Gilman Clark Family, near the top of Stevenson (now Cleveland) Hill, which burned on the snowy night of January 31, 1945, with the sad result of the death shortly afterwards of the Minnie Clark Chesley, then living there by herself from burns and exposure.

The property was later acquired by Robert Finley who gave the stones to the town for their present use.

ARTICLE No. 51. To see if the Town will vote to request that the present and all future Selectmen shall supply all future annual Town Reports to contain full detail of receipts, expenditures, completed balance sheet, and all expenditures itemized and stating who received them: said reports to equal the completeness of the 1983 reports.

ARTICLE No. 52. To see if the Town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of Tamworth and State of New Hampshire: and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the U.S. Department of Energy's (DOE's) present plan to dispose of radioactive waste and into the DOE's competence to carry out such a plan.

ARTICLE No. 53. To see if the Town will vote to require that specific approval be voted at a Town Meeting before the Selectmen, or any other official or agent of the Town, applies for, accepts or expands funds from a State, Federal or other Governmental unit, for payment to or on behalf of any non-governmental corporation or entity, whether non-profit or otherwise.

ARTICLE No. 54. To see if the Town will authorize the Trustees of the Trust Fund to turn over to the Cemetary Commissioners approximately 2.5 acres currently known as the Town Forest; said land to be used for future cemetary purposes.

Should the foregoing Article not pass

ARTICLE No. 55. To authorize the Trustees of the Trust Funds to spend monies from their reserves to purchase land for cemetary purposes.

ARTICLE No. 56. To transfer the authority for management of Ordination Rock and the Veterans Monument Plot at the junction of Main Street and Rt. 113, from the Selectmen to the Trustees of the Trust Fund.

ARTICLE No. 57. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend funds from the State, Federal, or any other Governmental unit, or any private source which might become available during the year in accordance with the procedures set forth in RSA 31:95b.

ARTICLE No. 58. Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000.00.

ARTICLE No. 59. To see if the Town will vote to authorize the Selectmen to dispose of any property acquired by Tax Collector's deeds.

ARTICLE No. 60. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of Taxes.

ARTICLE No. 61. To Transact any other business that my legally come before the meeting.

FINANCE COMMITTEE REPORT

The Finance Committee held three meetings in which every warrant article involving a proposed appropriation was discussed and researched.

The results of the Finance Committee's vote is recorded with each warrant article. The following gives an explanation of their vote on certain articles.

Article #(26-A) Tamworth Fire Dept.

Central Station addition

The Finance Committee could not justify a need for the addition and suggest other alternatives be considered.

Article #(36) Lord's Ambulance Service.

The Finance Committee agreed to this request amount with the understanding that, this would be the last payment for a three year contract.

Article #(41) Center of Hope, Inc.

The Finance Committee felt, that due to the fact the Center of Hope is a tax-exempt organization and have made no donation in lieu of taxes on the property in Chocorua, this, in itself, is a very generous donation.

The Finance Committee is planning to hold further meetings throughout the year to study numerous aspects of town financing and, possibly, achieve a greater economy, and, if so, make these recommendations to the Selectmen.

1984 FINANCIAL REPORT
 As prepared by Dept. of Revenue Administration
 at the request of the Selectmen

TOWN OF TAMWORTH
Analysis of Change
As of December 31, 1984

Fund Balance December 31, 1884	\$113,361.27
Fund Balance December 31, 1983	<u>91,428.19</u>
 Change in Financial Condition	 \$ 21,933.08

Proof of Change

Increase in Fund Balance:

Unexpended Appropriations	\$20,927.69
Revenues Over Estimates	54,171.10
Reversal of Reservations (1)	<u>1,064.62</u>
76,163.41	

Decrease in Fund Balance:

Surplus Used to Reduce Tax Rate	\$48,000.00
Prior Year Appropriations (2) <u>6,230.33</u>	
<u>54,230.33</u>	

Net Change	\$21,933.08
------------	-------------

- (1) Prior year yield taxes were reserved on the 1983 financial statement. This is to reverse this action.
- (2) When we reviewed the 1983 financial statement we disallowed the carry forward of certain appropriations. This year, upon further examination, we decided to restore some of these. This is to account for this process.

TOWN OF TAMWORTH
Balance Sheet

TAMWORTH POLICE DEPARTMENT

To the Honorable Selectment and Citizens of the Town of Tamworth,

1985 was another busy year for the police department. We saw many changes in the town, the building boom and the conversion of some of the houses in the village to apartments has added alot of new people to the community and as with increase in population also comes an increase in the numbers of calls for service.

We had great support from the town and the Board of Selectmen this past year, hopefully 1986 will be more of the same.

Respectfully,

ROGER A. WATSON

REPORT OF TAMWORTH FIRE DEPARTMENT

Tamworth Fire Department had 80 emergency runs in 1985:

6 Dump Fires	17 Vehicle Accidents
14 Chimney Fires	6 Structure Fires
4 Grass Fires	2 Mountain Rescues
2 Brush Fires	3 Standby
10 Vehicle Fires	2 Smoke Investigations
6 Mutual Aid Runs	8 Others

The Fire Department held 12 regular drills in 1985 and participated in 4 mutual aid drills. Diane Bowles and James Bowles completed the Certified Firefighter Level 1 Course and passed the exam.

The number of runs seems to be increasing. Everyone can help keep the number down by checking and cleaning when necessary their chimneys and stove pipes. When burning brush, make sure the fire is out before leaving, and if you burn with snow on the ground, give us a call just to let us know. Also at the dump, throw your brush into the brush pit and not outside. If you smoke, be careful to put the cigars and cigarettes out and never put them in a combustible container.

When installing a stove, get a pamphlet on how to do it from us or your insurance company. Remember by law you must have a permit to install an oil burner.

Make sure you have an emergency sticker on your telephone or telephones.

Signed,

DAVID A. BOWLES, CHIEF

SELECTMEN'S REPORT 1985

The Selectmen would like to thank the co-relating elected and appointed boards and officials for their accomplishments and efforts put forth in the past year

To conclude 1984 and start 1985, the selectmen requested an audit and analysis of the Towns accounts by the Division of Revenue Administration, the findings of which are in this annual report. Since the analysis, much effort has been put into modernizing an antiquated bookkeeping system and to make it more simplistic.

The landfill area clean-up in the spring was accomplished with the help of the highway crew. A new hole was dug as will another have to be done this spring. Several citizens have requested that this be done on a bid basis and the selectmen feel that this is only good business practice.

In late summer the Town received rulings from Water Supply and Pollution for a hydro-geological study and monitoring wells to be installed at the land fill site. An article for an appropriation was also requested by Water Supply and Pollution and after several consultations the selectmen have arrived at a figure. This will be an expensive study and it is an inevitable project that will never be less costly.

The selectmen have engaged the local Boy Scouts for a spring-summer beautification project, containing the planting of shrubs.

Fire destroyed the attendants shed in the late fall, and this was replaced with a new and more adequate building at material cost only.

Beautification and safety were both accomplished by the town highway crew by widening the street and providing a more adequate parking area in front of the selectmen's offices. The question of a retaining wall material was quickly solved by the generous donation of split stone by Robert Finley for which the Town is thankful and forever grateful.

The Town Hall and Selectmen's and Nurses Offices were repainted and repaired outside by contracted services and inside voluntarily. The Town Offices will need roof repairs for the ensuing year, and there is thought for opening the upstairs for conference purposes.

The rescue squad has matched the Police Dept's request

for a Reserve Account for future vehicle aquisition which the selectmen feel is good budgeting.

The Recreation and Highway Dept. had this year's only request for Revenue Sharing monies. The highway Dept. would like to replace their York Rake.

The recreation Dept. was given permission to use the Town property on Durrell road and are now seeking funds to establish a much needed park area, which to date has been used as a skating rink.

The Jeffer's Bridge case was concluded after 7 years with an out of court settlement. The monies have been placed in escrow, pending any other litigation or rebutal.

Our tax rate came down very slightly this year, and our voting populice will determine next years direction.

Finally we would like to say a special thank you to those who contributed to the continuity of Tamworth and its honorable citizens and keep it their place to live.

WILLIAM McCARTHY
STANLEY HAMMOND
SAMUEL HIDDEN

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGERS

Between July 1984 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of the Forest Fire Warden. Both causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

FOREST FIRE STATISTICS - 1985

TAMWORTH RESCUE ANNUAL REPORT

As 1985 closes we can reflect on a busy year. The number of runs being 119.

We are busy building up our regular squad and adding auxillary members to help with paper work, etc.

The squad members all passed a special driver safety course learning the specialty skills of auto and squad driving. We have also completed Mast Trouser and have one EOA certified.

We would again like to thank the people who have so generously donated to the rescue squad and continue to support our services.

STATISTICS FOR 1985

No. of runs - 119

Average response time 3.7 min.

Average run time 1 hour

Average no. of personnel on each run 2.8

Type of runs

19 Motor vehicle

76 Medical

17 Fires

3 Mutual aid

2 Mountain rescue

Total hours 6 x1 in service on runs 110 hrs.

Total personnel hours on runs 297 hrs.

No. of patients 104

Respectfully Submitted,
NANCY PALMER, RN, EMT
President Tamworth Rescue Squad

TAMWORTH PLANNING BOARD ANNUAL REPORT 1985

The Tamworth Planning Board continues to hold their regular meetings on the fourth Wednesday of each month at the Town Office Building at 7:30 P.M.

In 1985, the board issued their first Gravel Pit permit in the Town of Tamworth.

The regular meetings consisted of six (6) Boundary Line Adjustments and reviewing nine (9) sub-division requests, all of which were approved.

James Boothby, Jr., Treasurer, resigned in September, due to the fact that he was unable to attend many of the meetings. The Planning Board accepts his resignation with regrets.

Respectfully Submitted,
JOHN E ROBERTS,
Chairman
Tamworth Planning Board

TAMWORTH CONSERVATION COMMISSION REPORT FOR 1985

PRIME WETLANDS. Final report and maps of Prime Wetlands were received in January from consultant, Barry Keith. All eight qualifying wetlands will be proposed to the Town for designation as "Prime". The vote will be by ballot at the time of voting for Town officials, each wetland to be voted on separately.

At present a permit is required from the State Wetlands Board for dredge or fill in any wetland. The Conservation Commission receives a copy of the permit application, checks the site, holds a hearing if needed, and reports to the Wetlands Board, which makes the decision as to granting the permit.

If a wetland is designated by vote of the Town as "Prime", the procedure is the same up to the time of the Conservation Commission report to the Wetlands Board. But the Wetlands Board **MUST** hold a public hearing and may not approve an application for dredge or fill unless evidence at the hearing clearly indicates there will be no damage to the wetland if the permit is granted.

Wetlands proposed for designation as "Prime" are: Great Hill Pond wetland, 94.5 acres; Jackman Pond wetland complex, 59 acres; Upper Bearcamp River wetland-flood plain, 3 acres; Lower Bearcamp River wetland, 34.5 acres; Swift River wetland complex, 59 acres; Chocorua River-Moores Pond wetland, 61 acres; Upper Chocorua River, west side of Route 16, 37 acres; and Upper Chocorua River, east side of Route 16, 139 acres. Maps showing these will be posted at the School at the time of voting.

After a full conference with the Planning Board in September, the Conservation Commission held an informational meeting in October to which all abutters to or owners of land in the proposed wetlands were invited; on November 25th the Planning Board held a Public Hearing on the proposals, and a second hearing was advertised for January 6th.

DREDGE AND FILL. The Commission has checked sites for five dredge and fill applications and reported approval to the Wetlands Board. In one case where a

swimming pool was to be made and another concerning river bank erosion Soil Conservation Service had been consulted and its advice was to be followed as to procedure, which was most helpful to the Commission in assuring the work would not cause environmental damage.

TRAILS. An updated trail brochure has just been published which includes the new link-up trail from Black Spruce Bog to the Pitch Pine Trail at White Lake. It is available at both libraries, Remick's Other Store, Hamels, the Inn and the Laundromat.

Several of the trails have been brushed out and large orange arrows placed at most of the trailheads.

COMMISSION MEMBERS. Tom Willgoose resigned after serving six years, in which time he did considerable volunteer work, especially on trails. Our appreciation goes to him.

In September the Selectment appointed Carrie Mauhs-Pugh to the Commission. As her background is in communication and public relations, environmentally related, she has been asked by the Commission to handle all publicity.

OTHER ACTIVITIES. The Commission has again contributed, in cooperation with the Tamworth-Sandwich Garden Club, toward a scholarship for a student at the Forestry Society's Conservation Camp.

A commission member attended the annual meeting of the H.H. Association of Conservation Commissions, an informative meeting on groundwater and the federal mapping project now taking place in New Hampshire.

At the request of the Commission the Selectment have accepted two easements, restricting any building, on land of Dick Alts along Mill Brook and of Percy Oltons on Wonalancet River. Such easements are valuable not only because they protect stream banks, but because they included public access.

The boundary dispute as to land on Bearcamp River in Whittier donated to the Town by Charles Thompson (reported on last year) is nearing a solution which indicates it may be settled in favor of the Commission.

At Great Hill Tower the lower roof, which was in bad shape and unsafe should a child crawl out on it, has been

removed by town workmen at the Commissions's request. No other work has been needed on the Tower.

MEETING, CONFERENCES AND WORKSHOPS

Monthly network meetings of the Carroll County Community Health Professionals held at the Mountain View Nursing Home in Ossipee. This provides an excellent opportunity for professionals in this large county to come together and discuss the many topics concerning health and community projects and concerns.

Jan. 8, 9, 10 - attended the Senior Self-Care Instructor's workshop with Barbara Fromm, Isabelle Bookholz and June Donovan.

February 28 - Team meeting regarding the care of one of our patients.

March 12 through May 28 - Senior Self-Care Program on Tuesday mornings at the Town House.

March 18 - Attended an inservice on Alzheimer's Disease. Danuta Stachow spoke on the disorder, its diagnosis, stages involved and experimental treatments. A great deal of focus lay with assisting the family in caring and coping with an individual with this disease.

May 14 - Attended meeting at Moultonboro Visiting Nurse Service on Intravenous Therapy and the impact this may have in the future with more patients being discharged from the hospital with intravenous medications.

August 29 - Meeting with Dr. Thomas Scott, M.D. at the Chocorua Clinic.

September 12 - Attended inservice on Drug Interactions in the Elderly Patient. Statistics illustrate that 12% of the population are elderly and this small number consumes 20-30% of the drugs in this country. Many use a number of medications at once and therefore need monitoring for side effects. This inservice proved very valuable to the nursing service since the majority of our clients are elderly.

October 22 - Attended meeting with other Home Health Care Professionals in Carroll and Belknap Counties concerned about the Future of Home Health in New Hampshire.

October 24 - Attended the 3rd annual Alzheimer's Conference at Sunny Villa, sponsored by the Carroll County Health and Homemakers Service and the Alzheimer's group. Once again, of particular interest to our service is home care of this terrifying disease and what resources are available in the community to give the family respite from this 24 hour-a-day job.

December 5 and 12 - Attended workshop concentrating on Chronic Obstructive Pulmonary Disease, sponsored by the New Hampshire Lung Association. It provided an educational opportunity for community health nurses to update physical assessment skills and current treatments for this patient at home.

last Wednesday of the month from 12:00 P.M. - 1:00 P.M. I would like to take this opportunity to encourage both young and old to come in and have their blood pressure checked regularly. Health care is not only geared to treating the ill, but very importantly towards preventing future threats to our health.

The Senior Self-Care Program was held from March 12 to May 28. There were twelve sessions from 10 A.M. - 12 P.M. at the Town House. There were 17 participants who were very enthusiastic and active in the program. The program revolved around the theme of self responsibility in health. Each week a new topic was presented and discussed. At several sessions there were guest speakers which included - Charles LeCasce from Human Services, Rev. Michael Kyle from St. Andrews Church, Becky Mulkern from the Center of Natural Health, Doris Citron from Mental Health, Mike Smith, a pharmacist and Lyn Stanhope, a message therapist. We received much positive feedback on these classes. I would like to extend a sincere thank you to the volunteers, Barbara Fromm, Isabelle Bookholz and June Donovan. Without their help the program could never happen.

In June we held out first CPR training course, which was sponsored by the American Red Cross. Eleven townspeople received training and certification.

The yearly children's dental program supported the dental care of 24 children from Kenneth Brett School. Once again, Dr. Michael Glick, D.M.D. in Ossipee provided this service for us.

Once again, St. Andrew's Church and Food Pantry prepared Thanksgiving baskets for the TCNA to deliver to needy Tamworth residents. Seven baskets were delivered. Our deep appreciation goes to those who helped.

As in the past, Albert Ecker, as Santa, and his helper delivered gifts and food to 56 individuals and nine families on December 20. Many thanks to the townspeople, the Lion's Club, the TCNA Board of Directors, and Santa for donating funds, gifts, and time. If only you all could have seen the faces on those who received your bounty, especially the children. Believe me, they appreciated it.

To those of you I have not met, my name is Connie Curtin. I assumed the Community Nurse role on July 30,

1985. After a two week orientation with our former nurse Kerrie Trumble-Curtin who took a position, still close to home, as school nurse. Due to the increasing need for continuing education of both the nurse and the townspeople, our service has employed a part-time R.N. to enable us to expand. Minda Streeter, R.N. was oriented to the service in November and you will be seeing her around the community now. I would like to extend a sincere thank you to June Donovan, our secretary and Minda. Just a quick reminder our service is free to anyone in Tamworth, but do appreciate any donations. Feel free to call.

CONNIE CURTIN, R.N.

COMMUNITY PROJECTS

Meals on Wheels is still going strong in its seventh year. During 1985 between 6 and 11 clients received this service. This project could not function without the dedicated help from our volunteer drivers and Charlotte Remick, Coordinator. Congregate meals are also offered at two sites on alternate Wednesdays. Here many Tamworth senior citizens take a small bus to the site and have a hot meal. This program provides good nutrition, as well as, much needed socialization.

Our monthly blood pressure clinic has been very successful, showing a steady increase in participants from last year. This free clinic is held at the nurse's office on the

ANIMAL CONTROL 1985

During the 1985 year, I impounded 60 dogs in response to 65 complaints. I placed 6 dogs and 3 dogs were euthanized. Although I issued a court summons on four separate occasions only one case necessitated a court appearance. At this time two dogs had been removed from their owners on charges of cruelty. The court found them both guilty of this charge. One dog was accepted for placement by the Doberman Rescue League; the other dog was accepted for adoption at the Humane Society. Two dogs

were the victims of car accidents. The State Police handled one of these accidents and the driver of the car accompanied the injured dog and the police to the veterinary. Although very badly innured, this dog did survive and was finally able to return home to convalesce. The second dog, a victim of hit and run, was still alive when I arrived on the scene but died during my transport to the veterinary. I travelled a total of 895 miles in 1985.

A Rabies Clinic was held at the Town House on Saturday, April 13 and again Barry Wade of Chocorua volunteered his time to help with the paper work. The officiating veterinary was Tevis Kraft, DVM. Another Rabies Clinic will be held early in April of 1986 with exact date and time to be advertised over WBNC and in the Carroll County Independent. All dogs MUST have a rabies shot and MUST be licensed by 1 May 1986. Licenses will be available at the Rabies Clinic.

Most of the complaints I receive continue to be the nuisance factor of dogs running loose and they are often repeat complaints. Please cooperate with the Tamworth Leash Law. It is not fair for you to allow your dog to run free and cause problems with other dogs who are restrained or with livestock which are confined. The problems which dogs cause in a community are never their fault - the fault is ours as their owners. If you have a dog please assume the responsibility which goes with this privilege. Take care of him; he needs you.

I greatly enjoy my job as your Animal Control Officer and I appreciate the help you give me in trying to solve some of the dog problems. Your calls to me and your willingness to hold a dog until I can get to your home contribute a lot to the efficiency of my job. I thank you. My thanks too, to the Carroll County Sheriff's Office, Troop E, the Tamworth Selectmen, Chief Roger Watson and Town Clerk, Ruth Beckwith all of whom help me to do this job successfully.

Respectfully submitted,

JOAN PHENTX.

Animal Control Officer

Tamworth Police Department

COOK MEMORIAL LIBRARY

In 1985 patrons made 6,217 visits (a new record) to the library to borrow 8,513 books, magazines, records, tapes, etc. We purchased or were given 398 books. We received through the State Library 155 books on Inter-Library loan at the request of individual patrons. We borrowed children's films from the State Library for 54 showings for the Day Care and we offer this service to any community group.

Local organizations may use the library for meetings (97 times last year by 19 different groups). The Library serves as a storage center for the town movie projector (a charge per use of \$1.00 maintenance fee), speakers & screen as well as cassette players and oral history tapes. The projector and accessories may be reserved by town groups and the tapes & players may be borrowed by patrons. The Library continues to show the best of movies (34 showings viewed by 229 people in 1985) as a community service on Wednesday at 2:00 & 7:00 through April.

We thank those friends who gave a total of \$500 in matching funds (to equal the Mellow Foundation grant) so that we could receive from the Library of America the 60 volumes of American classics. We have received 26 of the books so far and will receive the balance over the next 2 years. We also thank those who made donations in memory of Nunzio Guarino and Eleanor Ripley. Books were purchased and inscribed in their names as a lasting memorial. We thank Jean Gregg for the gift of a VCR in memory of her father, John Hoag. In 1985 the Gregg Children's Fund established by the family and friends of Marjory True Gregg gave us \$429 with which we purchased many much needed children's books.

My sincere thanks go to Isabel Hoag, Martha Sylvia, Sally Zink, Bertha Eastwich and Bernie Ulitz who volunteer their help each week. To Bertha Eastwick, Yvonne Hills, Sally Zink, Jean Greene, Betty Perkins and Ellen Eldridge - I am especially grateful for their continuing work on establishing a shelf list for the library. The seasonal beauty of our window boxes is due to the efforts of the Tamworth Garden Club (Evelyn Wallace in particular) and we do express our thanks. We are always grateful to friends and

patrons for gifts of books, paperbacks, magazines, newspapers, financial donations and memorials. Any material we cannot use is placed in our annual book sale.

The Friends of the Library meets on the 4th Tuesday of each month (except in the winter) at the library at 1:30 under the leadership of President Barbara Fromm. New members are always welcome. The Friends sponsored the Summer Story Hour with Louise Wroblewski at the helm. They also decorated the library in beautiful Christmas regalia both inside and out. This past year we received our Canon copier - - purchased by the Friends -- and it has been a very popular service with the public (and the library!). We wonder how we did without it. Thank you to all our dear Friends who made this possible!

The Library Board meets on the 2nd Monday of each month at 4:00 at the library and the public is always welcome. Again we stress that Tamworth residents may use both libraries and that either Chocorua Library or Cook Memorial Library is open part of every day of the week except Friday:

Monday	1:00 - 5:00	Chocorua Library
Tuesday	10:00 - 12:00	Cook Memorial
Library		
Wednesday	1:30 - 5:00	Cook Memorial
	7:00 - 9:00	Cook Memorial
Thursday	1:00 - 7:00	Chocorua Library
Saturday	1:15 - 4:45	Cook Memorial
Sunday`	2:00 - 4:00	Chocorua Library

We would like very much to see more use of the library in 1986. Our holdings include popular novels, the classics, paperbacks, non-fiction, reference works, newspapers, magazines, large print books, records, tapes (and in 1986 even jigsaw puzzles are available for loan.) etc. If we don't have what you want, we shall make every effort to obtain it. This is your library -- your center for information, study, research, leisure reading or just browsing. Please come in and get acquainted with this fine building and its multiple resources and services.

Respectfully submitted,

JEAN ULITZ, Librarian

TAMWORTH RECREATIONAL DEPARTMENT

Recreation programs throughout the year were well attended by all ages.

Trips for families, school age children, adults and senior citizens included the Ice Capades, Flower Show, Hockey Games Baseball Games, Roller Skating, Beach Trips and even a weekend trip to Cape Cod with the summer recreation baseball team.

Other ongoing programs included adult and boys basketball, boys hockey, soccer, tumbling, swimming at Fox Ridge, Hollow Hill Road Race and aerobics, the haunted house, wreath making class, Santa's annual visit to the Christmas party, and Winter Carnival.

New programs included, Easter Egg Hunt, Boys and girls track and field, Halloween Party, ice skating lessons, frog jumping contests, Little Red Wagon sponsored in conjunction with the Arts Council, pot luck suppers, entertainment by Patchy Ground Fog, arts 7 crafts, coffee house with local poets and musicians, Treathon at White Lake, an outdoor concert before the fireworks and of course, the spectacular 4th of July parade.

The recreation Dept. is looking forward to continuing these programs and the goal for 1986 is to continue work at the outdoor recreation area on Durrell Road.

Special thanks to: Outing Club, Whittier Lions & Lioness, Union Hall Association, Arts Council, Recreation Committee, Cook Memorial Library, Lloyds Construction, Marsh Construction, Tamworth Electric, Fred Bickford, all the volunteer coaches and officials, Remick's Store, Market in the Pines, Lou's Market, Watson's General Store, Remick's Other Store, The Fire Dept., Ricker's Auto, and all the volunteers who helped construct the outdoor ice rink.

WILLIAM WROBLESKI
Recreation Director

TAMWORTH WATER SAFETY PROGRAM 1985

The Tamworth Red Cross Water Safety Program, which is held annually at White Lake State Park in Tamworth beginning the first week of July, finished its four-week session on August 2, 1985. This year 162 participants were enrolled in the various swim classes. During the morning session classes included Advanced Beginner, Intermediate, Swimmer, Basic Rescue and Advanced Lifesaving. Noontime classes were for the very young beginner: infant, toddler and preschooler. Beginner classes for school-aged children were held in the afternoon. Other swim courses offered were adult instructions for various levels of ability, Adapted Aquatics for students with physical disabilities and special needs, and a new course this year was the Adult swim for fitness sessions.

Judith Conway, who serves as Director, has been involved with the Water Safety Program for over 17 years. Other instructors were Martha Chandler, Susan Spinney, Laura Dodge and Beverly Hammond.

Special thanks are due Don McGarity of the Tamworth Rescue Squad for his presentation on Artificial Respiration and Cardiopulmonary Resuscitation to the Advanced Lifesaving Classes, and to David Sauer, a former graduate of the Advanced Lifesaving class, for his assistance with the Toddler classes. Thanks also to Mike Johnson, Park Manager at White Lake, for his cooperation in the use of the lake facilities.

BEV HAMMOND - Chairperson
Tamworth Water Safety Program

REPORT OF THE TAMWORTH OUTING CLUB 1985

The Tamworth Outing Club again sponsored the annual Sled Dog race at Chocorua Lake. There were 58 teams and good racing. It would be hard to find a better spot from which to watch the dogs run. The bonfire and the refreshment stand manned by the T.O.C. also were appreciated.

The ski instruction program for the School Children was held at the King Pine Ski Area again with about 170 children involved. There were 22 children in the cross country program which went to the Deer Cap Campground for instruction. Conditions were good, everyone learned and races were held at the end of the season to show how much.

The T.O.C. part of the Winter Carnival was a cross country ski race for all comers, followed by Sunday brunch and the awarding of prizes. These were both good fun though the weather was less than the best.

When winter left and spring arrived we sponsored Little League and Babe Ruth baseball. The Little League team did well, winning the Mountain Valley League championship and providing most of the members of the team that went to the Meredith tournament.

As usual the T.O.C. entered a float in the Recreation Department's excellent Fourth of July Parade, winning Most Patriotic, with our very good Statue of Liberty.

During the winter square dances were held once a month in the Town House and those who came really enjoyed them. Last summer, fortunately, we were able to rent the Tamworth Gardens behind the Inn for dances every Friday through July and August. The improved Atmosphere of the new location gave the dances a nice boost.

In connection with the Rec. Dept.'s development of the Town's newly acquired land a cross country ski trail which will require a bit more work next summer. We also fielded a work party one Sunday to clear a new section of sled dog race course which will help to get them off plowed roads.

After adding several dozen bulbs, we got the Christmas tree lights up again and the tree looked very well.

Thanks go to all who helped make these activities happen,

and we should be delighted to hear from anyone who would like to get involved.

CHARLES E. BEHR
President 1985-86
