CONSERVATION COMMISSION REPORT

The commission received a grant from the Ford Foundation to survey the property at 19 Mile Bay. This has been completed and a plan placed on file at county court house. Boundaries are now clearly established and the map is being used to

plan how the area will be utilized. In conjunction with this, funds to purchase portable toilets for the park are included in this year's budget.

Other programs carried on by the commission have been water testing, building and maintaining nesting boxes, supplying Ranger Rick magazines for the 4th grade at the Tuftonboro school and working on the park at 19 Mile Bay.

The commission welcomes any suggestions about areas that you feel we are overlooking and that are within the realm of conservation.

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 a.m. and 5:00 p.m. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72A of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children

tend to forget that a lighted match held in their hand is a potential forest fire.

Forest Fire Record:

	State	District	Town
Fires reported	617	36	0
Acres burned	244	32½	0
Acres average size	.395	.9	0

**REPORT OF THE PUBLIC HEALTH
NURSING COMMITTEE
1973**

Due to the growing popularity and awareness of our service, we have increased our full and part time staff. Mrs. Virginia Dolan, R.N., Mrs. Phyllis Morneault, R.N., and Mrs. Virginia Rideout, secretary, work full time. Mrs. Davena DeWolf, R.N., Mrs. Nathalie Leavitt, R.N., Mrs. Rose Smith, R.N., Mrs. Betty Freeman, Physio-Therapist, and Mrs. Joan DeCelle, occupational therapist, are part time employees. More full time help is needed, but due to lack of funds this is impossible.

The total number of nursing visits during the year were 2,635 and 316 by our physio-therapist.

Town	Visits per town:	
	Nursing	Physio- Therapist
Alton	323	11
Wolfeboro	1051	37

Wakefield	955	157
Brookfield	49	30
Tuftonboro	257	81
	<hr/>	<hr/>
	2635	316

The monthly clinics are still being held and well attended in the Wakefield area, due to the special efforts of Dr. Gerard Bozuwa and the Wakefield School System.

Our services cover Alton, Brookfield, Wakefield, Wolfeboro and Tuftonboro. More elderly patients are calling us because of financial aid from their medicare and medicaid, although no needy person is refused.

We wish to thank everyone who gave during our fund drive; with these contributions and town funds our most wanting elderly citizen, school children, and newborn infants receive nursing care and assurance they need at home.

BETTY WARNER,
Chairman
