**Carroll County Food Access Network** (CCFAN) is a resource to optimize access to affordable, nutritious, food for all people with efforts focused on supporting the local food system in Carroll County, New Hampshire.

Carroll County Food Access Network collaborating with UNH Extension, and Well Connected Communities, is conducting a needs assessment research study (IRB-FY2023-112) to learn more about access to food, including local food for residents of Carroll County. From this information we will create action steps to increase and improve access to healthy, affordable food.
