TOWN WARRANT 1963

The State of New Hampshire

To the inhabitants of the Town of Charlestown, in the County of Sullivan, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Charlestown on Tuesday, the twelfth day of March next, at 10 o'clock in the forenoon, to act on the following subjects. Polls are to be open from 10 o'clock in the forenoon, until the close of the business session. Business session is to be open at 7:00 p.m.

Art. 1. To choose the necessary Town officers for their respective terms.

Tabulation of Voting — Total ballots cast 173
Republican 96 Democratic 9 Split 68

Town Clerk	William S. Fairbanks	169
Selectman 3 Years	J. Frank Frohock	149
Treasurer	William Miller	158
Tax Collector	Walter G. Smith, Jr.	161
Overseer of Poor	Oscar F. Adams	164
Chief Engineer	Robert W. Burns	148
Water Commissioner 3 Yrs..	Earl Putnam	118
	David Conant	28
Auditor 3 Years	Louis L. Comstock	151
Library Trustees 3 Years	Donald B. Galbraith	147
	Avis H. Laramie	144
Trustee of Trust Funds 3 Yrs.	Fred H. Perry	145

Art. 2. To consider the budget. To raise such sums of money as may be deemed necessary for the maintenance of the poor, laying out and repairing highways, building and repairing bridges, street lighting and for the necessary charges arising within the Town.

Resolved, to accept the budget with the exceptions of school and other fixed charges, and with the following amendment: "To see if the Town will spray the trees as in previous years for the purpose of controlling the Elm Leaf Beetle, cost of same to be taken from the amount designated in the budget under Moth Extermination, Blister Rust and Care of Trees. Also to include the trees in North Charlestown Village under the spraying program. Unanimous vote.

BUDGET OF THE TOWN OF CHARLESTOWN, N. H.

Estimates of Revenue and Expenditures for the Ensuing Year
January 1, 1963 to December 31, 1963
Compared with

Rent of Town Hall and Other Buildings	250.00	131.00	150.00
Interest Received on Taxes and Deposits	1,500.00	2,117.34	2,000.00
Income of Highway Department including rental of equipment	4,000.00	7,494.49	4,000.00
Motor Vehicle Permit Fees	12,000.00	14,225.61	13,000.00
From Local Taxes Other Than Property Taxes:			
Poll Taxes — Regular @ \$2	2,000.00	1,930.00	2,000.00
National Bank Stock Taxes	166.00	166.00	166.00
Yield Taxes	1,000.00	1,176.62	1,000.00
Total Revenues from all Sources			
Except Property Taxes	\$ 26,186.00	\$ 34,628.73	\$ 27,558.00
Amt. to be raised by Property Taxes			\$ 290,072.59
Assessed valuation previous year			\$3,975,220.00
Estimated assessed valuation for 1963			3,975,220.00
Amount required by budget			290,072.59
Tax rate ensuing year per \$100.00			7.30

Every appropriation of \$1,000.00 in addition to this budget will raise the tax rate \$.025 per \$100.00 valuation.

Theodore J. Frizzell, Chairman	Walter H. Palmer
Cecil Fisk	Donald A. Galbraith
Morris Putnam	Ralph D. Hogancamp, absent
Robert Spaulding	J. Frank Frohock
David Conant	Horace A. Holden
Leonard Gray, absent	James B. Hogan

Art. 3. To see if the Town will vote to allow the Selectmen to deliver the inventory blanks at the time of taking inventory.

Resolved, to adopt the article. Unanimous vote.

Art. 4. To see if the Town will vote to authorize the Selectmen to borrow on notes on the credit of the Town such sums of money as may be necessary to meet current expenses in anticipation of taxes.

Resolved, to adopt the article.

Art. 5. To see what action the Town will take in respect to appointing three members of the Finance Committee for the ensuing three years.

Re-elected for three years: Morris Putnam, Cecil Fisk, Leonard Gray. Unanimous vote.

Art. 6. To see if the Town will vote to accept trust funds received for perpetual care of lots in the cemeteries.

Resolved, to adopt the article.

Art. 7. To see if the Town will vote the sum of five hundred dollars, to match the five hundred dollars that the Rotary Club has set aside, for the re-surfacing of the tennis courts. (The Rotary Club has stated that this amount will be used for such purpose only if the Town votes to match same.)

Resolved, to adopt the article. Unanimous vote.

Art. 8. To see if the Town will vote to appropriate \$1,000.00 for the Visiting Nurse Association. (By request).

Resolved, to adopt the article.

Art. 9. To see if the Town desires that the Selectmen itemize the labor charges of the various cemeteries.

Resolved, that the Selectmen discontinue itemizing the labor charges of the various cemeteries.

Art. 10. To see if the Town will vote to authorize the Water Department to borrow \$25,000.00 for the purpose of Supplementing the water supply at North Charlestown with the construction of an Artesian Well and extension of the present water main, said sum to be repaid by the Water Department over a period of 20 years.

Resolved, to adopt the article. Standing vote: Yes 109, No 28.

Art. 11. To see if the Town will vote to authorize the Selectmen to apply, negotiate and do all other things necessary to obtain such Federal, State, or other assistance as may be available in the construction of a sewerage disposal system, and pass any vote relating thereto.

Resolved, to adopt the article.

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$85,000.00 for the purpose of financing and constructing a municipal sewage disposal system, including sewerage, interceptors, pumping station, treatment works, and such other related facilities inclusive of land acquisition, easements, and rights of way as are required, such sum to be raised by the issuance of not exceeding \$85,000.00 in Serial Bonds under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of New Hampshire Statutes Annotated 1955 and any amendments thereto) and to authorize the Selectmen to issue and negotiate such bonds and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds, as shall be in the best interests of the Town of Charlestown, and pass any vote relating thereto.

Resolved, to adopt the article. Standing vote: Yes 78, No. 32. The Town's share will be raised from increased sewer revenue.

Art. 13. To see if the Town will vote to accept the street north of Howard's Filling Station. (By petition).

Resolved, to adopt the article.

Art. 14. To see if the Town will vote to instruct the Selectmen to hold the business session of Town Meeting in the forenoon.

Resolved, to dismiss the article.

Art. 15. To transact any other business that may legally come before said meeting.

Resolved, that all major equipment be put in the warrant instead of the budget.

Resolved, that the Selectmen be instructed to write a letter to Mr. Frizzell, telling that his presence at the Town Meeting was greatly missed.

Resolved, that the necessary new members of the Recreation, Town Development, and Highway Committees be appointed by the Moderator.

The following Committee members were appointed by the Moderator: Recreation Committee: William Brys, Joyce Sylvester, Arlin Warren. Town Development Committee: Robert Hayes, David Henry. Highway Committee: Paul Putnam, Norman Beaudry.

Business meeting adjourned at 10:15 p.m.

Ballots counted and Town Meeting closed at 10:45 p.m.

A true copy, attest

WILLIAM S. FAIRBANKS

Town Clerk of Charlestown, N. H.

A WORD FROM THE SELECTMEN

To the Citizens of Charlestown, New Hampshire:

At the town meeting last year it was asked if we needed to vote each year to accept funds for perpetual care of cemetery lots. The Selectmen put the question in the hands of the New Hampshire Municipal Association and received the following answer:

“No, under RSA 31:20 the law reads: ‘Towns **shall** take and hold in trusts gifts, legacies and devises made to them for the care of cemeteries and burial lots when the terms of the gifts, legacy or devise do not impose any liability upon the town beyond the amount of the gift, legacy or devise and the income thereof’. The word ‘shall’ makes it mandatory to accept an ordinary cemetery bequest. This agrees with NHMA’s legal counsel Malcolm McLane’s opinion which I checked.”

“However, if there is a **special** condition attached to acceptance of a specific bequest that you feel is unwise for the town to accept, then put it up for vote at town meeting under RSA 31:19 or 31:31.”

The Selectmen are of the opinion that the Town should consider hiring the Town professionally reappraised. At present there are no tax maps to aid in determining ownership of land parcels. The property records are in old fashioned books that must be hand copied each year. A considerable saving could be made by establishing a card system.

Another improvement the Town should consider is a new town garage. The present one is much too small, very expensive to heat, and difficult to work in.

This year the Selectmen have spent considerable time trying to collect money owed to the Town for miscellaneous services. As can be seen from the bills due the Town, their efforts have not been too successful. Therefore, in the future, payment arrangements must be made before the Sewer or Highway Departments start work.

Respectfully submitted,

HORACE A. HOLDEN
JAMES B. HOGAN

TOWN WARRANT — 1964

The State of New Hampshire

To the inhabitants of the Town of Charlestown, in the County of Sullivan, in said State, qualified to vote in town affairs.

You are hereby notified to meet at the Town Hall in said Charlestown on Tuesday, the tenth day of March next, at 10 o'clock in the forenoon, to act on the following subjects. Polls are to be open from 10 o'clock in the forenoon until the close of the business session. Business session is to open at 7:00 p.m.

Art. 1. To choose the necessary town officers for their respective terms.

Art. 2. To choose Delegates to the Constitutional Convention.

Art. 3. To vote on the question "Shall sweepstake tickets be sold in this town."

Art. 4. To vote on the question "Shall the Town of Charlestown continue to maintain its existing municipal court so long as its present judge remains in office."

Art. 5. To consider the budget. To raise such sums of money as may be deemed necessary for the maintenance of the poor, laying out and repairing highways, building and repairing bridges, street lighting and for the necessary charges arising within the town.

Art. 6. To see if the Town will vote to allow the Selectmen to deliver the inventory blanks at the time of taking inventory.

Art. 7. To see if the Town will vote to authorize the Selectmen to borrow on notes on the credit of the Town such sums of money as may be necessary to meet current expenses in anticipation of taxes.

Art. 8. To see what action the Town will take in respect to appointing three members of the finance committee, three members of the recreation committee, two members of the town development committee, and two members of the highway advisory committee for the ensuing three years.

Art. 9. To see if the Town will vote to appropriate the sum of \$1,000.00 for The Visiting Nurse Association. (By petition).

Art. 10. To see if the Town will vote to authorize the Selectmen to sell real estate acquired by tax collector's deed.

Art. 11. To see if the Town will vote to authorize the Selectmen, with the advice of the Highway Advisory Committee, to trade in the 1956 International truck toward the purchase of a new truck and snow plow, and vote to raise and appropriate \$6,500.00 to pay the balance.

(This article has the approval of the Finance committee and of the Highway Advisory Committee).

Art. 12. To see if the Town will vote to raise and appropriate \$1,800.00 for the purpose of extending the culvert and covering the open ditch near Moulton's Trailer Park. (By petition).

Art. 13. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-first (21st) day of February, in the year of our Lord 1964.

HORACE A. HOLDEN, Chairman
JAMES B. HOGAN
Selectmen of Charlestown.

T.R.A. Report

Cut 189 trees over 12"
 Removed 189 stumps
 6/10 mile of brush cut
 4—12" x 32' and 1—15" x 32' culverts installed
 Also roughed out and blasted approximately 1000 yards of
 ledge, and applied first course 1270 yds. of gravel
 Finished graveling 1962 T.R.A. 2115 yds.

Payloader Report for 1963

Work done on the payloader consist of plugs and points several times, new power steering unit, brake hydrovac, new hydraulic pump. Repaired hydraulic valve body, ground valves in motor, new master cylinder replaced, hydraulic hoses, new planetary hub and seals. Payloader now has 6004 hours. All work has been done by the Highway personnel.

Charlestown Highway Department 1963

The highway department would like to report to you the work accomplished in 1963.

We started the year with one of the hardest winters in many years. Many hours of plowing, salting and sanding of the roads, side walks, school yards and cemeteries was required.

The four wheel drive that the citizens of this town purchased has saved much wear and tear on the other equipment.

We used 40 tons of salt and approximately 1000 yards of sand for the winter maintenance. The cold gives way to the warm sun and spring and summer work also come with it.

The spring and summer work begins by grading all the dirt roads. Many of the roads required graveling. New culverts were installed on the old Putnam road in Hemlock.

Sweeping off of many of the streets and roads outside of the village was required so resurfacing could be done,

such as East St., Breakneck Hill, Lower Landing to the river, part of Crown Point Heights, three roads by George Blake, leading to the dump, Hemlock road from Hill Brothers to Charles Willard place, upper end of Acworth road, Morning Side Lane to Unity road and part of Bailey Hill road. We tarred 10 driveways.

We put in new cement abutment under bridge on Morning Side Lane. The Town bought a steel culvert for conservation job on this road.

We cut 3 miles of brush to improve road sides. Also set approximately 75 cedar posts. We picked up many of the trees which were cut by the Town. We mowed many of the road sides.

It is now mid-summer and it is time for our T.R.A. to start. You can read of the work accomplished in the T.R.A. Report.

T.R.A. is over, the leaves have turned and it is time to start our fall work. That is grading the roads again, picking leaves from the ditches, putting up snow fence, getting sand and salt for the icy roads ahead, repairing plows and chains. The highway department does all the maintenance work on all the equipment.

Well, the snow is beginning to fall and another year has past. We of the highway department look forward to the coming year of 1964 to serve you citizens of Charlestown again.

Respectfully submitted

Ernest G. Keneson, Road Agent

Patrons of the Silsby Library have used and enjoyed the services now provided by the State Library, the Book-mobile and the help of its librarian, and the reference books and reference service. The Librarian and Trustees have received help from the neighborhood meetings, the area purchasing group and the consultant. They look ahead to make full use of the expanded services made possible through the Library Development Program, especially the general cataloging and the help of a district consultant.

The Friends of the Library have expanded the service of the Library by conducting a series of Story Hours during the summer.

FLORENCE C. BINGHAM
Librarian.

In the 1963 Legislature a bill was passed to establish a state wide Library development program. Local libraries would be qualified to receive state aid with retaining local control. Our library would be able to receive approximately \$500.00 per year. To qualify we would have to meet certain standards; as to the number of hours our library would be open each week, we would be requested to have a telephone, and a book budget of about \$950.00 per year for a town of our size. We have included these extra costs in our proposed budget.

In the past year much work has been done for the upkeep of the library building. Combination storm and screen windows have been installed, insulation of the attic has been completed and floors have been refinished. The library has been open on Friday mornings, many books have been added to our basic collection. Mrs. Bingham, our librarian, attended Library Technique and Training School at the University. This coming year we plan to make shelf

storage space in the basement for reference books that have to be kept but are not in constant use.

We wish to thank the Friends of the Library for their assistance in helping with the summer schedule, the Garden Club members for their attractive arrangements throughout the year; the many townspeople who have donated books; and to Mrs. Blanche Piper for the large antique clock given to us in memory of the Piper family.

ISABEL T. PALMER, Chairman
Board of Trustees.

TOWN CLERK'S REPORT

To the Town of Charlestown, N. H.

The following is a report of all automobiles taxed in the Town of Charlestown from January 1, 1963 to December 31, 1963:

SEWER DEPARTMENT REPORT

Most of the branch mains were cleaned this year. The main lines are not giving us much trouble now.

The department made 3 new sewer connections this year. Also we laid 221 feet of 8" sewer line in accordance with the new sewer survey, also 200 ft. of 4" sewer line and 1 new manhole. This was done in the Toll Bridge area.

Thank you.

EARL PUTNAM, Supt.

CHARLESTOWN WATER DEPARTMENT

Report of Superintendent Earl P. Putnam

The Water Department laid 1245 ft. of 6" cement lined cast iron pipe and one hydrant in North Charlestown, 517 ft. of this pipe replaced old 2" pipe.

Also, 630 ft. of 2" old pipe was replaced with 2" cement lined cast iron pipe on the lower landing road. There was 350 ft. old 3/4" pipe replaced with 2" cement lined cast iron pipe on the old creamery road, and 800 ft. 1 1/4" copper pipe laid for 3 houses on the Lovers Lane road at the expense of the owners.

One new hydrant was installed on West Street.

The department made 11 new service connections and replaced 6 old services.

The North Charlestown and the lower reservoir in town were both cleaned and the mains flushed.

The well for North Charlestown was not put in this year due to some legal difficulties, but the contract has been let to the R. E. Chapman Co. and will be put in this spring.

Due to the dry summer and increased customers, we had some test drilling done for the town's supply. They found a very good supply in T. J. Frizzell's pasture. The water was tested by the State Board of Health and was near perfect.

At this time the department would like to thank everyone for their cooperation during the water shortage. With this new source we hope it never happens again.

Thank you.
EARL P. PUTNAM.

Miscellaneous	12.05
	<hr/>
	\$ 1,863.76
	<hr/>
Balance on hand June 30, 1963	\$ 58.02

The work has continued to be light through the 1962-63 fiscal year and for the first half of the present year. Because of this, the income from nurse's calls is not large, much of it from the State, for calls on persons receiving aid. The records show a total of 345 calls for the year July 1, 1962 - June 30, 1963. A few of these were courtesy calls for which there was no charge.

A series of three oral polio vaccine clinics was held in the summer and fall of 1963, at the request of Dr. Willard, with good attendance. 79 persons received Type I vaccine, 83 received Type III, and 54 received Type II.

Mrs. Sanderson notified the directors several months in advance that she would be concluding her duties as Visiting Nurse in the fall, to accept employment nearer her home. Mrs. Sanderson has served the Association from its beginning, first as substitute, then as the regular Visiting Nurse, and has been most helpful with questions and problems encountered in the work.

At the time of the annual meeting in July, it seemed that it might be necessary to suspend the nursing service in the fall and it was voted to do so unless circumstances changed before that time.

However, circumstances did change in this way. It was found that by cutting the hours per week and setting up a quite different salary schedule, it would be possible to continue to handle the present amount of work, providing the nurse lived in or near town and could work from her home.

Mrs. Joseph Shabbott, R.N., of Springfield Road, Charlestown, a graduate of Rutland (Vt.) Hospital, accepted the position and began her duties as Visiting Nurse on November 18, 1963.

New hours are 8 - 11 a.m. Mondays, Wednesdays and Fridays. Phone VA 6-3648. This phone is on a party line. Application has been made for a private line but it has not been installed as yet. Everyone's cooperation is asked in keeping phone calls to these days and hours, except in really serious emergencies, since Mrs. Shabbott is on duty certain nights at the Springfield Hospital and must therefore rest at some time in the day. Kendall's Pharmacy will accept calls for Mrs. Shabbott when she cannot be reached.

In addition to regular paid calls, Mrs. Shabbott has made approximately 15 courtesy calls on mothers with new babies since assuming her duties as Visiting Nurse. This is in accordance with a vote of the directors last year, authorizing the nurse to make one courtesy call on each new baby and mother. There is no charge for this call.

The Association held one very successful food sale last year.

The annual meeting of the Association will be held in the Town Hall, July 8, 1964.

Our thanks go to all who have helped in making this nursing service possible, with the hope that it will be found increasingly useful.

GLADYS L. KIDDER .

REPORT OF HEALTH OFFICER — 1963

During the past year there has been 12 water samplings taken from the Charlestown and the North Charlestown water sources. All of these have been reported as satisfactory by the State Board of Health.

There has been the usual number of complaints and requests in regards to health problems and public nuisances. These have all been investigated and dealt with as necessary.

Respectfully submitted,
DAVID T. HENRY
Health Officer.

Walter G. Smith, Jr.	181.50	
Town of Charlestown	359.69	
	—————	\$6,208.50

WILLIAM MILLER
Town Treasurer.

REPORT OF THE PLANNING AND DEVELOPMENT COMMITTEE

The primary concern for this committee was to assist the selectmen in carrying out the provisions set forth by the action of the town at the last town meeting, relative to the installation of a sewage disposal system.

We were held up for some time in the spring in obtaining a clear title to the property involved. This was finally settled. The specifications were put up for bid and the contract was finally awarded the last of November. Work will start in the early spring and should be completed by mid-summer. We should then take the next step in our overall sewage disposal problem.

Respectfully submitted,

R. L. Jacobs, chairman	John Freese
Robert Hayes	Frank Fish
David Henry	Harold Blodgett

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Charlestown, I herewith submit my annual report as Superintendent of Schools.

Teaching Staff

I wish to report the few changes in the teaching staff in the Charlestown Schools. We were very fortunate in retaining most of our regular teachers. However, the following instructors were appointed to begin service in September of 1963.

Mr. William A. Barney was appointed instructor in Junior High Mathematics. He has also taken over the supervision of the class in Driver Education. Mr. Barney comes from West Scarboro, Maine.

Mrs. Florence Bingham was appointed part-time librarian at the High School. We were fortunate to have a local person available for this newly created position. Mrs. Bingham is a graduate of Keene Teachers' College and has had eight years of teaching experience here in New Hampshire.

Mr. James T. Dunn was appointed instructor in English and Social Studies to succeed Mr. Lavigne. Mr. Dunn is a graduate of Keene Teachers' College and did his practice teaching here at Charlestown High School.

Mr. Arthur Gude of Langdon, was appointed Supervising Principal of the Charlestown High School. He was promoted from the teaching staff to give full time to supervisory and Administrative work. Mr. Gude is a graduate of Columbia University and holds a Master's Degree from the Keene Teachers' College.

Mrs. Ellen Spafford was appointed teacher in the Primary room at the Farwell School. She succeeds Miss Dearborn who resigned last October. Mrs. Spafford has had many years of experience in Vermont and more recently taught in the primary room at Acworth. She completed her professional training at Castleton Teachers' College and the University of Vermont.

Mr. David Wilson was appointed instructor in Social Studies at the Charlestown High School. He succeeds Mr. Gude who was appointed Principal this year. Mr. Wilson is a graduate of Keene Teachers' College. His home is Claremont, New Hampshire.

Other faculty members returning to continue their services in the Charlestown schools are as follows:

High School

Mr. Robert Ambrose: Industrial Arts
Mrs. Monetta Baldwin: Latin and English
Miss Mavis Churchill: Commercial Subjects
Mrs. Judith Daniels: Home Economics
Mrs. Carol Guy: Junior High Science
Mr. Donald Harmon: Physics and Chemistry
Mrs. Daisy Hronek: Mathematics
Miss Annette LaFrank: English
Mr. Donald Purinton: Social Studies
Mr. Ralph Silva: Physical Education and Biology
Mrs. Louise West: French and English
Mr. William Brys: Supervisor of Music

Holden School

Mrs. Doris Blodgett: Grade 2
Mrs. Anne Doolan: Grade 2
Mrs. Eleanor Brown: Grades 2 and 3
Mrs. Phyllis Reed: Grade 3
Mrs. Kathleen Duranty: Grade 4
Mrs. Jane Twitchell: Grade 4
Mrs. Gladys Hood: Grades 5 and 6
Mrs. Viola Horton: Grade 5
Mr. Chandler Mosher: Principal and Grade 6
Mrs. Olive Decker: Remedial

Stucco School

Mrs. Ruth Weeks: Grade 1
Miss Regis Massucco: Grade 1
Mrs. Anne McArthur: Grade 1

Farwell School

Mrs. Minnie Smith: Principal and Grades 4, 5 and 6

Superintendent's Recommendations

Your Superintendent would like to make several suggestions for the consideration of the School Board and Citizens of Charlestown, as steps to improving our school system and the quality and efficiency of instruction.

1. That provision be made for the establishment of a special classroom for retarded children, this facility to be financially supported at the Union level, and available to children from the several towns within the Union.

2. That Art as a high school subject be added to our course of study, in order that we may meet the Fine Arts requirements, and enable us to qualify for approval as a Comprehensive High School.

3. That a part time guidance instructor be added to the High School staff, so that we will meet the full requirements of a Comprehensive High School.

4. That we strengthen our shop program by broadening our program, to include electronics, metal work, and automotive mechanics.

5. That we consider carefully the desirability of favorably supporting the Cooperative School Programs. Such a project would provide a larger High School Unit with a more complete Educational program to meet the needs and interests of the children.

6. That we re-examine our present Elementary School situation with the realization that any expansion another year, due to increased enrollments, will mean the setting-up of classrooms in community buildings.

7. That more money be provided in the budget for High School library purposes, that we may meet the minimum essentials as required by the State Department of Education.

Maintenance and Building Improvements

A more satisfactory organization of custodial duties has been experienced this year. Robert Joslin has been in charge of janitorial work at the High School. He has been assisted by Arthur LaForge who has been on duty at night. Walter Arnold has been in charge of custodial work at the Holden and Stucco buildings and Mrs. Nash has been our part-time

custodian at the Farwell School. Quite an extensive program of cleaning and summer repairs was approved by the school board and completed during the summer vacation.

High School

Pupils desks sanded and varnished
Redecorated cafeteria and kitchen
Redecorated boys shower room
Redecorated room 5 and girls shower room
Fireproofed stage curtains and back drop
Replaced eighteen shades
Weatherstripped gymnasium doors
Built additional classroom in basement
Cleaned and waxed floors

Farwell School

Redecorated Principal's room
Installed fluorescent lights in basement
Cleaned, sealed and waxed floors

Holden School

Redecorated 6th grade room
Redecorated boys toilet room 2nd floor
Cleaned, sealed and waxed floors

Stucco School

Redecorated hall and boys toilet room
Redecorated grade 1 room (south)
Installed fluorescent lights in basement room
Cleaned, sealed and waxed floors

State Aid and Other Incomes

The probable incomes to the Charlestown School District from various sources can be listed as follows:

1. State Foundation Aid	\$50,912.92
2. State Building Aid	4,052.03
3. Tuition Income	311.00
4. Miscellaneous Incomes	7,200.00
	<hr/>
	\$62,475.95

THE COOPERATIVE SCHOOL

About fifteen years ago the school districts of Alstead, Charlestown and Walpole considered consolidation and rejected the idea. Now, fifteen years later, there is another chance to unite to provide a better educational opportunity for your children.

Leading educators advise consolidation to form larger, more effective administrative and educational units. The State Legislature has recognized the need for consolidation and is willing to pay more of the cost as a means of encouraging small school districts to form a single larger school district. The N. H. Interim Commission on Education strongly recommends larger, more efficient education units; in fact, this commission specifically suggests that the school districts of Acworth, Alstead, Charlestown, Langdon, Marlowe, Walpole and Westmoreland unite to form a consolidated unit. Marlowe and Westmoreland decided not to take part in the study which has been pursued by the other five school districts.

Twenty New Hampshire districts combined to form cooperative districts in the 1962-63 school year. These communities were facing the same problems that are facing us in Acworth, Alstead, Charlestown, Landon and Walpole, and are facing fourteen other school districts also planning to form cooperatives this year. Specifically the school districts are having difficulty in providing adequate educational facilities that would keep them on a par with present-day standards.

Your school district is one of five districts considering the advantages of joining to form a cooperative school district. Several committees worked for nearly a year under the specifications of the old cooperative school law. Then at a school district meeting held on October 19, 1963, it was voted to elect three qualified voters to form a cooperative planning committee in keeping with the Requirements of the new law voted by the 1963 legislature. Howard Mortenson, Dana Olden and Barbara Reese were elected. These citizens have been your representatives on the Cooperative Planning Committee composed of three members from each of the school districts of Acworth, Alstead, Charlestown, Langdon and Walpole and have been meeting once a week since the organization meeting held October 30, 1963. In addition to the weekly meetings of the Planning Committee, planning committee members meet with the Curriculum, Building, Transportation, Publicity and Finance committees.

All of these citizens are to be highly commended for the large amount of time and effort they have given to serve their various communities.

Some of the advantages of cooperative school districts are:

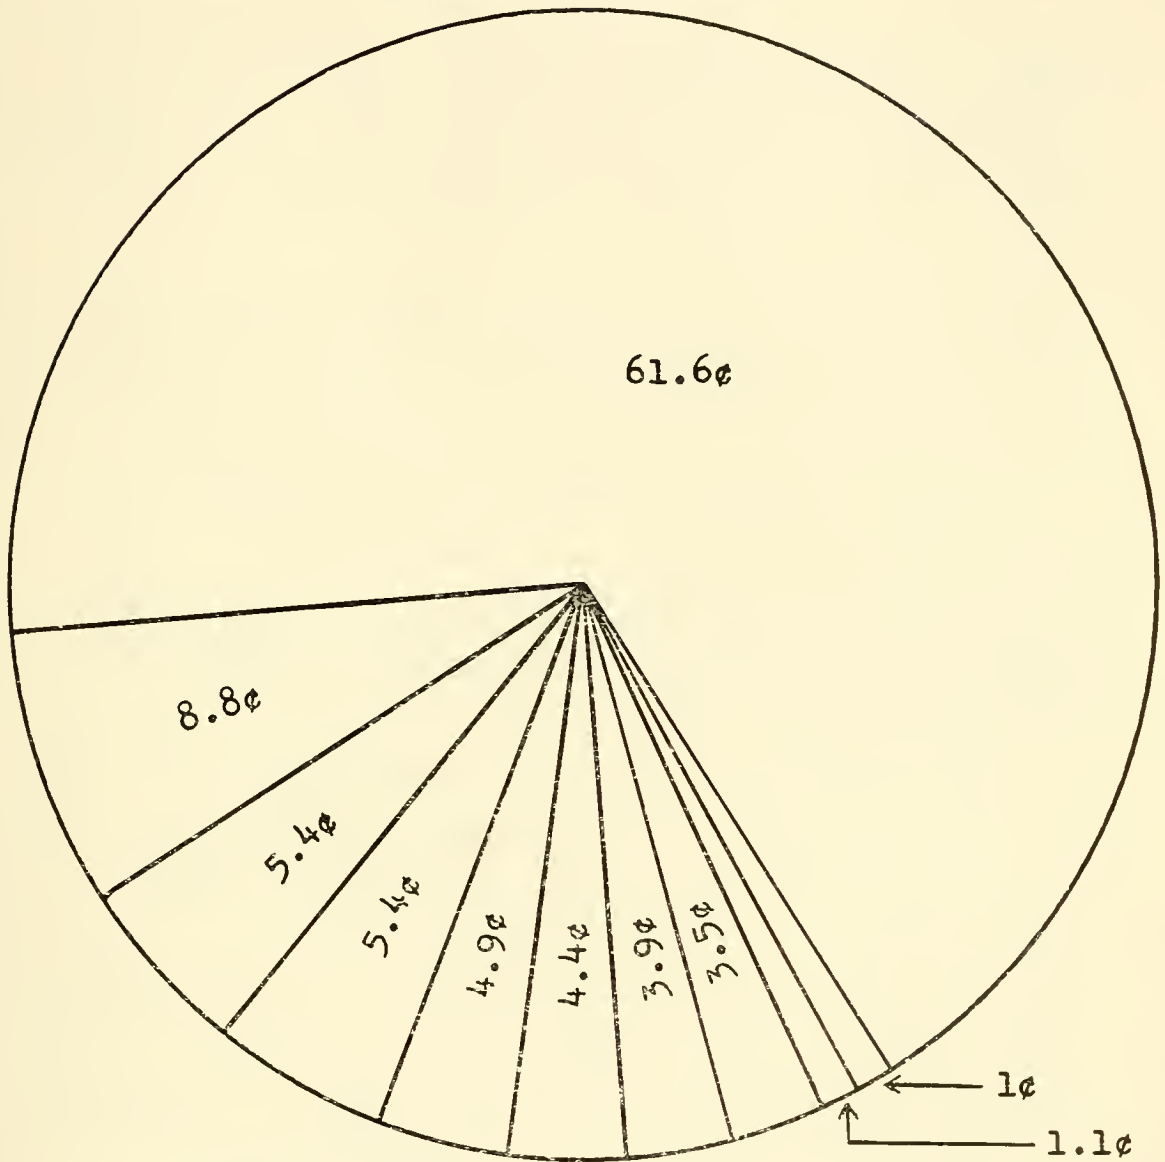

1. Continuity and integration of the educational program.
2. Larger units allow economical provision for both rapid and slow learners, and provide the means for specialization of services.
3. A balanced and adequate curriculum.
4. Provide more effectively for the educational needs of all the pupils ranging from those who are planning college and those who are finishing their education when they graduate from high school.
5. Receive more state aid.
6. Better teachers and improved teacher retention.
7. Expanded educational opportunity, adult education and summer school programs.
8. Ability to keep abreast of educational trends.

In 1961-62 the average expenditure per pupil for current expense purposes in the public high schools having an enrollment of less than 100 was \$165.18 higher than the corresponding average for high schools which had an enrollment of more than 300 pupils.

The reasons for consolidation are nearly the same as those that faced communities about twenty years ago when they decided to close their small one and two-room schools and bring their children in to a centralized community school. Business needs to grow and to keep abreast of its competition. Education faces the same challenge. It must keep abreast of the trends and improvements in education or fail to prepare the youth of today for the challenges of life in a society that is becoming more and more complex.

The Cooperative Planning Committee will be holding a series of open meetings in the five districts where the results of their study will be explained and any questions concerning specific areas answered as factually as possible. We strongly urge every voter to attend these meetings and becoming thoroughly informed on all phases of this important decision. The Charlestown representatives on the Cooperative Planning Committee would welcome any opportunity to answer in detail any questions you may have.

SUMMARY

Many of the details of the operation and administration of the schools are explained in the reports submitted by the school Principals and School Nurse. I hope the citizens of Charlestown will read these reports with interest and satisfaction. We may well be proud of the work being done by the teaching staff in providing worthwhile educational experiences for the children of Charlestown.

It would seem that this is definitely the year to take a forward step, in providing better physical facilities for our elementary children and increased offerings at the secondary level. We have reached our capacity in our present physical plants and expansion is no longer possible.

I wish to thank the teachers and the School Board members for their support and loyalty throughout the year. Working together I believe we have made this a better year, with happier teachers and a more receptive group of children. All concerned, will continue to make every effort to improve our schools, and provide an educational system of which our citizens may well be proud.

Respectfully submitted,

NOYES C. STICKNEY, Sr.
Superintendent of Schools.

CHARLESTOWN HIGH SCHOOL PRINCIPAL'S REPORT

Introduction

At the opening of school for the academic year 1963-1964 a new marking system was instituted which requires the students to attain a higher numerical average in order to receive high letter grades on their report cards. This is part of an overall drive to increase the academic level of the school. The number of marking periods have also been reduced from five to four. This method closes marks at the end of the first semester and a mid-year examination schedule has been instituted. The purpose of the schedule is to teach students to study for and to take examinations. Whether or not they go on to further education from high school they need this experience.

A summary of the various curriculums and extra-curricular activities follows:

English Department

The National Honor Society, of which Mrs. Baldwin is a sponsor, has had a book shelf in room 5. Both Miss LaFrank and Mrs. Baldwin have used these books which are available and which the students can purchase for their own library as a frequent source for book reports and recreational reading.

A dramatic club was organized this fall and the play "Fog Island" will be the club's first presentation.

Some of the club's programs will be the effective use of make-up and the preparation of flats for painting. More stage equipment is needed, some of which the dramatic club hopes to purchase. A cyclorama and a framework over the stage for travelers curtains would be a great aid in the production of plays. Moveable spotlights would also be a great help in effectively creating atmosphere for dramas.

Science Department

As we look at our present science program we notice the drastic downward trend of the enrollment as the students advance through high school. Approximately forty students are enrolled in Freshman General Science, seven students are taking Senior Physics. In the age when a knowledge of science is imperative it would seem that more students should be gaining further scientific training.

We continually have more to offer such students in the way of equipment and supplies, and this past year have increased our scientific publications to a point where

they are of real supplementary value.

Much of what was formerly taught as fundamentals in chemistry and physics must now be taught as general science in order that more time may be available for the newer fields of science. Apropos to this trend there should be a reduction in teaching time devoted to an understanding of simple machines, and an increased amount of time on fundamentals of electricity and electronics.

Students in the Freshmen and Sophomore sciences are crowding the facilities to such an extent that there is little or no opportunity for them to do individual laboratory work and so explore concepts to their own satisfaction. However, considerable new equipment and reference material does aid the students' understanding of science principles and scope.

Mathematics Department

Mrs. Daisy Hronek again had the honor of being chosen to attend the seven week Summer Institute in Mathematics at the University of Vermont, Burlington, Vermont, which was sponsored by the National Science and Mathematics Foundation.

Members of the Advanced Mathematics and Algebra 2 classes participated in the 1963 Annual National Mathematics Examination sponsored by the Mathematics Association of America and the Society of Actuaries. Hessler Gates was the high scorer for our school.

Social Studies

The Junior Industrial Management Institute at the University of New Hampshire was attended by Michael Stone, Arthur Davis, Howard Adams and Elaine Bechok from Charlestown High School. We had three guests from Alstead High School, John Putnam and Douglas Annis, students, and Mr. Larry Twitchell, instructor in Economics at Vilas. Lunch and a banquet dinner were served to the students who came from all over the state to learn first-hand some of the problems faced by American Business Management. Our local business concerns sponsor this annual trip to Durham.

Charlestown High School was represented at Girls State this year by Veronica Carpenter and Gladys Smith.

These annual meetings sponsored by the American Legion, Business and Professional Women's Clubs and V.F.W. Auxiliary provide an opportunity for our junior girls to discuss problems that concern them with other girls from the state. They introduce, discuss and vote on bills

that are of particular interest to them.

In 1963, our representative at the Model United Nations, held at Plymouth State College, were Kayda Smith and Granville Fenderson. The two day trip to Plymouth is sponsored by the Charlestown Rotary Club and provides our students with some excellent experience in the detailed workings of the United Nations.

Industrial Arts

The seventh, eighth and ninth grades are primarily stressing woodworking and pattern drawing.

Starting with the tenth grade, the emphasis is being pushed more in the general metals field with some basic electricity.

The eleventh grades spend all year in General Metals which includes machine shop, forging and heat treatment, welding, both gas and electrical with the addition of the arc welder which just arrived this year.

The twelfth grades receive about one-half year training in mechanical drawing and will receive some automotive training the last half of the year due to the arrival of a new Ford motor and automatic transmission donated through the courtesy of the Ford Motor Co.

Some electricity will be offered this year.

Home Economics

For the first time the State Department of Home Economics has issued a curriculum guide for education for grades seven through twelve. It is being used in our school with success. In December the Betty Crocker tests were given to all senior girls. This is a national contest with scholarship prizes given to the highest girl in each state and awards to highest ranking senior in each school. The Crisco award for outstanding work will be given again in June.

The organization of Future Homemakers of America is available to all high school girls who are interested in the club. We have been represented on the state level by Judith Burroughs, district president. A state conference for leadership training will be attended by two delegates from Charlestown and their advisor in February.

New items of small equipment have greatly added to our foods laboratory work this year. It becomes increasingly important that we keep abreast with the changing technical world that the homemaker of tomorrow will face.

Physical Education

Once again the students of the Charlestown Junior and Senior High School will be given the physical fitness test recommended by the Presidential Council on Youth Fitness. At this particular time the classes are enjoying the use of the new horizontal bar purchased this year. Not only has it proved valuable in the development of physical fitness, but has given great enjoyment to many in their accomplishments in the basic gymnastic series. With the hopeful outlook of new purchases in this area, such as the parallel bars and rings we hope to be able to put on some type of gymnastics show next year.

The area of soccer has developed greatly this year with the participation of thirty boys including several boys at the Junior High level. The boys really worked hard and compiled a fine 10 and 2 regular season record, and an overall record of 12 and 3, losing to Tilton-Northfield in the state semi-finals. The team will miss the services of only five seniors, so we look for another fine year in 1964.

The baseball team continued its fine showing, gaining another tournament berth on the strength of their 12 and 2 season's record, only to lose to Milford in the divisional championship game 3 to 1.

The basketball team enjoyed one of the most satisfying seasons in the school's long history in basketball. Starting the year in the shadow of the 1963 undefeated team, and participating in the TSL and SWNHL leagues for the first time, the teams went on to win championships in both leagues, with a perfect 20 and 0 record. Following this they added 4 more wins on their way to the school's first state class M championship. After a month's wait they travelled to Boston as the N. H.'s Class M representatives to the New England Tournament, where they defeated Vermont's Class I champion, Winooski, for the Twin-State Championship and a perfect 25 and 0 record.

The team's captains, Carl McAllister and James Hoggan-camp received first team all star honors and Carleton Fisk, second team honors from the TSL league. McAllister was also honored as the State's Class M player of the year.

For their fine efforts and accomplishments the town reciprocated warmly by honoring the boys with a fine banquet and presenting them with championship jackets.

It was a year the boys and I will remember as long as we live.

Guidance

Three students from the class of 1963 are attending

the University of New Hampshire and one member of the class of 1963 will enter the University in September 1964. Two students are attending Keene State College and one is attending Plymouth State College. One student is attending Rensselaer Polytechnic Institute, one student is attending Harvard. One student is attending Indiana Technical School.

Three girls are attending business college and one is in training to be an X-ray technician.

Six boys and one girl entered the Armed Services.

Three girls are housewives, three boys and three girls are employed.

Faculty Professional Advancement

In the area of professional advancement, I am pleased to report that the following teachers have taken professional improvement courses during the year:

Mr. Purinton - "Improvement of Social Studies Instruction", "Introduction to Personnel Services" at Boston University and "Techniques of Counselling" at University of New Hampshire.

Mr. William Barney - "Driver Education Instructors' Course" at the University of Maine.

Mr. Arthur J. Gude - "Administration in Public Schools" at Keene State College, Keene, N. H.

Mrs. Carol Guy - "The New Math" at Keene State College.

Mrs. Daisy Hronek - "Calculus and Geometry of Vector Approach" at University of Vermont.

I would like to express my thanks to the members of the School Board, Superintendent and people of Charlestown for their support and cooperation during the past year.

Respectfully submitted,

ARTHUR J. GUDE

Principal.

HOLDEN SCHOOL

Principal's Report

The opening of school in September of 1963 found us in the unfortunate position of having two split rooms (2 and 3 and 5 and 6). Unless some changes occur in either school population or in facilities available, it would appear at this time that another split room will have to be added.

Modern mathematics textbooks are now being appraised and it is our hope to instigate this course in grades 1 and 2 next school year. New science texts are also under study and the plan is to start these in the fall in grade 6. Each succeeding year another grade would receive new texts in both these subjects, completing the program over a five year span.

The P.T.A. funds allocated to the school for visual aids will be used in connection with the modern math program. Extra materials and teachings to enrich the math program will be added. It is our hope that this will be an annual allocation, allowing us to add such materials in each grade as the new texts are added yearly.

We are once again grateful to the P.T.A. for the number of reading and reference books that are being added to our present classroom libraries. When the time comes that we are in the position of being able to have a central library we will have a start that very few schools have had in equipping such a facility.

I would like to take the space here to publicly express our feelings to Mrs. Eleanor Brown, who is retiring from our faculty in June. We will all, student and adult alike, miss her a great deal. We sincerely hope that the future will bring her the happiness and pleasure that she brought to all of us over the years.

The following teachers have taken professional improvement courses during the past year:

Gladys Hood, New Math, Keene; Kathleen Duranty, New Math, Keene; Phyllis Reed, New Math, Keene; Regis Massucco, On the Retarded, Keene; Florence MacIver, Techniques of Counseling, U.N.H. Extension Course.

I would like to express my sincere appreciation for the fine support received by the school and the staff from the School Board, Administration and Service Organizations of the Community during the past year.

Respectfully submitted,
CHANDLER MOSHER
Principal.

FARWELL SCHOOL

Principal's Report

The Farwell School opened the doors for the 1963-1964 school year, September 4, 1963, with an enrollment of fifty pupils.

There was a transition of grades at the school, the sixth grade pupils were transferred to the sixth grade at the Holden School in Charlestown, and the third grade pupils placed in the intermediate room here at Farwell School.

The primary room comprised of grades one and two, with a total enrollment of twenty-six pupils.

The Intermediate room comprised of grades three, four and five, with a total of twenty-four pupils.

At the present time the total enrollment is forty-eight pupils.

During the summer new fluorescent lights were installed in the school cafeteria.

The primary room was newly painted.

New books were purchased, namely: New Reading Book for the first and second grades, new Social Studies for the fourth grade.

A new record player was purchased for the school.

Mrs. Olive Decker is at the school three Mondays each month, as a Helping Teacher for all grade levels.

The Mothers' Club of North Charlestown gave the teachers a reception early in September.

On November 12th the teachers held Open House for the parents and friends of Farwell School.

The children's work was displayed and the teachers were in their respective rooms to greet the visitors. This event was largely attended and enjoyed by everyone.

The social aspects of child development have also been emphasized.

A Hallowe'en Party was held at the school, games were played and refreshments served.

At Christmas time both rooms held Christmas Parties.

The children also participated in the Community Christmas Party given at the Grange Hall.

Mr. William Brys, our music supervisor directed and accompanied the singing.

Mr. and Mrs. Robert Nash gave the children a nice Christmas surprise — a basket filled with “Christmas Goodies”.

Mr. and Mrs. Nash are the custodians at the Farwell School this year.

On October 28th., A. M. Houghton came to the school and checked all Fire Extinguishers.

On November 14th, Mr. Bryson, an insurance inspector, was at the school and carefully checked the entire building.

On December 10th., Mr. Peck, from Concord, N. H., called on us. He found the lighting excellent and all other sections of the building satisfactory.

I wish to express my sincere thanks to Mrs. Ellen Spafford for her cooperation and help this year. Together, we wish to thank the local School Board Members, our Superintendent, Mr. Noyes Stickney; Music Supervisor, Mr. William Brys; School Nurse, Miss Florence MacIver; Helping Teacher, Mrs. Olive Decker; Custodians, Mr. and Mrs. Robert Nash and the Citizens of North Charlestown for their cooperation, help and fine support we have received this past year.

Respectfully submitted,

MINNIE V. SMITH

Principal.

SCHOOL NURSE'S REPORT

To the School Board and the Citizens of Charlestown, I herewith submit my eleventh annual report.

During the past school year five hundred and ninety-three vision tests were done. There were thirty-one defects found and thirty of these were corrected.

Five hundred and sixty-one children were weighed, measured and checked for noticeable abnormalities. The great problem still continues to be the need for better dental health.

Three hundred and eighty-seven children were given

hearing tests on a screening basis. Thirteen were followed up with a full audiogram. Five defects were found and reported to parents. Three were further checked by the family physician.

Because of the Polio epidemic in Canada during the early fall it was felt necessary to offer Sabin Vaccine Type III once again to those who had not already received it. You will recall that this type Sabin Vaccine brought about quite a controversy the first year it was made available. One hundred and thirty-three school children, forty-five adults and five pre-school children received the Vaccine in October.

Tuberculin Patch Testing was also done in October. Six hundred and fifty-five children from Kindergarten through the twelfth grade were checked as well as fifteen adults. Of this group five persons were x-rayed at the Diagnostic Chest Clinic in Claremont. This Clinic is sponsored by the New Hampshire Tuberculosis Association and is open to anyone wishing to have a chest x-ray.

Eleven school children attended the Child Guidance Clinics in the area. A Child Guidance Clinic is held monthly at the Community Center in Claremont. This clinic is staffed by a psychologist and a psychiatric social worker from the staff of the Hitchcock Clinic in Hanover. There is no charge for the Claremont Clinic services. We have found the help given by these clinics to be invaluable; to the child, the parents, as well as the school. We have a much greater understanding of the needs of a child after the diagnostic tests and evaluations have been made by the clinic.

Three children attended the Orthopedic Clinic at Hanover. Three children are attending the Hitchcock Clinic for speech therapy.

I would like to express my thanks and appreciation to all of you for your fine support and interest in the school health program.

Respectfully submitted,

FLORENCE MACIVER

School Nurse.

REPORT OF THE STUDENT AID FUND

During the past year the Charlestown Student Aid Fund has granted eight loans to students who needed financial assistance to continue their post-secondary education. These eight loans equal a total of two thousand four hundred dollars. (\$2,400).

The total amount now out on loan to students who have not completed their education is four thousand three hundred and fifty dollars. (\$4,350).

The Student Aid Fund Committee wishes to express its sincere thanks to the many individuals and organizations that have done so much to help our worthy students.

NOYES STICKNEY

MINUTES OF THE CHARLESTOWN SCHOOL DISTRICT MEETING

March 16, 1963

Meeting called to order at 10:00 a.m. by Moderator Martha Frizzell.

The warrant was read by the Moderator.

It was announced that the Polls would be open from 10:00 a.m. to 6:00 p.m. Arthur Moore and Edwin Morrill were in charge of the check list.

Mrs. Spooner, Mrs. Child and Mrs. Bingham were the Supervisors of the check list.

A motion was made by Arline Warren, seconded by Arthur Moore, to postpone action on Articles 6 through 12 until 1:30 p.m. Motion carried.

The meeting was reopened at 1:30 p.m.

The Moderator asked that Article 11 be considered first as it might have an effect on the budget.

Mr. Stickney said the change would not be effective until next year, so would not have any effect on this year's budget. The question was asked as to how the School Board felt about the membership. Horace Bascom said they felt there was better representation with a six man school board.

A motion was made by Harold Blodgett, seconded by Loraine Child, that the School Board membership remain at six (6). Motion carried.

Art. 6. To determine and approve the salaries of the School Board and fix the compensation of any other officers or agents of the district.
N. Stickney: I recommend that the School District vote to provide in the budget the sum of \$770 for the salaries of District Officers.
Seconded by Walter Palmer.
Motion carried.

Art. 7. To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.
Mrs. Lange: I move that the School District vote to accept the report of the School Department as published in the Town Report.
Seconded by Harold Blodgett.
Motion carried.

Art. 8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of the district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums of money as are estimated to be received from state equalization and building funds, together with other income; the School Board to certify to the Selectmen the balance between estimated revenue and the appropriation, which balance is to be raised by the taxes by the town.
C. Fisk: I move that the School District raise and appropriate the sum of \$244,980.23, for the support of schools, for the salaries of the district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums of money as are estimated to be received from state equalization and building funds, together with other income; the School Board to certify to the Selectmen the balance between estimated revenue and the appropriation, which balance is to be raised by the

taxes by the town.

Seconded by H. Bascom.

The budget was explained by Horace Bascom.
Vote on the motion—motion carried.

- Art. 9. To see if the district will authorize the School Board to appropriate receipts from federal lunch reimbursements, tuition, gifts and any other receipts from miscellaneous sources, in addition to the original appropriation for 1963 - 1964, for the lunch program, general expenses, equipment and improvements.

J. Austin: I move that the School District authorize the School Board to appropriate receipts from federal lunch reimbursements, tuition, gifts, and other receipts from miscellaneous sources, in addition to the original appropriation for 1963 - 64, for the lunch program, general expenses, equipment and improvements.

Seconded by H. Blodgett.

Motion carried.

- Art. 10. To see if the district will authorize the School Board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U.S. Government and/or State Agencies.

B. Reese: I move that the School District authorize the School Board to make application for and to receive in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U.S. Government and/or State Agencies.

Seconded by D. Olden.

Motion carried.

- Art. 11. Discussed first.

- Art. 12. To transact any other business that may legally come before this meeting.

Edna Farrell: I move that commencing in 1964 the School Report show the individual names and earnings of all teachers, janitors, bus drivers and other personnel employed by

the Charlestown School District, of Charlestown, N. H. The above to be continued until rescinded at a future School Meeting.

Seconded by Loraine Child.

The Moderator announced that a vote would be taken on the motion with the understanding that she would consult the Attorney General as to the legality of the motion.

Vote on motion—motion defeated.

There was no further business — the meeting was adjourned by the Moderator at 3:45 p. m.

6:00 p.m. — Polls closed.

The votes were counted by Arthur Moore, Edwin Morrill, Martha Frizzell and Arline Warren.

There were 118 votes cast.

Results: Moderator — Martha Frizzell

District Clerk — Arline Warren.

School Board Members for 3 years:

Cecil Fisk, Barbara Reese.

District Treasurer: Beatrice Olden.

Auditors: Margaret Spaulding, Louis Comstock.

Meeting adjourned at 7:15 p.m.

SCHOOL WARRANT
State of New Hampshire

Notice: Polls will be Open from 10:00 a.m. to 6:00 p.m.

To the Inhabitants of the School District in the Town of Charlestown qualified to vote in district affairs:

You are hereby notified to meet at the Charlestown High School Auditorium, in said district, on the fourteenth day of March, 1964, at ten o'clock in the morning to act on Articles 1 through 5, namely: To choose a Moderator; To choose a Clerk; To choose two members of the School Board; To choose a Treasurer; To choose Auditors. The meeting will be recessed and called again at 1:30 o'clock in the afternoon to act upon the remaining articles in the warrant, numbers 6 through 12.

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose two members of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To choose Auditors for the ensuing year.
6. To determine and approve the salaries of the School Board and fix the compensation of any other officers or agents of the district.
7. To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of the district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums of money as are estimated to be received from state equalization and building funds, together with other income; the School Board to certify to the Selectmen the balance between estimated revenue and the appropriation, which balance is to be raised by the taxes by the town.
9. To see if the district will authorize the School Board to appropriate receipts from federal lunch reimbursements, tuition, gifts and any other receipts from miscellaneous sources, in addition to the original appropriation

for 1964-1965, for the lunch program, general expenses, equipment and improvements.

10. To see if the district will authorize the School Board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U.S. Government and/or State Agencies.

11. To see if the district will vote to construct and equip a new building and/or addition or additions to an existing building; and to see what sum of money the district will raise and appropriate for constructing and equipping said building, addition or additions; and whether the district will vote to authorize the issue of serial notes or bonds upon the credit of the district for all or any portion of the sum so raised and appropriated, in accordance with the Municipal Finance Act, Chapter 33, and any amendments relating thereto.

12. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS at said Charlestown this Twenty-eighth day of February, 1964.

HORACE BASCOM, Chairman

DANA OLDEN
