DEDICATION

CAROLINA MARINI

Carolina Marini served the Town of Merrimack as its Animal Control Officer. She was also a Special Police Officer and a Police Matron. She began her employment with the town on March 15, 1981.

Carolina was admired and respected by all who knew and worked with her. Her love for animals was evident in the way that she conducted her duties. She was a joy to know and we miss her still.

Carolina passed away on May 20, 1984.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Merrimack in the County of Hillsborough in said State, qualified to vote in town affairs:

You are hereby notified that the annual meeting of the Town of Merrimack will be held at the Mastricola Middle School, All Purpose Room, on Baboosic Lake Road in said Merrimack on Tuesday, May 14, 1985, at 8:00 o'clock in the forenoon for the choice of town officers elected by official ballot and other action required to be inserted on said official ballot. The polls for the election of town officers and other action required to be inserted on said ballot will open on said date at 8:00 o'clock in the forenoon and will not close earlier than 8:00 o'clock in the evening.

You are hereby notified that the second session of the annual meeting of the Town of Merrimack will be held at the Mastricola Middle School, All Purpose Room, on Baboosic Lake Road in said Merrimack on Thursday, May 16, 1985, at 7:30 o'clock in the evening to act on the matters not to be voted upon by official ballot.

1. To choose all necessary town officers for the ensuing year. (Vote by official ballot)
2. To choose all necessary school district officers for the ensuing year. (Vote by official ballot)
3. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the town zoning ordinance as follows:

Amend the ordinance by providing for the regulation of signs in the Town of Merrimack. This provision adopts regulations for signs within the purview of the zoning ordinance rather than as part of the subdivision regulations as presently exist. (Vote by official ballot)

4. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the town zoning ordinance as follows:

Amend the ordinance by providing for the regulation of off-street parking for all uses and developments proposed in the Town of Merrimack. This provision adopts requirements for off-street parking within the purview of the zoning ordinance rather than as part of the subdivision regulations as presently exist. (Vote by official ballot)

5. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the town zoning ordinance (building code) as follows:

Amend certain portions of Section 10 entitled Building Code of the zoning ordinance by adopting the BOCA Basic National Building Code,

Ninth Edition, 1984 and the 1985 Supplement, the BOCA Basic National Plumbing Code, Sixth Edition, 1984 and the 1985 Supplement, the Life Safety Code, NFPA-101, and the BOCA Basic Fire Prevention Code, Fifth Edition, 1981 with the currently adopted additions, insertions, deletions, and changes to these codes. (Vote by official ballot)

6. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the town zoning ordinance (building code) as follows:

Amend Section 10 of the ordinance by providing for the adoption of the NFPA 70-1984 National Electrical Code and the BOCA Basic/National Mechanical Code, Fifth Edition, 1984 and its 1985 Supplement. (Vote by official ballot)

7. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the town zoning ordinance (building code) as follows:

Amend Section 10.02 of the ordinance by adopting certain additions, deletions and changes to the BOCA Basic National Building Code, Ninth Edition, 1984, including a requirement for prescribed independent exitways for all dwellings within the town, certain requirements for bracing, flashings, and fire resistant fire separation walls in building construction, as well as bonding and liability insurance coverage requirements for signs over public property. (Vote by official ballot)

8. Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for town zoning ordinance as follows:

Amend Section 2 of the ordinance by providing for an additional Planned Residential District area on a parcel of land extending from Camp Sargent Road to the F.E. E. Turnpike being Tax Map Parcel 3D/27. The location and boundaries of the area proposed are shown on the Zoning Map which is a part of the ordinance. (By petition) (Disapproved by the Planning Board) (Vote by official ballot)

9. To see if the town will vote to raise and appropriate the sum of eight thousand five hundred dollars (\$8,500) for the purpose of installing additional street lights in the Town of Merrimack, or act on anything relative thereto. (Recommended by the Budget Committee)

10. To see if the town will vote to raise and appropriate the sum of sixty-five thousand dollars (\$65,000) to purchase from Henry Kiestlinger three (3) acres of land, more or less, which abuts the Town Hall complex and Daniel Webster Highway. (Recommended by the Budget Committee)

11. To see if the town will vote to raise and appropriate such sums of monies as may be necessary to defray town charges for the ensuing year:

1. Town officers' salaries
2. Town officers' expenses
3. Election and registration expenses
4. Cemeteries
5. General Government buildings
6. Reappraisal of property
7. Planning and Zoning
8. Legal expenses
9. Advertising and regional association
10. Police Department
11. Fire Department
12. Civil Defense
13. Building Inspection
14. Communications
15. Maintenance of highways, streets and bridges
16. General Highway Department expenses
17. Street lighting
18. Equipment maintenance
19. Solid Waste disposal
20. Hospitals and ambulances
21. Animal control
22. Merrimack Valley Home Health Care
23. General assistance
24. Old age assistance
25. Library
26. Parks and Recreation
27. Patriotic purposes
28. Conservation Commission
29. Principal of long-term bonds and notes
30. Interest expense – long-term bonds and notes
31. Interest expense – Tax Anticipation Notes
32. Payments to capital reserve funds
33. Pennichuck Water Works
34. Municipal sewer department
35. Fiscal charges on debt
36. FICA, retirement and pension contributions
37. Insurance
38. Unclassified wage and salary adjustments
39. Town center beautification
40. Sewer plant improvements
41. Land acquisition
42. Unemployment compensation

(See budget detail) (Recommended by the Budget Committee)

12. To see if the town will vote to authorize the withdrawal from the Federal Revenue Sharing Fund for use as setoffs against budgeted appropriations in the amount indicated and set forth below and, further, to authorize the Board of Selectmen to make pro rata reductions in the amounts if estimated entitlements are reduced, or take any other action hereon:

General Government	\$ 50,000
Police Department	25,000
Fire Department	25,000
Highway Division	<u>100,000</u>
	\$200,000

(Recommended by the Budget Committee)

13. To see if the town will vote to appropriate the sum of five hundred thousand dollars (\$500,000) for design and construction of Waste Water Treatment Plant improvements, and to authorize the withdrawal of the said amount from the Sewer Enterprise Fund surplus. (Recommended by the Budget Committee)
14. To see if the town will vote to rescind the one million dollar (\$1,000,000) sewer line extension bond authorization which was designated for Contract 17A, Naticook-Maycrest collector system, said authorization having been passed on May 13, 1980, Warrant Article 11. (Recommended by the Budget Committee)
15. To see if the town will vote to appropriate and withdraw from the fire apparatus capital reserve fund, the sum of one hundred forty thousand dollars (\$140,000) to purchase a new fire pumper and associated equipment to replace Engine # 1, a 1965 American LaFrance pumper and further to authorize the Board of Selectmen to trade or sell said 1965 pumper, at their discretion, any funds derived therefrom to be placed in the fire apparatus capital reserve fund. (Recommended by the Budget Committee)
16. To see if the town will vote to approve the Merrimack River Supplement Project of Pennichuck Water Works, a substantial portion of which project shall be located in the town (a copy of the specifications of such project has been filed and is available for inspection at the office of the Town Clerk), such approval being necessary solely to enable such project to be financed by an issue of bonds by The Industrial Development Authority of the City of Nashua, New Hampshire pursuant to RSA 162-G. (By ballot)
17. To see if the town will vote to have the 1985 income from the Library Unrestricted Trust Funds placed into the Library Trustee's Special Account. (By petition) (Recommended by the Budget Committee)

18. To see if the town will authorize the selectmen to apply for, receive and expend federal or state grants which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money provided: (1) that such grants and other monies do not require the expenditure of other town funds; (2) that a public hearing shall be held by the selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town monies, all as provided by RSA 31:95b.
19. To see if the town will vote to adopt a codification of the ordinances and regulations of the Town of Merrimack, together with a change of numbering, titling and formatting thereof, the entire texts of which are as published by General Code Publishers Corporation in "The Code of the Town of Merrimack" on file with the Town Clerk. This vote shall supersede and replace by reference to said Code the ordinances and regulations heretofore adopted by the Town of Merrimack. The Code of the Town of Merrimack shall become effective upon passage.
20. To see if the town will vote to raise and appropriate the sum of two thousand five hundred dollars (\$2,500) for the purpose of landscaping and improving the grounds of the Merrimack Public Library and the Adult Community Center. (By petition) (Recommended by the Budget Committee)

Given under our hands and seals this 18th day of April in the year of Our Lord nineteen hundred and eighty-five.

RE: GENERAL BUDGET INFORMATION 1985/86

DATE: APRIL 12, 1985

The proposed municipal operating budget for 1985/86 has been submitted to you for your consideration. This budget document covers the fiscal period July 1, 1985 through June 30, 1986. The budgets detailed in this document by departments, divisions, programs, and line item estimate proposed expenditures by the Selectmen totaling \$8,659,464 (\$1,231,397 above 1984/85 appropriations). **These figures represent a 16.57% increase in proposed expenditures over the 1984/85 appropriations. The proposed operating budget total, after removing the "self-supporting" budget (Public Works Sewer Division [WWTF/Compost]) reflects an increase of \$1,068,705 or 18.14% over the current 1984/85 operating budget.**

This substantial increase is heavily attributable to the Roadway Pavement Management Program. The proposed budget reflects approximately a \$220,000 expenditure for the road seal and maintenance of gravel roads (\$232,000 1984/85) while our debt service account has increased by some \$480,000 to cover the first year cost for principal and interest on the RPMP bond issue. If these items were removed for comparison purposes only, our municipal budget increase would be about \$531,402 or 7.2% after applications of wage increases for town employees, union and non-union (firefighters excepted).

The figures for total proposed expenditures are somewhat different. Our combined spending as proposed and estimated at this time (includes municipal, warrant articles, school and county) totals \$22,870,273. This is an increase of \$2,955,103 or 14.84% over the comparable areas of the 1984/85 budget. These increases reflect all increases currently being considered and/or negotiated for all employees.

REVENUES:

At this writing, revenue projections seem to indicate that no drastic changes in our revenue picture will develop. Revenue projection sheets have been included with this budget submission.

PROPERTY VALUATION:

We are projecting (as of December 31, 1984) an overall property valuation increase of approximately \$22,000,000. It is anticipated at this time that our current valuation of \$433,028,396 will increase to \$455,000,000 as of April 1, 1985. This represents a 5.1% increase in the town's net assessed

valuation. This factor, combined with the projected increase in spending, will have a definite effect toward our goal of stabilizing the tax rate.

In 1979, the town was revalued. This resulted in a new total assessed property valuation of \$345.5 million. In six years we will have experienced an increase in this valuation to \$455 million. This represents a 31.7% increase. This obvious growth in our tax base has played a major part toward stabilizing our tax rate while at the same time, allowing a level of service that our community demands.

DEBT SERVICE:

The proposed 1985/86 budget of \$1,758,255 for debt service reflects a net increase of \$307,539 over 1984/85 appropriations of \$1,450,716, including \$177,000 by special warrant article. This increase represents an additional \$352,000 for bond principal and interest related to the Roadway Pavement Management Program offset by a \$44,461 decline in interest payments on other maturing bond issues. However, the amount of property taxes to be raised in support of this debt service should increase by only \$10,534 due primarily to \$138,359 made available by the closing of the sewer line extension fund and the general fund surplus of \$173,000 resulting from the 1984/85 appropriations for RPMP bond interest that will not be expended.

PERSONNEL:

Six new full-time personnel and two part-time positions are being requested in the 1985/86 budget. This proposal increases our full-time complement of town employees from 135 to 141 in the 1985/86 budget. The breakdown of proposed new full-time personnel is as follows:

Police - 2; Highway - 2; Equipment Maintenance - 1;

Planning & Zoning - 1.

Additional part-time personnel: Town Clerk/Tax Collector - 1;

Parks and Recreation - 1.

PERSONNEL BENEFITS AND WAGES:

At this writing, pay adjustments for most union municipal employees have been finalized. A final determination was made regarding pay adjustments for non-union personnel.* Fringe benefits equal to the 1984/85 budget have been included in each of the department budgets; however, they are identified by separate line items in this budget (131-136).

*Included as one line item in General Government, to be transferred to individual departments at a later time.

Contract negotiations with the Police and Public Works Departments (Highway, etc./Sewer Divisions) bargaining units have been completed and we await ratification of the agreements. The results of these negotiations will be effective for this budget year (1985/86). As of this writing, a fact finder's report for the union fire fighters is pending. As a result, no addition to the budget has been made to cover any potential results.

GENERAL INFORMATION:

As you will note in the following chart (COMPARATIVE TAX RATE AND VALUATION IN DOLLARS), our municipal spending decreased in 1984 from the previous year. In fact, with the exception of one year (1981) we had a continual decrease in spending from 1977 to 1981. Again, in the last two years, we have managed to decrease our spending level.

TOWN OF MERRIMACK MUNICIPAL SHARE OF TAX RATE

1977	1978 (18 months)	1979	1980	1981	1982	1983	1984
32.8%	28.4%	26.1%	23.4%	23.1%	23.8%	21.7%	18.4%

The information below shows the effort and the results that have occurred from the use of the tax dollar that has had to be raised to provide municipal and other services.

COMPARATIVE TAX RATE AND VALUATION IN DOLLARS

Year	School Tax Rate	School Tax Dollar	Town Tax Rate	Town Tax Dollar	County Tax Rate	County Tax Dollar
1977	40.70	5,422,272	20.80	2,771,087	2.00	266,450
1978	39.20	5,730,673	16.40	2,397,526	2.20	321,619
1979	16.90	5,890,768	6.40	2,230,823	1.20	418,279
1980	19.00	6,837,426	6.20	2,231,160	1.30	467,824
1981	20.90	7,595,784	6.70	2,435,012	1.40	508,808
1982	19.90	7,736,482	6.70	2,604,745	1.60	622,029
1983	21.10	8,504,440	6.39	2,578,658	1.99	802,661
1984	21.83	9,451,740	5.35	2,319,547	1.97	851,491

Our general municipal operating expenditures continue to reflect stabilized spending. Even with the proposed additions of six new full-time personnel, we are experiencing only a 7.2% increase in daily operational expenses. Our capital projects dictate our increased spending. These expenses will upgrade our municipal roads, facilities, etc. Projects such as building expansions, equipment replacement, engineering studies, improvements to the waste treatment plant, and town facilities in general are to be under consideration for the ensuing year. The die has been cast in many instances, as far as our capital projects are concerned. We must now increase and improve our efforts in managing these projects. Our community continues to grow, as does the demand for services. This has dictated the request for the additional personnel to provide these services. The personnel are needed to better manage, provide additional coverage and service in certain areas, and to provide new services in other areas. The proposed expenditure plan before you is a planned positive action program that I feel can be accomplished within our community's ability to pay. With this ability and with the desire and demand for additional services, coupled with positive and progressive thinking, we can again accomplish our goals.

Sincerely,
James A. McSweeney
Town Manager

SCHOOL

School Board

Carolyn Whitlock

Planning & Building Committee

David Johnsen, George Keller

The following amendments to the town zoning ordinances were acted upon:

1. Amend the ordinance by providing for an Aquifer Conservation District to protect, preserve and maintain the existing and potential ground water supply and recharge areas within the known aquifer from adverse development or land use practices? The location and boundaries of the proposed District are shown on U.S. Geological Survey maps which are a part of the ordinance.

Yes 1349

No 194

2. Amend Section 14 of the ordinance by providing for review of the architectural design of structures proposed to be located within a Planned Unit Development to ensure compliance with the goals of harmonious existence with the neighborhood and the environment?

Yes 1186

No 270

3. Amend Section 14 Table II of the ordinance by reducing the number of dwelling units and non-residential gross floor area permitted within a Planned Unit Development by approximately 40%?

Yes 962

No 509

4. Amend Section 12 of the ordinance by authorizing the Planning Board to assign or change section numbers in the zoning ordinance as it may deem appropriate provided that no substantive change to the ordinance shall be effected as a result of the assignment or change of section numbers?

Yes 888

No 527

5. Amend Section 2 of the ordinance by permitting churches to be located in the residential districts by special exception and in the industrial and commercial district as a permitted use, subject to non-residential site plan review in each district?

Yes 794

No 757

6. Amend Section 7 of the ordinance by extending the period of viability of a granted variance by the Zoning Board of Adjustment from the present six months to nine months?

Yes 854

No 618

7. Amend Sections 1 and 2 of the ordinance by permitting certain home occupations including family day care homes as permitted uses in the residential district, subject to non-residential site plan review?

Yes 807

No 736

8. Amend Section 2 of the ordinance by providing for an additional Planned Residential District area on a parcel of land extending from Sargent Road to the F.E.E. Turnpike being Tax Map Parcel 3D/27? The location and boundaries of the area proposed is shown on the Zoning Map which is a part of the ordinance.

Yes 396

No 1168

ANNUAL MEETING

SECOND SESSION

MAY 10, 1984

The second session of the Annual Town Meeting convened at 7:30 p.m. with Moderator Robert C. Schaumann presiding. Mr. Schaumann introduced the Reverend William Keefee who gave the invocation, following which the Pledge of Allegiance to the flag took place.

Moderator Schaumann then introduced Robert W. Brundige, Chairman of the Board of Selectmen, who, in turn, introduced the rest of the Board. David L. Jordan was acknowledged as the outgoing Selectman and John J. Grady was introduced as the newly elected member of the Board.

Mr. James McSweeney, the Town Manager, was then introduced by the Moderator, and he introduced the department heads and key personnel. Martin Carrier, Chairman of the Budget Committee, then introduced the Budget Committee members who were present.

Moderator Schaumann announced to the public that they should check in with the ballot inspectors and to use the pink cards to either vote or be recognized. He asked residents to identify themselves and to limit their statements to three minutes. Mr. Schaumann indicated that he intended to suggest an adjournment at around 11:00 p.m. and that no new business be introduced at this time. He explained that the first two articles were bond issues and were to be decided by secret ballot. He further explained that a two thirds vote majority would be necessary to pass the articles.

ARTICLE 12: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF ONE MILLION ONE HUNDRED THOUSAND DOLLARS (\$1,100,000.00) FOR THE PURPOSE OF FUNDING THE TOWN'S SHARE OF THE PROPOSED STATE RECONSTRUCTION/RELOCATION OF CAMP SARGENT ROAD FROM THE SOUTHERLY TERMINUS OF CONTINENTAL BOULEVARD TO ROUTE 101A, SAID SUM TO BE IN ADDITION TO ANY FEDERAL, STATE OR PRIVATE FUNDS MADE AVAILABLE THEREFOR, AND TO RAISE THE SAME BY THE ISSUANCE OF BONDS OR SERIAL NOTES IN ACCORDANCE WITH THE PROVISIONS OF THE MUNICIPAL FINANCE ACT (CHAPTER 33 OF THE NEW HAMPSHIRE REVISED STATUTES ANNOTATED 1955 AND ANY AMENDMENTS THERETO) AND TO AUTHORIZE THE SELECTMEN TO ISSUE AND NEGOTIATE SUCH BONDS OR NOTES AND TO DETERMINE THE RATE OF INTEREST THEREON AND TO TAKE SUCH OTHER ACTIONS AS MAY BE NECESSARY TO EFFECTUATE THE ISSUANCE, NEGOTIATIONS, SALES AND DELIVERIES OF SUCH BONDS OR NOTES AS SHALL BE IN THE BEST INTEREST OF THE TOWN OF MERRIMACK AND, FURTHER, TO AUTHORIZE THE SELECT-

MEN TO CONTRACT FOR AND ACCEPT ANY GRANT OR GRANTS OF FEDERAL, STATE OR PRIVATE AID THAT MAY BECOME AVAILABLE IN CONNECTION WITH THE AFORESAID PURPOSE AND PASS ANY VOTE RELATING THERETO. (VOTE BY BALLOT) (RECOMMENDED BY THE BUDGET COMMITTEE.)

MOTION was made by David L. Jordan and seconded by Robert W. Brundige to adopt the article as read. Mr. Jordan then turned the floor over to Nelson Disco who addressed the article. Mr. Disco gave a short presentation regarding the technical aspects and turned the floor over to Representatives Charles Nute and Harold Watson to address the funding aspects. Many citizens spoke on the issue, including Geraldine Watson, Angelo Petas, Thomas Bernard, Mr. Orzell, Don Dwyer, Dennis Fields, Fred Ahrens, Arthur Gagnon, Joe Devine, Richard DeBonville, Tom Mahon, Martin Carrier, Mr. Mansperger. Robert Kelley then called the question. The moderator called for the vote and it passed. The moderator advised that this article needed two-thirds vote to pass and at 8:52, he opened the polls for voting. At 10:00, the Moderator closed the polls and later announced that 490 people had voted and the vote was 394 for the article and 66 opposed. Article 12 PASSED in the Affirmative and was so declared.

ARTICLE 13: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF SEVEN MILLION EIGHT HUNDRED THOUSAND DOLLARS (\$7,800,000.00) FOR THE PURPOSE OF IMPROVING TOWN-OWNED PUBLIC WAYS, SAID SUM TO BE IN ADDITION TO ANY FEDERAL, STATE, LOCAL OR PRIVATE FUNDS MADE AVAILABLE THEREFOR, AND TO RAISE THE SAME BY THE ISSUANCE OF BONDS OR SERIAL NOTES IN ACCORDANCE WITH THE PROVISIONS OF THE MUNICIPAL FINANCE ACT (CHAPTER 33 OF THE NEW HAMPSHIRE REVISED STATUES ANNOTATED 1955 AND ANY AMENDMENTS THERETO) AND TO AUTHORIZE THE SELECTMEN TO ISSUE AND NEGOTIATE SUCH BONDS OR NOTES AND TO DETERMINE THE RATE OF INTEREST THEREON AND TO TAKE SUCH OTHER ACTIONS AS MAY BE NECESSARY TO EFFECTUATE THE ISSUANCE, NEGOTIATIONS, SALES AND DELIVERIES OF SUCH BONDS OR NOTES AS SHALL BE IN THE BEST INTEREST OF THE TOWN OF MERRIMACK AND, FURTHER, TO AUTHORIZE THE SELECTMEN TO CONTRACT FOR AND ACCEPT ANY GRANT OR GRANTS OF FEDERAL, STATE OR PRIVATE AID THAT MAY BECOME AVAILABLE IN CONNECTION WITH THE AFORESAID PURPOSE AND PASS ANY VOTE RELATING THERETO. (VOTE BY BALLOT) (RECOMMENDED BY THE BUDGET COMMITTEE.)

MOTION was made by James A. McSweeney and seconded by David L. Jordan to adopt the article as read. At 9:15 p.m., the Moderator reconvened the meeting for this discussion. The polls were still open on Article 12. Mr. McSweeney gave an overview of the program and turned the floor over to Edward J. Blaine, Jr., Director of Public Works, for a presentation. After the presentation, Mr. Blaine and Robert T. Levan, Finance Administrator, addressed questions from Fred Ahrens, Mr. Orzell, Dick Andersen, Ken Asai, Anita Memos. Bob Bergin requested that the question be called after discussion, however, the Moderator declined and stated he felt more people wanted to address the article. Mr. Dick Wilkins, Mark Goldberg and Judy Blaine further addressed the issue. The Moderator then asked if the question should be called and the show of cards indicated that the vote was in the affirmative. The Moderator declared that the discussion had ended, however, Donald Botsch wished to make a point and the Moderator was going to permit this. Donald Dwyer from the floor called for a point of order and declared that this body had decided to limit the debate. Upon advice of town counsel, the Moderator declared that the deliberation had ended and it was now time to vote. At 10:40 p.m., the polls opened for voting on Article # 13. The Moderator announced that the polls would be open for one hour, closing at 11:40 p.m.

At 11:05 p.m., MOTION was made by Robert Kelly and seconded by Lon Woods to recess at 11:40 p.m., and to reconvene at 7:30 p.m. tomorrow evening. MOTION PASSED in the Affirmative and was so declared.

**ANNUAL MEETING
THIRD SESSION**

MAY 11, 1984

The third session of the Annual Town Meeting convened at 7:30 p.m. with Moderator Robert C. Schaumann presiding. The Moderator announced the results of the voting on the previous evening's bond issues. ARTICLE #12 had 490 voting and the vote was 394 for and 66 opposed. ARTICLE #13 had 314 voting with 239 for and 75 opposed. The Moderator declared that these articles had PASSED in the Affirmative.

ARTICLE #14: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF ONE HUNDRED SEVENTY-SEVEN THOUSAND DOLLARS (\$177,000) FOR THE PURPOSES OF BOND INTEREST (\$173,000) AND BOND REGISTRATION FEES (\$4,000) CONTINGENT UPON THE PASSAGE OF WARRANT ARTICLE 13. (RECOMMENDED BY THE BUDGET COMMITTEE.)

MOTION was made by David L. Jordan and seconded by Robert W. Brundige to pass Article 14 as read. David Jordan turned the floor over to Finance Administrator, Robert T. Levan for explanation. After explanation, the question was called and the MOTION passed in the affirmative and was so declared.

ARTICLE #15: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF NINETY-FOUR THOUSAND SEVEN HUNDRED TWENTY DOLLARS (\$94,720) FOR THE PURPOSE OF CONTINUED FUNDING WITHIN THE ADMINISTRATIVE DIVISION OF THE DEPARTMENT OF PUBLIC WORKS THE POSITIONS OF DIRECTOR AND TOWN ENGINEER SAID SUM TO BE ALLOCATED AS FOLLOWS:

(SEE BUDGET DETAIL) (RECOMMENDED BY BUDGET COMMITTEE)

MOTION by Martin Carrier and seconded by John Lyons that the town vote to raise and appropriate the sum of seven million three hundred fifty-seven thousand seven hundred forty-three dollars (\$7,357,743) to defray town charges for the ensuing year for the purposes listed on the warrant, items a through 11.

MOTION to AMEND by Martin Carrier and seconded by John Lyons that the following line items be amended as follows:

In the Highway Division, page 35, line item:

- 104 from \$153,947 to 163,887
- 111 from 21,014 to 22,456
- 122 from 42,901 to 42,967
- 125 from 19,654 to 20,453
- 128 from 5,880 to 8,760
- 204 from 2,775 to 3,000

which changes the total for the Highway Division from \$1,048,343 to \$1,063,695;

In the Solid Waste Division, line item:

- 104 from 25,240 to 26,463
- 111 from 1,638 to 1,753
- 122 from 4,899 to 5,076
- 125 from 1,888 to 1,983
- 128 from 480 to 960
- 204 from 370 to 400

which changes the total for the Solid Waste Division from \$119,874 to \$121,994;

In the Sewer Division, line item:

- 104 from 265,782 to 282,088
- 111 from 21,663 to 22,500
- 122 from 66,216 to 67,378
- 125 from 29,594 to 30,800
- 128 from 9,320 to 13,640
- 204 from 4,255 to 4,600

which changes the total for the Sewer Division from \$1,316,906 to \$1,341,082;

In the Compost Division, line item:

104	from	44,032	to	46,882
111	from	1,032	to	1,098
122	from	8,424	to	8,606
125	from	3,166	to	3,371
128	from	720	to	1,440
204	from	555	to	600

which changes the total for the Compost Division from \$191,870 to \$195,938;

In the Equipment Maintenance Division, line item:

104	from	31,800	to	33,838
111	from	3,570	to	3,755
122	from	6,619	to	6,776
125	from	4,130	to	4,155
128	from	1,480	to	1,960
204	from	888	to	918

which changes the total for the Equipment Maintenance Division from \$79,992 to \$82,907;

In the Fire Department, line item:

104	from	197,670	to	209,085
111	from	33,400	to	35,380
122	from	76,659	to	77,657
128	from	57,326	to	59,366
204	from	9,000	to	9,260

which changes the total for the Fire Department from \$647,487 to \$664,180.

These amendments change the budget total from \$7,357,743 to \$7,423,067.

Mr. Carrier indicated that the reason for these amendments was that when the Budget Committee acted on the budget, the negotiations between the Public Works Union and the Fire Department Union had not yet been concluded. The Moderator then turned the floor over to the Town Manager, James A. McSweeney, who proceeded to explain the budget. When Mr. McSweeney reached the review of Department 07, Public Works Administration, Mr. Brundige, Chairman of the Board of Selectmen, stated that the Board of Selectman had voted to delete these two positions. Public Works Director and Town Engineer and the Budget Committee had reinstated these two positions. Because of the action last night (passing of the bonds for the road improvements), the Board of Selectmen is withdrawing their objection and reinstating these two positions. Review of the rest of the budget continued. The Moderator stated the amendment be voted on and then the entire budget as amended would be open for discussion from the floor. Don Dwyer moved to call the question and the AMENDMENT PASSED and so declared by the Moderator.

Mr. Fred Ahrens questioned items as did Tom Orsby and Mr. Lewis. Fred Ahrens made a MOTION that Account 18-05-104 be reduced by \$10,798.84. The MOTION DIED because of a lack of a second. Discussion continued and a MOTION was made by Lawrence Marquis and seconded by Robert Kilkelly to increase under the Public Works - Highway Division, page 36, line item 346 by \$5,000 for a total of \$36,966. It was explained that this was for the specific purpose of making repairs to the flooding problems on Hillside Terrace. Speaking to the motion were Robert Kilkelly, William Ekel, Harold Thresher, Don Botsch, Robert Brundige, Dennis Field. The question was called on the AMENDMENT and the AMENDMENT PASSED. The amount of \$5,000 will be added to the budget.

The Moderator then called the question on the budget as AMENDED. Bottom line of \$7,428,067. The MOTION as amended PASSED and was so declared.

MOTION by Ben Gilman and seconded by Lon Woods to move to Article #35. It was voted to discuss Article #35.

ARTICLE #35: TO SEE IF THE TOWN WILL VOTE TO ADOPT AN ORDINANCE TO PROVIDE FOR THE CIVIL DEFENSE OF THE TOWN OF MERRIMACK AND FURTHER IN ORDER TO PROVIDE FOR AND PROTECT THE SAFETY, SECURITY AND GENERAL WELFARE OF THE TOWN AND ITS INHABITANTS.

(1) EVERY HEAD OF HOUSEHOLD RESIDING IN THE TOWN LIMITS OF THE TOWN OF MERRIMACK IS REQUIRED TO MAINTAIN A FIRE ARM, TOGETHER WITH AMMUNITION THEREFOR.

(2) EXEMPT FROM THE EFFECT OF SAID ORDINANCE ARE THOSE HEADS OF HOUSEHOLDS WHO SUFFER A PHYSICAL DISABILITY WHICH WOULD PROHIBIT THEM FROM USING SUCH A FIRE ARM. FURTHER EXEMPT FROM THE EFFECT OF SAID ORDINANCE ARE THOSE HEADS OF HOUSEHOLDS WHO ARE PAUPERS OR CONSCIENTIOUSLY OPPOSE FIRE ARMS AS A RESULT OF RELIGIOUS DOCTRINE OR BELIEF, OR PERSONS CONVICTED OF A FELONY.

(3) THIS ORDINANCE SHALL BECOME EFFECTIVE TEN (10) DAYS FROM THE DATE OF ADOPTION. (BY PETITION.)

The Moderator declared the article to be unconstitutional and advised that the assembly could overrule him if they so desired. The assembly agreed with the moderator. MOTION from unidentified gentleman, seconded by Don Dwyer to table the article.

ARTICLE #17: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF EIGHT THOUSAND ONE HUNDRED AND THIRTY-SIX DOLLARS (\$8,136) FOR THE PURPOSE OF COMPENSATION TO SALARY/SUPERVISORY PERSONNEL WITHIN THE MERRIMACK HIGHWAY PUBLIC WORKS DIVISION FOR WINTER ICE AND SNOW OVERTIME OPERATION. SAID SUM TO BE ALLOCATED AS FOLLOWS:

PUBLIC WORKS - HIGHWAY DIVISION

Acct. #	Description	82/83 Exp.	83/84 Bud.	Dept. Req.	T.M. Req.	BOS Rec.	Bud. Com. Rec.	Voted
08-105	Super/Winter Comp.	00	00	8136	8136	00	00	8136

OR ACT ON ANYTHING RELATIVE THERETO. (BY PETITION) (NOT RECOMMENDED BY THE BUDGET COMMITTEE.)

MOTION was made by Harold Thresher and seconded by Donald H. Botsch to accept the article as written. Addressing the motion were Harold Thresher, Martin Carrier, James McSweeney, Dick Wilkins, Anita Memos. The question was called and PASSED in the Affirmative and was so declared.

ARTICLE #18: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF TEN THOUSAND DOLLARS (\$10,000) FOR THE PURPOSE OF RENOVATION OF THE OLD MERRIMACK POLICE STATION IN COMPLIANCE WITH BUILDING CODE REGULATIONS FOR THE PURPOSE OF UTILIZATION OF THAT STRUCTURE AS AN ADULT COMMUNITY CENTER. (BY PETITION) (RECOMMENDED BY THE BUDGET COMMITTEE.)

MOTION made by Tom Mahon and seconded by Dennis Fields to pass article 18 as read. John O'Leary addressed the motion. The question was called and Article 18 PASSED in the Affirmative and was so declared.

ARTICLE 19: TO SEE IF THE TOWN WILL VOTE TO APPROPRIATE AND AUTHORIZE THE WITHDRAWAL FROM THE REVENUE SHARING FUND THE SUM OF THIRTY THOUSAND DOLLARS (\$30,000) AS A PORTION OF THE TOWN'S SHARE OF THE RECONSTRUCTION OF ROUTE 3 AND BABOOSIC LAKE ROAD OR ACT ON ANYTHING RELATIVE THERETO. (RECOMMENDED BY THE BUDGET COMMITTEE)

MOTION was made by Donald H. Botsch and seconded by Robert W. Brundige to pass the article as read. Mr. Botsch turned the floor over to Mr. McSweeney for explanation. The question was called and PASSED in the Affirmative and was so declared.

ARTICLE 20: TO SEE IF THE TOWN WILL VOTE TO AUTHORIZE THE WITHDRAWAL FROM THE FEDERAL REVENUE SHARING FUND FOR USE AS SETOFFS AGAINST BUDGETED APPROPRIATIONS IN THE AMOUNT INDICATED AND SET FORTH BELOW AND, FURTHER, TO AUTHORIZE THE BOARD OF SELECTMEN TO MAKE PRO RATA REDUCTIONS IN THE AMOUNTS IF ESTIMATED ENTITLEMENTS ARE REDUCED, OR TAKE ANY OTHER ACTION HEREON:

GENERAL GOVERNMENT	\$55,000
POLICE DEPARTMENT	55,000
FIRE DEPARTMENT	55,000
HIGHWAY DIVISION	<u>55,000</u>
	\$220,000

(RECOMMENDED BY THE BUDGET COMMITTEE)

MOTION was made by Rossiter R. Holt, Jr. and seconded by Donald H. Botsch to accept the article as read. Floor was turned over to Robert T. Levan, Finance Administrator, for explanation. Question was called and PASSED in the Affirmative and was so declared.

ARTICLE 21: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF SIXTY-FIVE THOUSAND DOLLARS (\$65,000) FOR THE PURPOSE OF CONSTRUCTING AN ADDITION TO THE HIGHWAY GARAGE TO PROVIDE ADDITIONAL SPACE FOR THE HIGHWAY AND EQUIPMENT MAINTENANCE DIVISION OF THE PUBLIC WORKS DEPARTMENT. (RECOMMENDED BY THE BUDGET COMMITTEE).

MOTION was made by Rossiter R. Holt, Jr. and seconded by Robert W. Brundige to accept the article as read. Mr. Holt addressed the motion and explained the need for the addition. The question was called and PASSED in the Affirmative and was so declared.

ARTICLE 22: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF TWO HUNDRED THOUSAND DOLLARS (\$200,000) FOR THE PURCHASE OF TWO FRONT-END LOADERS, AND ANY OTHER MACHINERY OR EQUIPMENT NECESSARY TO THE EFFICIENT RECLAMATION AND OPERATION OF THE COMPOST PROJECT AT THE LAGOON SITE, AND TO AUTHORIZE THE WITHDRAWAL OF THE SAID AMOUNT FROM THE SEWER ENTERPRISE FUND SURPLUS AND, FURTHER, TO AUTHORIZE THE BOARD OF SELECTMEN TO TRADE OR SELL, AT ITS DISCRETION, THE EQUIPMENT TO BE REPLACED, OR ACT ON ANYTHING RELATIVE THERETO. (RECOMMENDED BY THE BUDGET COMMITTEE.)

MOTION was made by Robert W. Brundige and seconded by Donald H. Botsch to pass the article as read. Mr. McSweeney gave the explanation on this article and he and Mr. Holt answered questions and comments from the floor. The question was called and PASSED in the Affirmative and was so declared.

ARTICLE #23: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF TEN THOUSAND DOLLARS (\$10,000) FOR THE PURPOSE OF INSTALLING ADDITIONAL STREET LIGHTS IN THE TOWN OF MERRIMACK, OR ACT ON ANYTHING RELATIVE THERETO. (BY PETITION) (NOT RECOMMENDED BY THE BUDGET COMMITTEE.)

MOTION was made by Robert W. Brundige and seconded by Donald H. Botsch to pass the article as read. Mr. Brundige turned the floor over to James Roy who made a presentation regarding the necessity of street lights to combat crime and vandalism. Addressing the article were David Jordan, Joseph Devine, Nancy Stower-Richards, Thomas Mahon, Edward J. Blaine, Lenny Worster, Bob Mansperger, Robert W. Brundige, John Segedy, Linda Theroux, Greta Moran, James McSweeney, Bob Lizotte, Larry Stagney, Dennis Fields. After discussion, MOTION was made by Dennis Fields and seconded by Bob Mansperger to AMEND the article to show \$30,000 for all the requests for lights. Discussion continued and unknown person made the MOTION, seconded by David Jordan to TABLE Article 23. The Moderator declared Article 23 TABLED and so declared.

ARTICLE #24: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF THREE THOUSAND DOLLARS (\$3,000) FOR A HYDROLOGICAL STUDY FOR HORSESHOE POND TO BE PERFORMED BY THE UNIVERSITY OF NEW HAMPSHIRE. (RECOMMENDED BY THE BUDGET COMMITTEE.)

MOTION was made by Donald H. Botsch and seconded by David L. Jordan to pass the article as read. The floor was turned over to Ernest Jette and also addressing the article were Dolly Hummel and Ernest Jeffrey. The question was called and PASSED in the Affirmative and was so declared.

ARTICLE #25: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF THREE THOUSAND DOLLARS (\$3,000) FOR A HYDROLOGICAL STUDY FOR BOTH BABOOSIC LAKE AND NATICOOK LAKE TO BE PERFORMED BY THE UNIVERSITY OF NEW HAMPSHIRE. (BY PETITION) (NOT RECOMMENDED BY THE BUDGET COMMITTEE.)

MOTION was made by Donald H. Botsch and seconded by David L. Jordan to pass the article as read. Martin Carrier of the Budget Committee was asked why the article was not recommended by the Budget Committee and he stated that a petitioner was not present at the time the Budget Committee discussed it. They felt it would be inappropriate to pass it at that time. Joyce Moore, and Ernest Jette addressed the article. The question was called and the article PASSED in the Affirmative and was so declared.

MOTION by Tony Lewis, seconded by Diane Fenton to take a straw vote before each motion is debated. MOTION was DEFEATED and so declared by the Moderator.

MOTION from the floor by unknown parties to continue past 11:00 p.m. PASSED in the Affirmative, so declared by the Moderator.

MOTION by Harold Thresher and seconded by Rossiter R. Holt, Jr. to recess at 10:53 p.m. and to reconvene on Monday at 7:30 PASSED and was declared by the Moderator.

Town Meeting recessed until 7:30 p.m. Monday, May 14th.

ANNUAL MEETING

FOURTH SESSION

MAY 14, 1984

The fourth session of the Annual Town Meeting was called to order by the Moderator at 7:30 p.m.

ARTICLE #26: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF TWENTY-FIVE THOUSAND DOLLARS (\$25,000) FOR THE PURPOSE OF IMPROVING THE "DOWNTOWN" APPEARANCE OF THE CENTER OF TOWN, ALONG ROUTE 3 AND SUCH OTHER AREAS AS MAY BE DESIGNATED BY THE BOARD OF SELECTMEN. (RECOMMENDED BY THE BUDGET COMMITTEE.)

MOTION by Martin Carrier, seconded by Rossiter R. Holt, Jr. to TABLE this article. After the vote, the Moderator declared the article TABLED.

ARTICLE #27: TO SEE IF THE TOWN WILL AUTHORIZE THE SELECTMEN TO APPLY FOR, RECEIVE AND EXPEND FEDERAL OR STATE GRANTS WHICH MAY BECOME AVAILABLE DURING THE COURSE OF THE YEAR, AND ALSO TO ACCEPT AND EXPEND MONEY FROM ANY OTHER GOVERNMENTAL UNIT OR PRIVATE SOURCE TO BE USED FOR PURPOSES FOR WHICH THE TOWN MAY LEGALLY APPROPRIATE MONEY PROVIDED: (1) THAT SUCH GRANTS AND OTHER MONIES DO NOT REQUIRE THE EXPENDITURE OF OTHER TOWN FUNDS, (2) THAT A PUBLIC HEARING SHALL BE HELD BY THE SELECTMEN PRIOR TO THE RECEIPT AND EXPENDITURE OF SUCH GRANTS AND MONIES; AND (3) THAT SUCH ITEMS SHALL EXEMPT FROM ALL PROVISIONS OF RSA 32 RELATIVE TO LIMITATION AND EXPENDITURE OF TOWN MONIES, ALL AS PROVIDED BY RSA 31:95-b.

MOTION by Nancy R. Gagnon and seconded by Charles Duke to accept the article as read. Mrs. Gagnon yielded the floor to David A. Hodgen, Administrative Assistant for explanation. After Mr. Hodgen's presentation, the question was called and the article PASSED in the Affirmative and was so declared.

ARTICLE #28: TO SEE IF THE TOWN WILL VOTE TO DISCONTINUE THAT PORTION OF CHURCH STREET FROM, AND EASTERLY OF, THE INTERSECTION OF THE NEW LIBRARY EXIT RAMP TO DANIEL WEBSTER HIGHWAY (U.S. ROUTE 3).

MOTION by Nancy R. Gagnon, seconded by Donald H. Botsch to accept the article as read. Mrs. Gagnon yielded the floor to James A. McSweeney for explanation. Addressing the article were Chief Joseph Devine, Arthur Carlson, Arthur Hooker, Ken Asai, Don Dwyer. Discussion continued and MOTION by Arthur Hooker, seconded by Mr. Primeau to TABLE this article. After the vote, the Moderator declared the article TABLED.

ARTICLE #29: TO SEE IF THE TOWN SHALL AUTHORIZE THE PLANNING BOARD TO PREPARE AND AMEND A RECOMMENDED PROGRAM OF MUNICIPAL CAPITAL IMPROVEMENT PROJECTS PROJECTED OVER A PERIOD OF AT LEAST SIX (6) YEARS. THE CAPITAL IMPROVEMENTS PROGRAM MAY ENCOMPASS MAJOR PROJECTS BEING CURRENTLY UNDERTAKEN OR FUTURE PROJECTS TO BE UNDERTAKEN WITH FEDERAL, STATE, COUNTY AND OTHER PUBLIC FUNDS. THE SOLE PURPOSE AND EFFECT OF THE CAPITAL IMPROVEMENTS PROGRAM SHALL BE TO AID THE BUDGET COMMITTEE IN THEIR CONSIDERATION OF THE ANNUAL BUDGET, ALL IN ACCORDANCE WITH THE PROVISIONS OF RSA 674:5.

MOTION by David L. Jordan, seconded by Dennis Fields. Mr. Jordan turned the floor over to Nelson Disco for explanation. Comments from Anita Memos and Lon Woods and the question was called. The article PASSED in the Affirmative and was thus declared by the Moderator.

ARTICLE #30: TO SEE IF THE TOWN SHALL PROVIDE FOR THE APPOINTMENT OF THREE ALTERNATE MEMBERS TO THE PLANNING BOARD AND THE ZONING BOARD OF ADJUSTMENT, RESPECTIVELY, FOR TERMS OF THREE YEARS, SAID APPOINTMENTS TO BE MADE BY THE BOARD OF SELECTMEN AS PROVIDED IN RSA 673.

MOTION by David L. Jordan and seconded by Nelson Disco to accept the article as read. John Segedy addressed the article and the question was called. The motion PASSED in the Affirmative and was so declared.

ARTICLE #31: TO SEE IF THE TOWN OF MERRIMACK WILL VOTE TO DEDICATE THE MERRIMACK AMBULANCE AND CIVIL DEFENSE FACILITY TO FRED MORIARTY.

MOTION by Norman Carr, seconded by Tony Lewis to accept the article as read. Mr. Carr gave the background of Mr. Moriarty's dedication to the ambulance service and the Town of Merrimack. Mr. Moriarty was given a standing ovation from the assembly and the Motion **PASSED UNANIMOUSLY** and was so declared by the Moderator.

ARTICLE #32: TO SEE IF THE TOWN WILL VOTE TO AMEND ARTICLE 36 OF THE 1977 ANNUAL MEETING TO PROVIDE THAT THE ANNUAL COMPENSATION OF THE TOWN CLERK-TAX COLLECTOR SHALL BE AS SET IN THE TOWN'S SALARY SCHEDULE AS IT MAY BE AMENDED BY THE BOARD OF SELECTMEN, ALL OTHER ASPECTS OF THE 1977 ARTICLE TO REMAIN IN EFFECT. (RECOMMENDED BY THE BUDGET COMMITTEE.)

MOTION by Robert W. Brundige and seconded by David L. Jordan to accept the article as read. Town Counsel, Robert Bossie, addressed the article indicating that this was basically a housekeeping item. The question was called and the motion **PASSED** in the Affirmative and was so declared.

ARTICLE #33: TO SEE IF THE TOWN WILL VOTE TO HAVE THE 1984 INCOME FROM THE LIBRARY UNRESTRICTED TRUST FUNDS PLACED INTO THE LIBRARY TRUSTEES' SPECIAL ACCOUNT. (BY PETITION) (RECOMMENDED BY THE BUDGET COMMITTEE.)

MOTION by John Grady and seconded by Dennis Fields to accept the article as read. Mr. Grady addressed the motion and explained that this was a housekeeping item. The question was called and the Motion **PASSED** in the Affirmative and was so declared.

ARTICLE #34: TO SEE IF THE TOWN OF MERRIMACK SHALL CALL UPON THE GOVERNOR AND EXECUTIVE COUNCIL, ITS STATE REPRESENTATIVE(S) AND STATE SENATOR TO PROMPTLY CONVENE A SPECIAL SESSION OF THE LEGISLATURE FOR THE SOLE PURPOSE OF PREVENTING THE IMPOSITION OF HUGE COST INCREASES IN ELECTRIC RATES RESULTING FROM THE SEABROOK NUCLEAR POWER PLANT ON THE CITIZENS, BUSINESSES, SCHOOLS AND AGENCIES IN THE TOWN OF MERRIMACK, AND TO DIRECT THE SELECTMEN TO PROMPTLY NOTIFY OUR ABOVE-LISTED ELECTED OFFICIALS OF THE TOWN'S DESIRE. (BY PETITION.)

MOTION by Donald H. Botsch and seconded by Diane Asai to accept the article as read. Mr. Botsch addressed the article and speaking to it were Charles Nute, Harold Watson, Lon Woods, Dennis Fields, John Segedy, Elaine Lyons, Geraldine Watson, John Lyons. After discussion, the question was called and the article was DEFEATED and so declared by the Moderator.

MOTION by James Roy seconded by Tony Lewis to remove Article #23 from the table to continue discussion was voted on and was DEFEATED.

ARTICLE #36: TO SEE IF THE TOWN WILL VOTE TO ADOPT AN ORDINANCE PERTAINING TO THE CARE, PROTECTION, PRESERVATION AND USE OF THE PUBLIC PARK KNOWN AS VETERANS MEMORIAL PARK, IN ACCORDANCE WITH THE PROVISIONS OF RSA 31:391(a), AS FOLLOWS:

ORDINANCE

IN ACCORDANCE WITH THE PROVISIONS OF RSA 31:391(a), THE TOWN OF MERRIMACK HEREBY ADOPTS THE FOLLOWING ORDINANCE TO REGULATE, PROTECT, AND PRESERVE THE USE OF VETERANS MEMORIAL PARK:

1. NO PERSON MAY REMAIN, STAY, OR LOITER IN OR ON THE PREMISES PRIOR TO ONE-HALF HOUR BEFORE SUNRISE OR UNTIL ONE-HALF HOUR AFTER SUNSET, EXCEPT UNDER THE DIRECTION OF OR BY PERMISSION FROM THE BOARD OF SELECTMEN OR ITS DESIGNATED AGENTS.
2. NO PERSON SHALL MAKE OR KINDLE ANY FIRE EXCEPT IN PICNIC STOVES PROVIDED FOR THAT PURPOSE.
3. NO PERSON SHALL BRING OR CARRY ANY GLASS CONTAINERS IN THE PARK.
4. NO PERSON SHALL THROW, LEAVE, OR DISCARD ANY TRASH, RUBBISH OR GARBAGE EXCEPT IN CONTAINERS PROVIDED THEREFORE.
5. NO PERSON SHALL PICNIC EXCEPT IN DESIGNATED AREAS.
6. NO PERSON SHALL SWIM IN ANY WATER WITHIN THE CONFINES OF THE PARK.
7. NO PERSON SHALL USE, CONSUME, CARRY OR BRING ANY ALCOHOLIC BEVERAGES UPON OR WITHIN THE PARK.

8. NO PARKING ALLOWED EXCEPT IN DESIGNATED AREAS.
9. NO PERSON SHALL DRIVE, OPERATE OR MAINTAIN ANY OFF-ROAD VEHICLES IN THE PARK UNLESS A TRAIL IS SPECIFICALLY MARKED FOR THEM BY THE PARKS AND RECREATION COMMITTEE.
10. NO PERSON SHALL DRIVE, OPERATE OR MAINTAIN ANY MOTORIZED VEHICLE OFF THE ROADS AND DESIGNATED PARKING AREAS WITHIN THE PARK.
11. NO PERSON SHALL BRING OR ALLOW ANY DOG TO BE IN THE PARK, EXCEPT ON A LEASH.
12. NO PERSON SHALL CARRY OR DISCHARGE FIREARMS OR THROW STONES OR OTHER HARMFUL MISSILES.
13. NO PERSON SHALL SELL, OR OFFER TO SOLICIT FOR SALE ANY GOODS OR MERCHANDISE.
14. NO PERSON SHALL REMOVE OR DEFACE ANY EQUIPMENT, TREE, SHRUB OR FLOWER LOCATED IN THE PARK.
15. ANY SNOWMOBILE, MOTORCYCLE, MINIBIKE, ANY OTHER POWERED BIKE, OR ANY OFF-ROAD VEHICLE OPERATED WITHIN THE PARK AREAS MAY BE IMPOUNDED BY THE MERRIMACK POLICE DEPARTMENT FOR A PERIOD NOT TO EXCEED THIRTY (30) DAYS. ALL EXPENSES, I.E., TOWING OR TRANSPORTATION AND STORAGE, SHALL BE PAID BY THE OWNER OF SAID VEHICLE PRIOR TO REDEMPTION, SUCH REASONABLE CHARGES TO BE DETERMINED BY THE CHIEF OF POLICE OR HIS DESIGNATED AGENT.
16. ANY PERSON VIOLATING THE PROVISIONS OF THIS ORDINANCE SHALL BE GUILTY OF A VIOLATION AND SHALL BE SUBJECT TO A PENALTY NOT TO EXCEED \$1,000.00 FOR EACH OFFENSE. SUCH PENALTY SHALL INURE TO THE TOWN OF MERRIMACK GENERAL FUND IN ACCORDANCE WITH THE PROVISIONS OF RSA 31:39, III.

Town Counsel, Robert Bossie, asked that the RSA number be changed to read: RSA 31:39 I(a) instead of the way it was printed in the town report.

MOTION by Robert W. Brundige and seconded by Rossiter R. Holt, Jr. to accept the article as read. Mr. Brundige then turned the discussion over to George May. Mr. May stated that some corrections should be made in the article. MOTION to AMEND from Robert W. Brundige seconded by Nancy R. Gagnon to remove the word "until" from the second line under section 1. The question was called and the amendment PASSED in the Affirmative and was so declared by the Moderator. MOTION by Robert W. Brundige and seconded by Rossiter R. Holt, Jr. that the following words be

added to the first paragraph of the ordinance, line three after the word "Park" ". . . for the exclusive use of the people who live or work in the Town of Merrimack." It was further amended by Mr. Brundige and Mr. Holt to add to the end of this line, ". . . and their accompanied guests." The Moderator called the vote and the Amendment PASSED in the Affirmative and was so declared. MOTION by Robert W. Brundige and seconded by Rossiter R. Holt, Jr. to delete Section #6 as printed and to replace it with ". . . No person shall swim or bathe from the shores of the park." The Moderator called the question after discussion and the amendment PASSED in the Affirmative and was so declared. There was discussion regarding Section #15 and a MOTION was made by Robert W. Brundige and seconded by Martin Carrier to amend the beginning of the section as follows: ". . . Any motorized vehicle, snowmobile, motor cycle, minibike, any other powered bike or off road vehicle, operated within the park areas in violation of Sections 9 and 10 thereof may be . . ." The question was called and PASSED in the Affirmative and was so declared. MOTION by gentleman from audience, seconded by Tony Lewis to include under Section #7 the term "illicit drugs" after the word "beverages". This was amended to "any unlawful drugs" after discussion with Chief Devine. AMENDMENT passed and was so declared by the Moderator. MOTION by John Segedy seconded by Ron Carrier under Section 1 to replace word "until" with the word "after". AMENDMENT PASSED in the Affirmative and was so declared. Article #36 as AMENDED PASSED in the Affirmative and was so declared by the Moderator.

The Moderator announced that all the warrant articles had been completed and a MOTION from Ron Carrier was made to bring back tabled Article #35. Moderator Schaumann declared that the chair had ruled this article as illegal and unconstitutional and had not changed its opinion.

At 9:15 p.m., MOTION from Robert W. Brundige and seconded by Rossiter R. Holt, Jr. was made to adjourn Town Meeting. MOTION PASSED and was so declared by the Moderator.

AUDITORS' OPINION

Board of Selectmen & Town Manager
Town of Merrimack, New Hampshire

We have examined the combined financial statements of the Town of Merrimack, New Hampshire, as of and for the year ended June 30, 1984, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records as we considered necessary in the circumstances.

As described more fully in Note 1, the combined financial statements referred to above do not include financial statements of the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles.

As described in Note 2, the Town has recognized tax revenues of \$841,913 in its General Fund, which do not meet the sixty day received in cash requirements of the National Council on Governmental Accounting Interpretation 3. The Town believes that the application of NCGA Interpretation 3, which would result in a decrease in the undesignated General Fund balance to \$422,676, gives a misleading impression of the Town's ability to meet its current and future obligations. We concur with this decision.

In our opinion, except for the effects of the matters described in the above, the combined financial statements referred to above present fairly the financial position of the Town of Merrimack, New Hampshire, at June 30, 1984, and the results of its operation and changes in financial position of its non-expendable and pension trust funds for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with the preceding year, except for the change in accounting for sewer operations, with which we concur, as more fully described in Note 5.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the Town of Merrimack, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

TOWN OF MERRIMACK, NEW HAMPSHIRE

Notes to Financial Statements

June 30, 1984

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The accounting policies of the Town of Merrimack, New Hampshire conform to generally accepted accounting principles for local governmental units except as indicated hereinafter. The following is a summary of significant accounting policies.

A. Basis of Presentation - Fund Accounting

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance/retained earnings, revenues, and expenditures/expenses. The various funds are summarized by type in the financial statements. The following fund types and account groups are used by the Town:

Governmental Fund Types

Governmental Funds are those through which most governmental functions of the Town are financed. The acquisition, use and balances of the Town's expendable financial resources and the related liabilities are accounted for through governmental funds. The measurement focus is upon determination of changes in financial position, rather than upon net income determination. The following are the Town's governmental fund types:

General Fund - The General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for specific restricted revenue and expenditures. The Sewer Operating Fund and the Federal Revenue Sharing Fund are accounted for as special revenue funds.

Capital Projects Funds - Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities such as sewer system construction. The Town accounts for the following projects in its Capital Projects Funds:

Sewer Line Extension Fund

Contract 19 Fund

Incinerator Fund

Veteran's Memorial Park Fund

Road Pavement Management Fund

Fiduciary Fund Types

Fiduciary Funds are used to account for assets held by the Town in a trustee capacity or as an agent for individuals, private organizations, and other governmental units, and/or other funds.

Trust Funds - Trust Funds include Expendable, Non-Expendable and Pension Trust Funds. Expendable Trust Funds (Capital Reserve Funds) are recorded as Governmental Type Funds. Non-Expendable and Pension Trust Funds are accounted for and reported on an income determination format because capital maintenance is required by law.

Agency Funds - The Town collects taxes for Merrimack School District, and Hillsborough County, both independent governmental units, which are remitted to them as required by law. These funds are accounted for as Agency Funds.

General Fixed Asset Account Group

The Town does not record the acquisition of fixed assets in the General Fixed Asset Account Group as required by generally accepted accounting principles. Fixed assets acquired or constructed for general government services are recorded as expenditures in the fund making the expenditures. Funds used to acquire general fixed assets and/or debt service payments on borrowings in connection therewith are accounted for as expenditures in the year payments are made.

B. Basis of Accounting

The modified accrual basis of accounting is followed by the governmental funds. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, i.e., both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures, other than interest on long-term debt, are recorded when the liability is incurred, if measurable.

In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of revenues. In one, monies must be expended on the specific purpose or project before any amounts will be paid to the Town; therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to purpose or expenditure and are usually revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible to accrual criteria are met.

Licenses and permits, charges for services, and miscellaneous revenues (except investment earnings) are recorded as revenues when received in cash because they are generally not measurable until actually received. Investment earnings are recorded as earned since they are measurable and available (see Note 2 for property tax accrual policy).

The accrual basis of accounting is used by Proprietary and Fiduciary Fund types.

During the course of normal operations, the Town has numerous transactions between funds including expenditures and transfers of resources to provide services, construct assets and service debt. The accompanying Governmental and Fiduciary Funds financial statements reflect such transactions as transfers.

C. Budget

The Town budget represents departmental appropriations as authorized by annual or special Town meetings. Funds may be transferred between operating categories.

D. Encumbrances

Encumbrance accounting, under which purchase orders and other commitments for the expenditures of monies are recorded in order to reserve a portion of the applicable appropriation, is employed as an extension of formal budgetary integration in Governmental Funds and Special Revenue Funds. Encumbrances outstanding at year end are reported as a component of fund balance since they do not constitute expenditures or liabilities.

E. Continuing Appropriations

Appropriations for certain projects and specific items not fully expended at year end are carried forward as continuing appropriations to the next year in which they supplement the appropriations of that year. At year end, continuing appropriations are reported as a component of fund balance and are as follows:

Hazardous Waste Review	\$ 195
Seaverns Bridge Construction	90,000
Steel Shelving	150
Bleachers	279
Police Cruiser	7,500
Entrance Enclosures	1,200
ACT Hydrogeological Studies	6,000
	<u>\$105,324</u>

F. Retirement Plans

Substantially all full-time employees of the Police, Fire and Communications Departments participate in the State of New Hampshire Retirement System. Under this plan, participants contribute a percentage of annual compensation, which is fixed by law and dependent on age when contributions begin. The Town contribution rate for normal cost of the plan is based upon an actuarial valuation of the State plan as of June, 1979, and has been set at 14.11% of compensation for Police and Communications personnel and 11.79% for Fire personnel.

For the year ended June 30, 1984, the normal cost of the plan to the Town was \$148,173. The amount, if any, of the excess vested benefits over pension fund assets is not available. The Town had no past service obligation.

The Town Manager, Administrative Assistant, and Town Clerk/Tax Collector are covered by a separate non-contributory retirement plan. The Town's current service costs for the year were \$7,045. There are no prior costs.

The Town has a non-contributory defined benefit pension plan for all non-union employees who are not a member of another retirement plan, who have completed a year of service, worked 1,000 or more hours in the plan year, and have attained the age of 25. Pension costs of \$40,800 include current service costs, which are accrued and funded on a current basis, and prior costs, which are amortized over ten years. The following is a summary of plan benefits and asset information for the year ended June 30, 1984:

Actuarial present value of accumulated plan benefits:	
Vested	\$ 51,073
Non-Vested	40,205
	<hr/>
	\$ 91,278
	<hr/>
Net assets available for benefits	<u>\$177,796</u>

An assumed annual rate of return of 7 percent was used to determine the actuarial present value of both vested and non-vested benefits. The actuarial benefits information was computed as of July 1, 1983.

G. Total Columns on Combined Financial Statements

Total columns on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. The data is not comparable to a consolidation, and interfund eliminations have not been made in the aggregation of the data.

H. Investments

Investments are recorded at cost. Market value of investments in the Non-Expendable Trust Funds at June 30, 1984, was approximately \$436,600.

I. Pooled Cash

The Town has combined the cash resources of its governmental fund types for investment purposes. For accounting and reporting purposes, that portion of the pooled cash balance due to an individual fund is considered the cash balance of the specific fund.

2. PROPERTY TAXES:

A. General

Taxes are levied on the assessed value of all taxable real property as of the prior April 1 (\$403,180,435 as of April 1, 1983) and are due in two installments on July 1 and December 1. The Town bills and collects its own property taxes and also taxes for the Merrimack School District and Hillsborough County. Collections of the school and county taxes and remittance of them to these governments are accounted for in the Property Tax Agency Fund.

B. Tax Revenue Recognition

The Town has recorded deferred tax revenues of \$6,340,306 due July 1, 1984, which are the first installment of 1984-85 taxes. The Town has accrued taxes of \$841,913 (net of allowances for estimated uncollectibles) in the General Fund which do not meet the susceptible to accrual criteria of National Council on Government Accounting Interpretation 3. The net effect of not recognizing the tax receivables would result in an unappropriated General Fund balance of \$422,676 and would mislead the user of these financial statements as to the Town's financial position.

C. Tax Sale

Under State law, the Tax Collector sells at tax sale all uncollected property taxes in the following year after taxes are due. The purchaser at tax sale receives a priority tax lien on these properties and accrues interest at 18 percent per annum. If the property is not redeemed within a two year redemption period, the property is tax deeded to the purchaser.

3. LONG-TERM DEBT:

The following is a summary of bond transactions for the Town for the year ended June 30, 1984 (in thousands of dollars):

Bonds Payable at July 1, 1983	\$ 8,485
Bonds Retired	870
Bonds Payable at June 30, 1984	<u>\$ 7,615</u>

Bonds payable at June 30, 1984 are comprised of the following individual issues (in thousands of dollars). Under State law, all amounts were incurred as general obligation debt.

\$5,000,000 1968 Sewer Serial Bonds due in annual installments of \$250,000 through September 1, 1988; interest at 3.9%. (This issue is being paid — principal and interest — by the Debt Service Fund and is partially funded by an annual grant from the State of New Hampshire)	\$1,250
--	---------

\$5,000,000 1970 Sewer Serial Bonds due in annual installments of \$250,00 through July 1, 1990; interest at 5.9%. (This issue is being paid — principal and interest — by the Debt Service Fund and is partially funded by an annual grant from the State of New Hampshire)	1,750
\$1,110,000 1975 Incinerator State Guaranteed Sewer Bonds due in annual installments of \$55,000 through September 1, 1995; interest at 6.5%. (This issue is being paid — principal and interest — by the Debt Service Fund and is wholly funded by an annual grant from the State of New Hampshire)	660
\$2,750,000 1977 State Guaranteed Sewer Line Extension Bonds due in annual installments of \$150,000 through August 1, 1988 and \$125,000 through August 1, 1998; interest at 4.875%.	1,850
\$500,000 1977 Library Bonds due in annual installments of \$50,000 through August 1, 1988; interest at 4.75%.	200
\$2,250,000 1980 State Guaranteed Sewer Line Extension Bonds due in annual installments of \$115,000 through July 1, 1990 and \$110,000 through 2000; interest at 7.12%.	1,905
	<u>\$7,615</u>

The annual requirements to amortize all debt outstanding as of June 30, 1984, including interest payments of \$2,534,095 are as follows:

Year Ending June 30	Total
1985	\$ 1,273,665
1986	1,229,204
1987	1,184,620
1988	1,139,785
1989	1,021,546
1990-1994	2,655,816
1995-1999	1,407,024
2000-2001	237,435
	<u>\$10,149,095</u>

The Town has Long-Term Debt authorized but unissued of \$12,515,000 as of June 30, 1984, as follows:

Sewer Purposes	\$ 3,615,000
Highway Purposes	8,900,000
	<u>\$12,515,000</u>

4. INTERFUND BALANCES:

Fund	Interfund Receivables	Interfund Payables
General Fund	\$ 22,243	\$ 40,800
Capital Projects Funds:		
Incinerator		14,798
Contract 19		5,318
Road Pavement Management		396
Trust and Agency Funds:		
Expendable Trust Funds:		
Bulldozer Fund		1,731
Pension Trust	40,800	
	<u>\$ 63,043</u>	<u>\$ 63,043</u>

5. RESTATEMENTS:

The Town formerly accounted for its Sewer Operating Fund as an Enterprise Fund but excluded the cost of its Utility Plant in Service and the related accumulated depreciation, contributions in aid of construction, and long-term debt from the financial statements. In order to meet the requirements of generally accepted accounting principles, the Town changed its accounting policy and accounts for sewer operations in a special revenue fund. In the accompanying financial statements, the Fund Balances/Retained Earnings of the Sewer Enterprise Fund and the Special Revenue Funds were restated by \$943,005 to give retroactive effect to the accounting change.

During 1983-84 the Town discovered certain utility overcharges in its Sewer Operating Fund. As a refund of the past overcharges, the Town negotiated cash payment of \$40,000 and a \$6,000 annual credit on its utility bill for the next ten years. As correction of the accounting error, beginning Sewer Operating Fund Balance was restated by \$40,000.

6. NON-EXPENDABLE TRUST FUNDS:

The principal amounts of all non-expendable funds are restricted in that only income earned may be expended. Principal and income balances at June 30, 1984, were as follows:

	Principal	Income	Total
Fund A	\$203,044	\$ 35,562	\$238,606
Fund B	21,071	4,635	25,706
Fund C	282,581	49,785	332,366
Other Funds	62,155	103,549	165,704
	<u>\$568,851</u>	<u>\$193,531</u>	<u>\$762,382</u>

7. EXPENDABLE TRUST FUNDS:

Expendable Trust Funds at June 30, 1984 are detailed as follows:

Bulldozer	\$ 71,716
Grader	34,194
Fire Equipment	83,217
Ambulance	46,062
Waste Water Treatment Plant	1,387
	<u> </u>
	<u>\$236,576</u>

8. SUBSEQUENT EVENTS:

On July 25, 1984, the Town issued bond anticipation notes in the amount of \$1,500,000 for a one year term at a rate of 7.47 percent. The bond anticipation notes represent temporary financing for the Road Pavement Management Capital Projects Fund and Camp Sargent Bypass Capital Projects Fund.

**TOWN OF MERRIMACK, NEW HAMPSHIRE
COMMENTARY LETTER
FOR THE YEAR ENDED JUNE 30, 1985**

October 18, 1984

Board of Selectmen and Town Manager
Town of Merrimack, New Hampshire

We have examined the financial statements of the various funds and account groups of the Town of Merrimack, New Hampshire, for the year ended June 30, 1984, and have issued our report dated August 31, 1984. As part of our examination, we made a study and evaluation of the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such an evaluation is to establish a basis for reliance on the system of internal accounting control in determining the nature, timing, and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements and to assist us in planning and performing our examination of the financial statements.

The establishment and maintenance of a system of internal accounting control is an important responsibility of Town officials. The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the evaluation of these factors necessarily requires estimates and judgments by Town officials.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally either with respect to the estimates and judgments required in the preparation of the financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

The study and evaluation previously described was made primarily for the purpose of performing an audit in accordance with generally accepted auditing standards. It would not necessarily disclose all weaknesses in the system because it was based on selective tests of accounting records and related data.

A letter of this type is critical by nature. We found many examples of good business management practices in our review of the Town's systems. We wish to express our appreciation for the cooperation we are receiving from Town officials and employees at all levels.

We made several recommendations in connection with our prior audit concerning weaknesses in internal accounting control and other matters. We are pleased to note that many of the recommendations were implemented or considered for future implementation.

We would be pleased to discuss our comments further with you should you so desire.

Very truly yours,
Carey, Vachon and Clukay

I. TAX COLLECTOR/TOWN CLERK DEPARTMENT

Prior Year Recommendations—Effective September 1, 1984 the Town adopted a new computer based system for operations in the Tax Collector/Town Clerk Department which substantially meets our previous recommendations. The following observations are based on our understanding of the new system and are not the result of the application of audit procedures.

A. Tax Overpayments

Observation:

Overpayments of taxes receivable are treated as credit balances in the applicable levy.

Implication:

Additional manual reconciliation between net taxes receivable and actual taxes receivable is necessary. The need for additional manual procedures weakens control over taxes receivable and could materially understate cash needs forecasts in the event of a large refund.

Recommendation:

Computer programming be altered to create a separate overpayment file. On a periodic basis (formally defined in the procedures documentation) the Tax Collector officially notify the finance office of the need to make refunds on a name by name basis. Upon notification those overpayments would be posted to a new liability account for processing. Controls to prevent any transfer to the liability account without formal Tax Collector approval should be an integral part of the system.

Town Response:

These recommendations were implemented on October 1, 1984.

B. Recording Payments

Observation:

The Tax Collector applies all receipts on taxes receivable first against principal balances and then against interest. A manual record is maintained for unpaid interest.

Implication:

The necessity of keeping manual records may subvert the benefits of automation. Interest on delinquent taxes may not be maximized.

Recommendation:

The Tax Collector should apply all late payments first against interest and then against principal balances.

Town Response:

This is also recommended by the Department of Revenue Administration. The Tax Collector has indicated that he will consider these recommendations.

C. Deposit of Cash Receipts

Observation:

Daily cash receipts activity in the Town Clerk/Tax Collector Department are processed and deposited the day after cash is received.

Implication:

The Town may be deprived of additional interest earnings on its overnight investment program.

Recommendation:

Daily activity be cut off at a time sufficient to process and deposit cash receipts before the close of the banking day.

Town Response:

Daily activity would have to be cut off rather early in the day to permit the processing and deposit of all cash receipts before the bank's 3 p.m. deadline, and this is not feasible. Nevertheless, the Tax Collector does deposit large tax payments almost at once, sometimes making several such partial deposits during a single day. This serves, as much as is practical, to maximize interest earnings.

D. Other Town Revenue

Observation:

Certain items (ambulance fees, State motor vehicle fees) currently processed through the Tax Collector/Town Clerk office were not included in the new system. Other departmental revenue collections are decentralized.

Implication:

Control over existing revenues in the Tax Collector/Town Clerk office is weakened by not including them as part of the system. Control is weakened over the departmental revenue cycle by decentralization.

Recommendation:

A program to computerize all Town revenues through the Tax Collector/Town Clerk office should be instituted. In the short term revenues currently collected through the office should be given priority. Long range plans should be made for departmental revenues.

Town Response:

A computerized cash receipts system for recording all revenues of the Town Clerk/Tax Collector's office has been designed and is currently operational. In addition to the accounting control over cash receipts, this system provides for the automatic updating of tax receivable accounts on a daily basis and the instantaneous retrieval of data for customer service purposes. The billing and collection of other department's revenue by the Town Clerk/Tax Collector's office is not presently feasible as additional staffing would likely be necessitated. However, this recommendation will be considered.

E. Recording Tax Activity in the General Ledger

Observation:

Activity recorded in the Tax Collector/Town Clerk Department is not interactive with the General Ledger.

Implication:

Duplicate entry of this information is not consistent with the objectives of automated management information systems.

Recommendation:

The Tax Collector/Town Clerk Department's systems be integrated with the general ledger.

Town Response:

This recommendation was implemented October 1, 1984.

II. INVOICE PROCESSING

Observation:

Invoices from vendors are mailed directly to the department which received the goods, matched with the purchase order and receiving report and forwarded to the accounting department.

Implication:

Segregation of functions is clouded in the purchasing cycle, weakening internal accounting control.

Recommendation:

The receiving report and purchase order should be forwarded to the accounting department on receipt of the goods. Invoices should be mailed directly to the accounting department.

Town Response:

Implementation of this recommendation would require expansion of the Finance Department and, furthermore, would not be feasible without a control purchasing department.

III. FIXED ASSET ACCOUNTING

Observation:

The Town has not maintained records of its general fixed assets.

Implication:

Control over fixed assets may be weakened.

Recommendation:

The Town should adopt a capitalization policy and establish fixed asset accounting records for all new acquisitions. An inventory of existing fixed assets should be accomplished and accounting records should be established for these items as resources permit. A program for periodically verifying the existence of assets in the accounting records or on the inventory should be initiated. Formal procedures to delete items from the records should be adopted.

Town Response:

Fixed asset accounting was established in the Sewer Fund during 1983/84 and will be maintained hereafter. It is anticipated that the general fixed asset accounting system will be completed by 1985/86.

IV. TOWN TREASURER-PAYROLL ACCOUNT AND BOND AND COUPON ACCOUNT

Observation:

The current and prior payroll accounts have unresolved reconciling items. Bond and Coupon Accounts are not reconciled.

Implication:

Outstanding reconciling items in a zero balance account are indicative of not complying with basic internal control procedures. Fiscal Agent errors may not be detected on a timely basis.

Recommendation:

Payroll accounts be reconciled upon receipt of bank statements and unreconciled items be resolved immediately. Priority be given to clearing old reconciling items. Priority be given to reconciliation of Bond and Coupon accounts.

Town Response:

The prior payroll and bond coupon account balances will be reconciled during 1984/85. Current payroll account balances are being reconciled on a timely basis.

V. PERFORMANCE BONDS

Observation:

“Non cash” performance bonds are not all recorded in subsidiary ledgers.

Implication:

Control over bonds required by Town ordinances is weakened.

Recommendation:

The Town has made considerable progress in this area over the past year. We recommend that efforts be continued until all bonds are recorded and current.

Town Response:

Accountability over these “non-cash” performance bonds will be established during 1984/85.

TAX YEAR 1984**SUMMARY INVENTORY OF VALUATION**

FINANCE DEPARTMENT 1984 ANNUAL REPORT

On July 1, 1982, the Finance Department was established to maintain the municipality's general accounting records, prepare financial reports, administer internal accounting controls, assist in the town's borrowing, purchasing and investment activities and coordinate the development of computer software.

During 1984, this department issued approximately 4,300 accounts payable checks, processed more than 1,700 purchase orders and over 6,700 invoices, recorded cash receipts of almost \$19,700,000, administered the weekly payrolls for approximately 165 employees and completed the following special projects:

- (1) Designed a computerized cash receipts system for recording all revenues of the Town Clerk/Tax Collector's office. This system provides for the accounting control over cash receipts, the automatic updating of tax receivable accounts and integration with general accounting records.
- (2) Developed fixed asset accounting records for the Sewer Fund.
- (3) Assisted the Highway Department in the competitive bidding process relative to the purchase of road salt. As a result, the salt was obtained at a savings of over \$1,500 (2½%).
- (4) Assisted the New Hampshire Municipal Association in developing a cooperative, self-funded, municipal health insurance program. During the first two months alone, participating New Hampshire municipalities saved approximately \$250,000 and additional 1985 cost savings are estimated at \$360,000 (8%). For Merrimack, the 1985 savings will amount to at least \$15,000 (9%).
- (5) Designed computer programming to:
 - generate delinquent tax notices in accordance with a recent New Hampshire Supreme Court ruling.
 - determine current use property valuations.
 - more effectively generate property tax warrants and bills.
 - generate bond principal and interest payment schedules for use in evaluating financing alternatives.
 - allocate group insurance costs on a departmental basis.
- (6) Almost completely redesigned the computer programming relative to the Town Clerk/Tax Collector's tax receivable accounting system.
- (7) Participated in the planning efforts that led to the issuance of bond anticipation notes at the favorable interest rate of 7.47% and compiled financial and economic data for inclusion in the related prospectus. These bond anticipation notes in the amount of \$1,500,000 represent temporary financing for an extensive road improvement program.

Respectfully submitted,
Robert T. Levan, CPA
Finance Administrator

SELECTMEN'S ANNUAL REPORT 1984

During 1984, the Town of Merrimack, in addition to its traditional services, initiated several programs in response to the present and future needs of the community. These programs reflect the town's commitment to address its needs and to accept their associated costs. We believe that these commitments will enable us to better control the cost of municipal services in the future and, at the same time, improve their availability to our citizens.

At the town meeting, the voters approved the issuance of 7.8 million dollars in municipal bonds for the Roadway Pavement Management Program (RPMP). The voters also approved a 1.1 million dollar bond issue for the town's share of the cost of the Camp Sargent Road relocation. These actions address major road construction, reconstruction and maintenance now and into the future.

Under the RPMP this year, complete reconstruction of portions of Bedford Road and Amherst Road and replacement of the Bedford Road Bridge were accomplished. In addition, approximately ten miles of town road were stone sealed and portions of Wire Road, Peaslee Road and Route 3 were resurfaced.

Several meetings were held with state officials to discuss plans for the Camp Sargent Road relocation. Agreement was reached regarding the proposed route and the state's involvement in the project. Design work will be done by the state during 1985 and construction should begin in 1987. This project will alleviate traffic problems now prevalent on Camp Sargent Road.

Intersection improvement projects at Bedford Road/Route 3 and Baboosic Lake Road/Route 3 were largely completed during the year. These projects were administered by the state and were funded with federal, state and local dollars. These projects will help to ease the traffic problems which exist on Route 3.

In response to concerns for the town's ground water, the Reduced Salt Use Policy was implemented in November. Changes in de-icing salt routes and reduced rates of application of salt were implemented to protect environmentally sensitive areas. The Highway Division will monitor the results of this program so that adjustments may be made in the future as needed.

New sewer lines were installed in the Reeds Ferry section of town to address infiltration and inflow of ground and surface water to the existing sewer lines. This will eliminate the quantities of water which previously entered the sewer system during wet periods, thus adversely affecting the operation of the Wastewater Treatment Facility. In addition, roads disturbed by the project were reconstructed and paved.

In August, Edward J. Blaine Jr., P.E., Director of Public Works, resigned in order to accept the Director of Public Works position with the town of Salem, New Hampshire. He had been with the town since 1976, first as Technical Assistant and, subsequently, as the first head of the Public Works Department which was created in the fall of 1976. During his tenure as director, many highway, sewer system and other public works projects were completed in response to the needs of the town.

In November, we were pleased to welcome C. Jonathan Manning, P.E., as the new Director of Public Works. Mr. Manning came to us from Claremont, New Hampshire, where he had served as City Engineer since 1976. He was chosen after a comprehensive selection process during which the town was assisted by the New Hampshire Municipal Association, Professional Recruitment Service. He holds a B.S. degree in Civil Engineering from Lehigh University and a Masters in Business Administration from the University System of New Hampshire. As Director of Public Works, he will administer the Highway, Landfill, Sewer, Vehicle Maintenance and Building Maintenance Divisions.

In June, Robert J. Carver, Code Enforcement Officer, resigned in order to accept a position in the private sector. He had been with the town since 1976, first as Assistant Building Inspector and then as Building Inspector in 1977. He was responsible for inspection and enforcement of our codes and ordinances, and assistance to the Planning Board and Zoning Board of Adjustment during a period which saw extensive growth and change in Merrimack.

In September, we were pleased to welcome Eugene H. Leger as our new Code Enforcement Officer. Mr. Leger was chosen after a comprehensive selection process which included assistance from the New Hampshire Municipal Association, Professional Recruitment Service. He was previously self-employed in the design and construction of energy-efficient homes. He has attended Springfield College, Clark University and Worcester Trade School. He will be responsible to enforce Merrimack's zoning ordinances and building codes.

In November, Norman V. Carr, M.S., PA-C, resigned as Health Officer. Mr. Carr had held the position since 1982 after serving as Deputy Health Officer since 1979. Nancy Bailey was appointed as his successor. The health officer investigates and acts upon health complaints, communicable diseases, septic system problems, food service establishments, public swimming areas and other related matters.

The Municipal Hazardous Waste Facility Review Committee continued its efforts during the year to protect the town's interest regarding the proposed location of Applied Chemical Technology, an organic solvent recycling facility, in Merrimack. Their efforts included monitoring the state's progress on the draft permit, testimony before the state agency and legislative committees and exploration of legal avenues.

The codification of town ordinances and regulations was commenced by General Code Publishers Corporation. The municipal code will contain all of the town's ordinances that have been adopted since 1940 except zoning ordinances, and subdivision regulations which are presently being revised. The voters will be asked at town meeting to adopt the code as the official document of the town.

During the year, work continued on the renovation of the Old Police Station for use as an adult community center. By the end of the year, the building was ready for occupancy. The lease agreement with the Adult Community Center Board of Directors was signed on January 24, 1985. The use of the building is envisioned as being predominantly for our senior citizens.

In September, we commenced negotiations with our public works union, Local 2986, American Federation of State, County and Municipal Employees. This union represents thirty-six employees of the Highway, Sewer, Landfill and Equipment Maintenance Divisions. In March 1985, tentative agreement was reached on a two-year contract.

In October, we began negotiations with our police union, Local 320, International Brotherhood of Police Offices. This union represents nineteen of our police officers. In February 1985, tentative agreement was reached on a two-year contract.

Negotiations with our firefighters' union, Local 2904, International Association of Firefighters, resumed in September after the union rejected the mediated settlement agreement which had been reached in May. In November, the town and the union declared impasse and asked for the appointment of a factfinder.

In October, the tax rate for 1983 was set at \$29.15 per thousand by the Department of Revenue Administration. The rate was based on a total gross property tax of \$12,622,778, and a net valuation of \$433,028,396. The town, school and county tax rates were \$5.35, \$21.83 and \$1.97 respectively.

The surplus for the town for the fiscal year ended June 30, 1984, was \$1,264,589. This surplus resulted from a combination of revenues which exceeded estimates, appropriations which exceeded expenditures and auditing adjustments. Eight hundred sixty-eight thousand dollars (\$868,000) of the surplus were used to reduce the 1984 tax rate.

We were pleased during the year to see the completion of important new businesses and the commencement of others which will provide sources of employment and community pride for Merrimack residents in the future.

We are proud to have been associated with, and express our gratitude to, the members of town boards, commissions and committees, departments and division heads, employees and their families, local churches, service organizations and citizens who have contributed to the operation of the town during the past year.

Merrimack Board of Selectmen

MERRIMACK DEPARTMENT OF PUBLIC WORKS 1984 ANNUAL REPORT

This Department's theme "Maintaining the Present Building for the Future" well describes this past year's activities and accomplishments. The rapid pace of development within the Town continues to severely strain and challenge our ability to deliver quality services and maintain existing facilities while constructing needed capital improvements. Nevertheless, 1984 was a year of achievement. In addition to providing essential services such as snow plowing, wastewater collection and treatment, solid waste disposal, and street maintenance, the Public Works Department accomplished the following:

Implementation of the Roadway Pavement Management Program (RPMP) approved at Town Meeting. This program recognizes that timely maintenance of properly constructed highways is far less expensive than reconstruction after failure. The RPMP established annual programs for both the maintenance and reconstruction of town highways based on priority (condition and use). Work undertaken during this initial year of the program included the stone sealing of approximately 10 miles of local (minor) streets, resurfacing of sections of Wire and Peaslee Roads, and Route 3 with bituminous concrete, complete reconstruction of major sections of Bedford Road (1.0 miles) and Amherst Road (1.3 miles), and replacement of the Bedford Road Bridge over Baboosic Brook.

Implementation of a "Reduced Salt Use Policy" adopted by the Board of Selectmen in November for the purpose of protecting the Town's ground and surface waters from excessive use of salt in winter road maintenance. Actions to effectuate this policy included education/training of Highway Division Personnel on proper salt use and application procedures, calibration of salt spreading equipment, posting of appropriate signs designating areas of restricted salt use, monitoring of salt used, and detailed record keeping.

Construction of the Reed's Ferry Sewer System to eliminate surface and ground waters from entering the sanitary sewer. This project replaced much of the old, deteriorated wastewater system, constructed new storm drains, eliminated discharges of untreated (raw) sewage, and connected several unsewered properties to the wastewater system. In addition, roads disturbed by the project were reconstructed and paved.

Implementation of an "Industrial Wastewater Pretreatment Program" to regulate and monitor discharges of non-domestic wastes into the Town's Wastewater System. The purpose of this program is to legally prevent the discharge of substances into the wastewater system which could damage facilities and equipment, disrupt or interfere with the treatment process, or pass through the wastewater system untreated into the Merrimack River.

Improvements in the Sludge Composting Operation at the Lagoon Site near the Landfill. Purchase of a crane and new front end loaders increased production and enabled year around composting of sludge, thus reducing the total time necessary to clean out the Lagoon by some four (4) years. Estimated savings: \$350,000.

Installation of a tank for storage of polymer at the Wastewater Treatment Plant to enable bulk purchase at a reduced price, thus, reducing annual operating costs by \$14,500.

Engineering review and inspection of Public Works improvements under construction in approximately 30 active private developments, coordination of this private development with the Town's Capital Improvement Program and existing facilities, and review of all subdivision and site plans submitted to the Planning Board.

Your Public Works Department recognizes that the future will be even more demanding. We stand ready to meet these future challenges, however, because of a sincere committment to improving productivity and finding better solutions. Our management philosophy is not to be bound by the past, but to seek innovation, to keep abreast of what other public works departments are doing, to base decisions on long term value and least cost, and above all to maintain and exhibit a positive, "can do" attitude.

As your new Director of Public Works, I obviously had little to do with this year's accomplishments. Credit properly belongs with the Division Superintendents and Administrative Staff who assumed the responsibility and worked the long hours to get the job done in the absence of a Director. The cooperation and assistance given me by Town officials and employees has been most helpful. I am particularly indebted to the staff and employees of the Public Works Department for their support and dedication.

REPORT OF THE MERRIMACK POLICE DEPARTMENT

To the Honorable Board of Selectmen and the citizens of the Town of Merrimack, I herewith submit my report for the Merrimack Police Department for the period covering January 1, 1984 through 31 December, 1984.

Our clearance rate for Part #1 and Part #2 crimes remain higher than the national average. We feel that this is a noteworthy achievement in view of the growth and prosperity that the Southern New Hampshire region is experiencing.

Like other police departments in our area, traffic poses a major problem for us. Enforcement has increased but so has our traffic accidents, during this calendar year.

We pledge to coordinate our efforts to meet the special needs and conditions that exist.

We thank you for your help and guidance during 1984, and once again ask for your support in 1985.

Sincerely,
JOSEPH R. DEVINE
Chief of Police

PATROL DIVISION:

Patrol is the most visible of all police services. It has been said that patrol is the backbone of a police department. Indeed, all police services are either supportive or supplemental to the patrol division.

The basic objective for police patrol is crime prevention and suppression, maintaining the social order, and providing services to the public we serve.

During calendar year 1984, the patrol division received a total of 14,624 requests for police service. Some of these requests include:

- 514 Ambulance assists
- 393 requests for escorts from local business
- 985 vacant house checks requested
- 47 reports of missing and/or lost persons
- 531 unsecured premises detected by patrol units
- 6 reports of bomb threats
- 526 burglary alarms answered

With the increase in population and business we are experiencing, these requests for service will increase.

UNIFORM CRIME INFORMATION

The Uniform Crime Reporting System is a reporting system for National, State and Local crimes that are committed in the United States.

Part #1 Offenses are the most serious crimes, and they begin with the most violent, which are crimes against the PERSON:

- Criminal Homicide
- Forcible Rape
- Robbery
- Assault/Simple Assault

The next four crimes are called serious property crimes:

- Burglary
- Theft/Larceny
- Motor Vehicle Theft
- Arson

The accompanying chart shows the raw figures as they were actually reported:

PART #1 OFFENSES:

Classification Of Offenses	1984		1984 % Cleared	1983 % Cleared	1982 % Cleared
	Actual Offenses	Offenses Cleared

DEPARTMENT SPONSORED PROGRAMS AND COMMUNITY SERVICE ACTIVITIES

Policemen often perform in the public under circumstances that could cause misunderstanding of their activities. Through programs offered and various community sponsored activities we aim to better inform the public of our mission.

Presentations offered are tailored to the learning needs of the age group involved and with the cooperation of our school department and/or the local organization which we are dealing with.

1984 saw the continuation of our Child Identification Fingerprinting Program.

Continuation of Merrimack Crimeline Inc.'s program to elicit information on crime by providing cash awards and guaranteeing anonymity to those who participate.

Continued participation of our Communication Center in the Good Morning Merrimack program, which brings enjoyment and a safe feeling to many of our senior citizens, through their morning telephone call to the dispatch center informing us of their well-being.

Continued participation in Drug and Alcohol Education programs in cooperation with the Merrimack School Department and the Merrimack Action Committee against Substance Abuse. In particular presentations for the new substance abuse program initiated by the Masticola Middle School for the seventh grade.

Continuation of the Neighborhood Watch program with the addition of the Four Seasons and David Park Crimewatch Organizations joining the Belmont Drive Area Crimewatch. More to come in '85.

Continuation of the Stranger Awareness program through "Patch the Pony" presentations in all Merrimack's Kindergartens and the addition, this year, of reinforcement talks by the Community Service Officer in every elementary classroom.

Obtained a Federal Highway Safety Grant, through the Merrimack Action on Substance Abuse, for full funding of a special weekend patrol for the purpose of apprehending drivers operating under the influence of alcohol.

Reactivation of the Police Explorer Post at the Merrimack Police Department.

CAREER DEVELOPMENT DURING 1984

Training is the key to a successful police department. Officers, through training try to mold themselves to the image of the officer-ideal. Training can be directly related to performance, quality of work, and the understanding of people's needs. Career development programs have been successful in preparing the officers. These efforts will continue progressively.

During 1984 the following schools have been attended by members of your police department:

- Interviews and Interrogations
- Firearms Instructor
- Identi-Kit Composite
- Crime Scene Investigation, Forensic Identification of Bodies, Fatal Motor Vehicle Accident Investigation
- Flagmans Seminar
- Computer Terminal Training
- Weapons Qualifications
- Boston Police Academy Motorcycle Operations and Enforcement School
- Horizontal Gaze Nystagmus
- Uniform Crime Reports
- Crime Scene Management
- Fingerprinting
- Intoximeter School
- Photography
- Accident Investigation

SPECIAL OFFICERS TRAINING

- P.R. 24 (night-stick)
- Communications
- Courtroom Demeanor
- Part-time Certification School
- Radar Speed Measurement

Courses instructed by members of the Department:

Review of the Practical Crime Scene Exam: Given to the 13th annual New Hampshire Police Cadet Training Academy: Instructor: Det./Lt. Miller

Radar Speed Measurement Course: Given to New Hampshire Police Academy, 68th session: Instructor: Lt. T. Iverson

D.W.I. Laws: Given to New Hampshire Police Academy, 68th session: Instructor: Lt. T. Iverson

Radar Speed Measurement Course: In-service officers held at police academy and Franklin Police Department: Instructor: Lt. T. Iverson

Lt. T. Iverson and Off. J. Hughes addressed the National Honor Society convention held in Manchester, N.H. Both officers spoke on the "The life of a Law Enforcement Officer."

New Hampshire Supreme Court Decisions and D.W.I. Laws given to New Hampshire Part Time Academy by Lt. T. Iverson and Off. R. Ketchie.

MERRIMACK COMMUNICATIONS CENTER

To the honorable Board of Selectmen, the Town Manager, and the citizens of Merrimack, I herewith submit my report for the Communications Center for the calendar year ending December 31, 1984.

Supervisor

Daniel C. Ring

Dispatchers

Agnes Warrington
Deborah West

Rosemary Tinsch
Michele Gagne

Substitute Dispatchers

William Singley
Jay McSweeney

Richard Todd
John Geas

Emergency Dial — 424-2222

Business Dial — 424-3774 or 424-2378

COMMUNICATIONS CENTER ACTIVITY DURING 1984

The following statistics show the number of calls which were handled by your Communications Center for the year 1984.

Telephone calls	59,177
Radio calls	297,295
Window service	6,202

NEW EQUIPMENT:

On July 1, 1984 we went on line with a new computerized teletype system. This enables your police department to put out missing persons, stolen vehicles etc. in a matter of seconds.

Your Communications Center is open twenty-four hours a day, seven days a week to serve you.

In conclusion, your Communications Center personnel want to thank the citizens of Merrimack, the Board of Selectmen, and our Town Manager for their understanding and consideration.

Respectfully Submitted
Daniel C. Ring
Communications Supervisor

MERRIMACK AMBULANCE RESCUE SERVICE

To the Honorable Board of Selectmen and the citizens of Merrimack, I herewith submit my report for the year 1984.

Organization

Director	Norman Carr, PA-C
Ambulance Officer	Richard Edmonds, EMT-2
Assistant Ambulance Officer	David Edmonds, EMT-2
Training Officer	Thomas Ladd, EMT-2
Secretary/PI Officer	Sandra Ostman, RN, EMT-2

1984 could well be described as a year of transition for the Merrimack Ambulance Rescue Service. Health, job transfers, and other personal pursuits took their toll in reducing numbers of volunteer members while addition of new members did not keep pace. A 26% overall reduction in membership over the year placed increased responsibility on the remaining volunteers as well as our supporting emergency response departments (i.e., Fire Fighters, Police Officers, and Communications Personnel). To those who have departed, we wish the very best in their new endeavors, and to those who have joined our ranks; a sincere welcome to each of you and the new energy and ideas that you provide.

The state-of-the-art of emergency medical care has also been changing during this reporting period. Advent of advanced field medical procedures, fully operational local trauma centers, upgraded communication systems, and new diagnostic/treatment equipment combine to form a complex program aimed at preserving life and limb for our town's residents and visitors.

The demographic changes of Merrimack in 1984 have also impacted on the demands for ambulance services. Industrial growth, dramatic increases in the number of housing units, and new recreation and leisure establishments have all altered the emergency medical needs of our community and promise to continue to do so for the foreseeable future.

Throughout this period of transition, MARS remains dedicated to the task of providing the best possible emergency medical services for our community and we recognize that our ability to do so is significantly enhanced by the budgetary support of the MARS Auxiliary and those generous citizens and businesses who support auxiliary fund raising.

ACTIVITY REPORT

Total runs involving patient care = 540

Total standbys (no patient) = 125

Total responses = 665

MERRIMACK FIRE DEPARTMENT

To The Honorable Board of Selectmen and the
Citizens of the Town of Merrimack:

I herewith submit my report for the Merrimack Fire Department for the period from January 1, 1984 through December 31, 1984.

In 1984 we have again experienced an increase in our incidents, primarily due to an increased number of emergency medical runs. Fortunately, our fire losses have remained stable. Code enforcement, fire prevention and quick response by suppression forces have all played a part in maintaining this good record.

Our goals continue to be to provide the best possible protection for life and property against the ravages of fire and other disasters to the Citizens of Merrimack. To continue to meet this goal, we will in the near future, have to expand our Department. There will be a need for additional manpower, both Career and Call. Our next objective will be to man our South Merrimack Station with at least two men on a twenty-four-hour basis to supplement our Call Personnel in this area of town.

We will be purchasing a new pumper in the upcoming fiscal year. It is hoped that this new unit will address some of the maintenance problems we have been experiencing, namely rust. The body will be aluminum and the cab will be fully rust-proofed in an attempt to eliminate the rusting problem.

In conclusion, I wish to thank all who have been so helpful during 1984 — the men and officers of our department, the Merrimack Ambulance Rescue Service, the Merrimack Police Department, the School Department, the Building Department, the Department of Public Works, the Ladies Auxiliary, the Town Manager and the Board of Selectmen. And last, you, the most important, the Citizens of Merrimack who have always been found to be most supportive of our work. It is you who have made Merrimack a better, safer place to live and work in.

Respectfully submitted,
Charles Q. Hall
Fire Chief

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

1984 STATISTICS

	State	District	City/Town

No. of Acres	335	67	6.5

**MERRIMACK VALLEY HOME HEALTH CARE
ASSOCIATION, INC.
ANNUAL REPORT - 1984**

Our Association's staff continues to serve the residents of your town in many ways. Our nurses provided skilled and long-term care, therapies provided rehabilitative measures, home health aides gave personal care, homemakers helped to enable patients to be at home in an adequate environment and our social worker helped with financial, social and economic problems. Our team effort is individually tailored to each patient's needs which allows each person to maintain as much independence and dignity as long as possible.

While the patient's needs and desires are our central focal point, we also are strongly committed to the cost savings that home care can achieve over institutionalization. The low unemployment rate, which makes staffing a challenge, has made it difficult to provide as much service as would be ideal in some cases. Funding projections for 1985 are not as positive as in past years. Medicare remains a problem since the trend is toward more rigid definitions of eligibility.

In 1984 the following residents of your town devoted much time to our Association by serving on our Board of Directors: Eleanor Flanders, Shirley Foret, Effie Hall, Constance Heath, Harry Lamont, Olive Marcinkowski, Lois Oster and Patricia Wallace.

SERVICES PROVIDED IN MERRIMACK

Nursing visits	1,473
Therapy visits	481
Social Service visits	151
Home Health Aide visits	1,651
Homemaker visits	1,956
Telephone Consultations	458
Not Home/Not Found	160
Seniors Blood Pressure sessions	12
Well Child Clinic visits	310
Immunization clinic — monthly at office — 2-3x/yearly, in towns	
Office foot care clinics — as scheduled	
Office Walk-in Blood Pressure clinics — weekly	
Industrial Screenings — by arrangement

(Mrs.) Dorothy Marcek
Executive Director

REPORT OF THE TRUSTEES OF THE MERRIMACK PUBLIC LIBRARY

The "Challenge of Change" faces all of us and the Merrimack Public Library is trying to meet those changes which are so necessary to keep us moving ahead to meet the challenges of the changing eighties. With a circulation of over 115,000, we are constantly striving to offer an up-to-date collection of reference materials, current books, recordings and periodicals. We ask for your support of the 1985-1986 budget as we prepare to meet the many challenges which face us.

The construction outside of our facility is almost completed and we wish to thank our patrons who have faced the challenges which this construction brought about. We hope to have the area landscaped and once again placed into shape so that all may be proud of our facility, inside and out. The Trustees have recognized that our building is growing older and have recommended that additional monies be expended to keep our building in tip-top shape.

Our dynamic library staff is keeping up with the challenges and changes of the computer age, having attended workshops sponsored by the State Library on library automation. Your Trustees have requested funding in this year's budget to provide automation of our facility in concert with the New Hampshire State Library. We feel that these steps are necessary to provide the citizens of Merrimack with more effective and efficient library service.

The Trustees were saddened to see Thomas Ladd, our reference librarian, resign to assume a greater challenge with the New Hampshire State Library. Tom served both the Merrimack Public Library and the Town of Merrimack both as a professional librarian and as an Emergency Medical Technician with the Merrimack Ambulance Rescue Squad. Our staff continues to make us proud, however, as Brenda Grady was elected as secretary of the Children's Librarians of New Hampshire during this past year.

The Trustees would like to thank the various clubs, citizens and Friends of the Library for their many gifts this year. Your generosity is greatly appreciated.

We welcome suggestions from you, our public, as we continue toward our goal of making your library one that is a comprehensive, vital source of the most current information and one that you can use with pride. We have many changes ahead of us. With your help, we shall be able to meet these "Challenges of Change".

John J. Grady, chairman
Joan Mountford, secretary
Robert Kelley, treasurer

REPORT OF THE MERRIMACK PUBLIC LIBRARY 1984

The past year has been another year of growth for the Merrimack Public Library, and a year of both external and internal changes.

The library building, staff, and patrons lived through the Route 3/Baboosic Lake Road expansion. Getting to the library became a challenge for both staff and patrons, and business was slower as a result. Once the project is finished, in the spring of 1985, the Friends of the Library will attempt to put the library's grounds back together and we should once again look good on the outside!

The library staff also went through some changes during the year, with both familiar faces leaving, and new faces coming in. Past employees to be recognized and thanked for their service include Mary Ellen Hobbs, Dolores Manning, Leslie Forbes, Mark Sabalauskas, Bruce Schaller, and Thomas Ladd.

Continuing education and in-house staff development received special emphasis in 1984. Through several workshops and demonstrations, many staff members learned how to operate the library's video equipment and microcomputer. Tom Ladd, Reference Librarian, attended an intensive training program on DIALOG, a database search service which the library offers to patrons. Children's Library Aide Pauline Cote took a Reference course at the School of Lifelong Learning which will help her when she works both in the children's room and at the circulation desk.

The Reference Department also saw a change in November when Tom Ladd left to accept a position with the State Library's reference staff. During his four years as the library's first full-time Reference Librarian, Tom accomplished many things. The reference collection and budget have grown, database searching for patrons has been introduced, the Hillstown Cooperative Union List of Serials has been established, and the use of interlibrary loan, a way to obtain material not owned by the library, has increased. Before leaving, Tom was also instrumental in helping to plan the Merrimack Library's phasing into the plan for statewide library automation.

Throughout the year, library staff attended workshops sponsored by the State Library on library automation. We are excited at the possibility of being able to provide our patrons with information in a more timely fashion. We hope to access this statewide database by the fall of 1985, and will use it initially for interlibrary loan, to obtain the latest status of bills in the New Hampshire legislature, and to obtain other current New Hampshire information.

The Children's Room continued to bustle in 1984. The staff's activities included 290 storytimes, 222 children's programs, and a summer reading program with 135 participants. Attendance for storytimes alone numbered 5170 children!

With the cooperation of the *Village Crier* editors, the library staff and trustees began a regular column on different library topics. Response to this feature has been positive, and we plan to continue this column.

The library remained active in outreach by delivering books regularly to the senior community center at Coventry Court, speaking to a school class and a P.T.A. on the library's services, speaking before a civic group about the library's plans for a public access microcomputer, and maintaining a close working relationship with the school librarians. The Merrimack Public Library also continued its active involvement in both the Hillstown Library Cooperative and the Urban Library Consortium.

As a service to patrons, the library acquired a new Savin plain paper copier that provides high quality copies for just 10¢/copy. This machine reduces, enlarges, and can copy pages up to 11" x 17" in size.

Volunteers continue to augment the library staff in many ways. The Friends of the Library's activities benefit the library as do the individual efforts of volunteers Edith Bullard and Jane Cooper. We were fortunate to have several youth volunteers throughout the year who were fulfilling community service requirements.

As the cost of books and magazines continues to rise, we hope that even more Merrimack residents will use their public library for their recreational and informational needs. The Trustees, staff, and I remain committed to providing a resource to the community of which they can be proud.

Respectfully submitted,
Margaret E. Marshall
Director

MERRIMACK CONSERVATION COMMISSION ANNUAL REPORT

The major concern of our Commission is to safeguard the groundwater in our town. In order to do that we have to protect our wetlands.

Without wetlands we would experience private, and public wells being polluted by runoffs that will flow directly into local bodies of water, streams and underground water tables. These resources are usually protected by adjacent wetlands that filter the impurities from runoffs, etc., before reaching our water resources.

The Commission has again reviewed several dredge and fill applications in the past year requesting the dredging and filling of wetlands in order to develop a property. We have been able, with the support of the Wetlands Board in Concord, to suggest means to decrease the impact on some wetlands. The developers have been most cooperative and we certainly appreciate that.

Merrimack is still undergoing considerable growth and will, one day soon, have little left to develop. With this in mind we must conserve what we have left, for those of us who will continue living here and retire here, by working cooperatively with the developers, and we look forward to their continued cooperation.

The Commission has been given jurisdiction over some lands donated to the town to protect and retain, in their natural state, as open space. One of these areas is an 80-acre site, now known as Falls of the Souhegan Conservation Area (FOTSCA). Only a few of our townspeople enjoy this beautiful area. The falls are spectacular as the waters of the Souhegan (pronounced Soo-he-gan) cascade over several huge boulders, probably placed there during the ice age. There are some trails along the banks and an ox-bow curve in the river that makes a pleasant site for picnicking, however, no open fires are allowed without a fire permit. The boy scouts have enjoyed this area in the past for overnight camping and fulfilling badge requirements. We welcome you to enjoy this wonderful, natural site, located behind Currier Rd.

ANNUAL REPORT OF THE MERRIMACK PLANNING BOARD

During 1984 the Planning Board proposed and received voter approval for seven changes to the Zoning Ordinance, approved five major residential cluster developments containing a total of 548 housing units, approved a 280 unit Planned Unit Development, reviewed 52 site plans, 14 subdivision plans and held numerous meetings to consider roadway improvements, subdivision and zoning changes.

The Planning Board presented seven proposals for zoning changes at the 1984 Annual Town Meeting. All received voter approval and are now adopted as part of the Merrimack Zoning Ordinance. The first of these provided for an Aquifer Conservation District to protect and preserve existing and potential water supply areas. Merrimack was one of the first communities in New Hampshire to adopt such protective legislation. The second and third Zoning Ordinance amendments changed the regulations pertaining to Planned Unit Developments to provide for Planning Board review of architectural designs, and to reduce the number of dwelling units per acre permitted in these developments. The fourth change permitted the Planning Board to assign or change section numbers in the zoning ordinance (a housekeeping measure). The fifth change amended the zoning ordinance to specifically permit construction of churches in the town. A period of viability of a variance granted by the Zoning Board of Adjustment was extended from six to nine months. Home occupations, including family day care homes were made permitted uses in the residential district (subject to Planning Board review). An eighth zoning change proposal, submitted by petition, to provide for an added Planned Residential District area on a parcel of land on Camp Sargent Road was defeated by the voters.

The Planning Board reviewed and approved five major cluster residential developments during the year. These were: the Indian Rock development on Baboosic Lake Road (147 units), Phase I of Bradford Woods on Back River Road (101 units), Pine Valley Estates on Turkey Hill Road (43 units), The Birches on Turkey Hill Road (187 units), and Woodbury II on Joppa Road (70 units).

The Harris Pond Planned Unit Development encompassing commercial and industrial space as well as 280 residential units on the Daniel Webster Highway near the Nashua line was given final approval. Other major development along Route 3 included a 16 lot industrial park at Manchester Street, a site plan for Shaw's supermarket in the Eastbridge Planned Unit Development, and 188 additional residential units in the Commons.

Major industrial sites reviewed and approved included an expansion at Sanders Associates, Chem Fab Inc. for the use of the former General Electric plant, and Termiflex Inc. for construction of a new facility at the site of the former Waghorne-Brown facility.

The Planning Board continued to work with the New Hampshire Department of Public Works and Highways and the Nashua Regional Planning Commission to discuss plans for the F E Everett Turnpike Industrial Interchange, the Camp Sargent Road By-Pass and the Nashua/Hudson Circumferential Highway.

In May of 1984 Donald H. Botsch was appointed selectmen's representative to the Planning Board replacing David L. Jordan. Messrs. Nelson R. Disco and Arthur L. Gagnon were reappointed to the Board and reelected by the Board to the positions of Chairman and Secretary respectively.

Members of the Planning Board and the expiration dates of their terms of office are as follows:

Nelson R. Disco, Chairman	April 1987
Arthur L. Gagnon, Secretary	April 1987
Maurice P. Lindsay	April 1985
John J. Segedy	April 1986
Scott M. Walsh	April 1987
Charles M. Nute	April 1988
Donald H. Botsch	May 1985

**ANNUAL REPORT OF
NASHUA REGIONAL PLANNING COMMISSION
TO THE
TOWN OF MERRIMACK, NH**

The Nashua Regional Planning Commission continued to provide a high level of regional and local planning services to our twelve member communities in 1984.

Merrimack continued to make extensive use of the staff over the past year. Assistance to the Planning Board included consultations and mapping assistance in preparation for zoning amendments submitted to the 1984 Town Meeting. Staff also obtained information on the cost and content of a possible in-depth study of the Town's major aquifer area along the Merrimack River. Maps and comments were submitted to the Selectmen to aid in the development of a road salting policy for the Town. Additionally, over a dozen traffic impact statements were reviewed, at the request of the Planning Board, for major developments in Town. Consultation was also provided on potential scheduling and federal funding for several pending road improvement projects in Town.

Water Quality planning continues to be one of the Commission's highest priorities. The three-year aquifer delineation program will be coming to completion at the end of this year — giving our communities the latest, most accurate groundwater data available anywhere in the state. The program has won state-wide recognition and was awarded the New Hampshire Planners Association Award of Excellence at the Association's Annual meeting. An \$80,000 groundwater quality study, performed through a grant from the U.S. Environmental Protection Agency was also completed this year, indicating that most of our water supplies still yield high-quality drinking water. Other Commission efforts were targeted towards conducting studies of Baboosic Lake and Silver Lake through a unique cooperative program involving area residents and local and state officials. Efforts to maintain the area's pioneer role in protecting water quality will continue in the coming months with assistance to communities desiring to put local protection strategies in place.

Solid waste planning has also been a high priority this year. The Commission has provided staff support to the recently formed Nashua Region Solid Waste District and has assisted all area towns in planning for proper disposal of household septage. Efforts on these subjects will continue in the coming year as the Region continues to grapple with the growing problems of waste disposal.

Transportation planning activities have continued to represent a major portion of the Commission's services. Most notably the Commission assisted City officials in getting the CITYBUS system operational. Additionally, the Commission's efforts have helped to move several area highway projects closer to completion, including the Nashua/Hudson Circumferential Highway; improvements to Exits 7 and 2 along the F.E. Everett Turnpike; and the initiation of studies concerning the future of the Rt. 101A corridor. The Nashua Air Quality Study neared completion with the issuance of a final

report analyzing the problems and potential solutions to clearing the air in Nashua. The Commission has also investigated alternative proposals, for eventual consideration by the legislature, enabling communities to recoup the costs of road improvements made necessary by incremental development.

Other Commission activities have emphasized continuing the expansion of services to members locally, and the expansion of our members influence at regional and state levels. The Commission cosponsored a joint meeting with our neighboring counterpart in Massachusetts to initiate discussions on common problems — most notably highway and water related problems. We're now gearing up for the coming legislative session to ensure that the region's interests are duly recognized and represented. Our **SOUNDINGS** newsletter, **DISPATCH** memos, and **Legislative Alert** mailings will continue to keep local residents and officials informed as issues arise.

As always, the Commission stands ready to assist Merrimack with its planning and administrative needs in the coming year. Call us if we can help you.

Nashua Regional Planning Commissioners:

Nancy Gagnon
Harlow Campbell
Jean Weston

ASSESSING DEPARTMENT

During the period January 1, 1984 through December 31, 1984, the Assessing Department has witnessed a continual increase of building growth within the Town.

The Assessing Department is pleased to have Jean Geiger, a member of the Assessing staff, return after a lengthy medical absence.

Arline Pelletier, formally with Bise's I.G.A., has been working with the office staff on a temporary basis. Arline's ability to develop and respond in a positive manner with the office personnel in all aspects, helped in making her association a successful one.

Anne L. Whitney and Barbara Condon have successfully completed a Basic Computer course in programming.

Total parcel count continues to grow; 5,200 parcels in 1979 and approximately 6,900 parcels in 1984.

All classes of properties (residential, commercial, and industrial) continue to show growth and market value increases.

I look forward to being part of Merrimack's continuing growth and working with our professional staff Anne L. Whitney, Jean H. Geiger and Barbara A. Condon.

Respectfully submitted,
Dominic S. D'Antoni, Assessor

ZONING BOARD OF ADJUSTMENT

1984 ANNUAL REPORT

The Zoning Board of Adjustment held eighteen public hearings during 1984 to hear eighty-two requests for variances, special exceptions, and appeals from administrative decisions. Forty-three or 52% of the requests were granted as requested. Eleven requests or 13% were granted with conditions attached. Ten cases were withdrawn and eighteen or 22% were denied.

The requests that were granted with conditions stipulated conditions imposed to prevent any adverse effects on the neighbors or the community.

The current board members include Alfred A. Hinckley, Chairman, Antone S. Holevas, Vice Chairman, Arthur A. Carlson, Bruce W. Nightingale, and C. R. Poremski. Alternate members are David A. Paddock, Martin F. Kelley, and Charles L. Roberts.

The Board wishes to thank Jean Weston for her services as secretary to the Board and we thank Jane Coelho for filling in as needed.

Respectfully Submitted,
Alfred A. Hinckley, Chairman

**ANNUAL REPORT 1984
MERRIMACK HAZARDOUS WASTE FACILITY
REVIEW COMMITTEE**

The committee was formed by the Board of Selectmen on December 17, 1981 as mandated by state statute, Chapter 147. Since its formation, the committee has held over 100 public meetings to review the application of Applied Chemical Technology, Inc., to construct an organic solvent recycling facility processing hazardous wastes, on Mast Road in Merrimack.

On November 19, 1982, the committee published a 106 page report of its findings and recommendations based on its review of the Applied Chemical Technology, Inc., application, its studies of other relevant information, and the testimony received at the October, 1982, public hearing on the Engineering Review conducted by the Office of Waste Management.

Based upon all the evidence reviewed by the committee, our report of November 1982 concluded that the siting of this facility was incompatible with the proposed site, was adverse to the health and welfare of the surrounding area, and posed significant environmental and economic problems in the surrounding area.

Prior to January, 1984, the Office of Waste Management's response to the committee's report had been to require Applied Chemical Technology, Inc., to conduct a hydrogeological investigation study of the site and the immediate environs.

This study was to have been completed **before** a draft permit would be issued. The committee, therefore, secured bids and selected an engineering firm to assist the committee in its review of the hydrogeological study. The engineering consultants would also assist the committee in formulating conditions to be incorporated as part of the draft permit should the results of the hydrogeological study warrant the issuance of a permit. During this same time period, the committee requested funding for the purpose of hiring a consultant to conduct an economic impact and seismic study. This request was denied by the Office of Waste Management.

In January, 1984, the Office of Waste Management reversed its decision and a draft permit was to be issued before a hydrogeological study was undertaken. The committee as well as other residents strongly objected to this reversal of position. A pre-draft permit was issued in March, 1984. Applied Chemical Technology, Inc., reviewed the pre-draft permit and submitted its comments and recommendations to the Office of Waste Management.

The final version of the draft permit was released on September 27, 1984 for public review and comment. The committee, as well as the general public, had thirty days to submit comments and recommendations on this final version of the draft permit.

On September 30, 1984, the Office of Waste Management incorporated into their Hazardous Waste Rules the final version of the siting criteria to be used when siting hazardous waste facilities in New Hampshire. Since May,

1982, various versions of the siting criteria had been under consideration by the Office of Waste Management. Members of the committee had testified at public hearings held by the Office of Waste Management on the need for such siting criteria as a part of the Hazardous Waste Rules.

During the draft permit review period, the committee requested that the Office of Waste Management hold a public hearing in Merrimack on the draft permit. The committee released its November 16, 1984 report of comments and recommendations on the draft permit which once again cited numerous reasons why the draft permit should be vacated.

The committee's report to the State of New Hampshire Office of Waste Management is on file in the town offices and may be viewed during normal business hours.

The Office of Waste Management held three public hearings on January 16, 22, and February 4, 1984, for public comment on the draft permit. These hearings were attended by over 5,000 citizens in total. Testimony was received from not only Merrimack residents, but residents of several other southern New Hampshire communities as well, all of which offered testimony against the Applied Chemical Technology, Inc. proposal.

The committee has thirty days after the close of the record of the hearings to submit any amendments to its report of November 16, 1984. At the close of the committee's period for amendment, Applied Chemical Technology, Inc. will have fifteen days to comment on the amendment to the committee's report. The Office of Waste Management will then have ninety days in which to reach a decision on whether a permit will be issued.

In a related matter, the New Hampshire Supreme Court rendered a decision on February 7, 1985, in the case of Applied Chemical Technology, Inc., vs. the Town of Merrimack and Anheuser Busch, Inc., intervenor, the New Hampshire Supreme Court reaffirmed that the Merrimack Hazardous Waste Facility Review Committee is a legally constituted committee which has been contested by Applied Chemical Technology, Inc. It also reaffirmed the right of the Hazardous Waste Review Committee "to evaluate the local economic effects of a proposed facility and to inform the Office of Waste Management of local concerns about these effects." On the basis of this decision, the committee has resubmitted its request for funds to retain a consultant to perform an economic impact study if the Office of Waste Management decides to issue a permit to Applied Chemical Technology, Inc.

The committee and Merrimack's representatives to the General Court of New Hampshire are in the process of submitting legislation in the following areas: (1) Rulemaking; (2) The definition of a Hazardous Waste Facility; (3) Notification procedure; (4) Legal expenses; (5) Rehearings and appeals; (6) Fees; and (7) The authority of a municipality to regulate hazardous waste facilities through zoning ordinances and regulations.

The committee thanks the Board of Selectmen and our State Representatives for their continued support and assistance throughout this past year. We are especially grateful to the numerous concerned citizens and corporate residents who have been an invaluable resource to this committee over the past year. We thank you not only for your support, but your valuable time in attending and testifying at the public hearings. Much work remains to be done before we reach the conclusion of the state's hazardous waste facility review process.

The committee reaffirms its commitment to represent the needs and concerns of the Town of Merrimack.

**MERRIMACK HAZARDOUS WASTE FACILITY REVIEW
COMMITTEE MEMBERS:**

Arthur L. Gagnon, Chairman
Kathy L. Wales, Vice Chairman
Alfred A. Hinckley, Zoning Board of Adjustment
Walter J. Quist, Conservation Commission
Jeffrey A. Jones, Citizen's Representative
Maurice P. Lindsay, Citizen's Representative
Charles Q. Hall, Fire Department
John J. Grady, Board of Selectmen

PARKS AND RECREATION COMMITTEE

ANNUAL REPORT

The Merrimack Parks and Recreation Committee is entrusted with the responsibility of advising Town Officials and residents on matters concerning the status and provision of recreation and open space within the Town. The Committee consists of twelve members, including a Selectmen's representative, and representatives from the School Board and MYA. During the past year our activities included many areas.

The Merrimack Youth Association (MYA), contracted by the Town to provide recreational activities for the youth of Merrimack, is a voluntary non-profit organization. The Parks & Recreation Committee negotiates this contract and monies paid to the MYA are a line item in the Parks & Recreation Committee Budget. Monthly reports on their activities are provided by the MYA's representative to the Parks & Recreation Committee.

This past year the MYA has added Basketball, Softball, and Karate programs for Special Needs children to their ongoing activities which include: Little League Baseball, Babe Ruth Baseball, Girls Softball, Football, Cheerleading, Baton, Karate, Soccer, Boys and Girls Basketball, Boxing, and Dancing. The Parks & Recreation Committee would like to extend our congratulations to the Peewee Football team for their hard work to becoming State Champions this year. Over six hundred adults provided voluntary services to approximately 3100 children last year.

The MYA has signed a 25 year renewable lease with the Manchester YMCA for the use of the Wright Property in town. Plans are underway for the development of the property to expand our current fields/facilities and, therefore, programs in the MYA.

The Parks & Recreation Committee oversees the maintenance of the MYA building. We are very appreciative of the donated materials and assistance from MYA volunteers who are continuing to renovate the inside of the building and have added more basketball hoops and backboards to the parking lot.

Work is continuing on the construction of the Veterans Memorial Park; Boy Scout Troop 427 cleaned up and the present road was gravelled with a donation of gravel. A Family Day was held at the park. Senior Girl Scout Penny Gelinis completed her work on the nature trail, including putting together a booklet to identify plant/tree life on the trail. Copies of the booklet are available to everyone and may be picked up at the Town Hall. George May, chairman of Park Development, and members of the Parks & Recreation Committee would like to take the opportunity to express our appreciation to Anheuser-Busch, Inc. for their donation of two summer maintenance workers through their project, Brightside.

Our continuing thanks goes to Mat Matsis for his time and effort as volunteer Tennis Commissioner. He has monitored court usage, suggested rules for safe play and made sure the courts were maintained.

Special thanks goes to Wayne Sharp and John Hall who took care of the town's ice rink throughout the winter on their own time.

The Parks & Recreation Committee would also like to thank Bob Bergin for his help in coordinating the outdoor movies held this past summer at the MYA building. Three movies were shown in three consecutive weeks. We wish to thank the Merrimack Police Department for their cooperation with this project.

Our appreciation goes also to Lynn Christensen for handling the job as Director of the Red Cross Swim Program. This program was held in August for over 100 children for 2 weeks at Camp Sargent.

Quite a bit of work was done throughout the town by some high school kids through the Highway Department this past summer. We extend our thanks to those workers and their supervisor(s).

At this time the Parks & Recreation Committee members would like to say a special thank you to Drusilla Movizzo for her leadership as chairman of our committee for the past 3 years. She has served us and the town well, and continues on as Financial Secretary for the committee.

June is the State's Recreation Month and Rivers Month. As part of the celebration the Merrimack River Watershed Council sponsored a canoe trip on the Merrimack River, in which George May participated.

The Parks & Recreation Committee meets monthly and would welcome any input and/or assistance from Town residents.

BUILDING INSPECTOR'S REPORT

January 2, 1984 through December 31, 1984

Merrimack continues to grow at a steady pace, with slight increases in single family dwellings and additions to single family residences, and substantial increases of electrical and plumbing permits as compared to 1983.

1985 promises to be another busy year for this department.

Following is a breakdown of building permits issued in 1984:

247	Single Family
3	Two Family (6 units)
59	Condominium Buildings (241 units)
1	Amusement/Recreational Building
5	Industrial Buildings
3	Office, Bank & Professional
1	Public Works & Utilities
1	Stores & Other Mercantile Buildings
10	Other Nonresidential Buildings
41	Structures Other Than Buildings
230	Additions to Single Family
42	Additions Other Than Single Family
45	Residential Garages/Carports
39	Swimming Pools
4	Demolition Permits
42	Septic Repairs
36	Sign Permits
398	Electrical Permits
293	Plumbing Permits
64	Oil Burner Permits
10	Storage Tank Permits
190	Sewer Inspections

Respectfully submitted,
Eugene H. Leger,
Code Enforcement Officer

WELFARE DEPARTMENT

Merrimack welfare is processed through the Finance Department with a selectman serving as the Overseer of the Poor. General assistance was given to forty-two families, twenty-two juvenile cases were processed and seven homeowners were connected to the sewer making a total of seventy-one cases.

General assistance consists of rent or mortgage, food, utilities and medical. Aid is given when the head of the household is ill or out of work and where divorce splits the family and adjustments are being made.

The juvenile cases come to the welfare department through the court. Some children have to be placed in foster homes or institutions. Every effort is made to collect these expenses from the parents but it isn't always possible.

The town has helped some homeowners connect to the sewer when it was required by law that they do so. Those who could not afford this expense or could not get a private loan were eligible for town assistance. In these cases a lien is placed on their home and they must repay the town.

Merrimack is a member of the New Hampshire Local Welfare Administrators Association and participates in meetings on subjects pertaining to the management of the welfare program. This association keeps abreast with new laws being passed by the legislature and informs the towns of these changes.

Rossiter R. Holt, Jr.
Overseer of the Poor
