REPORT OF THE FOREST FIRE WARDEN
AND YOUR DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

We must all be careful:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely despose of rubbish preferably at the town dump. If you must burn rubbish or brush.
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00PM
 - c. If burning a field or brush have equipment and adequate held on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School District in the town of
Middleton qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in
said district on the 8th day of March 1966, at the close
of town meeting to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the
ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School
Board and Truant Officer, and fix the compensation of
other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to accept the provisions of Title 1, Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the school board. Further to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

10. To transact any other business that may legally come before this meeting.

Given under our hands at said Middleton this Third day of February, 1966.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Middleton:

In September, 1965, the Middleton children attending school outside the district were as follows:

School	Grade												Total
	1	2	3	4	5	6	7	8	9	10	11	12	
Farmington													
Memorial													
Drive	8	5	5	6									24
Main Street					8	12	3						23
High School								3	3	3	3	4	16
Total	8	5	5	6	8	12	3	3	3	3	3	4	63

The amounts for which a sending district will be liable for tuition in 1966-67, in the absence of a contract, on the basis of estimated state average per pupil cost in 1965 1966 have been determined as follows:

Elementary grades (1-6 or 1-8)	\$352.00
High School grades(9-12 or 10-12)	521.00

Based on per pupil cost, Farmington School District has adopted the following rates:

Elementary grades 1-8	\$260.00
High School grades 9-12	450.00

Serving the needs of the school-going population in years gone by was relatively simple and inexpensive. Provided with little beyond book learning, few acquired what was equivalent to a high school education.

During the first half of this century, the high school still had as a primary aim the preparation of students for college, but there also was a movement to provide some vocational training or experience in the area of the practical arts. Often as not, people looked upon the vocational phase of secondary training as providing a front of recruits for local business and industry.

Today, American schools are fully committed to the philosophy of educating all of the children of all of the people, and applies not only to that segment of youth considered educable, but trainable, Public pressure is

being brought to bear on the schools to provide facilities and training for many who normally would be deprived. While we respect the fact that the schools will not always meet all of the needs of those who attend, nevertheless, the challenge must be met as successfully as possible. The public schools will be counted upon to carry the biggest share of the load -- if for no reason other than mounting enrollments.

In conclusion, we should like to express our appreciation for the cooperation given us during the year by the citizens and school Board of Middleton.

Respectfully submitted
Ramon Martineau
Superintendent of Schools
John Houghton, Jr.
Asst. Superintendent of Schools
