### PLANNING BOARD REPORT

This year the Planning Board approved fourteen different subdivision plans creating a total of nineteen new lots. Five of these new lots were over five acres in size. The Board also approved eight boundary line adjustments. We have worked on the Flood Plain Maps with the Selectmen and agents of the Federal Government and have been able to make substantial changes to the Maps. Special thanks go to Linc Page who has devoted a great deal of time and effort to this project. We hope these maps will be completed in 1977. The Board has also begun extensive work on proposed changes to zoning regulations which we will continue in 1977.

Chairman

## ROAD AGENT'S REPORT

This year we finished gravelling and asphaltting Beach Pond Road to the Wolfeboro Town line. We have done preliminary work on Bassett Road in preparation for year round use due to development. We hope to do more extensive work on it next year. We also made some improvements (gravelling and widening) on the North Line Road (also known as Ken Dow Road) and plan to continue work on it next year. Highway Subsidy money was used for these and other general improvements to town roads.

## REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

**REPORT OF THE PUBLIC HEALTH NURSING ASSOCIATION**

As in past years the nursing service has continued to expand this year. In addition to the six towns already being served by our agency, Sandwich has joined us in a pilot program.

The service has also expanded to offer Homemaker and Home Health Services by contract with Carroll County Health and Home Care Services.

We now enjoy two full time and three part time Nurses and one Physiotherapist continues on contract basis.

The regular monthly immunization clinics have been held as usual and the Swine Flu clinics had a good response. This was the first year that we had a table in the Rescue Squad tent at the Huggins Hospital Street Fair where many people stopped to have their blood pressure checked.

Approximately 2,850 home visits were made by our nurses and 450 by our Physiotherapist.

We would like to gratefully acknowledge all donations and contributions to our fund drive. Without your support, it would be difficult for us to continue our services.

It has been pleasant knowing and serving everyone in our area and we are looking forward to another year of providing home health care.

M. VIRGINIA DOLAN, R. N.

## REPORT OF THE TRUSTEES OF THE TRUST FUNDS

We have spent much of this year checking many of the Funds and getting some of the confusion unscrambled.

As it stands now we believe most of these accounts are in order and during the year we have added several thousands of dollars in new trusts.

We are in the process of consolidating these funds to receive better returns. Some of this has already been done.

This coming year we will have an up to date bookkeeping system in effect with a ledger available showing conditions of all funds.

The Shepherd Scholarship Fund is functioning as prescribed and with the new system there will be more detail available for interested parties.

This past year the Trustees asked for permission to handle all the cemeteries in the town and this was graciously granted by the Selectmen. To date we have not been able to do very much, but for this coming year we have a rather complete program being developed.

Things that are being considered for this coming year are removal of dead trees, more systematic mowing, removal of all brush and scrub growth and possibly starting to put walls and boundaries in order. This along with contacting bordering property owners to expertly remove overhanging limbs that overshadow a cemetery.

There are many broken stones and uneven foundations to be corrected as we can get to it and have money available. This work will be carried out to the best of our ability.

We thank all you people in town for your support and we appreciate the confidence you have in us.

Flags — Girl Scouts sold more than 125 American Flags to raise money for flag pole.

Bicentennial committee sold 4 dozen official white Bicentennial flags

Spoons — Commemorative spoons - 8 dozen sold

#### PROJECTS NOT YET COMPLETED AS OF JANUARY 31, 1977

Stonewall — 200' almost completed, from 109-A to entrance of Town House Cemetery. To be landscaped and will be dedicated on Memorial Day, 1977, to all those who have ever served in the armed forces of the United States from the town of Tuftonboro, indicated by bronze plaque.

Work done by Tad and Steve Hunter.

Tape recordings — Bicentennial Ball and Christmas Carol Service, interviews with some of the old-time residents. There are more to be interviewed.

Dating of houses over 100 years old — Lack of time has hindered the completion of this project. Quite a few houses need research in Dover Court House. We hope to continue this project until all houses are done if they can be traced. Some we will never know.

Records of all Bicentennial activities — Scrapbooks to be made, one for museum and one for library, containing pictures newspaper articles, etc.

Town map — Hopefully a town map showing every house in Tuftonboro in 1976 with information as to who owned it, if rented who was the tenant, the original owner if known, and the year it was built if known.

A thank you to all who took part in the town's celebration and especially those who served on the various committees. A special thanks to Edward Hume who served as treasurer.

ELIZABETH C. COLEMAN, Chairman  
Tuftonboro Bicentennial Committee
