Cemetery Department

Under prevailing conditions it is impossible to proceed with improvement projects as rapidly as we would like. Reference to "Expenditures" on opposite page will indicate that some new work has been accomplished and that improved plots have been maintained.

Most of the larger cemeteries are under the supervision of some one of the six Cemetery Associations. In the case of the numerous outlying plots, the Trustees are attempting, as fast as possible, to bring these to a satisfactory condition by cutting bushes, repairing enclosures and resetting stones.

The scarcity of burial lots in existing cemeteries becomes more apparent and action has been taken, within the year, to have the Elm Hill Cemetery surveyed and plotted so that burial lots may be available for purchase.

The size of the fund and the interest accruals, on the Charles H. White Trust, will assure a well cared for cemetery, when the necessary improvement work has been completed. We hope this may be accomplished during the coming year.

Knitting, 195 garments

For use as follows:

234 for relief
370 for hospital quota
188 for army and navy

A total of 792 articles representing 1500 hours of work are credited to the Chapter.

Of the above, Moultonboro Branch made

210 slips
25 kit bags
1 pr. overalls
11 knitted garments

TOWN OF SANDWICH

Surgical Dressings

During 1943, 35,963 dressings were made.

4,300 1/2 hours of work was done.

Since July first a total of 123 women have given their time to this project as follows:

42 in Moultonboro

25 in East Sandwich

56 in Center Sandwich

Moultonboro Branch made 12,152 surgical dressings, working a total of 1,576 1/2 hours.

Home Service

52 hours of work was done by Home Service Committee, working on 13 cases.

Motor Corps

A total of 72 1/2 hours driving was done by members of Motor Corps.

Special thanks is due the Moultonboro Branch, The Women's Society for Christian Service, The Ladies of North Sandwich, and the following individuals, Miss Jane Briggs, Mrs. Harry Burrows, Mrs. Walter Avery and Miss Sara Packard and to the East Sandwich Workroom.

HOPE R. HACKER,
Chairman Volunteer Service.

The Sandwich Chapter is grateful to everyone who assisted in any Red Cross work during the past year, and we especially appreciate the help of our summer residents.

There is a call for more and more surgical dressings and other garments on all the battle fronts, and our quota for the ensuing year is a large one. We urgently need more workers, and anyone who can spare even one hour a week to help in carrying on this great humanitarian work, is urged to visit the workrooms, either at Center Sandwich or Moultonboro. You will be most welcome, and you will have the satisfaction of knowing that you had a part in making the surgical dressings which may be needed by some of our local boys and girls in the service of our country. A few hours work each week is very little to give in return for those who are giving their lives.

MARY S. BROWN,
Secretary of Sandwich Chapter, A.R.C.

TOWN OF SANDWICH

REPORT OF SUPERINTENDENT OF SCHOOLS

Some changes in the direction of consolidation have seemed advisable in the administration of Sandwich schools this year. The Whiteface school, small in enrollment for several years past, has grown even smaller, and under present conditions of teacher shortage the Board felt that it should be united with the school at North Sandwich. The Lower Corner pupils, for similar reasons, are now being transported to the Center.

However, it does not seem likely than Sandwich can continue with only four teachers after the present boom of war production begins to subside. Families attracted away from here by high wages are apt to return, and this may mean reopening schools that have temporarily been closed.

Fundamental teaching of reading, writing, arithmetic, spelling and the like go on in war time as always. Geography has taken on a new interest as boys from our town are stationed in distant parts of the world. Weekly newspapers, written on the level of the various school grades, provide timely material for the study of current events. An effort is made to distinguish between true and false impressions in the propaganda which comes to our attention daily.

The work of the schools in developing good attitudes of citizenship and patriotism, and in giving children a thorough background of fundamental skill and knowledge, is recognized as a necessary wartime activity. The War Production Board gives to schools a high priority rating for the purchase of supplies and materials; the War Manpower Commission rates teaching high on the scales of necessary war work. In fact, we all should realize that Hitler and other dictators worked for years to educate their followers while they were still young children, so these boys would become loyal soldiers later on. Winning this war for the Allies must depend largely upon men and women already out of school; winning the peace, and preventing future wars, will depend in great measure upon the wisdom of those who are now in schools. The teacher in these days has indeed a grave responsibility.

Respectfully submitted,

ALMON W. BUSHNELL,
Superintendent of Schools.

SCHOOL NURSE'S REPORT

A report of the work done by the school nurse from September, 1942, to June, 1943.

School visits 130

Pupils inspected 151

Dr. Robert S. Quimby examined the pupils of all the schools. Results of his examination were as follows:

Defective teeth 64

Defective vision 24

Diseased tonsils 6

Defective speech 9

Nervous condition 8

Dental clinics were held during the year with the cooperation of Dr. Pottle and Dr. Denault of Meredith. A total of 48 pupils were treated—208 operations in all.

Five pupils were taken to an orthopedic clinic, and four to an oculist. The Department of Education loaned an audiometer to the schools, and out of 116 pupils tested with it, seven were found to have slightly defective hearing.

I wish to express my appreciation for the cooperation from all those connected with the schools, as well as to the community.

Respectfully submitted,
EVA A. HENEY, R.N.
