STATE OF NEW HAMPSHIRE
TAX COMMISSION

Concord
July 6, 1965

Mr. Donald A. Paine
Board of Selectmen
Westmoreland, New Hampshire

Dear Mr. Paine:

In checking the Financial Report of the Town of Westmoreland for the fiscal year ended December 31, 1964, I find the following changes should be made in the Balance Sheet:

ASSETS ACCOUNTS:

(1) There should be added to the Asset Accounts the following items:

Uncollected Poll Taxes - Levy of 1964 - \$188.00

Uncollected Poll Taxes - Levy of 1963 - \$ 4.00

LIABILITY ACCOUNTS:

(2) There should be added to the Liability Accounts "Everett Warner Trust Fund - \$1,000.00." According to the Summary of Receipts this Trust Fund was received during 1964 but had not been turned over to the Trustees as of December 31st.

(3) The State Head Taxes - Collected - Not Remitted to State Treasurer should be \$202.50 rather than the reported amount of \$682.50.

With these changes, your Balance Sheet totals should be as follows:

| | |
|-------------------|--------------|
| Total Liabilities | \$ 64,930.40 |
| Surplus | 2,330.55 |
| | <hr/> |
| Total Assets | \$ 67,260.95 |

Please advise me if you are in agreement with these revisions and, if so, make the corresponding corrections in your copy of the Balance Sheet.

Yours very truly,
Harold G. Fowler
Director

There has been much activity during the past year whereby the State Library Commission hopes to aid and stimulate the smaller libraries of the state in the useful development of existing resources and additional ones made possible through grants from national funds. We have received an outright gift of reference books of our own choice to the value of \$125.00. We are enrolled in a Co-operative Book Buying Project through which we receive discounts on the purchase of books of from 25% to 40% against 10% buying locally. In order to continue taking advantage of this, our standards of hours and wages will have to be increased over a 5 or 6 year period. Mrs. Hugh Shelley is kindly maintaining a small branch of our Library in her home serving the East Westmoreland neighborhood.

**REPORT OF THE FOREST FIRE WARDEN
AND DISTRICT CHIEF**

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindfull that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush:
 - a. Always get a permit to burn from the warden.
 - b. Start you fire late in the day after 5:00 P.M.
 - c. If burning a field or brush have equipment and adequate held on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodland. Yours never to enjoy.

REPORT OF THE SCHOOL NURSE FOR WESTMORELAND

The following is my report for the year ending June 30, 1965.

Work of the School Nurse :

- 143 pupils received vision screening tests
- 2 pupils received vision notices
- 70 pupils received hearing screening tests
- 145 pupils weighed and measured
- 137 pupils had health inspections
- 40 pupils appeared in need of dental care
- 16 pupils with parents attended Pre-Registration Clinic
- 20 pupils were checked for Smallpox Vaccination, and follow-up done
- 22 pupils participated in the Stern Testing Program

The duties and activities of the school nurse are many, varying in each community. Her professional services are used by each community as a resource person for each health problem that may confront an individual town. Routine filing, school records, and reports of what has been done, and aims for future years are also important. Follow-up of medical recommendations for visual and auditory disturbances, certain dental disorders and other handicapping conditions, contact with the pupil's home when indicated — all are important parts of the school nurse's work.

Through continued cooperation of administrators, school boards, teachers, parents and pupils, the health service program continues to be both challenging and rewarding.

I wish to thank all who helped make the school year a successful one.

Respectfully submitted,
Mrs. Ellen Pearce, R.N.
School Nurse

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Westmoreland:

I herewith submit my annual report as your Superintendent of Schools:

Good teaching and good teaching facilities affect eternity; no one can tell where the influence stops.

The working drawings for the new addition are expected to be completed in the latter part of January or the first of February. The plans will be put out for bids so that the bid amounts will be known at the time of the annual meeting and it is expected that work can begin about May 1st. This should enable the contractor to have the addition ready for occupancy at the beginning of school in September.

The School Board arranged for the serial bonds in the amount of \$38,000 to be issued by the Keene National Bank at an interest rate of 3.8% which is the same rate as the previous bond issue.

The program of departmentalization in your school is continuing to produce good results.

The A.R.E.A. Committee (Authorized Regional Enrollment Area School) has been working diligently with the committees from Chesterfield, Harrisville, Keene and Nelson to prepare articles of agreement. Hearings have been scheduled in each community and the agreement articles are to be approved or disapproved by each school district on February 21st.

We were fortunate not to have any teacher changes this year.

The estimated June 30th balance at the time the budget was voted was \$7,000. The actual balance was \$7,330.63. The estimated sweepstakes income was \$6,052; the actual amount received was \$3,988.79, which is \$2,068.21 less. Foundation aid estimated at \$10,242; the actual amount received was \$9,852.25, which is \$389.75 less. The net result of these changes is that \$63,142.25 was raised by taxation as compared with the budget figure of \$62,125.

On October 1, 1965, the Charlestown Supervisory Union No. 5 ceased to exist and the school districts of Acworth, Charlestown and Langdon became a part of Walpole Supervisory Union No. 60. The Fall Mountain School District is also a part of the present Supervisory Union No. 60 for administrative purposes. It was expected that Chesterfield and Westmoreland would become part of the Keene Supervisory Union effective July 1, 1966; however, as a result of some objections expressed by districts involved, the State Board of Education voted to continue to study the situation for at least one more year. This means that Westmoreland will continue to be a member of Supervisory Union No. 60 with Chesterfield, Fall Mountain and Marlow.

Transportation of high school pupils continues to be a problem that is having to be solved by the parents of tuition pupils. The more difficult it is for a pupil to attend school, the less chance there is of continuing to graduate. I sincerely hope that the citizens of Westmoreland find it possible to provide transportation for their high school pupils.

ENROLLMENT, January 15, 1966:

| Grade | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total |
|-------|----|----|----|----|----|----|----|----|-------|
| | 19 | 22 | 21 | 16 | 22 | 10 | 20 | 12 | 142 |

I would like to take this opportunity to thank the School Board, parents, pupils and citizens for their cooperation.

Elliott W. Keach,
 Superintendent of Schools

PRINCIPAL'S REPORT

To the citizens of Westmoreland :

September 8th, 1965 was the start of another school year here in Westmoreland. The enrollment this year started out with one hundred thirty-eight students.

The entire teaching staff returned this year with the grades being taught by the following: Grade I, Mrs. Geraldine Wilson; Grade II, Mrs. Jane Harris; Grade III, Mrs. Sandra Whippie; Grade IV & V, Mr. Richard Cate; Grade V & VI, Mrs. Virginia Hall; Grade VII & VIII, Mr. Robert Murray.

Our departmentalization was kept this year after having had such good results from last year. One thing that we did do this year was to have Mrs. Hall and Mrs. Whippie take all the Reading, Language, Spelling and Penmanship classes and Mr. Cate and Mr. Murray all the Social Science and Math classes. All youngsters in grade III through VIII are in the departmentalization program.

The library is growing with leaps and bounds through the hard work of our student librarians and all the generous reading material which different people have given to the school. This is a P.T.A. sponsored project and it has been one of great success. Under the Elementary and Secondary Education Act of 1965 (Public Law 89-10) various programs have been proposed to the schools. Here in Westmoreland we are working on a program which will be an enrichment program to increase our library materials. We hope under this program to bring to the slow reader books of high interest level that will be written so that those children who have reading difficulties will also benefit from the joys of reading good books.

Other plant personnel are Custodian, Mr. Abbot Royea; Hot Food Manager, Mrs. Lois Leach, with Dorothy Hewitt as helper; Bus Drivers, Mr. Richard Delano and Mr. Richard Stoughton, Miss Vera McClening, Mrs. Caroline Hatt; Hot Lunch Administrator, Mrs. Nancy Staples.

To all the above mentioned and for all persons who make our school a great success I want to at this time thank everyone.

Respectfully submitted,

Robert H. Murray,

Principal
