PREVENTING FOREST FIRES IS OUR RESPONSIBILITY

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control — pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to install in the child's mind a respect for fire.

Keep our town safe from fire.

In 1962 we had 0 fires.

We burned 0 acres.

Permits issued, 58.

Wish to thank all those that obtained fire permits for the care they took while burning.

Herbert A. Curtis

Forest Fire Warden

Winthrop H. Hannaford

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Bennington in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bennington on Tuesday, the 12th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see what sum of money the Town will raise and appropriate for highways and bridges.

3. To see if the Town will vote to accept State Aid for Class V roads and raise and appropriate money for the same. The Town must raise \$242.29 and the State will contribute \$1,615.25.

4. To see if the Town will vote to authorize the Selectmen to borrow such sums of money as may be necessary in anticipation of taxes.

5. To see what action the Town will take in regard to real estate taken over by the Town for non-payment of taxes.

6. To see if the Town will raise and appropriate the sum of \$2,000.00 for tarring. (Selectmen)

7. To see what action the Town will take in regard to Memorial Day and raise and appropriate money for the same.

8. To see if the Town will vote to raise and appropriate the sum of \$151.00 (1/100th of 1% of Town Valuation) to the Monadnock Region Association of Southwestern N. H. for issuance and distribution of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages of the Town in cooperation with the other thirty-seven towns of the Region. (Selectmen)

9. To see what action the Town will take in regard to painting the town garage and to raise and appropriate \$500.00 for the same. (Selectmen)

10. To see if the Town will vote to raise and appropriate \$950.00 for a new plow. (Road Agent and Selectmen)

11. To see if the Town will raise and appropriate \$300.00 for the purchase of hose by the Fire Department. (Fire Department)

12. To see if the Town will raise and appropriate \$150.00 for tree spraying. (Selectmen)

13. To ratify, approve and confirm the action of our Fire Department in joining our Town to the Southwestern N. H. District Fire Mutual Aid System in 1958 and in agreeing that our Fire Department may give and receive outside aid as provided in RSA154 as amended. (Fire Department)

14. To see if the Town will raise and appropriate \$150.00 for repairs to the chairs and sections of the floor of the Town Hall Auditorium.

15. To see what sum of money the Town will raise and appropriate for Statutory requirements and to carry the articles and appropriations of the School District into effect.

16. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 13th day of February, in the year of our Lord nineteen hundred and sixty-three.

William L. Aldrich
Erving A. LeCain
Frederick S. Sheldon
Selectmen of Bennington

A true copy of Warrant—Attest:

William L. Aldrich
Erving A. LeCain
Frederick S. Sheldon
Selectmen of Bennington

We would call to the attention of the voters that as provided in the School Warrant the election of school officers will take place at the same time as the election of town officers, using separate ballots, on Tuesday, March 12, 1963.

We would also call to the attention of the voters that in accordance with the vote of the Town Meeting last year the articles of the warrant will be taken up for action at 7 P.M. the evening of March 12, 1963.

BASIS FOR 1962 TAX RATE

The Selectmen feel that to assist the voters in their consideration of the regular budget and special warrants they should have this information to show the basis for computation of the 1962 property tax rate.

Total Appropriation:		
Town Budget	\$40,560 74	
School Budget	45,378 80	
	-----	\$85,939 54
Less: Estimated Revenue	11,422 02	
Estimated Poll Taxes	450 00	
	-----	11,872 02
TOTAL		\$74,067 52
Plus: Estimated Overlay		1,267 48

Total to be raised by property taxes		\$75,335 00
1962 Property Valuation	\$1,519,850 00	
1963 Property Valuation Estimate	\$1,525,000 00	
Estimated tax rate on budget items only		49 40
Increase in rate per thousand dollars appropriated in the Warrant		66

REPORT OF THE LIBRARIAN OF THE G. E. P. DODGE LIBRARY

Days open. Tuesday, Thursday, Saturday.

Hours — Afternoons 2:30-4:30. Evenings 6:30-8:30.

Books purchased in 1962	96
Books by gift	58
Peterborough Transcript (weekly)	
Magazines by subscription	12
Books numbered for circulation	4,445

Magazines by subscription: Life, Newsweek, Readers' Digest, Seventeen, Jack and Jill, Outdoor Life, American Girl, Popular Science, Popular Mechanics, National Geographic, Saturday Evening Post, Ladies' Home Journal.

By gift: Catholic Digest (monthly) by Silvio Zanga.

The Mountains, The Universe, The Poles, The Earth and Evolution have been added to our Life Nature Library this past year.

Over two hundred books are left at the library every two months by the Bookmobile from the Extension Division of the State Library, both for children and adults. In this way there is plenty of good reading for everyone.

Mary K. Wilson

Librarian

FIRE WARDENS' REPORT

The Firewards wish to thank the townspeople for keeping the fires at a very low rate this year. We were called out for 1 brush fire, 1 dump fire, 1 grass fire, 1 automobile accident, and 1 search party.

Due to the fact the dial telephone system started before Town Meeting, it was necessary for us to decide what course we would take in regard to telephone service in case of fires. The Selectmen and Firewards met with various other towns, telephone, and fire officials through this last year. We found that in most towns the red dial systems were not entirely satisfactory and could be costly.

Since a new dispatch center for the Mutual Aid System was set up this fall, we decided to go into this type of controlling our fire alarm. It is a modern system that is being set up throughout the country.

The dispatch center is located at the Keene Fire Station and has the latest type of radio equipment and fire controls. It will work as follows:

- (1) Dial Operator "O"
- (2) Give Operator the number Keene 352-1100
- (3) When dispatch center answers give:
 1. Name of person calling
 2. Location of fire
 3. Description, such as home, chimney, or any other type of fire.

They will automatically ring our alarm, and we will receive the location on our radios. We believe that especially for a night fire this type of sounding the alarm will enable us to arrive at the fire sooner.

In case this system fails for you call: Paul Traxler, Tel. 588-6755; Philip Traxler, Tel. 588-6857; Robert St. Lawrence, Tel. 588-6359; or in the daytime call the Village Spa, Tel. 588-6631.

We welcome the townspeople to visit the fire station and see our new equipment.

There is no doubt that many people are not acquainted with the present law in regard to the installation of power oil burners. It is necessary for the installer or contractor to first obtain a permit from the fire wards to install an oil burner in any building. After it is installed the Firewards are notified and will make an inspection to see if they have the proper switches and controls on the burner. If the installation is all right, we will issue a permit to the home owner to be placed near the burner. This is a good protection for everyone and we feel that if everyone would comply, they would be safer from oil burner fires. If anyone has had a burner installed and has not received

a permit, we will be glad to inspect it for you at no charge. Please contact any of the Firewards.

There are several good fire detection systems on the market for the homes. There have been a few installations in town. The Firewards recommend this type of protection highly. These home alarms are set up with detectors that will automatically set the house alarm off at 120 to 130 degrees.

The Firewards recommend buying 100-ft. 1½" hose and 100-ft. 2½" hose. Also transmitter for the base station.

Following is a list of our present equipment:

Engine #1

1-500 gal. pumper with 500 gal. booster tank
200 ft. 1" booster hose
1 Hand type extinguisher
1 Foam type extinguisher
1 Roof ladder
1 Extension ladder
1 Portable radio
1 Smoke mask
1400 ft. 2½" hose
300 ft. 1½" hose

Engine #2

350 Gal. booster tank
2 Roof ladders
1 Extension ladder
200 ft. Booster hose

Engine #3

1-750 gal. pumper with 600 gal. booster tank
150 ft. Booster hose
1 Extension ladder (aluminum)
1 Attic folding ladder
1 Roof ladder
1 Dry powder extinguisher
1 Mouth-to-mouth resuscitator
1 First aid kit
2 Smoke masks
1 Portable radio
1 Mobile radio
1500 ft. 2½" hose
400 ft. 1½" hose

Other Equipment

2 Long ladders
1 Portable pump
1 Trailer

- 3 Battery chargers
- 1 Body drag
- 4 Electric lanterns
- 1 Emerson resucitator
- 12 Raincoats
- 12 Fire hats
- 12 High boots

- 1 Base station equipped with automatic control for fire alarm.

Forest Fire Equipment:

- 16 Indian pumps
- 6 Grub hoes
- 6 Rakes
- 5 Axes with grub hoes
- 2 Water canteens
- 10 Lanterns

Location of Fire Alarms:

- 1 At Town Hall
- 1 At Village Spa

To Operate:

- Open door – pull down hook once
- Let go and stay at box until firemen arrive.
- 6 Blasts for fire
- 3 Blasts all out
- 2 Blasts. No school, 8:00 a.m.
- 1 Long blast. Shut off water
- 1 Long blast. First Monday in month, 6:45 p.m. 1 blast between noon and 1:00 o'clock for test Saturdays.

In case of fire by telephone, dial "O", give operator number, Keene 352-1100. When dispatch center answers give your name, location of fire, description of fire.

Wait a few seconds and listen for alarm.

If you wish you may also call following numbers:
 Village Spa, 588-6631 (daytime only)
 Paul Traxler, 588-6755
 Philip Traxler, 588-6857
 Robert St. Lawrence, 588-6359

Respectfully submitted,
 Paul Traxler, Chief
 Philip Traxler, 1st Asst.
 Robert St. Lawrence,
 2nd Asst.

BENNINGTON SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Bennington qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eighth day of March, 1963, at eight o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board, and fix the compensation of any other officers or agents of the district.

2. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the School Board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

3. To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

4. To see if the district will vote to erect an addition, including the necessary alterations, to the Pierce School, to appropriate a sum of money therefore and to determine how the sum shall be raised whether by borrowing or otherwise.

5. To choose agents and committees in relation to any subject embraced in this warrant.

6. To transact any other business that may legally come before said meeting.

Given under our hands at said Bennington this 14th day of February, 1963.

BENNINGTON SCHOOL DISTRICT SUPERINTENDENT'S REPORT

To the School Board and Citizens of Bennington:

It is a pleasure for me to present my ninth annual report for your consideration.

This year the district meeting will be unusual for two reasons. (1) The officers of the district will be chosen by ballot at the town meeting. Bennington will not only be the first district to choose their school district officers in this manner, but will be the only school district in the state to do so. I am not concerned this year because of other important matters being voted on at the school district meeting, but in future years I hope that this change in the election of officers will not reduce the number of people in attending the district meeting. (2) For the first time in any generation now living in Bennington, the district is being asked to appropriate money for a building program. At the present time this new construction is not needed for additional classrooms but it is entirely conceivable that such space requirements could become necessary in the near future. Unfinished classroom space is being provided in the proposed construction.

The Interim Commission on Education report has criticized rather severely the fact that school districts, while doing a good job of consolidation within their own districts, have been reluctant to cross town boundaries for the same purpose either through a cooperative effort or on a tuition basis. It would appear to me that Bennington is in an area where consideration of something of this nature would be in order and if facilities, which with a minimum of cost, to provide a teacher per grade per room, were available, then that community could well be chosen to become the area school.

It is always difficult to tell a community that it should provide additional space for which there is no immediate need to accomplish the things that it is accustomed to doing. The question is, should we be doing more to prepare our youngsters for the space age in which they are going to live or should we be content with facilities which were designed to fit the needs of the early automotive age. New facilities such as are proposed are not going to solve all the problems or even provide your youngsters with an education comparable with that now being afforded in many of the neighboring communities, but it will be a step in the right direction and many small steps are often easier to take than a "Giant" one.

The problem is yours. I have not attempted to influence your thinking, but I have attempted to give you some food for thought.

It has been a pleasure to work with the Building Committee this year and again I wish to express to all who have been interested in education, my appreciation for their cooperation and understanding.

Respectfully submitted,
Norman R. Hartfiel
Superintendent of Schools

REPORT OF THE SCHOOL NURSE

September 1962 to January 1963

To: Mr. Norman Hartfiel, Superintendent of Schools; School Board; Teachers; and Parents.

I am submitting the following account of the school nursing program.

The pupils have been measured for heights and weights, plus receiving a general physical inspection.

The visual acuity of the pupils has been tested and reports of individuals with defects have been sent to the parents concerned.

In the two clinics held, thirty-eight pupils received Type I of the oral poliô vaccine and forty-five pupils received Type II of the oral poliô vaccine.

Nursing care has been administered to pupils as needed and the necessary home visits were made.

Respectfully submitted,
Gail Johnson, R. N.
School Nurse

PIERCE SCHOOL BUILDING COMMITTEE REPORT

Your committee was reappointed by the Moderator at the last annual school meeting and instructed to carry out the wishes of the voters as expressed at that meeting which was to bring back at the 1963 annual school meeting a definite construction and financing proposal for an addition to the Pierce School. The committee consisted of two members from the public, two members from the P.T.A. and your School Board who met at various times during the year. Norman Hartfiel, Superintendent, and Ruth Cody, Principal, attended these meetings and gave their advice and assistance.

During the course of the year new circumstances arose which, had they existed at the time of the original study, might well have resulted in a different recommendation at that time. The committee felt that because of this they should review these new circumstances and then attempt to outline the reasons both for and against the building program and await the good judgement of the voters.

Recently the interim study committee, at the state level, made public their study and recommended strongly that the future trend of elementary education in New Hampshire should be aimed at large regional schools and the gradual elimination of the small town elementary school. They felt that only in this way could an adequate education be offered in terms of a single teacher, to a single class, in a single classroom. This most all educators agree is an objective which we should strive for within the state. Probably because of this report the State Department of Education was not at all enthusiastic about approving these construction plans as qualified for state aid. In their opinion this type of construction does not give sufficient direct benefit towards increasing the quality of educational opportunity to be justified, but they did indicate they would approve the project for state aid.

The construction program was originally recommended by the committee not as a means of bettering the educational level, but rather to provide suitable space for school assembly, indoor recess and a possible hot lunch program all of which would, of course, improve the general school program. In addition, space would be provided for the possible future addition of two classrooms. It can be argued that this construction would then place the Pierce School in a position to serve as a nucleus of a possible future consolidated school – grades one to six – to

serve not only Bennington, but possibly Francestown and Greenfield. If not for a future consolidated school, then at least available on a tuition basis to serve those communities and possibly reach the ultimate objective of one teacher per grade in a single classroom. It does not appear that the Pierce School will ever have enough pupils from Bennington alone to justify such a teaching program.

The question before the voters is basically whether the undertaking of this construction program, which would provide an assembly hall, a kitchen with facilities for a hot lunch program and the space for two future classrooms, at a cost of \$85,000 would be a step in the right direction to meet the future educational requirements of this community. We have tried to briefly note some of the reasons both for and against this program and members of this committee will attend the annual school meeting and be available for questions.

Incorporated in this report is a schedule showing the estimated cost per year of both principal and interest payments (net of state aid). In addition to those costs it is estimated that the regular budget would increase approximately \$1,000 per year to provide for the additional cost of heat, lights, supplies and a hot lunch program. You will also find an estimate of the increase in the tax rate which would be necessary to cover these costs.

**EST. COST PER YEAR OF PRINCIPAL AND
INTEREST ON PROPOSED ADDITION TO
PIERCE SCHOOL**

Basis: \$85,000 Total Cost – payable \$5,000 per year for 17 years – at an interest cost of 3¼%.

State aid at 30% of principal payments.

Year	Total Loan Beginning of year	State 30%	Principal Town 70%	Interest @ 3¼%	Total Net Annual Cost to Town
1st	\$85,000	1,500	3,500	2,762.50	6,262.50
2nd	80,000	1,500	3,500	2,600.00	6,100.00
3rd	75,000	1,500	3,500	2,437.00	5,937.50
4th	70,000	1,500	3,500	2,275.00	5,775.00
5th	65,000	1,500	3,500	2,112.50	5,612.50
6th	60,000	1,500	3,500	1,950.00	5,450.00
7th	55,000	1,500	3,500	1,787.50	5,287.50
8th	50,000	1,500	3,500	1,625.00	5,125.00
9th	45,000	1,500	3,500	1,462.50	4,962.50
10th	40,000	1,500	3,500	1,300.00	4,800.00
11th	35,000	1,500	3,500	1,137.50	4,637.50
12th	30,000	1,500	3,500	975.00	4,475.00
13th	25,000	1,500	3,500	812.50	4,312.50
14th	20,000	1,500	3,500	650.00	4,150.00
15th	15,000	1,500	3,500	487.50	3,987.50
16th	10,000	1,500	3,500	325.00	3,825.00
17th	5,000	1,500	3,500	162.50	3,662.50

	\$25,500	\$59,500	\$24,862.50	\$84,362.50
Average Cost per year	–			4,962.50
Plus est. increase in operating budget				1,000.00

Total per year \$5,962.50

Estimated increase in the tax rate on the basis of assessed valuation of \$1,500,000.00 is approximately \$4.00 per thousand.

NOTE: This is average cost and will be higher in first years.
