

TRIESTE
14 Oct 54

Dearest Ed:

Yes, I'm still here - and will be one of the last to depart. Expected date of departure is the morning of 27 October 1954 via my auto.

Yesterday we hit the peak in our rail and overland movements out of the Trieste area. Now and henceforth, the crescendos of activity and evacuation will subside and come to a gradual halt on 26 October when the final force will move out by ship. Naturally, we TC people won't + cannot go until everyone else is out. So we will depart on 27 Oct per present plans. It is an orderly withdrawal with all going according to schedule. No hysterics and no mad "bug out" which characterized the 8 Oct 53 departure "panic".

I mailed Gretel's birthday present today via air mail. She should get it at approximately the same time this

2] arrives because this letter, although written
on 14 Oct wont be placed in the Aps until
15 Oct. The gift was in the mail one day earlier.
Received your letter today telling about the
arrival of your combination birthday + wedding
Anniversary gift. — the clock. Sincerely hope you
like it. It was considered a bargain over
here but Maj. Clymer tell me that they sell for
more than \$50⁰⁰ each in U.S. You might
check the price in Boston. I paid the
PX price of \$10.95 plus postage.

I need some additional funds for Xmas
shopping + in general. I can't quite make
ends meet otherwise. I may cash a check
for \$50⁰⁰ ~~to~~ soon. I hope you have a
reserve for this amount. Let me know.
I'll try to hold off till I hear from you
but probably can't because your answer to
this letter may not get back before early
November + I ~~will~~ may require it sooner.
I am glad to know that all is well
down on the Potomac in the household

the Huggards. Extend my wholehearted regards.

If my reassignment comes thru in a hurry, you can plan on a March or April sail date unless you prefer to wait till school is out in June. In such case, let me know. I think you have the option of delaying your post call in such cases. I shall make another application just in case and as soon as I reach my permanent assignment.

Hope Gretel's Mauntyn enjoy their Brownie & Girl Scout activities. Cute of Gretel to sing before her class - and I was glad that she had the training to prepare her for such occasions and to give her the ~~trust~~ confidence to perform. Louise is quite some girl by now. Sure wish I could have seen her early walking efforts
Love to you.
