Town Clerk's Report

1957

During the year ending December 31, 1957, I have recorded 68 births, including 5 delayed birth certificates and also 2 stillbirths; 27 marriages and 43 deaths.

Licenses were paid to me on 151 dogs for which the Town Treasurer was paid \$298.61.

During the year I have issued 1223 Motor Vehicle Permits amounting to the sum of \$13,493.42. This sum was paid to the Town Treasurer.

I also received \$217.10 from parking fines and \$9.00 for filing fees. Both these sums were paid to the Town Treasurer.

I have on hand receipts or cancelled checks for all amounts stated in the report above.

NANCY L. O'MARA

Town Clerk

January 3, 1958

Miss Nancy L. O'Mara
Town Clerk
Colebrook, N. H.

To the Citizens of Colebrook:

During the year 1957, 4 Salk Vaccine Clinics were held in Colebrook at the Town Hall, sponsored by the N. H. State Department of Health, in cooperation with the local School Nurse, the Supt. of Schools, and the P. T. A. 1386 children attended these clinics, 245 received first injections, 444 received second injections, and 697 received third injections. We will hold the last clinic in June 1958, for those needing to complete their third injections.

We are indeed grateful to the Town for the use of the Town Hall, to all the physicians in Colebrook for giving of their time, and especially to P. T. A., and all the volunteers without whom these clinics would not have been a success.

In the Spring of 1957, Triple Toxoid Clinics for the Immunization of Whooping Cough, Diphtheria and

Tetanus, were held, and the following number of children completed their series of 3 injections:

Infant 45, Preschool, 89, School 89, and 32 children received Boosters.

It has been a pleasure to work with the Citizens of Colebrook, and at this time I would like to thank them for their cooperation, and at any time I hope they will feel free to call on me if I can be of any service to them.

Respectfully submitted,
Eleanor D. Kenney
N. H. State Dept. of Health
Public Health Nurse serving Coos County

Health Officer's Report

Only one epidemic was in evidence for the entire year of 1957, that of Asiatic Flu, during the months of October and November. The disease arrived right on schedule as predicted, and the vaccine was received as promised, just ahead of the disease. However, the symptoms and even the complications were mild, and no deaths in our area were attributed to this virus.

The usual complaints were about average for the year and, as usual, of the same nature, that of sewerage which were corrected.

Respectfully submitted,
RANDALL H. BROOKS, M. D.
Health Officer

Auditor's Report

This is to certify that we have audited the records of the Tax Collector for the current year, and find all taxes accounted for. We have checked revenue received from the Town Clerk for motor vehicle permits and dog licenses. The Selectmen's orders and Treasurer's cash book were checked, and the balance in the Farmers & Traders National Bank reconciled and found correct.
