Health Report

Mrs. Edith Burbank
Town Clerk
Dalton, N. H.

To the Citizens of the Town of Dalton:

During the year 1963, 101 visits were made in the town. These visits were as follows:

Administration & Promotion 11
Antepartum 2
Communicable Disease 2
Crippled Children's Services 6
Health Supervision 56
School 17
Sight Conservation 7

In February, Child Conferences for preschool children were initiated on a monthly basis. Forty four children received physical examinations. The following defects were encountered: 2 cases of strabismus, one of which is under treatment and will have further evaluation. Flat feet, responding to exercises, pronation of right foot, this case referred to the Crippled Children's Services, 3 cases of malnutrition, each of which is under medical treatment, extremely poor dentition in 2 children, both of whom are now receiving treatment. Twenty one children were vaccinated, eight children received Triple Toxoid Boosters, four children started the Triple Toxoid Series, and two finished the series. These conferences were a good health education tool for the parents and the children, and deviations from the normal have been treated or referred sooner than they otherwise would have been without conference. Dr. Elwin Falkenham was the attending physician, and we are most grateful to him for his assistance in the program. It is expected now, that we will resume these conferences again in February 1964, and we hope parents will again avail themselves of this service.

The Heaf testing program for tuberculosis was carried out in the school in April, and 36 children were tested. Forty three people from Dalton attended the Chest Diagnostic Clinic in Whitefield in April.

One child attended the Orthopedic Clinic in Berlin during the year.

It is hoped that possibly a Preschool Dental Program can be started this summer, as we feel the need for this program is quite evident.

It is always a pleasure to work with the Citizens of Dalton and I wish to extend my appreciation to them for their cooperation during the past year.

Respectfully submitted,

ELEANOR D. KENNEY, R. N.
Public Health Nurse, Dist. 2

Program of White Mountains Region Association 1963

Formed the White Mountains Industrial Council which in turn has successfully campaigned for a north country industrial agent.

Printed and distributed over 160,000 folders and booklets promoting the White Mountains region.

Printed in cooperation with the other five region associations of the state 400,000 booklets for the New York World's Fair.

Received over 8,000 inquiries and answered the same with packets of White Mountains folders or personal letters.

Sent over 25,000 pieces of mail from the office.

Wrote 44 news releases for use in the local media about vital economic issues.

Sent bulletins of inquiries to real estate dealers and bulletins of inquiries to innkeepers.

Supported the 4-H awards program to encourage the role of agriculture and awarded Mrs. Althea Hammond of Monroe "Outstanding Farm Wife of the Year."

Worked in cooperation with the Rural Areas Development committees of all three counties. Worked in cooperation with the White Mountains Recreation Association and other local promotional groups.

Conducted meetings throughout the region on vital current issues.

Upheld the interests of the north country on bills and hearings at Concord relating to hunting, skiing, aviation, north country industrial agent, north country vocational school, access roads, and state park development.

Promoted new recreational developments and industrial developments.

Worked to raise the economy of the north country of New Hampshire.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Dalton:

It is with mixed emotions that I submit to you my annual report relative to your school. It has been my pleasure to have served you as superintendent in Dalton for the past seventeen years.

I am pleased that the citizens of Dalton voted to become a part of the White Mountains Cooperative District. I feel that this is a step in the right direction and will assure your

children the same opportunities for an education as are provided children from the larger school districts.

School opened in September with a total enrollment of 62 pupils as compared with 75 pupils one year ago.

There have been no changes in the teaching staff since my last report. Mr. Perley Wells was appointed custodian in the fall to replace Mr. Willard Streeter who resigned. Mrs. Vera Bacon continues to do an excellent job in the school lunch program. Mrs. Blakslee continues on a part-time basis for special reading. The results of her work are evident in the improvement made by a number of pupils.

During this past summer the entire area in the rear of the building was graded and covered with loam and seeded. This project will improve that particular area greatly. Mr. W. Scott Aldrich assumed supervision of the entire project and should be commended for a job well done.

A school district meeting will be called to take care of certain legal matters pertaining to the change over from a local school district to a member of a cooperative district. All costs for the operation of your school will henceforth be a part of the cooperative district budget.

Included in this report will be the report of the school nurse who continues to serve the health of your children in a very efficient manner. You will also find the statistical report, financial report, teacher list and tuition list for the present year.

In closing, I wish to express my sincere appreciation to the citizens of Dalton, the members of the school boards with whom I have enjoyed working during the past seventeen years, and all other school district personnel for their cooperation.

Respectfully submitted,

LESLIE S. CUMMINGS
