TOWN WARRANT

March 11, 1986

THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 10:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of Weare in the County of Hillsborough in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Weare Town Hall in said Town on Tuesday the 11th day of March, next at 10 of the clock in the forenoon to act upon the following subjects.

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote in favor of changing the term of the Overseer of Public Welfare from one year to three years beginning with the term of the Overseer of Public Welfare to be elected at the 1987 Town Election.

NOTE: IN ACCORDANCE WITH THE VOTE OF TOWN MEETING OF MARCH 6, 1973, ARTICLES 3 THROUGH 40 WILL BE TAKEN UP AT AN ADJOURNED SESSION OF THIS MEETING ON MARCH 15, 1986 AT 10:00 A.M. IN THE TOWN HALL.

3. To see if the Town will vote to raise and appropriate the sum of \$477,964.22 to defray Town charges for the ensuing year:

- A) Town Officers' Salaries
- B) Town Officers' Expenses
- C) Elections and Registrations
- D) Government Buildings and Grounds
- E) Administrative Services -
Selectmen's Office

- X) Conservation Commission
- Y) Finance Committee
- Z) Animal Control

- AA) Vital Statistics
- BB) Civil Defense
- CC) Goffstown Probation Department
- DD) Engineering Services
- EE) Town Water System

4. To see if the Town will authorize the Selectmen and the Town Treasurer to borrow on behalf of the Town in anticipation of taxes, or to take any other action in relation thereto.
5. To see if the Town will authorize the Selectmen to apply for, receive and expend Federal and State Grants which may become available during the course of the year and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money provided; (1) that such grants and other monies do not require the expenditure of other Town funds; and (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and moneys, ALL AS PROVIDED BY RSA 31:95b.
6. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by Tax Collector's deed by public auction, advertised sealed bid or in such other manner as determined by the Selectmen as justice may require as provided under RSA 80:42, Sale of Tax Liens/Tax Deeded Properties, or to take any other action in relation thereto.
7. To see if the Town will vote to raise and appropriate the sum of \$60,000.00 to establish a Capital Reserve Fund to be used towards the closure of the Weare Landfill, or to take any other action in relation thereto.
8. To see if the Town will vote to authorize the Selectmen to sell any used or surplus Town equipment, or to take any other action in relation thereto.
9. To see if the Town will vote to accept all trust funds given to it during the year 1985 including, but not limited to perpetual care funds for cemetery lot maintenance, or to take any other action in relation thereto.
10. To see if the Town will vote to raise and appropriate the sum of \$308,303.25 for the operation of the Weare Highway Department including \$124,758.68 for winter and summer maintenance, \$73,133.16 for reconstruction, resurfacing and sealing of roads, \$10,000.00 for repair to bridges and \$100,411.41 for the general expenses of the department, or to take any action in relation thereto.
11. To see if the Town will vote to appropriate the sum of \$78,946.03 which represents the anticipated Highway Block Grant Aid under New Hampshire RSA 235 for the maintenance, construction and reconstruction of Class IV and V highways, or to take any other action in relation thereto.
12. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 as the Town's share for the reconstruction of River Road (Clough Road Section), or to take any other action in relation thereto. The State of N. H., upon

passage of this article, will grant the State Matching Funds of \$30,000.00 to assist in the reconstruction project.

13. To see if the Town will vote to appropriate the sum of \$42,000.00 for the purchase of a backhoe for the Highway Department, and to authorize the withdrawal of \$11,000.00 for this purpose from the Federal Revenue Sharing Fund with the balance to be raised by taxation.
14. To see if the Town will vote to raise and appropriate the sum of \$45,250.00 for the Weare Police Department, or to take any other action in relation thereto.
15. To see if the Town will vote to appropriate the sum of \$16,500.00 for the purchase of a new police cruiser and to authorize the withdrawal of \$3,300.00 for this purpose from the Federal Revenue Sharing Fund with the balance to be raised by taxes, or to take any other action in relation thereto.
16. To see if the Town will vote to raise and appropriate a sum not to exceed \$3,000.00 for the purchase of a computer for the Weare Police Department, or to take any other action in relation thereto.
17. To see if the Town will vote to raise and appropriate the sum of \$1,800.00 for the purpose of a radar unit for the Weare Police Department, or to take any other action in relation thereto. This appropriation shall be subject to the receipt of Federal and State Funds of \$898.
18. To see if the Town will vote to raise and appropriate the sum of \$54,400.00 for the operation of the Weare Fire Department, including \$43,000.00 for general expenses, \$2,000.00 for repairs and maintenance of the Town Fire Stations, \$6,600.00 for new and replacement equipment, \$1,800.00 for new tires for Fire Department vehicles and \$1,000.00 to join Goffstown and New Boston in the Cascade System to fill Scott Air Packs and Tanks, or to take any other action in relation thereto.
19. To see if the Town will vote to raise and appropriate the sum of \$3,200.00 for the installation of two overhead doors, automatic openers, and to extend the door openings to full 10-foot widths at the Center Fire Station, or to take any other action in relation thereto.
20. To see if the Town will vote to raise and appropriate the sum of \$130,000.00 for the purchase of a new fire engine for the Weare Fire Department, or to take any action in relation thereto.
21. To see if the Town will vote to raise and appropriate the sum of \$30,000.00 for the operation and maintenance of the Weare Landfill, or to take any other action in relation thereto.
22. To see if the Town will vote to raise and appropriate the sum of \$50,000.00 to prepare, license and equip a Transfer Station site for the Town's participation in the Concord Regional Solid Waste Program, or to take any other action in relation thereto.

23. To see if the Town will vote to raise and appropriate the sum of \$11,500.00 for the operation and maintenance of the Municipal Sewer Department, or to take any action in relation thereto.
24. To see if the Town will vote to raise and appropriate the sum of \$25,457.00 for the operation of the Weare Public Library, or to take any other action in relation thereto.
25. To see if the Town will vote to raise and appropriate the sum of \$1,450.00 to repair and repaint the windows of the Weare Public Library, or to take any other action in relation thereto.
26. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for architectural fees for renovations and additions to the Weare Public Library, or to take any action in relation thereto.
27. To see if the Town will vote to raise and appropriate the sum of \$1,800.00 to make repairs to the Stone Memorial Building, or to take any other action in relation thereto.
28. To see if the Town will vote to raise and appropriate the sum of \$10,700.00 for:

Computer System Expansion	\$2,600.00
Chase Park Toilet Facilities	5,600.00
Welder	2,500.00

and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

29. To see if the Town will vote to raise and appropriate the sum of \$500.00 to remark the north side boundary of the Felch Farm Town Forest and to authorize the withdrawal of this sum from the Town Forest Account.
30. To see if the Town will vote to rescind the vote taken under Article 27 at the 1970 Town Meeting which prohibited the use of logging skidders in the Town Forest, and further, to see if the voters will approve skidder use in areas designated as Weare Town Forest during the winter months, with supervision by the Weare Conservation Commission and consulting local and State foresters, or to take any other action in relation thereto.
31. To see if the Town will authorize the Weare Conservation Commission to designate and expend monies accrued in the Town Forest Account as authorized by RSA 36-A:5 in the following ways:

Use of Principal: 1. up to 25% of principal added after March 1, 1986 may be expended to maintain and improve Weare Town Forest Lands; and 2. up to 25% of principal added after March 1, 1986 may be expended for land protection and preservation projects. Unused monies will be added to the Town Forest Account principal.

All proposals offered by the Weare Conservation Commission must be approved by a majority of the members of the Board of Selectmen.

Use of Interest: Annual interest on principal accrued in the Town Forest Account would be available for the following projects:

- a. a Town-wide newsletter
- b. trail building and maintenance in Town Forest areas
- c. informational public meetings on general conservation issues

Expenditures of principal and interest monies will be reported each year in the Town Report.

32. To see if the Town will receive the reports of the Town Auditors and the Weare Finance Committee concerning semi-annual tax collection for Weare, or to take any other action in relation thereto.
33. To see if the Town will vote to establish a five-member Weare Economic Development Authority, to be appointed by the Selectmen, whose task will be to encourage the economic development of Weare. Members of the Authority shall be appointed to staggered three-year terms. Of the five members, one shall be a representative of the Weare Chamber of Commerce, one shall be a member of the Planning Board, one shall be a Selectman, and two shall be from the general public.
34. To see if the Town will receive the Report of the Police Department Study Committee, or to take any other action in relation thereto.
35. To see if the Town will vote to abolish the position of Administrative Assistant to the Selectmen. (By Petition)
36. To see if the voters will amend the "Town of Weare Gravel Ordinance by deleting Paragraph "2" of Section 3.A", and substituting in lieu thereof the following new Paragraph 2:

(The Selectmen shall not grant a permit) . . .

"2. For any excavation to occur within (measured) horizontally) (a) (i) one Hundred (100) feet of the boundary or (ii) Five Hundred (500) feet of the residence of any disapproving abutter; or (b) (i) within Ten (10) feet of the boundary or (ii) One Hundred (100) feet of the residence dwelling of any approving abutter (in all cases there must be a maximum of 1 foot to 1-1/2 feet slope towards abutters line) unless reasonable further approval is requested by said abutters."
(By Petition)
37. To see if the Town will vote to authorize the Board of Selectmen to deed to Glendon Johnson certain property off Old Fern Price Road, so called, known as Lot #10 in the Huskie Subdivision located in Southwest Weare as recorded at the Hillsboro County Registry of Deeds as plan #6118 formerly owned by him and acquired by the Town by Tax Collectors Deed dated October 11, 1980 and recorded at the Hillsboro County Registry of Deeds at Volume 2798, Page 172, but only after payment to the Town of all unpaid taxes, plus interest

and/or penalty on same, legal fees, and upon payment of any other cost incurred by the Town in conveying this property. (By Petition)

38. To see if the Town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of Weare, N. H., and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the U.S. Department of Energy's (DOE's) present plan to dispose of radioactive waste and into the DOE's competence to carry out such a plan. (By Petition)
39. To see if the Town will vote to raise and appropriate the sum of \$16,160.00 to be contributed to an area-wide task force to oppose the burial, storage, transportation, and production of high level radioactive waste in the Town of Weare and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the U. S. Department of Energy's (DOE's) present plan to dispose of radioactive waste and into the DOE's competence to carry out such a plan. (By Petition)
40. To transact any other business which may legally come before this meeting.

Given under our hands and seal, this 24th day of February, in the year of our Lord nineteen hundred eighty-six.

William G. Herman
Renaldo Z. Azotea
Harold O. Hall

RECORD OF TOWN MEETING

MARCH 12, 1985

The annual Town Meeting of the Town of Weare was called to order at 10:00 a.m. by the Moderator, Neal M. Kurk. The pledge of allegiance to the flag was led by children from the Cornerstone Learning Center who were in attendance to observe the opening of Town Meeting. The Moderator read Articles 1 through 4 of the Town Warrant and the School District Warrant for the election of School District officers.

The ballot boxes were inspected by the Selectmen and declared to be empty. The ballot boxes were locked by the Moderator who then stated that absentee ballots would be cast at 3:00 p.m. in accordance with the law. The polls were declared open at 10:10 a.m. and the Meeting proceeded to ballot for Town and School District officers and to vote on Articles 2, 3 and 4.

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

ARTICLE 2. To see if the Town will vote in favor of changing the term of the Road Agent from one year to three years beginning with the term of the Road Agent to be elected at the 1986 Town Election.

Yes 153

No 125

ARTICLE 3. To see if the Town will vote to amend the existing Town of Weare Building and Permit Ordinance pursuant to New Hampshire RSA 675:3 to allow the Town of Weare to participate in the National Flood Insurance Program as recommended by the Planning Board on January 24, 1985, and adopted by the 1976 Weare Town Meeting.

Yes 225

No 41

ARTICLE 4. Do you favor designation of Perkins Pond Marsh as a Prime Wetland as provided in RSA 483-A:7? The Marsh is located south of Route 149 and north of Mt. Misery, encompasses wetland properties established by the State of New Hampshire as a wildlife management area and is described in documents and maps filed with the Town Clerk as required by RSA 675:7.

Yes 224

No 47

The polls were closed at 7:03 p.m. by the Moderator and ballots were counted. At 8:05 p.m., Raymond Kelly, School District Moderator, read the results of the School District election. The Town Moderator then read the results of the Town election and the vote on Articles 2, 3 and 4 of the Town Warrant.

A motion was made and seconded to recess the Meeting to Saturday, April 6, 1985 at 10:00 a.m. at the Weare School Gymnasium. The vote was affirmative. The Meeting was declared recessed at 8:20 p.m.

At 10:05 a.m., Saturday, April 6, 1985, the recessed Town Meeting was called to order by the Moderator, Neal M. Kurk. The pledge of allegiance to the flag was led by Harold O. Hall. The Meeting was asked to stand to hear the reading of town residents who had died since last Town Meeting. This was followed by a moment of silence.

The Moderator read the results of the Town and School District elections held Tuesday, March 12, 1985.

The Moderator stated the rules of order for the conduct of the Meeting. He introduced the Town Officers and members of the Finance Committee.

William G. Herman, Selectman, gave the State of the Town address. This was followed by remarks by Harold O. Hall, Selectman. The Selectmen then presented engraved plaques to the following people:

Forrest Esenwine, former Selectman
Kenneth Glaude, former Selectman
Malcolm Purington, former Selectman
Doris Nelson, former Overseer of Public Welfare
Edith Foote, former Overseer of Public Welfare and
Secretary of the Planning Board.

Mr. Herman announced that the Boston Post Cane will be presented to Leon Reade at his home in the near future.

William Herman moved that each article in the Warrant be read as it is taken up. The motion was seconded and the vote affirmative.

ARTICLE 5. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of same:

- A. Town Officers' Salaries
- B. Town Officers' Expenses
- C. Elections and Registrations
- D. Government Buildings and Grounds
- E. Administrative Services -
Selectmen's Office
- F. Clerical Assistance -
Town Clerk/Tax Collector's Office
- G. Fees and Permits
- H. Forest Fires
- I. Insurance
- J. Emergency Answering Service
- K. Cemeteries
- L. Street Lighting
- M. Human Services
- N. Memorial Day
- O. Municipal Sewer Department
- P. Parks and Recreation Commission
- Q. Damages and Legal Expenses
- R. Advertising and Regional Associations
- S. Social Security
- T. State Unemployment
- U. Interest - Tax Anticipation Notes
- V. Debt Service - Principal
- W. Debt Service - Interest
- X. Planning Board
- Y. Conservation Commission
- Z. Finance Committee
- AA. Animal Control
- BB. Vital Statistics
- CC. Civil Defense
- DD. Municipal Water Department
- EE. Fourth of July Parade

William G. Herman moved to raise and appropriate the sum of \$467,628.04 under Article 5. The motion was seconded. Mr. Herman

read a breakdown of the amounts of items A through FF totaling the sum of \$467,628.04.

Stetson Hunt, Chairman of the Finance Committee, moved to amend the amount raised and appropriated under Article 5 to \$452,328.04, a reduction of \$15,300.00. The motion was seconded.

Mr. Hunt then changed his amended amount to \$451,728.04, a reduction of \$15,900.00. The second concurred with this change. The Finance Committee recommended the following items be reduced by the amount listed below:

B. Town Officers' Expenses	\$ 2,000.00
D. Government Buildings and Grounds	1,900.00
E. Administrative Services - Selectmen's Office	9,950.00
H. Forest Fires	1,500.00
Y. Conservation Commission	250.00
EE. Fourth of July Parade	<u>300.00</u>
Total Reduction	\$ 15,900.00

After lengthy discussion of the reductions proposed by the Finance Committee and the impact on the 1985 tax rate, a standing vote was taken on the amended amount of \$451,728.04. The result of the vote:

Yes - 54; No - 23

The vote on the amendment was affirmative. Burton Brown moved the question. The motion was seconded and the vote affirmative.

The vote on Article 5 as amended was affirmative.

A. Town Officers' Salaries	\$ 18,200.00
B. Town Officers' Expenses	19,250.00
C. Elections and Registrations	1,500.00
D. Government Buildings and Grounds	20,710.00
E. Administrative Services - Selectmen's Office	50,322.72
F. Clerical Assistance - Town Clerk/Tax Collector's Office	14,229.00
G. Fees and Permits	16,000.00
H. Forest Fires	1,500.00
I. Insurance	49,608.00
J. Emergency Answering Service	9,710.00
K. Cemeteries	9,100.00
L. Street Lighting	2,066.00
M. Human Services	31,500.00
N. Memorial Day	300.00
O. Municipal Sewer Department	9,610.00
P. Parks and Recreation Commission	16,750.00
Q. Damages and Legal Expenses	7,000.00
R. Advertising and Regional Associations	8,078.00
S. Social Security	22,000.00
T. State Unemployment	3,000.00
U. Interest - Tax Anticipation Notes	60,000.00
V. Debt Service - Principal	51,500.00
W. Debt Service - Interest	20,000.00
X. Planning Board	2,500.00

DD.	Municipal Water Department	1,000.00
EE.	Fourth of July Parade	500.00
FF.	Goffstown Probation Department	<u>1,462.00</u>

\$451,728.04

ARTICLE 6. To see if the Town will authorize the Selectmen and the Town Treasurer to borrow on behalf of the Town in anticipation of taxes; said loans to be payable from taxes from the year 1985 and to issue notes therefore in the name of the Town at such rate of interest and payable at such time and place within one year as the Selectmen may decide.

Harold O. Hall moved Article 6 be accepted as read. The motion was seconded and the vote affirmative.

ARTICLE 7. To see if the Town will vote to authorize the Selectmen to accept gifts and/or Federal or State Aid in the name of the Town of Weare, and to appropriate the same to the payment of purposes for which it constitutes reimbursement, or to take any other action in relation thereto.

Harold O. Hall moved Article 7 be accepted as read. The motion was seconded and the vote affirmative.

ARTICLE 8. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by Tax Collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require. (As provided under RSA 80:42, Sale of Tax Liens/Tax Deeded Properties).

Harold O. Hall moved Article 8 be accepted as read. The motion was seconded.

Forrest Esenwine moved to amend Article 8 by adding the following:

Except for any parcels of land 5 acres or larger, if land only, or 10 acres or larger, if a dwelling is present. Such parcels may only be conveyed after conducting a published public hearing, and then specifically authorized by a vote of the Town at its annual meeting. Said amendment to be in effect until otherwise rescinded by a vote of the Town at its annual meeting.

The motion to amend was seconded. The vote on the amendment was affirmative. The vote on Article 8 as amended was affirmative.

ARTICLE 9. To see if the Town will vote to accept all trust funds given to it during the year 1984 including but not limited to perpetual care funds for cemetery lot maintenance, the Emma Sawyer Trust Fund, and the Corliss Cemetery Trust Fund.

Harold O. Hall moved Article 9 be accepted as read. The motion was seconded.

Terry Knowles informed the Meeting that the Corliss Cemetery Trust Fund represents money given to the Town by the Weare Junior Historical Society for the preservation of this cemetery.

The vote on Article 9 was affirmative.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$106,280.96 for summer and winter maintenance of the highways or to take any other action in relation thereto.

William Tiffany, representing Wilfred Foote, Road Agent, moved to raise and appropriate \$116,280.96 under Article 10. The motion was seconded.

Stetson Hunt, Chairman of the Finance Committee, moved to amend the amount to \$112,280.96. The motion was seconded. The vote on the amendment was affirmative. The vote on Article 10 as amended was affirmative.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$65,000.00 for the general expenses of the Highway Department or to take any other action in relation thereto.

William Tiffany moved Article 11 be accepted as read. The motion was seconded. The Finance Committee recommended this article.

The vote on Article 11 was affirmative.

William Herman moved to authorize the Highway Department to sell some of its used equipment with the funds received to be applied toward purchasing updated equipment for the Highway Department.

The motion was seconded and the vote affirmative.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for repair to bridges or to take any other action in relation thereto.

William Tiffany moved Article 12 be accepted as read. The motion was seconded. The Finance Committee concurred with this article.

The vote on Article 12 was affirmative.

ARTICLE 13. To see if the Town will vote to appropriate the sum of \$82,140.24 which represents the anticipated Highway Block Grant Aid under New Hampshire RSA 235 for the maintenance, construction and reconstruction of Class IV and V highways.

William Tiffany moved Article 13 be accepted as read. The motion was seconded. The Finance Committee concurred with this article.

The vote on Article 13 was affirmative.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$25,000.00; \$10,000.00 for road sealing of town roads and \$15,000.00 for the resurfacing of town roads or to take any other action in relation thereto.

William Tiffany moved Article 14 be accepted as read. The motion was seconded. The Finance Committee concurred with this article.

The vote on Article 14 was affirmative.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to go with State Matching Funds of \$30,000.00 (2 to 1) to complete the reconstruction of River Road (Clough Road Section) or to take any other action in relation thereto.

William Tiffany moved Article 15 be accepted as read. The motion was seconded. The Finance Committee concurred with this article.

The vote on Article 15 was affirmative.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$48,133.16 for the reconstruction of Quaker Street for a distance of 1.5 miles beginning at Route 114 or to take any other action in relation thereto.

William Tiffany moved Article 16 be accepted as read. The motion was seconded. The Finance Committee concurred with this article. Stetson Hunt stated this amount does not include labor; this is material only.

The vote on Article 16 was affirmative.

ARTICLE 17. To see what sum of money the Town will vote to appropriate for the purchase of a new Highway Department truck(s) and authorize the withdrawal of \$10,000.00 for this purpose from the Federal Revenue Sharing Fund with the balance to be raised by taxation.

William Herman moved the Town appropriate the sum of \$15,000.00 for the purchase of a new one-and-one-half ton, 4 x 4 dump-body truck with plow attachments for the Highway Department and authorize the withdrawal of \$10,000.00 for this purpose from the Federal Revenue Sharing Fund with the remaining \$5,000.00 to be raised by taxation.

The motion was seconded. The Finance Committee concurred with this article.

The vote on Article 17 was affirmative.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the purpose of paving the Gregg Road to the landfill. (Petition Article)

Stetson Hunt moved to dismiss Article 18. The motion was seconded and the vote affirmative. Article 18 was dismissed.

ARTICLE 19. To see what sum of money the Town will vote to raise and appropriate for the paving of Ridgeview Road, or to take any other action in relation thereto. (Petition Article)

William Swansburg moved to raise and appropriate \$48,000.00 under Article 19. The motion was seconded.

Robert Munro moved to place this article on the 5 year plan and that it be considered for this action during the next 5 years. The Moderator felt this would be confusing and suggested Mr. Munro bring this up if the original motion is defeated.

William Tiffany stated there is a difference in deeds given to

property owners and the deed the Town has to the road which states the Town has a 50 foot right-of-way.

The Finance Committee stated it does not go along with Article 19.

William Herman told the Meeting the Selectmen had the Road Agent measure the road. The average width is 20 feet which would mean approximately 12 feet would be taken from everyone's front lawn. The Road Agent, the Selectmen and the Finance Committee feel this should come under the five year plan.

The vote on Article 19 was negative. Forrest Esenwine stated he hoped the cost of a survey of this road would not be borne by the Town.

The Meeting recessed at 12 noon for a 15 minute lunch break.

At 12:20 p.m., the Meeting was called to order by the Moderator.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$33,380.00 for the Weare Police Department or to take any other action in relation thereto.

Donald Thomson moved Article 20 be accepted as read. The motion was seconded. Finance Committee concurred with this article.

The vote on Article 20 was affirmative.

ARTICLE 21. To see if the Town will vote to appropriate the sum of \$2,000.00 to complete renovations of the Weare Police Department headquarters and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Donald Thomson moved Article 21 be accepted as read. The motion was seconded. Finance Committee concurred with this article.

The vote on Article 21 was affirmative.

ARTICLE 22. To see if the Town will vote to appropriate the sum of \$2,800.00 for radio and communications equipment for the Weare Police Department and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Donald Thomson moved Article 22 be accepted as read. The motion was seconded. Finance Committee recommended this article.

The vote on Article 22 was affirmative.

William Herman moved to suspend the rules and take up Article 31 and Article 30 in that order. The motion was seconded and the vote affirmative.

ARTICLE 31. To see if the Town will vote to authorize the Board of Selectmen on behalf of the Town to enter into a cooperative agreement, pursuant to RSA Chapter 53-A, for the purpose of joining together towns and cities in a joint and cooperative effort for the disposal of solid waste in a manner which will meet federal and state regulations and for the economical and efficient recovery of energy from said solid waste disposal. The Cooperative to be formed under the cooperative agreement will be designated the "Concord Regional Solid Waste/Resources Recovery Cooper-

ative". A copy of the current draft of the proposed cooperative agreement is posted with the warrant and is available at town offices during normal business hours. The Board of Selectmen is specifically authorized on behalf of the Town (a) to execute and deliver the cooperative agreement (with such changes therein from the posted agreement as the Board of Selectmen shall approve, such approval to be conclusively evidenced by the Board of Selectmen's execution thereof) and such other instruments, documents, and agreements as the Board of Selectmen may deem necessary or desirable in furtherance of the purposes of the cooperative agreement; (b) to cause to be performed all obligations which may from time to time be required pursuant to the terms of the cooperative agreement; and (c) to take action relative thereto.

Harold O. Hall moved that the Town authorize the Selectmen to continue negotiations with representatives of Concord Regional Solid Waste/Resources Recovery Cooperative and to report to a Special Meeting to be called by the Selectmen prior to entering any contract.

The motion was seconded.

The Meeting gave permission to Craig Musselman, representative of the consulting engineering firm, to speak on this Article.

Paul Doscher asked if recycling could be discussed at the Special Town Meeting. Mr. Hall replied he could see no reason why recycling could not be discussed.

The vote on Article 31 was affirmative.

Donald Myhr moved that prior to publishing a warrant for a Special Town Meeting, an advertised public hearing be held. The motion was seconded.

William Herman stated there is a time element in the posting of a Special Town Meeting and the Selectmen feel this motion should be dismissed.

The vote on Mr. Myhr's motion was negative - motion defeated.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of \$30,266.20 for the operation and maintenance of the Weare Landfill or to take any other action in relation thereto.

William Herman moved to raise and appropriate \$25,266.20 under Article 30. The motion was seconded. Finance Committee concurred with this amount.

The vote was affirmative.

William Herman moved to raise and appropriate \$10,000.00 to develop a closure plan at the Weare Landfill. The motion was seconded. The Finance Committee concurred with this amount.

Charles Nelson, of DuBois & King engineering firm, spoke with the Meeting's permission on the situation at the landfill.

After discussion, the vote to raise and appropriate the sum of \$10,000.00 to develop a closure plan at the Weare Landfill was taken. The vote was affirmative.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$32,967.00 for the general budget of the Weare Fire Department or to take any other action in relation thereto.

Lloyd Bailey moved Article 23 be accepted as read. The motion was seconded. The Finance Committee concurred with this amount.

The vote on Article 23 was affirmative.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for repairs and maintenance of the Town Fire Stations or to take any other action in relation thereto.

Lloyd Bailey moved Article 24 be accepted as read. The motion was seconded. The Finance Committee recommended this article.

The vote on Article 24 was affirmative.

ARTICLE 25. To see if the Town will vote to appropriate the sum of \$2,872.00 for communications equipment for the Weare Fire Department and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Lloyd Bailey moved Article 25 be accepted as read. The motion was seconded. The Finance Committee recommended this article.

The vote on Article 25 was affirmative.

ARTICLE 26. To see if the Town will vote to appropriate the sum of \$1,200.00 for the repair and maintenance of the Town Water Holes and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Lloyd Bailey moved Article 26 be accepted as read. The motion was seconded. The Finance Committee recommended this article.

The vote on Article 26 was affirmative.

ARTICLE 27. To see if the Town will vote to appropriate the sum of \$6,600.00 for new and replacement equipment for the Weare Fire Department and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Lloyd Bailey moved Article 27 be accepted as read. The motion was seconded. The Finance Committee concurs with this amount.

The vote on Article 27 was affirmative.

ARTICLE 28. To see if the Town will vote to appropriate the sum of \$2,200.00 for the installation of two new overhead doors at the Center Fire Station and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Gordon Brown moved Article 28 be accepted as read. The motion was seconded. The Finance Committee recommended this article.

The vote on Article 28 was affirmative.

ARTICLE 29. To see if the Town will vote to appropriate the sum of \$10,000.00 for purchase and installation of a new oil burner system for the Center Fire Station and to authorize the withdrawal

of this sum for this purpose from the Federal Revenue Sharing Fund.

Gordon Brown moved Article 29 be accepted as read. The motion was seconded. The Finance Committee recommended this article.

The vote on Article 29 was affirmative.

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of \$12,873.21 for the operation of the Weare Public Library or to take any other action in relation thereto.

Camille Ahern moved Article 32 be accepted as read. The motion was seconded.

Stetson Hunt moved to amend Article 32 to read \$6,158.85. The motion was seconded.

Mr. Hunt's motion was based on the following figures:

Budget proposed by Library Trustees	\$21,301.31
Safety Improvements/Fire Marshall	+ 287.29
Cash on Hand - 12/31/84	- 4,943.21
Trust Fund Revenues	<u>-10,486.54</u>
Town Appropriation	\$ 6,158.85

After discussion, a motion was made and seconded to move the question. The vote was affirmative.

The vote on the amendment was negative.

The vote on the original motion of \$12,873.21 was affirmative.

ARTICLE 33. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the Weare Public Library to conduct a study of the Town's future library needs or to take any other action in relation thereto.

Camille Ahern moved to dismiss Article 33. The motion was seconded and the vote affirmative. Article 33 was dismissed.

ARTICLE 34. To see what sum of money the Town will vote to raise and appropriate for the restoration of the Town Hall or to take any other action in relation thereto.

William Herman moved to appropriate the sum of \$30,000.00 for the restoration of the Town Hall; \$9,000.00 from the Emma Sawyer Trust as allocated by the Trustees of the Trust Funds and \$21,000.00 to be raised by taxation.

The motion was seconded. Mr. Herman stated that, at the request of the 1984 Town Meeting, a committee of 3 had been appointed by the Selectmen to determine what it would cost to restore the Town Hall to the standing it should have. The committee's report indicates there is a great deal of work to be done -- the most pressing of which is the foundation. There is work that needs to be done on the foundation and floor system; the exterior of the building; the belfry and spires; window sashes and painting and restoring the outside. The total estimated cost is approximately \$100,000.00.

The \$30,000.00 requested this year would repair the foundation and secure the floor system, which presently is not in shape for all purpose use. That would cost approximately \$25,000.00. The remaining \$5,000.00 would go toward scraping, sanding and painting the building.

The Selectmen are working on having the building accepted on the National Register of Historic Places. The acceptance onto this Register could allow us up to 50% of any funds we spend toward the restoration of the building. Therefore, the Selectmen intend to hold off the biggest chunk of the work -- approximately \$70,000 -- until at least next year when we know whether we are on the Register or not and, if we are, we could get approximately 50% of that cost from the Federal Government.

The Finance Committee concurred with this article. The vote on Article 34 was affirmative.

ARTICLE 35. To see if the Town will vote to appropriate the sum of \$6,680.75 for word processing equipment for the Weare Town Offices and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

William Herman moved the adoption of Article 35 as read. The motion was seconded. Finance Committee concurred with this article. The vote was affirmative.

Charles Shaw moved to raise and appropriate the sum of \$3,500.00 to provide an additional software package for the word processing equipment. The motion was seconded and the vote affirmative.

ARTICLE 36. To see if the Town will vote to appropriate the sum of \$5,000.00 to repair town cemeteries under the direction of the Trustees of Cemeteries and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Robert Martin moved Article 36 be approved as read. The motion was seconded. The Finance Committee concurred with this article.

The vote was affirmative.

ARTICLE 37. To see if the Town will vote to appropriate the sum of \$17,600.00 to provide for handicap access to the Town Office Building and the Town Hall, and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

William Herman moved Article 37 be adopted as read. The motion was seconded. The Finance Committee concurred with this article.

The vote was affirmative.

ARTICLE 38. To see if the Town will vote to appropriate the sum of \$1,000.00 to install a suspended ceiling in a second floor meeting room in the Town Office Building and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Harold O. Hall moved the Town vote to appropriate the sum of \$1,000.00 to install a suspended ceiling and adequate lighting in a second floor meeting room in the Town Office Building and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

The motion was seconded. The Finance Committee concurred with this article.

The vote was affirmative.

ARTICLE 39. To see if the Town will vote to appropriate the sum of \$12,000.00 for professional assistance in up-dating the Master Plan and developing a five-year Capital Improvement Plan for the Town of Weare, and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Harold O. Hall moved Article 39 be accepted as read. The motion was seconded. The Finance Committee concurred with this article.

The vote was affirmative.

ARTICLE 40. To see if the Town will vote to appropriate the sum of \$5,000.00 for the construction and installation of a septic system and toilet facilities at Chase Recreational Park and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Charles Shaw moved the Town appropriate the sum of \$10,000.00 for the construction and installation of a septic system and toilet facilities at Chase Recreational Park and to authorize the withdrawal of \$5,000.00 for this purpose from the Federal Revenue Sharing Fund with the remaining \$5,000.00 to come from the Emma Sawyer Trust as allocated by the Trustees of the Trust Funds.

The motion was seconded. The Finance Committee supports this article. The vote was affirmative.

ARTICLE 41. To see if the Town will vote to appropriate the sum of \$1,200.00 to erect a spun-aluminum flagpole on the grounds of the Town Office Building and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

William Herman moved to appropriate the sum of \$700.00 to erect a steel flagpole on the grounds of the Town Office Building and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

The motion was seconded. Mr. Herman stated the Town has received an American flag from Senator Humphrey, and Governor Sununu has given the Town a State flag. The vote was affirmative.

ARTICLE 42. To see if the Town will vote to appropriate the sum of \$2,700.00 for the purchase of a conference table and eight chairs, 30 folding chairs and a four-drawer, legal-size, fire-proof file cabinet for a second floor meeting room in the Town Office Building and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Harold O. Hall moved to appropriate the sum of \$2,000.00 for the purchase of a conference table and eight chairs, 30 folding chairs and a four-drawer, legal-size, fire-proof file cabinet for a second floor meeting room in the Town Office Building and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund. The motion was seconded.

Stetson Hunt moved to amend the amount to be appropriated under Article 42 to \$1,500.00. The motion was seconded.

A standing vote on the amendment resulted in a tie vote. The Moderator broke the tie by voting against the amendment. The motion to amend the amount to \$1,500.00 failed.

A standing vote was taken on the original motion. The result of the vote: Yes - 28; No - 36. The motion failed.

Stetson Hunt then moved to appropriate \$1,700.00 under Article 42. The motion was seconded and the vote affirmative.

ARTICLE 43. To see if the Town will vote to appropriate the sum of \$2,115.00 for Town Office renovations and equipment for the Selectmens' and the Town Clerk/Tax Collector's Offices and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

William Herman moved Article 43 be adopted as read. The motion was seconded. Finance Committee supports this article. The vote was affirmative.

ARTICLE 44. To see if the Town will vote to appropriate the sum of \$1,000.00 to repair the storage vault at the Town Office Building and equip it with steel shelving, and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Harold O. Hall moved Article 44 be accepted as read. The motion was seconded. Mr. Hall stated water proofing the downstairs vault is included in this work. The Finance Committee supports this article. The vote was affirmative.

The Meeting recessed for 15 minutes at 3:05 p.m. and resumed at 3:20 p.m.

ARTICLE 45. To see if the Town will vote to adopt the following Gravel Ordinance to replace the existing ordinance adopted on March 7, 1972 and subsequently amended in 1976, 1977, 1978 and 1979:

Town of Weare Gravel Ordinance

1. No owner shall permit or conduct any excavation of earth off on his premises in the Town of Weare without first obtaining a permit.

EXCEPTIONS:

- A. Lawful construction or alteration to building, parking lots, ways, or driveways on a portion of the premises where removal occurs.
- B. Excavation that is incidental to agricultural or silva-cultural activities, normal landscaping or minor topographical adjustment.
- C. Excavation from a granite quarry.

2. PERMIT APPLICATION

A. Any owner or owners designee shall, prior to excavation of his land, apply to the Selectmen for an excavation permit. The permit shall be signed and dated by the applicant and shall contain at least the following information:

1. The name and address of the owner(s) of the land to be excavated.
2. Name and address of all abutters to the premises to which will be excavated.
3. A drawing showing:
 - (a) Description of the location and the boundaries of the proposed excavation. (Does not have to be a surveyor's description)
 - (b) The number of acres involved in the project
 - (c) Access to the excavation
 - (d) Visual barriers to public highways.
4. The breadth, depth and slope of the proposed excavation.
5. The estimated time duration of the project.
6. The elevation of the highest annual average ground water table within or next to the proposed excavation.

3. PROHIBITED PROJECTS:

A. The Selectmen shall not grant a permit:

1. Where an excavation is proposed below road level within fifty (50) feet of any highway right of way, unless such excavation is for the purpose of said highway.
2. For excavation within fifty (50) feet of the boundary of a disapproving abutter, or within ten (10) feet of the boundary of an approving abutter (in both 50' and 10' instance there must be a minimum of 1' to 1 1/2' slope toward abutters line), unless reasonable further approval is requested by said abutter.
3. When the issuance of the permit would be unduly hazardous or injurious to the public welfare.
4. Where the excavation would substantially damage a known aquifer, so designated by the United States Geological Survey.
5. When excavation is planned beneath or adjacent to inland surface waters in such a manner that a permit is required from the N.H. Water Supply and Pollution

Control Commission, the Water Resources Board, the Special Board on Dredge and Fill, or other State or Federal Agencies with jurisdiction over the premises; but the regulator may approve the application when all necessary permits have been obtained.

6. Where the project cannot comply with the restoration provisions referred to in paragraph 4A.

4. RESTORATION

A. Within twelve (12) months after the expiration date in the permit therefor or the completion of the excavation, whichever first occurs, the owner of the excavated land shall restore, or cause to be restored, the area affected by the excavation to meet each of the following minimum conditions:

1. Except for exposed rock ledge, said area shall be covered with vegetation suitable to prevent erosion and with soils suitable to sustain such vegetation. Topsoil or existing material will be saved on site for reapplication during the restoration of the excavated area.
2. Debris resulting from excavation shall be buried or removed.
3. All slopes shall be graded to natural repose for the type of soil of which they are composed.
4. The elimination of any standing bodies of water created in the excavation project as may constitute a hazard to health and safety unless the Selectmen specify different restoration.
5. Any owner shall not be forced to restore any working face within the application area, until such area of work is exhausted or the excavation permit is expired. However, the owner is responsible for the safety of any person or persons on the site.

5. APPLICATIONS FOR AMENDMENT:

A. When the size of the project changes from what is described in the original permit requested, (affecting either size or location of the excavation, the rate of removal or plan for restoration) the owner shall submit an application for amendment of his excavation permit. The application shall be subject to approval in the same manner as provided for an excavation permit.

6. HEARINGS:

A. Prior to the Selectmen approving or disapproving an application for a gravel permit or for an amended excavation permit:

1. A public hearing shall be held within thirty (30) days of such application.

2. A notice of the hearing shall be sent to all abutters by certified mail and will state:
 - a) grounds for the hearing
 - b) date, time and place of hearing.
 3. A legal notice shall be published in at least two (2) newspapers that have general circulation in the Town at least fourteen (14) days in advance of the hearing. The 14 days shall not include the day of publication nor the day of the hearing, but shall include any Saturday, Sunday or legal Holiday within said period.
 4. A notice of the hearing shall be sent by mail to the members of the Weare Planning Board and the Weare Conservation Commission.
 5. Legal notice shall be posted in at least three (3) public places in Town.
 6. An excavation fee of twenty-five (\$25.00) dollars will be paid by the applicant at time of filing.
 7. The current cost of mailing certified letters to all abutters and the publishing of legal notices in at least two newspapers will be paid by the applicant at the time of filing.
- B. Within ten (10) days of said hearing, or any continuation thereof, the Selectmen shall render a written decision approving or disapproving the application. If disapproved, the Selectmen shall state reasons for disapproval in writing.

7. ISSUANCE OF PERMIT

- A. If the Selectmen, after the public hearing, approve the application for a permit and determine it is not prohibited by this ordinance, paragraph (3) three (Prohibited Projects), they shall require:
 1. Posting of a bond, with such surety as the Selectmen shall reasonably determine, with the Town Treasurer in an amount as reasonably set by the Selectmen based on the working size of the project (not including stockpile areas or areas already leveled where excavation work is completed) but not less than five thousand (\$5,000.00) dollars to guarantee compliance with the terms of the permit.
 - (a) The bond shall not expire until eighteen (18) months following the end of the permit or any extension thereof.
- B. A copy of the permit shall be prominently posted at the excavation site or the principal access thereto.
- C. The permit shall not be assignable or transferable without the prior written consent of the Selectmen.

- D. The permit shall specify the date upon which it expires:
 - 1. Renewal issuance dates shall all be the same month, the month of December.
 - 2. Inspection date by the Selectmen should be in October.
- E. The Selectmen may include in the permit such reasonable conditions as are consistent with the purpose of this ordinance, including the provision of visual barriers to the excavation.
- F. The calling of a bond or surety which is found not to hold sufficient moneys to restore area does not, however, relieve the landowner of his obligation to comply with this ordinance. It will be the responsibility of the Selectmen to take whatever means necessary to force compliance.

8. RENEWAL OF PERMIT

- A. All valid gravel permits issued by the Town of Weare shall expire on December 31st in the year in which it was issued. The date of expiration shall appear on the permit.
- B. The Board of Selectmen may renew any existing permit following:
 - 1. The filing of a renewal permit application with the Selectmen's Office complete with a \$10.00 fee by October 1.
 - 2. The Selectmen shall inspect the specified gravel pit by October 30 to check on the operation and order any necessary work to be completed by December 31 in order to be in compliance with the terms of the ordinance.
 - 3. The Selectmen determine the extent of the work being performed on the site is outlined in the applications already filed with the Selectmen's Office.
- C. Should the Board of Selectmen for any reason deem a renewal of the permit was not in the best interests of the Town of Weare, they will notify the applicant in writing by December 31 stating their reasons for denial and will refund the \$10:00 renewal fee.

9. VIOLATIONS OF ORDINANCE

- A. The Board of Selectmen shall issue cease and desist orders against any operator if he is found to be in violation of any terms of this ordinance. The order shall remain in effect until the violation is corrected.
- B. If a violation is cited by the Board of Selectmen and a cease and desist order is issued, any continuation of the violation shall be subject to a \$100 per day fine to be imposed by the Board of Selectmen. Each day the

violations continue shall be deemed as a separate offense.

C. Any cease and desist order issued by the Selectmen shall take effect for the purpose of this ordinance on the date it is issued and shall be served by either certified mail or by a law enforcement officer.

D. The Selectmen may recover any fines due upon application to a court with appropriate jurisdiction.

10. EXISTING OPERATIONS

Excavation operations in actual operation on the effective date of this ordinance shall be entitled to a permit upon request without having to comply with the procedures herein; said permit shall expire on December 31 of the calendar year following the year of enactment of this ordinance.

11. PRIOR ORDINANCES

To the extent any prior ordinance is inconsistent with the provisions hereof, said prior ordinance is repealed.

12. EFFECTIVE DATE

This ordinance shall be effective upon passage by the voters of the Town of Weare and upon publication of notice of same in a paper of general circulation in Weare and upon filing a copy with the Town Clerk.

Harold O. Hall moved to waive the reading of Article 45 in its' entirety. The motion was seconded and the vote affirmative.

William Herman moved the adoption of Article 45 as printed. The motion was seconded.

Mr. Herman stated this ordinance is the result of about 6 months of meetings between the Selectmen and most of the current gravel permit holders.

During discussion, Burton Brown stated he opposed the new ordinance and was in favor of keeping the current ordinance. Larry Bose spoke in favor of adopting th new ordinance.

Walter Brennan moved to dismiss Article 45. The motion was seconded. The vote on the dismissal: Yes - 35; No - 34. A request for a recount was made. The result of the recount is as follows: Yes - 33; No - 37. The motion failed.

Discussion continued on the article. Eldon Townes spoke in favor of the new ordinance. Robert Munro moved the question. The motion was seconded and the vote affirmative.

The vote on Article 45 was affirmative.

ARTICLE 46. To see if the Town will appropriate the sum of \$750.00 to help Senior Citizen activities for the year 1985.

Robert Munro moved Article 46 be accepted as read. The motion was seconded.

Harold O. Hall stated this money was raised under Article 5 under Parks and Recreation.

Stetson Hunt moved to dismiss Article 46. The motion was seconded and the vote affirmative. Article 46 was dismissed.

ARTICLE 47. To see if the Town will vote to raise and appropriate the sum of \$2,861.00 for the purpose of subsidizing the cost of services provided by the Contoocook Valley Counseling Center to Weare residents needing financial assistance.

Margaret Wood moved Article 47 be approved as read. The motion was seconded. Finance Committee concurred with the article.

The vote was affirmative.

ARTICLE 48. To see if the Town will vote to raise and appropriate the sum of \$6,000.00 to reshingle the roof of the Town Office Building, or to take any other action in relation thereto.

William Herman moved to appropriate the sum of \$6,000.00 from the Emma Sawyer Trust as allocated by the Trustees of the Trust Funds to reshingle the roof of the Town Office Building. The motion was seconded. Finance Committee concurred with the article.

The vote was affirmative.

ARTICLE 49. To see if the Town will vote to appropriate the sum of \$2,500.00 from the Town Forest Account for the purpose of constructing access roadways within the Felch Farm Town Forest.

Paul Doscher moved the article be accepted as read. The motion was seconded. Finance Committee supported the article. The vote was affirmative.

ARTICLE 50. To see if the Town agrees to participate in the National Flood Insurance Program (NFIP) by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.

William Herman moved the adoption of Article 50 as read. The motion was seconded and the vote affirmative.

ARTICLE 51. To see if the Town agrees to adopt the following Resolution which is required to establish eligibility to participate in the National Flood Insurance Program.

RESOLUTION

WHEREAS, certain areas of the Town of Weare are subject to periodic flooding from streams, brooks, rivers, ponds, etc. causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Town Meeting to require the recognition and evaluation of flood hazards in all official actions relating to land use in the floodplain areas having special flood hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to New Hampshire RSA Chapters 672, 673, 674, 675, 676, and 677.

NOW THEREFORE, BE IT RESOLVED, That this Town Meeting hereby:

1. Assures the NFIP that it will enact and maintain in force for those areas having flood hazards, as delineated by the Flood Hazard Boundary Map issued by the NFIP dated February 14, 1975 and any published revision to this map, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations and

2. Vests the Board of Selectmen with the responsibility, authority, and means to:

(a) Assist the Administrator, at his request, in his delineation of the limits of the area having special flood hazards.

(b) Provide such information as the Administrator may request concerning present uses and occupancy of the floodplain areas.

(c) Cooperate with Federal, State and local agencies and private firms which undertake to study, survey, map and identify floodplain areas and cooperate with neighboring municipalities with respect to management of adjoining floodplain areas in order to prevent aggravation of existing hazards.

(d) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the Town in the development and implementation of floodplain management measures.

(e) Upon occurrence, notify the Administrator in writing whenever the boundaries of the community have been modified by annexation or the community has otherwise assumed or no longer has authority to adopt and enforce floodplain management regulations for a particular area. In order that all Flood Hazard Boundary Maps and Flood Insurance Rate Maps accurately represent the community's boundaries, include within such notification a copy of a map of the community suitable for reproduction, clearly delineating the new corporate limits or new area for which the community has assumed or relinquished floodplain management regulatory authority.

3. Appoints the Board of Selectmen to maintain for public inspection and to furnish upon request, for the determination of applicable flood insurance risk premium rates within all areas having special flood hazards identified on a Flood Hazard Boundary Map or Flood Insurance Rate Map, any certification of flood-proofing, and information on the elevation (in relation to mean sea level) of the level of the lowest habitable floor (including basement if habitable) of all new or substantially improved structures, and include whether or

not such structures contain a basement, and if the structure has been floodproofed, the elevation (in relation to mean sea level) to which the structure was floodproofed.

4. Agrees to take such other official action as may be reasonably necessary to carry out the objectives of the program.

William Herman moved to waive the reading of this article in its' entirety. The motion was seconded and the vote affirmative.

William Herman moved to adopt Article 51 as printed. The motion was seconded and the vote affirmative.

ARTICLE 52. To see if the Town will vote to accept funds from the Weare Bicentennial Fund for purposes of creating the Weare Tricentennial Trust Fund, to be held by the Trustees of Trust Funds for purposes of celebrating Weare's 300th Anniversary in 2064. Both principal and interest may be expended for the purposes of the trust fund as created.

William Herman moved the adoption of Article 52 as read. The motion was seconded.

Mr. Herman stated there is \$1,856.00 in this account -- which was the Old Home Day account.

The vote was affirmative and the funds were accepted.

ARTICLE 53. To see if the Town will reaffirm its March 6, 1973 vote concerning the creation of a Historic District Committee or to take any other action in relation thereto.

William Herman moved the adoption of Article 53 as read. The motion was seconded.

Donald Myhr moved to abolish the Historic District Committee in a substitute motion. The motion was seconded and the vote affirmative. The Historic District Committee was abolished.

ARTICLE 54. To see if the Town will receive the report of the Semi-Annual Tax Collection Committee or to take any other action in relation thereto.

William Herman moved that the Town accept the report of the Semi-Annual Tax Collection Committee as printed in the Town Report. The motion was seconded and the vote affirmative.

ARTICLE 55. To see if the Town will vote to call upon its elected representatives in the United States Congress to strongly support continuation of the Federal Revenue Sharing Funds Program for the continued benefit and improvement of the Town of Weare and her sister communities nationwide. Realizing the need to get the federal budget deficit under control, the Town of Weare would further urge the congress to reduce the level of funding to the program instead of its total elimination.

William Herman moved to dismiss Article 55. The motion was seconded and the vote affirmative.

ARTICLE 56. To see if the voters will vote to adopt the following ordinance:

"It shall be unlawful for any person to engage in electioneering on any public property within 500 feet of the Town Hall for and during any election. The American Legion Post and its environs are considered public property for the purpose of this Ordinance. Electioneering includes sheet and pamphlet distribution; signs inserted into the ground; signs attached to vehicles stopped or parked within 500 feet of the polling place and any audio system.

A breach of this Ordinance is a Violation punishable by a \$50.00 fine for each offense."

Harold O. Hall moved to dismiss Article 56. The motion was seconded and the vote affirmative.

ARTICLE 57. To see if the Town will vote in favor of continuing the recent practice of holding the business portion of the Town Meeting on a Saturday or to take any other action in relation thereto.

Harold O. Hall moved to accept Article 57 as read. The motion was seconded.

Paul Doscher moved to amend Article 57 by adding the following: "and to urge the Selectmen to seek ways to reduce the length of the warrant in future years to encourage greater attendance by voters and reduce the length of the meeting."

The motion to amend was seconded. The vote on the amendment was affirmative.

The vote on the article as amended was affirmative.

ARTICLE 58. To see if the Town will authorize the Selectmen to hire independent public accountants to perform the financial audit of the town records for the year ending December 31, 1985, and also a compliance audit required of Federal Revenue Sharing Funds.

Harold O. Hall moved to accept Article 58 as read. The motion was seconded and the vote affirmative.

ARTICLE 59. To see if the Town will vote to appropriate a sum not to exceed \$10,000.00, said sum to represent a town contribution not to exceed \$5,000.00 and a matching grant from the State of New Hampshire for the construction of a playground area, and equipment for same, plus paving and landscaping at Chase Park.

Charles Shaw moved the Town appropriate the sum of \$5,000.00 from the Emma Sawyer Trust as allocated by the Trustees of the Trust Funds for the construction of a playground area, and equipment for same, plus paving and landscaping at Chase Recreational Park.

The motion was seconded. The Finance Committee concurred with the article.

Robert Munro, a Trustee of the Trust Funds, stated the Trustees felt these would be matching funds. He stated he felt this article should be voted down.

Stetson Hunt moved to dismiss Article 59. The motion was seconded and the vote affirmative. Article 59 was dismissed.

ARTICLE 60. To see if the Town will vote to convey to Gerard P. Schaumberg a certain tract or parcel of land in said Weare known as the land in South Division, containing about 65 acres, said conveyance to condition upon payment by said Gerard P. Schaumberg of all taxes and costs incidental to a prior conveyance by the Collector of Taxes for the Town of Weare to the Town of Weare.

William Herman moved to adopt Article 60 as read. The motion was seconded.

The Moderator asked the Meeting to allow Mr. Schaumberg to speak on this article. There was one objection from a member of the meeting and Mr. Schaumberg was not allowed to speak.

The vote on Article 60 was negative. The article failed.

ARTICLE 61. To see if the Town will raise and appropriate the sum of \$780.50 to replace money the Weare Public Library may be required to turn back to the Town. \$780.50 was originally raised by the Library through the sale of miscellaneous items and books (some bequeathed to the Library by Mildred Hood) and if replaced, will go toward the purchase of a photocopy machine or books.

Bess Myhr moved to dismiss Article 61. The motion was seconded and the vote affirmative. The article was dismissed.

ARTICLE 62. To transact any other business which may legally come before this meeting.

Douglas Hatfield expressed his thanks to the Selectmen, past and present, for their support during his tenure as Town Counsel. Mr. Hatfield received a round of applause from the Meeting.

A motion was made and seconded to adjourn the meeting with a standing ovation for the Moderator and the Finance Committee.

The meeting adjourned at 5:10 p.m. After the adjournment, the following officers were given the oath of office by the Moderator: Harold O. Hall, Selectman; Daniel Corsetti, Jr., Auditor; Sheila Bourbeau, Overseer of Public Welfare; Terry Knowles, Cemetery Trustee; Dorthea O'Neil, Library Trustee.

The following officers were given the oath of office by the Town Clerk during the week following the Town Meeting: Raymond Eaton, Sr., Trustee of Trust Funds and Member of Board of Fire Wards - Member of Fire Department; Wilfred Foote, Sr., Road Agent and James Spring, Member of Board of Fire Wards - Non-Member of Fire Department.

Beverly M..Herman
Town Clerk

RECORD OF SPECIAL TOWN MEETING

June 20, 1985

The Special Town Meeting, held at the Town Hall, was called to order by the Moderator, Neal Kurk, at 7:31 p.m. The pledge of allegiance to the flag was led by Selectman Renny Azotea.

The Moderator stated the Special Meeting was posted at the Weare Town Hall and the Weare Post Office as well as copies posted at the various stores in town, the Library and the school. Notices were published in the Concord Monitor on June 12 and on June 13 in both the Goffstown News and the Hillsboro Messenger.

The Moderator stated the rules of order for conduct of the meeting and announced that no articles to raise and appropriate money would be considered tonight. By the same token, no amendments having to do with the raising of money would be recognized.

The Moderator stated there were three people present who might wish to speak to the Meeting. They are: Robert Bosse, Town Counsel; Ronald Ford of the Concord Public Works Department and Charles Nelson of DuBois & King engineering firm. There were no objections to hearing from any of these individuals during the Meeting.

William Herman moved the reading of the warrant in its' entirety be waived at this time. The motion was seconded and the vote affirmative.

ARTICLE 1. To see if the Town will vote to authorize the Board of Selectmen on behalf of the Town to enter into a cooperative agreement, pursuant to RSA Chapter 53-A, for the purpose of joining together towns and cities in a joint and cooperative effort for the disposal of solid waste in a manner which will meet federal and state regulations and for the economical and efficient recovery of energy from said solid waste disposal. The Cooperative to be formed under the cooperative agreement will be designated the "Concord Regional Solid Waste/Resources Recovery Cooperaitive". A copy of the current draft of the proposed cooperative agreement is posted with the warrant and is available at town offices during normal business hours. The Board of Selectmen is specifically authorized on behalf of the Town (a) to execute and deliver the cooperative agreement (with such changes therein from the posted agreement as the Board of Selectmen shall approve, such approval to be conclusively evidenced by the Board of Selectmen's execution thereof) and such other instruments, documents, and agreements as the Board of Selectmen may deem necessary or desirable in furtherance of the purposes of the cooperative agreement; (b) to cause to be performed all obligations which may from time to time be required pursuant to the terms of the cooperative agreement; and (c) to take action thereto.

William Herman moved Article 1 be accepted as read. The motion was seconded.

After an explanation and discussion period, the vote was taken on Article 1. The vote was affirmative. The Moderator stated for the record that the vote was unanimous.

ARTICLE 2. To see if the Town will vote to authorize the Board of Selectmen to plan for the implementation of a Resource Recovery Program (recycling) for the Town of Weare or to take any other action in relation thereto.

Harold O. Hall moved Article 2 be accepted as read. The motion was seconded. The vote on Article 2 was affirmative. The Moderator stated for the record that the vote was unanimous.

ARTICLE 3. To see if the Town will vote to accept the Quaker Cemetery Trust Fund and the Joseph Stone Trust Fund.

Renaldo Azotea moved Article 3 be accepted as read. The motion was seconded.

Barbara Osborne moved to amend Article 3 by striking out the words "and the Joseph Stone Trust Fund". The motion was seconded.

The vote on the amendment was affirmative.

The vote on Article 3 as amended was affirmative.

ARTICLE 4. To see if the Town will vote to adopt the following ordinance governing the designation and management of the Town Forest Properties, and the maintenance of the Weare Town Forests Account all in accordance with the provisions of RSA 31:110-114. The Town Meeting hereby rescinds previous actions dealing with the Town Forests and Forestry Account taken at Town Meetings of 1953 (Article 25), 1962 (Article 21), 1970 (Article 18), 1976 (Article 31 as amended), 1977 (Article 46), 1978 (Article 47 as amended), and 1979 (Articles 39 and 40).

WEARE TOWN FORESTS AND WEARE SPECIAL
FOREST MAINTENANCE FUND

I. Weare Town Forests

A. Designation of Property

1. The Town of Weare has designated the so-called Poor Farm properties - Tax Map #10, Lots #1563 (105.12 acres), #1564 (32 acres) and #2505 (19.30 acres), Felch Farm property - Tax Map #3, Lot 1329 (664.52 acres), and the so-called Schaumberg property - Tax Map #7, Lot #2937 (5 acres) and part of Lot #1577 (60 acres) as Town Forest properties in accordance with RSA 31:110, thereby holding them as open space assets in public interest.
2. Hereafter, lands held as Town property may be added to the Town Forest Properties by a majority vote of designation by the Board of Selectmen after consultation with the Conservation Commission.

B. Restriction of Property

1. The Town Forest Properties shall not be rented, leased or sold, in whole or in part, for private development or use without the express permission of an annual or Special Town Meeting.

C. Forestry Management

1. The Conservation Commission is hereby designated as the manager of the Weare Town Forests. The expenses of the program will be disbursed upon approval of the Board of Selectmen.
2. The Conservation Commission shall prepare and maintain a plan for forest management of the Town Forest Properties and shall have as its main purpose the encouragement of proper management of timber, firewood and other natural resources through planting, timber stand improvements, thinning, harvesting, reforestation and other multiple use programs.
3. The Conservation Commission may request the Director of Forest and Lands, Department of Resources and Economic Development, for assistance.

II. Weare Special Forest Maintenance Fund

A. Establishment of Account

1. The Town Treasurer shall be directed to maintain an account for monies raised and appropriated by the Town of Weare or for proceeds received by the Town of Weare due to the implementation of the Town Forest Management Program, and the account shall be known as the Weare Special Forest Maintenance Fund, all in accordance with RSA 31:113.
2. The expenses of the Weare Special Forest Maintenance Fund will be disbursed upon the approval of the Board of Selectmen.
3. The funds contained in the Weare Special Forest Maintenance Fund shall be allowed to accumulate from year to year, unless otherwise voted by any special or annual town meeting.

William Herman moved Article 4 be accepted as read. The motion was seconded.

Paul Doscher moved to amend Article 4 by adding the words "after consultation with the Conservation Commission" at the end of Paragraph II:A-2. The motion was seconded.

The vote on the amendment was affirmative.

The vote on Article 4 as amended was affirmative. The Moderator stated for the record that the votes on the amendment and the article as amended were both unanimous votes.

5. To transact any other business which may legally come before this meeting.

A motion was made and seconded to adjourn the meeting. The meeting adjourned at 8:55 p.m.

Beverly M. Herman, Town Clerk

D. E. Thomson, Treasurer
Town of Weare

AUDITORS REPORT FOR 1985

The Auditors review of the records and financial reports of the Town of Weare produced the following:

The accounts and financial report of the Trustees of the Trust Funds were not available and the material presented for audit was insufficient. Therefore, no opinion as to their correctness is given.

As of the date of this report (February 14, 1986) the records of the general fund had not been prepared and submitted for audit. We, therefore, offer no opinion as to the correctness of the general fund balance for the period ending December 31, 1985.

The Federal Revenue Sharing account as prepared by the Selectmen's office appears to fairly represent the transactions of said account for the period ending December 31, 1985. The ending balance shown in this account will be adjusted by the Treasurer during 1986 to reflect the ending balance as shown on the Selectmen's report.

The other special accounts of the Town of Weare have been reviewed and in our opinion appear to fairly represent the transactions of the Town for the period ending December 31, 1985.

Robert G. Hatfield
Marilyn B. Perkins
Daniel R. Corsetti, Jr.
Town of Weare Auditors

TOWN CLERK

This is to certify that we have audited the records of the Town Clerk, Town of Weare, New Hampshire and in our opinion they present fairly the transactions of said Town Clerk for the period ending December 31, 1985.

ANIMAL CONTROL OFFICER'S REPORT 1985

On March 23, 1981, the Selectmen appointed a Dog Officer for the purpose of picking up stray (unlicensed) dogs. During the year 1985, approximately 170 calls were received by the Officer pertaining to animal problems: lost and found, complaints, pickups and general information. All complaint calls were directed to the Police Department.

A total of 35 dogs were picked up during 1985: 22 were transported to the Animal Rescue League after attempts to find their owners proved negative, 2 were transported to animal hospitals for treatment and then to the Animal Rescue League, one was injured and transported to Russell Animal Hospital, 4 were deceased and 6 were retrieved by their owners.

As a service to the community, the Dog Officer also conducts a Lost and Found Service.

Respectfully submitted,

Don Rogers
Animal Control Officer

CIVIL DEFENSE REPORT

Weare Civil Defense was activated for one emergency this year, Hurricane Gloria. The Civil Defense was assisted by the Fire Department in evacuating the trailer parks, for which I would like to thank Chief Rhodenizer and the men of the Weare Fire Department.

The threat of a possible disaster due to the Hurricane brings to mind the importance of a prepared Civil Defense. After reviewing this incident, we found our Department lacking in several areas, namely communications and equipment. I will be attempting to remedy these shortcomings in the future.

We mourn the passing of Mr. Edgar Hunt, Weare's Civil Defense Director, and remember his contributions to the Town. He had a strong belief in a properly prepared Civil Defense, and we hope to continue with his endeavors.

Respectfully submitted,

Larry Damour
Civil Defense Director

REPORT OF BOARD OF FIRE WARDS

The year 1985 put a strain on the Fire Department budget. The water tank in Engine 4 started to leak. After trying to repair the leak, the decision was made to have the tank replaced and body work done to the compartments around the tank at a cost of six thousand dollars (\$6,000). With not enough money in the budget to do this job, the Trustees of the Trust Funds were contacted and they offered twenty five hundred dollars (\$2,500) to help defray this cost. Thanks, to the Trustees.

We also had transmission problems with the 1980 Ford at an additional cost of sixteen hundred dollars (\$1,600). We tried, with no success, to recover this cost from the Ford Motor Company.

Two new insulated doors have been installed and the new heating system is in place. Both seem to be working much more efficiently.

During 1985, with the rapid building growth that has hit the Town of Weare, the Board of Fire Wards has arrived at a plan for fire protection in subdivisions without additional cost to the taxpayers of the Town. We recommend that the developer of subdivisions of five lots or more install a cistern of 30,000 gallons of water at a distance not to exceed 2,000 feet from the farthest dwelling, that the cistern be installed before the fifth lot is sold, and an easement to the land be given to the Town of Weare for the maintenance of the cistern. Possibly, the construction of a pond would also be considered. Hopefully, this will help in keeping the Weare Fire Department a volunteer department for a few more years. Other Towns are also in the process of making these same basic requirements for subdivisions where rapid growth is taking place.

This year, we are recommending that the Town of Weare purchase a new fire truck. The Town has six fire trucks; three of these trucks are twenty-five years old, or older. We feel that the purchase of a new truck is most important for the protection of life and property to the taxpayers of the Town.

Any input, from the taxpayers of the Town, with a solution as to how to keep up with the rapid growth the Town is experiencing and still operate with a volunteer department will be very helpful.

Respectfully submitted,

Gordon C. Brown
Chairman
Board of Fire Wards

CONCORD REGIONAL VISITING NURSE ASSOCIATION
8 Loudon Road
Concord, New Hampshire 03301

Annual Report of the Town of Weare, New Hampshire

The Concord Regional Visiting Nurse Association, Inc. continued to service Weare for this past year. In the Home Care Program, service is provided under a physician's plan of treatment to patients who are essentially homebound with diagnosed illness. This service is rendered by health professionals (Registered Nurses, Physical Therapist, Occupational Therapist, Speech Therapist, Nutritionist) and paraprofessionals, (Homemaker/Home Health Aides, Home Assistants) according to the patient's and family's needs. Hospice care is provided to patients in the last six months of a terminal illness. The Health Promotion Program has services (child health, family planning, screening) that are provided to low income/high risk patients and families in group settings, such as clinic and screening sites.

Health Education and Instruction is part of each home visit or clinic visit.

Anyone in Weare may request service; patient, doctor, health facility, pastor, friend or neighbor. Patients are also referred by other agencies. All requests are answered, but continuing home care can be provided only with a physician's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8 a.m. and 7 p.m, seven days a week is all that is necessary to start services or make inquiries. Hospice staff are on call (224-4093) 7 p.m. to 8 a.m.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for those unable to pay the charge if that person has no other funding source available. However, for fee scaling, federal regulations require a financial statement be completed and a fee appropriate for which the patient will be responsible. Town monies subsidize those visits that are scaled or that no fee is collectible.

This agency is accredited by the National League for Nursing and American Public Health Association Certified for Medicare and is a member agency of Home Care Association of New Hampshire, United Way of Merrimack County, and National Association for Home Care.

Visits made during the year beginning October 1, 1984 to September 30, 1985 were:

	<u>No. of Clients</u>	<u>Visits</u>
Home Care	29	492
Health Promotion	43	128

Development:

As the growth curve for the Town spirals ever upward, more and more pressure is being put upon the land to absorb new homes in subdivisions small and large. At least 70% of the soils across the Town will support various types of development. 10% of the remaining soils should be analyzed carefully before being developed. The 20% left is soils which should not be subjected to development.

Newly created in 1985 was an on-site review process of each subdivision proposed as offered before the Weare Planning Board. This Commission's role in the process is to determine if critical soils or unique natural areas could be threatened by possible development. Each review necessitates a personal visit to the subdivision. Roughly 250 hours of on-site time has been devoted to this work and an additional 50 hours given to writing detailed reports of the findings. When subdivision lots contain a high percentage of critical soils, it is usually recommended that such areas be retained as open space within the development. To leave such areas undisturbed seldom reduces the developable land area to any serious economic disadvantage. What such an approach does is to protect our valuable surface and groundwaters, and our special natural areas, from degradation.

The finer details of this coordinated effort will continue to be worked on throughout 1986.

A Major Setback:

Lake Horace Marsh State Level Hearing: In July a hearing before the State Water Resources Board was called by this Commission. The purpose of the hearing was to try to bring about a better understanding as to the serious environmental damage caused throughout Lake Horace Marsh as a result of the Lake Horace Land Owners Association's insistence upon lowering the lake level in October and refilling it again each June. The primary reason given for the water level action is to protect water front docks.

In 1983, Weare voters wisely designated Lake Horace Marsh as New Hampshire's first Prime Wetland. They realized the important role the marsh plays in insuring constant high water quality in the lake and downstream in the Piscataquog River. It was, therefore, a major disappointment to have the N.H. Water Resources Board rule in favor of dock protection over the health of Weare's largest and most important wetland.

Town Forest:

In June, Robert Reeve accepted the challenge of directing forestry management throughout Weare's forest holdings. Selective cutting for forest stand improvement continued in 1985. The current cut is being completed with horse loggers, however, despite this Commission's desire to continue with horse logging ways, it is obvious that this method must give way to more economical practices.

During 1985, this Commission has been discussing ways to effectively utilize those monies gained for the Town from timber harvests. A warrant article to this end will be offered to the voters in 1986. Forest Walks: Several guided Town Forest Walks were conducted for local groups, among them the Weare Historical Society and several school classes. Trail #1 is well marked and features a wide variety of forest lore in its one mile course.

Ferrin Pond:

After three years of delay, the access roadway to Ferrin Pond in South Weare has been redesignated from a Class VI highway to a foot path by edict of the State's Attorney General's Office. The access road and the pond's environment has been badly abused over the past several years. Part of the road bed has already eroded into an unsightly gully. Preventative maintenance is needed to stop the erosion and to make the area an attractive public way for people on foot. Currently, Ferrin Pond is a gathering place for party goers who have little regard for the beauty and critical nature of the highest pond in Hillsborough County. This Commission is seeking ways to fund this important conservation and recreation effort.

Corliss Cemetery:

Through efforts of Terry Knowles and Robert Martin, and through the use of monies redirected from the Junior Historical Society, this Commission was able to secure funding and complete the restoration of the Corliss Cemetery, the Town's oldest. Ancient grave markers were secured, an inscription etched in a large boulder, granite posts set and the plot enclosed. With the remaining funds, it is planned to restore the Felch Tomb, which is located in the Felch Farm Town Forest.

Conservation Commission meetings are held regularly on the 2nd Tuesday of each month, 7:30 P.M., Town Office Building.

Members: Paul Doscher, Forrest Esenwine, Harold Hall, Robert Reeve, Gordon Russell and Alicia Walker.

FIRE DEPARTMENT REPORT FOR 1985

During the year of 1985, the "Red Network" received 681 calls. These are broken down into the following types of calls:

Rescue Calls	161
Information	232
Car Fires	12
Chimney Fires	18
Wrong Numbers	97
Police Calls	32
Building Fires	8
Fire Permits	53
Wires Down	8
Mutual Aid	13
Brush Fires	25
Smoke Investigations	9
False Alarms	3
Fire Drills (Schools)	18

These calls are on "Red Network" only. They do not reflect calls made by radio, police phone, town phone, or other towns.

At the request of the Board of Selectmen, a study committee was set up by the State Fire Marshal's Office consisting of the Tom Dawson, State Fire Marshal; Barry Bush, Head of Fire Standard Training and Bill Towland, Exeter Fire Chief, to study the general operation of the Weare Fire Department.

A. Equipment

This past year, the Weare Fire Department added to its equipment the following items:

- 20 pair of cold weather boots
- 300 feet of 4-inch hose
- 200 feet of 1 3/4 fire hose
- 2 30-minute aluminum self-contained breathing tanks
- 4 firefighting coats
- 10 firefighting helmets
- 4 pair Bunker pants
- 800 feet of 2 1/2-inch (used) firefighting hose at 25 cents/foot
- 400 feet of 1 1/2-inch (used) firefighting hose at 50 cents/foot

In addition, there were numerous smaller items of new equipment purchased through the Mutual Aid Bid List which saved the Town money.

B. Repairs and Alterations to Trucks

- 75M5 - rebuilt transmission
- 75M4 - new water tank, plus had the inside of body sand-blasted and painted to stop rusting
- 75M4 - a battery charger/conditioner was purchased and installed so the battery will always be in a ready state during emergencies

Engines 1, 4, 5 and Tanker I were rustproofed by a hot oiling process at Wilson's Hot Oiling of Deering. We hope that this will enhance the body life of the trucks.

Twice a year at inspection time, all vehicles are taken to the Goffstown Truck Center for a thorough inspection, including grease jobs, oil change, and a complete check-up of all working parts.

C. Inspections

All Town buildings were inspected by a State Fire Inspector from the State Fire Marshal's Office. All deficiencies were noted and are in the process of being upgraded.

D. Support

The Fire Department would like to thank the Fire Auxiliary for its continuing support, the American Legion for their help, the Highway Department for their continued help and the Police Department for their assistance at fires. In closing, we would like to thank the Townspeople for their continued support in making the Wear Fire Department a department they can be proud of.

REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER

Between July 1984 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of state timber harvest regulations is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

FOREST FIRE STATISTICS - 1985

Number Fires Statewide	1,605
Acres Burned Statewide	1,580
Cost of Suppression	\$246,017
District	150

HIGHWAY DEPARTMENT REPORT 1985

The Highway Department purchased the following equipment, which was paid for by the sale of surplus equipment: three (3) used dump trucks, plow frames, wings and a 4-WD pickup truck from the State. We also sold the old grader and purchased a newer one from the same fund.

We purchased, through bid, a new Ford 4-WD cab/chassis with plow, using Revenue Sharing Funds.

The Department is presently self-sufficient, except for a loader, backhoe and chainsaws. When an emergency arises, we use/hire any outside equipment available, so as to maintain safety in the Town. This includes closing sections of roads and rerouting.

We've had requests from the Selectmen for speed limit and no parking signs which were not budgeted. They were put up in hopes the Police Department would keep an eye on them, so that they are not constantly being replaced; thereby adding additional costs to the Town.

The Department has done its share of road grading and raking constantly, trying to cope with the dust this summer. Regular duties of the Department consist of ditch cleaning, culvert cleaning, tree and brush removal, graveling, repairing wash outs, plowing, sanding and road building, bridge repair, equipment repair, signs and whatever else is asked of them; including fill in at the Landfill. Presently, we are not budgeted to have full-time mechanics in the shop. It would take at least two (2) men to keep up with the workload. Right now, all employees that drive are required to help maintain the equipment.

Projects for the year:

River Road (Clough Park Section): On Hold; awaiting settlement of government section.

Quaker Street: Was completely redone and tarred from Route 114 to Drewry's Hill.

Five Year Road Program:

Colby Road: The ravine was culverted, road widened and filled in and graveled; also excavated and blasted in sections.

Old Barnard Hill Road: From Lewis Farm to the bridge - blasted, excavated, removed trees, widened and hauled gravel. It still needs more work to be completed.

Poor Farm Road: Extensive amount of work was done to long muddy stretches and dangerous hill. Culverts were replaced and extended; road excavated, widened and graveled. This road is almost complete.

Breed Hill (Peaslee): Ongoing from previous years; finished and tarred this year.

River Road from Route 77: Ongoing until complete; was resurfaced almost to the first bridge.

Road Sealing Fund was used on Breed Hill, River Road, Quaker Street and sections of East Street and Reservoir Drive.

The year went by quickly. Everytime I went on the road, another house seemed to be put up. This meant a change in service in that area to compensate for the growth.

With construction going on all around Town, driveway permits were constant.

Hiring of a backhoe: We were put "on the waiting list" for the first time ever. This made it difficult to schedule and complete some jobs.

The whole Department had a busy year. We tried to keep everything under control in the best interest of the public.

Respectfully submitted,

Wilfred Foote, Sr.
Road Agent

REPORT OF THE OVERSEER OF PUBLIC WELFARE

In 1985 a small percentage of the population of the Town of Weare, approximately one percent, suffered a lack of the wherewithal to meet their basic needs.

The cause was, in the main, extreme medical emergencies.

Our country, state and county have programs in place to fill those needs, but the mechanism of their systems leaves a time gap which necessitates, by law, Town relief to fill the gap.

The people who work for these agencies are very helpful in trying to expedite the complicated assistance mechanism. Their help often saved the Town of Weare money; so did the aid of the Community.

With understanding and compassion, Town officials, service organizations, friends and neighbors, even those who themselves were helped, by word and deed offered help, gratefully received.

This neighborliness of Weare itself leaves us hope for less need in the year to come.

Respectfully submitted,

Sheila Bourbeau
Overseer of Public Welfare

PARKS AND RECREATION COMMISSION
1985 ANNUAL REPORT

Chase Park has had another successful season. Many residents, who enjoyed the park, expressed their satisfaction with the facilities.

The Snack Bar was open for the entire season for the convenience of the patrons and it was able to show a substantial profit which added to the Park revenues.

A septic system was installed as planned but the building to house the toilet facilities will not be installed until Spring 1986, at which time the final seeding over the septic system will be completed. This was a big project but one that will enhance the Park and provide a good sanitation system.

Future goals for 1986 include:

Removing the present diving platform, which is a hazard, and placing the board on a raft in deep water.

Installing a volleyball area over the septic system.

Providing anti-erosion measures and site improvement.

The Commission would like to thank all the Weare citizens, especially the Boy Scouts and Girl Scouts, who have helped to keep Chase Park a place to be proud of.

Respectfully submitted,

Carole Nevins, Chairman
Marjorie Chapman
Nancy Taylor
Malcolm Purington
Walter Knox, III
Alfred Betts, Jr.
William G. Herman, Ex-officio

The income earned is net of BankEast Trust Company's fee of \$3,155.26 and out-of-pocket expense of \$293.75 for the preparation of the annual report for the year end 12/31/84. The charge for the preparation of the annual report for the year end 12/31/85 will be netted against income earned during 1986.

WEARE POLICE REPORT 1985

During 1985, the Chiefs of Police Association for the State of New Hampshire completed a study of the needs of the Town of Weare in regards to police protection and recommended that the Town hire a full-time police chief. A local study committee was appointed by the Board of Selectmen to finish the study where the Chiefs Association left off, and to make recommendations as to the feasibility of hiring a full-time Chief of Police or any other recommendations pertaining to police protection for the Town. I am not aware of any recommendations from this committee at this time.

During the year, approximately 3,200 calls were received by the police dispatcher. A number of these were for information and were handled directly by the dispatcher on duty. Some other calls were the type that could be delayed until a local officer was available. Only 41, or approximately 1.3% of the calls, were received at a time when no local officer was available; therefore, State Police assistance was requested. Other calls for assistance were made to State Police without going through our local dispatch.

Three officers are no longer active with the department and we have gained only one new experienced man. To provide more efficient and better service we still need two or three part-time officers who would be available to work evenings and weekends.

Training during 1985 consisted of all but one of our officers completing a course in the latest method of detecting DWI offenders. One officer completed a firearms refresher course sponsored by the State of New Hampshire Police Standards and Training Council. All members of the department are currently certified by the State of New Hampshire as part-time officers.

An article has been included in the budget this year for a maximum of \$3,000.00 for a record keeping computer system. An improved record system was recommended in the Chiefs Study. Also this computer can help establish trends in crime, accidents and help identify trouble spots in crime prevention.

An article for a radar unit has also been included in the budget request for 1986 as we have found by using the one purchased by the men of the department we have been able to decrease the number of accidents, and in particular the fatal accidents. The Highway Safety Commission has money available on a matching basis for radar units.

A replacement cruiser is needed this year, as the present unit has over 75,000 miles on it and is four years old. This unit should be kept for emergencies for limited use when the new unit is out of service and could be used at serious accidents or fires to help protect the scene.

More programs at the school are planned for 1986 with a program on drugs already underway. Another session of fingerprinting is available for school children similar to the one we previously held upon request.

The Department would appreciate any comments you may have to help improve the services provided and at the same time striving to maintain a budget we can all live with as taxpayers.

Respectfully submitted,

D. E. Thomson, Chief

REPORT OF THE PLANNING BOARD

1985 has represented the most active year experienced to date by the Weare Planning Board. In March, four new members were appointed to the Board.

During the past nine months, the Board has received 59 plans with requests for lot approvals and one request for 11 condominium units. Of these requests, 76 lots have been approved and two have been denied. 48 lots, as well as the 11-unit condo plan have yet to be acted upon. The Planning Board has scheduled 61 appointments for January through May 1986.

The Board was actively involved in redrafting the present Master Plan. Several sections of the plan have now been completed, including the Goals and Objectives and the various land use maps. The Board hopes to have the entire plan finished by mid-1986.

A fee system has been implemented to allow for the hiring of a clerk to deal with the substantial increase in paperwork. The Planning Board Office is now staffed on Monday, Tuesday and Thursday for scheduling appointments, filing plans and paying fees.

The Conservation Commission, Fire Department and Road Agent are providing substantial information and assistance in the examination of plans submitted for subdivision approval and the Board wishes to express its thanks for the work done by these individuals.

The Board sees no decrease in subdivision requests in the foreseeable future and will continue to do its utmost to serve the planning interests of the Town of Weare.

WEARE PUBLIC LIBRARY REPORT

Circulation for 1985	17,653
Gift Books added to collection	108
Books & non-print items purchased	410
Total additions to collection	518
Withdrawn from collection	203

The increase in population in the Town has caused a sharp increase in circulation as well as usage of other Library services. 17,653 books were checked out of the library with a jump over the previous year's total of 16,124, showing an increase of 1,529 in 1985.

Story hour and reading club participation continues to increase as well as patrons requesting books and information which must be searched out and sometimes provided through inter-library loans.

A survey of residents indicated a need to expand our hours to accommodate those going through Town during the supper hour and the need to make the hours open each day similar in order to avoid confusion.

Some surveyed saw the crowded conditions as a hindrance to providing adequately for all the Town's library needs.

Trust funds (money left by benefactors directly to the Library) were greater than usual and being assured that this was a one time situation, the Trustees decided to use a large portion of the money to have plans drawn up for an addition to the present building.

After investigating several architectural firms, Daniel V. Scully of Peterborough was chosen to formulate the preliminary plans.

Trust funds were also used to update equipment with the purchase of an electronic typewriter, two bookcases on wheels, a storage cabinet and stand for the photocopy machine, a rug and small table and chairs for the children's area, as well as more books than planned for in the regular budget.

Money from book sales and fines were used to purchase a copy machine which is available for use when the Library is open.

Volunteers and book contributors continue to be of great benefit to the Library for which we extend our deep appreciation.

Respectfully submitted,

Bessie Myhr
Librarian

AUDITORS TOWN OF WEARE

1985 ANNUAL REPORT OF THE WEARE RESCUE SQUAD

The Rescue Squad answered a total of 153 calls from November 1, 1984 to October 31, 1985. Of these calls, 89 were for medical emergencies, 24 auto accidents, and 40 for other calls such as non-transport, mutual aid and canceled calls. This is a small decrease from the previous year.

There were 15 members of the Rescue Squad as of January 1, 1985. Two have chosen not to renew their licenses. This, combined with most members working full-time in or out of Town, leaves the Squad limited during the day. We are currently looking for people who are willing to take at least 40 hours training, or who already have the training, to join the Squad. A 40-hour Advanced First Aid Course will be scheduled when sufficient interest is shown. Please contact Chief Chester Rhodenizer or myself, Jon Osborne, for further information.

The Weare Emergency Medical Services Association welcomes any Townspeople who wish to join this association and help continue the fine service that the Squad has given the Town for so many years. Anyone interested in joining should contact Director, Jon Osborne at 529-1547 or Leon Methot at 529-2609.

The Director and Members of the Rescue Squad wish to thank all the Townspeople for their support of the Squad, especially employers who allow Rescue Squad members to leave work and respond to the rescue calls. Their help is greatly appreciated.

Membership is as follows:

Director (Captain) Jon Osborne
Secretary/Treasurer Leon Methot
Stanley Barnes
James Brown
Larry Damour
Cindy Foley
Karin Hollis

Mark Hollis
Vicki L'Heureux
Fran Maxfield
Cindy Merrill
Donna Osborne
William Straw

Weare Rescue Squad

REPORT OF THE
SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

A wide variety of services, resources and technical assistance is made available to your town through the dues-paying membership in the Southern New Hampshire Planning Commission. A professional planning staff, assisted by consultants in certain disciplines for which the Commission does not employ a full-time staff, works under the overall direction of your representatives in developing and carrying out planning programs that are deemed important for your community as well as for the region.

Staff services provided under the Commission's local assistance program are mostly decided by the communities themselves. However, certain general studies, notifications or acquisition of resources which are deemed useful to all member-municipalities are also made under this program with a directive of the Commission.

Local Assistance services provided to the Town of Weare during the past year were as follows:

1. Updated the town's base map showing all roads and highways as of 1985;
2. Provided assistance to the Town's Coordinator relative to the development and interpretation of the floodplain regulations;
3. Arranged for and participated in a meeting between the Planning Board, the Building Committee and the Building Commissioner, City of Manchester, to discuss the pros and cons of adopting the BOCA code;
4. Purchased a set of 1981 aerial photos for the Town of Weare, in the scale of 1" = 400', from the U.S. Department of Agriculture; and
5. Co-sponsored the Municipal Law Lecture Series to which Weare officials were invited.

Weare's Representatives to the Commission are:

William Herman, Selectman
Terry Knowles

TRUSTEES OF THE CEMETERIES REPORT

1985 was a busy year for the Cemetery Trustees. In addition to general cemetery maintenance, two major cemetery restoration projects have been undertaken and are near completion.

The Abigail Corliss Cemetery, the oldest known burial site in Weare, has been restored including the reproduction of the inscription found on the Abigail Corliss grave marker onto a large boulder marking the entrance to the site. Special thanks go to the Weare Junior Historical Society for providing the funding for this project, and to Gordon Russell, Jr. and George Hollis for their aid in bringing the project to completion.

At the March 1985 Town Meeting, monies were voted from Federal Revenue Sharing for the repair of town cemeteries. The repair and restoration of the Sugar Hill Cemeteries located off Route 77 was commenced in the summer of 1985. The project included the repair and cleaning of broken stones, clearing of trees and brush, loaming and seeding of sunken graves, and the replacement of fences and gates. All restoration work was done according to the N. H. Old Graveyard Association's Restoration Handbook to reduce the chances of further damage to delicate gravestones and markers. Special thanks to Fred Drewry for creating the sign which identifies the cemetery including the Town History reference. We hope to have the entire project concluded in the spring of 1986.

With 60% of the Federal Revenue Sharing money remaining in the account, we are in the process of targeting sites for repair in 1986.

We look forward to a busy and successful year. To quote the Graveyard Restoration Handbook: "Graveyards comprise an important cultural resource. Each gravestone is an historical artifact to be respected and preserved."

FIRE DEPARTMENT MANAGEMENT STUDY

NOVEMBER 15, 1985

INTRODUCTION

During the summer of 1985, a Fire Department Management Study was conducted for the Town of Weare by a management team made up of Thomas Dawson, State Fire Marshal, Barry Bush, Chief of Fire Service Training and William Toland, Exeter Fire Chief. This study consisted of a complete review of the Weare Fire Department, a formal meeting with the Fire Wards and a formal meeting with the Town Selectmen. On one occasion, members of the Weare Fire Department visited the Exeter Fire Department to exchange ideas.

The management team found an excellent volunteer fire department and very positive support for fire protection by the Fire Wards and the Town Selectmen. The Weare Fire Department is well managed and fairly well equipped.

The Town of Weare is growing at a rate which required careful planning and control. Especially the control of structures being built to assure that they are safe and sound and meet all existing fire and applicable building codes.

It is the hope of the management team that the very process of this study brought to light some of the areas that need strengthening or modifying. Hopefully, all the ideas presented in the list of recommendations have already been discussed and are well understood. The list of recommendations made to the Town of Weare, N. H. is as follows:

RECOMMENDATION

1. Detailed responsibilities and authority for the following groups need to be developed, agreed to and understood by all:
 - a. Selectmen
 - b. Fire Wards
 - c. Fire Chief (Fire Department)

This should be accomplished with the aid of an outside facilitator. Also, each group needs to develop goals and objectives for the overall mission of fire protection in the Town of Weare.

2. Full-time people are needed in the Fire Department (town) to perform the following vital functions:
 - a. Plans Review/Fire Code Enforcement
 - b. Building Code Inspectors
 - c. Fire Prevention/Fire Inspections
 - d. Apparatus Maintenance
 - e. Quick Emergency Response for Emergency Medical and Fire Calls

3. Although the Fire Department appears to be reasonably well managed, the Rules, Regulations, and Standard Operating Procedures (SOP's) need to be refined, analyzed and reduced to writing with the appropriate distribution to all Fire Department members and policy making groups.
4. Records of Fire Department activities such as fires, fire prevention matters, investigations, inspections, maintenance and general administrative functions need to be implemented as quickly as practical. (Note: This item can be achieved by hiring appropriate full-time fire personnel - see recommendation #2 - and/or by providing additional part-time funds for clerical and key designated fire department officers.) In other words, clerical support staff is necessary now as well as providing adequate funding for present part-time fire officers. The hiring of full-time staff and providing part-time clerical support will solve these problems.
5. When the time is appropriate, the Fire Department needs to become part of a comprehensive mutual aid system with centralized communications, that has been recognized by the Insurance Services Office (ISO) for fire insurance premium reduction. (For example: Capital Area Fire Mutual Aid).
6. Incoming firefighters should be required to have a physical examination, including a chest x-ray and an electrocardiogram. Also, the department should establish a mandatory retirement age of 65. Department members must be encouraged to stay in excellent physical condition to be able to withstand the rigors of fire fighting. In fact, it is not unreasonable to require, at town expense, firefighters who are over 40 to take an annual physical examination.
7. Efforts should continue to provide training and certification to Fire Department and Rescue Squad members. Where necessary the town should provide additional funds for meeting fire department/rescue squad training goals.
8. Research and implement a long-range fire and rescue vehicle and equipment replacement schedule. Create a capital reserve fund to achieve this recommendation. As there are several vehicles in the 1950's vintage, these will need replacement very shortly. A five-year replacement plan needs to be devised so the Town will know the capital equipment replacement for the Fire Department in five year time blocks.
9. It appears that the Town of Weare has too many fire stations operating. It is recommended that thought be given to closing a station, such as Lakeview, or entering into an agreement with neighboring towns to operate existing outlying stations. (Note: If a cooperative agreement cannot be reached with a neighboring town(s) on fire station operation, then the existing Lakeview Station should be maintained so as to keep at least a minimal level of protection in a growing area of town.
10. The present headquarters, Central Fire Station, abuts school district property with little or no room for expansion and parking, and also lacks a water supply to adequately resupply fire apparatus. Recognizing these limitations, consideration should be given to relocating this station to alleviate these problems in the future.

11. At the appropriate time, the Town of Weare should request that the Town and Fire Department be graded by the Insurance Service Office.
12. As the Town lacks a public municipal water system and due to the growth of the Town now and where appropriate existing subdivisions should be required to install static water supplies for fire department use. These can be cistern type or of the farm pond style. The Town of New Boston fire department has such a requirement that can be adapted for Weare.
13. The Town needs to maintain present budget requests for upgrading, replacement and maintenance of general fire/rescue equipment, such as protective clothing, portable radios, safety equipment, hand tools, etc., in order to maintain finer department effectiveness.

It has been our pleasure conducting this management survey in the Town of Weare. Should you have any questions, please feel free to contact any of us individually or collectively. Thank you.

WEARE SOLID WASTE RESOURCE RECOVERY REPORT

Recycling of aluminum cans, glass and rags has a very checkered history we have found. The outlay of tax dollars for buildings, storage bins, balers and processing personnel usually results in occasionally breaking even.

As we felt our first goal was to save tax dollars, we concerned ourselves with lowering the garbage tonnage to be transported and to be charged for by the ton at the incinerator by removing the heaviest materials first. Glass can be recycled, but it is comparatively expensive to process and has a low resale value. Therefore, we recommend that glass be recycled only to the extent that it is collected and stockpiled for later use as fill or as a road building base material. We believe this will reduce our tonnage to Concord by up to 25%. If, at a later date a steady reliable market develops, we can expand our areas of recycling to realize further savings.

Later in the year, the Selectmen requested we study and make recommendations on the most cost effective method to transport our solid waste to the co-operative incinerator. At the same time, we were invited to join in talks with Henniker and Hillsboro to discuss a mini-transportation co-operative between us and possibly other towns. To date, the town representative committees agree there would be a definite savings if we all used one common means of transport to the Concord Incinerator. To do this, we would each own our own compatible containers. What size, kind, etc., has yet to be determined. It should also be noted we are still studying other alternatives such as door to door collection to present to the Selectmen.

Respectfully submitted,

Harold O. Hall

Jack Dearborn

A FEASIBILITY STUDY OF THE POLICE DEPARTMENT
TOWN OF WEARE

PREPARED BY
THE PROFESSIONAL STANDARDS COMMITTEE
NEW HAMPSHIRE ASSOCIATION OF CHIEFS OF POLICE INCORPORATED

OCTOBER 1985

FORWARD

At the request of the Board of Selectmen for the Town of Weare, the Professional Standards Committee of the New Hampshire Association of Chiefs of Police, Inc., conducted a survey of the Weare Police Department, exploring the feasibility of instituting a full-time police department.

During the study, the Committee contacted and interviewed the Selectmen, Administrative Assistant, and Chief of Police of the Town of Weare.

INTRODUCTION

Weare is a town that is large in land area, being about 64 square miles in size. The town is situated in the south-central part of New Hampshire and is in Hillsborough County. Two state highways carry the bulk of the traffic; route 77, which is the major connector to Concord, and route 114, connecting to Goffstown and Manchester. The population, based on the 1980 census, is given as 3,622. Of extreme interest and importance to the study is the fact that the 1970 census showed a population of 1,851, representing a 96% increase over a ten year period. Prior to 1970 the population was relatively stable, as is indicated below:

1950	1,345
1960	1,467
1970	1,851
1980	3,622

Town officials agreed that there is a significant increase in the population in the summer, due to two lakes which attract seasonal occupation. The estimate provided indicated a summer population of 10,000, but it was not possible to substantiate this number. However, there is a marked increase during the summer months. The Police Department is responsible for patrolling approximately 120 miles of road.

Town officials were not able to provide a breakdown between permanent homes and seasonal properties. There are three mobile home parks with a total of about 80 units. The town is unique, in that for its size it had no shopping or business district, other than the central location of the town offices and the school. Three general stores, located in different parts of the town, service basic foot supplies. There is one restaurant and a sub shop, no motels, no apartment complexes, and no industry. The town was characterized as a bedroom community for Concord and Manchester.

There is one school, which provides the educational needs for about 650 students, grades 1 through 12. It was also learned that the town is contemplating entering into an agreement with the neighboring town of Henniker to establish a regional high school, which most likely would be located in Weare. There is a privately run kindergarten/nursery school.

The Fire Department is a volunteer force with a rescue service. The Granite State Telephone Company is the largest business in the community, employing about twenty people.

The offices of the Selectmen appear to be progressing with the population changes and has modern equipment with an adequate staff to care for the normal day-to-day business.

In a tour of the Town, we found a community of attractive, well-maintained homes. There is a rural appearance to the town, basically wooded and scenic.

The tax base is dependent upon homeowner's property tax, bolstered to some extent by seasonal property owners. The present tax rate was quoted as \$23 per thousand on a 92% valuation.

Government is by a Board of Selectmen who have an Administrative Assistant. The Chief of Police is appointed by the Selectmen.

THE POLICE DEPARTMENT

The Police Department headquarters is located in the basement of the Town Hall, a typical situation for most towns. The facility is presently undergoing some restoration and redesign, apparently with the labor being done by members of the department. The office area, which is also the public reception area, was a well-lighted, attractive area. It contained file cabinets, desk, table and some office equipment. Its major drawback was the lack of outside windows. Still undergoing major work was a back area where a cell will be located and a booking/work area. As it presently exists, there is no area in the station itself that provides for privacy to persons coming in to file complaints or transact other business. This could be rectified by sectioning off a portion of the main room as a separate office for the Chief.

The department consists of, at the time of this study, a Chief of Police, Sergeant, three patrolmen, and three auxiliary officers. Of these, the sergeant is a qualified firearms instructor and one of the patrolmen is a certified PF-24 instructor. Court prosecution and most clerical duties fall to the Chief of Police.

The 1985 budget request, which we understand was approved at the annual town meeting, was for \$33,380.00. This budget included a \$3,000.00 increase in the wage line (line 100) for increased coverage, to operate a car each weeknight and for most of each weekend.

RECOMMENDATION

The Committee unanimously recommends that the Town of Weare create a full-time position of Chief of Police.

COMMENTS ON RECOMMENDATIONS

The Committee utilized the available data on the activities of the Weare Police Department which was contained in the Town Reports for the years 1978 through 1983, and additional information provided by Chief Thomson. One of the major difficulties in assessing the activity levels of the department was a lack of uniformity in the statistical reporting.

The department man-hours were broken out for 1981 through 1985 as follows:

1981	2,234 hours	49.26/week
1982	2,833 hours	54.48/week
1983	3,103 hours	59.67/week
1984	2,788 hours	53.61/week
1985	*2,415 hours	77.90/week

*Represents 31 weeks of 1985.

It is essential that the public have access to the police at all times, 24 hours a day, 365 days a week. It is equally essential that police respond to emergencies at all times. The Town of Weare has accomplished this through a fairly standard procedure for towns that do not have full-time, round-the-clock coverage. They have utilized reactive coverage by their own part-time staff, with assistance from the New Hampshire State Police.

It is apparent to this Committee that the Weare Police Department was providing man-hours of service equivalent to having an officer working a minimum of forty hours a week. However, proactive coverage appeared to be unstructured. As best we could understand it, a part-time officer is placed "on-call" for a one week period. If he lives in town, he keeps the police cruiser at his home and when he is home (usually after 6:00 P.M. on weekdays) responds to calls. If no local officer is available, the call is routed to the State Police. This response depends on availability of their units and how close they might be to the town at the time of the call. The officer who is on call will generally patrol several hours on weekends, usually in the evening, but not scheduled. Each officer is allowed to set his own time on proactive patrol.

The best information provided on activity was for the years from 1982 to present as the Chief of Police did a records search as requested by this Committee for that period of time. Chief Thomson was also able to provide information from the State Police. The following is a comparative breakdown of traffic accidents investigated by those agencies in the Town of Weare:

	WEARE	STATE	TOTAL
1982	48	25	73
1983	48	21	69
1984	28	39	67
1985		20	

Criminal activity was as follows:

	WEARE	STATE	TOTAL
1982	226	62	288
1983	109	76	185
1984	111	76	187
1985		26	

Figures for 1985 represent the first seven months.

The trend observed from the above data reflected a decrease in activities as man-hours of patrol increased. Assuming that activities are an unwanted quantity, it makes sense to achieve as much of an increase in patrol time as budgetary restraints will allow. We see a full-time position as a way to achieve this end.

There are several advantages to having a full-time officer:

1. Structured schedule of time for police coverage.
2. Closer coordination of the police function with the elected officials of the town.
3. Greater visibility to townspeople.
4. Better response time during daylight hours.
5. More control of scheduling for part-time officers.

The major disadvantage is the increased cost. However, given the number of man-hours presently worked, the increase in cost should not actually be high.

Other types of activity, such as responding to alarms, dog complaints and missing/runaway persons add to the burden already being experienced. In addition, from October 1983 to December 1984, there were 297 traffic summonses issued. From January 1985 to September 1985, there were 385 summons.

In summary, the activity and manhours of work indicate a need for the Town of Weare to hire a full-time Chief of Police, more particularly with the concept of a regional high school in the immediate future.

METHOD OF SELECTION

The Selectmen should establish a minimum criteria for applicants. As an absolute minimum, candidates must be high school graduates, should have not less than five years experience (full-time) in policing, with some of that at a supervisory level. Should require person selected to relocate within a reasonable period of time.

The New Hampshire Municipal Association, or some similar type of agency, should be requested to provide testing for the position. An oral board, preferably of five New Hampshire Chiefs, should be used to evaluate those candidates meeting the minimum criteria and passing the written examinations, with the panel recommending three finalists for consideration by the Selectmen. The Selectmen should make the final decision.

It is recommended that a minimum starting salary of \$20,000 should be offered. The feeling of the Committee was that any lesser amount would discourage qualified candidates from applying. The starting salary could be adjusted commensurate with experience. Benefits presently offered to other full-time employees should be the same. A minimum six month probationary period should be established, with a monthly evaluation by the Town Administrative Assistant, with a report to the Selectmen. A work agreement should be part of the hiring process so both the Town and the Chief understand what is expected.

Finally, a Chief must have latitude to make decisions as to appropriate scheduling, training, etc., and should be allowed and encouraged to make such decisions. It is important that the Town continue to have a part-time force under the direction of the full-time Chief.

OTHER SUGGESTIONS

In conducting this study, the Committee noted some areas that need immediate attention, and some that should be considered in the long range planning of the Town.

There is an immediate need to update the records system. Basic records must be indexed in such a manner as to allow retrieval of the records without a long manual search. In this same vein, statistics should be uniform in order to facilitate planning.

A part-time clerical position should be assigned to the police department, providing fifteen to twenty hours a week to maintain records, answer requests from insurance companies for copies of investigation reports and provide information to attorneys when required for court cases.

As a long range consideration, the dispatch system should be evaluated. The present system seems to work well because of the cooperativeness of the person presently performing the duties. The Town should look into the possibility of contracting their dispatch services with a neighboring community or a county system.

CONCLUSION

The Committee would like to express their appreciation for the cooperativeness of Chief Thomson. Where there were some short-comings as listed above, overall we felt that Chief Thomson was doing a fine job in providing services under difficult circumstances. To his credit, he has made attempts to provide written direction to his officers through policies and regulations. He has brought the department into compliance with recent mandates of the Police Standards and Training Council and, through the utilization of members of his department, has established a training program to keep his officers abreast of current developments in policing. His officers are to be commended for their work in providing a facility which, through their labor, is an asset to the Town and provides a comfortable, attractive workplace.

We would also like to thank Mr. Ken Ward for his assistance and the time spent with the Committee. We enjoyed the task of assessing the needs of the Town of Weare and sincerely hope that our input will assist the Town in reaching this most important decision in its development.

In the final analysis, the success of such a decision will depend upon complete cooperation between the Selectmen, the new Chief of Police, and the officers of the department themselves. It will also depend upon the success rate experienced by the new Chief in attempting to build up the confidence of the townspeople so that they will continue to back the department.

With a wise selection of a Chief, the backing of the Selectmen, and the implementation of the recommendations contained in this survey, the Town should be successful in upgrading its Police Department to a full-time position. We wish the Town of Weare every success in this endeavour.

* * * * *

AUDITORS REPORT ON
SEMI-ANNUAL TAX COLLECTION

In compliance with 1985 Weare Town Meeting directive concerning the possible adoption of semi-annual tax collection, the Town Auditors recommend the adoption of semi-annual tax collection. In arriving at this recommendation, we reviewed the 1985 committee report and other related materials. We also discussed this subject with Municipal Services Division of the N. H. Department of Revenue Administration and officials from two towns which have adopted the semi-annual collection of taxes.

The Municipal Services Division reported that as of 1984, 96 municipalities had adopted the policy of semi-annual tax collection. Every town has reported favorable results from the adoption of this policy.

In regards to changing the fiscal year of the Town, the Auditors can see no need or justification for this change, other than "paperwork". It would also mean that the Town would have to raise taxes for an 18-month period rather than 12 months. As of 1984, only 16 municipalities had adopted a fiscal year change (12 of which are cities). The Auditors, therefore, do not recommend changing the Town's fiscal year.

Thank you for this opportunity to serve our community.

Sincerely,

R. G. Hatfield
Marilyn B. Perkins
Daniel Corsetti
Auditors, Town of Weare

REPORT OF WEARE POLICE STUDY COMMITTEE

The Police Study Committee was appointed in August 1985, but work was not actually begun until the fall. A feasibility study, prepared by the New Hampshire Association of Chiefs of Police, was not received until November, and this was needed as a major starting point from which the Committee could proceed. After reviewing the feasibility study, the Committee proceeded to meet with various persons in order to gather information which could lead them to what they hoped would be an honest conclusion. Among those the Committee met with were: representatives from the State Police; Warner, N. H. Chief of Police (part-time); Bradford, N. H. Chief of Police (full-time); Bradford Board of Selectmen; and Chief Donald Thomson and Officer Rich Tillotson of the Weare Police Department. A public forum was also held to allow citizens of the Town of Weare to voice their opinions, either pro or con, in regards to their Police Department, which, although poorly attended, proved informative to the Committee.

Several things became apparent in the course of this study, and led the Committee to their final conclusions. First and foremost was the general feeling that the people of Weare wanted a dependable, responsive and efficient police force. Secondly, the Town has steadily reached the point where its population is virtually exploding in every area. No longer is Weare the quiet little country community whose population seemed to stay in a relatively fixed position. With the increase in residents came a proportionate increase in calls to the police. With the urban sprawl towards our borders came some of the criminal activities usually associated with cities rather than country towns. Increases in vehicular traffic brought with it more speeders, more DWI's, more accidents, and more fatalities. A corresponding rise in drug trafficking, break-ins, assaults, and other crimes, many of them committed during daytime hours, left the Town feeling unprotected in many ways. The State Police received more calls from the Town of Weare than any other town on Troop B's jurisdiction. Out of 18 towns, Weare accounts for 25% of the State Police statistics.

Full daytime coverage would offer better protection with much faster response time. There would be better continuity and communication between officers on the force since there would be no lag period between shifts. The daytime officer(s) could fill in the night duty officer on anything that had happened during the day, and make him aware of what to be on the look-out for during his duty time.

Better administration could be expected since a full-time officer would be performing his duties as his full-time occupation, not as a spare-time job. This should also lead to better rapport and understanding with the other officers, leading in turn to a more efficient force. It should also allow for better interaction with surrounding towns' police departments, and better record keeping and court preparation.

Twenty-four hour coverage would be possible with a full-time officer which should provide better police response, better protection, and better results.

Higher visibility of the police at all hours should have a positive effect on reducing crime.

With the Town of Weare growing as it is, and with the enormous increase in population during the summer months, it has become virtually impossible for ANY part-time department to provide the type of police protection the citizens have a right to expect. And the growth will only continue to grow. And with each growth step there comes the increase in crime that we all wish would stay away. But it won't. We must face the fact that Weare is no longer the quiet farming community way out in the country. As much as we hate to admit it, it is quickly becoming a suburban area. We should take steps now to insure it stays, at least, a safe community.

With these things in mind, it is the recommendation of the Weare Police Study Committee that the Weare Police Department become a full-time force with at least one full-time officer. We also recommend the following in regards to this recommendation:

- A. The full-time officer should be the Chief of Police, and he be newly appointed from outside the present department personnel.
- B. That the new Chief should be an experienced police officer, preferably from out of state and already pensioned from his last department.
- C. That he should be accountable to the Selectmen since they are elected by the people.
- D. That he be hired on a one year trial basis before final appointment.
- E. That someone from the Weare Police Study Committee should be part of a selection committee to interview and select applicants.

The Committee realizes that this is a major step for the Town, and the conclusions were made after weighing many factors. Weare needs a good police department. They deserve it. But they cannot have it by ignoring what is happening in our Town, and what could happen if we continue to ignore it. Like it or not, Weare is growing up, and our Police Department must grow up with it.

We did not take our duty lightly. We do not make our recommendation lightly. We hope the Town will not either.

Respectfully submitted,

Stetson Hunt, Chairman
Cindie Chapman
Forrest Esenwine
Sandra Heino
Leon Paulding

Weare Police Study Committee

FINANCE COMMITTEE REPORT ON
SEMI-ANNUAL TAX COLLECTION

Marc Hess was appointed as a Finance Committee representative to the Committee to investigate semi-annual tax collection. He attended the December 11, 1984 meeting and submitted a report to the Finance Committee on January 16, 1985.

On February 13, 1985, Marc Hess submitted the report of the Semi-Annual Tax Committee and recommended acceptance of the proposal as presented. He noted that he could not assure the validity of the figures as given.

Some discussion of the semi-annual tax collection plan occurred at the September 5, 1985 meeting and it was noted that a written proposal be submitted by the Finance Committee to the Selectmen in January 1986.

On October 23, 1985 a discussion of the recommendations of the Semi-Annual Tax Collection Committee was held. Many questions were left unanswered as to the cost of the procedure relative to the savings. A request was made to have Marc Hess and/or Bev Herman present at the October 30, 1985 meeting to clarify some points.

On October 30, 1985, Marc Hess gave an overview of the proposal for semi-annual tax collection. He stated that it was the Selectmen's prerogative to declare semi-annual tax collection. Questions were raised by various members of the Committee in reference to the cost of mailings, administration and the total effect on the tax rate.

Also asked were: Would it be necessary and appropriate to adjust all tax expenditures (i.e., school and town) for an 18 month period or only the town? Should that large 18 month budget voted in March of 1986 be swallowed in one tax year or spread over a period of years in a bond issue?

It was felt by the members of the Committee that they would like to have D. Thomson speak on the above mentioned questions on November 13th.

"Auditor Hatfield joined the Committee (on November 13, 1985) for a question and answer session on semi-annual tax collection. A variety of topics was covered and clarification of salient points was accomplished. Mr. Hatfield pointed out that establishing semi-annual tax collection and changing the fiscal year required the collection of 18 months total taxes in advance, not merely the town portion. Semi-annual tax collection without change of fiscal year still mitigates much of the town's borrowing costs. Mr. Hatfield stated that the only advantage to changing the fiscal year is the record keeping process. The auditor's experience has been that every town that has gone to semi-annual tax collection has benefited."

The Finance Committee voted on November 13, 1985 to approve semi-annual tax collection in the Town of Weare without changing the fiscal year, and to send a chronological account of the meetings that led to this decision to the Selectmen.

Finance Committee

I hereby certify that the above returns of births, marriages and deaths registered in the Town of Weare, N.H. for the year ending December 31, 1985 are correct, according to the best of my knowledge and belief.

Beverly M. Herman
Town Clerk

The John Stark Regional School Board was elected on November 23, 1985. during the Organizational Meeting.

During this meeting the district voted to raise and appropriate \$38,110 for the purpose of paying operational expenses of the district until June 30, 1986. The sum of \$25,000 was also raised and appropriated for the purpose of professional engineering, legal, and any other related costs for the construction of the school facility.

One of the first endorsements by the Board was to fully accept the curriculum proposal which was presented by the Cooperative Planning Board in its August 1985 Final Report. It appears at this time to best meet the educational needs of the students of John Stark Regional High School.

The John Stark School Board finalized the research for the proposed two-story high school facility, to be located on approximately 100 acres on the east side of Route 114, between the towns of Henniker and Weare.

A Bond vote for the proposed new John Stark High School took place on December 18, 1985 at New England College. The article passed with more than the required two-thirds vote. (Ballots: Yes - 757, No - 316).

Prior to the end of December 1985, the John Stark School Board proceeded with negotiations for the purchase of land from Croched Mountain Foundation.

Site test borings and surveys were finished in mid-January, providing necessary information for engineering plans to be finalized and a ground-breaking date to be set for May 1986.

As members of the first John Stark Regional School Board, we wish to thank you for your enthusiasm and support during the initial development phase of this new high school district for our communities.

The Board has a sizable undertaking ahead to establish the school district organization, finalize construction of a new facility, formalize a comprehensive curriculum, and most important, bring together the first student body of the John Stark Regional High School in September 1987.

In these beginning years of our newly-formed school district, the continued support, enthusiasm, and participation of the citizens of the John Stark Regional School District will be of great value and needed to insure the success of our new cooperative venture.

We look forward to serving you in the year ahead.

Respectfully,

JOHN STARK REGIONAL SCHOOL BOARD MEMBERS

Rosemary Blair, Henniker

Frank Farmer, Weare

1986 ANNUAL MEETING
March 25, 1986

New England College Field House
Henniker, New Hampshire

Polls for the election of School District Offices will open at
2:00 p.m. and will close at 7:00 p.m.

The Henninger/Weare Co-Op Planning Board worked very diligently during the spring and summer months of 1985. The final report for a Cooperative High School District between the towns of Henninger and Weare was published in late August and sent out in early September. The red, white and blue John Stark Regional School District booklet included findings on Enrollment Projections, Curriculum Proposals, Building and Site, Transportation, Finance and the Articles of Agreement. Hearings on these Articles of Agreement were held in mid-September. Henninger voted on October 1, 1985, to approve the Articles, and Weare voted on October 3, 1985 to approve the Articles.

The School Planning Board continued to study and research the proposed new facility, site and organization of the new high school district, until the November 23rd Organizational Meeting.

The Cooperative School Planning Board wishes to thank the many citizens who made the study possible. Our greatest appreciation and praise goes out to the voters of Henninger and Weare, now the John Stark Regional School District voters, for tremendous support given throughout the entire project.

Respectfully submitted:

WEARE SCHOOL DISTRICT
AUDITORS REPORT

We have examined the financial statements of the Weare School District Treasurer for the year ending June 30, 1985 and have issued our report dated November 12, 1985.

Our study and examination of the above records would not necessarily disclose all the material weaknesses in the district's accounting system. Accordingly, we do not express an opinion on the system of internal control of the Weare School District.

Our review of the Treasurer's accounts however, disclosed the following:

The adjusting entries required to bring the cash balances on the Treasurer's report (Form F-4) into balance with the school financial report (MS-25) had not been made.

Also, the interest earned was understated by \$112.00 on the Treasurer's report and no bank expenses were shown. The proper accounting of these items is to show each item at the full amount before any deduction or adjustment.

As stated in the 1984 report the Treasurer must balance his bank accounts with the district's general ledger as soon as his bank statements are received and any discrepancies should be reconciled.

The year-end closing of the books of the Treasurer and the School District should not be unreasonably delayed. A period of 30 to 45 days after the end of the school year is recommended.

The Treasurer's cash book was in loose leaf form. This is not acceptable since pages become lost and are out of order. The Treasurer's cash book should be in the form prescribed by the N. H. Dept. of Education. This book (Treasurer's cash book) can be obtained at most office supply stores and is either bound or in post binder form with prenumbered pages.

The Student Activities Fund should have the bank statements reconciled monthly and any outstanding checks noted. Any adjustments should also be noted and reference made to the check number(s) to which the adjustment pertains. The cash book or check register must show the source of all deposits. All voided checks should be listed separately and deducted from the register at the end of each month (voided checks were not produced for an audit). Adjustments to the register total at the end of the month, without explanation, in order to balance to the bank statement are not correct and not acceptable accounting. It should also be noted that the Weare High School Student Activities Fund should be used only for student activities. This is not a petty cash fund.

The provisions of RSA 71-2:21 require that this letter be published in the next annual school district report.

Sincerely,

Robert G. Hatfield and Marilyn B. Perkins
Elected School District Auditors

Ann Colburn, R.N.
School Nurse

Respectfully submitted,

The cooperation of our principal, Mr. Fred Roberts; Mr. Jim Hart, our vice principal, the Superintendent's Office, and the School Board has been greatly appreciated through the year. Once again, I would like to thank the parents, staff, and especially the volunteers who have given so much time and support to the students and myself over this school year.

Athletic physicals were completed on May 13th and 22nd, 1985 for the oncoming school year. A total of 67 students were examined.

On May 14th all incoming first graders were invited to spend part of their morning at the elementary school as guests of the present first graders. 55 children participated and enjoyed a bus ride to the school - short sessions in a library where they viewed the films, "Bus Safety" and "Pooh Meets A Stranger" - both films designed to be helpful to our children's safety to and from school. A general tour of the school was conducted after this.

On April 4th, a vision-hearing clinic was sponsored by Sugar & Spice Kindergarten and held in the Town office building. A total of 71 children participated, 51 of which were registered for first grade at that time.

All our elementary school children and especially geared for those who are regularly on their own during some period of the day and must supervise themselves. Increasingly, schools are being asked to provide the additional support and information these children require-basic skills with which to aid them in carrying out this responsibility at home, alone or perhaps while caring for younger brothers and sisters. In effect, it is a basic program for children who for a period of time each day must be their own parents.

In January, Mrs. Dorothy Rogers, a pediatric nurse from the Elliott Hospital visited our school on two consecutive days presenting grades R-6 a program entitled "Lord of The Locks." This program was an excellent informational tool for

In the health teaching area, topics and films on nutrition, drugs, alcohol, venereal disease and preventative health were also covered at their respective grade levels. A mini program on blood pressure and the heart was conducted in some of the 7th and 8th grades classes. The fifth and sixth grade classes were also presented with a program on adolescence during the month of April, which included films and lengthy classroom discussions.

continued support of this program by the school and parents. I am very pleased with the oral health for grades R-6. This program while information-able to the teachers, a prevention-oriented school program on preschools. In addition to the program, we also made available 155 students participated from grades R-12 plus our highest attendance since beginning the program 8 years ago. In going over past records of our dental programs, I found this year to have had the "Flossing With Charlie Brown". In going over past records of Once again, this program was enhanced with a film entitled "Flossing With Charlie Brown". In going over past records of conducted individual dental programs with her supervision. Several classrooms took advantage of her availability and treatments but for individual classroom instruction as well. In November we began our dental health program with our hygienist, Mrs. Joyce Frowse, once again making herself available not only for cleanings, dental checks and fluoride treatments but for individual classroom instruction as well.

In November we began our dental health program with our hygienist, Mrs. Joyce Frowse, once again making herself available not only for cleanings, dental checks and fluoride treatments but for individual classroom instruction as well.

During the month of October, students in R-6 were also presented with films on smoking and in the upper age group, substance abuse. Individual programs of classroom discussion were also conducted at the respective grade levels.

Pediculosis screening began on September 5, our first day of school, and continued daily through the first quarter with a total of 93 cases detected and treated. Screening was continued throughout the year with few reinfections. I could never adequately express my gratitude to our staff of volunteers and aides who made themselves available to me daily during those initial months. Without their constant checking and supervision, this very common problem would have affected more students and their families than it did. Students in readiness-6 were also shown an excellent film on head lice followed by additional information and classroom discussion.

During the month of October, students in R-6 were also presented with films on smoking and in the upper age group, substance abuse. Individual programs of classroom discussion were also conducted at the respective grade levels.

Routine physical exams including blood work and strep cultures were completed by all cafeteria personnel during September. T.B. Tine tests were made available to all personnel and students requesting them with a total of 49 tested. Blood pressure checks were also made available to all staff and students throughout the year.

Fred B. Roberts
Principal

Support the school with not only your taxes but with your talents, knowledge, and presence as well. Positive attitudes on the part of students, staff, and community will make the system far better than dwelling on the negatives. Involvement by parents and other community members makes the Weare Schools an "alive" center for community education. Cooperation by everyone, along with patience and perseverance, will lead to the desired change and improvement.

Excellence in education cannot be attained without the support, involvement, and cooperation of a community with a positive attitude.

I would like to conclude my report by suggesting that citizens of Weare add SPICE to their school system. I spell SPICE as follows:

The John Stark Regional High School will definitely influence our long range planning process. During 1986-87 we will concentrate on making as smooth a transition as is possible for the students who will be enrolling in the new high school for 1987-88. A study committee should be involved in analyzing our present facilities, the projected growth of our community, and the curricular programs we wish to offer to the students of Weare in grades K-8. Our ultimate goal should be a master plan for how we can best utilize our present facility along with additional building space, so that we can offer these students an education in the 1990's that will not only meet but surpass state minimum standards.

Given these conditions and our continued increase in enrollment what are our short term needs and how are they reflected in the 1986-87 budget? The administration has recommended to the Weare School Board that there is a need for two elementary school teachers, two high school teachers, a full-time vice-principal for grades 7-12, increased special education services, and a full-time custodian. Additional space will have to be created for the extra teachers, and voters will have to decide among the options that the School Board will present at this year's Weare School District Meeting. Special warrant articles will also be proposed to cover the cost of recommended maintenance projects. Most of the increase in the total proposed budget are reflected in what I have described above.

unit of economics, 1 unit of physical education and ½ unit of health. Weare High School also fails to provide adequate library materials, laboratory and storage space, and extra-curricular activities.

In order to meet elementary school state minimum standards we would need a part-time art teacher, a part-time guidance counselor, an additional 1200 square feet of library space, a part-time certified librarian, approximately 2000 more library books, and additional space for storage. At the junior high school level we do not provide the 7th and 8th graders with any music nor do they receive the number of hours of instruction that are required for art, home economics, and industrial arts. New standards for New Hampshire public high schools were published in 1984 which require specific curriculum offerings for an approved high school. Presently Weare High School needs to add at least one unit of music (a unit equals 150 clock hours of instruction, e.g. - a class which meets 50 minutes per day, 180 days per year), three units of business, $\frac{1}{2}$ unit of health, $1\frac{1}{2}$ units of industrial arts, $\frac{1}{2}$ unit of physical education, and 1 unit of science. These standards also increase the graduation requirements. Beginning with this year's freshmen, the Class of 1989, in order to receive a diploma a student will need an additional $\frac{1}{2}$ unit of art or music, $\frac{1}{2}$ unit of computer, 1 unit of science (requirement is 1 unit of biological science and 1 unit of physical science), $\frac{1}{2}$

In my report printed in the "1984 School District Report" I listed all the space and program needs that we are experiencing in both the elementary and the secondary schools. Because of inadequate facilities Weare Schools fail to meet the minimum standards as defined by the New Hampshire Department of Education for elementary schools, junior high schools, and high schools. Until there is more space, there is very little that we can do to alter these conditions. In the paragraph that follows I will summarize for each level those areas where we fall below the state requirements.

In this report I intend to give you a description of the present status of Weare Schools. I will outline our short term needs and show how they are reflected in the proposed 1986-87 school budget. I will go on to share some of our long range goals. I will conclude the report with a commentary on the need for community involvement.

I am pleased to have the opportunity to present my sixth annual "Principal's Report" to the Weare School District. Over those six years we have seen an increase of nearly 150 students, approximately 15 additional staff members, two permanent classrooms, and six portable classrooms. We have had three bond votes in the past two years and have invested thousands of man hours in studying population projections, curriculum and program requirements, and a master plan for meeting our space needs over the next decade. The most recent outcome of these studies has been the decision by the voters of Weare and Henniker to construct a cooperative school to house the students in grades 9-12 from these two communities. This new facility to be named the John Stark Regional High School, will (hopefully) open its doors in September, 1987.

PRINCIPAL'S REPORT

voters should be informed of all maintenance requirements prior to voting maintenance expenditures. The Board is looking forward to the challenges ahead and is prepared to aggressively seek out ways to provide a quality education at a reasonable cost. We are excited about the future of education in the town of Weare.

Larry Bose, Chairperson
Marilyn Carson
Gary Evans
John Heckman
F. Russell Spangler
Weare School Board

Another area of concern for the Board is the present condition of our existing facility. Presently, an extensive amount of maintenance work is required to put the facilities into the condition they should be in. Special articles will be presented to the voters that will represent the required maintenance expenditures. The Board feels strongly that

The Board is now looking ahead to the 1986-87 school year where all twelve grades will be within the existing facilities for the last time. Until the John Stark Regional High School opens, our facilities will continue to become more crowded. In addition, the Board has taken a stand to avoid purchasing additional portable classrooms until all other possibilities are pursued. To support this stand, the Board has asked the administration to pursue all possibilities that will provide the necessary space to accommodate next years program.

The Board was informed by the administration that we are experiencing drug and alcohol abuse by some students within the Weare High School and the issue should be addressed immediately. In response to this, the Board asked the administration to propose a new tougher discipline policy and institute additional "drug education" programs. The Board is pleased with the progress being made in this area and the new discipline policy should soon be approved.

To make the board meetings more productive and expand the number of issues addressed each month, we established five sub-committees with a member assigned to each of the following committees: Facilities, Curriculum, Superintendent Search, Transportation and Special Education.

The Board would like to express our appreciation to the Weare/Henniker Cooperative Study Committee for a job well done and to the voters of Weare and Henniker for their commitment to better education by approving the John Stark Regional High School.

With the completion of John Stark our High School space needs will finally be resolved.

The past year was no exception to history, as the number of students continued to increase at a rate difficult to accommodate with the existing facilities. Even with the addition of 6 portable units, many classrooms are above the state recommended maximum number of students. A lot of credit should be extended to our administration and staff for their positive attitudes and achievements in this difficult situation.

1985 was a busy year with many challenges and many exciting results. Prior to the start of the 1985-86 school year, a new teachers' contract was negotiated and ratified. The new contract provided a competitive salary increase to the teachers within the Weare school system.

I can only encourage the continued foresight of the respective communities. In my short stay as "interim" Superintendent, I express appreciation for the cooperation of the Boards and citizens. The SAU is fortunate to have supportive administrative personnel whose earnest attention to the daily operation of all District schools has allowed a smooth and positive transition between permanent Superintendents of Schools. I am grateful to each of them for their assistance and sharing of knowledge.

Respectfully submitted,

Dr. Charles W. Lamontagne
Interim Superintendent

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens:

The 1985-86 school year looks to be the year of realization that previous years' talk of growth has firmly come to rest. Simply talking about growth will not solve the problem of space needs. The school facilities for the past several years have absorbed the continuing trend of pupil growth - some by adequate buildings planned over a decade ago, most by make-shift modifications to existing plants - by partitioning core facility areas, using satellite buildings, incorporating larger class sizes, and acquiring portable classrooms. Although there appears no consistent procedure for resolution across SAU #19, there does appear a consistent and steady pattern of growth which indicates existing facilities are at capacity and beyond.

The respective Districts in the SAU #19 each have unique problems which can be resolved only through continued local planning and commitment to resolution.

The long overdue facility needs at the elementary and secondary grade levels in Ware will find some resolve in the construction of the John Stark Cooperative High School. Opportunities for necessary basic standards for high school students will be in effect along with expanded opportunities in elective courses and programs. These undoubtedly enhance education for Ware students. Additionally, relief for elementary and junior high school programming will also result but only with continued commitment to the facility needs at Grades R-8.

The New Boston effort with a new multi-purpose building and added classroom space for grades R-6 will ease the long standing inadequacy of use of the town hall for lunch and physical education. Appropriate classes for the special needs programs can be met as well as a needed centralized school library, and immediate classroom space.

Goffstown's space and facilities needs are significantly evident this school year requiring both short term and long term procedures and planning. Partitioning of existing core facility space at the Junior/Senior High School level, the acquisition of a portable classroom, and use of a basement facility will ease some of the space shortage for September, 1986. However, a more lasting resolution hopefully will evolve from the efforts of a newly formed Space Needs Study Committee comprised of School Board members and interested citizens. A small grant of funds has been budgeted for professional assistance in the survey studies.

Dunbarton and Bow do not see immediate consequential space problems because both communities built facilities when growth was earlier recognized; however, it is safe to assume that continued close observation of student growth is necessary to keep abreast of an increasing pupil population in this portion of the State.

ARTICLE 9

ARTICLE 9, which had been tabled earlier in the meeting, was once again considered. A motion was made to dismiss this article. This motion was seconded and the article was DISMISSED.

ARTICLE 16

(To transact any other business which may legally come before said meeting.)

Thomas Branscom presented the two departing members of the School Board, Peggy Micuch and Robert Bailey, with plaques in recognition of their three years of dedicated service on the Board.

Forrest Esenwine informally thanked the Weare teachers for providing a fine education to his son and to the other students in the school district.

There being no further business to come before the meeting, the meeting was adjourned at 3:45p.m.

Respectfully submitted,

Joyce Smith
School District Clerk

I certify that the above is a true copy of the vote taken at the Weare School District Meeting, March 23, 1985.

Joyce Smith

School District Clerk

Robert Bailey moved that the Wear School Board be directed to hold its Annual or Special School District Meeting or Meetings each year commencing in the forenoon on a Saturday. Further, that the business of these meetings is not to be postponed except for justifiable overriding reasons. The motion was seconded and PASSED.

ARTICLE 15

Robert Bailey moved that the School District raise and appropriate the total sum of Eight Thousand Dollars (\$8,000) to be allocated in the following manner: high school roof repair/maintenance, Two Thousand One Hundred Dollars (\$2,100), install water sprinkler in custodian closet, One Hundred Dollars (\$100), install cove base in high school hallways, One Thousand Two Hundred Dollars (\$1,200), paint and repair south and north side of the elementary school, One Thousand Seven Hundred Dollars (\$1,700), install fluorescent lights in elementary toilet areas, Four Hundred Dollars (\$400), install energy efficient lights in the gymnasium, Two Thousand Five Hundred Dollars (\$2,500), or take any other action in relation thereto. The motion was seconded and PASSED.

ARTICLE 14

Thomas Branscom moved that the School District raise and appropriate the sum of Thirteen Thousand Two Hundred and Sixty One Dollars (\$13,261) for the payment of the 1983, 1984 and 1985 sewer bills rendered by the Wear Sewer Department which represents the School District's portion of the debt service of the sewer project or take any other action in relation thereto. The motion was seconded.

The Finance Committee moved to amend the amount appropriated to \$8,900. The motion was seconded. A vote was taken and the amendment was ACCEPTED.

A vote was then taken on the amended ARTICLE 13. The article PASSED.

ARTICLE 13

Forrest Esenwine then moved to amend the article to read "\$9,500 for the purchase of electric typewriters". The motion was seconded and a vote was taken. The amendment was REJECTED.

A vote was then taken on the unamended ARTICLE 12. The article PASSED.

A discussion of the article followed.

Twenty Dollars (\$13,320) for the purchase of twenty four electronic typewriters or take any other action in relation thereto. The motion was seconded.

Thomas Branscom moved that the District raise and appropriate the sum of Thirteen Thousand Three Hundred

ARTICLE 12

article PASSED.

A vote was then taken on the unamended ARTICLE 10. The

This motion was then revised to read as a motion to amend ARTICLE 10. This motion was seconded and a vote taken. The motion to amend was REJECTED.

A motion was made that the negotiated contract between the Weare School Board and the Teachers Union for 14 percent, 12.5 percent and 10 percent pay raises respectively not be accepted by the town and that the contract be renegotiated more in line with the standards of high quality for high pay.

The budget was not read in its entirety, but a discussion ensued concerning the recent teachers' three year contract agreement, giving teachers a 14 percent raise the first year, a 12.5 percent raise the second year, and a 10 percent raise the third year.

Mr. Branscom then spoke to the article, explaining that the passage of ARTICLE 11 accounts for \$239,875 of the budget, including \$150,000 for purchase of portable classrooms, plus salaries for four new teachers and anticipated expenses for running the classrooms.

Thomas Branscom moved that the District raise Two Million Ninety Four Thousand Two Hundred Seventy Five Dollars (\$2,094,275.00) for the support of schools, for the payment of school district officials and agents, and for the payment of statutory and contractual obligations of the District, and to authorize the application of such sums as are estimated to be received from the State Foundation Aid together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town. The motion was seconded.

ARTICLE 10

Thomas Branscom moved that the ARTICLE be tabled. The motion was seconded and the article was TABLED.

To see what sum of money the District will vote to raise and appropriate for the purpose of funding the financial parts of the agreements negotiated pursuant to RSA 273:A, with the Weare Teachers Association or take any other action in relation thereto.

ARTICLE 9

adding classroom space, etc. A voice vote was taken and the article PASSED.

Thomas Branscom moved that the District raise and appropriate the sum of Sixty-Two Thousand Dollars (\$62,000) for a deficit expenditure for the 1984/85 school year or take any other action in relation thereto. The motion was seconded. Mr. Branscom then explained the reasons for the \$62,000 deficit expenditure, i.e., hiring new teachers,

ARTICLE 8

Thomas Branscom moved that the District vote to authorize the School Board to make application for and to accept on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States, and/or any other source, and to appropriate any funds received to the payment of obligations of the District for which said funds constitute full reimbursement in accordance with RSA 198:20-B, or take any other action in relation thereto. The motion was seconded and the article PASSED.

ARTICLE 7

Thomas Branscom moved to hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto. The motion was seconded and the article PASSED.

ARTICLE 6

Thomas Branscom moved that the District vote to set the salaries of the School Board and Truant Officer and any other officers or Agents of the District. The motion was seconded and the article PASSED.

ARTICLE 5

A voice vote was then taken and ARTICLE 11 PASSED.

Stetson Hunt reported that the Finance Committee supports passage of this article.

The motion was seconded.

Robert Bailey moved that the District raise and appropriate the sum of One Hundred Fifty Thousand Dollars (\$150,000) to lease or purchase portable classrooms and conduct building alterations as necessary or take any other action in relation thereto.

ARTICLE 11

A motion was then made to reconsider ARTICLE 11. The motion was seconded and PASSED.

It was then moved and seconded that ARTICLE 2 be dismissed. A voice vote was taken. ARTICLE 2 was DISMISSED.

A voice vote was then taken, and the article PASSED.

Having passed both ARTICLES 3 and 4, attention once again focused on ARTICLE 1. Robert Bailey, representing the School Board, reported that the School Board does not recommend passage of this article.

Stetson Hunt reported that the Finance Committee did not recommend passage of this article.

Frank Farmer then moved that Article 1 be dismissed. This motion was seconded and voice vote was taken, which proved inconclusive. A standing vote was then taken, with 86 in favor of dismissing the article; 69 opposed to dismissing the article. ARTICLE 1 was DISMISSED.

A motion was then made to consider ARTICLE 11 before ARTICLE 2. This motion was seconded, and a discussion of the motion followed. A standing vote was then taken on the ARTICLE 2. The vote was as follows: 84 voted "No"; 69 voted "yes". The motion did not pass.

ARTICLE 2

To see if the District will vote to authorize and appropriate the sum of Five Hundred Twelve Thousand Five Hundred Dollars (\$512,500) for construction of a seven room school to be located on the present school site with possible alterations to the Weare Elementary School and the Weare High School, including furnishings and equipment, architectural and other fees, site development and other items incidental to and necessary for such construction, and to raise said sum by the issue and sale of bonds or notes in accordance with the provisions of the Revised Statutes Annotated of New Hampshire, as amended. The time and place of payment of interest, rate of interest, provisions for the sale of notes or bonds and all other matters in connection therewith, to be left to the discretion of the School Board. Robert Bailey, representing the School Board, then spoke to ARTICLE 2.

Stetson Hunt, of the Finance Committee, reported that the Finance Committee did not recommend passage of ARTICLE 2.

A motion was then made and seconded to call the question. A voice vote being inconclusive, a standing vote was taken as follows: 71 voted "no"; 69 voted "yes". The motion to call the question was DEFEATED.

Discussion on ARTICLE 2 continued until Paul Knox moved to call the question. The motion was seconded and the motion to call the question PASSED.

The motion was seconded, and Lisa Hustis spoke to the motion, explaining how the \$5,000 will be spent.

Marilyn Carson moved that the District raise and appropriate the sum of Five Thousand Dollars (\$5,000) for the support of the Cooperative School District Planning Committee, expenses to include, but not be limited to, preparation and publication of a report to the district.

ARTICLE 4

Following some discussion, a paper ballot vote was taken on ARTICLE 3. "Yes" votes tallied 184; "No" votes tallied 31. The ARTICLE PASSED.

Following these reports, the Moderator, Ray Kelly, asked for comments and questions from the floor.

Lisa Hustis, Chairman of the Publicity Sub-Committee, explained that Sub-Committee's role. She also explained that it is anticipated that the final report of the Cooperative School District Planning Committee will be completed and presented at a special hearing in September, 1985, at which time the towns will vote to either accept or reject the proposed plan for the cooperative school.

Paul Knox, Chairman of the Finance Sub-Committee, explained the anticipated costs, for each town, of the cooperative school.

Frank Farmer, Chairman of the Building and Site Sub-Committee, explained the preliminary study of building needs and building costs.

Jerry Grafam, Chairman of the Cooperative Transportation Sub-Committee, reported on the preliminary steps taken to resolve the transportation issues involved with setting up a cooperative school district.

Walter Robinson, Chairman of the Curriculum Sub-Committee, reported that there were no specific recommendations concerning a cooperative curriculum at this time.

The motion was seconded and a presentation followed, beginning with an introduction of the representatives from Weare and Henniker presently serving on the Planning Committee and Henniker's preliminary study on the feasibility of a Weare/Henniker Cooperative School District. Each of these representatives then spoke on the findings/duties of the various sub-committees which they represented.

member of the School Board (RSA 195:18) and determine whether the members shall be elected at the meeting or appointed by the moderator.

Peggy McAllister expressed the Finance Committee's approval of this article.

MINUTES OF THE WEARE SCHOOL DISTRICT MEETING
March 23, 1985

After preliminary announcements concerning a less than ideal sound system, the Henniker/Weare Study Committee, and a petition for a paper ballot for the vote on ARTICLE 3, the meeting of the Weare School District was called to order by the Moderator, Ray Kelly, at 10:15a.m.

Mr. Kelly then led those present in the Pledge of Allegiance.

Thomas Branscom moved to waive the reading of the warrant in its entirety at this time. The motion was seconded and passed.

Mr. Branscom, speaking for the School Board, then offered some preliminary comments on the warrant. He outlined the crowded conditions in the schools and talked of the School Board's efforts over the past year to come up with a suitable solution to the space problems. He then stated the School Board's position regarding the articles in the warrant. If ARTICLE 3 passes, authorizing creation of a Cooperative School District Planning Committee, then the Board recommends dismissal of ARTICLE 1 and 2, and then recommends passage of ARTICLE 11 (purchase of six portable classrooms).

Ray Kelly then explained the various handouts passed out to those present at the meeting, and read ARTICLE 1.

ARTICLE 1

To see if the District will vote to authorize and appropriate the sum of One Million, Five Hundred Thousand Dollars (\$1,500,000) for construction of additions and alterations to the Weare Elementary School and the Weare High School, including furnishings and equipment, architectural and other fees, site development and other items incidental to and necessary for such construction, and to raise said sum by the issue and sale of bonds or notes in accordance with the provisions of the revised Statutes Annotated of New Hampshire, as amended. The time and place of payment of interest, rate of interest, provisions for the sale of notes or bonds and all other matters in connection therewith, to be left to the discretion of the School Board. Tom Branscom then moved to take up ARTICLES 3 and 4 prior to taking up ARTICLES 1 and 2. The motion was seconded and passed.

Ray Kelly then read ARTICLE 3.

ARTICLE 3

Marilyn Carson moved that the District vote to create a Cooperative School District Planning Committee consisting of three qualified voters, at least one of whom shall be a

16. To transact any other business which may legally
come before said meeting.

15. Be it resolved that the Weare School Board be
directed to hold its Annual or Special School District
Meeting or Meetings each year commencing in the forenoon on
a Saturday. Further, that the business of these meetings is
not to be postponed except for justifiable overriding
reasons. (By petition)

14. To see if the school district will raise and appro-
priate the total sum of Eight Thousand Dollars (\$8,000) to
be allocated in the following manner: high school roof
repair/ maintenance, Two Thousand One Hundred Dollars
(\$2,100), install water sprinkler in custodian closet, One
Hundred Dollars (\$100), install cove base in high school
hallways, One Thousand Two Hundred Dollars (\$1,200), paint
and repair south and north side of the elementary school,
One Thousand Seven Hundred Dollars (\$1,700), install fluores-
cent lights in elementary toilet areas, Four Hundred Dollars
(\$400), install energy efficient lights in the gymnasium,
Two Thousand Five Hundred Dollars (\$2,500), or take any
other action in relation thereto.

5. To see if the District will vote to set the salaries of the School Board and Truant Officer and any other officers or Agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.
7. To see if the District will vote to authorize the School Board to make application for and to accept on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States, and/or any other source, and to appropriate any funds received to the payment of obligations of the District for which said funds constitute full reimbursement in accordance with RSA 198:20-B, or take any other action in relation thereto.
8. To see if the school district will raise and appropriate the sum of sixty-two thousand dollars (\$62,000) for a deficit expenditure for the 1984/85 school year or take any other action in relation thereto.
9. To see what sum of money the District will vote to raise and appropriate for the purpose of funding the financial parts of the agreements negotiated pursuant to RSA 273:A, with the Wearers Association or take any other action in relation thereto.
10. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of school district officials and agents, and for the payment of statutory and contractual obligations of the District, and to authorize the application of such sums as are estimated to be received from the State Foundation Aid together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
11. To see if the District will raise and appropriate the sum of one hundred fifty thousand dollars (\$150,000) to lease or purchase portable classrooms and conduct building alterations as necessary or take any other action in relation thereto. (Not in budget total)
12. To see if the school district will raise and appropriate the sum of Thirteen Thousand Three Hundred Twenty Dollars (\$13,320) for the purchase of twenty four electronic typewriters or take any other action in relation thereto.
13. To see if the school district will raise and appropriate the sum of Thirteen Thousand Two Hundred and Sixty One Dollars (\$13,261) for the payment of the 1983, 1984 and 1985 sewer bills rendered by the Wearers Sewer Department which represents the school district's portion of the debt service of the sewer project or take any other action in relation thereto.

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the town of Weare qualified to vote in District affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE WEARE SCHOOL GYMNASIUM IN SAID DISTRICT ON SATURDAY THE TWENTY THIRD DAY OF MARCH, 1985, AT TEN O'CLOCK IN THE MORNING, TO ACT UPON THE FOLLOWING SUBJECTS:

1. To see if the District will vote to authorize and appropriate the sum of One Million, Five Hundred Thousand Dollars (\$1,500,000) for construction of additions and alterations to the Weare Elementary School and the Weare High School, including furnishings and equipment, architectural and other fees, site development and other items incidental to and necessary for such construction, and to raise said sum by the issue and sale of bonds or notes in accordance with the provisions of the Revised Statutes Annotated of New Hampshire, as amended. The time and place of payment of interest, rate of interest, provisions for the sale of notes or bonds and all other matters in connection therewith, to be left to the discretion of the School Board.
2. To see if the District will vote to authorize and appropriate the sum of Five Hundred Twelve Thousand Five Hundred Dollars (\$512,500) for construction of a seven room school to be located on the present school site with possible alterations to the Weare Elementary School and the Weare High School, including furnishings and equipment, architectural and other fees, site development and other items incidental to and necessary for such construction, and to raise said sum by the issue and sale of bonds or notes in accordance with the provisions of the Revised Statutes Annotated of New Hampshire, as amended. The time and place of payment of interest, rate of interest, provisions for the sale of notes or bonds and all other matters in connection therewith, to be left to the discretion of the School Board.
3. To see if the District will vote to create a Cooperative School District Planning Committee consisting of three qualified voters at least one of whom shall be a member of the School Board (RSA 195:18) and determine whether the members shall be elected at the meeting or appointed by the moderator.
4. To see if the District will raise and appropriate the sum of Five Thousand Dollars (\$5,000) for the support of the Cooperative School District Planning Committee, expenses to include, but not be limited to, preparation and publication of a report to the district.

GIVEN UNDER OUR HANDS AT SAID WEARE THIS FOUR-
 TEENTH DAY OF FEBRUARY, 1986.

9. To transact any other business which may legally
 come before said meeting.
8. To see if the School District will raise and
 appropriate the sum of Ten Thousand Dollars (\$10,000) for
 the purpose of purchasing bleachers to replace those in the
 gymnasium or to take any other action in relation thereto.
7. To see if the School District will raise and
 appropriate the sum of Six Thousand Five Hundred Dollars
 (\$6,500) for the purchase and installation of an Elementary
 School fire alarm system or to take any other action in
 relation thereto.

To the inhabitants of the School District in the town of Weare qualified to vote in District affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE WEARE SCHOOL GYMNASIUM IN SAID DISTRICT ON SATURDAY THE EIGHTH DAY OF MARCH, 1986, AT TEN O'CLOCK IN THE FORENOON TO ACT UPON THE FOLLOWING SUBJECTS:

1. To see if the School District will vote to set the salaries of the School Board and Truant Officer and any other Officers or Agents of the District.

2. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.

3. To see if the District will vote to authorize the School Board to make application for and to accept on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States and/or any other source, and to appropriate any funds received to the payment of obligations of the District for which said funds constitute full reimbursement in accordance with RSA 198:20-B, or take any other action in relation thereto.

4. To see what sum of money the School District will raise and appropriate for the support of schools, for the payment of school district officials and agents, and for the payment of statutory and contractual obligations of the District, and to authorize the application of such sums as are estimated to be received from the State Foundation Aid together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

5. To see if the School District will authorize the School Board to expend monies allocated for handicapped transportation for the purpose of purchasing and operating its own handicapped transportation system, or take any other action in relation thereto.

6. To see if the School District will raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000) for the purpose of connecting the school to the town sewer, operating expenses and other items incidental to and necessary for such connection or take any other action in relation thereto.
