

TRIESTE

15 OCT 54

Dearest Elz..

This is just a note. I've decided to experiment with writing the short notes at opportune times ~~and~~ and more often .... rather than waiting for sufficient time to write a letter. Sometimes these notes may turn into letters depending upon the time available.

There are all sorts of rumors afloat as to the eventual disposition of trust forces. The newest one is that we all will be returned Stateside as the vanguard of the new policy of withdrawing <sup>U.S.</sup> divisions from the continent... that we will be the first to be returned intact.

This is Rumor No 1 and it emanates from one who should know because he is on the G-staff.

Rumor # 2 is that Trust forces will be kept intact + transferred to Germany to form the nucleus of another division to be activated there.

Rumor No #3 is that an American

2/  
Nats base will be set up here in Trieste and  
that Americans will be returned here under  
another "address" and different type mission.

I am sending a page from the daily AMG  
bulletin which seems to ~~confirm~~ <sup>support</sup> this  
more than any of the other Rumors.

Take your choice of these rumors. More  
are sure to come. As for me, I don't  
want to believe Rumor #1. I'm not  
in favor of Rumor #2. I kind of hope  
Rumor #3 will prevail — altho I'm not so  
sure I'd like to remain here anymore  
because of limited educational advantages.

This is the end of this note.

Tell them I have not received  
any letters from them ~~yet~~ lately.
