Mrs. Judith Hawkins
Chairman
Errol School Board
Errol, New Hampshire 03579

Dear Mrs. Hawkins:

This letter will confirm our telephone conversation of February 2, 1970, regarding the non-partisan ballot system.

During the 1969 session of the General Court, the following legislation was passed and became effective as of September 1, 1969.

Non-Partisan Ballot System. Amend RSA 59 by inserting after section 77 the following new section: 59:77-a School District. Each school district in the state, except a district having a special statute relative to election of its district officers, shall elect its officers by means of the non-partisan ballot system, as provided in RSA 59:79 to 86, inclusive.

We have asked the Secretary of State for his opinion concerning whether or not other sections of Chapter 59 would apply to this change made by the State Legislature. He has informed us that by virtue of RSA 59:86, the entire chapter applies to the manner of voting for the election of school district officers.

RSA 59:86 Application of Laws. The provisions of this chapter relative to the manner of voting, counting of ballots, penalties for violating election laws and recounts for town elections, in so far as consistent herewith, shall apply to elections held under the provisions of this subdivision. In case of a tie vote at any elections held hereunder, the tie shall be determined by lot by the town clerk in the presence of the candidates who are tied if, upon notice from him, they elect to be present.

Therefore, we are of the opinion that all school districts must comply with the provisions of Chapter 59 unless a district has a special legislative statute relative to the election of its district officers.

Sincerely yours,

Robert L. Brunelle
Deputy Commissioner of Education
