REPORT OF THE TRUST FUNDS

Report of Trustees of Trust Funds and Cemeteries for 1966 season: — We are pleased to report ten new trust funds set up during the year: 1 for \$300.00, 1 for \$200.00, 5 for \$150.00 and 3 for \$90.00. Four of these funds covered new plot sales of 1 for \$50., and 3 for \$35.00. These sales total \$1,675.00.

In the Greenwood Cemetery we laid out 43 new plots between the west drive and the fence.

In the Pine Grove Cemetery we laid out 70 new plots in the new section.

In the Mill Stream Cemetery we completed the well and equipped it with a gasoline motor so that we can water the flowers and grass in all parts of the property. All of the monuments have been straightened and repaired if necessary.

In the Kingston Plains Cemetery we laid out 12 plots in the old center section which were never used.

We feel that the work that we have done in the Mill Stream Cemetery has made this cemetery one of the most beautiful cemeteries in New Hampshire. We wish that someone or some group would donate funds to other Kingston Cemeteries so that equal results could be obtained. What better memorial could you have?

REPORT OF THE LIBRARIAN FOR 1966

This past year has been an active one with the library now open a total of seventeen hours (as recently as two years ago we were open only eight); in the acquisition of new books and in the number of adults and young people using the library facilities.

Book buying emphasis has been on reference books for Junior and Senior High levels. Also, the library received a grant of \$100. for the purchase of reference books. This grant was given to all libraries in the state which had become affiliated with the State-wide Library Development Program.

A total of 1,760 books were borrowed from the Bookmobile this year to supplement our collection. One hundred fifty-six books were borrowed by special request from the State Library.

Income from the Pine Tree Grange Trust Fund was used to purchase: Crawford, "History of the White Mountains" and Jennings, "Tattered Ensign".

During the year the trustees added three new bookcases to the Junior High section.

An illustrated lecture on "Strawberry Banke" was given in recognition of National Library Week. A collection of books pertaining to Portsmouth and the history of New Hampshire were on display. This program was sponsored by the Friends of the Library. During this week Mrs. Gladys Larson brought her pupils of Holiday Kindergarten to the library for instruction in the use of the library.

During National Book Week two groups of children - Lane's End Kindergarten and a first grade class from Bakie School visited the library and were told a little of its history and made acquainted with books for their age level. A fifth grade class visited the library to receive information in reference work.

Last spring, Mrs. Gertrude Semple, assistant librarian, attended the course in Book Selection for Adults and Young Adults offered

by N.H. State Library and the University of New Hampshire Public Library Techniques which was held at Notre Dame College, Manchester.

The Southeast District Book Meetings were attended by the librarian and assistant librarian.

The Kingston Garden Club filled the urns again this year and in connection with their Christmas doorway contest, decorated the door of the library. Also, members of the club have furnished plants and flowers during the year.

Several books have been presented and we are grateful to the following donors: Mrs. Benjamin Belonga, Mrs. John Brown, Mrs. Harry Clark, Mrs. Bernard Goldsmith, Mrs. Charles Morse, Mrs. Charles Phillips, Mrs. Francis Reinfuss and Dr. Duncan Stephens.

Respectfully submitted,
Gladys M. Marche

ANNUAL REPORT OF THE FIRE DEPARTMENT

The Fire Department responded to a total of 142 calls from January 1, 1966 through December 31, 1966. Thirty-two (32) calls were for fires and one hundred ten (110) were for the rescue wagon. Of these fire calls, seven were to give assistance to other Fire Departments.

Each year there has been an increase in the number of calls for the rescue wagon. Luckily this year there has been a decrease in the number of calls for the fire apparatus.

During the year, seven of the firemen attended the fire school in Fitzwilliam, N.H. We are hoping that more men this coming year will try to take advantage of this school. From the report given by those who have attended, it is well worth while.

Our truck fund has continued to grow, thanks to the Carnival and Fund Raising Committees who have given much of their time to make it a profitable venture. We wish to thank the ones who have made donations for the same cause. We hope to reach our goal by 1969, if not sooner.

As the town grows, so should your Fire Department. More money is being spent on schools and housing, therefore, we must keep abreast of our growth by expanding to take care of these changes. This is one of the reasons that we are working towards the purchase of a new truck to replace the Diamond T which is almost 30 years old. According to the Underwriters, it is recommended that a truck be replaced after twenty years of service.

The latter part of this year we held meetings in reference to building a two stall station in South Kingston to house the truck that is already in that part of the town, also to transfer one of the other trucks there when we get our new truck. This we need as it will give us the necessary coverage of the town.

We had the good fortune of having Dr. Rocco of the Exeter Hospital give a talk and demonstration on mouth to mouth resuscitation which was very beneficial to those who attended.

Permits for oil burner installation must be obtained from the Fire Chief. Permits for outside fires must be obtained from one of the Fire Wardens. This is a State Law.

The number to reach the Fire Department is still the same — **642-5512**. When reporting a fire or emergency give name and address as clearly as possible. The sooner we receive the information the quicker we can respond.

We of the Fire Department are all volunteers and welcome anyone who wants to be a part of our organization. Our meetings take place the third Monday of each month.

Respectfully submitted,
Alfred L. Moore
Fire Chief

REPORT OF THE KINGSTON FIREMEN'S ASSOCIATION
January 31, 1967

The Kingston Fire Department wishes to thank all of you people who have donated to our department over the years.

Our department rolls on the Tax Dollar along with your donations and funds raised by the tireless efforts of our interested fund raising membership.

Our Department works for you in three main areas:

FIRE PROTECTION

FIRE FIGHTING

EMERGENCY RESCUE

Donated Funds are used mainly for replacing equipment and expended supplies for Fire Trucks and the Rescue Wagon.

Funds from Social functions and Carnival have been maintained in our capital reserve fund for the sole purpose of purchasing a new Fire Truck and the necessary building expansion for the housing of our equipment.

Our association has \$12,800.00 available, not raised by your taxes.

This does not include the numerous telephone calls received from individuals wanting information relative to State Health Laws. Listed below are the number and type of investigations conducted by the Health Officer:

- 3 Home Inspections – (This is a requirement prior to adoption or caring of state children).
- 4 Nuisances – (This included garbage dispositions and pig pens).
- 2 Inspections requested of the Health Officer, however, due to the type of inspection required by law these were performed by the State Board of Health).
- 7* Sewer Investigations

VETERANS

Again in the year 1966 the Town paid tribute to Veterans on Memorial Day and Veterans Day. Both affairs proved a success. I am very grateful for all who participated in both events and to my committee. As the Town has put on these parades and at the Sanborn Gum, with over two hundred Veterans in town, it is our hope that the Veterans Club will re-organize. Then these programs can be returned to them as I believe it is their duty. Never the less, being a Veteran myself either Memorial Day or Veterans Day should never be let go by without proper services.

REPORT OF SCHOOL DISTRICT MEETING
March 5, 1966

At a meeting of the Inhabitants of the School District of the Town of Kingston, qualified to vote in district affairs held in said Kingston in the Daniel J. Bakie School Auditorium on March 5, 1966, starting at 8 p.m., the following business was transacted:

The meeting was called to order at 8 p.m. by the Moderator, Leonard F. Sanborn. Prayer was offered by the Rev. Lex Kirk, Vicar of St. Christopher's Episcopal Church, South Kingston. The Moderator read the Warrant and then introduced the School Board, Principal and Superintendent. He gave personal thanks to the Superintendent for his fine report. He also announced that there would be a meeting of the Sanborn Regional School District on March 26 with voting from 9 a.m. to 3 p.m. and the general meeting at 7 p.m.

1. It was voted to accept the reports of Agents, Auditors, Committees and Officers, as printed in the Town Report.
2. No business was transacted under this article.
3. The original motion was amended; so the actual vote was the District authorized the School Board to convey to the Sanborn Regional School District, by Quitclaim Deed, the present Daniel J. Bakie School, together with the contents thereof, and the lot of land upon which it is situated.
4. It was voted to raise and appropriate the sum of \$7,500.00 as a Deficiency Appropriation for the year 1965-1966; said appropriation to be made available prior to June 30, 1966.
5. It was voted that the district accept the provision of Title I of Public Law 89-10 and appropriate the sum of \$2,495.28, such monies having been made available to the district under said Federal Act for such particular projects as may be determined by the School Board. Further moved that the district authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

6. A motion was made and not passed (11 yes, 15 no) stating that the District Treasurer be directed to pay over the Treasurer of the Sanborn Regional School District any cash balance in her hands or money due the District as of July 1, 1966, less any outstanding bills or debts; any sum so transferred to be used as a credit against the Regional School District assessment to be raised by the pre-existing Kingston District to defray its share of the cost of operation of the Regional District during the first year of operation.

Whereupon a new motion was made and passed substituting "Town of Kingston" for "Treasurer of the Sanborn Regional School District."

The man who made this motion (George Harmon) then realized that this did not make sense; so asked the voters for reconsideration on his motion. Then the following was passed:

It was voted to direct the Treasurer of the Kingston School District to pay over to the Town of Kingston, any cash balance in her hands or money due the District as of July 1, 1966, less any outstanding bills or debts.

7. Voted to adjourn at 8:45 p.m.

School Clerk
