BUDGET COMMITTEE REPORT

The Budget Committee is in general agreement with the Town Budget and the money articles in the 1988 Town Warrant.

We feel that the 21% increase is unfortunate. It is primarily due to some unusual circumstances that we hope will not recur in future years. If it were not for the three items listed below, the budget increase would be approximately the same as last year.

- 1) Full time Police officer hired to patrol the hours of 12 Midnight to 8 AM.
- 2) Increase in Fire Truck Capital Reserve for replacement next year.
- 3) More than doubling of our Solid Waste Disposal Fees.

Respectfully submitted,

NOTES FROM THE TAX COLLECTOR:

Missing from the Tax Collector's Report this year is the itemized listing of delinquent taxes.

This has been eliminated for many reasons, some of which are as follows:

1. At the recommendation of the Department of Revenue Administration, itemized listing of unpaid taxes does not have to appear in print.
2. The itemized list consists of twenty pages, elimination of which amounts to a substantial savings in the cost of printing the Town Reports.
3. Because the 1987 Real Estate tax bills were mailed more than one month later than usual, the "delinquent" date for unpaid taxes was after the closing date for the fiscal year. Therefore the uncollected lists include many names and amounts which were not yet due and publishing the list would not give a true representation of the accounts.

The report printed this year shows "bottom line" figures only, however all of the report, including itemized listings, is available for review and is on file in the Tax Collector's office.

Sale of Cemetery Lots	450.00
Insufficient Check Charges	228.00
	TOTAL
	281209.28
	PAID TO TREASURER
	281209.28

Each category of revenue has its own percentage computation in comparison with last years receipts, ranging from minus 70% on the sale of Cemetery Lots (which are no longer handled by the Clerk's Office) to plus 494% on Dog Forfeits (due to a law revision which changes the manner of collection of late fees).

Overall, this years receipts reflect a 21% increase over last year.

This continuing yearly trend has not only increased revenues to the Town, but the workload and responsibilities of reporting and additional paperwork in the Town Clerk's office. Motor vehicle permits alone exceed 4,000 per year.

The search for a Deputy Clerk who could cover the office during the Clerk's absence (vacation, convention or illness) has proved unsuccessful to date, and resumes or written applications for this demanding position will be gratefully received and reviewed by the Town Clerk.

Respectfully Submitted,
Sharon L. Sheldon, Town Clerk

REPORT OF THE ROAD AGENT
For the Year Ended December 31, 1987

1987 Highway Department major summer projects were as follows:

East Lake Monomonack Road -- pavement grinding, regravelling, paving and sealing -- 9,410 feet.

Shaw Hill (Squantum Road) -- Shimming and sealing -- 3,900 feet.

Swan Point Road -- pavement grinding (600 feet), paving portions and sealing -- 4,300 feet.

Payson Hill Road -- pavement grinding and paving entire road - 3,200 feet.

Middle Winchendon Road, from Mass. line to Route 202 -- pavement grinding (1,200 feet), and paving -- 6,800 feet.

Davis Crossing Road -- Paving total distance -- 1,000 feet.

Growth continues to be one of the Highway Department's major concerns. In 1987 we accepted three new roads, Jay Drive, Foliage Way and Emerson Lane. In addition, more and more new homes are being built on unpaved roads causing more services and maintenance performance by the Department.

The Highway Department budget is currently running at or near the existing inflation rate and not according to the rate of growth we have experienced.

Hopefully, efforts of the Planning Board and the S.W.R.P.C. in developing a growth management plan will ease some of the burden of cost factors which are now affecting the Highway Department and the Town.

Respectfully Submitted,

Peter J. Anderson
Road Agent

INGALLS MEMORIAL LIBRARY
Report of the Trustees 1987

The major event of the year has been the installation of a computer. It will be several months before the books and other acquisitions have all been entered.

When the addition to the Rindge Memorial School is complete, there will be a changed relation between the town and school libraries. We hope to be of continued usefulness.

REPORT OF THE LIBRARIAN

1987 was a very good year in the Library as far as services were concerned. Our circulation increased and the use of all library facilities seems to be on an upswing. The video cassettes have proven to be a popular feature and we have added to our collection.

Our Library report would not be complete without a note of appreciation to our volunteers, all of whom have been so dedicated throughout the past year. They are wonderful!

Justine Blackall, our children's librarian, decided to retire and just enjoy life. Justine has done a great job and is responsible for our up-to-date collection of books for children and young adults. We all wish her a very happy retirement.

We hope to see you at the Library.

Librarian

THE RINDGE CONSERVATION COMMISSION

During 1987 the Conservation Commission (CC) took an active part in securing a conservation easement on the Private Properties Subdivision bordering the Contoocook Marsh. Private Properties, Inc. was the first developer to donate land to the Town of Rindge. The CC will manage this 50 acre portion of marshland on which "No Hunting" signs have been erected. The CC has also given approval for an Eagle Scout project to be conducted on the site by Jim Weidner and Boy Scout Troop 306.

The Cheshire County Conservation District named Rindge as "Conservation Community of the Year" and honored CC and Planning Board members for their efforts in enacting and implementing a Wetlands Ordinance.

CC members attended Rindge Planning Board and Board of Adjustment meetings and site reviews, offered advice on conservation matters, monitored excavations and responded to citizen concerns about wetlands violations, septic system failures and improper hazardous waste storage.

CC members sponsored a public meeting on power line herbicide spraying and spoke to a scout group about conservation. They attended wetlands hearings in Concord, seminars on hazardous wastes and on the Trust for New Hampshire Lands, Monadnock Crossroads workshops and a conference on Planning for Change.

Bethlehem Toohey and Eileen O'Brien were selected to attend Youth Conservation Camp and received scholarships provided by Marge & Ed Stevens and The Monadnock Bank.

The Conservation Commission meets the fourth Wednesday of each month at 7 P.M. in the Town Office Building with the public invited to attend.

RINDGE PLANNING BOARD

Town Meeting in March of 1987 was the expiration of the Interim Growth Management Ordinance that was proposed by the Board and adopted by the Town in September of 1986. While the Interim Ordinance was in effect the Board met at least weekly to revise all existing regulations and work on developing new ones to deal with larger developments and commercial enterprises. The Town adopted a "Phased Development Ordinance" to control the impact the town will experience through approval of major subdivisions consisting of ten or more lots. Not only will this ordinance control growth in a more consistent manner, but phasing of developments at the minimum rate of 10% per year will enable the schools to plan according to some controlled rates of growth. Also adopted was a regulation regarding Planned Unit Residential Developments, allowing developers of tracts of twenty acres or more to cluster residences within those tracts while maintaining open space and resulting in overall density equal to conventional zoning. Other zoning changes were adopted as well, including the increase of front setbacks to seventy five feet in several districts. The Planning Board rewrote and updated its Site Plan Review Regulations. Both Subdivision and Site Plan Review Regulations now provide that the Planning Board may obtain engineering and planning consulting advise, the costs for which are to be borne by the Applicant. These regulations have already proven to be valuable tools to the Board in managing the growth of the Town.

In 1987 the Rindge Planning Board held seventy one (71) meetings for the purposes of formal and preliminary hearings and planning. During those meetings eight (8) major subdivisions were approved, creating twenty nine (29) new lots; nineteen (19) minor subdivisions were granted, creating twenty seven (27) new lots; five (5) technical subdivisions were approved, with no new lots resulting; fourteen (14) site plan reviews were approved, resulting in eighteen (18) new businesses and two changes of use; and one (1) Planned Unit Residential Development was approved with sixty (60) lots to be phased in over nine years.

The Board had seventy nine (79) preliminary consultations on proposed subdivisions and nine (9) preliminary consultations for proposed Planned Unit Residential Developments; two (2) earth removal permit hearings, twenty eight (28) site inspections, and eighteen (18) work meetings. In addition, four members attended various educational sessions regarding planning issues.

The Board held five (5) Public Hearings regarding Zoning Ordinance changes, the Phased Development Ordinance, Subdivision Regulations, Planned Unit Residential Development Regulations, and Site Plan Review Regulations.

In March, 1987 Doug Gilroy and Kim Sands were elected to three year positions on the Board. Deborah Jackson and Paul Susca were appointed alternates to the Board.

Rindge voted to rejoin Southwest Region Planning Commission and to enlist the Commission's aid in rewriting the Master Plan. New maps have been developed and presented by the SRPC director, Robert Panton, who has also provided the Board with numerous consultations and invaluable advice in reviewing difficult cases. Work on the Master Plan should be completed in 1988. This year the Board has also consulted with two private engineering firms that have provided technical advice regarding road construction and other projects. The fees resulting from all consultants have all been borne by the applicant under review and have not caused additional cost to the Town.

The immediate goal of the Planning Board is to complete updating of the Town Master Plan and to develop a capital improvements program to provide direction and guidance for the future growth of the Town. All meetings are open to the public and the Board welcomes suggestions and comments from interested citizens.

The Board wishes to recognize Clara Fraser for her many years of service as Secretary of the Planning Board. Her dedication helped shape the future of the Town of Rindge.

Selectmen's Report - 1987

The year 1987 was a successful one for the Selectmen. Our main projects were the paving of Payson Hill Road, part of Middle Winchendon Road, East Lake Monomonac Road and Davis Crossing Road. The Selectmen accepted three new town road, Emerson Lane, Foliage Way, and Jay Drive.

We would like to remind the residents of Rindge, if they are eligible for any exemptions such as Elderly, Blind, Veterans, ect., they must file for them prior to April 15, 1988. Also, Current Use applications must be filed by April 15, 1988.

The Board of Selectmen meetings on Thursday evenings have been switched to Wednesday evenings from 7 PM to 9 PM. Anyone who has problems or other matters which they would like to discuss with the Board are welcome to attend. For the twelfth year in a row we ended the year with a surplus.

We wish to thank all the town officers, employees, Board members, Town Counsel for his free time, and all the committees who have worked so hard to make things run smoothly over the past year. Special thanks to our Administrative Assistant, Carole A. Knight. There are many dedicated people in Rindge and we are indeed fortunate that so many are willing to serve which adds much to the enjoyment of life in Rindge.

During 1987 we responded to the second most calls ever and only missed the record by four. The previous four years have been our busiest and, the way the town is growing, we will get busier. As I mentioned last year we are facing a time in our future that we are going to need some full-time help to absorb some of the load which continues to increase on our part-time force. You should also be aware that record keeping, documentation and other administrative requirements are no different for us then they are for a big community and help is needed in these areas to bring us up to standards.

In the area of equipment we are, thanks to the support of you taxpayers, in fairly good shape. The most immediate exception being our 1976 Engine No. When this unit was new it had a projected life of 20 to 25 years but we, like many other communities that purchased apparatus during the mid seventies, are experiencing a severe rusting problem. Investigation shows that a lot of imported recycled steel was used by manufacturers during this period and it is very prone to corroding. In spite of three times Engine No. 2 has had body work performed and a number of oil spray treatments the rust continues to spread like a terminal cancer. At this writing it is planned to accelerate the contributions to the capital reserve account and seek authorization to replace Engine No. 2 at the 1989 Town Meeting.

The older section of the fire station was built in 1955 and will soon need some major repairs and renovations. This is presently scheduled for 1990 and will most likely include some attention to the 1972 addition.

We encourage the public to visit us when we are at the station most any Sunday morning or if this is not convenient, other arrangements can be made.

Finally, test your smoke detectors on a regular basis because when you have a fire is not the time to find out that they don't work.. Remember, you lives depend on them!

(A detailed list of offenses is available at the Police Depart.)

Despite a changing society, the mission of the Police Department remains the basically the same as it always has been --to protect lives and property, prevent crime, and to ensure the constitutional guarantees of the people we are sworn to protect.

A dimension often overlooked is that the police are involved only part-time in crime control and prevention. Much of our police work involves such things as directing traffic, providing emergency service for citizens who are injured or ill, locating missing persons, settling family and neighborhood disputes, handling inebriates and mentally ill person, and an endless list of other "service" functions. What a police agency does, should do, or should not do is literally unanswerable. Should the police provide school crossing guards? Should we lead parades? Escort funerals? Settle family arguments? Rescue treed cats? Unlock car doors? The answers to all these questions, and more, is that we do these things, not always by desire, but often by default. The hard fact is that there are no other agencies, organizations, or institutions that have, or are willing or able to accept, responsibility for many of thee diverse tasks. The police are not only the first summoned in emergencies and unusual situations, but often the only resource available.

The demands on our community are ever increasing in direct proportion to our growing population. Because the police more than any other agency directly touch our lives, it becomes critically important to understand the police function. To be effective, policing must occur in a context of citizen cooperation and with your continued support we will be able to meet our increasing obligations. Together, we can make a difference.

Sincerely,
David J. Collum, Chief

WHITE RELATIVE TO THE RESULTS FROM THE COMPENSATION COMMITTEE WAS ANSWERED BY DALE E. THOMPSON, WHO REFERRED TO THE SELECTMAN'S REPORT AND ADVISED THE PRINTOUT WAS AVAILABLE AT THE TOWN OFFICE.

ARTICLE 4: To see if the Town will vote to allow a discount of 2% on property taxes if paid within ten (10) days of presentation of bill; and 1% if paid within thirty (30) days, and that no discount be allowed after thirty (30) days from date of bill.

A MOTION MADE BY DALE E. THOMPSON WAS SECONDED. IT WAS POINTED OUT BY KATHY ROHDE THAT THIS ARTICLE DOES NOT REQUIRE A VOTE OF THE TOWN AND CAN BE INSTITUTED AT THE SELECTMEN'S DISCRETION. THIS WAS CONFIRMED BY THE SELECTMEN AND THEY ADVISED THE REASON FOR INCLUSION IN THIS YEAR'S TOWN MEETING WARRANT WAS TO SEE HOW THE TAXPAYERS FELT ABOUT THE CHANGE. LENGTHY DISCUSSION FOLLOWED INCLUDING ALL THE PROS AND CONS OF SEMIANNUAL TAXATION WHEN

SELECTMEN, RINDGE, NEW HAMPSHIRE

ARTICLE 9: To see if the Town will vote to increase the salary of the Tax Collector by \$4,500. (Four Thousand Five Hundred Dollars) provided that the Town has adopted the provisions of

R.S.A. 76:15-A "Semi-Annual Collection of Taxes", to become effective with the Tax Year commencing April 1, 1987.

A MOTION MADE BY JOHN D. WALSH TO PASS OVER THIS ARTICLE WAS SECONDED AND THE ARTICLE WAS PASSED OVER WITH NO ACTION TAKEN.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$48,221.00 for the purpose of a Reassessment/Revaluation in 1988.

A MOTION MADE BY DAVID R. HEIKKINEN WAS SECONDED. DISCUSSION FOLLOWED ADVISING THAT \$66,000.00 HAS ALREADY BEEN APPROPRIATED FOR THIS PROJECT AND EXPLAINING WE WOULD NEED \$114,000.00 TO PAY FOR THE REASSESSMENT. QUESTIONS FOLLOWED PERTAINING TO THE NEED FOR REASSESSMENT AND SELECTMAN HEIKKINEN EXPLAINED THAT THE STATE REQUIRES UPDATING OF ASSESSMENTS WHEN THE TAX RATIO FALLS BELOW 50%. ALSO, SINCE WE ARE PART OF A COOPERATIVE SCHOOL DISTRICT WITH JAFFREY, WE NEED TO BE WORKING WITH COMPARABLE FIGURES.

IT WAS VOTED TO ACCEPT ARTICLE 10 AS WRITTEN.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the Constitutional Bicentennial celebration for the Summer of 1987.

A MOTION MADE BY DALE E. THOMPSON WAS SECONDED WITH DISCUSSION TURNED OVER TO JANET SHEPHERD, CHAIRPERSON OF THE BICENTENNIAL COMMITTEE WHO EXPLAINED THE EVENT WAS IN CELEBRATION OF THE 200TH ANNIVERSARY OF THE SIGNING OF THE CONSTITUTION OF THE STATE OF NEW HAMPSHIRE, AND THAT RINDGE HAD BEEN DESIGNATED BY THE STATE AS A BICENTENNIAL COMMUNITY. SHE ADDED THAT SHE HOPED HER COMMITTEE WOULD BE ABLE TO RAISE ENOUGH MONEY TO SPONSOR THE EVENT AND WOULD NOT NEED TO EXPEND THE \$1,000.00 APPROPRIATION.

IT WAS VOTED TO ACCEPT ARTICLE 11 AS WRITTEN.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$2,500.00 towards the purchase of a 15KW Generator for the Fire Department.

A MOTION MADE BY JOHN D. WALSH WAS SECONDED WITH DISCUSSION TURNED OVER TO CRAIG HOYT, CHIEF OF THE RINDGE FIRE DEPARTMENT. CRAIG EXPLAINED THE GENERATOR THEY WISH TO PURCHASE WAS A 15KW GENERATOR WITH A GAS ENGINE AND AN AUTOMATIC SWITCH WHICH WOULD BE USED IN THE EVENT OF A POWER FAILURE. IT IS APPROXIMATELY 25 YEARS OLD AND WAS USED AT A FLOOD CONTROL PROJECT IN E. BRIMFIELD, MASS WHERE ITS ONLY PURPOSE WAS AS A BACKUP AND IT ONLY RAN WHEN TESTED.

CRAIG FURTHER EXPLAINED THAT IN THE EVENT OF A PROLONGED POWER OUTRAGE, THE FIRE STATION WOULD NOT ONLY LOSE THEIR HEAT AND WATER, BUT ALL EMERGENCY RADIOS AS WELL. THERE WOULD ALSO BE THE POSSIBILITY THAT WATER STORED IN THE TANKS OF THE FIRE TRUCKS WOULD FREEZE. THE AUTOMATIC SWITCH ALONE WAS, BASED ON PRICE ESTIMATES, WORTH THE COST OF THE GENERATOR.

JOANN CHAMPION ASKED WHETHER THE DEPARTMENT HAS OBTAINED PRICE INFORMATION ON OTHER, NEWER MODELS AND WAS ADVISED THAT A NEW GENERATOR OF EQUAL QUALITY WOULD COST IN EXCESS OF \$10,000.00.

IT WAS VOTED TO ACCEPT ARTICLE 12 AS WRITTEN.

ARTICLE 13: To see if the Town will vote to authorize and appropriate the withdrawal from the Revenue Sharing Fund the sum of \$28,500.00 for the purchase of the hardware and software for the computerization of Town Business; \$1,500.00 for the purchase of a 110 Watts Mobile Radio for the Police Department; \$40,187.00 for the purchase of bituminous paving for various highway projects.

A MOTION MADE BY DAVID R. HEIKKINEN WAS SECONDED. DAVID ADVISED THAT MONIES IN THE REVENUE SHARING ACCOUNT MUST BE EXPENDED BY OCTOBER, 1987. NICK CARGUILO ASKED WHICH COMPUTER SYSTEM WE WOULD BE PURCHASING AND WAS ADVISED BY DALE E. THOMPSON THAT IT WOULD BE PUT OUT FOR BID. WALTER KETOLA AND MABEL SPECKMAN WANTED TO KNOW WHAT PROGRAMS AND TRAINING WOULD BE INCLUDED. THEY WERE ADVISED BY PETER F. WELLS, CHAIRMAN OF THE COMPUTER STUDY COMMITTEE THAT WE WOULD BE INCLUDING GENERAL LEDGER, ACCOUNTS PAYABLE AND RECEIVABLE, PAYROLL AND WORD PROCESSING. TAX BILLS AND RELATED INFORMATION WOULD BE ADDED IN TO THE SYSTEM AT A LATER DATE.

IT WAS VOTED TO ACCEPT ARTICLE 13 AS WRITTEN.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to pay for professional and municipal planning services to assist the Planning Board in revising the Town Master Plan.

A MOTION MADE BY DALE E. THOMPSON WAS SECONDED AND DISCUSSION WAS TURNED OVER TO DOUGLAS F. GILROY, A MEMBER OF THE RINDGE PLANNING BOARD. DOUG ADVISED THAT THE STATE MANDATES UPDATING OF THE MASTER PLAN EVERY FIVE YEARS, AND THE LAST TIME RINDGE DID AN UPDATE WAS IN 1980. THE AMOUNT THE PLANNING BOARD IS REQUESTING WOULD INCLUDE MEMBERSHIP IN THE SOUTHWESTERN REGIONAL PLANNING COMMISSION (SWRPC) AND ASSISTANCE FROM THEIR PROFESSIONAL STAFF. THE PLANNING BOARD FEELS THAT OUR MASTER PLAN IS OUTDATED AND NO LONGER USEFUL; THAT WE NEED TO RESOLVE ISSUES OF ZONING, PLANNING AND SOLID WASTE DISPOSAL AND A REGIONAL BASIS. GROWTH PROJECTIONS FOR OUR COMMUNITY ARE SIGNIFICANT AND NEED TO BE ADDRESSED AND THE PLANNING BOARD'S EXPERTISE IS LIMITED. THE NEED FOR PROFESSIONAL GUIDANCE IS NECESSARY TO MAINTAIN THE RURAL ATMOSPHERE OF THE TOWN, AND INSURE THAT IN 5 OR 10 YEARS WE WILL STILL WANT TO LIVE HERE. DAVID M. TOWER, PLANNING BOARD CHAIRMAN, EXPLAINED THAT THE \$15,000.00 AMOUNT NEEDED INCLUDES \$3,740.00 FOR MEMBERSHIP IN SWRPC.

IT WAS VOTED TO ACCEPT ARTICLE 14 AS WRITTEN.

ARTICLE 15: Are you in favor of adopting the Phased Development Ordinance proposed by the Planning Board and printed as follows:

Section 1. AUTHORITY

Pursuant to the provisions of the New Hampshire Revised Statutes Annotated 1984, R.S.A. 674:21, the Town of Rindge adopts the following regulation to be administered by the Planning Board in conjunction with the Subdivision Regulations of the Town of Rindge.

Section 2. PURPOSE

To guide the implementation of major subdivisions in the Town of Rindge so that residents of the Town can be adequately served by community facilities as those services are expanded, and to provide for the current and future housing needs of existing residents and their families, and to insure fairness in the allocation of building permits, and to insure that construction costs to builders are not unduly increased by preventing them erecting or creating several dwelling units as part of one project, and to phase in or control the implementation and development of tracts of land and future subdivisions thereon at a rate which will be compatible with the orderly and gradual expansion of community services, including but not limited to education, fire protection, road maintenance, waste disposal, police protection and recreation.

Section 3. APPLICABILITY

This article shall apply to all subdivision applications filed with the office of the Planning Board and which request approval of ten (10) or more building lots.

Section 4. PROCEDURE

A. The Planning Board may, in its discretion, establish a phasing schedule of any subdivision subject to the provisions of this article specifying the number of dwelling units per year that can be constructed, and the total number of years involved.

B. In establishing the phasing schedule pursuant to this article, the Planning Board shall take the following factors into consideration:

1. The area of the tracts usable and suitable for residential construction.

2. The general character of the neighborhood in which the tract lies, the effect of the plan on the area, and the effect of the plan on the rural character of the town.

3. The relation of the plan to the long-range plans of the Town, as contained in the Town of Rindge Master Plan, if any.

4. The natural terrain of the tract.

5. The impact of the proposed subdivision upon the ability of the Town to provide or expand municipal or community services if it is not phased.

6. The impact of the proposed subdivision upon the ability of the Town to provide or expand municipal or community services if it is phased.

Section 5. LIMITATIONS

In establishing the phasing schedule, the Planning Board shall not restrict the number of dwelling units permitted on the site to less than ten percent (10%) of the number of lots or dwelling units which could be established on the total land area of the tract usable for residential construction under the applicable zoning laws without reference to this article.

Section 6. PERIODIC REVIEW

The operation of this article shall be reviewed by the Planning Board periodically, but not less frequently than once every three years, to insure that the phasing requirements of this article have not become inconsistent with the Town's responsibility and capability in planning, developing and implementing the necessary municipal systems and facilities to serve the growing Town and to ensure that the Town is assuming its fair share of housing growth with the Monadnock Region.

Section 7. AMENDMENTS

This regulation may be amended by a vote at any legal Town Meeting in accordance with the provisions of the New Hampshire Revised Statutes Annotated 1984 R.S.A. 675:3, and as amended.

Section 8. SAVING CLAUSE

The invalidity of any provision of this ordinance shall not affect the validity of any other provision.

Section 9. EXPIRATION

This article shall automatically terminate on the fifth anniversary of its enactment unless specifically extended by vote of Annual Town Meeting.
