## AUDITOR'S REPORT

This is to certify that I have examined the books of the Town of Roxbury for the year ending December 31, 1973.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Road Agent, Selectmen and Trustee of Trust Funds (including an examination of the securities). I find that the books and records of the town reflect it's true financial condition as of December 31, 1973 to the best of my knowledge and belief.

I find that the Town Clerk, Town Treasurer, Tax Collector, Trustee of Trust Funds, Road Agent and Constable are bonded by surety companies as required by law. Uncollected Taxes reported by the Tax Collector have been verified by written notice.

I would like to thank the town officers for their cooperation and assistance during the period of the audit.

Respectfully submitted,

Oliver F. Derby  
Auditor

## REPORT OF THE SCHOOL BOARD MEMBER

The Monadnock Regional School Board annual meeting was held in Swanzev at the High School on March 17, 1973. The proposed budget of \$1,919,643.76 was raised and appropriated for 1973-1974. The total assessment for Roxbury was \$30,308.52.

Two new board members were elected into office: Mr. Greene from Fitzwilliam ( Mr. Cleveland moved to England), Mrs. Quintard from Richmond (Mrs. Thompson-term expired), and Mr. Bouffard was re-elected from Swanzev.

The public also authorized the School Board to enter into an agreement with Fitzwilliam to use land at the Emerson School for recreational purposes.

The proposal to Plan #1: to build a middle school or Plan #2: to build an addition to the High School, Mt. Caesar, and Fitzwilliam Schools plus build a small middle school were defeated by a large majority.

Since the annual meeting we have reviewed dual enrollment, extended school year and concentrated on expansion of elementary schools to return grades 7 & 8 back to the towns which many residents seem to want. And also a small addition to the High School. These items will be on this years warrant.

It isn't feasible to have elementary schools in Roxbury or Richmond because census is too low.

A representative was appointed to attend the Vocational Center Meeting in Keene which, hopefully may be among the three Vocational Centers in State selected this year.

A formula study committee was also appointed to reconsider the methods of taxation which resulted in a tie vote. The School Board also ended in a tie vote previously. The method of equalized valuation and resident membership remains but several towns are pressing for a resident membership cost only. Most have agreed that a common tax rate would be the best.

Towns visited for Board meeting this year were Richmond, Surry, Fitzwilliam, Sullivan and Cutler School. Next year the remainder will be visited.

The Board voted to keep on as normal a schedule as possible due to the energy crisis.

Resident population of Roxbury: 161

Enrolled in M.R.S.D. Grades 1-6: 19 students  
Grades 7-12: 17 students

Monday, February 18, 1974 is the Public Hearing on the 1974-75 school budget.

Saturday, March 23, 1974 is the Annual Meeting.

Respectfully submitted,

Madelene Robinson
